Sponsoring organizations shall provide sufficient, competent adult and/or special supervision, and the amount of adequate supervision shall be agreed upon at the time the authorization is is- sued.

Alcoholic beverages and illegal drugs shall not be permitted in school facilities or on school property at any time. Tobacco use is prohibited in school facilities and on school property. All applicants for use of school facilities shall hold the district free and without harm from any loss or damage, liability or expense that may arise during or be caused in any way by such use or occupancy of school facilities. Also, in the event that property loss or damage is incurred during such use or occupancy, the amount of damage shall be decided by the superintendent and approved by the board and a bill for damages shall be presented to the group using or occupying the facilities during the time the loss or damage was sustained.

All applicants for use of school facilities shall maintain accident and liability insurance for per- sons using district facilities under the applicant's sponsorship in an amount not less than $50,000 due to bodily injury or death of one person or at least $100,000 due to bodily injury or death of two or more persons in any incident. Additionally, youth organizations engaged in sports activities and using school facilities must submit a signed statement of compliance with the policies, described in RCW 28A.600 for the management of concussion and head injury in youth sports.

Because of the value of district's playing fields to the community's total recreational opportunity, the fields may be used by all residents. The use must be appropriate and compatible with each play field and its surrounding area. Such use shall not result in destruction, damages, or undue wear or pose a hazard to children or others. Activities which endanger others or cause damage to fields and lawns are restricted. Should damage to fields and lawns occur, the superintendent shall make reasonable effort to obtain restitution for the damage.

A custodian or other authorized staff member must be on the premises when any non-school group is using school facilities.
