

LNSD Board Curriculum Committee Minutes

June 12, 2023

Call to order: 5:15 pm

Members present: Allen Audette, Chastity Fagnant, Stephanie Sweet, Monica Stearns, Tina Lowe, Valerie Sullivan

The group approved the agenda as written.

Val told the group that Ashley Creighton, who is the current MTSS Coordinator for the district, will be taking on the role of Dean of Students in the fall. We are currently looking for a Math Coach who could be here full time.

The Vermont Comprehensive Assessment is done. Reporting for everyone except Freshmen will be here by August. Freshmen results will be here by September. More to come on that later.

Val shared a handout with the group that outlines Curriculum Camp opportunities. Teachers were given the opportunity to sign up for different topics relating to curriculum and supporting our goals of Equity, MTSS, Student Engagement and Curriculum Alignment. The opportunities will be offered Monday, 6/19/23, through Wednesday, 6/21/23. This “summer camp for teachers” will offer a wealth of information and team-building activities. The group can read through this at their leisure.

LUMS is providing a full week of Step-Up this summer! Incoming 7th graders will have the opportunity to get to know the building and their teams. This should be a great way for students to feel more comfortable and accepted as they transition to the middle school.

Val suggested changing the committee’s meetings to a start time of 5:30. It will be easier for people to get here on time and being that most of our meetings are short, it still leaves ample time to get to everything on the agenda. The group agreed to do this moving forward.

There was no new business.

C. Fagnant mad a motion to adjourn, seconded by S. Sweet.

The meeting adjourned at 5:39 p.m.
