Superintendent's Message

INVESTMENT IN LIFE

As many years as you have lived you have been on the receiving end of a considerable investment[1]. This corporation[2] invested in by stockholders[3] has taken several years to grow and expand. May 20th some forty concerns will have nearly reached the point of return dividend, on capital invested. Some corporations need further growth and expansion[4] and others will begin to repay[5] stockholders soon. It is hoped that there will be no business failures and that all will thrive.

George H. Anderson, Supt.

George H. Anderson

Footnotes:

1 Investment defined as: parental love, anguish, concern, hopes, besides money, teachers' efforts, Scout leaders, and county, state, and national investments.

2 Corporation means YOU.

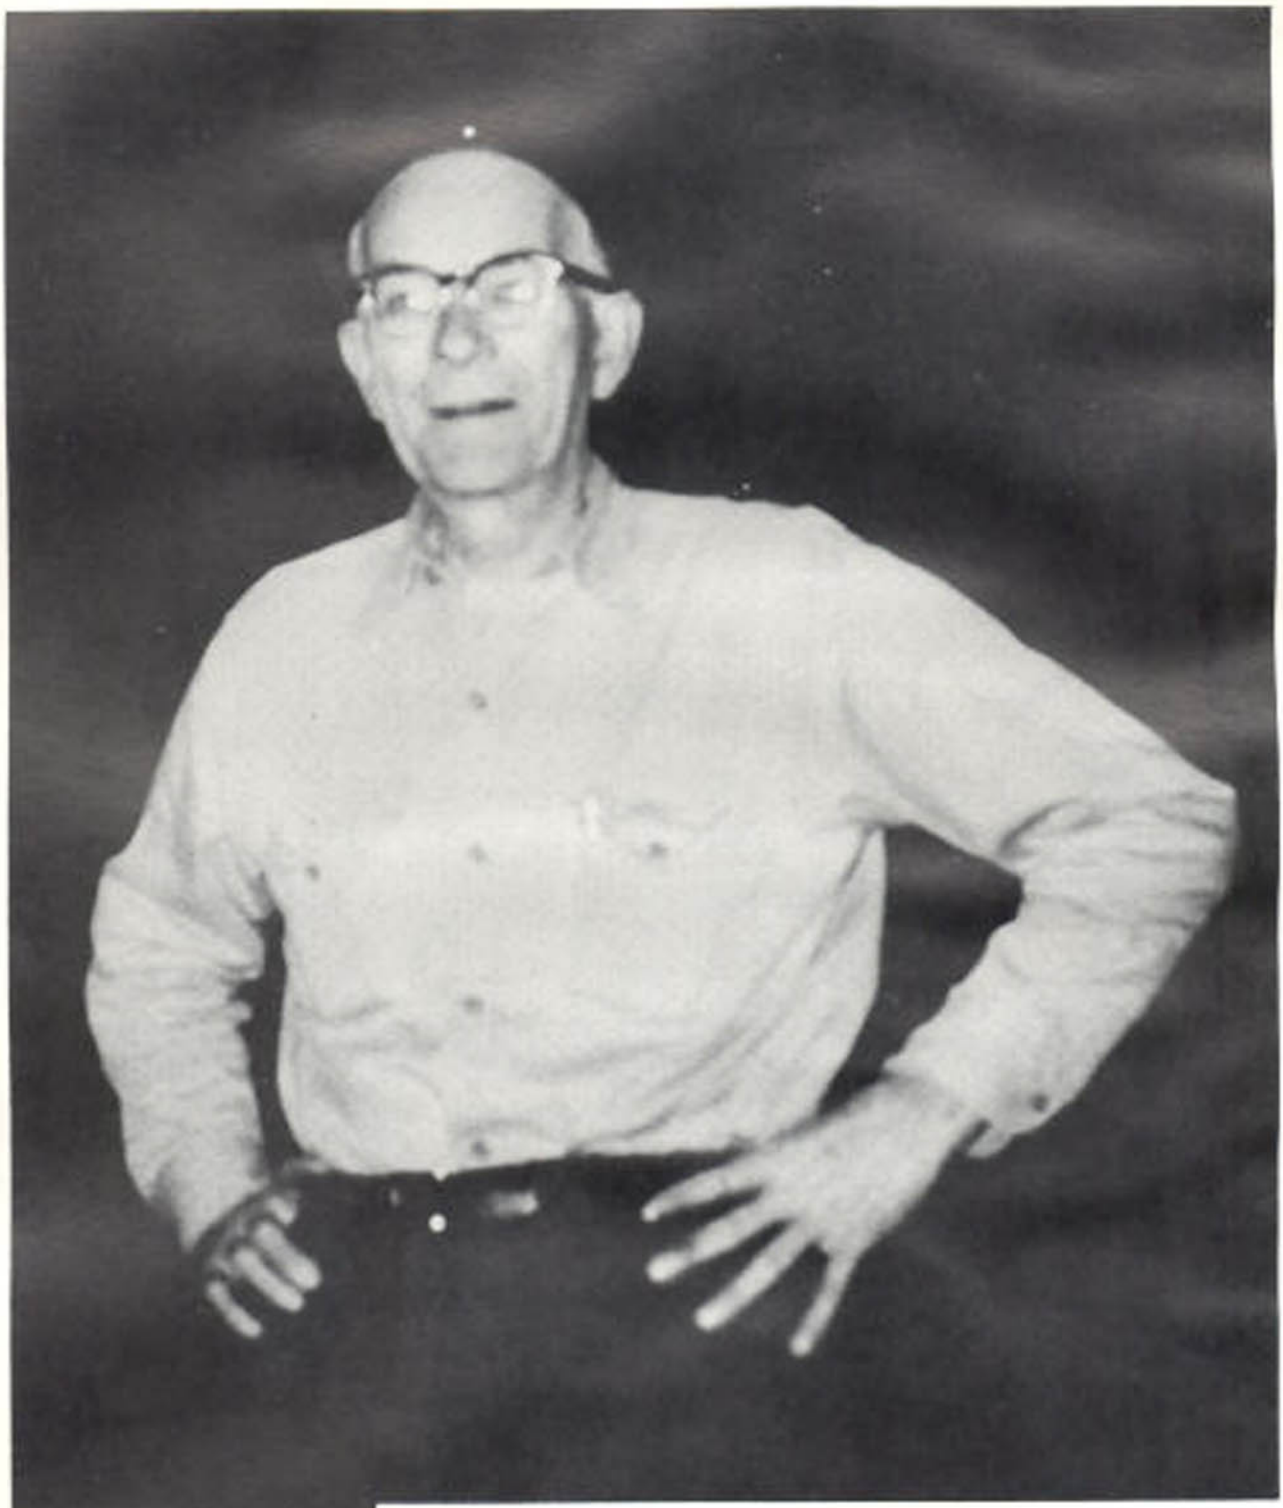

3 Stockholders are parents as well as those who have put forth effort and money up to this time.

4 College and all further training.

5 Repay-which is your contribution to home and country.

Dedication

We, the Annual staff of 1955, hereby dedicate this yearbook to Mr. Smith, our custodian. In his eleven years of service here at Newport High School he has always been ready and willing to serve the students and faculty above and beyond the call of duty.

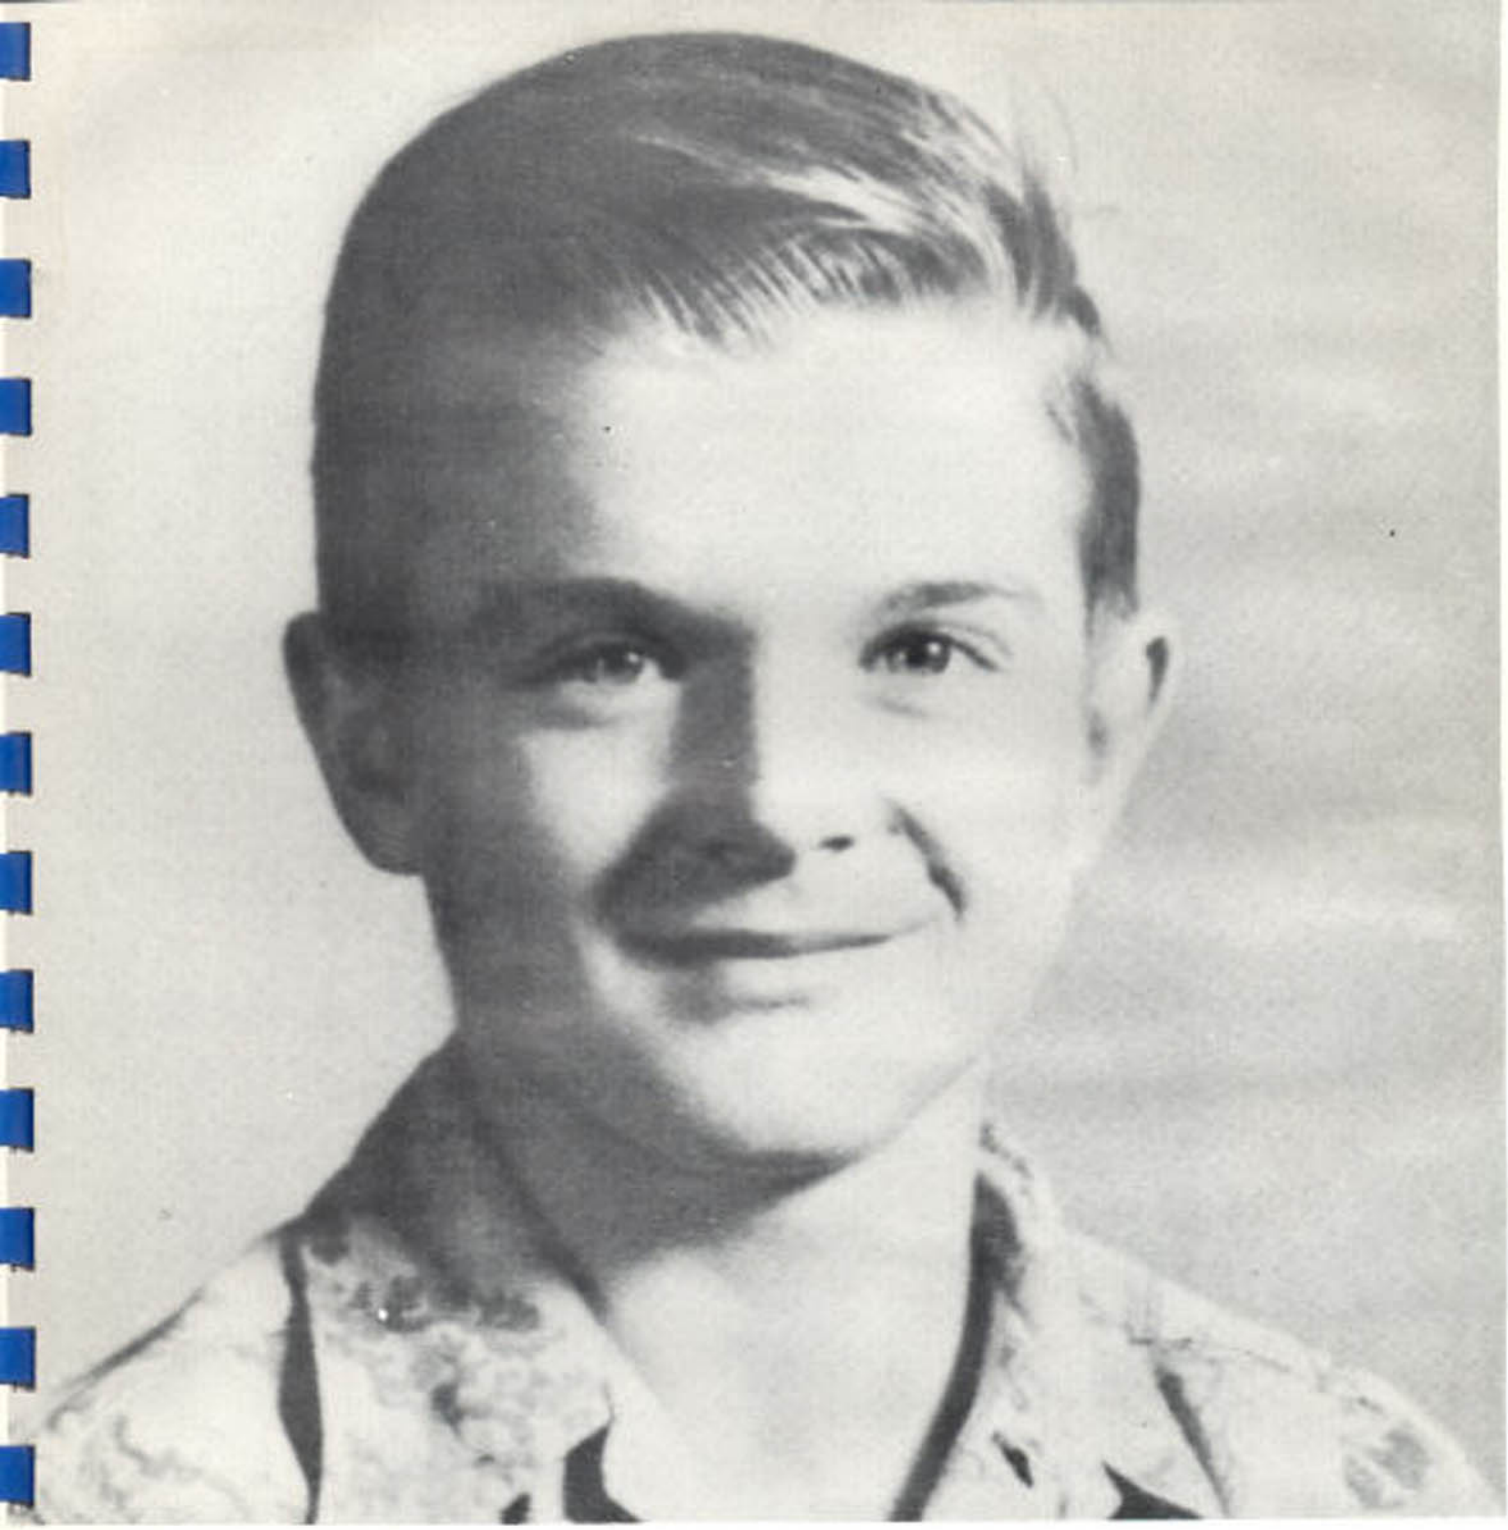

In Memoriam

July 13, 1928 — Dec. 23, 195

Miss Grace Ellis

In memory of one who for a year and a half gave us guidance and who will always be remembered.

In Memorium

Feb. 2, 1938 — *Nov. 3, 1953*

Carl Gosta Darcy

We think of Carl as still a member of the senior class. Though he will not graduate in body with us, he is still with us in spirit.

"And through the years..."

CLASS PROPHECY OF 1955

The year is 1965 and Bob and Lois Caviness, who in 1954-1955, were senior class advisers, have met to carry out their plan of looking up their class of seniors.

In beginning the search, they start at Newport High where they find Sandra Anderson, now the chemistry teacher.

They find the well-known Bunch Twins, Walter and Wallis, now the proud owners of the Newport Miner. What's this.... On the social page we see where Camille Chrysler has made her debut on Broadway and is a big success.

On the way out of town they see the new muscle building school owned by Jean Marie. He has a large enrollment.

They pass a large SY truck and see that the driver is none other than Duane Randolph.

Now heading down the California Coast, they stop at the "Come On Inn", where they find Jerry Shiers as manager, and keeping the books is Alice Kubena.

Stopping now in Mexico City they bump into Darlene Ferron, who is now a test driver for the Ford Company. She hasn't changed a bit either.

Moving on up to Texas they stop to visit a rodeo. A bucking bronc breaks loose and lo and behold! Guess who's on it.... None other than Jim Willow, holding on for dear life.

Having enjoyed the rodeo, they drive on to Oklahoma, where they visit Martha Hill, now a hill billy singer. She's really whooping it up.

Leaving Oklahoma, they go through Arkansas, Mississippi and stop in Alabama where Barbara Yanak is a small town psychiatrist.

They go on to Miami, Florida, where they find Arleene Taylor, a prominent society woman as well as assistant nurse to a famous brain surgeon.

After spending a day in Atlanta, Georgia, they visit the Paper Mate Pen Company where Jack Johnson is head pen tester.

Planning on taking in the Kentucky Derby, they stop at Louisville. At the betting window they are surprised to find Harold Rusho, and are even more surprised as Richard Olin rides in on the winning horse.

Continuing on to New York, they see posters telling of Barbara Blocker in Tin Pan Alley. More posters invite you to visit the Ann Strayer Fashion Shop.

Also in New York, they learn Edward Allen is running for Senator. They wish him all the luck in the world.

From New York they take an airplane, upon which June Rusho is the stewardess. Doris Craig, a passenger, is on her way to Paris to purchase the latest styles for the J. C. Penney Company.

Landing in Paris, Bob and Lois continue their journey by car.

They learn of Ellen Campbell and Tommy Jeter planning to waterski across the English Channel together.

Now arriving in Madrid, Spain, they hear of "The Great Mills and His Bulls". Later they find out the Great Mills is none other than LaVerne Mills.

In Morocco they see Delbert Davies, now a General in the French Foreign Legion.

Moving on once more they take a plane to Italy. Arriving hungry, they stop in at a little restaurant for some good spaghetti and find Albert Barnett has the same idea.

Arriving in Switzerland they hear yodeling almost everywhere they go. When they ask who it doing this yodeling, they are surprised to learn it is Nancy Cickert who is now a famous mountain climber.

They now continue on until they arrive in Stockholm, Sweden. Here they find Lorna Oscarson giving skiing lessons to young children. They spend a day learning to ski but then must take off.

They stop this time in Poland where they find Joyce Jensen teaching everyone to speak English.

In Turkey they find Carol and Patty Proctor, the proud owners of a tobacco plantation. They are doing very well for themselves.

In the desert they run out of gas so Bob and Lois have to walk to find help. They don't have to go far before them sits a little gas station. The owner of which is none other than Clifford Jones. He said, "Business has been slow, but I don't mind."

Although the search is not over they must head back for Newport High for school is to begin before long. *They make a detour to the Staten. Upon the board they find Georgia Chaney as captain and Wayne Dunbar as [illegible]*

[illegible]

They find JoAnne Nelson in Wisconsin making her career as a social worker.

Going through Libby, Montana, they admire this beautiful home. Later they find out it is owned by *Estelle Lewis*.

Arriving back at Newport they find the new hospital has been completed and Mayor Mike Welsh is presenting it to the city. Shirley Capellen is to be the head nurse.

The journey now completed they return to their homes happy, and prepare for the coming school year.

"Save your smiles and tears"

SENIOR CLASS HISTORY OF 1955

On a snowy morning in January, eight boys and girls of the present SENIOR CLASS assembled in Miss Wichersham's Junior Primary room. They were Barbara Blocker, Camille Chrysler, Carol Proctor, Patsy Proctor, Ann Strayer, Arleene Taylor, Ed Allan and George Chaney. These faithful students have attended the Newport School for thirteen consecutive years with the exception of Camille Chrysler and Barbara Blocker who left Newport at one time and joined us later.

Miss Barnes met us at the door of the first grade to teach us the fundamentals of the three "R's". Joetta McArthur, Luella Lear and Clifford Jones joined us.

Laverne Mills joined us in the second grade where our teacher was Miss Eddington.

Miss Taylor, our third grade teacher, ushered us through our trying days of arithmetic. Here we got our first and last taste of classical music. We also had one of the best rhythm bands the third grade ever had. Delbert Davies joined us here.

Mrs. Luepp escorted us through the fourth grade by adding to our knowledge of the three "R's". Mike Wohld was a new student this year.

In the fifth grade our teacher, Miss Halstead, helped us to overcome the shyness of our class and added to our knowledge of literature, by having us memorize and recite poems to the class. Four new students joined us; they were Sandra Anderson, Aldene Jones, Janette Ockert and Jim Willner.

Mrs. Howe greeted us as we reached the long awaited top-floor. Joining us this year were Edna Gregg and Albert Barnett.

In the seventh grade we were divided into two groups for the first time with Mrs. Miller and Mrs. Egeck as our teachers. JoAnne Nelson joined us here.

Then, finally, the climax of our grade school career was reached, the eighth grade. Here Mr. Wier prepared us for our adventure into high school. Those elected as outstanding students were Carol Proctor and Mike Wohld. Our class picnic was held at Indian Creek (after our bus went through a bridge). At long last graduation day arrived and 40 of us graduated.

At last the day arrived when with trembling knees and happy faces, we entered the high school as freshmen. Our initiation consisted of, among other things, a six mile walk to town. "Harvest Time" was the theme of our "Frosh Return" dance; the decorations included bales of hay, pumpkins, and corn stalks. The freshman class won the magazine drive that year. Mr. Caviness and Mrs. Corkill were our class advisers.

A short summer went by, and then we were sophomores. Our big dance was the Sophomore Hop. Mr. Caviness and Mrs. Corkhill were again our advisers.

The next fall we had advanced to upperclassmen. We sponsored several successful events. "Hawaiian Sunset" was the theme of our prom, our first formal dance, and because of the beautiful decorations and large attendance, it was one of the most successful dances ever held at Newport. Our Junior Revue, "A Night in a TV Studio", also was well-received. The junior class sponsored the play, "Nine Girls". Mr. Caviness and the late Miss Ellis were our class advisers.

And, in no time at all, day of all days, we entered the building as seniors. Tragedy struck us this year in that Miss Ellis, our class adviser, was killed in an accident. Mrs. Caviness took her place as our adviser. Thanks go to all those who were advisers, and especially to Mr. Caviness, who was with us all four years. The big event for us this year was our Senior Ball. The theme was "Isle of Capri". Again we were proud of our efforts. Basketball played a big part in our senior year because the team won the Pend Oreille County Tournament, won third place in the N.E. District Tournament, and represented Newport very well at State, taking sixth place. And now we remember the fun we had on our "Sneak" and the trouble of deciding where to go. Baccalaureate and graduation were the last memorable events. And now, we bid Newport High School a fond farewell and thank her for all she has given us.

Undergrads

Senior Class Activities

The class of "55" sold concessions both at football and basketball games.

Our biggest event, the Senior Ball, was a big success. The theme was "The Isle of Capri". Goodrich and Grier, of Cheney, played.

The seniors sponsored "A Date With Judy". It was presented on November 17, 1954.

The class officers for first semester were: president, Ed Allan--v.-president, Arleene Taylor--secretary, Nancy Ockert--treasurer, Patsy Proctor--social committee, Ellen Campbell--student body representative, Punky Mills--citizenship committee, June Rusho. Second Semester: All the people held the same office except Wayne Dunbar replaced Arleene Taylor as vice-president.

Junior Class Activities

The junior class of '56 sold concessions at both football and basketball games. We had several Victory Dances during football season.

Our Junior Revue, which was presented March 10 & 11, was a great success. The theme was "A DREAM" with 'Mr. Sandman' (Glenn Duncan) as our master of ceremonies.

The junior play, "Little Women" was presented April 1st, and the Prom was held on May 7th.

The class officers for the first semester were: president, Helen Bridges--vice-president, Glenn Duncan--secretary, Maxine Miles--treasurer, Agnes Bergen--social committee, Janice Pearce--citizen committee, Jim Allan--student body representative, Lee Fish. Second Semester: president, Helen Bridges--vice-president, Bob Proctor--secretary, Eldine Strange--treasurer, Agnes Bergen--social committee, Janice Pearce--citizen committee, Jim Allan--student body representative, Lee Fish.

Sophomore Class Activities

Initiation of the Frosh took place September 9, 1954. That night we welcomed the Frosh with a welcome dance. During the football and basketball seasons, we sold concessions at the games. Joyce Ockert and Shirley McIntosh represented us as two of the three B squad cheerleaders. The first semester the officers were: Bob Hunziker, president; Katy Myers, vice-president; Darlene Bowan, secretary; and Joyce Ockert, treasurer. The second semester the offices were filled by: Harland Radomske, president; Bonnie Cain, vice-president; Gayle Balcomb, secretary; and Pete Richards, treasurer.

Freshman Class Activities

Fifty-six freshmen started school here September 1. The student body saw many sights initiation day. Along with garlic, onions, lipstick, and many strange costumes.

The officers for the first semester were: John Bilow, president; Darlene Dabney, vice-president; B. J. Hokanson, secretary-treasurer; student body representative, Larry Fromdahl; and Geraldine Menear, social committee. The second semester they were: Nancy Ovens, president; Barry McLarren, vice-president; Gladys Sanburn, secretary-treasurer; Lynn Thompson, social committee; and Dan Davies, student body representative.

We gave the sophomores a Frosh Return dance which turned out pretty well. We sold concessions for one football game and at the first tournament basketball game. B. J. Hokanson was a B squad cheerleader. The freshmen won the $10.00 prize for bringing in the most money from work day.

We wish to thank our advisers, Mr. Norman and Mr. Fahland, for advising and helping us through our first year in high school.

F.H.A.

The Newport F. H. A. was reactivated in 1953 and has become very active in these two years. It gives any young girl interested, a chance to learn to make more friends.

This past year the Newport Chapter has had a tea for parents, a style show, a banquet, and dances. Also, each year a girl is elected to represent the Chapter at the State Convention. Next year we hope more girls will become members.

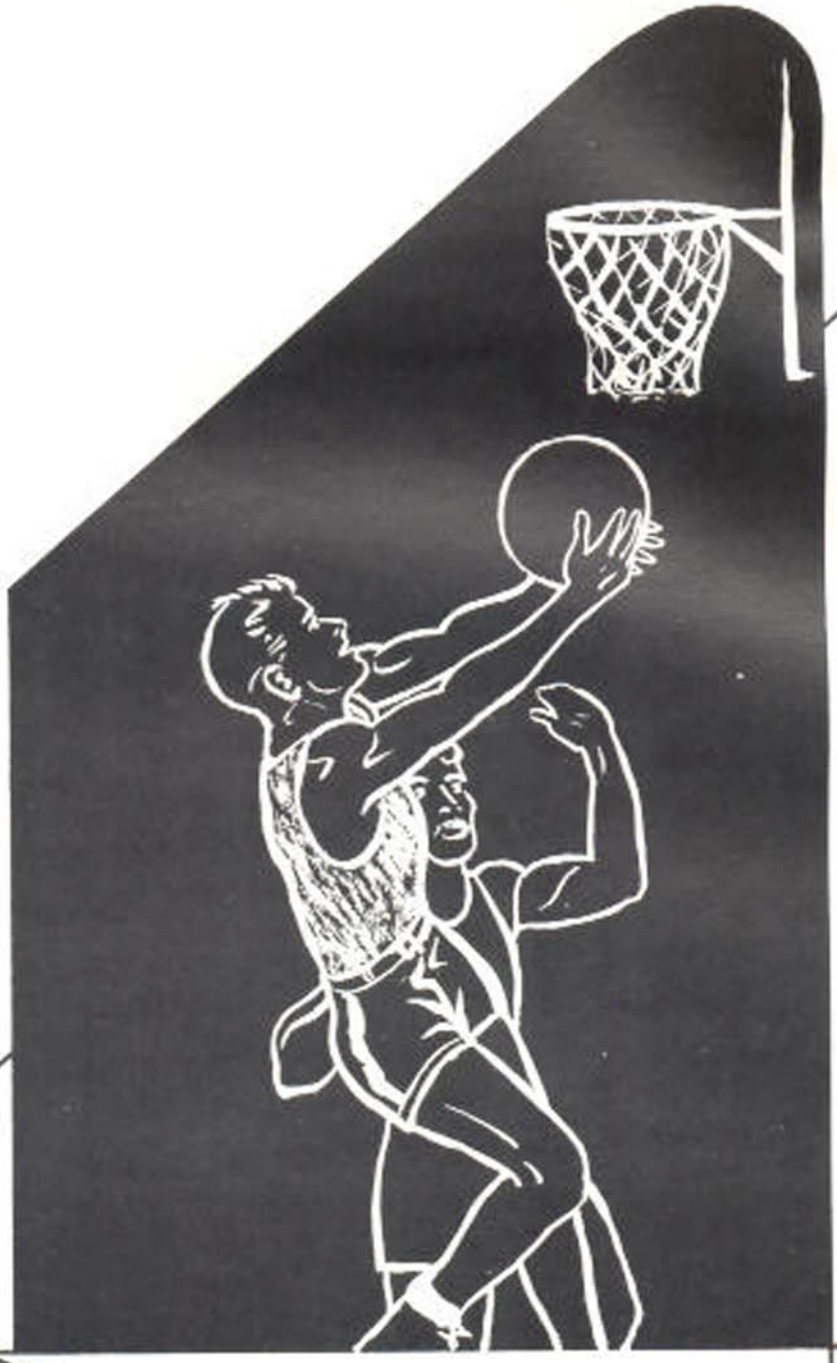

Agriculture

The ag boys completed their magazine sale drive by netting $100 for the F.F.A. funds. The Ag I class sold the most subscriptions. The Ag II class sold next to the most subscriptions. The Ag III & IV classes were the losers so they will treat the winners.

The Ag I class has finished a course in animal husbandry and has started to work in shop. The Ag II class has just completed a study on crops and weeds. They are working in shop now. The Ag III & IV classes have been working with soil tests and fertilizer recommendations.

Bob Rosema and Bob Proctor have applied for a State Farmer degree in F.F.A. They will attend the convention in Pullman this spring. The chapter will also send an official delegate to the convention.

The Parliamentary Procedure Team put on a drill at Diamond Lake Grange, March 5. They have two other meetings scheduled in the near future.

Athletics

Football

In the five years of Newport High School eleven man football history, no Grizzly team has equaled the football record registered by the 1954 NHS Grizzly gridiron team. The record--four wins, three losses and one tie. Making his debut into the field of coaching, Earl Norman, EWCE graduate and football standout, produced an outstanding team. Much credit also goes to the assistant coach, Mr. Oates.

The Grizzlies started strong and ended strong, winning their first two games, losing the next three grid games. For the first time in four years, a Newport football team came out victorious over their cross-town rivals, Priest River. In this season's opening game, Newport played brilliantly in scoring a 6 to 0 upset. These winning ways carried over to the second contest, which inaugurated the first home game of the season and produced a crushing 26 to 0 win over Bonners Ferry.

A mid-season slump seemed to prevail and the Grizzlies lost three out of the following three games. One of these, however, was played brilliantly by Newport despite the loss to their formidable Mead opponents. Chewelah and Davenport also upended the Grizzlies to complete the series of losses.

A championship team is one that bounces back despite heart breaking defeats. It was just such a team that the Grizzlies proved themselves to be. The first victim of Newport's revived and spirited Grizzlies was Deer Park, who submitted to a 38 to 14 defeat. Colville, first in the league, was the next team to invade Grizzlyville and was held to a 7 to 7 tie by the Grizzlies. The final grid game of the season saw Newport score a tremendous 32 to 18 victory over Cheney.

The record of the B squad was also one not to be forgotten. These boys who will fill varsity shoes in the future came through the season without a single defeat, winning five straight.

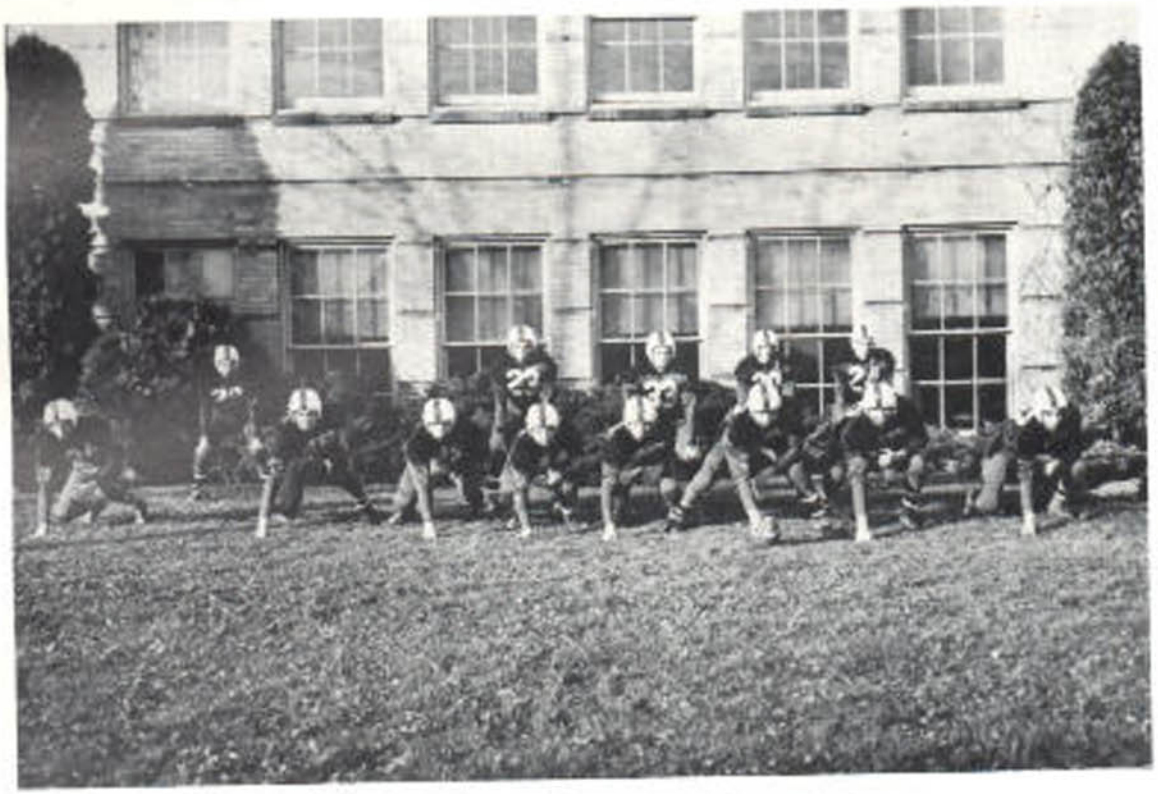

Four boys named to the Northeast District All-Star Team were: left half, Tom Jeter, senior, who was also selected by his team-mates as honorary captain; Jess Morse, senior guard, chosen as one of the two inspirational players; Darrell Maertens, a junior; and another junior, Don Ellersick, right half. Jack Johnson, senior guard, was also inspirational player along with Jess Morse.

Basketball

History has been recorded in the annuals of the 1954-55 Newport High School yearbook. Responsible were 10 athletes and their coach, Bob Caviness, who has now completed his fourth year as basketball coach at N.H.S. producing two county champions and now one team to state. For the first time in Newport High School's long background has a basketball team from N.H.S. played in a state tournament. The only other Newport squad to go to state did not place.

Newport's trophy which represented 6th place in the Class B state tournament at Tacoma, came through an active season of long hours at practice and 18 well played regular scheduled games. The Grizzlies during the season defeated such outstanding teams at Cheney, Deer Park, Mead, Chewelah and Priest River, to go through the 18 games with but one loss, that being to Davenport. Finishing on top of the County league with 6 wins and no losses, Newport had little trouble in sweeping the county tournament, thus earning the right to represent Pend Orielle county at the district meet.

True championship form was exhibited by the Bruins in the district tournament, staged at E.W.C.E. Dropping the first game to Odessa, Newport came back to win three straight, thus earning the 3rd place berth to state. Victories were over a scrappy Inchelium team, strong Springdale and the same team that defeated them earlier, Odessa.

In gaining the title of number 6 team in the state, the Grizzlies played tremendous basketball at Tacoma. Toutle Lake, rated number two in the state, was solidly defeated by Newport the first day of action, while a Grizzly victory over South Bend carried them to the semi-finals. A loss to Bainbridge dropped Newport out of contention for first place, while a lack of five points left the Grizzlies just short of 3rd.

Individual recognition throughout the basketball season went to 6 members of the varsity team. Tom Jeter made all-county, all-district and all-state, a truly remarkable achievement. Jess Morse, who also was selected for all-county, was chosen as the county's most outstanding basketball player and received the Don Eng Inspirational trophy and the *Guy Manning* Sportsmanship award. Bob Bockemuehl was selected to all-county and gained honorable mention at the state tourney. Don Ellerstick and Laverne Mills received positions on the second county team, while Darrell Maertens earned honorable mention for his outstanding playing in the state tourney.

The success of this 1954-55 basketball team was due to the outstanding efforts of the entire squad, the brilliant coaching of Bob Caviness and the support given to the team by the student body and adult rooters. With the nucleus of another fine squad next year, the Grizzlies have a good chance of representing their county once again in the state Class B tournament.
