

## **2023-2024 Canteen Meals**

The school works with a canteen meal supplier which provides us with a wholesome selection of lunch menus.

The school meals will be available every day, including Wednesdays, from the first day of school, namely **Friday, 1<sup>st</sup> September 2023**.

The set daily menu consists of:

- First course (salads, crudités, etc)
- Main dish of fish or meat (no pork / vegetarian option) with vegetables or an accompaniment (pasta, rice, potatoes, etc)
- Dairy product (yoghurt/cheese)
- Dessert
- Fruit
- Bread

The preparation of these well-balanced meals is controlled by the French Ministry of Health.

The cost of the hot lunch meal plan is **€2,800**.

**Please note that once a student is enrolled for hot lunches, under no circumstance can this be cancelled during the school year, even if the student leaves the establishment before July 2024.**

**Please complete and sign this form and return it to Marie Skippon by email [mkippon@icsparis.fr](mailto:mkippon@icsparis.fr) before 16<sup>th</sup> August 2022.**
