1. No class should have more than one student teacher during the course of a school year.
2. Teachers who have completed the “Preparing for a Student Teacher” staff development course will be eligible to be considered to supervise student teachers. Completion of the course does not guarantee the assignment of a student teacher. Teachers must update themselves every five years with the refresher version of this course to be considered to supervise student teachers.
3. All student teachers will receive an orientation conducted by the Human Resources Department and the Department of Educational Services, unless school district administration, at its discretion, determines that such an orientation is not necessary due to the length of the placement.

E. Length of Placement

Student teachers will be placed with a supervising teacher for a period of time to be determined by the cooperating agreement.
