

## **Business and Non-Instructional Operations**

### **Operation and Maintenance of Plant**

An effective educational program requires a clean, safe, businesslike and attractive physical plant. In order to carry out an efficient maintenance program, the custodians must receive the cooperation of the students, the teachers and administrators.

Each custodian shall have a daily work schedule in order to accomplish his/her part of the overall task. S/he shall be given directions on how to perform the various duties assigned to him/her. The supervisor of buildings and grounds shall supervise and ensure that all custodians are doing their share of the work to the best of their ability.
