

BOARD POLICY: TB EXAMINATIONS FOR EMPLOYEES

5:41

Section A - New Employees

All employees new to the district shall provide the Human Resources Office with evidence from a licensed physician indicating that they are free of tuberculosis. All registered substitute teachers in the district must also have evidence of a physical examination and negative TB test on file in the district. All support staff can include the test as part of their initial physical examination paid for by the district. New teachers receive a \$50 reimbursement from the district for the cost of their physical exam.
