

**CANANDAIGUA ACADEMY
SCHOOL SUPPLIES 2023-2024**

All Students Need

- Folders, pens, pencils, and paper
- Bring your school-issued chromebook to classes
- Ear buds/headphones suggested

Art

Drawing & Painting I, II, and III

- Spiral or book bound sketchbook, 9 x 12 inches.

Computer Art, Graphic Design, and Introduction to Digital Media

- USB storage device
- Wireless mouse. Average cost can range from \$10-\$20. Can be found at Walmart, Target, Staples, or on-line at Amazon.com. (A mouse, with a cord, can be used as a substitution so long as it has a USB connector.)
- Earbuds or headphones compatible with Chromebooks and computers.

Business

For all Business classes, students need a folder dedicated to that course.

English

Each teacher will inform students of notebook requirements on the first day of class.

Physical Education

T-Shirt/sweatshirt (weather appropriate), gym shorts/sweatpants (weather appropriate), sneakers (no crocs or boots), swim suit (for girls 1 piece or tank-kini preferred and can wear a t-shirt with swim suit) and towel. Deodorant is suggested.

Math

All math classes, with the exception of Algebra ABC and Career Math courses, will require: either a 3-ring one inch binder or folder, ruler, pencils, and a TI-84 Plus Graphing Calculator. Some may require color pencils and highlighters.

Upper level Math courses- AP Calculus, AP Statistics, IB Math, Pre Calc and Algebra 2 will require (in addition to above): graph paper, notebook paper

TI 84 Plus graphing calculator: We highly encourage families to purchase their own calculator, but we do have calculators available for loan. Let your child's math teacher know if you need to borrow a calculator. Your child will need this calculator for the first week of school, as it will be used and needed for homework/classwork.

The TI 84 Plus graphing calculator models vary: These calculators can be purchased at stores such as Walmart, Target, Staples, or on-line at Amazon.com. We suggest that you purchase these in early August to be able to take advantage of the back-to-school sales. However, be aware that several stores sell out as the first day of school approaches.

Please **do not** purchase TI 83 models. They are outdated.

TI 84 Plus

User Friendly
Battery Operated

TI 84 Plus Silver

User Friendly
Battery Operated

TI- 84 Plus CE Silver

Graphs in color
Rechargeable - must keep cords
Slower than other models

TI- 84 Plus CE

Graphs in color
Rechargeable- must keep cords
Matches calculator on smartboard

Music

All Music Students:

- Students enrolled in a music course at the Academy should have access to a pair of headphones for at home use.
- They should also have a music stand at home to ensure that they are practicing/playing with good posture.

Orchestra and Band: Each student should have a method/etude book for their small group music lessons. This book is different for each student/group. Generally speaking, students will begin the academic year with the book that they used at the end of the prior year. Please contact a music teacher if further clarification is required.

Orchestra: Orchestra students must have rosin at home.

Science

Living Environment: Common supplies needed no matter which teacher to whom you are assigned:

- Highlighter

The Following supply needs are dependent on the particular teacher to whom you are assigned:

Teacher: Jordan

- 1 inch binder
- 5-tabbed dividers

Teacher: LaSota

- 1- Two pocket folder
- 1- composition notebooks (the sturdier the better)
- Colored pens
- Colored pencils (just for Living Environment)
- Pencil pouch

Teachers: Morgan and Robbins

- 2 inch binder
- 2-two pocket folders
- Colored pencils

Teacher: Zanowick

- 2 inch binder
- 5-tabbed dividers

Earth Science

- Four function calculator (per State Education Department, graphing calculators are not allowed on the Regents exam)
- 3-ring binder (2")
- Binder dividers
- Notebook paper
- Pens and pencils
- 2 two-pocket folders

Chemistry (Regents or Honors)

- Functioning mechanical pencil with an eraser or two traditional pencils with erasers. *Pens are not acceptable.*
- 3-ring notebook (1" or 2")
- Notebook paper
- Graph paper
- Scientific calculator (per State Education Department, graphing calculators are not allowed on the Regents exam)

Chemistry in Action

- 3-ring binder
- 1- two pocket folder
- Pens or pencils

Physics

- Calculator (scientific or graphing... per State Education Department, graphing calculators ARE allowed for physics)
- Protractor
- Ruler
- 3-ring notebook

AP Physics (both Year 1 and Year 2)

- Calculator
- Binder for notes and papers
- Protractor

AP/IB Biology

- 3-ring binder: to hold and organize your stuff; probably 2"-2.5" will suffice
- Paper: You're going to have to write things down; loose leaf or spiral
- Pens and pencils: Please have both.
- Calculator
- Optional: dividers, colored pencils/markers, ruler

AP Environmental Science/IB Ecosystems & Society

- 3-ring binder: to hold and organize your stuff; probably 2" will suffice
- Paper: You're going to have to write things down; loose leaf or spiral
- Pens/pencils: Please have both.
- Optional: dividers, colored pencils/markers, ruler

Ecology

- Writing utensil (either pen or pencil)

Applied Science

- Writing Utensils
- Two Pocket Folder or 3-ring binder

Forensics

- Writing Utensils
- Two Pocket Folder or 3-ring binder

Social Studies

AP Global 9

- 5 tab dividers
- 1 subject spiral notebook
- 2" Binder

Global 9

Teachers: Mrs. Gioseffi and Mr. Canough

- 1-2" Binder
- 6 tab dividers

Teacher: Mr. Chapman

- Folder with 2 pockets

AP Global 10

- 1½"-2" Binders
- 10 tab dividers with replaceable labels
- Index cards (3x5 or 4x6)
- 1 subject spiral notebook

Global 10 (all)

- 1-2" Binder

AP US History

- One large 3-ring binder (1 1/2 or 2 inch)
- 5-8 Tab dividers for units
- Loose-leaf paper

----OR-----

- Spiral notebook
- 3-5 pocket folders for handouts

US 11 (all)

- 1-2" Binder
- Index cards (3x5 or 4x6)
- 10 tab dividers

AP Government & Politics

- One large 3-ring binder (1.5-2 inch)
- 5-8 Tab dividers for units
- Loose leaf paper OR spiral notebook
- 3-5 pocket folders for handouts

AP Macroeconomics

- Sturdy 3-ring binder, 1.5 inch or bigger
- Wide-ruled loose leaf paper with holes to insert into binder
- Pens (blue or black ink)
- #2 pencils
- Notebook dividers (7)

AP Psychology

- 1" Binder or folder
- Loose leaf paper or spiral notebook

Economics

- Three ring binder or folder
- Chromebook
- Pens and pencils

Gemini Psychology

- 1” Binder or folder
- Loose leaf paper or spiral notebook

Gemini Sociology

- 1” Binder
- 1 subject spiral notebook

Participation in Government

- Three ring binder or folder
- Loose leaf paper/notebook
- Pens
- Highlighters

Technology Education

All Project Lead the Way (PLTW) Courses: (DDP, POE, DE, CIM, CEA, EDD), Introduction to Wood Working, Introduction to Metals and Plastics, Construction Systems, Manufacturing Systems, Transportation Systems

- Pencils
- Folder

Photography, Introduction to Digital Media, Graphic Production, and Video Production

- USB storage device

World Languages

All French classes *

- Binder or folder (student preference)
- Composition notebook
- Pens/pencils
- Highlighter

*A French/English dictionary is recommended for French IB classes

Spanish levels 1-3 and Spanish FLCC Gemini

- Binder or folder (student preference)
- Loose leaf paper
- Pens/pencils
- Highlighter

Spanish IB

- Binder
- Loose leaf paper
- Pens/pencils
- Highlighter
