VI. EVALUATION AND AWARD

POTENTIAL AND ACTUAL PROPOSERS SHALL **NOT** CONTACT MEMBERS OF THE BOARD OF TRUSTEES OR THE DISTRICT EVALUATION/SELECTION COMMITTEE AT ANY TIME DURING THE EVALUATION AND SELECTION PROCESS WITH THE PURPOSE OF INFLUENCING THE OUTCOME OF THE COMPETITION.

A. EVALUATION OF OFFERS

1. **RESPONSIVENESS:** Upon receipt of all proposals, by the date and time specified in the RFP/RFQ, the Procurement Office shall review all proposals for responsiveness to the proposal instructions. The District shall retain the right to consider any proposal as non-responsive based solely on its judgment that the proposal does not satisfactorily meet the criteria of the proposal instructions or the District's Procurement Code. Those proposals found to be responsive shall be further evaluated by an evaluation committee.
2. **EVALUATION CRITERIA:** Following receipt of proposals from all interested persons and firms, proposals shall be reviewed by a District Evaluation/Selection Committee. The proposals that meet the stated qualifications and submission requirements shall be ranked utilizing the evaluation criteria stated below. Once an initial ranking of all proposals has been conducted, the District may elect to award to the top ranked offeror/firm or conduct interviews with the three highest ranked offers/firms. If the Evaluation/Selection Committee elects to interview the top ranked offers/firms, a list of offerors/firms selected for interview shall be sent to all offerors/firms that submitted a proposal.

Evidence of Prior Successful Experience with Educational Customers	15
Documented Technical Experience and Qualifications of Vendor's Staff	15
Proposal Response Conveys Full Understanding of the Project Requirements	15
Overall Suitability of Solution Proposed and Vendor	10

3. **INTERVIEWS:** The District Evaluation/Selection Committee reserves the right to conduct interviews with the highest ranked Offeror(s) after the initial evaluation has been completed. The primary purpose of the interviews shall be to provide such further information as may be required by the District Evaluation/Selection Committee to fully acquaint itself with the relative qualifications of the short-listed firms with regard to the project(s) and the Owner's needs. Elaborate presentations are discouraged, the Owner's preference being for an interactive discussion of key issues and to hear the proposers' responses to interview questions. Interviews will be conducted virtually. Any cost associated with the interview process shall be borne by the Offeror.
4. **NEGOTIATIONS:** Offerors shall be ranked from highest to lowest total point scores. Negotiations shall commence with the offeror receiving the highest total score and shall proceed down the rankings until the District has successfully negotiated the fees and contract terms with an offeror or the District determines that no satisfactory contract can be negotiated.

B. AWARD

AWARD TO HIGHEST RANKED OFFEROR(S): Award shall be determined by the highest ranked, responsive, and responsible offeror(s) whose offer is determined to be the most advantageous to the District.

AWARD: Award will be made to one or more vendors. The District intends to award by each project (A, B, C, D, E and F). Awards shall comply with the rules of the Federal E-Rate Program. Individual unit prices and extended cost (quantity x unit price) must be indicated on the Proposal form. The District, in determining the lowest responsible Proposer shall consider, in addition to the Proposal price, conformity to specifications, the District's opinion relative to the quality of materials/services being offered, and suitability of the services required by this solicitation. The District reserves the right to reject or accept any or all proposals and to waive any informalities and/or irregularities thereof.

If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the contractor and subcontractor, and without the fault or negligence of either of them, the contractor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the contractor to meet the required

delivery schedule.

[07-7B097-1]

INDEMNIFICATION Darlington County School District, its officers, agents, and employees, shall be held harmless from liability from any claims, damages and actions of any nature arising from a resultant contract, provided that such liability is not attributable to negligence on the part of the using agency or failure of the using agency to comply with the offer as outlined in the offeror's proposal.

OFFEROR RESPONSIBILITY Each offeror shall fully acquaint himself with conditions relating to the scope and restrictions attending the execution of the work under the conditions of this proposal. It is expected that this will sometimes require on-site observation. The failure or omission of an offeror to acquaint himself with existing conditions shall in no way relieve him of any obligation with respect to this proposal or to the contract.

OWNERSHIP OF MATERIAL Ownership of all data, material and documentation originated and prepared for the District pursuant to this contract shall belong exclusively to the District.

PAYMENT FOR GOODS & SERVICES Payment for goods & services received by the District shall be processed in accordance with Darlington County School District Procurement Code.

PURCHASE ORDERS: Contractor shall not perform any work prior to the receipt of a purchase order from the District. The District shall order any supplies or services to be furnished under this contract by issuing a purchase order. Purchase orders may be used to elect any options available under this contract, e.g., quantity, item, delivery date, payment method, but are subject to all terms and conditions of this contract. Purchase orders may be electronic. No particular form is required.

SOUTH CAROLINA GOVERNING LAW CLAUSE The Agreement and any dispute, claim, or controversy relating to the Agreement shall, in all respects, be interpreted, construed, enforced and governed by and under the laws of the State of South Carolina. Contractor agrees that any act by the District regarding the Agreement is not a waiver of either the District's sovereign immunity or the District's immunity under the Eleventh Amendment of the United State's Constitution. As used in this paragraph, the term "Agreement" means any transaction or agreement arising out of, relating to, or contemplated by the solicitation.

SUBCONTRACTING If any part of the work covered by this solicitation is to be subcontracted, the offeror shall identify the subcontracting organization and the contractual arrangements made therewith. All subcontractors must be approved by the District prior to award. The offeror will also furnish the corporate or company name and the names of the officers of any subcontractors engaged by the offeror.

TERMINATION Subject to the Provisions below, any contract resulting from this proposal may be terminated by the Director of Procurement, provided a thirty (30) days advance notice in writing is given to the contractor.

Convenience: In the event that this contract is terminated or canceled upon request and for the convenience of the District without the required thirty (30) days advance written notice, then the District shall negotiate reasonable termination costs, if

applicable.

Cause: Termination by the District for cause, default or negligence on the part of the contractor shall be excluded from the foregoing provisions; termination costs, if any, shall not apply. The thirty (30) days advance notice requirement is waived and the default provision in the bid shall apply.

Default: In case of default, the District reserves the right to purchase any or all items/services in default in open market, charging the Contractor with any excessive costs. SHOULD SUCH CHARGE BE ASSESSED, NO SUBSEQUENT PROPOSALS OF THE DEFAULTING CONTRACTOR WILL BE CONSIDERED UNTIL THE ASSESSED CHARGE HAS BEEN SATISFIED.

TERMINATION DUE TO UNAVAILABILITY OF FUNDS: Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds thereof. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be canceled. Contractor will not be reimbursed any costs beyond the initial contract term.

B. SPECIAL

Required Notice to Proceed and Funding Availability:

The District will follow the purchasing policies of the District and requirements and procedures of the FCC's E-Rate program as administered by the Universal Service Administrative Company to be eligible for all available funding. The implementation of any associated contracts resulting from this competitive bid process will be dependent on the District's' issuance of a written Notice to Proceed.

Final authorization by District for the purchase of any or all goods and/or services, hereafter described in this document, MAY be contingent upon the award of funding (a Funding Commitment Decision Letter) from the Schools and Libraries Division of USAC for the 2023 E-Rate Funding Year.

The District may, at its discretion, choose to cancel its offer for the purchase of any and all goods and/or services requested in this RFP if E-Rate funding is not approved by USAC, there is a reduction in funding, there are changes in the physical structure of a school (i.e., renovations, demolitions), or for any other reason.

All requests for payment by the selected Proposer must be made by written invoice to District. Goods and/or services may not be delivered to the District before a Purchase Order is issued. Invoices must show the full amount of the cost of goods and/or services provided to District for the invoice period. Invoices must also provide the following:

1. An itemization of those goods and/or services that are eligible for E-Rate reimbursements, and those that are not eligible for E-Rate reimbursement. (The itemization could include a bill of materials for any eligible special construction costs if the proposer requests special construction reimbursement for new build segments necessary to deliver leased lit service.)
2. An itemization of invoice amounts that are allocated for payment through E-Rate, and those that are to be paid directly by District.

The District shall pay only the invoice amounts, not otherwise disputed by District, allocated on the invoice for payment directly by the District. By submitting a proposal, the selected Proposer understands, acknowledges and agrees that District will not pay any invoice amounts identified and allocated for payment through E-Rate.

The selected Proposer shall be responsible to prepare and file with the FCC a Form 474 (SPI Form) to request payment of those invoice amounts allocated for payment through the E-Rate program. The selected Proposer will be paid for the E-Rate eligible goods and/or services through the E-Rate program only after a Funding Commitment Decision Letter has been issued through the E-Rate program.

Prices quoted shall be all-inclusive and represent complete installation, configuration, and operation at the sites listed in the attached specifications. The Vendor shall be responsible for all equipment, software, parts, labor, One-time Fees, and any and all applicable taxes, USF fees, etc.) and all other associated apparatus necessary to completely install, test, and turnover for acceptance of the Interna Connections detailed herein. All quotes must include any tax, travel, and per diem. If any of these items are left off the quote then the vendor will not be reimbursed for those charges.

E-Rate funding notification alone will not signify Notice to Proceed.

The District will have the right to allow the contract to expire without implementation if appropriate funding does not come available.

Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the contractor from proceeding with the contract as changed, provided that the District promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.
- C. **Time Period for Claim.** Within 30 days after receipt of a written contract modification under Paragraph (1) of this clause, unless such period is extended by the Procurement Officer in writing, the contractor shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar the contractor's claim unless the District is prejudiced by the delay in notification.
- D. **Claim Barred After Final Payment.** No claim by the contractor for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this contract.

CLARIFICATION: Pursuant to Article 5, Section 1530.6, the Procurement Officer may elect to communicate with you after opening for the purpose of clarifying either your offer or the requirements of the solicitation. Such communications may be conducted only with offerors who have submitted an offer which obviously conforms in all material aspects to the solicitation. DEFAULT: The District may terminate this contract, or any part hereof, for cause in the event of any default by the contractor, or if the contractor fails to comply with any contract terms and conditions, or fails to provide the District, upon request, with adequate assurances of future performance. In the event of termination for cause, the District shall not be liable to the contractor for any amount for supplies or services not accepted, and the contractor shall be liable to the District for any and all rights and remedies provided by law. RESPONSIBILITY DETERMINATIONS Responsibility of the proposer shall be ascertained for each contract awarded by the District based upon full disclosure to the District concerning capacity and capability to meet the terms of the contract and based upon past record of performance for similar contracts. The unreasonable failure of a proposer or Offeror to supply information promptly in connection with an inquiry with respect to responsibility may be grounds for a determination of non-responsibility with respect to such proposer or Offeror. Failure to provide requested information may result in rejection of a solicitation response or debarment of the proposer.

TERMINATION FOR CONVENIENCE: The Procurement Officer may terminate this contract in whole or in part, for the convenience of the District. E-RATE REQUIREMENTS FOR VENDORS:²

Vendors submitting proposals under this RFP must agree to meet the following conditions relating to the E-Rate program and be willing to include such requirements in the Vendor’s contract:

Discounted Bills: Should the District so choose; Vendor must agree to provide discounted bills to District which reflect the net charges due to the District after E-Rate discounts have been reflected (also known as the “non- discount” amount). The Vendor will then invoice USAC using the Form 474 SPI form for the E-Rate discount amount. Vendor shall be solely responsible for timely filing invoices with USAC. Accordingly, Vendor understands and agrees that District will NOT be liable to Vendor and Vendor shall have no recourse against the District for any discounted amount that Vendor submits late to USAC for payment, if USAC refuses to pay the invoice due to late filing. Further, Vendor understands and agrees that District shall not be liable to Vendor and Vendor shall have no recourse against the District for any discounted amount that Vendor submits to USAC for payment if Vendor is at fault for USAC’s refusal to pay. If the District’s actions or failure to act are responsible for the non-payment of the Vendor’s invoice with USAC, the District shall not be liable to Vendor and Vendor shall have no recourse against the District for the amount at issue until both the District and the Vendor have exhausted their administrative remedies of appeal to USAC and/or the FCC.

If Vendor learns of any federal, state or local investigation conducted by any regulatory authority or law enforcement authority that could have an adverse impact on the District’s ability to continue to receive the benefit of E-Rate funding, Vendor must notify the District within 30 calendar days of learning of such investigation. The District reserves the right to cancel the agreement without penalty if the investigation impedes the District’s ability in any way to receive the benefit of E-Rate funding, subject to any investigation of wrongdoing.

Vendor shall maintain all bids, quotes, records, correspondence, receipts, vouchers, delivery information, memoranda and other data relating to Vendor’s services and any subcontractors to the District. All such records shall be retained for 10 years following completion of services and/or installation of equipment, and shall be subject to inspection and audit by the District.

Vendor must maintain and enforce an internal E-Rate audit process that ensures that Vendor complies with all E-Rate program rules and regulations. This process must include the following:

- Where labor is involved, maintaining detailed, signed individual timesheets
- Ensuring that ineligible charges are not submitted to USAC
- Invoicing to USAC that is consistent with the contract and the District’s Form 471.
- Ensuring that services or products are not provided to the District without District’s express written permission or official purchase authorization
- Ensuring that District-approved substitute services or products are prominently noted on invoices submitted to USAC and the District
- When E-Rate eligible services or equipment are allocated or installed in multiple buildings, support for the allocation consistent with the amount and buildings identified in the Form 471
- Documenting that E-Rate funded services were provided within the allowable contract period and program year
- Charging proper FRN(s)
- Ensuring that invoices and USAC forms are submitted to the District in a timely manner
- Ensuring that USAC forms are filled out completely, accurately and on time
- Ensuring that Forms 472 are signed/dated by Vendor’s representative in a timely manner

Maintaining fixed asset list of E-Rate-supported equipment provided to the District with detailed information for each item (model number, serial number, product description) and made available to the District in electronic format upon project completion.

USAC PIA REVIEW PROCESS⁴

Application Review Process

After the FCC Form 471 has been filed and certified within the filing window, Program Integrity Assurance (PIA) reviewers at USAC check the information on the form for completeness and accuracy and may have additional questions to be answered.

All applications go through an initial review and a final review, which may involve questions from PIA reviewers on one or more of the following topics:

- Eligibility of the entities receiving service
- Eligibility of the services requested
- Discount calculations
- Contracts
- The competitive bidding process

In most cases, DCSD will not require assistance from the vendor, but in the situations that do, your company will be required to support the District in responding to the questions. In the case DCSD requires a vendor’s assistance, and since all questions under the review process have deadlines, DCSD will reach out to the vendor and expects support from the vendor in a timely manner.

USAC understands that some of the information requested during the application review could be considered to be proprietary or sensitive commercial and financial information. Applicants and service providers can request confidential treatment of information under the FCC rules.

(COMPANY NAME)
