Closed Campus
The Board of Directors of Newport School District believes that the safety and well-being of all students is a paramount duty. In response to this belief, and with appropriate community input, the Board has established the following policy.

GRADES K-8:
Students in grades K-8 will remain on campus from the time of arrival in the morning until afternoon dismissal time. A student may be released only to a parent or guardian who properly presents him/herself to office staff. Exception: Students in grades 7-8 may be allowed to leave campus for medical/dental appointments in town (Newport) with a parental permission slip presented to the office.

Grades 9-12:
Students in grades 9 and 10 will remain on campus from the time of arrival in the morning until afternoon dismissal time. Students in grades 11-12 may leave campus during lunch only if they have a written permission slip from a parent or guardian. This permission slip must be renewed each quarter to remain valid. Random checks of students leaving may be made at the discretion of the principals. This privilege may be adjusted by the Superintendent/Principal or Principal Designee as needed to ensure the smooth operation of the school. Students needing to leave for a specific purpose, i.e., medical/dental appointments must bring a parental permission slip for that day.
