Training should include instructions on the proper handling of information containing social security numbers from the time of collection through the time of destruction of the information.
2. Only employees who are required by their job responsibilities to use or handle information or documents that contain employee social security numbers shall have access to such information or documents.
3. Social security numbers requested from an individual shall be provided in a manner that makes the social security number easily redacted if the record is required to be released as part of a public records request.
4. When collecting a social security number or upon request by an individual, a statement of the purpose(s) for which the District is collecting and using the social security number shall be provided.
