

Student Transportation Between Home and School

Section A - Introduction

It is the policy of the Board of Education that tax monies shall not be expended for student transportation between the students' homes and the school except for:

1. The transportation of students requiring special transportation in accordance with their IEP as required by Illinois regulation (23 Ill. Admin. Code § 226.750(b));
2. Students qualifying for the student financial assistance program in accordance with Board Policy 8230; and
3. Subsidies for bus passes approved by the Board of Education.

Section B - Authorized Transportation Providers

The Board of Education shall designate the authorized bus company or companies that shall be permitted to transport students between students' homes and the school.

Section C - Student Conduct

Rules and regulations concerning student conduct on buses shall be instituted and enforced by the authorized bus company or companies and shall be consistent with Board of Education policies dealing with student conduct on school premises. Failure of the authorized transportation providers to enforce such disciplinary standards may result in the provider's loss of its authorization to access school premises. The assistant principal / dean of students is authorized to cooperate with officials of the authorized transportation providers in matters of serious student misconduct.
