## WELCOME BACK!

### MAKE READING A HABIT!

I'm so happy to send our first Bookworm Bulletin, keeping you in the Library Loop! Our Library Program team had its first weekly Zoom, and you can catch the Agenda and Notes [here](#).

A few highlights:

- Library Media Clerks are hard at work on site with distribution, processing, prepping for Zoom Storytimes, and planning for Social Media and Website programming.
- Special thanks to Enrique Pivaral for supporting our digital services efforts!
