School Mission Statement

The Mirror Lake community works together to create a caring, supportive and growth-oriented environment where individuals are valued. We facilitate a life-long love of learning with recognition and respect for diversity of others and the world around us.

Our School Goals

Our school goals align with the district strategic plan:

Goal 2- Whole Child: Thriving, Confident, Responsible Individuals

Pride Points

- We are HAWK STARS at Mirror Lake and celebrate being safe, respectful, and responsible
- Implementation of scholar advisory committee; giving scholars a voice for meaningful school-wide change throughout the school year

Area of Focus

- Being safe, respectful, and responsible through school-wide PBIS systems

Goal 1- The Early Years: Building the Foundation

Pride Points

- 100% of our classrooms have visible learning targets and success criteria to help guide scholar learning
- Our school is focused on formative assessment and feedback to guide targeted instruction and differentiation for all scholars

Area of Focus

- We are focusing on increasing, by at least 10% each year, the percentage of students in 3rd grade meeting standard on reading as measured by SBA so that at least 80% are meeting by 2022

Community Involvement

Mirror Lake is privileged to have rich partnerships with area community members, parents, and businesses. We encourage volunteers to come and read to our students. We partner with St. Luke's Church to provide services for our families such as Holiday events, Lunch Buddies, Greeters, Read To Me program and providing food for the weekend. Kiwanis sponsors our Terrific Kids Assemblies. Local firefighters provide warm winter coats for students.
