

HAND SCORING AN INTERIM ASSESSMENT

Scores for Interim Assessments will not be generated if open-ended items are not scored by the teacher. These are scored by the teacher who administers the test.

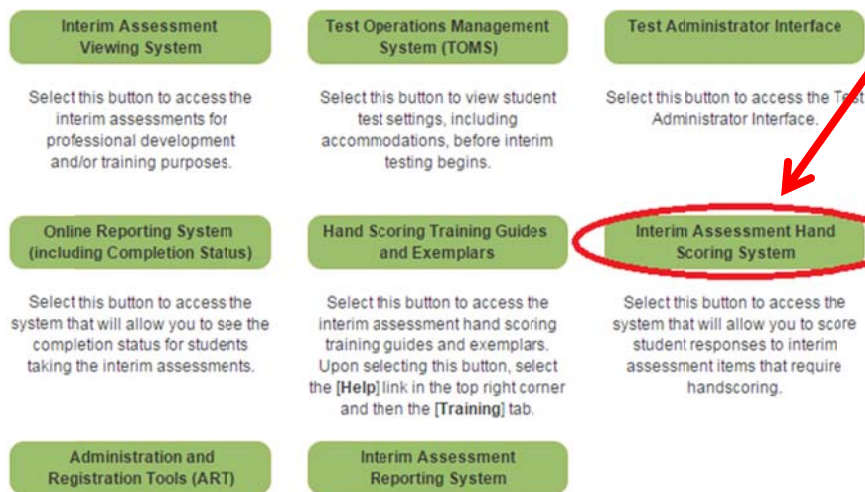

From our district site, navigate to the CAASPP log dashboard:

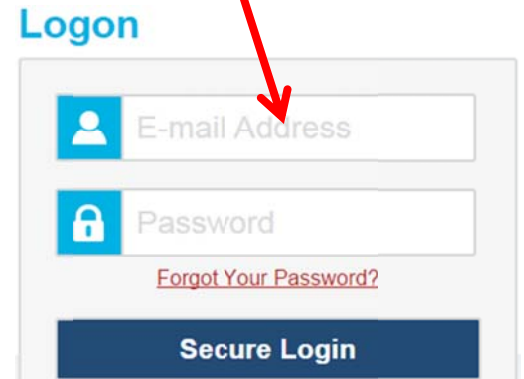

Navigate to the Smarter Balance Interim Assessments button:

From there, navigate to the “interim assessment hand scoring system” button:

Log in using your credentials, or click on the “forgot password” link if misplaced:

Logging in will take the user to a screen listing all students who have items to be scored. To score an item for a student, click on the “score” button in the right-most column:
