### Y10 – Y13 – PwC Careers in Accounting, Technology and Business - July

Did you know, you don't need a degree to launch a successful career in the business world at PwC, one of the Big 4 professional services firms. Many of PwC's senior leaders joined the firm without a university degree and have accelerated their career at PwC and beyond.

PwC offer full-time School and College Leaver programmes that are designed to help you develop your business skills through real client work, while also completing formal training and studying towards qualifications to give you a head start in your career. You'll earn a competitive salary, benefit from excellent support networks and have the opportunity to continually progress your career. You'll work on varied and challenging client and internal projects, which make a real difference to the world of business

To help support you in understanding the options available to you after school, PwC has just launched a Virtual Classroom events series taking place throughout June and July. The sessions include:

Looking ahead to your career options: Degree programmes - Thursday 13th July 5:30pm - 6:30pm

Looking ahead to your career options: Apprenticeships - Tuesday 18th July 5:30pm - 6:30pm

You will need to pre-register for each session - the link for each session will be sent to you in the confirmation email once you have registered for the event. [School and College events | PwC UK](#)

## Y11 - Y12 – EDT STEM Virtual Work Experience Placement 25 - 27 July, 9am – 4pm

Gain valuable insight into STEM opportunities in the North of England with organisations such as Capita, John Crane, Cargill and Siemens and work towards your Bronze Industrial Cadet's accreditation. You'll be able to interact with different STEM professionals and to work on a variety of research and career focused activities. You'll also receive advice on the different pathways into a STEM career whilst developing your research and soft skills through projects, activities and access to your own careers' workbook.

If this sounds exciting, complete this short application form before Friday July 14th. [Virtual Work Experience | membersarea.etrust.org.uk](https://membersarea.etrust.org.uk)
