

Manteca Unified School District Strategic Plan

2023-2024

Vision Statement

Every student works to achieve grade level standards, feels safe and is supported to realize individual success.

Mission Statement

Through smart actions and decisions, MUSD will work together using meaningful, measurable and aligned data for all students to achieve mastery of grade level standards in all subjects based on their unique educational pathway in a safe environment inclusive of design, security and climate.

Golden West Elementary

39685936042329

Manteca Unified School District

39685930000000

School Site Vision

Golden West is committed towards providing each unique learner with rigorous, differentiated, inclusive, equitable instruction and supports to be best prepared for the following school year, high school, college and career.

School Site Mission

We will provide a welcoming, rigourous, inclusive and safe learning environment which meets the unique academic, physical, and social-emotional needs of each student. We will work together to use meaningful, measurable, and aligned data to guide our decisions and actions to promote student growth.

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

The Strategic Plan for Golden West focuses on the District's three targets: Every student achieving grade standards, feels safe, and providing equitable academic, behavioral and emotional supports for our Emerging Students.

For those students who are not responding to effective universal academic, behavioral and socio-emotional instruction and supports, we will systematically and immediately respond to change the trajectory of targeted students.

The plan was developed collaboratively using meaningful, measurable, and data aligned to all students achieving mastery of grade level standards in all subjects; based on each unique learner utilizing best instructional practices that are inclusive and differentiated in a safe, inclusive and equitable learning environment.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

During the 2022-2023 school year, classified and certificated employees, and families (including the English Language Advisory Committee and School Site Council) provided input through Local Control Accountability Planning (LCAP) meetings and surveys conducted throughout the year. During the input meetings, stakeholders reviewed the current District LCAP and site Strategic Plan goals, actions, services, and metrics and data. Stakeholders reviewed the following data: NWEA/MAPS reading and math data, CAASPP (state assessments) English Language Arts and Math results, student discipline data, attendance data, student and staff surveys results.

Stakeholder meetings occurred on the following dates:

Date Meeting

Stakeholders

March 7, 2023 Staff Meeting to review Strategic Plan data, goals, and actions

Certificated Employees

February 22, 2023 Classified Strategic Plan Input Meeting to review Strategic Plan data, goals, and actions Classified Employees: Paraprofessionals, SSAs, Custodial, Office Staff English Language Advisory Committee (ELAC) Meeting to review Strategic

Plan data, goals, and actions Parents/Caregivers and families

February 2, 2023 & May 4, 2023 Guiding Coalition Leadership Meeting to review Strategic Plan data,

goals, and actions Teacher Leaders

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Golden West, like many schools, continues to face the harmful effects of COVID-19 and with the challenges of changing the trajectory of students facing major barriers to learning. We are fortunate to have a diverse student population. Unfortunately, a significant percentage of our students have experienced losses, stressful living situations, are highly mobile, struggle with emotional and behavioral dysregulation, depression, and anxiety, and have a history of academic difficulties.

We look forward to the opportunity in providing each unique learner with high quality instruction and supports: particularly for our emerging English Learners (EL), Students with Disabilities (SWD) and Socio-Economically Disadvantaged (SED) students.

Golden West is committed to taking a proactive and systemic approach to addressing all barriers to learning.

Need: Grade Level Standards & Emerging Students

Golden West has identified the need to provide more targeted, inclusive, differentiated instruction and interventions. Each teacher has identified essential grade level standards and is utilizing effective and frequent formative assessments to drive instruction and provide targeted interventions. Each grade level has designated English Language Development (ELD), intervention ("GOLDen Time" (Get Our Learning Done) time, and socio-emotional learning times imbedded in daily schedules to promote equitable academic, socio-emotional, and behavioral development.

Educational community partners' input identified a strong need for after school tutoring; additional academic, behavioral, and socio-emotional supports during the school day; more resources to provide small group interventions to meet student learning needs, with a focus on foundational prerequisite skills on grade-level instruction, and an increase in parental/caregiver involvement.

Our Student NWEA/MAP Reading data indicates our student mean RIT score is 16 points below the MUSD mean RIT.

Our student NWEA/MAP Math data indicates our students mean RIT score is 14 points below the MUSD mean RIT.

Professional Learning Communities (PLCs) -an essential part of Golden West's comprehensive systemic approach in which teachers are allocated time and resources to work interdependently to achieve common learning goals with a focus on improving students' results. PLC time will allow teachers to engage in collective inquiry to effectively identify student learning needs to develop individualized learning plans to meet those needs and promote collective teacher efficacy.

During the 2023-24 school year, Golden West will begin offering Tier II academic and behavioral interventions after prioritizing Tier I universal implementation during the 2022-23 school year.

Need: Safety: Promoting positive Behavior & Social-Emotional Needs:

Educational partners' input indicates a strong need for strengthening and implementing with fidelity, Golden West's Positive Behavioral Interventions and Supports (PBIS) system to promote desirable behavioral and academic outcomes utilizing a tiered framework and evidence-based strategies. Golden West's educational partners also shared the need to promote and address students' social-emotional needs, promoting student engagement opportunities; and provide explicit instruction for students to learn how to better manage emotions, have empathy, and learn how to solve-problems. Students need modeling and instruction to gain these skills. Via the PBIS framework, multiple stakeholders suggested the need to reengage students with acknowledgement and incentives for positive behavior to promote academic success and student connections to school and peers.

Furthermore, student Discipline data indicates a need to address student to student conflicts (data analysis indicates most student to student conflicts tend to occur during recesses), and an increase amount of student defiance and disruption in the classroom.

For students with increased social-emotional and/or mental health needs, we will continue to provide school-based counseling services (individual and groups) via Valley Community Counseling who have designated counseling offices on Golden West's campus.

To continue to promote school connectedness and improve school culture, the school will continue to strengthen school sponsored enrichment activities during and after school (e.g., sports, student talent shows, music and band, drama, Living History.)

There has been an overall increase in student attendance during the 2022-23 school year (compared to recent prior years), however, still too many students, 32.8%, were classified as Chronic Absentees as of May 1, 2023.

Need: Parent/Caregiver Engagement to Support Emerging Students

Parents'/Caregivers' and stakeholders' feedback indicates a need for increased parental/caregiver outreach, particularly in Spanish where they can ask questions, provide comments and concerns, and suggest improvements to school leadership with rapid response times. Currently, parents'/caregivers' engagement at Golden West is minimal, with no more than 3-4 parents/caregivers attending virtual and in-person meetings advisory meetings. While Golden West recently developed much needed communication systems (monthly parent newsletters in English and Spanish, updated website, regular Facebook postings), our stakeholder feedback indicates this is an area of high need. We see this as an opportunity to reimage parental/caregiver engagement and build lasting connections between home and school.

With 67% of our students identified as Socio-Economically Disadvantaged (SED), we know that parental/caregiver engagement is critical for improving student outcomes, particularly with historically marginalized student groups. While parental/caregiver involvement includes activities structured by the school, parental/caregiver engagement, where parents/caregivers have a more active voice in how they take part in what goes on is schools, is critical for developing authentic home-school partnerships. Currently, Golden West needs to develop a consistent two-way communication system between the school and its families. Standard methods currently include website information, text messages, written notes, e-mails, phone calls, printed materials, and meetings.

School Site Description

Golden West Elementary school, located in central Manteca, was established in 1961. It is home to the Golden West 49ers who have a long-standing tradition of: Pride in Yourself; Pride in Your School; Pride in Everything You Do!

We serve between five and six hundred students, most residing in our neighborhood from Transitional kindergarten through eighth grade.

Our teachers provide our students with highly effective instruction and supports with compassion to best prepare our students for the upcoming school year, high school, college, and career in a technologically competitive economy. Our employees are committed to supporting each student to grow and achieve their personal best. We are dedicated to providing a welcoming, inclusive and safe learning environment which meets the unique academic, physical, and social-emotional needs of each student. All students and teachers have access to technology to promote engagement and learning.

Teachers collaborate in grade level and grade span professional learning communities (PLC) teams to provide differentiated academic instruction to meet the diverse needs of our students. We are committed to ensuring that all students receive a strong tier I based instruction aligned to the essential grade level learning standards.

Our PLC teams work together to use meaningful, measurable, and aligned data to guide decisions and actions to promote student growth. We strive to meet the unique learning needs of each student through our "GOLDen Time" (Get Our Learning Done), where students accelerate their learning or reinforce foundational skills in small group instruction.

Golden West is fully committed to our positive behavioral intervention and supports (PBIS) system of promoting all students' academic, behavioral, and socio-emotional development. We explicitly instruct students expected behaviors and procedures. We have three rules: Be Safe, Be Responsible, Be Respectful which in turn supports being a learner. We are committed to explicitly teaching student behaviors as well as academics. We view every opportunity as a learning opportunity for students to grow and achieve their personal best. We celebrate student success through Golden Tickets for behavior and character awards and allowing students to use the newly established PBIS store to purchase donated and purchased item.

Golden West benefits from the active parental/caregiver participation engagement through participation in the English Language Advisory Committee, School Site Council, and School Activities and Events.

To learn more about the many programs offered at Golden West School, please contact the principal, Tony Shah, Ed.D. at (209) 858-7300 or tshah@musd.net.

Our Vision:

Golden West is committed towards providing each unique learner with rigorous, differentiated, inclusive, equitable instruction and supports to be best prepared for the following school year, high school, college and career.

Our Mission:

We will provide a welcoming, rigourous, inclusive and safe learning environment which meets the unique academic, physical, and social-emotional needs of each student. We will work together to use meaningful, measurable, and aligned data to guide our decisions and actions to promote student growth.

2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|---|------------------|-------------------|--------------------|---------------------|-----------------|------------------|
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) | 37.70 | 81.56 | 885.50 | 84.32 | 228366.10 | 83.12 |
| Intern Credential Holders Properly Assigned | 2.40 | 5.33 | 38.90 | 3.71 | 4205.90 | 1.53 |
| Teachers Without Credentials and Misassignments ("ineffective" under ESSA) | 6.00 | 13.09 | 113.30 | 10.79 | 11216.70 | 4.08 |
| Credentialed Teachers Assigned Out-of- Field ("out-of-field" under ESSA) | 0.00 | 0.00 | 11.40 | 1.09 | 12115.80 | 4.41 |
| Unknown | 0.00 | 0.00 | 0.90 | 0.09 | 18854.30 | 6.86 |
| Total Teaching Positions | 46.30 | 100.00 | 1050.10 | 100.00 | 274759.10 | 100.00 |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |
|---|------------------|-------------------|--------------------|---------------------|-----------------|------------------|
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) | | | | | | |
| Intern Credential Holders Properly Assigned | | | | | | |
| Teachers Without Credentials and Misassignments ("ineffective" under ESSA) | | | | | | |
| Credentialed Teachers Assigned Out-of- Field ("out-of-field" under ESSA) | | | | | | |
| Unknown | | | | | | |
| Total Teaching Positions | | | | | | |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

| Authorization/Assignment | 2020-21 | 2021-22 |
|---|---------|---------|
| Permits and Waivers | 0.00 | |
| Misassignments | 6.00 | |
| Vacant Positions | 0.00 | |
| Total Teachers Without Credentials and Misassignments | 6.00 | |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

| Indicator | 2020-21 | 2021-22 |
|--|---------|---------|
| Credentialed Teachers Authorized on a Permit or Waiver | 0.00 | |
| Local Assignment Options | 0.00 | |
| Total Out-of-Field Teachers | 0.00 | |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

| Indicator | 2020-21 | 2021-22 |
|--|---------|---------|
| Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned) | 11.20 | |
| No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach) | 15.80 | |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title | Number of FTE Assigned to School |
|---|----------------------------------|
| Counselor (Academic, Social/Behavioral or Career Development) | |
| Library Media Teacher (Librarian) | |
| Library Media Services Staff (Paraprofessional) | |
| Psychologist | |
| Social Worker | |
| Nurse | |
| Speech/Language/Hearing Specialist | |
| Resource Specialist (non-teaching) | |
| Other | 0.5 |

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Beginning with the 2018-2019 school year and continuing through the 2021-2022 year, parents, teachers and students were surveyed with questions developed by Hanover Research with regard to safety, professional development needs, implementation of rigorous state standards, and meeting the needs of unduplicated, as well as underperforming, groups. Results were reported to all in the district LCAP and the California Dashboard. Results are reported out in the California Dashboard, and site level results are disaggregated and shared with school sites. Results are discussed in school site council and English Learner Advisory Committee meetings, leadership, and other stakeholder input meetings. Findings were used to inform the MUSD Local Control Accountability Plan (LCAP), school site strategic plans and further implementation needs. Individual sites may also utilize surveys.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Site administrators, in accordance with the MEA Master Agreement, utilize classroom observations to evaluate teachers using the California Standards for the Teaching Profession. Furthermore, the school principal and vice-principal frequently visits each classroom to conduct "learning walks." The school's Instructional Leadership Team, the "Guiding Coalition" conducted "ghost walks" after school, when no students were present, to assess for the physical evironment of each classroom.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

District-wide assessment and accountability systems monitor student academic performance and growth in learning. All schools within MUSD implement the NWEA/MAP (Measures of Academic Progress) Growth assessment at targeted grade levels district-wide. The information gleaned from these on-going assessments was shared with parents at goal-setting conferences. Students, parents and teachers were able to discuss specific skills that each pupil was ready to learn, and his/her projected and actual growth toward state standards. Data were used to identify student need, determine areas of focus for professional learning, and choose appropriate interventions. Parents are provided results digitally via ParentConnect (the district's online portal for parents to access information about their student), on paper (if requested) and at teacher conferences. Throughout the year, the assessment of student achievement is a priority and requires continual support and monitoring of the collection, processing, analyses, and reporting of data. Students in grades 3-8 and in grade 11 take Smarter Balance Summative Assessments in English Language Arts (ELA) and Mathematics, except during the spring of 2020 and 2021 due to COVID-19. All English Language Learners are administered the English Language Proficiency Assessments for California (ELPAC) annually. Moving forward, students in grades K-2 will be assessed using the reading fluency assessment, also through NWEA. In grades K-8, writing samples are maintained in student portfolios. In grades 3-8, students are given an on demand writing prompt each trimester, which is scored using a district-wide grade level rubric. Reading assessments include the Wonders platform aligned with California State Standards. Assessment results and other data are stored in a database which can produce reports and disaggregate data by filtering and sifting via individual subgroups or state standards. Other assessments may include performance based tasks aligned to the Common Core State Standards. Kindergarten students are assessed in Math using a system of ongoing assessments built into the curriculum which assesses students relative to specific grade level (CCSS). All of the aforementioned district proficiency data, along with academic grades, are recorded on each student's report card. The data from these report cards is collected electronically and is disaggregated by school and grade level for use by the school sites.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

The site leadership team comprised of the principal, vice-principal, instructional specialist and selected teachers meet regularly to evaluate benchmark and summative assessment data as well as observational and formative information. Team members then meet with specific grade level/grade span/department teachers to provide support in data analysis. The district supports an assessment evaluation program, which is designed to make decisions from the bottom up while supporting from the top down. Through the district-developed structure, school sites act as site level data teams. These teams identify areas of "cause", which affect student achievement. Furthermore, the teams are trained in how to support the teachers at the site in developing, refining, and implementing a standards-based instructional program at the classroom level and modifying their instruction using data. Ongoing analyses continue at the site and classroom level to improve individual student achievement. The Executive Directors of Elementary and Secondary Education support this process by meeting with site teams quarterly. Programs are evaluated regularly and no less than annually for effectiveness.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

Manteca Unified School District is committed to hiring and retaining highly qualified staff. 100% of classes were taught by fully credentialed, appropriately assigned staff, as verified by the 2020-2021 SARC reports (the most current available). There were no identified misassignments of teachers of English Learners for 2021-22 school year. Manteca Unified School District's Teacher Development Department utilizes the Induction program to support beginning teachers/interns and provide a clear credential pathway to preliminary credential holders.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

MUSD maintained its status in that 100% of students had standards-aligned curriculum, verified by the 2020-2021 SARC reports (the most current available). Manteca Unified School District utilizes state approved, board adopted core curricular programs and materials which are standards based in the subject areas of Reading/Language Arts, Math, Social Studies and Science. All students, including those with special needs, have access to the district adopted core curriculum materials. All Manteca Unified School District students have access to technology. Laptop devices that are individually assigned to all district students.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional Learning is the core element in creating a system in education that holds the student as the center piece of importance and allows the classroom teacher the opportunity to create lessons that are engaging and relevant to all students. Recognizing that professional learning must mirror desired outcomes in TK-12 classrooms, professional learning in Manteca Unified School District will have a multimodality approach including opportunities for on-line, face to face, site based, educator conferences, and coaching in order to meet the individual learning levels of teachers. Professional Learning in Manteca Unified School District will focus on district targets, with the focus of inclusive academic instruction in the 2021-2022 school year. A professional learning plan is in place to meet the needs of educators where they are, with a definite urgency to improve core instruction. Teacher Induction, formerly known as BTSA, will train those new to the profession on the state standards for the teaching profession and support classroom competency; base programs with instructional strategies designed to help students meet state standards will be taught and refined; supplemental programs will be utilized for those students who are not meeting, or most as risk of not meeting, the rigorous state standards; intervention by teams designed to look at the whole child and drill down to core deficiencies will occur, and funds will be employed in evidence-based actions which meet student needs.

Manteca Unified School District and the Department of Teaching and Learning is guided by meaningful and measurable data. The Department will coach, train, and support all educators with the necessary knowledge, skills, resources and tools needed to be effective in meeting the needs of all students so they can achieve mastery of grade level standards.

The Department of Teaching and Learning will also support teachers in the implementation of Manteca Unified School District's Cycle of Refinement. The department's Teachers on Special Assignment (TOSAs) will provide focused support to teachers in the design of standards-based lessons, guided by diagnostic, formative, and summative assessment data. Instructional Support Specialists will work with teachers at each elementary site to improve initial teaching and classroom-based supports and services. Student outcomes, primary indicated by MAP growth assessment data, will determine the efficacy of the support.

In addition, the District provides three days of in-service to all teachers to promote highly qualified teaching strategies in the core content areas for all students, including English Learners and Special Education students. Data, such as state and district assessment results, formative assessments, teacher surveys, staff development day evaluations are analyzed to determine staff development needs.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Manteca Unified provides instructional assistance and ongoing support to all teachers of ELA/ELD, Mathematics, core classes, and intervention programs. Golden West has an Instructional Support Specialist who provides targeted and groupwide supports to teachers and classrooms. MUSD also content experts, and teachers on special assignment who are knowledgeable about the adopted programs and work inside the classrooms to support teachers and deepen their knowledge about the content and the delivery of instruction. The Manteca Unified Department of Teaching and Learning offers more than 200 trainings a year after school, and provides small group and one-on-one support as needed or requested. Three district-wide staff development days this year will focus on helping students meet district targets.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Manteca Unified facilitates and supports structured collaboration meetings in order for all teachers of ELA/ELD and Mathematics, including strategic and intensive intervention, special education, and ELD teachers to analyze, discuss and utilize the results of the local assessments to guide student placement, instructional planning and delivery, and progress monitoring in the instructional programs used at the school. The district and site provide release days during the school year for development and collaboration. Teachers meet in Professional Learning Communities by grade level or by department to refine instructional practice and work to improve student outcomes.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

The focus and vision of Manteca Unified School District is to increase student achievement. All students receive curriculum, instruction, and materials aligned to CCSS and Frameworks. All students receive curriculum, instruction, and materials from programs and/or strategies shown to increase student achievement. District developed standards-based curriculum guides for grades K-8 are used by teachers so that all students receive clearly defined curriculum and instruction that is sequentially and systematically delivered, at a pace that will ensure master of grade-appropriate standards. Students who do not meet standards at their grade level and are identified as "at-risk of retention" may be offered intervention programs and/or supplemental instruction derived from programs, strategies, and skill training shown to increase student achievement.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K-8) (EPC)

Manteca Unified allocates adequate instructional time as recommended in the California subject matter frameworks for the standards-aligned, basic core programs for RLA and mathematics and intensive interventions as well as additional time for strategic support and ELD for identified English Learners. This time should be given priority and be protected from interruptions.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Manteca Unified prepares, distributes, and monitors the use of an annual district-instructional/assessment pacing guide for each grade level (kindergarten through grade eight) for the standards-aligned, basic core ELA/ELD, strategic support, intensive intervention programs, standards-aligned mathematics basic core, strategic support, and Grades 4-6 intensive intervention programs in order for all teachers to follow a common sequence of instruction and assessment. ELD, small-group instruction and Tier I interventions are a focus when developing a master schedule.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All textbooks are in adequate supply and fair to excellent condition. MUSD places great emphasis on providing students with the most up-to-date, state-adopted textbooks and instructional materials. Each pupil has a textbook and/or instructional materials to use in class and to take home. There are zero percent of pupils who lack their own assigned textbooks and/or instructional materials. Additional literature-based materials are used to enrich the state textbook matrix. All students, including those with special needs, have access to the core curriculum materials. MUSD provides students one to one access to a digital device.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Manteca Unified provides standards-aligned, basic core instructional programs, including ancillary materials for small-group instruction, for Reading/Language Arts/English Language Development (RLA/ELD) (CCSS) and for Mathematics (CCSS). Manteca Unified also provides intensive intervention programs. Intervention programs include Rosetta Stone, and ALEKS. These programs are to be implemented as designed in every classroom with materials for every student.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

MUSD provides each child access to the core curriculum. In addition, underperforming students have access to intervention during the regular school day or beyond the school day. To ensure acquisition of skills, intensive intervention programs are offered. Core programs in ELA and Math contain intervention and RTI materials to modify instruction. Digital tutorials allow for leveled instruction as well as individualized instruction. Intervention programs are implemented as designed in every classroom with materials for every student. Counseling, funded through federal title funds or the Local Control Funding Formula is provided onsite by a Valley Community Counselor(s).

Evidence-based educational practices to raise student achievement

The District provides two days of in-service to all teachers to promote highly qualified teaching strategies in the core content areas for all students, including English learners and Special Education students. Staff Development in the Manteca Unified School District focuses on two goals: improvement in the educational program and in student achievement. Assessment data is analyzed and reviewed by the site leadership teams through designed processes. Common assessments for each grade level or course are administered, each of which aligns with the appropriate Common Core State Standards. These assessments may be statistically normed tests such as MAP, or district common finals.

After the assessments are given, data are collected and disaggregated for teachers to analyze. The data give teachers specific feedback on levels of achievement for the entire school population, individual classes, and individual students. These data are analyzed for trends, looking for areas of success and for areas for growth. Data drive district-wide change, both large and small, in the curricular program (which is also aligned with state student content standards) which then leads students to higher levels of achievement.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

The school-wide Title I site has a School Site Council (SSC), an English Learning Advisory Council (ELAC), which is comprised of both staff and parents. MUSD has district committees which include the District Parent Advisory Council and the District English Learner Advisory Committee. These committees at the site and district level provide parent input on students' instructional needs related to under-achieving students. There are also Parent-Teacher groups which support the sites.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

MUSD established a District English Learner Advisory Committee (DELAC) and a District Parent Advisory Council (DPAC), consisting of parents and school representatives and involve them in the application for funding programs provided by the state or federal government including those that serve English Learners and Title 1 students.

The Consolidated Application (ConApp) would first be brought up to the DELAC committee members along with the DPAC members for review. Once approved, the Application for funding, which will be signed by the DELAC chairperson, lists the Categorical Program funding requests for the fiscal year. The ConApp will then be reviewed by Manteca Unified School District School Board during board meetings and be approved by the Board before making its way to the Superintendent to finalize it with a Certification of Assurance and Protected Prayer Certification. The Certification of Assurance verifies that MUSD will spend any federal funds received, legally and correctly. The Protected Prayer Certification is a certification of protected prayer within MUSD.

Both the DELAC and DPAC act as advisory councils in the development of the LCAP and make recommendations on activities and expenditures related to Local Control Accountability Funds.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Categorical funds such as EIA-SCE funds and EIA-LEP funds have been replaced by the Local Control Funding Formula (LCFF) funds which are not considered categorical. LCFF funds are used to provide for the needs of all students in MUSD, including professional development related to underperforming students, tutorials, and intervention programs and materials.

MUSD uses LCFF supplemental/concentration funds as well as Title 1 funds district-wide to provide assistance for Homeless students, parent involvement activities, staff development, student achievement, teacher attraction and retention and for the Kindergarten Bridge program among many others.

Title III funds are used to provide support and resources related to English Learners. A District director and coordinator oversees EL trainings, resources, and strategies to improve ELD instruction. Trainings have focused on ELD instruction in coordination with the ELD/ELA standards and framework.

Title II funds are used to support the Induction program and to provide professional development to all MUSD staff members.

Title IV funds are used for STEAM activities, improving science teaching and the improving of safety at the school sites through Positive Behavior Intervention and Supports (PBIS).

Low Performing Student Block Grant funds support the professional development of teachers designed to assist students in meeting rigorous instructional standards.

Fiscal support (EPC)

All Manteca schools receive formula-based allocations of general fund support for staffing, instructional materials and supplies, custodian needs, and other uses. Funding for the support services such as maintenance of buildings and grounds, utilities, and student transportation is budgeted on a district-wide, centralized basis and provided to each school site-based on the unique needs of the individual school.

In addition to its support from the local general fund, each school in the Manteca Unified School District receives yearly allocations from various state and federal categorical programs. The purposes of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students such as limited-English proficient, academically deficient, and students at risk of dropping out of school.

Manteca Unified general and categorical funds are coordinated, prioritized, and allocated to align with the full implementation of the EPCs in RLA/ELD, Mathematics, and the Site Strategic Plans (which contain all of the core elements of the School Plan for Student Achievement.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

| | 2021-22 Student Population | | | | | | | | | |
|---------------------|------------------------------------|---------------------|-----------------|--|--|--|--|--|--|--|
| Total Enrollment | Socioeconomically Disadvantaged | English Learners | Foster Youth | | | | | | | |
| 552 | 67% | 31.2% | 0.1 | | | | | | | |

Total Number of Students enrolled in Golden West Elementary.

Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

Students whose well being is the responsibility of a court.

| 2021-22 Enrollme | ent for All Students/Student Group |) |
|---------------------------------|------------------------------------|------------|
| Student Group | Total | Percentage |
| English Learners | 236 | 31.2% |
| Foster Youth | 2 | 0.1 |
| Homeless | 20 | 2.1 |
| Socioeconomically Disadvantaged | 667 | 67% |
| Students with Disabilities | 108 | 11.1 |

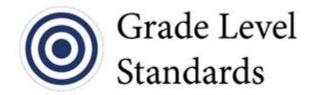

| Enrollment by Race/Ethnicity | | | | | | | | | |
|------------------------------|-------|------------|--|--|--|--|--|--|--|
| Student Group | Total | Percentage | | | | | | | |
| African American | 42 | 4.3 | | | | | | | |
| American Indian | 3 | 0.3 | | | | | | | |
| Asian | 73 | 7.5 | | | | | | | |

2023-2024 Strategic Plan Page 17 of 69 Golden West Elementary

| Enrollme | ent by Race/Ethnicity | |
|-------------------|-----------------------|------------|
| Student Group | Total | Percentage |
| Filipino | 41 | 4.2 |
| Hispanic | 596 | 61.5 |
| Two or More Races | 41 | 4.2 |
| Pacific Islander | 12 | 1.2 |
| White | 161 | 16.6 |

Conclusions based on this data:

- **1.** 76.1% of our population is Socioeconomically Disadvantaged.
- 2. 32% of our population are English Learners.
- **3.** 70.6% of our population is Hispanic.

Grade Level: TK-8

District Goal

Every student works to achieve mastery of grade level standards in all subjects.

Site Strategic Goal

Every student will be privided with highly effective, inclusive and differentiated instruction and responsive supports to meet/exceed grade level standards in ELA and Math to be best academically, behaviorally and socio-emotionally prepared for the following school year, high school, college and career.

Base Requirements

Every student will have access to district adopted grade level curricula, a lap-top device, supplemental programs and instructional supplies and materials to promote learning and supports.

2023/24 Spring NWEA/MAP Growth Reports

MATH

Golden West Elementary

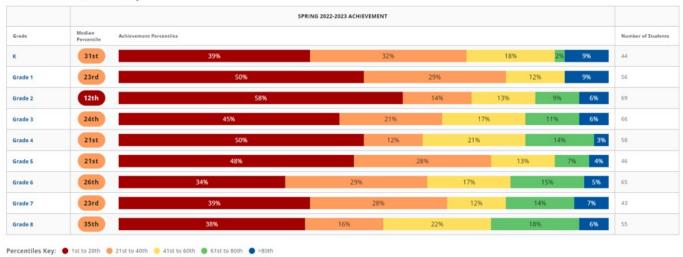

2023/24 Spring NWEA/MAP Growth Reports

READING

Golden West Elementary

Data Analysis

2022-23 Spring NWEA/MAP Math data indicated 17% of Golden West students scored withith the 61st percentile or higher (of the national norm data).

2022-23 Spring NWEA/MAP Reading data indicated 16% of Golden West students scored withith the 61st percentile or higher (of the national norm data).

2022-2023 NWEA/MAP Reading data indicated 2nd, 6th grade levels met the Grade-Level Norms Projected Growth. While all grade levels experienced growth comparing Fall 2022 with Spring 2023; Grades Kindergarten, 1st, 3rd, 5th, 7th and 8th did not meet the Grade-Level Norms Projected Growth for Reading.

2022-2023 Spring NWEA/MAP Assessment Reading data indicated the average RIT Score for Golden West was 185 (6 points below the MUSD's Average RIT Score).

2022-23 Spring NWEA/MAP Language Useage data indicated 18% of Golden West students scored withith the 61st percentile or higher (of the national norm data).

2022-2023 NWEA/MAP Math data indicated 6th and 7th grade levels met the Grade-Level Norms Projected Growth. While all grade levels experienced growth comparing Fall 2022 with Spring 2023; Grades Kindergarten, 1st, 2nd, 3rd, 5th and 8th did not meet the Grade-Level Norms Projected Growth for Math.

2022-2023 Spring NWEA/MAP Assessment Math data indicated the average RIT Score for Golden West was 190 (14 points below the MUSD's Average RIT Score).

Note: A RIT Score is an estimation of a student's instructional level and also measures student progress or growth in school.

With regards to Student Classroom Achievement: By the end of the 2nd Trimester 68 (12.3%) students had one or more Fs.

Student Need 1:

All students will be reading at levels to best transition to the following grade level as identified on the NWEA/MAP Reading assessments by providing access to standards aligned base curriculum and approved supplementary curriculum, interventions, resources & materials including technology, professional development—workshops/conferences, training and collaborative opportunities for teachers, students, and families.

Implementation Plan

All teachers will provided highly effective, inclusive and differentiated supports to promote reading. Students will have access to district adopted English Language Arts curriculum. Teachers, via a PLC framework will develop common formative assessments to drive instruction and supports. Students will be retaught prerequisite skills via small group instruction during the school's adopted Access time, "Golden Time."

Students enrolled in Kindergarten to 3rd grade will recieve structured, multi-sensory literacy instruction via the Wilson Language Training Fundations ephasizing decoding, phonics, spelling and handwriting.

Targeted and identified students (K-3rd grade) will recieved small group reading tutoring supports via the district's sponsored Americarp tutors.

We will continue to provide targeted students and grade levels with after school tutoring and enrichment activities.

Golden West will continue to have selected Jr. High School student tutors students of lower aged grade levels.

To build a collaborative culture where every Golden West staff member works to ensure that every student is supported to meet/exceed grade level standards in ELA by providing students access to grade level standards from staff trained in effective instructional strategies, use of base and supplemental curriculum, and by providing resources and interventions based on individual student need. We will continue to commit to working together in PLC teams, using meaningful, measurable and aligned data to guide our decisions and actions to promote student growth. We will refine our PLC process by addressing the four critical questions of a PLC:

- 1. What do we want all students to know and be able to do? (essential standards)
- ~Teachers will identify essential standards and the level of rigor in each essential standard and develop a scope and sequence for each trimester.
- ~Teachers will have access to the Instructional Specialist/TOSA who will provide professional learning, coaching, coteaching, and small group support with students.
- ~Teachers will work with students to support students in academic goal setting and in conducting student-led goal setting conferences to increase student ownership of learning goals.
- ~Teachers will communicate to students clear learning targets aligned to essential standards to increase student academic achievement
- 2. How will we know when they have learned it? (assessment)
- ~Students will continue to be assessed in Reading throughout the 2023-2024 school year using NWEA/MAP assessments and teacher developed common formative assessments.
- ~Teachers will use this data and data from common (grade-level) formative assessments (at least monthly) to identify students by name and need.

- 3. What will we do if they do not learn it? (intervention)
- ~Teachers will use the data to identify students who need intervention based on the essential standards taught and assessed and plan for monthly intervention cycles during our GOLDen Time.
- ~ Students may engage in small group instruction, platooning and/or other targeted interventions.
- 4. What will we do if they do learn it? (enrichment)
- ~Teachers will use the data to identify students who are ready for enrichment based on the essential standards taught and assessed and plan for monthly enrichment cycles during our GOLDen Time.

All teachers will be trained on recently adopted core curriculum for next generation science standards (NGSS), Amplify and SPARK, a research validated Physical Education program.

SMART Goal

As indicated below, improved academic achievement in Reading when comparing Spring 23 to Spring 24 NWEA/MAP assessment results.

| Metric/Indicator | Baseline | Expected Outcome |
|---|---|---|
| Spring 2024 NWEA/MAP Assessment Reading assessments results. | 68% in the low average and low achievement quintiles in Reading during the Spring 23 NWEA/MAP assessments. | During the Spring 2023 NWEA/MAP assessments, the percentage of Golden West students in the low average and low achievement quintiles will decrease by 5%. |
| Spring 2024 NWEA/MAP Assessment Language Usage assessments results. | 65% in the low average and low achievement quintiles in Language Usege during the Spring 23 NWEA/MAP assessments. | During the Spring 2023 NWEA/MAP assessments, the percentage of Golden West students in the low average and low achievement quintiles will decrease by 5%. |
| Student classroom achievement. | By the end of the 2nd Trimester 68 (12.3%) students had one or more Fs. | By the end of the 2nd Trimester of the 23-24 school year, we will decrease the number of students earning at least one "F" from 12.3% to 10% |

Targeted Resources Applied

| Action | Resources | Money/Budget |
|---|--------------------|--------------|
| Students will have access to supplemental instructional materials and supplies, technology (e.g. doc cameras and screenbeams) for inside classrooms, and materials for electives/enrichment and intervention. | LCFF- Supplemental | 2,000 |
| Via established district level funding, an Instructional Specialist (TOSA) will be assigned at Golden West. The Instructional Specialist will provide | District Funded | 0 |

| professional development, coaching, co-teaching, and small group supports for targeted students. | | |
|--|----------------------------|--------|
| All Golden West Kindergarten through 3rd grade teachers will participate in "Wilson Fundations" to provide students with research-based materials and strategies to promote reading comprehension, decoding, spelling and handwriting. This program will supplement our students' exposure to district-adopted core English Language Arts curriculum. | LCFF- Supplemental | 6,500 |
| Teachers, Substitute Teachers, Paraprofessional, & Support Staff will have access to time-sheeting & costs of materials to provide tutoring/extended day, intervention supports, collaboration time, peer observation, pull-out days, release time, family & student engagement activities, and attendance at professional development, workshops/training and materials, conferences and parent/student activities/events, including planning for summer acceleration for students. Additionally, provide trainings, events, activities or workshops and allow attendance/facilitation for/by teachers, families & students to facilitate learning/understanding and increase partnership/engagement between home and school. Teachers will be provided with designated release days so to work as PLC teams: collaborate, analyze data, identify essential standards, design lessons, formative assessments and strategize/identify students in need of interventions. | LCFF- Supplemental | 2,500 |
| Field Trips, Assemblies & Activities to support student participation, engagement and real world application of learning including fees, travel and such. | Title I Part A: Allocation | 10,000 |

| Student awards, certificates and pens to acknowledge academic excellence, growth, citezenship and positive attendance. | LCFF- Supplemental | 1,500 |
|--|----------------------------|-------|
| Assemblies, events and activities to recognize students for academic excellence, growth, and citizenship. | LCFF- Supplemental | 1,500 |
| Via established district-level funding, targeted students enrolled in grades K-3 will be provided with individual and small group Reading tutoring via Americorp Tutors. | District Funded | |
| Students will have access to supplemental instructional materials and supplies, technology (e.g. doc cameras and screenbeams) for inside classrooms, and materials for electives/enrichment and intervention, and student summer acceleration. | Title I Part A: Allocation | 2,000 |
| Conferences, Workshops, Professional Development & Training fees, program materials, travel costs, hotels and such for faculty, staff, students and families, as well as professional consulting services and operating expenditures. (MTSS, PBIS, SEL and PLC). | Title I Part A: Allocation | 1,500 |
| Purchase student planners for 5th-8th grade students and purchase homeschool folders for TK-3rd grade students to build a school wide system for communication and organization between home and school. | LCFF- Supplemental | 1,065 |

Data

Data Analysis

Student Need 2:

To develop and increase mathematical skills and practices for all students to be best prepared for the following grade level, along with an added focus on students scoring below grade level, as identified on the NWEA/MAP Assessments in Math by providing access to standards aligned base curriculum, standards based and approved supplementary curriculum, intervention, resources & materials including technology, professional development, workshops/conferences, training and collaborative opportunities for teachers, students, and families.

Implementation Plan

Golden West as well as other district schools will focus on incorporating "Math Thinking Strategies" with the current base curriculum to allow students to obtain a deeper understanding of math and students as mathematicians. Teachers and students will learn how to use discourse and thinking strategies to draw upon their intellectual resources as critical thinkers and problem solvers with newer ways to think.

We will continue to provide targeted students and grade levels with after school tutoring and enrichment activities.

Golden West will continue to have selected Jr. High School students tutor students of lower aged grade levels.

To build a collaborative culture where every Golden West staff member works to ensure that every student is supported to meet/exceed grade level standards in Mathematics by providing students access to grade level standards from staff trained in effective instructional strategies, use of base and supplemental curriculum, and by providing resources and interventions based on individual student need to support progress toward standards, we will continue to be committed to work together in PLC teams using meaningful, measurable and aligned data to guide our decisions and actions to promote student growth. We will refine our PLC process by addressing the four critical questions of a PLC:

- 1. What do we want all students to know and be able to do? (essential standards)
- ~Teachers will identify essential standards and the level of rigor in each essential standard and develop a scope and sequence for each trimester.
- ~ Teachers will have access to the Instructional Specialist/TOSA who will provide professional learning, coaching, coteaching, and small group support with students.
- ~Teachers will work with students to support students in academic goal setting and in conducting student-led goal setting conferences to increase student ownership of learning goals.
- ~Teachers will communicate to students clear learning targets aligned to essential standards to increase student academic achievement
- 2. How will we know when they have learned it? (assessment)
- ~Students will continue to be assessed in mathematics throughout the 2023-2024 school year using NWEA MAPS assessments and teacher developed common formative assessments.
- ~Teachers will use this data and data from common (grade-level) formative assessments (at least monthly) to identify students by name and need.
- 3. What will we do if they do not learn it? (intervention)
- ~Teachers will use the data to identify students who need intervention based on the essential standards taught and assessed and plan for monthly intervention cycles during our GOLDen Time.
- ~ Students may engage in small group instruction, platooning and/or targeted intervention.
- 4. What will we do if they do learn it? (enrichment)
- ~Teachers will use the data to identify students who are ready for enrichment based on the essential standards taught and assessed and plan for monthly enrichment cycles during our GOLDen Time.

~ Students may engage in small group instruction, platooning and/or targeted intervention.

SMART Goal

As indicated below, improved academic achievement in Math when comparing Spring 23 to Spring 24 NWEA/MAP assessment results.

| Metric/Indicator | Baseline | Expected Outcome |
|---|---|--|
| Spring 2024 NWEA/MAP Assessment Math assessments results. | 65% in the low average and low achievement quintiles in Math during the Spring 23 NWEA/MAP assessments. | The percentage of Golden West students in the low average and low achievement quintiles will decrease by 5%. |

Targeted Resources Applied

| Action | Resources | Money/Budget |
|--|--------------------|--------------|
| Students will have access to supplemental instructional materials and supplies, technology (e.g. doc cameras and screenbeams) for inside classrooms, and materials for electives/enrichment and intervention, and student summer acceleration. | LCFF- Supplemental | 2,000 |
| Via established district level funding, an Instructional Specialist will be assigned at Golden West. The Instructional Specialist will provide professional development, coaching, co-teaching, and small group support for targeted students. | District Funded | 0 |
| Teacher, Substitute Teacher, Paraprofessional, & Support Staff will have access to time-sheeting & costs of materials to provide tutoring/extended day, intervention supports, collaboration time, peer observation, pull-out days, release time, family & student engagement activities, and attendance at professional development, workshops/training and materials, conferences and parent/student activities/events, including planning for summer acceleration for students. | LCFF- Supplemental | 2,500 |

| Additionally, provide trainings, events, activities or workshops and allow attendance/facilitation for/by teachers, families & students to facilitate learning/understanding and increase partnership/engagement between home and school. Teachers will be provided with designated release days so to work as PLC teams: collaborate, analyze data, identify essential standards, design lessons, formative assessments and strategize/identify students in need of interventions. | | |

District Goal

Every student feels safe in the school environment inclusive of design, security and climate.

Site Goal

To ensure that every student feels safe and secure in an inclusive learning environment that fosters growth.

Base Requirements

Every student is entitled to a safe school environment which includes the supplies necessary to make and keep the campus appropriate for students.

Climate

This table displays suspensions and expulsions data collected between July through June, each full school year respectively.

Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject | School 2018-19 | School 2020-21 | District 2018-19 | District 2020-21 | State 2018-19 | State 2020-21 |
|-------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| Suspensions | 4.23 | 0.24 | 5.22 | 0.91 | 3.47 | 0.20 |
| Expulsions | 0.00 | 0.00 | 0.23 | 0.01 | 0.08 | 0.00 |

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

| Subject | School 2019-20 | District 2019-20 | State 2019-20 | |
|-------------|-------------------|---------------------|------------------|--|
| Suspensions | 5.98 | 4.19 | 2.45 | |

Data Analysis

The 2022-23 LCAP Stakeholder Survey results indicate:

- * Need to address the behavioral and socio-emotional development of students.
- * Provide support, services and lessons to promote socio-emotional development of students
- * Provide targeted behavioral and socio-emotional supports of targeted students via the school PBIS system
- * Bullying prevention and response to promote students' perceptions of feeling safe at school
- * Promote school connected by building the culture

Student Need 1:

Students need support in learning, managing emotions, having empathy, and solving problems. Our students and students across the nation continue to grip with the negative psychological impacts social media causes on most adolescents and children.

Students need modeling and instruction to gain these skills. Students need acknowledgment for appropriate behavior as these skills are acquired and implemented. Students need opportunities to build connections to school, to have reteaching/practice of these skills, as well as opportunities via the school's PBIS.

By receiving such supports, it will reduce total behavior incidents and suspensions by 5% and in doing so will improve the climate, safety and connectedness.

Implementation Plan

Golden West has a fully established and implemented Postive Behavioral Interventions and Supports (PBIS). During the 2022-23 school year, The PBIS team focused on improving the climate and culture.

The Golden West PBIS team will continue to support and sustain Tier I and design and implement a plan for implementing Tier II during the 23-24 school year.

PBIS is a proactive approach for creating and sustaining safe and effective schools. PBIS is a three-Tiered Program and we are currently implementing Tier 1. One of the key components or beliefs is to focus on prevention. When students are taught clearly defined behavioral expectations and provided with predictable responses to their behavior, both positive and corrective, 80-90% of students will meet these expectations. The 10-20% of the students not responding to universal interventions.

During the 2023-24 school year, Golden West will begin implementing Tiered II PBIS programs to provide additional supports for students in need of futher supports.

Another key component to our PBIS program is an analysis of behavior data. This team-based approach to data analysis will allow Golden West Elementary School's PBIS Team to identify problem areas, brainstorm interventions, acknowledge students exhibiting positive attendance/behavior and communicate the findings to staff, students, and parents. The ultimate goal is to decrease behavior incidents and to increase attendance, academic performance, and sense of safety, and to create/maintain a positive school climate through teaching research-based strategies and systems.

All students will also have designated Social Emotional Learning (SEL) daily allocated lessons as a resource for teaching the explicit behaviors within the program. It promotes school success, school connectedness, safe and respectful school climate by teaching students the skills that strengthen their ability to learn, manage emotions, have empathy, and solve problems.

Strategies to improve attendance/engagement will include the following:

- 1.) PBIS and SEL
- «Provide staff/grade levels training/information to implement
- «Frequent teaching of target schoolwide expectations (Setting the Stage (School Rules/Expectations, Skills for Learning, Empathy, Emotional Management, Problem Solving and Friendship Skills) either whole school and/or by grade span
- « Survey of students, staff and families to progress monitor
- «Monthly Team meetings to progress monitor and adjust implementation accordingly
- 2) Social-emotional learning
- « Provide each teacher with district adopted and research validated curriculum
- « Grade span meetings to review topics and integration

- « Teachers will continue to offer students with access to district adopted SEL curriculum and lessons to promote emotional growth, emotional regulation, good decision making, interpersonal skills and academic growth
- « During site level professional development meetings, all teachers and site administrators have been conducting a book study review on utilizing effective SEL classroom strategies using a book title, "ExSELent Teaching."
- 3) PBIS: (Team meeting monthly)
- «Designate two PBIS Leads to coordinate initiative
- « Frequent related trainings and professional development for all staff members
- «Students will be taught the three school rules and expectations of behavior in each area of the campus (passport day)
- «School Rules/Expectations will be posted in the classroom and throughout the campus
- «Golden Tickets provided to acknowledge positive student behaviors
- «Students will be able to purchase items from the recently established PBIS Student Store.
- «Trimester Recognition includes award, pin, and invitation to the school-wide trimester event.
- « Other Incentives/recognitions may be offered by the Teacher & PBIS Support Team for Attendance Goals
- « Survey of students, staff and families to gather data on school climate and safety
- « Staff training, resources and materials to support understanding of PBIS
- «Monthly Team meetings to progress monitor and adjust implementation of PBIS
- «Golden West will continue its partnership with Stanislaus County Office of Education to receive coaching, consultation and technical advise with regards to PBIS implementation with success.

Attendance campaign by recognizing home classrooms with the highest attendance and recognizing students with improved and excellent attendance.

SMART Goal

| Metric/Indicator | Baseline | Expected Outcome |
|---|-------------|-----------------------------|
| 53 students (unduplicated) have been suspended as of 5/1/2023 | 53 (9.6%) | Decrease by 5% by 5/1/2024. |
| Chronic Absenteeism Rate | 181 (32.8%) | Decrease by 5% by 5/1/2024. |

Resources to Support

| Action | Resources | Money/Budget |
|---|----------------------------|--------------|
| Continue PBIS Leadership Team and provide substitute and/or time-sheeting to allow team to regularly meet and collaborate, review, input and analyze data and to plan student/family engagement activities, recognitions/assemblies, etc Provide time sheeting for additional classified/certificated staff to assist in inputting data, planning and implementing activities/events for students/families. | Title I Part A: Allocation | 1,000 |

| Continue Golden West School's partnership with the Stanislaus County Office of Education, the Golden West PBIS Leadership Team will continue to receive technical supports and professional development by PBIS experts from Stanislaus COE staff. | | |

Data

Climate

Data Analysis

While Golden West once had a robust PTA and parent support, during recent school years we struggled to engage parents to get their input regarding student needs, to participate in school events, or to respond to communication. We recognize that COVID-19 brought many challenges to our community and our students, we are fully committed to reengaging families in a partnership with Golden West.

While we increased communication at Golden West through NTI message, emails, parent newsletters, and an updated website, we received limited responses on a parent communication surveys. The LCAP Stakeholder survey indicates parents prefer email, text, and calls home as their primary methods of communication. Average attendance at School Site Council (SSC) meetings was 3 parents with only 2 parents attending ELAC meetings. One parent volunteered to

2023-2024 Strategic Plan Page 46 of 69 Golden West Elementary

make personal calls to families to increase attendance and understanding of the purpose of the meetings and as a result. After brainstorming with parents during this meeting, we determined that Golden West will take the following actions to increase parent engagement during the 2023-2024 school year:

- * Recently created Parent Outreach Position to create strong relationships between parents, students, and teachers by being a liaison in removing barriers to educational success.
- * Provide 4-8th grade students with planners; TK-3 with Home-school folders
- * Provide more access to community resources
- * Continue parent newsletter, FB and website posts, mail home. Increase phone calls as a means of communication.
- * Provide necessary training, subs, time-sheeting, materials and resources

Student Need 2:

To increase parent involvement and engagement by 20% as measured by parent attendance at events, and parent satisfaction via survey data.

Implementation Plan

After brainstorming with parents/caregivers and collecting stakeholder input for the Strategic Plan, we determined that Golden West will take the following actions to increase parent engagement during the 2023-2024 school year:

The LCAP Stakeholder survey indicates parents/caregivers prefer email, text, and calls home as their primary methods of communication. Average attendance at School Site Council (SSC) meetings was 3 parents with only 2 parents attending ELAC meetings. One parent volunteered to make personal calls to families to increase attendance and understanding of the purpose of the meetings and as a result, 12 parents attended the April Title I Program Evaluation Meeting. After brainstorming with parents during this meeting, we determined that Golden West will take the following actions to increase parent engagement during the 2023-2024 school year:

- * Created Parent Outreach Position to create strong relationships between parents, students, and teachers by being a liaison in removing barriers to educational success.
- * Provide 4-8th grade students with planners; TK-3 with Home-school folders
- *Provide Family Nights
- * Provide more access to community resources
- * Continue parent newsletter, FB and website posts, mail home. Increase phone calls as a means of communication.
- * Provide necessary training, subs, time-sheeting, materials and resources
- * Purchase a marquee and improve playground fencing

SMART Goal

As indicated below...

| Metric/Indicator | Baseline | Expected Outcome |
|---|--|--|
| GW Parent/Caregiver Engagement/Partnership. | Qualitative Feedback listed above: To increase parent/caregiver engagement at Golden West we will provide a variety of activities and frequent opportunities to fully engage parents/caregivers. We will work with parents to sustain parent engagement by addressing the common challenges to getting and keeping parents/caregivers engaged. | Increase of 20% in parent/caregivers involvement in Goals Setting conferences and school-based activities. |

Resources to Support

| A akin in | Resources to Support | Menan/Dudant |
|---|----------------------------|--------------|
| Action | Resources | Money/Budget |
| The Site Outreach Assistant to provide coordinated and supports to targeted students and families. The Site Outreach Assistant will be an active member of the school's Coordinated Services Team (COST) so the team can provide supports to the students and families of students with identified attendance, behavioral and/or academic challenges. | Title I Part A: Allocation | 18,000 |
| The Outreach Assistant will also support relevent parent/caretaker and student events intended to promote school connectedness and improve the culture of the school (e.g. Parent Partners Workshops). The Site Outreach Assistant will connect identified students and families (e.g. homeless, foster and students facing other barriers to learning) with appropriate district and community resources to address challenges to attending school and learning. | | |
| Furthermore, the Site Outreach Assistant will make calls, assist in preparing and distributing materials, planning and attending activities/events, supervising, etc. to promote positive behavior and school connectedness and engagement opportunities among students, staff, and families. Utilize community resources to provide services/support (fees, etc.). [30 hrs. per week] | | |
| Conferences, Workshops, Professional Development & Training fees, program materials, travel costs, hotels and such for faculty, staff, students and families, as well as professional consulting services and operating expenditures. (MTSS, PBIS, SEL and PLC). | Title I Part A: Allocation | 2,000 |

Progress Monitoring

| Data | | |
| Climate | | |
| Data Analysis | | |

Student Need 3:

Access to a safe, clean, welcoming school environment as well as a sense of overall connectedness to attending school whether in a distance learning model or traditional classroom setting.

Implementation Plan

The faculty and staff will be provided basic supplies and training to provide a clean, safe and welcoming school learning environment . The school facilities will be given a regular fit inspection and safety audits will be conducted. The custodians will monitor the campus daily for safety hazards. Custodians will implement a regular cleaning and sanitizing schedule. The head custodian and administrator will meet at a minimum once per trimester or as needed to review the custodial inventory, to discuss safety and facility care, to review any changes in protocols or procedures, to discuss work repairs and safety concern that present themselves. School site assistants will meet at a minimum one time per trimester with administration or as needed to review policies, procedures/protocols, student behavior and safety concerns that present themselves. SSA's will assist with picking up trash and debris and with sanitation pending contract./MOU.

A school team will meet to discuss safety needs each trimester.

Surveys will be completed one time per trimester at a minimum.

The school team will communicate with stakeholders.

Students will be provided structured activities during recess/lunch and before/afterschool which may include physical activities outside, game room settings for example.

The school team will provide input to the Comprehensive Safety Plan to promote a healthy and safe school climate.

Additionally, faculty, staff and/or parent/guardian team members will monitor social-emotional needs of students from effects of distance learning and/or return to school during Covid-19 Pandemic.

SMART Goal

Resources to Support

| Action | Resources | Money/Budget |
|---|-----------|--------------|
| Custodial Team will have access/be provided materials and supplies to provide routine cleaning and maintenance of school facility which includes stocking necessary items in the restrooms, classrooms, multipurpose room, etc. including additional time-sheeting custodial hours. | | 25,950 |
| Administration and Office Team and Support staff will have access to office supplies and materials, equipment, first aid supplies, visitor/tardy passes, printer toner/ink, food, beverages, paper products, for school activities, events, meetings, trainings, etc. | | 8,400 |
| Administration will have access to copy machine/Riso or similar machine (fees, paper, maintenance, etc.) including access to district Print shop or other service provider to provide/make copies, posters, newsletters (including fees for webbased), etc. for families, students and staff. | | 3,500 |
| Supplies for 8th grade promotion celebration. | | 1,000 |
| Certificated/Classified Staff and/or parent/guardian team members will be time-sheeted or a substitute provided to facilitate supervision, activities and/or events to promote a safe and engaging environment before/during and afterschool including recess/lunch breaks Additionally, materials, resources and supplies will be purchased for the activities and events. | | 1,000 |
| Purchase furniture (chairs, desks, tables, etc.) for additional classrooms as needed. | | 3,000 |
| Administration and office team will have access to computers and computer supplies as needed | | 500 |

Data

District Goal

Every student is supported within a multi-tiered system to realize their individual success.

Site Strategic Goal

All students will be supported to meet/exceed grade level standards in English Language Arts and Math through targeted intervention supports including but not limited to Socio Economically Disadvantaged (SED), English Learners (EL), Foster, and Students with Disabilities (special education) sub-groups.

The Golden West African American, Filipino, Homeless, Students with Disabilities and Students with Two or More Races groups was recently identified as eligible for Additional Targeted Support and Improvement (ATSI) for the 2023-24 school years under Chronic Absenteeism and Suspensions. Golden West staff will target this subgroup by providing additional systemic and equitable supports.

Student Need 1:

To decrease the discrepancy between sub-groups and all students in ELA and Math and to increase the overall proficiency of English Learners on English Language Proficiency Assessment for California (ELPAC) by ensuring access to designated ELD, standards aligned base curriculum, standards based and approved supplementary curriculum, intervention, resources & materials including technology, professional development, workshops/conferences, training and collaborative opportunities for teachers, students, and families.

To support Golden West teachers in implementing effective instructional strategies for ELs in inclusive classrooms, including newcomer ELs and long-term English learners (LTELs):

In alignment with the district, all Golden West teachers will recieve professional development on Guided Language Acquisition and Design (GLAD)

The guiding principles of GLAD:

All students have valuable assets that foster life-long success
Diversity and respect is cultivated and celebrated
Research and data drive our practice
Development of language proficiency with language learner students is a core value

We will continue to...

• Teach English language skills and academic content simultaneously. Instruction is most effective when students learn academic content and English language skills simultaneously, rather than attempting to develop English language proficiency before encountering rigorous academic content. For example, teachers should explicitly teach key academic vocabulary as part of all or nearly all lessons in each content area.

for 6-8:

- Ensure that the classroom environment is welcoming and culturally responsive to ELs. Teachers should examine their curriculum instruction using a multicultural lens to identify opportunities to implement culturally responsive instructional strategies.
- Use collaborative learning strategies and heterogeneous grouping to support language development. Collaborative learning opportunities provide ELs with opportunities to practice oral language skills in both English and their home language. Teachers can use collaborative activities such as reading groups and reading or writing partners to embed multilingual learning into instruction.

Instructional practices for K-5:

- 1. Provide explicit instruction in literacy components
- 2. Develop academic language during content area instruction
- 3. Provide visual and verbal supports to make core content comprehensible
- 4. Encourage peer-assisted learning opportunities
- 5. Capitalize on students' home language, knowledge, and cultural assets.
- 6. Screen for language and literacy challenges and monitor progress
- 7. Provide small-group support in literacy and ELD for English Learners who need additional support. (Tier II GOLDen Time)

Instructional practices for 6-8:

- 1. Support comprehension and writing related to core content.
- 2. Use collaborative peer group learning communities to support and extent teacher-led instruction.
- 3. Capitalize on students' home language, knowledge, and cultural assets.
- 4. Provide ELs access to grade-level course content.
- 5. Provide a designated ELD class for students as needed based on current relevant assessment results.

SMART Goal

The percentage of EL students in the low average and low achievement quintiles will decrease by 5% for NWEA/MAP Spring Reading and Math asssessments. Reclassification rate will be increase by 2%.

Data

Student Need 2:

The Golden West Students with Disabilities group was recently identified as eligible for Additional Targeted Support and Improvement (ATSI) for the 2023-24 school years under academic performance for English Language Arts and Math. Golden West staff will target this subgroup by providing additional systemic and equitable supports.

Implementation Plan

Provide all students with disabilities with access to base district aligned curriculum and S.P.I.R.E. (structured literacy intended for students need more restrictive specialized academic instruction) and increased mainstreaming opportunities that is mutually beneficial to disabled and non-disabled students.

To support Students with Special Needs, Golden West plans to take the following action steps:

- 1. Develop a positive and sustainable relationship with students and parents/caregivers
- 2. Develop individualized goals, plans and supports to promote grade level access to essential standards.
- 3. Provide individually determined educationally related services and supports to promote the learning of each exceptional learner.

Implement Tier 1 and Tier II inclusive and differentiated instruction and equitable supports-Teachers will work collaboratively ina PLC to focus.

MAP data to drive instruction and PLC work amongst SPED and Gen Ed teachers.

Monthly learning walks-admin team to provide feedback to staff on trends across campus, grade levels.

Work with relevent district support staff and administrators to promote the academic, behavioral, functional and socioemotional success of those students in the school's Special Day Classes (including the three Autism classes).

Provide all students with disabilities with access to base district aligned curriculum and S.P.I.R.E. (structured literacy intended for students need more restrictive specialized academic instruction) and increased mainstreaming opportunities that is mutually beneficial to disabled and non-disabled students.

SMART Goal

The percentage of SWD students in the low average and low achievement quintiles will decrease by 5% for NWEA/MAP Spring Reading and Math asssessments.

| Metric/Indicator | Baseline | Expected Outcome |
|---|---|--|
| NWEA MAP Reading for SPED subgroups from Spring 2023 to Spring 2024 | SPED: 89% low average and low achievement quintiles | The percentage of SWD students in the low average and low achievement quintiles will decrease by 5%. |
| NWEA MAP Reading for SPED subgroups from Spring 2023 to Spring 2024 | SPED: 85% low average and low achievement quintiles | The percentage of SWD students in the low average and low achievement quintiles will decrease by 5%. |

Targeted Resources Applied

| Action | Resources | Money/Budget |
|---|----------------------------|--------------|
| Teacher, Substitute Teacher, Paraprofessional, Support Staff and/or Parent/Guardian Team Member along with use of substitute and/or time-sheeting opportunity to provide targeted support, intervention and/or instruction before/after and during the day, collaboration time, release time, and attendance at professional development, workshops/training, and conferences to support Students with Disabilities students. | Title I Part A: Allocation | 2,500 |
| Supplementary Curriculum, Materials, Resources and Programs. Additionally, provide trainings or workshops and allow | Title I Part A: Allocation | 1,000 |

| attendance/facilitation for/by teachers, families & students to facilitate learning/understanding and increase student learning and partnership/engagement between home and school for our Students with Disabilities subgroups. | | |
|--|----------------------------|-------|
| Teachers will have access to substitute teachers to conduct and attend IEP meetings to meet parent schedules. | Other | |
| Conferences, Workshops, Professional Development & Training fees, program materials, travel costs, hotels and such for faculty, staff, students and families, as well as professional consulting services and operating expenditures. (MTSS, PBIS, SEL and PLC). | Title I Part A: Allocation | 2,500 |

Data

Student Need 3:

Promote the attendance of ELs and Socio-Economically Disadvantaged (SED) student groups and increase the partnership between Golden West and the families of ELs and SED families.

Implementation Plan

Thirty-nine out of 170 EL students (22.9%) and 37 out of 372 SED students (9.9%) were catergorized with chronic absenteeism during the 2022/23 school year.

The Golden West Outreach Assistant will provide targeted supports and engagement with the students and families of EL and SED students who struggle with chronic absenteeism.

Site Outreach Assistant to provide supports for targeted families to promote EL and SED students' attendance.

Designated certificated and classified staff will facilitate "Parenting Partners" workshops to targeted homes intended to build and strengthen parenting skills and promote students' success.

The Golden West African American, Filipino, Homeless, Students with Disabilities and Students with Two or More Races groups was recently identified as eligible for Additional Targeted Support and Improvement (ATSI) for the 2023-24 school years under Chronic Absenteeism and Suspensions. Golden West staff will target this subgroup by providing additional systemic and equitable supports.

SMART Goal

By May 1, 2024, reduce the percentages of Golden West students Chronic Absenteeism rate from 32.8% (May 2023) to 27% (by May 2024).

| Metric/Indicator | Baseline | Expected Outcome |
|---|---|--|
| Chronic abesentism rate for ELs | Thirty-nine out of 170 EL students (22.9%). | By May 1, 2024 reduced the percentage of ELs who are classified as chronic absenteeism from 22.9% to 17%. |
| Chronic abesentism rate for SED students. | Thirty-seven out of 372 SED students (9.9%) were catergorized with chronic absenteeism during the 2022/23 school year. | By May 1, 2024 reduced the percentage of SED students who are classified as chronic absenteeism from 9.9% to 8%. |
| Transitional Student Success Program to provide designated and supplemental academic and other supports for students/families classified as homeless. | Provide targeted supports for the 27 homeless students enrolled at Golden West during May 1, 2023. As of May 8th, 2023, ten homeless students were classifies with chronic absenteeism. | Reduce chronic absenteeism for homeless students from 37% (as of May 2023) to 33% (May of 2024). |
| Chronic abesentism rate for African American students. | Provide targeted supports for the 16 AA students enrolled at Golden West during May 1, 2023. As of May 8th, 2023, 7 AA students were classifies with chronic absenteeism. | Reduce chronic absenteeism for AA students from 43.8% (as of May 2023) to 39% (May of 2024). |
| Chronic abesentism rate for Filipino students. | Provide targeted supports for the 17 Filipino students enrolled at Golden West during May 1, 2023. As of May 8th, 2023, 7 Filipino students were classifies with chronic absenteeism. | Reduce chronic absenteeism for homeless students from 41% (as of May 2023) to 38% (May of 2024) |
| Chronic abesentism rate for Students with Disabilities | Provide targeted supports for the 79 Students with Disabilities students enrolled at Golden West during May 1, 2023. As of May 8th, 2023, 45 SWD students were classifies with chronic absenteeism. | Reduce chronic absenteeism for SWD from 60% (as of May 2023) to 55% (May of 2024) |

| Chronic abesentism rate for students with Two or More Races | Provide targeted supports for the 27 students with Two or More Races enrolled at Golden West during May 1, 2023. As of May 8th, 2023, 10 students with Two or More Races were classifies with chronic absenteeism. | Reduce chronic absenteeism for students with Two or More Races from 37% (as of May 2023) to 34% (May of 2024) |
|---|--|--|
| Suspension rates for African American, Filipino, Homeless, SWD and students with Two or more races. | Provide targeted supportf for African American (16), Filipino (17), Homeless (27), Students with Disabilities (79) and Students with Two or More Races groups (27) were recently identified as eligible for Additional Targeted Support and Improvement (ATSI) for the 2023-24 school years under Suspensions. | AA: 13 suspensions*, Filipino 1 suspension*:, Homeless: 9 suspensions*, SWD: 27 suspensions* Two or More Races: 12 suspension* *duplicated figures Decrease number of duplicated suspensions for the above targeted groups by 5%. |

Targeted Resources Applied

| Action | Resources | Money/Budget |
|---|----------------------------|----------------|
| Action | Resources | Wioney/ Budget |
| Site Outreach Assistant to provide coordinated and supports to targeted students and families. The Site Outreach Assistant will be an active member of the school's Coordinated Services Team (COST) so the team can provide supports to the students and families of students with identified attendance, behavioral and/or academic challenges. | Title I Part A: Allocation | 18,000 |
| The Outreach Assistant will also support relevent parent/caretaker and student events intended to promote school connectedness and improve the culture of the school (e.g. Parent Partners Workshops). The Site Outreach Assistant will connect identified students and families (e.g. homeless, foster and students facing other barriers to learning) with appropriate district and community resources to address challenges to attending school and learning. | | |
| Furthermore, the Site Outreach Assistant will make calls, assist in preparing and distributing materials, planning and attending | | |

| activities/events, supervising, etc. to promote positive behavior and school connectedness and engagement opportunities among students, staff, and families. Utilize community resources to provide services/support (fees, etc.). [30 hrs. per week] | | |
|---|--------------------|-------|
| Timesheeting for designated certificated and classified staff to facilitate and prepare for Parenting Partners" workshops to targeted homes intended to build and strengthen parenting skills and promote students' success. | LCFF- Supplemental | 1,500 |
| Supplies and materials for Parenting Partners' Workshops | LCFF- Supplemental | 500 |
| Transitional Student Success Program to timesheet designated certificated and classified staff to provide designated academic and other supports for students/families classified as homeless. | LCFF- Supplemental | 500 |

Stakeholder Input

Date

During the 2022-2023 school year, classified and certificated employees, students, and families (including the English Language Advisory Committee and School Site Council) provided input through Local Control Accountability Planning (LCAP) meetings and surveys conducted throughout the year. During the input meetings, stakeholders reviewed the current District LCAP and site Strategic Plan goals, actions, services, and metrics and data. Stakeholders reviewed the following data: NWEA/MAP Reading and Math data, CAASPP date, student discipline data, attendance data, and perception data.

Stakeholder meetings occurred on the following dates:

Outcome

Golden West students tend to experience growth in Reading and Math, however, to many students are not meeting or exceeding grade level standards in English Language Arts and Math -particularly for emerging English Learners (EL), Students with Disabilities (SWD) and Socio-Economically Disadvantaged (SED) students. Furthermore, Golden West needs to effectively respond to the increased student behavioral and social-emotional challenges impacting student learning and a decrease in parental/caregiver school engagement. Golden West is committed to taking a proactive and systemic approach to addressing all barriers to learning.

Need: Grade Level Standards & Emerging Students

Golden West has identified the need to provide more targeted, inclusive, differentiated instruction and interventions. Each teacher has identified essential grade level standards and is utilizing effective and frequent formative assessments to drive instruction and provide targeted interventions. Each grade level has designated English Language Development (ELD), intervention ("GOLDen Time" (Get Our Learning Done) time, and socio-emotional learning times imbedded in daily schedules, to promote equitable academic, socio-emotional and behavioral development.

Educational community partners' input identified a strong need for tutoring after school; additional academic, behavioral and socio-emotional supports during the school day; more resources to provide small group intervention to meet student learning needs, with a focus on foundational prerequisite skills on grade-level instruction, and an increase in parental/caregiver involvement.

Our students' Spring NWEA/MAP Reading data indicate our student mean RIT score is 16 points below the MUSD mean RIT for reading.

Our student's Spring NWEA/MAP Math data indicate our students mean RIT score is 14 points below the MUSD mean RIT.

Professional Learning Communities (PLCs) -an essential part of Golden West's comprehensive systemic approach in which teachers are allocated time and resources to work interdependently to achieve common learning goals with a focus on improving students' results. PLC time will allow teachers to engage in collective inquiry to effectively identify student learning needs and to develop individualized learning plans to meet those needs.

Need: Safety: Promoting positive Behavior & Social-Emotional Needs

Educational partners' input indicates a strong need for strengthening and implement with fidelity, Golden West's Positive Behavioral Interventions and Supports (PBIS) system to promote desirable behavioral and academic outcomes utilizing a tiered framework and evidence-based strategies. Golden West's educational partners also shared the need to promote and address students' social-emotional needs, promoting student engagement opportunities; and provide explicit instruction for students to learn how to better manage emotions, have empathy, and learn how to solve-problems. Students need modeling and instruction to gain these skills. Via the PBIS framework, multiple stakeholders suggested the need to reengage students with acknowledgement and incentives for positive behavior to promote academic success and student connections to school and peers.

Furthermore, student Discipline data indicates a need to address student to student conflicts and an increase amount of student defiance and disruption in the classroom and during and during student lunches and recesses.

For students with increased social-emotional and/or mental health needs, we will continue to provide school-based counseling services (individual and groups) via Valley Community Counseling assigned therapists who have designated counseling offices on Golden West's campus.

To continue to promote school connectedness and improve school culture, the school will continue to strengthen school sponsored enrichment activities during and afterschool (e.g. sports, student talent shows, music and band, drama, Living History.)

Need: Parent/Caregiver Engagement to Support Emerging Students

Parents'/Caregivers' and stakeholders' feedback indicates a need for increased parental/caregiver outreach, particularly in Spanish where they can ask questions, provide comments and concerns, and suggest improvements to school leadership with rapid response times. Currently parents'/caregivers' engagement at Golden West is minimal, with no more than 3-4 parents/caregiver attending virtual and in-person meetings advisory meetings. While Golden West recently developed much needed communication systems (monthly parent newsletters in English and Spanish, updated website, regular Facebook postings), our stakeholder feedback indicates this is an area of high need. We see this as an opportunity to reimage parental/caregiver engagement and build lasting connections between home and school.

With 67% of our students identified as Socio-Economically Disadvantaged (SED), we know that parental/caregiver engagement is critical for improving student outcomes, particularly with historically marginalized student groups. While parental/caregiver involvement includes activities structured by the school, parental/caregiver engagement, where parents/caregivers have a more active voice in how they take part in what goes on is schools, is critical for developing authentic home-school partnerships. Currently, Golden West Elementary needs to develop a consistent two-way communication system between the school and its families. Standard methods currently include website information, text messages, written notes, e-mails, phone calls, printed materials, and virtual meetings.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 4 Classroom Teachers
- 2 Other School Staff
- 4 Parent or Community Members

Name of Members Role

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Niel Hush

Committee or Advisory Group Name

hib Hotel

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 9, 2023.

Attested:

Principal, Tony Shah, Ed.D. on 5/9/2023

SSC Chairperson, Nicole Haskell on 5/9/2023
