

WELCOME TO

KINDERGARTEN!

John Mills Elementary School

This is John Mills School.

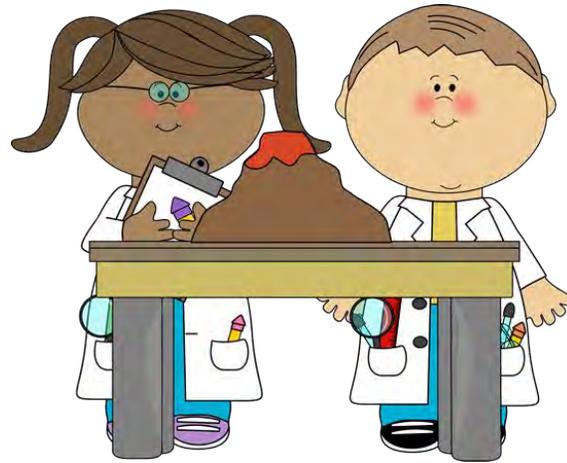

Their mascot is the trojan.

In kindergarten, you will learn
so many new things!

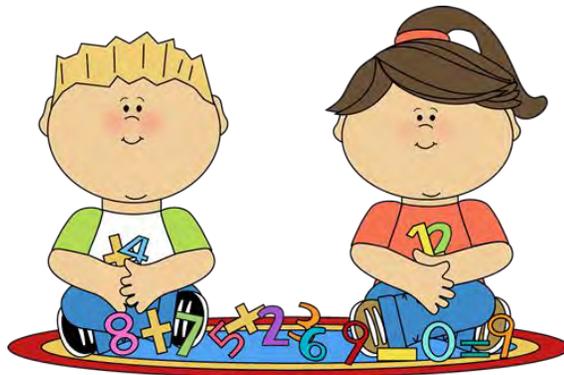

social
studies

science

math

language
arts

You will go to specials such as art, music, technology, and P.E.

You will work together and play
with your friends.

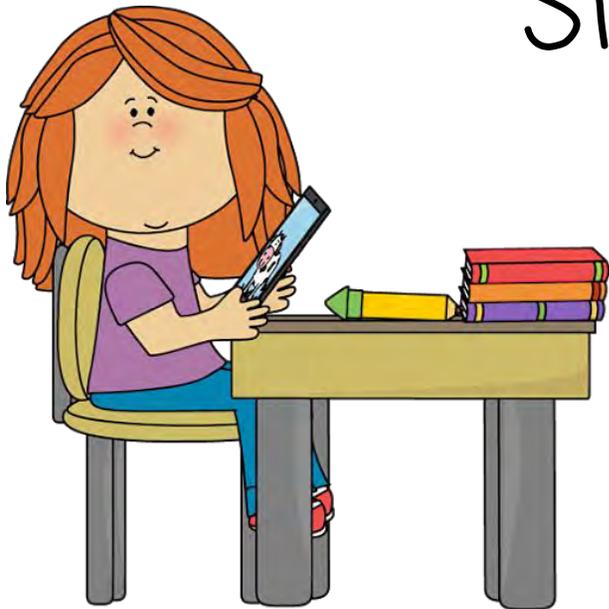

Remember to
take turns!

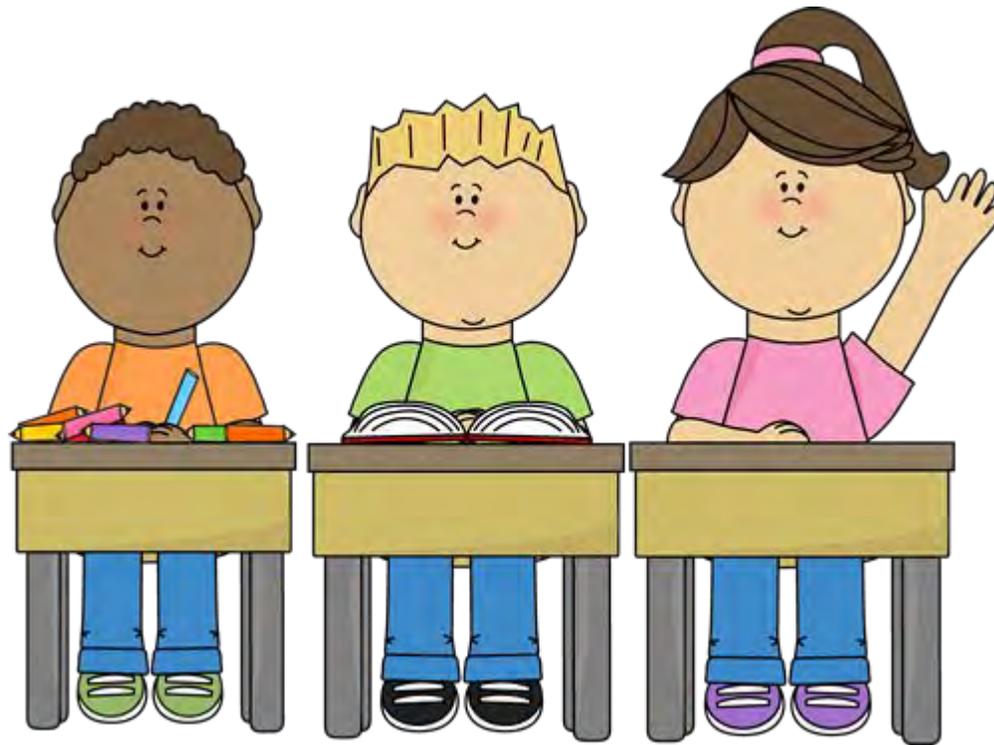

Remember to
share!

Sometimes you will
sit at a desk or a table.

Sometimes you will
sit on a rug.

In kindergarten, you raise your hand to let your teacher know you have something to say.

Your class will line up to
walk in the hallway.

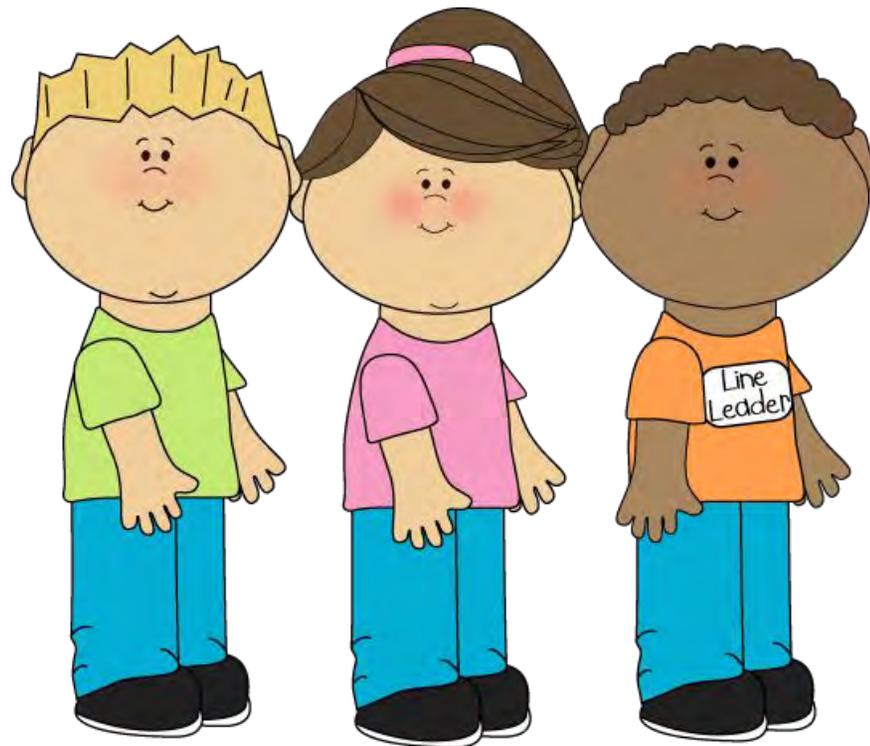

We walk quietly in the hallway.

We keep our hands to our sides.

Your class will stop at the
water fountain for a drink.

You will line up and wait for your turn.

Your class will take bathroom breaks during the day.

You will line up and wait for your turn.

Don't forget to wash your hands!

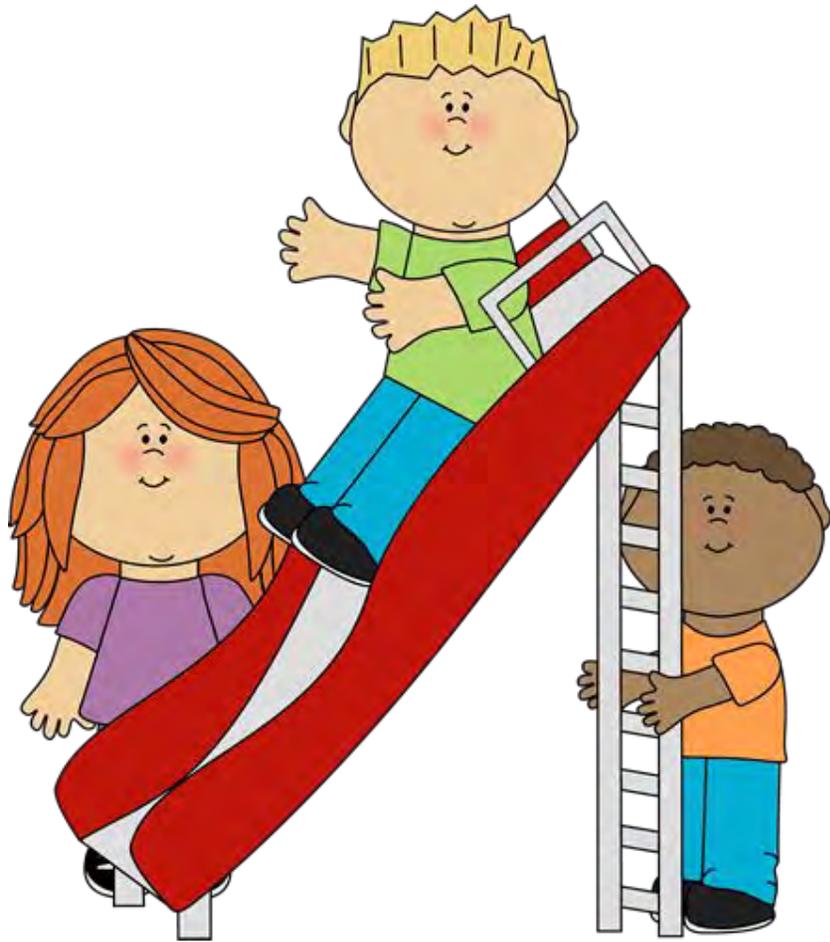

You will eat lunch in the cafeteria with your friends.

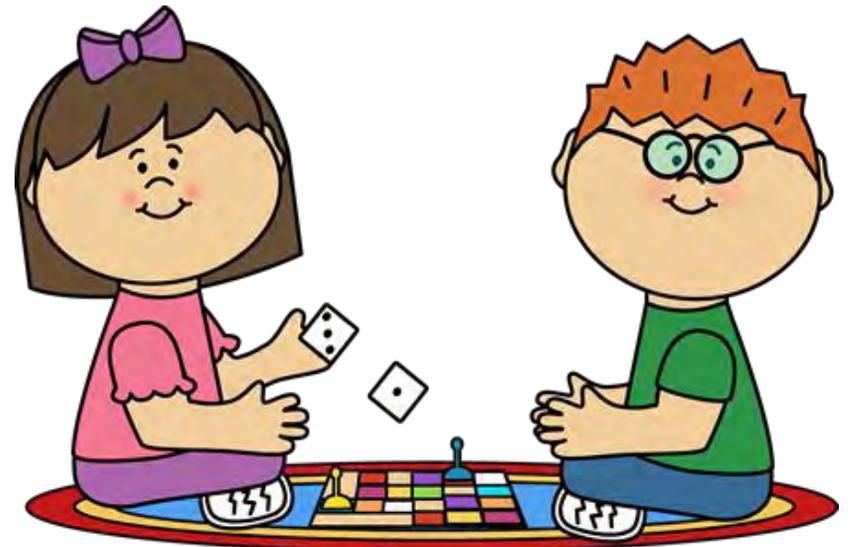

If you are getting a school lunch, you will wait in line. Grown ups will be there to help you!

You will go to recess and play
with your friends outside.

If it is too cold or
raining, you will stay
inside for recess.

At the end of the day, you will pack your backpack to go home.

You might have homework to do when you get home.

We can't wait to meet you in
KINDERGARTEN!
