

In the 2019-20 school year, the Jefferson School Board will ...

Standard 4 (including some from 2)

- 1. Review the alignment of the district's priorities (pillars) and the strategic/school improvement plans.**
 - a. Calendar at least one superintendent presentation illustrating the alignment of the board's priorities with district/school plans prior to October 1, 2019.
 - b. The superintendent will take feedback from the board at that time.
(Performance indicators 24, 29, 31, 49, 51, 52, 53)

Standard 4 (including some from 2 & 5)

- 2. Establish a comprehensive monitoring program to regularly review data/information to measure progress toward district priorities (pillars) and modify support as needed.**
 - a. Calendar at least 2 monitoring dates to collaboratively review student achievement data with the district leadership team (DLT) in the 2019-20 school year.
 - b. The board will communicate the results of these collaborative sessions directly to the community after each session.
(Performance Indicators 24, 29, 31, 59, 60, 61, 66, 69)
