Fitness Shuffle

Use half a deck of cards (26 cards). Make sure to remove the jokers. Take turns drawing a card and doing the activity that goes with each card. If you draw a numbered card, you will do the exercise that goes with the shape/suit. The number on the card determines how many to do of that exercise. If you draw a face card (Jack, Queen, King, or Ace) you do the exercise that goes with that card.

Example: If you draw a 3 of hearts, you would do 3 jumping jacks. If you draw a Jack, then you jog in place for 30 seconds.
