

Dear Families,

This year your student has the opportunity to become a member of the Elder Grove "100 Club"! To earn their way into this optional club, your student will need to complete the reading of 100 books during the course of the school year. Books read during normal reading class time at school do not count. This is 100 books they read at home or during their own free time in school. If a book is finished at school, please remind your student to bring the book home, so a family member can enter it on the form. Your student may use the books they checked out from our school library or from the public library. They may even use books that you have at your home.

You and your student may read the books together, you may read to them, or they may read them on their own.. I would LOVE for you to do a combination of all of these things. That way your student is hearing you read fluently, they are practicing reading out loud to develop fluency and expression, and they are working on their own independent reading. Best of all, you'll get to spend time together!

Your student will be given a recording sheet for the 100 Club. They will use this to write down the titles of the books they have read. Please just make sure the books are recorded in the correct sections as there are 30 different types of books they must be read and 70 of their own choosing.

Your student can become a bronze club member by reading 50 books, a silver member by reading 75 books, or a gold member by reading 100 books. However, the 30 required types of books must be read before becoming a bronze member. Your student will receive special awards for completing each level. There will be a year end recognition for those students who make it into the 100 Club.

I am very excited about this optional way to encourage reading! Thank you for helping your student become a better reader and develop a love of books this year.

Sincerely,

Cherie Em Olson

Library Media Specialist

P.S. Any book that you enter onto your Pizza Hut form can also be entered onto your 100 Club form!
