LEARNING ALLY AUDIOBOOK SOLUTION

A proven tool helping to turn students into happy and successful readers and learners.

Great news! Your child has been given **access** to Learning Ally's human-read audiobooks.

No worries—listening to human-read audiobooks is not cheating. Actually, they are proven to help kids reach their academic potential! Audiobooks take away the stress of reading and allow students to successfully access grade level materials. Using the Learning Ally Audiobook Solution cuts down on homework time, and increases engagement, confidence and academic success.

Follow the instructions to download the audiobook app so your child can work independently to access the books he or she needs *and* wants to read.

Guide to Getting Started

Installing Learning Ally Audiobooks

Are you installing Learning Ally Audiobooks in a school environment?

Using Learning Ally Audiobooks

THE LEARNING ALLY AUDIOBOOK APP

4 Use the navigation bar to play/pause, move between levels, rewind, fast forward, adjust audio speed and access other options.

5 Add bookmarks and notes using the Add Bookmark & Notes icon. Use the device's keyboard or microphone, to type or dictate your notes.

6 Use the in-app dictionary: Press and hold a word (mobile) or double click a word (computer). Highlight, take notes and review words on a vocab list.

7 Navigate through the table of contents, jump to a page, access saved notes, bookmarks and vocabulary and customize your reading experience.

8 Share individual or multiple bookmarks, notes, and vocab words through email or by downloading a text file.

9 To delete downloaded books select Manage My Books in the Profile Menu and then select  next to the book that you want to delete.

APLICACIÓN LEARNING ALLY AUDIOBOOK

Guía de inicio

Le damos la bienvenida a la aplicación de Learning Ally de libros en audio leídos por humanos. Siga estos sencillos pasos para dar inicio a su experiencia educativa.

Cómo instalar Learning Ally Audiobooks

Instale Learning Ally Audiobooks desde la tienda de aplicaciones de su dispositivo o LearningAlly.org/app.

¿Está instalando Learning Ally Audiobooks en un entorno escolar?

Vea nuestra [IT Guide](#) (Guía de tecnología informática) y [System Requirements](#) (Requisitos de sistema).

Cómo usar Learning Ally Audiobooks

1 Inicie sesión con su nombre de usuario y contraseña de Learning Ally. Si su cuenta está conectada a un proveedor de autenticación única (Single Sign On; SSO), seleccione Sign On Through Your School Or District (Iniciar sesión mediante su escuela o distrito).

2 En el estante aparecerán todos sus libros en audio. Aquí puede ver el progreso de la reproducción, descargar libros, ver formatos de los libros en audio y añadir libros nuevos.

3 Para acceder a su estante en línea, pulse Add Books (Añadir libros). Su navegador se abrirá para permitirle buscar y añadir libros nuevos. Para ver sus libros nuevos, regrese a la aplicación y seleccione Update My Books (Actualizar mis libros).

APLICACIÓN LEARNING ALLY AUDIOBOOK

4 Use la barra de navegación para reproducir/ pausar, moverse entre los niveles, retroceder, avanzar rápidamente, ajustar la velocidad del audio y acceder a otras opciones.

5 Añada marcadores y notas usando el icono Add Bookmark & Notes (Añadir marcador y notas). Use el teclado o micrófono del dispositivo para teclear o dictar sus notas.

6 Use el diccionario integrado en la aplicación: Presione una palabra (en un móvil) y manténgala presionada o haga doble clic sobre una palabra (en una computadora). Resalte, tome notas y revise las palabras en una lista de vocabulario.

7 Navegue por el índice, pase a una página, acceda a las notas, los marcadores y el vocabulario guardados y personalice su experiencia de lectura.

8 Comparta múltiples marcadores, notas y palabras de vocabulario por correo electrónico o descargando un archivo de texto.

9 Para eliminar libros que ya haya descargado, seleccione Manage My Books (Administrar mis libros) en el menú Profile (Perfil) y después seleccione la  ubicada junto al libro que desea eliminar.

Frequently Asked Questions

Specific questions about your personal account details?

Please call our Customer Care team at 800-221-4792. They can help you with your account and get you/your child reading as soon as possible.

Is there a way to review a listing of books my child has read?

Yes! You can go to your Family Bookshelf in your app to review the books that are on your child's bookshelf along with the pages read from each book.

Renewal: How do I renew my membership or update my profile?

Here's a video tutorial on how to renew: [View Video](#)

You can also call our Customer Care team at 800-221-4792 to help you renew.

IEP related Questions?

[View our Dyslexia resources](#) section of our website to find resources to help you navigate your child's educational journey.

To remove a book from your bookshelf:

1. Log in to your child's online account
2. Select My Bookshelf
3. Select Remove From My Bookshelf next to the books you want to remove

Select Remove From My Bookshelf next to the books you want to remove.

Can my child listen to audiobooks offline?

Yes! Just download any books from their bookshelf before going offline. Remember to stay logged into your account to make sure you have access to the books at all times. To make sure that this works, test your book offline before leaving any available internet connection.
