Every student succeeding

Kimbe International School Improvement Strategy 2022-2024

Our goals

- To optimise every student's achievement and learning growth across all curriculum areas and grade levels
- To build an expert teaching team
- To establish KIS as the premier learning organisation in WNB

Our guiding questions

1. How are students going in their learning?
2. How do we know?
3. What are we doing to improve students' learning
4. How do we know it is working?

Our principles

- **Focusing direction –** continually engaging with goals that impact
- **Clarity –** being explicit about precision in classroom practice
- **Collaboration –** the deliberate actions we take to work, learn, and improve together
- **Assessment –** the search for evidence of student learning to inform teaching

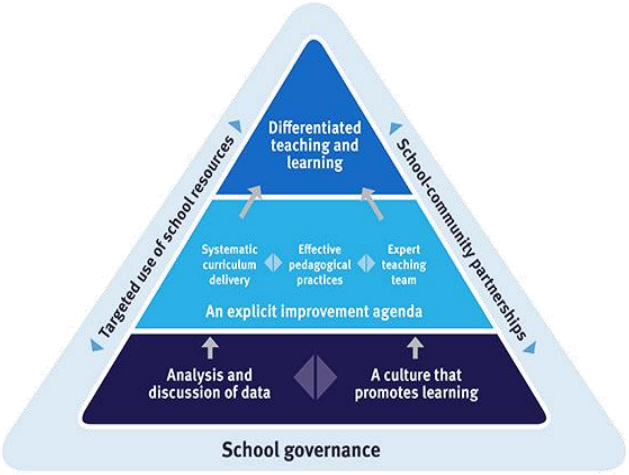

Our measures

1. Achievement
2. Transitions
3. Opinion and satisfaction
4. Engagement and wellbeing
