Ms Dempsey	Niddhi	relationships	Niddhi consistently demonstrates kindness to all her classmates. She constantly thinks of others before herself. You are a wonderful friend to everyone Niddhi and we are so glad you are in our school. Thank you.
3U	Aron	Resourceful and reflective	This week has been a great week for Aron, I have had other members of staff tell me about how he has been focused on his learning in their class and I have also noticed that he is doing his best in every lesson whether P.E, spellings or maths!
	Mishika, Eleni and Aishi	Resourceful	All three of these girls have created quizzes in their own time to help the rest of the class with their maths skills. They have thought about the skills we have worked on in lessons and are helping the class to consolidate their skills in multiplying and dividing by ten, problem solving and reasoning. Well done girls, I look forward to the next one.
5F	Yasmin	Reflective (being a curious learner)	This merit is for asking lots of sensible, thoughtful questions during our first RHSE lesson. Asking questions shows that you're engaged and curious, and often is the best way to learn! Well done Yasmin 😊
	Nikita	Resourceful and Eco Aware	Merit from Mrs Cooper for the wonderful poem Nikita wrote to draw our attention to the problem of litter and rubbish. Well done for being so creative and at the same time conveying an important message about the environment. This is fantastic and you are an inspirational role model!
