ADVISORY SERVICES AGREEMENT

This Agreement describes the terms and conditions applicable to the investment advice and management services (collectively the "Services") offered by Advised Assets Group, LLC ("AAG") and described below. AAG is a registered investment adviser and wholly owned subsidiary of Great-West Life & Annuity Insurance Company ("Great-West"), which provides financial services and products under the brand name Empower Retirement ("Empower"). AAG offers the Services to accounts (each an "Account" and collectively the "Accounts") held by investors participating in employer-sponsored retirement plans (each a "Plan") recordkept through Empower. By using the Services, you consent to be bound by these terms and conditions.

DESCRIPTION OF SERVICES

AAG offers the following Services: Online Investment Advice and the Managed Account service.

Online Investment Advice: Online Investment Advice offers fund-specific investment advice to users who wish to manage their own Account but receive assistance in doing so. The investments recommended by Online Investment Advice are based on information drawn from your Account profile and from the investment options available within your Plan. You decide whether to implement the advice delivered through Online Investment Advice. AAG does not provide advice for, or recommend allocations of, individual stocks (including employer stock, unless your employer instructs AAG otherwise), self-directed brokerage accounts, guaranteed certificate funds, or employer-directed monies, or any other investment options that do not satisfy the methodology requirements of the subadviser who provides investment methodology to AAG (currently, Morningstar Investment Management, LLC, herein "Morningstar"), even if they are available for investment in the Plan.

Managed Account service: The Managed Account service offers users an investment management service under which investment professionals will select and allocate your Account among the available investment options. You will receive a personalized investment portfolio that reflects your retirement timeframe, life stages and overall financial picture, including assets held outside your account (if you elect to provide this information), which may be taken into consideration when determining the allocation of assets in your account. Generally, AAG will not provide advice for, recommend allocations of, or manage your outside accounts.

- Under the Managed Account service, AAG has discretionary authority over allocating your assets among the core investment options without your prior approval of each transaction. AAG is not responsible for either the selection or maintenance of the investment options available within your Plan. As with Online Investment Advice, AAG will not provide advice for, or recommend allocations of, individual stocks (including employer stock, unless your employer instructs AAG otherwise), self-directed brokerage accounts, guaranteed certificate funds, employer-directed monies, or any other investment options that do not satisfy the methodology requirements of Morningstar, even if they are available for investment in your Plan. Your balances in any of these investment options or vehicles may be liquidated, subject to your Plan's and/or investment provider's restrictions.
- Account assets subject to the Managed Account service in the core investment options will be monitored, rebalanced and reallocated periodically (approximately quarterly) by AAG, based on data resulting from Morningstar's investment methodologies, to respond to market performance and to attempt to achieve optimal Account performance over time. You will receive an Account update statement annually and can update your personal information at any time by AAG or by visiting the Plan website.

INFORMATION ABOUT PARTICIPATION IN THE SERVICES

Information Gathered to Provide the Services. You or your employer must provide all data that is necessary for AAG to perform its duties under this Agreement, including but not limited to: your date of birth, income, gender, and state of residence, which AAG may rely upon in providing the services to you. For each of the Services described above, if the data supplied by you or your Plan sponsor, if applicable, does not meet the Services' methodology requirements, we will attempt to contact you for updated information. If this is not completed, your enrollment in the Services may not be completed or may be terminated. If you participate in the Managed Account service, you

will receive a Welcome Kit shortly after enrollment. You will also receive an Annual Kit each year, providing you with a detailed analysis of your Account. Your Annual Kit will also confirm your personal data which is used to provide you with personalized Account management. You are responsible for reviewing the Welcome and Annual Kits carefully and calling AAG or confirming online to update or correct any incorrect personal information. AAG will not be responsible for misallocation of assets or missed earnings due to incorrect personal information. You may provide updated information, at any time, regarding your retirement age, desired retirement income replacement, social security start date, other income and expenses, spousal and dependent information online or by calling AAG to speak to an investment adviser representative.

Fees Applicable to the Services. Appendix A to this Agreement describes the fees applicable to the Services. Depending on your Plan's arrangement with AAG, and your method of enrollment, you may also receive the Managed Account service for a trial period following your enrollment, after which the appropriate fee described below will be assessed to your Account. The type and duration of the trial period depends on your particular enrollment channel and the Plan setup determined by your Plan sponsor. Please contact AAG or your Plan sponsor to determine if a trial period applies to your Account. By using the Services, you authorize AAG to deduct the billing period fee described in Appendix A. The fees are subject to change. AAG reserves the right to offer discounted fees or other promotional pricing.

Investment Methodology. AAG has engaged Morningstar to provide investment methodology for the Services. Based on Monte Carlo simulations of the user's resources, liabilities, and human capital, Morningstar determines an appropriate asset level portfolio, a savings rate, and retirement age that best suits each user's situation. The asset class level model portfolios are revisited annually. Investment options from the Account's menu are then selected to implement each asset-level model portfolio. These investment options are monitored and rebalanced periodically (approximately quarterly). The projections or other information generated by this process regarding the likelihood of various investment outcomes are hypothetical in nature, do not reflect actual investment results and are not guarantees of future results. Results may vary with each use and over time.

Additional Fees May Apply. Fees for the Services do not include the fees and expenses charged by the investment options to which your Account will be allocated. For more information about the fees assessed by investment options in your Account, including information about the options' expense ratios and share class, please review your Plan's investment option disclosure documents.

Conflicts of Interest. AAG has several conflicts of interest in providing services to your Account.

- Investment advice and management services. AAG's representatives may recommend that you use the Services for your Account. If you enroll in the Services, AAG will earn additional compensation, since you will pay fees to use the Service as described in Appendix A.
- Increased fee income. When you use the Services, AAG may recommend you increase contributions to the Plan, or implement other savings or investment strategies. AAG's affiliates provide a bundle of recordkeeping, trust, custody, brokerage, investment and other related services to your Plan and to related IRA products. If you pay for these services through an arrangement where our affiliates charge a direct fee, AAG's affiliates may receive additional fees for these services as a result of AAG's recommendations, because you may contribute, invest, or transact in more assets with AAG's family of companies.
- Proprietary investment funds. AAG's affiliates offer proprietary investment funds, and AAG may recommend or allocate your Account to our affiliates' proprietary investment funds, such as proprietary mutual funds and collective investment trusts. These investment funds generate additional income to AAG's family of companies. For our proprietary investment funds, fees compensate our affiliates for administering, managing, and supervising these funds.
- Proprietary insurance products. AAG's parent company, Great-West, offers proprietary insurance products for investment. AAG may recommend or allocate your Account to different types of Great-West insurance products and funding agreements. The majority of Great-West insurance products are annuity contracts that are structured either as a "general account" product or as a "separate account" product. If you invest

in a general account product, which is an insurance product backed by the general account of an insurance company, AAG's affiliates generate revenue by retaining spread, which is the difference between actual earnings on contracts offered by the insurer, and the crediting rate declared and guaranteed by the insurer through the contract. AAG's affiliates may also receive different types of fee income if you invest in the general account or separate account products, as well as other third-party payments associated with investments held in the separate account.

- **Third Party Payments.** AAG's affiliates may receive payments from other firms, non-proprietary investment funds or products, or providers, such as revenue sharing payments, in connection with the investments made pursuant to our recommendation or investment management.
- **Representative Compensation.** AAG's representatives are generally paid a salary and a variable bonus. The bonus is based on a combination of the performance of Empower, as well as the representative's individual performance. In assessing individual performance, AAG may consider quantitative metrics such as the representative's success in gathering, retaining, and consolidating client assets. Additional factors include certain qualitative factors, such as leadership, teamwork, client experience, and adherence to policies and regulatory standards. Additionally, AAG has authorized GWFS Equities, Inc. ("GWFS") and its licensed agents and registered representatives, to solicit, refer and market the Services to Plan sponsors and potential users. GWFS representatives may be compensated in part based on these solicitation activities, in accord with applicable law.

For additional information about AAG's conflicts of interest, please see AAG's Form ADV.

Cancellation. Once enrolled in the Managed Account service, you will no longer be able to make investment allocation changes to your Account. You may cancel participation in the Managed Account service at any time online or by calling AAG. Once you have opted-out of the Managed Account service, you are responsible for managing your own Account. In addition, your allocations and Account balance (if applicable) will have already been established according to the Managed Account allocations. You will need to initiate your own allocation changes and/or transfers if you wish to change your investment allocations made by the Managed Account service.

Proxy Voting. AAG does not assume the responsibility to provide assistance or vote proxies or other issuer communications regarding your Account, or to exercise voting or other decision-making authority regarding proxies or other issuer communications. Correspondence regarding the matters described in this section will be handled in connection with the Plan's policies and service provider arrangements.

STANDARD OF CONDUCT, LIABILITY AND INDEMNITY

AAG acknowledges that, as a registered investment adviser, it owes a fiduciary duty to participants with respect to investment advice it provides. AAG may also be a fiduciary to your Account pursuant to the Employee Retirement Income Security Act of 1974 ("ERISA"), depending on whether your Plan is subject to ERISA. AAG uses reasonable care, consistent with industry practice, in providing services to you. AAG, your Plan sponsor and/or the Plan recordkeeper, as applicable, do not guarantee the future performance of your Account or that the investments we recommend will be profitable. Investment return and principal value will fluctuate with market conditions, and you may lose money. The investments AAG may recommend or purchase for your Account, if applicable, are subject to various risks, including, without limitation, business, market, currency, economic, and political risks. By recommending allocations among the available investment options, we are not endorsing the selection of particular investment options available in your Plan.

AAG, the plan sponsor and/or the Plan recordkeeper, as applicable, will not be liable to you for any loss caused by (1) our prudent, good faith decisions or actions, (2) following your instructions, or (3) any person other than AAG or its affiliates who provides services for your Account. Neither AAG nor your plan sponsor will be liable to you for any losses resulting from your disclosure of your personal information or your password to third parties even if the purpose of your disclosure is to enable such person to enroll you in or cancel your enrollment in the Services.

You agree to indemnify, defend and hold harmless AAG and its officers, directors, shareholders, parents, subsidiaries, affiliates, employees, consultants, agents and licensors, your employer, the plan administrator and/or recordkeeper, plan sponsor, plan trustees, plan fiduciaries, their agents, employees, and contractors, as applicable, from and against any and all third party claims, liability, damages and/or costs (including but not limited to reasonable attorneys' fees) arising from your failure to comply with this Agreement, the information you provide us, your infringement of any intellectual property or other right of a third party, or from your violation of applicable law. YOU UNDERSTAND THAT IN NO EVENT WILL THE PLAN SPONSOR, AAG OR ITS OFFICERS, DIRECTORS, SHAREHOLDERS, PARENTS, SUBSIDIARIES, AFFILIATES, EMPLOYEES, CONSULTANTS, AGENTS, LICENSORS OR ANY DATA PROVIDER BE LIABLE FOR ANY CONSEQUENTIAL, PUNITIVE, INCIDENTAL, SPECIAL OR INDIRECT DAMAGES, LOSS OF BUSINESS REVENUE OR LOST PROFITS, WHETHER IN AN ACTION UNDER CONTRACT, NEGLIGENCE OR ANY OTHER THEORY EVEN IF WE ARE ADVISED OF THE POSSIBILITY OF SUCH.

TO THE MAXIMUM EXTENT PERMITTED BY LAW, AAG DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SERVICES, AND ALL INFORMATION DERIVED FROM THEM, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, QUALITY, TIMELINESS, ACCURACY, AND IMPLIED WARRANTIES ARISING FROM COURSE OF PERFORMANCE OR COURSE OF DEALING. IN ADDITION, AAG DOES NOT WARRANT THAT THE SERVICE OR CONTENT CONTAINED IN IT WILL BE UNINTERRUPTED, ERROR FREE, FULLY AVAILABLE AT ALL TIMES OR THAT ANY INFORMATION OR OTHER MATERIAL ACCESSIBLE THROUGH THE SERVICES ARE FREE OF ERRORS OR OTHER HARMFUL CONTENT.
