Cc: Local Health Departments and the Wisconsin Department of Public Instruction

From: Stephanie Schauer, Ph.D.
Immunization Program Manager

Re: Student Immunization Law Information, Fall 2023

Enclosed please find the materials Wisconsin schools need to assess, ensure, and report student compliance with the Wisconsin Student Immunization Law. You are receiving this mailing because you are registered as a school with the Wisconsin Department of Public Instruction (DPI), but you do not have an email address on file with DPI.

We thank you for your partnership with assessing and ensuring compliance with the Wisconsin student immunization law. You are integral partners in ensuring schools remain healthy environments for learning. As you plan for another school year, we wanted to make you aware of a few items regarding school immunization compliance for the upcoming 2022-2023 school year.

- **The school booklet materials are also available online.**
<https://www.dhs.wisconsin.gov/immunization/reqs.htm>
- **The School Report to Local Health Departments will be submitted electronically.** If your school does NOT have access to the internet, a paper report must be sent to your LHD. The reports are in the booklet.

This year we will continue to utilize an online process for schools to report to the local health departments and the state.

Paper version: <https://www.dhs.wisconsin.gov/forms/f0/f04002.pdf>

Online survey: <https://redcap.wisconsin.gov/surveys/?s=DXK47T9EM8RYCRWH>

Note that the REDCap survey cannot be completed using Internet Explorer. Please use Google Chrome or Microsoft Edge to complete the survey.

Either report will satisfy the reporting required of every school by Wisconsin law (Wis. Admin. Code ch. 144: https://docs.legis.wisconsin.gov/code/admin_code/dhs/110/144) to submit the report to the local health department by the deadline (the 40th school day). It will not be necessary to send a separate paper copy of the form to the local health department.

- **School compliance results from the previous school year are available online.** Schools and districts should review their compliance results from the previous school year using the links below. Public school districts and private schools with less than 99.00% of students in compliance during the previous school year are required to exclude noncompliant students during this coming school year.
 - Public districts: <https://www.dhs.wisconsin.gov/publications/p02388a.pdf>
 - Private schools: <https://www.dhs.wisconsin.gov/publications/p02388.pdf>
- **A webinar will be held August 21, 2023 from 9:00-10:30 am for school personnel on submitting the school report.** DHS and the Department of Public Instruction (DPI) will host a webinar to discuss these changes and the process in more detail. The webinar will be recorded and archived on our website for viewing. The link for the webinar will be sent out closer to the date.

We thank you for your continued efforts to ensure all school children in Wisconsin are protected against vaccine-preventable diseases. We look forward to a continued partnership with you.

Please let DPI know if you would like to be included in their email distribution list by contacting louise.wilson@dpi.wi.gov.

If you have questions, please contact your local health department or your regional immunization representative:

WISCONSIN STATUTES
CHAPTER 252
COMMUNICABLE DISEASES

252.04 Immunization program. (1) The department shall carry out a statewide immunization program to eliminate mumps, measles, rubella (German measles), diphtheria, pertussis (whooping cough), poliomyelitis and other diseases that the department specifies by rule, and to protect against tetanus. Any person who immunizes an individual under this section shall maintain records identifying the manufacturer and lot number of the vaccine used, the date of immunization and the name and title of the person who immunized the individual. These records shall be available to the individual or, if the individual is a minor, to his or her parent, guardian or legal custodian upon request.

(2) Any student admitted to any elementary, middle, junior, or senior high school or into any child care center or nursery school shall, within 30 school days after the date on which the student is admitted, present written evidence to the school, child care center, or nursery school of having completed the first immunization for each vaccine required for the student's grade and being on schedule for the remainder of the basic and recall (booster) immunization series for mumps, measles, rubella (German measles), diphtheria, pertussis (whooping cough), poliomyelitis, tetanus, and other diseases that the department specifies by rule or shall present a written waiver under sub. (3).

(3) The immunization requirement is waived if the student, if an adult, or the student's parent, guardian, or legal custodian submits a written statement to the school, child care center, or nursery school objecting to the immunization for reasons of health, religion, or personal conviction. At the time any school, child care center, or nursery school notifies a student, parent, guardian, or legal custodian of the immunization requirements, it shall inform the person in writing of the person's right to a waiver under this subsection.

(4) The student, if an adult, or the student's parent, guardian, or legal custodian shall keep the school, child care center, or nursery school informed of the student's compliance with the immunization schedule.

(5) (a) By the 15th and the 25th school day after the date on which the student is admitted to a school, child care center, or nursery school, the school, child care center, or nursery school shall notify in writing any adult student or the parent, guardian, or legal custodian of any minor student who has not met the immunization or waiver requirements of this section. The notices shall cite the terms of those requirements and shall state that court action and forfeiture penalty could result due to noncompliance. The notices shall also explain the reasons for the immunization requirements and include information on how and where to obtain the required immunizations.

(b) 1. A school, child care center, or nursery school may exclude from the school, child care center, or nursery school any student who fails to satisfy the requirements of sub. (2).

2. Beginning on July 1, 1993, if the department determines that fewer than 98% of the students in a child care center, nursery school, or school district who are subject to the requirements of sub. (2) have complied with sub. (2), the child care center or nursery school shall exclude any child who fails to satisfy the requirements of sub. (2) and the school district shall exclude any student enrolled in grades kindergarten to 6 who fails to satisfy the requirements of sub. (2).

3. Beginning on July 1, 1995, if the department determines that fewer than 99% of the students in a child care center, nursery school, or school district who are subject to the requirements of sub. (2) have complied with sub. (2), the child care center or nursery school shall exclude any child who fails to satisfy the requirements of sub. (2) and the school district shall exclude any student enrolled in grades kindergarten to 6 who fails to satisfy the requirements of sub. (2).

4. No student may be excluded from public school under this paragraph for more than 10 consecutive school days unless, prior to the 11th consecutive school day of exclusion, the school board provides the student and the student's parent, guardian or legal custodian with an additional notice, a hearing and the opportunity to appeal the exclusion, as provided under s. 120.13 (1) (c) 3.

(6) The school, child care center, or nursery school shall notify the district attorney of the county in which the student resides of any minor student who fails to present written evidence of completed immunizations or a written waiver under sub. (3) within 60 school days after being admitted to the school, child care center, or nursery school. The district attorney shall petition the court exercising jurisdiction under chs. 48 and 938 for an order directing that the student be in compliance with the requirements of this section. If the court grants the petition, the court may specify the date by which a written waiver shall be submitted under sub. (3) or may specify the terms of the immunization schedule. The court may require an adult student or the parent, guardian, or legal custodian of a minor student who refuses to submit a written waiver by the specified date or meet the terms of the immunization schedule to forfeit not more than \$25 per day of violation.

(7) If an emergency arises, consisting of a substantial outbreak as determined by the department by rule of one of the diseases specified in sub. (2) at a school or in the municipality in which the school is located, the department may order the school to exclude students who are not immunized until the outbreak subsides.

(8) The department shall provide the vaccines without charge, if federal or state funds are available for the vaccines, upon request of a school district or a local health department. The department shall provide the necessary professional consultant services to carry out an immunization program, under the requirements of sub. (9), in the jurisdiction of the requesting local health department. Persons immunized may not be charged for vaccines furnished by the department.

(9) (a) An immunization program under sub. (8) shall be supervised by a physician, selected by the school district or local health department, who shall issue written orders for the administration of immunizations that are in accordance with written protocols issued by the department.

(b) If the physician under par. (a) is not an employee of the county, city, village or school district, receives no compensation for his or her services under par. (a) and acts under par. (a) in accordance with written protocols issued by the department, he or she is a state agent of the department for the purposes of ss. 165.25 (6), 893.82 (3) and 895.46.

(c) The department may disapprove the selection made under par. (a) or may require the removal of a physician selected.

(10) The department shall, by rule, prescribe the mechanisms for implementing and monitoring compliance with this section. The department shall prescribe, by rule, the form that any person immunizing a student shall provide to the student under sub. (1).

(11) Annually, by July 1, the department shall submit a report to the legislature under s.13.172(3) on the success of the statewide immunization program under this section.

History: 1993 a. 27 ss. 181, 470; 1995 a. 32, 77, 222; 2009 a. 185.

Published: July 30, 1975

Amended: May 20, 1980, April 26, 1982, May 16, 1988, May 3, 1990, May 1, 1992, April 16, 1996, June 1997, May 2001, August 2003, February 2008

Flowchart: Actions Required of Schools and Classification of Students as Compliant or Noncompliant

Note: The row number (1-7) refers to the row number on the School Report to Local Health Department (F-04002) where the student should be reported.

The first year of school is Kindergarten even if a student attended a pre-K class.

Wisconsin Student Immunization Law Timeline: Actions Required of Schools

School Day	School Actions	Forms and Resources
1 st	Admission to School	
1 st –14 th	Assess Compliance Schools assess compliance for all students, paying particular attention to students who: <ul style="list-style-type: none"> • Are new to the school. • Are entering grades with new requirements (Kindergarten, 6th grade). • Were “In Process” last school year. • Were noncompliant last school year. 	Schools can look up student immunization histories in the Wisconsin Immunization Registry . Use the Flow Chart and compliance definitions on page 2 of form F-04002 to determine a student’s compliance category.
15 th	First Legal Notice^a Schools send the First Legal Notice and the Student Immunization Record form F-04020L to parents of students who are behind schedule or have no record.	Legal Notice (F-44001) English Spanish Hmong Somali Student Immunization Record (F-04020L) English Spanish Hmong Somali
25 th	Second Legal Notice^b Schools send the Second Legal Notice and the Student Immunization Record form F-04020L to parents of students who are behind schedule or have no record. Schools also send the Notice of Exclusion^c if the school is required to or chooses to exclude noncompliant students.	Legal Notice (F-44001) English Spanish Hmong Somali Student Immunization Record (F-04020L) English Spanish Hmong Somali Notice of Exclusion English Spanish Hmong Somali
30 th	First Deadline: Exclusion Schools determine which students are noncompliant ^d and exclude noncompliant students in Kindergarten through Grade 5, starting on the 31 st school day, if one of the following is true: <ul style="list-style-type: none"> • The school is a public school and the school district’s compliance level from the previous school year was less than 99.00%. • The school is a private school and the school’s compliance level from the previous school year was less than 99.00%. Exclusion is optional for grades 6–12 and for schools that met the 99.00% compliance level in the previous year.	Compliance results from previous school year <ul style="list-style-type: none"> • Public school districts • Private schools
40 th	School Report to Local Health Department Start Noncompliance Roster Schools submit the School Report to the Local Health Department with the aggregate data using the online REDCap survey: https://redcap.wisconsin.gov/surveys/?s=DXK47T9EM8RYCRWH Schools generate the Noncompliance Roster and keep it on file at school. Note: the information on the School Report to Local Health Department is used to determine a school’s compliance level and whether a school/district will need to exclude students on the 31 th day of the next school year.	School Report to Local Health Department (now online) F-04002 Noncompliance Roster F-01580
90 th	Second Deadline Schools add noncompliant ^d students to the Noncompliance Roster . <i>Optional:</i> Schools may send reminder letters to parents of students who are ‘In Process’ and parents of students who are noncompliant. ^d	90 th day letter-In Process English Spanish Hmong Somali 90 th day letter-Not Compliant English Spanish Hmong Somali
At any time	Educational materials <i>Optional:</i> Schools may send educational materials to students’ families.	Grade K-6 Immunization Requirements English Spanish Hmong Somali Grade 7-12 Immunization Requirements English Spanish Hmong Somali

Footnotes

- ^a Schools should send the First Legal Notice by the 15th school day to parents of students who are behind schedule or have no record on file. The first notice should include the 30th school day deadline date inserted in the first paragraph in the space provided. The signature line should be completed with the “date sent” filled in. A blank Student Immunization Record should be attached so the parent can return the required information.
- ^b The Second Legal Notice should be sent to students who remain noncompliant after the first notice. The second notice should be sent by the 25th school day and should include the same information as the first notice with a new “date sent” filled in on the signature line.
- ^c The Notice of Exclusion should be sent if your school chooses to exclude the noncompliant student or if your school is required to exclude noncompliant students because the compliance level of your school/school district was less than 99% during the previous school year. The exclusion date would be the 31st school day from the beginning of admission to school, and that date should be inserted on the Notice of Exclusion.
- ^d Noncompliant students include students who are behind schedule or have no record and have no waiver on file. Noncompliant students should be recorded on the Noncompliance Roster and should be reassessed next year.

Immunization Law Clarification

Updates to Wisconsin's Administrative Code (Wis. Admin. Code ch. DHS 144) THAT PERTAIN TO SCHOOL IMMUNIZATION REQUIREMENTS

Link: https://docs.legis.wisconsin.gov/code/admin_code/dhs/110/144

The following update to DHS 144 will take effect for the 2023-2024 school year and subsequent years.

Students should receive the Tdap (tetanus, diphtheria and acellular pertussis) vaccine before the start of 7th grade rather than 6th grade. Students who received one dose of Tdap prior to the start of 6th grade under the previous requirement are compliant and do not need to receive an additional dose of Tdap.

Compliance Categories:

Meets Minimum: Applies to students with a record containing the dates (month/day/year) of immunizations for every dose of vaccine required for his or her grade level. For students in "ungraded" programs, use the requirement for the traditional age-appropriate grade. **Does not apply to a child that has any immunization waiver (health, religious, or personal conviction.)**

In Process: Applies to students enrolling for the first time in a Wisconsin school (e.g., prekindergarten or kindergarten, out-of-state transfers, and homeschooled children) and to existing students for whom there is a new vaccine requirement. To be considered "in process," the student must provide the immunization dates demonstrating receipt of the first doses of required vaccines within 30 school days of admission. Prior to the 30th school day, the legal notice should be sent as needed. "In process" also applies to the second doses within 90 school days of admission and the third (and fourth doses, if required) within 30 school days of admission the following school year. A student cannot be considered "in process" if the missing vaccine is a single-dose vaccine requirement (i.e., Tdap). These children, as well as any other students who fail to meet the deadlines, would be "behind schedule."

Behind Schedule: Applies to students who have an immunization record on file but are missing required doses of vaccine, are not in process, and do not have a waiver on file for the vaccine. Because the Wisconsin Student Immunization Law applies to all public and private schools, a transfer student from any school within the state who is "behind schedule" enters the new school as "behind schedule," not "in process."

No Record: Applies to students who do not have a student immunization record on file and any transfer student for whom a record has not yet been received from the previous school. It also applies to students who have submitted a record with inappropriate information, such as "all vaccines received," "child up to date," or "record at doctor's office."

Waiver: Waivers are available for medical/health, religious, or personal conviction reasons. Children for whom waivers are filed are compliant. However, they may be subject to exclusion

from school in the event of an outbreak of diseases against which they are not completely immunized. A history of chickenpox is not a waiver. If a waiver is selected, all vaccines the child has already received should be listed on the Student Immunization Record by the parent or guardian. Although they are compliant with the Wisconsin Student Immunization Law, **students with a waiver should not be classified in the Meets Minimum category.**

Compliant Categories: Meet minimum, In Process, Waiver.

Noncompliant Categories: Behind Schedule, No Record.

Exclusion: Every year schools are required to assess all students' immunization records to determine compliance with the Wisconsin Student Immunization Law, as described in the Wisconsin Student Immunization Law Timeline: Actions Required of Schools (P-01442). Students have until the 30th school day to provide the appropriate documentation of immunization or a signed waiver. Starting on the 31st school day, noncompliant students in kindergarten through grade 5 must be excluded for up to 10 consecutive school days if one of the following is true about the school:

- The school is a public school and the school district's compliance level from the previous school year was less than 99.00%.
- The school is a private school and the school's compliance level from the previous school year was less than 99.00%.

Exclusion is optional for grades 6 through 12.

Exclusion is optional for schools that met the 99.00% compliance level in the previous year.

STUDENTS AND SCHOOLS

Kindergarten: Kindergarten is typically for children ages 5 to 6 and is the grade prior to grade 1. On the School Report to Local Health Department form, [F-04002](#), results for kindergarten students are reported separately (in left column) and again combined with all students (in right column) to assess compliance specifically among children at the age of school entry into Kindergarten. Kindergarten is considered the first year of school even if the student attended a pre-K class.

4K Kindergarten, 3K Kindergarten, Early Childhood: The vaccine requirements of the Wisconsin Student Immunization Law are not grade-specific for children enrolled in 4K kindergarten, 3K kindergarten, and early childhood programs. The law requires specific doses of vaccines for children ages 2 through 4. The vaccine requirements and timeline for when they are to be met should begin when the child enters school for the first time. Compliance information for these children should be included in the "All students enrolled at this school" section (Column B) of the School Report to the Local Health Department form, [F-04002](#). Exclusion of noncompliant students in 4K, 3K, and early childhood programs is optional. Children 5 years of age and older attending a Pre-K class should be assessed using the requirements for kindergarten through grade 5.

School Assessment vs. Child Care Assessment: The school assessment measures compliance with the Wisconsin Student Immunization Law among children enrolled in school, including children enrolled in early childhood, 3K, and 4K programs, and kindergarten through

grade 12. Students enrolled in early childhood, 3K, or 4K programs within a school should be reported on the School Report to Local Health Department form, [F-04002](#).

The Wisconsin Student Immunization Law also requires that licensed Wisconsin child care centers assess and report the immunization status of children enrolled in licensed child care centers. The assessment of the immunization status of children enrolled in licensed child care centers is separate from the assessment of children enrolled in school. If a licensed child care center is located in a school, the child care center will be assessed separately from the school by the Wisconsin Department of Health Services. The child care assessment is typically done in late winter or early spring through a separate, direct mailing. It is possible that some children will be assessed twice in the same school year: once as the student in a school and again as an attendee of a licensed child care.

Charter Schools: The Wisconsin Student Immunization Law applies equally to all of the following: public schools, private schools, charter schools, and non-charter schools.

Homeschooled Children: The Wisconsin Student Immunization Law does not cover homeschooled children unless they enroll in any class or grade in a Wisconsin public or private school. If the child is enrolled for the first time, he or she should be handled like any other first-time enrollee and allowed to be “in process” if all vaccines have not already been administered. If that child leaves the Wisconsin school and later re-enrolls, that child would be considered “behind schedule” if all required vaccines have not been administered.

"Off-campus" Students: For the purpose of this immunization assessment, students who are officially enrolled in a school but spend time away from that school should be counted in the school where they are officially enrolled. This would include students in group educational settings and alternative schools, or students who take one class at the high school but are enrolled in middle school.

Virtual or Online Schools: Wisconsin students who attend virtual or online schools only and do not attend any classes or participate in extracurricular activities at a brick-and-mortar school are not subject to the student immunization law. However, students who attend virtual or online schools, and also attend a brick-and-mortar school for coursework or extracurricular activities are considered admitted to the brick-and-mortar school and subject to the student immunization law requirements.

IMMUNIZATION RECORDS

Transfer Student Records: For students who transfer from one Wisconsin school to another, schools must transfer the record to the new school within 10 school days of the records request per Wis. Admin. Code § DHS 144.07(7).

Foreign Exchange Students

Foreign Exchange students need to meet the same immunization requirements as any other student when entering into a public or private school. If possible, schools should provide the Student Immunization Law Age/Grade Requirements, [P-44021](#), and the Student Immunization Record form, [F-04020L](#), prior to the student’s arrival in Wisconsin.

Immunization Records: Written evidence of immunization can be supplied on either the Student Immunization Record form, [F-04020L](#), or an electronic immunization record, such as a printout from the Wisconsin Immunization Registry (WIR). Parents who choose to waive an immunization are required to sign a waiver on the Student Immunization Record form, [F-04020L](#), and list the dates (month, day, year) of all of the vaccines the child has received. Alternatively, if [F-04020L](#) is not used, the parent should provide documentation of all of the vaccines received, the dates (month, day, year) the vaccines were received, the specific vaccines that are being waived, the type of waiver, the date of the waiver, and the parent name and signature.

Immunization Records Retention: The Student Immunization Record form, [F-04020L](#) is part of a student's progress record and, as such, should be maintained for at least five years after the student ceases to be enrolled at the school per Wis. Stat. § 118.125(3).

WIR Records—Health Care Provider vs. School: The Wisconsin Student Immunization Law requires students to have a minimum number of doses of vaccine. For some vaccines, the Advisory Committee on Immunization Practices (ACIP), the committee that makes recommendations for vaccine use in the United States, recommends that children receive more doses than are required by the Wisconsin Student Immunization Law. The school WIR record may indicate that a student is compliant with the law; however, that same student may need further immunizations based on the WIR record of the student's health care provider, which follows the ACIP recommendations. If a parent asks about further recommended immunizations for their children, they should be referred to their health care provider. A "refusal of [vaccine name]" documented in the WIR does not constitute a valid waiver. The school is responsible for obtaining waiver documentation.

Family Educational Rights and Privacy Act:

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. If you have questions about releasing information, contact your school's legal counsel.

Generally, schools must have written permission from the parent to release any information from a student's education record (including immunization information). However, FERPA allows schools to disclose those records, without consent, under certain conditions, including to comply with a judicial order or lawfully issued subpoena, and to appropriate officials in the event of health and safety emergencies.

The following describes the circumstances under which student immunization information can be released to local health departments, district attorneys, and WIR.

Released to local health departments:

- Should the local health department determine that there is a health emergency (i.e., an outbreak of a vaccine-preventable disease) at a school, the local health department may request the names and contact information of students who are not protected from the disease (i.e., students not fully vaccinated against the disease) from the school. This determination should inform the school's decision whether a disclosure of the requested

information is necessary to protect the health or safety of one or more students or others, consistent with federal law.

- However, for ensuring compliance only, schools may not share names of noncompliant students with the local health department unless the parent has provided signed consent.

Released to district attorneys:

- If your school is in a jurisdiction where a court order has been issued for schools to provide names of noncompliant students to the county district attorney's office, this disclosure is allowed under FERPA (to comply with the judicial order.)

Released to WIR:

- Schools may not share student immunization information with WIR or with health care providers unless the parent provided signed consent.
- The parent signature portion of the Student Immunization Record form, [F-04020L](#), includes a checkbox where parents can give permission for schools to share the student's immunization information with WIR.
- Schools are encouraged to use this form for all new and transferring students.

For existing students, schools may use the Student Immunization Record form, [F-04020L](#), to obtain consent to release-immunization information, or the school may choose to develop some other form to obtain consent for the release.

Waivers: The Wisconsin student immunization requirements can be waived for personal conviction, religious, or medical/health reasons. Children for whom waivers are filed are compliant with the Wisconsin Student Immunization Law; however, these children may be subject to exclusion from school in the event of an outbreak of a disease against which they are not completely immunized.

Parents who choose to waive an immunization are required to sign a waiver on the Student Immunization Record form, [F-04020L](#), and list the dates (month, day, year) of all of the vaccines the child has already received. Alternatively, if [F-04020L](#) is not used, the parent should provide documentation of all of the vaccines received, the dates (month, day, year) the vaccines were received, the vaccines that are being waived, the type of waiver, the date of the waiver, and the parent name and signature. The school is responsible for obtaining waiver documentation.

A "refusal of [vaccine name]" documented in WIR does not constitute a valid waiver. A history of chickenpox is not a waiver but does exempt a student from the varicella vaccine requirement.

Every year schools should review all student waivers for accuracy. Those students' immunization records can be checked in WIR to determine if the student has received the vaccine and therefore the waiver status is no longer necessary.

New Vaccines and Waivers: If a waiver is chosen, it applies to a vaccine(s) required at the time a student enrolls into a Wisconsin school for the first time (e.g., a student entering kindergarten or a student transferring from an out-of-state school). Any new vaccines or new

dose of an existing vaccine required after enrollment in the Wisconsin school would require a separate waiver for that vaccine.

VACCINES AND IMMUNIZATIONS

Required Vaccines

DT	Diphtheria and tetanus vaccine (pediatric)
Td	Tetanus and diphtheria vaccine (for ages 7 years or older)
Tdap	Tetanus, diphtheria, and acellular pertussis vaccine (adolescents)
DTaP	Diphtheria, tetanus, and acellular pertussis vaccine (pediatric)
DTP	Diphtheria, tetanus, and pertussis vaccine (no longer available)
Hep B	Hepatitis B vaccine
MMR	Measles, mumps, and rubella vaccine
Polio	Polio vaccine
Var	Varicella (chickenpox vaccine)

Vaccine Trade Names: A health care provider might administer a vaccine and provide the parent with a note listing only the vaccine trade name rather than listing the specific type of vaccine received. The following list of commonly used vaccines and their manufacturer trade names is provided to help you determine which vaccines were received.

U.S Vaccines

Vaccine	Trade Name	Abbreviation	Manufacturer
DTaP	Daptacel®	DTaP	Sanofi
	Infanrix®	DTaP	GlaxoSmithKline
DTaP, Polio	Kinrix®	DTaP-IPV	GlaxoSmithKline
	Quadracel®		
DTaP, Hepatitis B, Polio	Pediarix®	DTap-HepB-IPV	GlaxoSmithKline
DTaP, Polio, Haemophilus influenzae type b	Pentacel®	DTaP-IVP/Hib	Sanofi
DT	Generic	DT	Sanofi
Haemophilus influenzae type b	ActHIB®	Hib (PRP-T)	Sanofi
	Hiberix®	Hib (PRP-T)	GlaxoSmithKline
	PedavaxHIB®	Hib (PRP-OMP)	Merck
Hepatitis B	Engerix-B®	HepB	GlaxoSmithKline
	Recombivax HB®	HepB	Merck
	Heplisav-B®	HepB	Dynavax Technologies
Hepatitis A, Hepatitis B	Twinrix®	HepA-HepB	GlaxoSmithKline

Human Papillomavirus	Gardasil® 9	9vHPV	Merck

Valid Doses: Vaccines in a series (when more than one dose is required) are most effective when the doses are administered according to recommended time intervals. However, the Wisconsin Student Immunization Law does not require that vaccines are received at specific time intervals. Therefore, the number of doses received, including those that were received at inappropriate time intervals, can be counted toward compliance with the Wisconsin Student Immunization Law. In WIR, doses received at inappropriate time intervals are marked as "not valid." These doses can be counted towards meeting the minimum required doses. The only exceptions to this are the first dose of MMR vaccine, which must be administered on or after the first birthday, and a dose of DTaP/DT vaccine, which should be given on or after the fourth birthday for children entering 5K Kindergarten.

Four-day Grace Period: The Wisconsin Student Immunization Law allows a four-day grace period for certain required age-dependent vaccines. The four-day grace period means a student is compliant with the immunization law if the dose of each of these vaccines was received four days or less before the date it was required. See footnotes 2, 3, 5, and 7 on the table describing "Student Immunization Law Age/Grade Requirements," [P-44021](#), for descriptions of which vaccines and doses this applies to.

DTaP/DTP/DT Vaccine After 4 Years of Age: The Wis. Admin. Code ch. DHS 144 requires that at least one dose (either the 3rd, 4th, or 5th dose) of DTaP/DTP/DT is to be received after the 4th birthday. The purpose of this required (and recommended) dose is to boost the level of protection primarily against pertussis (whooping cough.) If the third dose of DTaP/DTP/DT is received after the child's 4th birthday, a fourth dose is not required.

Polio Vaccine, Four Doses Required: ACIP recommends a fifth dose of polio vaccine for children who received their fourth dose before their 4th birthday. The Wisconsin Student Immunization Law requires four doses only; a fifth dose is not required. Children who received their third dose of polio vaccine after their 4th birthday are also compliant with the Wisconsin Student Immunization Law.

Hepatitis B Vaccine, Two-dose Series: An exception was made in Wis. Admin. Code ch. DHS 144 for students who receive two doses of a licensed, two-dose hepatitis B vaccine formulation. These students are not required to receive a third dose. The two-dose hepatitis B vaccine is licensed only for children ages 11 through 15 and is given four to six months apart. If the first dose was received by the 30th school day, the second would be required by the 30th school day of the following school year. This formulation is rarely used at this time.

Varicella Vaccine Exemption: All students in kindergarten through grade 12 are required to have two doses of varicella vaccine. Students with a history of chickenpox disease are exempt from the varicella vaccine requirement. If a student received the first dose of varicella vaccine and subsequently developed chickenpox ("breakthrough disease",) or if the student has been diagnosed with shingles, the second dose of varicella vaccine is not required. The student's history of having had the disease or laboratory evidence of immunity should be noted on the Student Immunization Record. If the student has been diagnosed with shingles, a history of chickenpox can be noted on the Student Immunization Record since a person cannot develop shingles unless they previously had chickenpox.

Tdap Vaccine Exception: Please note that one dose of Tdap vaccine is currently recommended for adolescents and adults. The school requirement for students in grades 7 through 12 is one dose of Tdap. An exception is made for students who already received a tetanus-containing vaccine, such as Td, TT (tetanus toxoid), or DTaP, within five years (i.e., a total of five full years) before entering the grade where Tdap is required. These students are compliant with the Tdap requirement, and no further doses are required. For example, if a child received a dose of Td vaccine because of an injury within five years before entering grade 7, that child has met the Tdap requirement (even though s/he has not actually received Tdap vaccine.) Although, in these circumstances, Tdap is not required for school entry, Tdap vaccination is recommended to boost the student's immunity to pertussis. Pertussis is common among adolescents and other school-aged children, and can result in significant illness for the student, the student's family (especially infants less than 12 months old,) and can result in many missed days of school and/or work for the student and parent.

STUDENT IMMUNIZATION LAW AGE/GRADE REQUIREMENTS

The following are the minimum required immunizations for each age and grade level according to the Wisconsin Student Immunization Law. These requirements can be waived for health, religious, or personal conviction reasons. Additional immunizations may be recommended for your child depending on his or her age. Please contact your doctor or local health department to determine if your child needs additional immunizations.

**Table 144.03-A
Required Immunizations for the 2023-2024 School Year**

Age/Grade	Required Immunizations (Number of Doses)							
5 months through 15 months	2 DTP/DTaP/DT		2 Polio			2 Hep B	2 Hib	2 PCV
16 months through 23 months	3 DTP/DTaP/DT		2 Polio	1 MMR		2 Hep B	3 Hib	3 PCV
2 years through 4 years	4 DTP/DTaP/DT		3 Polio	1 MMR	1 Var	3 Hep B	3 Hib	3 PCV
Kindergarten through grade 6	4 DTP/DTaP/DT		4 Polio	2 MMR	2 Var	3 Hep B		
Grade 7 through grade 12	4 DTP/DTaP/DT	1 Tdap	4 Polio	2 MMR	2 Var	3 Hep B		

- Children 5 years of age or older who are enrolled in a Pre-K class should be assessed using the immunization requirements for Kindergarten through Grade 6, which would normally correspond to the individual's age.
- D = diphtheria, T = tetanus, P = pertussis vaccine. DTaP/DTaP/DT/Td vaccine for all students Pre-K through 12; Four doses are required. However, if a student received the 3rd dose after the 4th birthday, further doses are not required. **Note:** A dose four days or less before the 4th birthday is also acceptable.
- DTaP/DTaP/DT vaccine for children entering Kindergarten: Each student must have received one dose after the 4th birthday (either the 3rd, 4th, or 5th dose) to be compliant. **Note:** a dose four days or less before the 4th birthday is also acceptable.
- Tdap is an adolescent tetanus, diphtheria, and acellular pertussis combination vaccine. If a student received a dose of a tetanus-containing vaccine, such as Td, within five years before entering the grade in which Tdap is required, the student is compliant and a dose of Tdap vaccine is not required.
- Polio vaccine for students entering grades Kindergarten through 12; Four doses are required. However, if a student received the 3rd dose after the 4th birthday, further doses are not required. **Note:** a dose four days or less before the 4th birthday is also acceptable.
- Laboratory evidence of immunity to hepatitis B is also acceptable.
- MMR is measles, mumps, and rubella vaccine. The first dose of MMR vaccine must have been received on or after the 1st birthday. Laboratory evidence of immunity to all three diseases (measles and mumps and rubella) is also acceptable. **Note:** A dose four days or less before the 1st birthday is also acceptable.
- Varicella vaccine is chickenpox vaccine. Students with a reliable history of varicella disease are not required to receive the Varicella vaccine. A parent or guardian may indicate that their student has had chickenpox on the Student Immunization Record form (F-04020L).

STUDENT IMMUNIZATION RECORD

INSTRUCTIONS TO PARENT: COMPLETE AND RETURN TO SCHOOL WITHIN **30 DAYS AFTER ADMISSION**. State law requires all public and private school students to present written evidence of immunization against certain diseases **within 30 school days of admission**. The current age/grade specific requirements are available from schools and local health departments. These requirements can only be waived if a properly signed health, religious or personal conviction waiver is filed with the school. The purpose of this form is to measure compliance with the law and will be used for that purpose only. If you have questions regarding immunizations, or how to complete this form, contact your child's school or local health department.

Step 1 PERSONAL DATA PLEASE PRINT

Student's Name	Birthdate (MM/DD/YYYY)	Gender	School	Grade	School Year
Name of Parent/Guardian/Legal Custodian		Address (Street, City, State, Zip)		Telephone Number	

Step 2 IMMUNIZATION HISTORY

List the MONTH, DAY, AND YEAR your child received each of the following immunizations. DO NOT USE A (√) OR (X) except to answer the question about chickenpox, Tdap, or Td. If you do not have an immunization record for this student at home, contact your doctor or public health department to obtain it.

TYPE OF VACCINE*	FIRST DOSE MM/DD/YYYY	SECOND DOSE MM/DD/YYYY	THIRD DOSE MM/DD/YYYY	FOURTH DOSE MM/DD/YYYY	FIFTH DOSE MM/DD/YYYY
DTaP/DTP/DT/Td (Diphtheria, Tetanus, Pertussis)					
Adolescent booster (Check appropriate box) <input type="checkbox"/> Tdap <input type="checkbox"/> Td					
Polio					
Hepatitis B					
MMR (Measles, Mumps, Rubella)					
Varicella (Chickenpox) Vaccine Vaccine is required only if your child has not had chickenpox disease. See below:					
Has your child had Varicella (chickenpox) disease? Check the appropriate box and provide the year if known: <input type="checkbox"/> YES _____ Year (Vaccine not required) <input type="checkbox"/> NO or Unsure (Vaccine required)			Has your child had a blood test (titer) that shows immunity (had disease or previous vaccination) to any of the following? (Check all that apply) <input type="checkbox"/> Varicella <input type="checkbox"/> Measles <input type="checkbox"/> Mumps <input type="checkbox"/> Rubella <input type="checkbox"/> Hepatitis B If YES, provide laboratory report(s)		

Step 3 REQUIREMENTS

Refer to the age/grade level requirements for the current school year to determine if this student meets the requirements.

Step 4 COMPLIANCE DATA

STUDENT MEETS ALL REQUIREMENTS
 Sign at Step 5 and return this form to school.
 _____ Or _____

STUDENT DOES NOT MEET ALL REQUIREMENTS
 Check the appropriate box below, sign at Step 5, and return this form to school. PLEASE NOTE THAT INCOMPLETELY IMMUNIZED STUDENTS MAY BE EXCLUDED FROM SCHOOL IF AN OUTBREAK OF ONE OF THESE DISEASES OCCURS.

Although my child has **NOT** received **ALL** the required doses of vaccine, the **FIRST DOSE(S)** has/have been received. I understand that the **SECOND DOSE(S)** must be received by the 90th school day after admission to school this year, and that the **THIRD DOSE(S)** and **FOURTH DOSE(S)** if required must be received by the 30th school day next year. I also understand that it is my responsibility to notify the school in writing each time my child receives a dose of required vaccine.

NOTE: Failure to stay on schedule may result in exclusion from school, court action and/or forfeiture penalty.

WAIVERS (List in Step 2 above, the date(s) of any immunizations your child has already received)

For health reasons this student should not receive the following immunizations _____

_____ **SIGNATURE** - Physician _____ **Date Signed**

For religious reasons, I have chosen not to vaccinate this student with the following immunizations (check all that apply)
 DTaP/DTP/DT/Td Tdap, Polio Hepatitis B MMR (Measles, Mumps, Rubella) Varicella

For personal conviction reasons, I have chosen not to vaccinate this student with the following immunizations (check all that apply)
 DTaP/DTP/DT/Td Tdap Polio Hepatitis B MMR (Measles, Mumps, Rubella) Varicella

Step 5 SIGNATURE

This form is complete and accurate to the best of my knowledge. Check one: (I do I do not) give permission to share my child's current immunization records and as they are updated in the future with the Wisconsin Immunization Registry (WIR). I understand that I may revoke this consent at any time by sending written notification to the school district. Following the date of revocation, the school district will provide no new records or updates to the WIR.

_____ **SIGNATURE** - Parent/Guardian/Legal Custodian or Adult Student _____ **Date Signed**

LEGAL NOTICE

Required Immunizations (shots) for Admission to Wisconsin Schools

To the Parent, Guardian or Legal Custodian of _____ Grade _____

The Student Immunization Law requires that all students through grade 12 meet a minimum number of required immunizations prior to school entrance. These requirements can be waived only for health, religious or personal conviction reasons. According to our records, your child is not compliant because an immunization record is not available at school or an immunization(s) is needed (see reason for noncompliance marked below) and there is no waiver on file. To remain compliant with the law, please provide the month, day, and year that your child received the required immunization(s) on the attached Student Immunization Record, or select one of the waiver options prior to _____ and return the form to your child's school. Failure to do so may result in exclusion from school, court action, and/or forfeiture penalty. If you have any questions about this notice or how to obtain the required immunizations, please contact your child's school.

Reason for noncompliance:

No Record

According to our school records, the following vaccines are needed:

- | | | | | | |
|---|---|---|---|---|---|
| <u>DTaP/DT/Td</u> | <u>Polio</u> | <u>MMR¹</u> | <u>Hepatitis B¹</u> | <u>Varicella^{1,2}</u> | <u>Tdap³</u> |
| <input type="checkbox"/> 1 st Dose |
| <input type="checkbox"/> 2 nd Dose | | | | | |
| <input type="checkbox"/> 3 rd Dose | <input type="checkbox"/> 3 rd Dose | | <input type="checkbox"/> 3 rd Dose | | |
| <input type="checkbox"/> 4 th Dose | <input type="checkbox"/> 4 th Dose | | | | |
| <input type="checkbox"/> 5 th Dose | | | | | |

¹ If your child has laboratory test results proving that your child is immune to measles and mumps and rubella, or has laboratory test results proving that your child is immune to hepatitis B, or has laboratory test results proving that your child is immune to varicella, provide the test results to the school. If the test results are acceptable, then your child does not need to be vaccinated for the disease(s) to which he/she is already immune.

² If your child already had chickenpox disease, varicella vaccine is not required. Answer "yes" to the chickenpox disease question on the attached Student Immunization Record and enter the date of disease, if known.

³ If your child received a dose of a tetanus-containing vaccine, such as Td, within five years of entering the grade in which Tdap is required, your child is compliant and a dose of Tdap is not required.

Your immediate cooperation is appreciated.

School

Phone

School Official (Title)

Date sent

enc: Student Immunization Record

Notice of Exclusion

Date:

Dear Parent:

The attached Legal Notice indicates that your child is currently not in compliance with the Wisconsin Student Immunization Law and therefore will be excluded from this school on .

For your child to remain at school or re-enter school after exclusion, you must do one of the following:

- (1) Provide this school with the date (month, day, and year) of the required immunization(s) either from your child's medical records or from the [Wisconsin Immunization Registry](#). For varicella (chickenpox), a history of having had the disease is also acceptable. Laboratory evidence of immunity is also acceptable for these diseases: measles, mumps, rubella, hepatitis B, and varicella.

OR

- (2) Claim a waiver.

Use the attached Student Immunization Record to provide the information described above.

The Immunization Law in Wisconsin was passed to protect all children from vaccine-preventable diseases. The law requires public schools in school districts with less than a 99% compliance level to exclude noncompliant students in kindergarten through grade five. The law also applies to private schools. Private schools with less than a 99% compliance level are required to exclude noncompliant students in kindergarten through grade five. A noncompliant student is one who is "behind schedule" for a required immunization(s), or has no immunization record on file at the school and does not have a waiver on file.

Thank you for your cooperation.

SCHOOL REPORT TO LOCAL HEALTH DEPARTMENT, 2023-2024

Wisconsin Stat. § 252.04 requires that all students through grade 12 must present written evidence showing they are in compliance with the student immunization law by receiving the required number of vaccinations, being in the process of receiving the required number of vaccinations, or by having a signed waiver (see instructions and compliance definitions on the next page). Each year schools must report to the local health department the aggregate compliance total, by school, on or before the 40th school day.

INSTRUCTIONS

Complete a separate F-04002 for each school in your district. Report results for only one school (one DPI school code) per form. Submit the data on this form (F-04002) to the online REDCap survey:
<https://redcap.wisconsin.gov/surveys/?s=DXK47T9EM8RYCRWH>

SECTION A

Fill out the contact information for this school, including lowest and highest grades, and LEA and school code. Find DPI codes for [public schools](#) and [private schools](#). For questions A1-A3, please enter the number of students in each enrollment category at the time of assessment. Please do not report data for multiple schools or entire school districts on one form. If questions A2 or A3 are not relevant to your school, please enter 0.

SECTION B

Please enter the number of students that fall into each category for each vaccine. For each question 1-5 (or 6, if applicable), students should fall into only one category. Therefore, the sum of rows a-g for each vaccine must match the total enrollment entered in question A1 and question A2. If there are zero children that fall into a given category or the category is not applicable, please enter 0. Definitions of each category are on the last page of this form.

SECTION C-D

Please enter the number of students that fall into each category. For questions 7-15, students may fall into more than one category. Therefore, the sum of these numbers entered may not match numbers entered in questions A1-A2. If there are zero children that fall into a given category or the category is not applicable, please enter 0.

SECTION A: Complete the contact information for this school including the DPI LEA (District) Code, DPI School Code, and the grades that are enrolled at this school.

At this school, we have students enrolled in the following grades:

Starting with Grade _____ to _____

DPI LEA (District) Code (4-digit number)

DPI School Code (4-digit number)

Name of School

Address, City, Zip Code

County

Name of Person Completing Form (Print)

Email Address

Phone Number (include area code)

What was your first day of class instruction?

Does your school use a Student Information System (SIS), yes or no?

If yes, please specify the name of your SIS.

A1: Total School Enrollment:

A2: Kindergarten Enrollment:

A3: Grade 7 Enrollment:

SECTION B: List the number of students that fall into each category for each vaccine. **For each question 1-5, the sum of rows a-g must match the total enrollment reported in A1 and A2, respectively. Please report only one waiver type per student per vaccine.**⁴

	Kindergarten Students ³	All students ¹
1. DTaP/DTP/DT/Td	4 doses required	4 doses required
1a. Meets minimum requirements		
1b. In process		
1c. Behind schedule		
1d. Health waiver		
1e. Religious waiver		
1f. Personal conviction waiver

5h. No record		
5i. Varicella Total		

6. Tdap (Grade 7 Only)		1 dose ² required
6a. Meets minimum requirements		
6b. In process		
6c. Behind schedule		
6d. Health waiver		
6e. Religious waiver		
6f. Personal conviction waiver		
6g. No record		
6h. Tdap Total		

1. Include 3K or early childhood, 4K, and 5K through the highest grade served at the school.
2. Students below grade 7 are not assessed for Tdap and are considered to have met minimum requirements. Leave blank if there are no grade 7 students in your school. If applicable, include all students in grade 7.
3. Enter zeros if there are no kindergarten students at this school.
4. In some cases, a parent may select more than one type of waiver on their child’s Student Immunization Record. If a parent selects more than one waiver for **one** or **all** vaccines, please select one waiver to report using the following guidance: health waivers take precedence over religious or personal conviction waivers; religious waivers take precedence over personal conviction waivers.

SECTION C: List the number of students that fall into each category. Students may fall into more than one category (for example, having a medical waiver for MMR and a personal conviction waiver for DTaP).

	Kindergarten Students	All Students¹
7. At least one health waiver:		
8. At least one religious waiver:		
9. At least one personal conviction waiver :		
10. Students who have received no immunizations and have a waiver for all vaccines		

SECTION D: List the number of students that fall into each category. Definitions of each category 12-16 are found on the next page. Students may fall into more than one category.

	Kindergarten Students	All students¹
11. Students meeting all minimum requirements: ⁴		
12. Students who are in process: ²		
13. Students who are behind schedule: ²		
14. Students with no record: ²		
15. Students with any waiver: ³		

1. Including 3K or early childhood, 4K, and 5K through grade 5.
2. For at least one vaccine
3. Refers to the number of **students** with any waiver (health, religious, or personal conviction), not the number of waivers. Therefore, students with more than one waiver should be counted **once**.
4. If a student has a history of varicella, they should be counted in the meets minimum requirements category in Section D.

Instructions and Compliance Definitions for School Report to Local Health Departments

SECTION A: Identification of School

Each School Report to Local Health Department should include the aggregate results for only one school. Each school has a unique identification number assigned by DPI. That unique identification number is represented by two codes: the LEA code (which is also the district code) and the DPI school code. Therefore, each School Report to Local Health Department should include results for only one LEA code-school code combination. In Section A, please report both the DPI LEA (district) code and the DPI school code for this school. Please note that both codes are each four digits long, including leading zeros. You can search for your school's codes using the following links.

Public schools: <https://apps6.dpi.wi.gov/SchDirPublic/schools>

Private schools: <https://apps6.dpi.wi.gov/SchDirPublic/private-schools>

In the "search text" field, type all or part of the name of your school. Private school search results will immediately include the LEA (district) code and the school code. These are the codes that should be entered in Section A.

When public schools search for their name, they will immediately see the school code. However, to view the LEA (district) code, public schools will need to click on the name of the school.

SECTION B: Compliance Definitions

Required vaccines and number of doses:

Grade or Age	Number of Doses					
Pre-K (ages 2 through 4 yrs.) ¹	4 DTaP/DTP/DT ²		3 Polio	3 Hepatitis B ⁶	1 MMR ⁷	1 Varicella ⁸
Grades K-6	4 DTaP/DTP/DT/Td ^{2,3}		4 Polio ⁵	3 Hepatitis B ⁶	2 MMR ⁷	2 Varicella ⁸
Grades 7-12	4 DTaP/DTP/DT/Td ²	1 Tdap ⁴	4 Polio ⁵	3 Hepatitis B ⁶	2 MMR ⁷	2 Varicella ⁸

1. Children ≥ 5 years of age who are enrolled in a pre-K class should be assessed using the immunization requirements for K through grade 6 which would normally correspond to the individual's age.
2. D= diphtheria, T= tetanus, P= pertussis vaccine. DTaP/DTP/DT/Td vaccine for all students **pre-K through grade 12**: Four doses are required. However, if a student received the third dose after the 4th birthday, further doses are not required. (Note: a dose four days or less before the 4th birthday is also acceptable).
3. DTaP/DTP/DT vaccine for children **entering kindergarten**: Each student must have received one dose after the 4th birthday (either the third, fourth, or fifth dose) to be compliant. (Note: a dose four days or less before the 4th birthday is also acceptable).
4. Tdap is an adolescent tetanus, diphtheria, and acellular pertussis vaccine. If a student received a dose of a tetanus-containing vaccine, such as Td, within five years before entering the grade in which Tdap is required, the student is compliant and a dose of Tdap vaccine is not required. Schools only grades 6 and below, enter zeros in these cells.
5. Polio vaccine for students entering kindergarten **through grade 12**: Four doses are required. However, if a student received the third dose after the 4th birthday, further doses are not required. (Note: a dose four days or less before the 4th birthday is also acceptable).
6. Laboratory evidence of immunity to hepatitis B is also acceptable.
7. MMR is a measles, mumps, and rubella vaccine. The first dose of MMR vaccine must have been received on or after the 1st birthday (Note: a dose four days or less before the 1st birthday is also acceptable). Laboratory evidence of immunity to all three diseases (measles, mumps, and rubella) is also acceptable.
8. Varicella vaccine is chickenpox vaccine. Students who have a reliable history of Varicella disease are not required to receive the Varicella vaccine. A parent or guardian may document a reliable history of varicella disease by indicating that the student has had varicella and signing the Student Immunization Form ([F-04020L](#)).

SECTION B Cont'd: Compliance Definitions	
Meets minimum requirements	A student is considered Meets minimum requirements if the student has a record containing the dates (month/day/year) of immunizations for every dose of vaccine required for their grade level. For students in "ungraded" programs (such as pre-k), use the requirement for the traditional age-appropriate grade. A student that has an immunization waiver (health, religious, or personal conviction) should not be counted in this category.
In process	A student is considered In process if the student is enrolling for the first time in a Wisconsin school (for example, pre-k, kindergarten, out-of-state transfers, and homeschooled children) <i>and</i> is working towards meeting the vaccine dose requirement. In process may also apply to an existing student with a new vaccine requirement. To be considered In process , the student must provide the immunization dates demonstrating receipt of the first doses of required vaccines within 30 school days of admission. A student cannot be considered In process if the missing vaccine is a single-dose vaccine requirement (that is, Tdap); this student would be Behind schedule .
Behind schedule	A student is considered Behind schedule if the student has an immunization record, and all the following conditions are met: <ul style="list-style-type: none"> • The student is not Meets minimum requirements with vaccine • The student is <i>not</i> In process • The student does <i>not</i> have a waiver for the vaccine. <p>Because the Wisconsin Student Immunization Law applies to all public and private schools, a transfer student from any school within the state who is Behind schedule enters the new school as Behind schedule and not In process.</p>
Waivers: health, religious, or personal conviction	There are three types of Waivers: health, religious, and personal conviction . A student may have a waiver for one or more vaccines. Further, a student may have more than one type of waiver (for example, a health waiver for DTaP and a religious waiver for MMR). However, a student should have only one waiver reported per vaccine. If a parent selects more than one waiver for one or all vaccines, please select one waiver to report using the following guidance: health waivers take precedence over religious and personal conviction waivers; religious waivers take precedence over personal conviction waivers. <p>Children for whom waivers are filed are compliant with the Wisconsin Student Immunization Law. However, they should <i>not</i> be counted in the Meets minimum requirements category and may be subject to exclusion from school in the event of an outbreak of disease(s) against which they are not completely immunized.</p>
No record	A student is considered to have No record if the student falls into <i>one</i> of the following categories: <ul style="list-style-type: none"> • The student does not have an immunization record on file • The student is a transfer student, and the record has not yet been received from the previous school • The student has a record, but the record has inappropriate information, such as "all vaccines received," "child up to date," or "record at doctor's office."
No immunizations	A student is counted in this section if they received no doses of immunizations, <i>and</i> they have a waiver for all vaccines.

90th Day Letter-In Process

Date:

Dear Parent:

According to our records, your child is in the process of receiving all of the vaccinations required to attend school in Wisconsin. We encourage you to continue to make vaccination appointments and take your child to these appointments in order to ensure that your child becomes up-to-date with vaccinations for his/her age.

Vaccinations are one of the most important methods of protecting our children from diseases and the complications that can occur from these diseases. Vaccinations are especially important for school-aged children because children in school are regularly in close contact with others who may or may not be protected from these diseases.

In order to remain in compliance with the Wisconsin Student Immunization Law, please contact your child's health care provider to receive needed vaccinations. Encourage your child's health care provider to use the Wisconsin Immunization Registry and any vaccination records you have for your child to determine which vaccines your child needs to receive. If your child does not have a health care provider, please contact your local health department to determine if your child is eligible to receive vaccinations at the health department. Local health department contact information can be found on this website: <https://www.dhs.wisconsin.gov/lh-depts/counties.htm>

Please be aware that in the fall of the next school year, your child's vaccination records will be reassessed to ensure that he/she is sufficiently vaccinated for his/her grade level or has a waiver on file. If sufficient documentation is not supplied for your child, he/she might be required to stay home from school.

For additional information on vaccines and immunizations, please visit this website: <http://www.cdc.gov/vaccines/vac-gen/default.htm>

Thank you for helping us keep all Wisconsin school children safe from diseases that can be prevented by vaccination.

90th Day Letter-Not Compliant (Behind Schedule or No Record)

Date:

Dear Parent:

According to our records, this school year your child was not in compliance with the Wisconsin Student Immunization Law. This means that your child did not have documentation of appropriate vaccination and did not have a vaccination waiver on file.

Vaccinations are one of the most important methods of protecting our children from diseases and the complications that can occur from these diseases. Vaccinations are especially important for school-aged children because children in school are regularly in close contact with others who may or may not be protected from these diseases.

In the coming months, we encourage you to make an appointment with your child's health care provider to get your child vaccinated. Encourage your child's health care provider to use the Wisconsin Immunization Registry and any vaccination records you have for your child to determine which vaccines your child needs. If your child does not have a health care provider, please contact your local health department to determine if your child is eligible to receive vaccinations at the health department. Local health department contact information can be found on this website:

<https://www.dhs.wisconsin.gov/lh-depts/counties.htm>

Please be aware that in the fall of the next school year, your child's vaccination records will be reassessed to ensure that he/she is sufficiently vaccinated for his/her grade level or has a waiver on file. If sufficient documentation is not supplied for your child, he/she might be required to stay home from school.

For additional information on vaccines and immunizations, please visit this website:

<http://www.cdc.gov/vaccines/vac-gen/default.htm>

Thank you for helping us keep all Wisconsin school children safe from diseases that can be prevented by vaccination.

School Immunization Requirements: Kindergarten-Sixth Grades

Vaccines are one of the most effective tools to keep kids healthy and in school. Some vaccines are required for Wisconsin students.*

How do I complete the Student Immunization Record?

-  Call your doctor or local health department and make a **vaccine visit** as early as possible.
-  **Fill out** the Student Immunization Record form (F-04020L) and then you **sign** it. <https://www.dhs.wisconsin.gov/library/F-04020L.htm>
-  **Give** the Student Immunization Record form to the school at the beginning of the new school year.
-  **Call** your doctor's office or local health department if you **need help** or more information.

You can track and print your student's vaccine record through the Wisconsin Immunization Registry: <https://www.dhs.wisconsin.gov/immunization/wir.htm>

What vaccines and how many doses does my student need for school?

▶ Your doctor may recommend additional vaccines to keep your student healthy.

4 **Polio**

4 **DTaP/DTP/DT/TD**

3 **Hepatitis B**

2 **Measles, Mumps, Rubella**

2 **Varicella****

*Vaccine requirements may be waived on the Student Immunization Record (F-04020L) for health, religious, or personal conviction reasons. <https://www.dhs.wisconsin.gov/library/F-04020L.htm>

**Varicella vaccine is not required if there is a history of varicella (chicken pox) disease.

School Requirements for Immunization: 7th-12th grades

Vaccines are one of the most effective tools to keep kids healthy and in school. Some vaccines are required for Wisconsin students.*

How do I complete the Student Immunization Record?

Call your doctor or local health department and make a **vaccine visit** as early as possible.

Fill out the Student Immunization Record form (F-04020L) and then you **sign** it: <https://www.dhs.wisconsin.gov/library/F-04020L.htm>

Give the Student Immunization Record form to the school at the beginning of the new school year.

Call your doctor's office or local health department if you **need help** or more information.

**Varicella vaccine is not required if there is a history of varicella (chicken pox) disease.

Vaccines Recommended at Ages 11-12: What Parents Should Know

Vaccines aren't just for babies. Some of the vaccines that babies get can become less effective as kids get older. As kids grow up they may also come in contact with different diseases than when they were babies. There are vaccines that can help protect your pre-teen or teen from these illnesses.

What vaccines does my child need?

- ◆ Tdap vaccine: This continues protection against tetanus, diphtheria, and pertussis (whooping cough).
- ◆ Quadrivalent meningococcal conjugate (MCV4) (meningococcal ACWY) vaccine: This vaccine protects against infection from *Neisseria meningitidis* in the lining of the brain, spinal cord, and bloodstream. Pre-teens should get the first dose when they are 11 or 12 and a booster at age 16.
- ◆ Human papillomavirus (HPV) vaccine: This vaccine prevents some pre-cancers and cancers related to HPV. Pre-teens should get two doses before they turn 13 years old.
- ◆ A yearly flu vaccine: It protects against getting sick and spreading the flu virus.
- ◆ COVID-19 vaccines: Staying up to date on COVID-19 boosters will help prevent getting sick from COVID-19.

When should my child be vaccinated?

- ◆ During a yearly health checkup. Ask your doctor or nurse every year if there are any vaccines that your child may need.
- ◆ At a physical exam required for sports, school, or camp.

What else should I know about these vaccines?

- ◆ These vaccines have all been studied carefully through clinical trials to evaluate safety and how well they work before they are used with the general public. Even after they are licensed for public use, scientists continue to monitor the safety of vaccines.
- ◆ Most side effects from vaccines such as pain at the injection site are mild and go away quickly on their own. Serious side effects from vaccines are rare.
- ◆ It is very important to tell the doctor or nurse if your child has any serious allergies, including allergies to yeast, latex, or chicken eggs, before they receive any vaccines.
- ◆ If you have questions, talk to your doctor or health care provider.
- ◆ For more information, visit DHS's Immunizations: Childhood and Adolescent Vaccine Information page <https://www.dhs.wisconsin.gov/immunization/childhood.htm>.

How can I get help paying for these vaccines?

- ◆ The Vaccines for Children (VFC) program provides vaccines for children ages 18 years and younger, who are not insured, Medicaid-eligible (or Badger Care), American Indian, or Alaska Native.
- ◆ Visit the DHS VFC web page <https://www.dhs.wisconsin.gov/immunization/vfc-parent.htm>.

**For schools that are not
subject to FERPA
(Family Educational Rights and
Privacy Act)**

SPANISH

LEY DE INMUNIZACIÓN DE ALUMNOS REQUISITOS SEGÚN EDAD/GRADO (STUDENT IMMUNIZATION LAW AGE/GRADE REQUIREMENTS)

A continuación, se detallan las mínimas vacunas requeridas para cada edad y nivel de grado según la Student Immunization Law (Ley de Inmunización de Alumnos) de Wisconsin. Estos requisitos pueden no exigirse por razones de salud, religión o creencias personales. Pueden recomendarse otras vacunas para su hijo según la edad que tenga. Comuníquese con su médico o departamento de salud local para determinar si su hijo necesita otras vacunas.

**Tabla 144.03-A
Vacunas requeridas para el año escolar 2023-2024**

Edad/grado	Vacunas requeridas (número de dosis)							
De 5 a 15 meses	2 DTP/DTaP/DT		2 Polio			2 Hep B	2 Hib	2 PCV
De 16 a 23 meses	3 DTP/DTaP/DT		2 Polio	1 MMR		2 Hep B	3 Hib	3 PCV
De 2 a 4 años	4 DTP/DTaP/DT		3 Polio	1 MMR	1 Var	3 Hep B	3 Hib	3 PCV
De kínder a 6.º grado	4 DTP/DTaP/DT		4 Polio	2 MMR	2 Var	3 Hep B		
De 7.º grado a 12.º grado	4 DTP/DTaP/DT	1 Tdap	4 Polio	2 MMR	2 Var	3 Hep B		

- Los niños mayores de 5 años que estén inscritos en una clase de prekínder deben ser evaluados utilizando los requisitos de vacunación para los estudiantes de kínder a 6.º grado, que normalmente corresponderían a la edad del niño.
- Vacuna contra la D= difteria, T= tétanos, P= tos ferina. Vacuna contra la DTaP/DTP/Td para todos los estudiantes desde el prekínder hasta el 12.º grado; se requieren cuatro dosis. Sin embargo, si un estudiante recibió la 3.ª dosis después de cumplir los 4 años, no se requieren más dosis. **Nota:** También es aceptable una dosis cuatro días o menos antes de cumplir los 4 años.
- Vacuna contra la DTaP/DTP/DT para los niños que ingresan a kínder: cada estudiante debe haber recibido una dosis después de cumplir los 4 años (ya sea la 3.ª, 4.ª o 5.ª dosis) para cumplir con los requisitos. **Nota:** También es aceptable una dosis cuatro días o menos antes de cumplir los 4 años.
- La Tdap es una vacuna contra el tétanos, la difteria y la tos ferina acelular para adolescentes. Si un estudiante recibió una dosis de una vacuna que contiene tétanos, como la Td, en un plazo de cinco años antes de entrar al grado en el que se requiere la Tdap, el estudiante cumple con los requisitos y no se requiere una dosis de la vacuna contra la Tdap.
- Vacuna contra la polio para los estudiantes que ingresan a kínder hasta el 12.º grado; se requieren cuatro dosis. Sin embargo, si un estudiante recibió la 3.ª dosis después de cumplir los 4 años, no se requieren más dosis. **Nota:** También es aceptable una dosis cuatro días o menos antes de cumplir los 4 años.
- También es aceptable la evidencia de laboratorio de inmunidad a la hepatitis B.
- La MMR es una vacuna contra el sarampión, las paperas y la rubéola. La primera dosis de la vacuna MMR debe recibirse al año de vida o antes. También es aceptable la evidencia de laboratorio de inmunidad a las tres enfermedades (sarampión, paperas y rubéola). **Nota:** También es aceptable una dosis cuatro días o menos antes de cumplir el primer año.
- La vacuna contra la varicela. No es necesario que los estudiantes que tengan un historial confiable de la enfermedad de la varicela reciban la vacuna contra la varicela. Un padre o tutor puede indicar que el menor ha tenido varicela en el formulario de Student Immunization Record (expediente de vacunación del estudiante) (F-04020L).

Por motivos de convicción personal, he decidido no administrarle al estudiante las siguientes vacunas (marque todas las opciones que correspondan).
 DTaP/DTP/DT/Td Tdap Polio Hepatitis B MMR (sarampión, paperas, rubéola) Varicella MenACWY

FIRMA

Este formulario está completo y es preciso a mi leal saber y entender. Marque una opción: (Sí No) doy permiso para compartir los registros de vacunación actuales de mi hijo y a medida que se actualicen en el futuro con el Wisconsin Immunization Registry (Registro de Inmunización de Wisconsin, WIR). Entiendo que puedo revocar este consentimiento en cualquier momento mediante el envío de una notificación por escrito al distrito escolar. Después de la fecha de revocación, el distrito escolar no entregará registros nuevos o actualizaciones al WIR.

FIRMA - Padre/madre/tutor/custodio legal o estudiante adulto

Fecha de la firma

Notificación de exclusión
NOTICE OF EXCLUSION

Fecha:

Estimados Padre(s):

La Notificación Legal adjunta indica que su hijo actualmente no cumple con la Ley de Inmunización de Alumnos de Wisconsin (Wisconsin Student Immunization Law) y por lo tanto será excluido de esta escuela el [*enter 31st school day*].

Para que su hijo siga en la escuela o vuelva a ingresar después de la exclusión, debe hacer una de las siguientes cosas:

- (1) Proporcionar a esta escuela la fecha (mes, día y año) de las inmunizaciones obligatorias, ya sea en base a los registros médicos de su hijo o a [Wisconsin Immunization Registry](#). Para la varicela (chickenpox), antecedentes de haber tenido la enfermedad también es aceptable. Las pruebas de laboratorio de la inmunidad también son aceptables para estas enfermedades: sarampión, paperas, rubeola, hepatitis B y varicela.

O

- (2) Reclamar una exención.

Use el Registro de Inmunización del Estudiante adjunto para proporcionar la información descrita arriba.

La Ley de Inmunización (Immunization Law) en Wisconsin se promulgó para proteger a todos los niños de enfermedades que se pueden prevenir por medio de las vacunas. La ley exige a las escuelas públicas de los distritos escolares con un nivel de cumplimiento inferior al 99% que excluyan a los alumnos que no cumplen desde kindergarten hasta quinto grado. La ley también rige para las escuelas privadas. Las escuelas privadas con un nivel de cumplimiento inferior al 99% tienen la obligación de excluir a los alumnos que no cumplen desde kindergarten hasta quinto grado. Un alumno que no cumple es uno que está "atrasado" con una inmunización obligatoria o no tiene registros de inmunización en el legajo de la escuela y no tiene una exención en el legajo.

Gracias por su cooperación.

90th Day Letter-In Process

Fecha:

Estimados Padre(s):

Según nuestros registros, su hijo está en proceso de recibir todas las vacunas obligatorias para asistir a la escuela en Wisconsin. Lo alentamos a que siga realizando citas para la vacunación y lleve a su hijo a estas citas para asegurarse de que esté al día con las vacunas para su edad.

La vacunación es uno de los métodos más importantes de proteger a nuestros hijos de las enfermedades y de las complicaciones que pueden surgir debido a estas enfermedades. La vacunación es especialmente importante para los niños en edad escolar, porque suelen estar en contacto estrecho con otros que pueden o no estar protegidos contra estas enfermedades.

Para poder seguir cumpliendo con la Ley de Inmunización de Alumnos de Wisconsin (Wisconsin Student Immunization Law), sírvase comunicarse con el proveedor médico de su hijo para recibir las vacunas necesarias. Alíente al proveedor médico de su hijo a usar el Wisconsin Immunization Registry y todo registro de vacunación que usted tenga para su hijo para determinar qué vacunas debe recibir. Si su hijo no tiene un proveedor médico, sírvase comunicarse con el departamento médico de su localidad para determinar si su hijo califica para recibir las vacunas en el departamento médico. La información de contacto del departamento médico local se puede encontrar en este sitio web: <https://www.dhs.wisconsin.gov/lh-depts/counties.htm>

Tenga en cuenta que en el otoño del próximo año escolar, los registros de vacunación de su hijo serán divulgados para garantizar que esté suficientemente vacunado para su nivel de grado o tenga una exención en el legajo. Si no se suministra documentación suficiente para su hijo, quizá deba permanecer en casa y no ir a la escuela.

Para obtener información adicional sobre vacunas e inmunizaciones, sírvase ingresar a este sitio web: <http://www.cdc.gov/vaccines/vac-gen/default.htm>

Gracias por ayudarnos a mantener seguros a todos los niños de las escuelas de Wisconsin de las enfermedades que se pueden prevenir por medio de la vacunación.

Vacunas recomendadas para niños de 11 y 12 años: lo que deben saber los padres

Vaccines Recommended at Ages 11-12: What Parents Should Know

Las vacunas no son solo para los bebés. Algunas de las vacunas que se aplican a los bebés pierden eficacia a medida que los niños crecen. A medida que los niños crecen, pueden entrar en contacto con enfermedades diferentes a las de cuando eran bebés. Existen vacunas que pueden ayudar a proteger a su preadolescente o adolescente contra estas enfermedades.

¿Qué vacunas necesita mi hijo?

- ◆ Vacuna Tdap: continúa la protección contra el tétanos, la difteria y la pertussis (tos ferina).
- ◆ Vacuna antimeningocócica conjugada tetravalente (MCV4) (meningocócica ACWY): esta vacuna protege contra infecciones provocadas por la *Neisseria meningitidis* en el recubrimiento del cerebro, la médula espinal y el torrente sanguíneo. Los preadolescentes deben aplicarse la primera dosis cuando tienen 11 o 12 años y un refuerzo a los 16 años.
- ◆ Vacuna contra el virus del papiloma humano (HPV): esta vacuna evita algunos tipos de precánceres y cánceres relacionados con el HPV. Los preadolescentes deben aplicarse dos dosis antes de cumplir los 13 años.
- ◆ Vacuna anual contra la gripe: evita el contagio y la propagación del virus de la gripe.
- ◆ Vacunas contra el COVID-19: mantenerse al día con los refuerzos contra el COVID-19 ayudará a evitar que contraigan COVID-19.

¿Cuándo debería vacunarse mi hijo?

- ◆ Durante un control médico anual. Consulte a su médico o al personal de enfermería si su hijo debería aplicarse alguna vacuna.
- ◆ En un examen físico solicitado para practicar un deporte, por la escuela o por un campamento.

¿Qué más debería saber sobre estas vacunas?

- ◆ Todas estas vacunas se estudiaron minuciosamente en ensayos clínicos para evaluar la seguridad y su eficacia antes de utilizarse con el público en general. Incluso luego de obtener la aprobación para su uso público, los científicos siguen controlando la seguridad de las vacunas.
- ◆ La mayoría de los efectos secundarios de las vacunas, como dolor en el lugar de la inyección, son leves y desaparecen por sí solos. Las vacunas no suelen provocar efectos secundarios graves.
- ◆ Es muy importante que le diga al médico o al personal de enfermería si su hijo tiene alguna alergia grave, como alergia a las levaduras, al látex o a los huevos de gallina, antes de que le apliquen las vacunas.
- ◆ Si tiene preguntas, hable con su médico o proveedor de cuidado de la salud.
- ◆ Para obtener más información, visite la página Immunizations: Childhood and Adolescent Vaccine Information (Inmunizaciones: información sobre vacunas para niños y adolescentes) del DHS <https://www.dhs.wisconsin.gov/immunization/childhood.htm>.

¿Cómo puedo recibir ayuda para pagar estas vacunas?

- ◆ El programa Vaccines for Children (Vacunas para niños, VFC) brinda vacunas para niños menores de 18 años que no tienen seguro o son elegibles para Medicaid (o Badger Care), indios americanos o nativos de Alaska.
- ◆ Visite la página web de VFC del DHS <https://www.dhs.wisconsin.gov/immunization/vfc-parent.htm>.

Tsab Ntawv Ceeb Toom Txog Qhov Muab Rho Tawm
NOTICE OF EXCLUSION

Hnub Tim:

Nyob Zoo Niam Txiv:

Tsab Ntawv Ceeb Toom Raws Cai uas muab ua ke tuaj ntawm no qhia rau koj paub tias tam sim no koj tus me nyuam ua tsis tau raws li Wisconsin Tsab Cai Kom Txhaj Tshuaj Rau Me Nyuam Kawm Ntawv (Wisconsin Student Immunization Law) thiab yog vim li no koj tus me nyuam yuav raug muab rho tawm hauv lub tsev kawm ntawv no mus rau thaum [*enter 31st school day*].

Yuav kom koj tus me nyuam tau kawm ntawv mus ntxiv los yog rov qab tau kawm dua tom qab muab nws rho tawm, koj yuav tau ua ib qho nram qab no:

- (1) Muab hnub uas tau txhaj qhov (cov) tshuaj uas yuav tsum tau txhaj (lub hlis, hnub, thiab xyoo) rau lub tsev kawm ntawv no uas yog muab tau los ntawm koj tus me nyuam cov ntaub ntawv kho mob los yog muab los ntawm Wisconsin Qhov Chaw Rau Npe Cov Neeg Txhaj Tshuaj [Wisconsin Immunization Registry](#). Rau ntawm hom tshuaj txhaj rau tus mob ua qhua taum (varicella) (chickenpox), ib daim ntawv qhia txog keeb kwm tau muaj tus mob yav dhau los kuj muab siv tau rau qhov no. Ntawv pov thawj kuaj pom tseeb tias cov roj ntsha hauv nruab nrog cev tiv thaiv tau tus mob kuj txais yuav tau rau cov mob no thiab: mob qhua piav (measles), mob qog (mumps), mob ua qoob (rubella), mob rau daim siab B (hepatitis B), thiab ua qhua taum (varicella).

LOS YOG

- (2) Ua ib daim ntawv zam tsis tas txhaj tshuaj (claim a waiver).

Siv Me Nyuam Kawm Ntawv Daim Ntawv Txhaj Tshuaj (Student Immunization Record) uas muab nrog tuaj ntawm no los mus teev cov kev txhaj tshuaj uas tau muab piav los saum toj no.

Tsab Cai Kom Txhaj Tshuaj hauv Wisconsin (Immunization Law in Wisconsin) yog tsim tsa los tiv thaiv txhua tus me nyuam ntawm cov mob uas muaj tshuaj pab tiv thaiv tau. Tsab cai tau hais kom cov tsev kawm ntawv uas yog tsoom fwm li (public schools) hauv cov cheeb tsam tsev kawm ntawv (school districts) uas muaj tsawg dua 99% ntawm theem ua raws txoj cai kom muab cov me nyuam kawm ntawv uas ua tsis raws cai nyob qib kindergarten txog qib 5 rho tawm hauv tsev kawm ntawv mus. Tsab cai kuj tseem siv rau cov tsev kawm ntawv uas tsis yog tsoom fwm li (private schools) thiab. Cov tsev kawm ntawv uas tsis yog tsoom fwm li uas muaj tsawg dua 99% ntawm theem ua raws txoj cai yuav tsum muab cov me nyuam kawm ntawv uas ua tsis raws cai nyob qib kindergarten txog qib 5 rho tawm hauv tsev kawm ntawv mus. Ib tus me nyuam kawm ntawv uas ua tsis raws cai yog tus uas “poob qab txhaj tsis tas cov koob tshuaj uas tau teem tseg” (behind schedule) los mus txhaj hom (cov) tshuaj uas yuav tau txhaj, los yog tsis muaj ntaub ntawv txhaj tshuaj nyob hauv tsev kawm ntawv thiab tsis muaj ib daim ntawv kom zam tsis tas txhaj tshuaj nyob hauv cov ntaub ntawv khaws cia.

Ua tsaug rau qhov koj muab kev koom tes.

90th Day Letter-In Process

Hnub Tim:

Nyob Zoo Niam Txiv:

Raws li peb cov ntaub ntawv khaws tseg, koj tus me nyuam tseem nyob rau tus txheej txheem yuav tau txhaj kom puv tas nrho cov koob tshuaj thiaj tau mus kawm ntawv hauv Wisconsin. Peb thov nqua huv kom koj hu mus teem sij hawm txhaj cov koob tshuaj thiab koj tus me nyuam mus txhaj cov tshuaj kom puv kom ntseeg tau tias koj tus me nyuam tau txhaj cov tshuaj puv raws li nws lub hnub nyoog.

Kev txhaj tshuaj yog ib qho ntawm cov hauv kev zoo tshaj plaws los mus tiv thaiv peb cov me nyuam ntawm tej kev mob thiab tej teeb meem uas yuav tshwm sim tau los ntawm cov mob no. Kev txhaj tshuaj tseem ceeb heev tshwj xeeb tshaj plaws yog rau cov me nyuam hnub nyoog kawm ntawv vim tias cov me nyuam nyob hauv tsev kawm ntawv yog cov ntsib ze nrog lwm cov tsis tu ncuu uas tej zaum lawv kuj tau los yog tseem tsis tau txhaj tshuaj tiv thaiv cov mob no.

Kom ua tau raws li Wisconsin Tsab Cai Kom Txhaj Tshuaj Rau Me Nyuam Kawm Ntawv (Wisconsin Student Immunization Law), thov hu rau koj tus me nyuam tus kws kho mob es mus txhaj cov tshuaj uas yuav tau txhaj. Hais kom koj tus me nyuam tus kws kho mob siv Wisconsin Qhov Chaw Rau Npe Cov Neeg Txhaj Tshuaj (Wisconsin Immunization Registry) thiab siv tej ntaub ntawv txhaj tshuaj uas koj muaj rau koj tus me nyuam los mus txiav txim seb cov tshuaj twg yog cov uas koj tus me nyuam yuav tau txhaj ntxiv. Yog hais tias koj tus me nyuam tsis muaj ib tus kws kho mob, thov hu rau *f* saib xyuas kev noj qab haus huv hauv koj lub zos (local health department) seb koj tus me nyuam puas mus txhaj tshuaj tau rau ntawm fab saib xyuas kev noj qab haus huv no. Koj yuav mus nrhiav tau tus xov tooj ntawm fab saib xyuas kev noj qab haus huv hauv zos nyob rau ntawm lub website no:

<https://www.dhs.wisconsin.gov/lh-depts/counties.htm>

Thov hais rau koj paub tias nyob rau lub caij nplooj ntoos zeeg ntawm xyoo kawm ntawv xyoo tom ntej no, peb yuav muab koj tus me nyuam cov ntawv txhaj tshuaj rov los txheeb xyuas dua kom paub tseeb tias tus me nyuam tau txhaj tshuaj puv raws li nws qib kawm los yog muaj ib daim ntawv zam (waiver) tsis tas txhaj tshuaj nyob hauv peb cov ntaub ntawv lawm. Yog tsis muaj ntaub ntawv txhaj tshuaj txaus rau koj tus me nyuam, tej zaum yuav tau kom nws nyob twj ywm hauv tsev es tsis txhob mus kawm ntawv.

Yog xav paub ntxiv txog cov tshuaj los yog kev txhaj tshuaj, thov mus saib lub website no: <http://www.cdc.gov/vaccines/vac-gen/default.htm>

Ua koj tsaug rau qhov koj pab peb ua kom tas nrho cov me nyuam hauv Wisconsin cov tsev kawm ntawv nyob kaj huv tsis muaj mob uas yog ib yam tiv thaiv tau los ntawm kev txhaj tshuaj.

90th Day Letter-Not Compliant (Behind Schedule or No Record)

Hnub Tim:

Nyob Zoo Niam Txiv:

Raws li peb cov ntaub ntawv khaws tseg, xyoo kawm ntawv no koj tus me nyuam ua tsis tau raws li Wisconsin Tsab Cai Kom Txhaj Tshuaj Rau Me Nyuam Kawm Ntawv (Wisconsin Student Immunization Law). Qhov no txhais hais tias koj tus me nyuam tsis muaj ntaub ntawv tias tau txhaj cov tshuaj uas yuav tau txhaj thiab tsis muaj ib daim ntawv zam (waiver) tsis tas txhaj tshuaj nyob hauv peb cov ntaub ntawv.

Kev txhaj tshuaj yog ib qho ntawm cov hauv kev zoo tshaj plaws los mus tiv thaiv peb cov me nyuam ntawm tej kev mob thiab tej teeb meem uas yuav tshwm sim tau los ntawm cov mob no. Kev txhaj tshuaj tseem ceeb heev tshwj xeeb tshaj plaws yog rau cov me nyuam hnub nyoog kawm ntawv vim tias cov me nyuam nyob hauv tsev kawm ntawv yog cov ntsib ze nrog lwm cov tsis tu ncua uas tej zaum lawv kuj tau los yog tseem tsis tau txhaj tshuaj tiv thaiv cov mob no.

Hauv cov hli yuav los tom ntej no, peb thov nqua hu kom koj hu rau koj tus me nyuam tus kws kho mob es mus txhaj cov tshuaj uas yuav tau txhaj. Hais kom koj tus me nyuam tus kws kho mob siv Wisconsin Qhov Chaw Rau Npe Cov Neeg Txhaj Tshuaj (Wisconsin Immunization Registry) thiab siv tej ntaub ntawv txhaj tshuaj uas koj muaj rau koj tus me nyuam los mus txiav txim seb cov tshuaj twg yog cov uas koj tus me nyuam yuav tau txhaj ntxiv. Yog hais tias koj tus me nyuam tsis muaj ib tus kws kho mob, thov hu rau fab saib xyuas kev noj qab haus huv hauv koj lub zos (local health department) seb koj tus me nyuam puas mus txhaj tshuaj tau rau ntawm fab saib xyuas kev noj qab haus huv no. Koj yuav mus nrhiav tau tus xov tooj ntawm fab saib xyuas kev noj qab haus huv hauv zos nyob rau ntawm lub website no:

<https://www.dhs.wisconsin.gov/lh-depts/counties.htm>

Thov hais rau koj paub tias nyob rau lub caij nplooj ntoos zeeg ntawm xyoo kawm ntawv xyoo tom ntej no, peb yuav muab koj tus me nyuam cov ntawv txhaj tshuaj rov los txheeb xyuas dua kom paub tseeb tias tus me nyuam tau txhaj tshuaj puv raws li nws qib kawm los yog muaj ib daim ntawv zam (waiver) tsis tas txhaj tshuaj nyob hauv peb cov ntaub ntawv lawm. Yog tsis muaj ntaub ntawv txhaj tshuaj txaus rau koj tus me nyuam, tej zaum yuav tau kom nws nyob twj ywm hauv tsev es tsis txhob mus kawm ntawv.

Yog xav paub ntxiv txog cov tshuaj los yog kev txhaj tshuaj, thov mus saib lub website no: <http://www.cdc.gov/vaccines/vac-gen/default.htm>

Ua koj tsaug rau qhov koj pab peb ua kom tas nrho cov me nyuam hauv Wisconsin cov tsev kawm ntawv nyob kaj huv tsis muaj mob uas yog ib yam tiv thaiv tau los ntawm kev txhaj tshuaj.

Tsev Kawm Ntawv Cov Cai Txhaj Tshuaj Tiv Thaiv: Tsev Kawm Me Nyuam Yaus- Qib Kawm Rau

(School Immunization Requirements: Kindergarten-Sixth Grades)

Cov koob tshuaj tiv thaiv kab mob yog ib hom ntawm cov khoom siv uas siv tau zoo tshaj plaws los pab kom cov me nyuam yaus noj qab nyob zoo thiab mus kawm tau ntawv. Yuav tsum tau txhaj qee cov koob tshuaj tiv thaiv kab mob rau cov tub ntxhais kawm hauv Wisconsin.*

Kuv yuav ua tiav daim ntawv Student Immunization Record (Cov Ntaub Ntawv Txhaj Tshuaj Tiv Thaiv Kab Mob Rau Tub Ntxhais Kawm) tau li cas?

 Hu rau koj tus kws kho mob los sis lub tuam tsev hauj lwm kev noj qab haus huv hauv zos thiab mus **txhaj tshuaj tiv thaiv** kom sai li sai tau.

 **Sau** daim foos Student Immunization Record (Cov Ntaub Ntawv Txhaj Tshuaj Tiv Thaiv Kab Mob Rau Tub Ntxhais Kawm) (F-04020L) thiab tom qab ntawd koj **kos npe** rau. <https://www.dhs.wisconsin.gov/library/F-04020L.htm>

 **Muab** daim ntawv Student Immunization Record (Cov Ntaub Ntawv Txhaj Tshuaj Tiv Thaiv Kab Mob Rau Tub Ntxhais Kawm) rau tsev kawm thaum pib xyoo kawm tshiab.

 **Hu rau** koj tus kws kho mob lub chaw ua hauj lwm los sis lub tuam tsev hauj lwm kev noj qab haus huv hauv cheeb tsam yog tias koj **xav tau kev pab** los sis xav paub ntau ntxiv.

 Koj tuaj yeem taug qab thiab luam koj tus me nyuam cov ntaub ntawv txhaj tshuaj tiv thaiv los ntawm Wisconsin Immunization Registry (Kev Tso Npe Txhaj Tshuaj Tiv Thaiv Kab Mob hauv Wisconsin): <https://www.dhs.wisconsin.gov/immunization/wir.htm>

Yam tshuaj tiv thaiv dab tsi thiab yuav tsum siv pes tsawg koob kuv tus tub ntxhais kawm thiaj tau mus kawm ntawv?

 Tej zaum koj tus kws kho mob yuav pom zoo kom txhaj qee yam tshuaj tiv thaiv ntxiv kom koj tus me nyuam noj qab nyob zoo.

SOMALI

**DIWAANKA TALLAALKA ARDEYDA
SHURUUDAHA LAGA RABO DA'DA/FASALKA
(STUDENT IMMUNIZATION LAW AGE/GRADE REQUIREMENTS)**

Inta soo socoto ayaa ah tirade ugu yar ee tallaalka da' walbo iyo fasal walbo sida waafaqsan Wisconsin Student Immunization Law (Sharciga tallaalka Ardayda). Shuruudahan ayaa looga tagi karaa sababo la xiriira caafimaadka, diinta ama sababo shaqsiyadeed. Tallaalo dheeriya ayaa lagula tallin karaa ilmahaaga ayadoo ay ku xiran tahay da'da ilmaha. Fadlan la xiriir dhaqtarkaaga ama waaxda caafimaadka ee deegaankaaga haddii ilmahaaga u baahan yahay tallaalo dheeriya.

**Teebalka 144.03-A
Tallaalada loo baahan yahay ee 2023-2024 Sannad dugsiyeedka**

Da'da/Fasalka	Tallaalka loo baahan yahay (Tirada Darsin)							
5 bilood ilaa 15 bilood	2 DTP/DTPaP/DT		2 Polio			2 Hep B	2 Hib	2 PCV
16 bilood ilaa 23 bilood	3 DTP/DTPaP/DT		2 Polio	1 MMR		2 Hep B	3 Hib	3 PCV
2 sanno ilaa 4 sanno	4 DTP/DTPaP/DT		3 Polio	1 MMR	1 Var	3 Hep B	3 Hib	3 PCV
Kindergarten ilaa Fasalka 6aad	4 DTP/DTPaP/DT		4 Polio	2 MMR	2 Var	3 Hep B		
Fasalka 7 ilaa fasalka 12	4 DTP/DTPaP/DT	1 Tdap	4 Polio	2 MMR	2 Var	3 Hep B		

- Children > 5 jir ee fasalka Xanaanada Caruurta waa in lagu qiimeeyo iyada oo la isticmaalayo shuruudaha tallaalka ee Xanaanada ilaa fasalka 6aad, oo caadi ahaan waxay la mid yihiin da'da ilmaha.
- D= Jeermis sun ah, T = teetano, P = xiiqdheer. DTPaP/DTP/DT/Td tallaalka oo laga rabo arday kasta Xanaanada Caruurta ilaa Fasalka 12aad; Afar qeybood ayaa khasab ah. Hase ahaatee, haddii arday soo qaatay qeybta 3^{aad} ka dib dhalashada 4^{aad}, qeybo dheeraad ah loogama baahna. **Ogow:** Qeyb ah wax ka yar 4^{aad} maalmood ka hor dhalashada 4aad waa la aqbali karaa.
- Tallaallada carruurta ee DTPaP/DTP/DT markay bilaabayaan Xanaanada: Mid kastaa waa in uuu soo qaatay hal qeyb dhalashada 4^{aad} si ay sharciga u raacaan (ama qeybta 3^{aad}, 4^{aad}, ama 5^{aad}). **Ogow:** qeyb ah wax ka yar 4^{aad} maalmood ka hor dhalashada 4aad waa la aqbali karaa.
- Tdap waa teetanada dhallinta, gowracatada iyo tallaalka xiiqdheerta. Haddii arday soo qaatay hal qeyb oo tallaalka teetanadu ku jirto, sida Td, 5 sano gudahood ka hor inta uusan bilaabin fasalka Tdap looga baahan yahay, ardeygu wuxuu raacay sharciga oo qeyb kale oo ah tallaalka Tdap loogama baahna.
- Tallaalka dabeysha ee ardeyda bilaabaysa kindergarten ama barbaratooniga ilaa Fasalka 12aad; Afar qeybood ayaa laga rabaa. Hase ahaatee, haddii arday soo qaatay qeybta 3^{aad} ka dib dhalashada 4^{aad}, qeybo dheeraad ah loogama baahna. **Ogow:** qeyb ah wax ka yar 4^{aad} maalmood ka hor dhalashada 4aad waa la aqbali karaa.
- Caddeyn sheybaar oo ah difaac in laga haysto cagaarshowga B waa la aqbali karaa.
- MMR waa tallaalka jadeecada, qaamowqashiirka, iyo jadeeco-beenaadka. Darsinka ugu horeyo tallaalka MMR waa in aad qaadatay dhalashada 1^{aad}. Caddeyn sheybaar oo ah difaac in laga haysto dhammaan saddexda cudur (jadeecada, qaamowqashiirka iyo jadeeca-beenaadka) waa la aqbali karaa. **Ogow:** qeyb ah wax ka yar 4 maalmood ka hor dhalashada 1^{aad} waa la aqbali karaa.
- Tallaalka Varicella waa tallaalka busbuska. Ardayda leh taariikh la og yahay ee cudurka varicella looma baahno in ay qaataan tallaalka Varicella. Waalidka ama masuulka ardayga ayaa sheegi kara in ardaygu horay uqaatay foomka tallaalka busbuska Student Immunization Record (Diwaanka Tallaalka Ardayda) (F-04020L).

DIWAANKA TALLAALKA ARDEYDA (STUDENT IMMUNIZATION RECORD)

HABRAACYADA FOOMKA TALLAALKA: BUUXI OO MARKA LA FURO ISKUULKA UGU SOO GUDBI ILAA 30 MAALMOOD. Sharciga gobolka waxa uu dhigayaa ardeyda dhigata iskuullada oo dhan in ay keenaan caddeyn qoran oo ah tallaallada laga rabo marka iskuulku bilowdo ilaa iyo 30 maalmood. Shuruudaha gaarka ah ee da'da/fasalka ardeydu ku jirto ayaa laga heli karaa iskuullada iyo waaxyaha caafimaadka ee deegaanka. Shuruudaha keliya oo laga isaga dhaafi karo waa marka si habboon loo soo saxiixo ka-dhaafid ah caafimaad, ama mid diin ah ama go'aan shakhsi ah oo iskuulka loo soo gudbiyo. Ujeedka foomkan waa in la ogaado sida sharciga loo raacayo oo sababtaas awgeed oo keliya ayaa laguula soo xiriray. Haddii aad su'aalo ka qabto tallaallada, ama sida aad u buuxineyso foomkan, la xiriiro iskuulka ilmahaagu dhigto ama waaxda caafimaadka ee deegaanka.

DTaP/DTP/DT/Td Tdap Polio Hepatitis B MMR (Jadeecada, Qaamowqashiirka, Jadeeca-beenaadka)
 Varicella MenACWY

Tallaabada
5aad.

SAXIIXA

Foomkan waa mid dhammeystiran oo sax ah inta aan ogahay. Calaamadi hal jawaab: (**Waan oggolahay** **Ma oggoli**) in la sii wadaago diiwaanka tallaalka ilmahayga iyo marka wax laga beddelo mustaqbalka Wisconsin Immunization Registry (Diiwaanka Tallaallada Wisconsin ama WIR). Waxaan fahamsanahay in markii aan rabo aan ka noqon karo oggolaanshaha oo iskuulkana si qoraal ah ayaan ku soo ogeysiin doonaa. Taariikhda aad ka noqoto ka dib, iskuulku ma bixin doono diiwaanka tallaalka ama wixii ku cusub WIR.

SAXIIXA - Waalidka/Masuulka/Koriyaha Sharciyeysan ama Ardeyga Qaangaaray

Taariikhda Saxiixa

Ogaysiiska ka Saarista
NOTICE OF EXCLUSION

Taariikhda:

Gacaliye Waalid:

Ogaysiiska Sharciga ah ee ku lifaaqan wuxuu sheegayaa in ilmahaagu wakhtigan aan ku taagnaan Sharciga Tallaalka Ardayga Wisconsin (Wisconsin Student Immunization Law) sidaa darteedna laga saari doono dugsiga *[enter 31st school day]*.

Si ilmahaagu dugsiga uu u sii dhigto ama dib loogu soo celiyo kadib saarista, waxa khasab ah inaad samayso mid kamid ah waxa soo socda:

- (1) Sii dugsigan taariikhda (bisha, maalinta, iyo sannadka) tallaalka la rabo oo ka keen diiwaanada caafimaad ee ilmahaaga ama [Wisconsin Immunization Registry](#). Hablobaasta (busbuska), taariikhda qaadista xanuunka ayaa sidoo kale la aqbali karaa. Caddayn shaybaadh ee tallaalka ayaa sidoo kale la aqbali karaa cudurradan: jadeecada, dhago-fidiyaha (qaamoqashiir), rubbeelada, cagaarshow B, iyo busbuska.

AMA

- (2) Ku andacoo ka dhaafis.

Isticmaal Diiwaanka Tallaalka Ardayga ee ku lifaaqan si aad u bixiso macluumaadka sare lagu sheegay.

Sharciga Tallaalka ee Wisconsin (Immunization Law in Wisconsin) waxa loo ansixiyey si looga ilaaliyo carruurta oo dhan cudurrada tallaalka looga hortagi karo. Sharcigu wuxuu farayaa dugsiyada dadwaynaha ee degmo dugsiiyeedyada ee leh in kayar 99% heerka ku taagnaanta in la saaro ardayda aan ku taagnayn sharciga barbaarinta ilaa fasalka shanaad. Sharcigu sidoo kale wuxuu khuseeyaa dugsiga gaarka loo leeyahay. Dugsiyada gaarka loo leeyahay ee leh in kayar 99% heerka ku taagnaanta waxa laga rabaa inay saaraan ardayda aan ku taagnayn sharciga barbaarinta ilaa fasalka shanaad. Ardayga aan ku taagnayn sharcigu waa kan “jadwalka ka dib dhaca” tallaalka loo baahan yahay, ama aan ku lahayn diiwaan tallaalka oo feel garaysan dugsiga ama aan lahayn ka dhaafis feel garaysan.

Waad ku mahadsan tahay iskaashigaaga.

90th Day Letter-In Process

Taariikhda:

Gacaliye Waalid:

Marka la eego diiwaanadayada, ilmahaagu wuxuu kujiraa hab-socodka helista dhammaan tallaalka looga baahan yahay dhigashada dugsiyada Wisconsin. Waxa aanu kugu boorinaynaa inaad sii waddo oofinta ballamaha tallaalka oo ilmahaaga geey ballamahan si aad u hubiso in ilmahaagu noqdo mid qaatay tallaalka loo baahan yahay da'diisa.

Tallaalku waa mid kamid ah hababka ugu muhiimsan ee ka ilaalinta carruurta cudurrada iyo cawaaqibyada ka iman kara cudurradan. Tallaalku si gaar wuxuu muhiim ugu yahay carruurta da'da dugsiya sababtoo ah carruurta dugsiya dhigtaa waxay si joogto ah ugu dhaw yihiin dad kale kuwaasi oo ay dhici karto in laga ilaaliyey ama aan laga ilaalin cudurradan.

Si aad ugu taagnaado ku-dhaqanka Sharciga Tallaalka Ardayga Wisconsin (Wisconsin Student Immunization Law), fadlan la xidhiidh bixiyaha daryeelka caafimaadka ilmahaaga si aad u hesho tallaalka loo baahan yahay. Ku boori bixiyaha daryeelka caafimaadka ilmahaaga inuu isticmaalo Diiwaanka Tallaalka Wisconsin (Wisconsin Immunization Registry) iyo wixii diiwaano tallaalka ah ee aad ka hayso ilmahaaga si uu u go'aamiyo tallaalka ilmahaagu u baahan yahay inuu helo. Haddii ilmahaagu aanu lahayn bixiyaha daryeelka caafimaad, fadlan la xidhiidh waaxda caafimaadka deegaankaaga si aad u go'aamiso haddii ilmahaagu mutaystay inuu helo tallaalka waaxda caafimaadka. Macluumaadka la-xidhiidhka waaxda caafimaadka deegaanka waxaa laga heli karaa bogga internetka: <https://www.dhs.wisconsin.gov/lh-depts/counties.htm>

Fadlan ogow in dayrta sannad dugsiyeedka dambe, diiwaanada tallaalka ilmahaaga dib loo qiimayn doona si loo hubiyo inuu qaatay tallaalka la rabo heerkiisa/eeda fasalka ama ka dhaafista feelka ugu jiro. Haddii caddaymo ku filan aan laga dhiibin ilmahaaga, waxa dhici karta in loo baahdo inuu guriga joogo oonu dugsiya iman.

Macluumaad dheeraad ah oo kusaabsan tallaalka, fadlan booqo bogga internetka: <http://www.cdc.gov/vaccines/vac-gen/default.htm>

Waad ku mahadsan tahay inaad naga caawisay ka badbaadinta dhammaan carruurta dugsiyada Wisconsin cudurrada lagaga hortagi karo tallaalka.

90th Day Letter-Not Compliant (Behind Schedule or No Record)

Taariikhda:

Gacaliye Waalid:

Marka la eego diiwaanadayada, sannad dugsiyeedkan ilmahaagu ma ahayn mid raacay Sharciga Tallaalka Ardayga Wisconsin (Wisconsin Student Immunization Law). Tani waxay ka dhigan tahay in ilmahaagu aanu lahayn caddaymaha tallaalka habboon iyo ka dhaafista tallaalka oo uu feelka ugu jiro.

Tallaaladu waa mid kamid ah hababka ugu muhiimsan ee looga ilaaliyo carruurteena cudurrada iyo cawaaqibyada ka iman kara cudurradan. Tallaalku si gaar wuxuu muhiim ugu yahay carruurta da'da dugsiya gaaray sababtoo ah carruurta dugsiya dhigtaa waxay si joogto ah ugu dhaw yihiin dad kale kuwaasi oo ay dhici karto in laga ilaaliyey ama aan laga ilaalin cudurradan.

Bilaha soo socda, waxa aanu ugu boorinaynaa inaad ballan ka qabsato bixiyaha daryeelka caafimaadka ilmahaaga si ilmahaaga loo tallaalo. Ku boori bixiyaha daryeelka caafimaadka ilmahaaga inuu isticmaalo Diiwaanka Tallaalka Wisconsin (Wisconsin Immunization Registry) iyo wixii diiwaano tallaalka ah ee aad ka hayso ilmahaaga si uu u go'aamiyo tallaalada ilmahaagu u baahan yahay. Haddii ilmahaagu aanu lahayn bixiyaha daryeelka caafimaad, fadlan la xidhiidh waaxda caafimaadka deegaankaaga si aad u go'aamiso haddii ilmahaagu mutaystay inuu helo tallaalka waaxda caafimaadka. Macluumaadka la-xidhiidhka waaxda caafimaadka deegaanka waxaa laga heli karaa bogga internetka: <https://www.dhs.wisconsin.gov/lh-depts/counties.htm>

Fadlan ogow in dayrta sannad dugsiyeedka dambe, diiwaanada tallaalka ilmahaaga dib loo qiimayn doono si loo hubiyo inuu qaatay tallaalka la rabo heerkiisa/eeda fasalka ama ka dhaafista feelka ugu jiro. Haddii caddaymo ku filan aan laga dhiibin ilmahaaga, waxa dhici karta in loo baahdo inuu guriga joogo oonu dugsiya iman.

Macluumaad dheeraad ah oo kusaabsan tallaalka, fadlan booqo bogga internetka: <http://www.cdc.gov/vaccines/vac-gen/default.htm>

Waad ku mahadsan tahay inaad naga caawisay ka badbaadinta dhammaan carruurta dugsiyada Wisconsin cudurrada lagaga hortagi karo tallaalka.

Waa maxay tallaallada ilmahaygu u baahan yahay?

- ◆ Tallaalka Tdap: Waa kan ka difaacaya teetanada, gawracatada, iyo xiiqdheerta (qiixdheerta qufaca badan).
- ◆ Tallaalka caabuqa maskaxda (MCV4) (difaaca xuubka maskaxda ACWY): Tallaalkan wuxuu ilmaha ka difaacaa bakteeriyada *Neisseria meningitidis* caabuqeeda, nooca gala xuubka maskaxda, lafta xangullaha, iyo qulqulka dhiigga. Dhallintu waa in ay ku qaataan da'da 11 jir ama 12 jir iyo xoojiye ah markay gaaraan 16 jir.
- ◆ Tallaalka faayruska burooyinka (HPV): Tallaalkan waa kan looga hortago qaar ka mid ah kansar badan ama kansarka uu keeno HPV. Waa in dhallinta laga tallaalo laba jeer ka hor inta aysan gaarin 13 jir.
- ◆ Tallaalka fuluuga sannad kasta: Waa kan ka difaacaya in la qaadsiiyo faayraska fuluuga iyo in ay sii faafiyaan.
- ◆ Tallaalka COVID-19: Waa in dhallinta la siiyo xoojiye kasta oo ah COVID-19 si looga difaaco COVID-19.

Goorma ayaa tallaalka laga rabaa ilmahayga?

- ◆ Marka la sameynayo wiisiteynta sannadka. Sannad kasta weydiiso dhakhtarka ama kalkaalisada haddii ilmuhu tallaal u baahan yahay.
- ◆ Marka loo buuxinayo waraaqaha isboortiska, iskuulka, ama dibadbixidda.

Maxaa kale oo ay waalidku tallaallada ka ogaanayaan?

- ◆ Tallaal kasta si taxadar leh ayaa loo soo tijaabiyaa si loo hubiyo badqabka iyo waxtarka laga helayo ka hor inta aan dadweynaha oo dhan lagu sii tallaalin. Xataa ka dib marka tallaal la oggolaado, aqoonyahanka ayaa la soconaya badqabka tallaallada.
- ◆ Inta badan waxyeellada tallaalka waa xanuun laga dareemo meesha la iska duro oo waa wax fudud oo socda muddo yar. Dhibaatooyin halis ah in ay keenaan tallaalladu waa naadir.
- ◆ Waxaa muhiim ah in aad u sheegto dhakhtarka ama kalkaalisada haddii ay ilmahaagu xasaasiyad ku qabsaan tallaalka, sida khamiirka, cinjirka gacmaha, ama ukunta digaagga, ka hor inta aan ilmahaaga la tallaalin.
- ◆ Haddii aad su'aalo ka qabto, weydii dhakhtarka ama kalkaalisada.
- ◆ Wixii macluumaad dheeraad ah, booqo barta DHS Childhood and Adolescent Vaccine Information: (Macluumaadka DHS ee Tallaalka Carruurta iyo Dhallinta) <https://www.dhs.wisconsin.gov/immunization/>

Sidee baa la iigu caawin karaa bixinta lacagta tallaallada?

- ◆ Vaccines for Children (Barnaamijka Tallaallada Carruurta ama VFC) ayaa ka bixiya lacagta tallaalka carruurta gaartay ama ka yar 18 jir, dadka aan caymis haysan, kuwa xaqa u leh Medicaid (ama Badger Care), Hindida Mareykanka, ama Dhaladka Alaska.
- ◆ Booqo barta internetka ee DHS VFC <https://www.dhs.wisconsin.gov/immunization/vfc-parent.htm>.
