Do you know what grade you have in PE? Do you know you are required to pass all of your PE classes in order to graduate? Well you have options! After school on Wednesdays and Thursdays, from 3:10-4:10pm, you can come to the Fitness Center and complete a workout for PE credit. About 40 min on any cardio machine can earn you back one day's worth of credit. Your PE teachers want you to get good grades! If you have more questions, talk to your PE teacher during class. There are only a few weeks left to improve your grade!

Congratulations to our April Student of the Month--Maritsa Romero!
