Administrative Procedure - Securing and Screening Volunteers

The building principal or designee directs the use of volunteers within his or her building. Specifically, the principal or designee directs volunteer recruitment, screening, placement, and training with the following parameters:

1. Qualifications - Volunteers may come from all backgrounds and all age groups. The main qualification for a volunteer is that he or she has a desire to give his or her time and talent in order to enrich student learning opportunities and the school community generally.
2. Persons not Allowed to Serve as Volunteers - No person who is a “child sex offender,” as defined by the Child Sex Offender and Murderer Community Notification Law, may serve as a volunteer. Every time a new list of child sex offenders is received under the Child Sex Offender and Murderer Community Notification Law, the building principal or designee shall review it for any person’s name who as submitted a volunteer information form during that school year (6:250-E). Whenever someone submits a new volunteer information form, the building principal or designee shall review the child sex offender list. The building principal may request a volunteer submit to a criminal background investigation if the individual will be working over a long period of time in direct contact with students where no staff member is continuously present or in other situations where a check would be prudent.
3. Role - Volunteers serve only in auxiliary capacity under the direction and supervision of a staff member; they are not a substitute for a member of the school staff. Volunteers do not have access to confidential student school records.
4. Selection, Placement and Supervision - Volunteer selection and placement shall be on the basis of the volunteer’s qualifications and availability and the school’s needs. A volunteer will be assigned to a staff member only with the staff member’s consent. The relationship between a volunteer and staff member should be one of mutual respect and confidence.

5. Screening - Screening volunteers is critical because of the vulnerability of the population the school district serves. Each volunteer must register in the school's main office at the beginning of each visit and wear a name tag while in the building. Unless he or she has already done so during the current academic year, the volunteer must complete an information form and waiver. Absent an indication on the form that the volunteer may not qualify; e.g., the volunteer is a convicted felon, the volunteer may proceed to the assigned activity.

A request to volunteer or to continue volunteering will be denied if the volunteer behaves in any manner that demonstrates he or she is not a good role model or is otherwise detrimental to the school environment. Examples of such behavior include: swearing, failing to be dependable, failing to follow the supervisor's instructions, committing any criminal act on school grounds or at a school activity, touching a student in a rude or overly forceful manner, failing to dress in an appropriate manner, or violating any school rule.

6. Training - Each academic year, when a person first completes the volunteer registration form, the principal or designee should give the person a copy of this administrative procedure along with other pertinent information. The staff member to whom the volunteer is assigned is responsible for explaining his or her expectations of the volunteer. The principal or designee should make appropriate training opportunities for those volunteer activities requiring a skill or knowledge base; e.g., working in the computer lab.
