**WELCOME TO THE INFORMER**

Dear Parents and Guardians,

As we approach the end of this Term 1, I would like to thank you for all your continued support as we work together, as a school community, raising teaching and learning standards and offering positive learning opportunities for our students.

We have had an extremely successful term with the majority of students focused on learning and doing their absolute best every single day.

There have been so many amazing events that have taken place this term, as a result of the hard work, dedication and resilience of our staff and students.

Our Grade 6 Leadership Assembly was a very successful event and it was lovely to welcome special guests and parents to that assembly.

Our Inquiry learning excursions around Port Moresby have been informative for our students too. We have also had an array of sporting activities and events every week this term, like our swimming carnivals and AFL sessions. The new Discovery Centres at both campuses, have been real game changers, with an ever increasing amount of reading books being read by students each week.

This is really good news - we have, thanks to the School Board's support, purchased around K100,000 new curriculum resources for the teaching and learning at KoroBoro. These resources will be in the school from Term 2, as they start to arrive from our educational suppliers. So excited!

We continue to develop and offer so many enriching opportunities and experiences for all, which will continue into next term and beyond.

Normality has returned to school life at KoroBoro.

# PRE. RW

WELCOME TO THE INFORMER

Celebrating Orange Day, the ELV way

Thank goodness it's finally time to eat. With all this jumping, running, hopping, laughing, screaming and crawling we are famished.

Climbing up the iron bar was a little difficult, but we are still trying, we will not give up.

Crawling under the cave was dark and scary but we got to see light on the other side.

## We are curious.

We were confused when we saw two different colored paints in a zip log bag. Out of curiosity we quickly placed both our hands on the bag and that's when we saw the magic. When you mix two primary colors it makes a secondary color. WOW! Awesome.

## We are exploring, working hard to search because we are curious to find out.

We have been talking a lot about animals. We looked up pictures and videos on the internet after a recent walk to find insects.

It was very difficult to spot bugs and insects, but we managed to find one stinky bug. We didn't want to touch, you know why, so we had to use an empty container to trap it.

# GR. 2MN

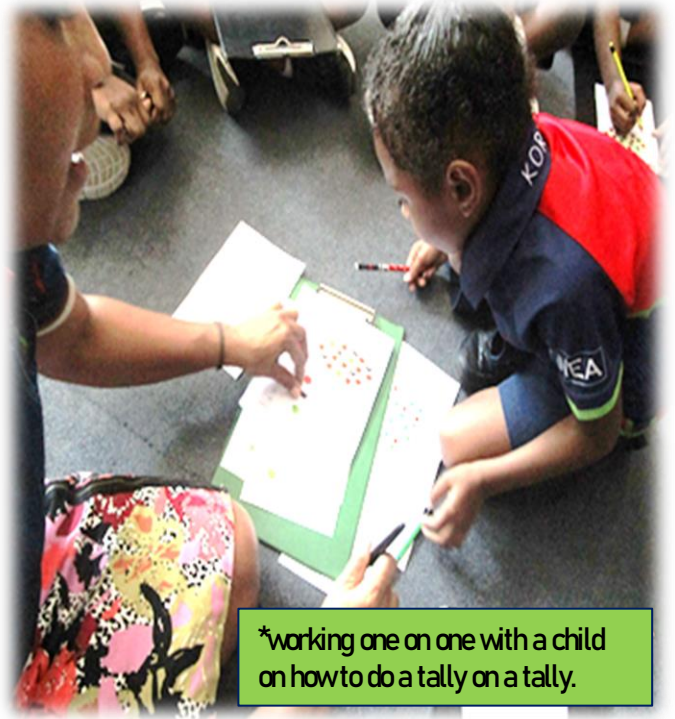

WELCOME TO THE INFORMER

## Grade 2MN class.

This week in Mathematics the 2MN class learnt about how to collect Data/Information and display the information collected on a Tally Chart and Pictogram, not only did they learn how to find information and display on the Tally Chart or Pictogram, but they also learnt how to interpret the graphs.

\*Guided group - this children are counting the Number of tally strokes and recording them chart. Using numbers.

\*working one on one with a child on how to do a tally on a tally.

\*Busy at work - collecting data and recording on The tally chart.

\*group work - collecting information Using cubes and recording on a tally chart.

# GR. 3FJ

WELCOME TO THE INFORMER

## 3FJ in Term 1!

Well, well, well. This year 2023 has been a blast! There have been so much fun things happening, in terms of learning inside and outside of the classroom.

Here are some highlights:

Talk partners discuss using the Math strategy taught in the lesson to work out their answers.

Group discussions happen just outside the classroom. Here students are talking about the different things we can do to keep our environment safe.

This is the 3FJ English management task board.

Days	Group	Duck	Chick	Cockato	Eagle	Albatross
Monday	R1	Guided Reading	Guided Reading	Independent Reading	Independent Reading	Independent Reading
	R2	Guided Reading	Guided Reading	Independent Reading	Independent Reading	Independent Reading
	R3	Sound to Sight	Sound to Sight	Independent Reading	Independent Reading	Independent Reading
Tuesday	R1	Guided Reading	Guided Reading	Independent Reading	Independent Reading	Independent Reading
	R2	Guided Reading	Guided Reading	Independent Reading	Independent Reading	Independent Reading
	R3	Sound to Sight	Sound to Sight	Independent Reading	Independent Reading	Independent Reading
Wednesday	R1	Guided Reading	Guided Reading	Independent Reading	Independent Reading	Independent Reading
	R2	Guided Reading	Guided Reading	Independent Reading	Independent Reading	Independent Reading
	R3	Sound to Sight	Sound to Sight	Independent Reading	Independent Reading	Independent Reading
Thursday	R1	Guided Reading	Guided Reading	Independent Reading	Independent Reading	Independent Reading
	R2	Guided Reading	Guided Reading	Independent Reading	Independent Reading	Independent Reading
	R3	Sound to Sight	Sound to Sight	Independent Reading	Independent Reading	Independent Reading
Friday	R1	Guided Reading	Guided Reading	Independent Reading	Independent Reading	Independent Reading
	R2	Guided Reading	Guided Reading	Independent Reading	Independent Reading	Independent Reading
	R3	Sound to Sight	Sound to Sight	Independent Reading	Independent Reading	Independent Reading

This is what we do in 3FJ when it's home time!

Students are able to quickly move to their respective workstations during our Reading lesson practice time. The task board directs the student during the rounds each day.

Students sit in 3-4 straight lines in a way of preparing themselves for shuttle, bus drop-off and waiting area (where their parents/guardians come and fetch them from).

# GR. 5SM

WELCOME TO THE INFORMER

5SM – Term 2

For the learner it was about establishing the learning community and making the transition to level 4.

It was about meeting the learner where they are in their learning journey and moving the learning along.

## UOI – Capturing Mini ecosystems

Guiding a student to achieve learning goals

## Working Collaboratively

Independent reading

# PE. Boro

WELCOME TO THE INFORMER

## PE at Boro with Mr Kuwe

Physical Education classes at Boro Campus are always filled with fun and excitement. In Term 1, Grade 1 and 2 students participated in exciting movement activities that helped keep their bodies fit and healthy. This topic aligned perfectly with their termly focus on Active Lifestyle.

To achieve the desired outcome of performing different sequence movements, the students were taught to use various parts of their bodies to move around. One of the highlights of the lesson was when they imitated the movements of their favourite animals. This activity helped them develop their coordination and led to the exploration of more advanced movements such as forward rolls and cartwheels.

In their swimming lessons, the Grade 1 clusters are currently learning important swimming skills, such as streamline kicking and floating on their front and back. They are also being introduced to freestyle swimming. To practice these skills, they participate in fun water games and mini swim races.

Meanwhile, the Prep Clusters are learning to develop their confidence in and around the water. They are practicing floating on their front and back using floaters, and they also participate in fun water game activities. These games are designed to help them gain confidence, learn basic front and back floating, and practice breathing techniques such as blowing bubbles.

**KB Sports NEWS** Term 1, March Edition 2023

I would like to bring to your attention all the sports events that are planned for execution. With the hard working KB Sports team comprises of Mr Peter Kuwe (Gr P-2 PE teacher and ECA Assistant Coordinator), Mr Rolland Isaiah (ECA Coordinator and Grade 3-6 PE/Swimming teacher), and the PE/Sports assistants (Mr Roger Evara and Mr Reynold Wimina), the 2023 events that are lined up ahead will be in no time done.

2023 will be an awesome year. The school just started the great events with our annual Inter-House Swimming Carnival which we had on Thursday 09 March 2023 for the Juniors from the Boro campus that held the carnival at Koro pool with other activities. Then on Friday 10 March 2023, the Koro campus had a great time at the world class stadium pool. After the carnival, the school representative side was selected and was into trials and practices ready for the Inter-School Swimming Carnival on Thursday 30 March 2023 at Taurama Aquatic Centre. The Inter-School Swimming was held on Wednesday 29 March with KoroBoro coming 2<sup>nd</sup> place out of the three IEA schools that participated.

### Competitions (Local and Overseas)

Basketball Competition has started already organized by Port Moresby Women's Basketball Association and we have students playing in U10 and U13 teams. Our students are also playing under the Saints Basketball Club and Exodus Basketball Club. Our KoroBoro Football Select sides are already in training getting prepared for the 2023 up-coming John Bomben Carnival in Cairns, Australia.
