School Mission Statement

Our mission is to nurture and accelerate students' social, emotional, and academic growth. Through a variety of strategies we promote critical thinking, and engage students in ownership of their learning.

Our School Goals

Our school goals align with the district strategic plan:

Goal 2- Whole Child: Thriving, Confident, Responsible Individuals

Pride Points

- School-wide PBIS System to support routines, safety and promote positive behaviors
- Our continued effort to systematize our multiple systems of supports for our scholars

Area of Focus

- Increasing our attendance rate and eliminating disproportionality in our discipline—to ensure every scholar is attending school regularly and learning every day

Goal 1- The Early Years: Building the Foundation

Pride Points

- All K-2 scholars in the primary grades have access to phonics instruction in order to support foundational reading skills
- Use of co-teaching and push-in models to support and differentiate the needs through high quality core instruction

Area of Focus

High quality instruction through lesson design to include formative assessment and feedback to accelerate our Scholars of Color & our ELL scholars' success.

Community Involvement

Brigadoon staff and families are proud of our history of volunteers who have worked collaboratively to support our scholars' academic, social and emotional learning in academic core subjects. We look forward to a time, post covid when we will welcome WSP cleared volunteers back. Community Partnerships with area businesses helps support the needs of our scholars. Parent feedback is a pillar of various Brigadoon building committees.
