

BOARD POLICY: HOMEWORK 6:290

Homework is an important part of the District's instructional program with the primary goal of increasing student learning. Homework assignments are intended to further a student's classroom experience and support learning. The Superintendent or designee shall provide guidance to help ensure that:

1. Homework is used to introduce, reinforce, or apply concepts, principles, and skills;
2. Homework is not assigned for disciplinary purposes;
3. The frequency, length, and rigor of homework are determined by the teacher's professional judgment in collaboration with the teacher's department supervisor.
4. The Superintendent or designee will work with teachers and administrators across the district to develop a set of principles for effective homework practices that are based on current research and best practices.
