

An Independent Agent Representing Aflac

All Employees

Darlington County School District

Hello, my name is Rhonda Howle. I am your local Aflac Representative. I have been an agent with Aflac 13 years and live right here in Darlington County. I look forward to meeting you.

Darlington County School District is proud to offer Aflac's Cancer Care Policy to you via payroll deduction.

Chances are you know someone who's been affected, directly or indirectly, by cancer. You also know the toll it's taken on them: physically, emotionally, and financially. Our cancer plans help with the medical and non-medical expenses associated with cancer, such as the mortgage, rent, car payments, utilities and even travel to special treatment centers.

Most of our policyholders, like you at Darlington County School District, have great health insurance, however there are high deductibles and a lot of out of pocket expenses associated with a cancer diagnosis and cancer treatment.

Aflac provides you and your family that piece of mind, so you can focus on healing and recovery and not worry about how the bills are going to get paid.

Here are a few of the Cancer Care features:

- *Cancer Wellness Benefit for your yearly exam.
- *Initial Diagnosis Benefit that increases each year you are cancer free.
- *Surgical Benefit
- *Hospitalization Benefit.
- *Travel and lodging benefit.
- *Your children are covered for FREE until age 26
- *Aflac's "One Day Pay" Claim checks deposited in your account the next business day.

These are just a few of the benefits, we have several different levels of the Cancer Care Plan, so it's affordable for EVERYONE!!

Please give me a call at 843-615-4405 to learn more about this valuable protection for you and your Family.

I look forward to hearing from you.

Sincerely,
Rhonda Howle
