

Parent Bulletin Friday 30th June 2023

Dear Parent/Carer

I hope the many students and parents who celebrated Eid this week had an enjoyable time - Eid Mubarak to you all. Last Friday evening we hosted a great Year 11 Prom at school and on Monday welcomed students from Year 11 who want to join us in the Sixth Form in September. Our Year 12 students have also been out on work experience this week.

Uniform Trials

As you know, this week I relaxed the rules on ties so students could experience what that adjustment felt like. Next week students will be able to wear either their shirts and ties or PE tops. This is so they can see what a summer uniform like a polo shirt feels like. They will still need to wear their blazer if they want another layer and must wear the usual trousers/skirts and shoes. I will also be sending out a survey next week to students and parents in advance of next term's consultation.

Teachers' Strikes -Wednesday 5th and Friday 7th July

Next week there are strikes by members of the NEU (National Education Union) on Wednesday and Friday. Given the numbers of teachers who are members of the NEU I will be closing the school to all students except those invited in by members of staff and have asked teachers who are not striking to set work online. School will operate as usual on Monday, Tuesday and Thursday.

Road Safety

If you drive around school please remember there is a cycle path and ensure your car doesn't block the pathway. There have been some near misses recently which we need to prevent from happening again.

Please note below the details about next week's careers fair and have a great weekend.

Yours sincerely

Peter Collins

News and Information

Whole School Careers Fair – Thursday 6th July 2023

We have our annual whole-school Careers Fair on site with approximately 40 Exhibitors from Colleges, Universities and local Employers on Thursday 6th July. Every student in Y7, Y8, Y9, Y10 and Y12 will have a time slot to visit the exhibition and speak to the different exhibitors with the current list of Exhibitors below. Please do come with your son/daughter after school (3.00-3.30pm) to talk to the Exhibitors to find out what opportunities are available locally, and what students will need to do to access these. It is a great opportunity to connect with local employers, and also to talk to Colleges and Universities about their entrance requirements and the courses that they offer. Current Y11 and Y13 parents and students are also welcome at this time. They are all keen to talk to parents/carers as well as students, so do come along!

Collective Worship Reflection

Father God,

We thank you that you know our futures and that you have good plans for us.

We pray for ourselves as we think about the best next steps for us whether this is choosing GCSE options, considering post-16 sixth forms, colleges or apprenticeships, or thinking about post-18 choices.

We pray that you help us research and find the right thing, so that we can live our lives to the full.

Amen

‘I have come in order that you might have life – life in all its fullness (John 10:10)
