### **Relations with Non-Custodial Parents**

The Board of Education, unless informed otherwise, assumes that there are no restrictions regarding the non-custodial parent's right to be kept informed of the student's school progress and activities. If restrictions are made relative to these rights, the custodial parent will be required to submit a certified copy of the court order, to the Superintendent, which curtails these specific rights.

Unless there are specific court-imposed restrictions, such as a final divorce decree which includes specific denial of visitation rights or a restraining order denying such rights, the non-custodial parent, upon written request may view the student's educational, medical or similar records maintained in such student's cumulative record, receive school progress reports, visit the child briefly at school and have an opportunity to conference with the student's teacher(s).

The Board of Education presumes that the person who enrolls a student in school is the student's custodial parent. Further, the parent with whom the student resides is known as the custodial parent unless a legal document or signed parental agreement indicates otherwise. Verification may be required from the custodial parent.

While both parents/guardians can visit the student at school, only the custodial parent has the right to remove the student from school property. Only a verified note from the custodial parent will be cause for exception to this provision. If school personnel anticipate a possible student abduction, law enforcement personnel are to be notified immediately.

The custodial parent has the responsibility to keep the school office informed as to the address of residence, in a manner determined by the school, and how he/she may be contacted at all times. Any legal documents which restrict the rights of the non-custodial parent must be provided by the custodial parent.

### Safety: Student Dismissal Precautions

The school district is legally responsible for the safety of its students during the school day. Therefore, the Principal will establish procedures to validate requests for early dismissal, to assure that students are released only for proper reasons, and only to authorized person(s).

Staff members shall not excuse any student from school prior to the end of the school day, or into any person's custody without the direct prior approval and knowledge of the Principal, or his or her designee.

In keeping with these precautions, the following procedures will be adhered to:

- The building Principal or designee shall not excuse a student before the end of the school day without a request for early dismissal by the student's parent or guardian.
- Telephone requests for early dismissal of a student shall be honored only if the caller can be positively identified as the student's parent or guardian.
- Children of single-parent families will be released only upon the request to the custodial parent; i.e., the parent whom the court holds directly responsible for the child, and who is identified as such on the school record.

Additional precautions may be taken by the school administration, appropriate to the age of students, and as needs arise. Parents shall provide documentation concerning parental rights, including divorce decrees and restraining orders if any.

### Safety: Skateboard/Rollerblade/Scooter Use

Due to the inherent dangers both to participant and non-participant, combined with the potential liability assumption, the use of skateboards/rollerblades/scooters on district grounds is not allowed.

Students will be informed they are not allowed to bring their skateboards/rollerblades/scooters to school. Skateboards/rollerblades/scooters will be confiscated by school authorities and placed in the Principal's office for parents/guardians to retrieve.
