### Equal Employment Opportunity

All personnel policies and practices of the Board of Education will be in accord with equal employment opportunity practices as determined by state and federal legislation. Equal employment opportunity means that equal employment possibilities are available to all protected groups and that no individual will be discriminated against because of race, gender, color, religion, national origin, age, sex, sexual orientation or disability.

The district's staffing plan should be designed to encourage that the school to continuously move toward a diverse staff.
