

**Board of Trustees  
Douglas County School District**

**OBJECTIVES**

**STUDENT GOALS**

The Douglas County School District believes each student should be encouraged to:

1. Achieve a feeling of self-worth,
2. Accept the worth and dignity of all people,
3. Develop a positive attitude toward the rights and privileges of participating citizenship and an understanding of the responsibilities involved,
4. Attain and preserve good physical and mental health,
5. Plan for and appreciate the wise use of leisure time,
6. Develop skills and abilities to communicate ideas and feelings,
7. Develop and maintain a positive attitude toward the learning process,
8. Acquire habits of analytical thinking and problem solving,
9. Achieve his potential in the basic academic areas,
10. Understand the American economic system and its relationship to a productive life,
11. Realize the role of vocations in society and to understand the changing opportunities open to him,
12. Utilize guidance and counseling services to help with career planning, and
13. Have knowledge as to the most appropriate and efficient use of man's resources and environment.
