Christie Walendzak
Special Needs Coordinator

By signing this form, I/we understand the following information:

High school students who have participated in interscholastic athletics, marching band, or cheerleading at Bowling Green High School for at least two full seasons may be excused from the traditional high school physical education requirement. Those students must complete one-half unit in another course of study, consisting of at least sixty hours of instruction, to meet the **graduation requirement of 22 total credits**. Each student has two years to complete the waiver. If the participation requirement is not met for any reason during the two seasons listed below, it is the responsibility of the student to inform his/her school counselor that PE should be added to his/her high school schedule during his/her junior or senior year. In order for the Physical Education requirement to be excused, **this form must be turned in to the Bowling Green High School Guidance Office prior to the start of your athletic/band season.**
