

Trustmark Accident Insurance

Coverage for when life takes a tumble.

Helping you prepare for the unexpected

Accidents happen. And medical insurance deductibles are going up, which can make **sudden expenses** like the medical costs associated with an accidental injury harder for your family to deal with.

Trustmark Accident insurance pays **cash directly to you** for treatment for covered accidents. The plan pays **regardless of other coverage** you have, and there are **no restrictions** on how you may use the money.

With Accident insurance, you can worry less about your bills, and **focus on recovering.**

Accident sample rates

The chart below lists sample weekly rates across all Trustmark plans nationwide, which vary by benefit amounts payable.

Covered person(s)	Rates
Employee	from \$2.28 - \$5.39
Employee + Spouse	from \$3.29 - \$8.01

- Skin grafts

... and for covered injuries, like:

Accident insurance offers **coverage for certain non-work-related accidental injuries**, as well as for medical care and equipment to treat them.
