This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students groups will be supported with this monitoring process.

Strategy/Activity

Teachers identify students with a below 2.0 GPA or 5 or more referrals and or more than 10 absences to the office to monitor their progress.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All student group populations are affected by the utilization of WEB

Strategy/Activity

Utilization of WEB (Where Everyone Belongs)

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

2400

Source(s)

LCFF - Targeted
1000-1999: Certificated Personnel Salaries
Teacher extra help

Strategy/Activity 13

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students are able to benefit from the bullying prevention education provided.

Strategy/Activity

Bullying prevention education will be provided to students, parents and teachers through assemblies, mandated trainings and parent informational nights.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No cost

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 15

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 16

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 18

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 19

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 20

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 21

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 30

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 31

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 32

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 33

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 34

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We are continuing to decrease our suspension rate. Our suspension rate dropped 2.62% from last year to 3.1%. We were also able to lower our truancy rate ranking it as one of the lowest truancy rates for middle schools in the county. We lowered our truancy rate by 1.54% to 1.9%.

The continued implementation of school wide PBIS protocols and the focusing on CHAMPS foundations have helped to create an environment that students feel supported by staff. The PBIS committee will continue the training provide by VCOE. With that training our team created our guidelines for success, behaviors in common areas and our tiered interventions. Our PBIS committee also refined our extrinsic reward system called leader of the pack tickets to incentivize students for exhibiting behaviors that are aligned with our guidelines for success. It is worth noting that many of the educational pieces concerning PBIS and CHAMPS were pushed through our student news program called LOBO news which is run by our Language Arts teacher and our Journalism elective. This work had led us to being a PBIS CA coalition silver medal winner.

Many of our staff have also undergone Restorative Justice training. This has led to numerous teachers conducting Restorative Justice Circles in order to get to the root cause of misbehavior.

The work that done in regards to attendance is multifaceted. When looking at our Healthy Kids survey it shows that kids generally feel safe at RJ Frank. Additionally we have a large WEB program that involves 8th grade students mentoring 6th grade students. We also have some mentoring programs that are run by teachers such as the Lost Boyz, which allows students to connect to a mentoring adult.

Our clubs and athletics programs are also well attended as is our after school program. Our teachers are very committed to forming positive relationships with students. The focus on PBIS/CHAMPS foundations has helped staff to understand the positive impact of relationship building with students as it pertains to attendance and academics as well as the overall improvement in school climate. Another way this has been illustrated is that our teachers stated that positive relationships with students was the most important component in regards to high leverage teaching techniques. Good initial first instruction is also a component that leads to our low truancy rate. Our counseling staff has also worked extremely hard to address students needs in a proactive way. Individual counseling over the phone is offered as well as contact through email or text. Counselors reach out to students on a daily basis. This has allowed our students another avenue to express themselves and to feel comfortable at school. Small group counseling lessons are being created to meet need of social emotional counseling. How students are chosen for small groups is: parent, teacher request, COST review, or self referral.

Our ORC also worked diligently when conducting SART meetings with parents and also moving items to the SARB process when necessary. Our attendance clerk has also worked hand in hand with our ORC to address truancy concerns. Lastly our ORC, counselors and administration conducting home visits when necessary with habitual truant students. The culture and climate at

Frank have led to students wanting to come to school. This is undoubtedly apparent when looking at our wait list which is the longest in schools history.

Lastly we revamped our opportunity program to better address our tier 3 students needs. This included some improvements in teacher collaboration, scheduling, SST follow through and the utilization of RJ circles.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Budget concerns created some challenges in regards to handling discipline. Budget reductions caused a drop in 0.5 of an AP position. This created some challenges on how we divided supervision and discipline workload amongst administration. Additionally we were not able to fill a para professional position in opportunity. This was a reduction in support from previous years with our most at risk students.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Budget concerns continue to be a challenge with the reduction of a full 1.0 AP, 2 clerical positions and 3 campus supervisor positions. The strategy to deal with this include a redistribution in responsibilities amongst administration, clerical and counselors.

For suspension rate our goal is to drop another 1.0% which will place our suspension rate at 2.1% which would be at or near the state average for middle schools. Additionally we will be working to address equity issues as it relates to suspensions of various races, EL learners, low SES students, foster students and special education students.

For truancy rate our goal is to drop another 0.4% which would place us at 1.5% which is lower than state, county and district averages for middle schools.

One of our methods to improve in the area of PBIS which would undoubtedly lead us to improve our suspension and truancy rates is to align our practices with the PBIS CA coalition. This group works to create a system that looks at evidence based approaches to student behavior with the goal of maintaining fidelity within PBIS. Our goal is to be a PBIS Gold winner. One step in this process is to look at procedures and tier one interventions that are done in the classroom. Part of this focus will include some PD for teachers in regards to what that protocol looks like.

Lastly we have secured a grant with city impact that is a partnership that allows us to have two student mentors on campus five days a week for 4 years. These mentors will be working with our seventh grade students with next year being both 7th and 8th grades.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|---|--|
| Parent participation rates at meetings/activities: Back to school night, ELAC, SSC, PTO | The 2017-2018 school year will be the baseline. | During distance learning, parents will participate through technology. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Title I parent information presented at Back to School Night.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|-----------|
|-----------|-----------|

No additional cost

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Parent compact distributed to all parents.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Outreach counselor teaches parent empowerment classes in the evening throughout the school year.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

1000

Discretionary
4000-4999: Books And Supplies
Parent Project Materials

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Parent conferences are held throughout the year in order to communicate student progress.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Staff works in collaboration with parents during IEP, 504 and SST meetings.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

ELAC meetings are held monthly to communicate EL student progress as well as develop plans for EL student success with parents and stakeholders.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

ORC provides outreach to communities and families on a regular basis. Food care packages are distributed to families in need.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

ORC salary (see goal 1, activity 2)

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Counselors routinely meet with parents to review students academic progress as well as their social emotional well being.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Counselors' salaries (see goal 1 above)

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

PTO meets on a regular basis. Parents are encouraged to attend in order to provide input.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--------------------|
| | No additional cost |

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)
This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Parent workshops: Project 2 Inspire (CABE), The New Dawn, VCBH Mental Health, OPD gang-related/drug related presentations, Daughter-Mother

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--------------------|
| | No additional cost |

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)
This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Parent workshops: Parent project, PIQUE

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Source(s)

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students parents who need translation. Title 3 will be for our EL student population.

Strategy/Activity

Extra Clerical Support for translation at parent conferences and to process students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 4009 | Title III 2000-2999: Classified Personnel Salaries Extra time for processing of students grades, attendance |
| 2600 | LCFF - Targeted 2000-2999: Classified Personnel Salaries Extra time for translations |

Strategy/Activity 15

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 16

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 18

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 19

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 20

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 21

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 22

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 23

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 24

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 25

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 26

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 27

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We did a number of things at Frank to provide parents with a welcoming environment for them to be engaged in a productive way for the academic and socio emotional health of their child. Our ELAC and SSC committees involve parents with the decision making at our school. During first ELAC meeting, the ELAC members created a parents needs assessment that was sent to all parents. 14% of our parents provided feedback and we used their responses to plan workshops around their needs. Our PTO works with our community for fundraising opportunities. Parents also participate in IEP, SST and 504 meetings where they are direct partners in the decision making concerning their child. Additionally our counselors work with our criteria 2 students to discuss strategies to increase success and social-emotional well being. We also have a number of different events that welcome parents onto our virtual campus. We have our back to school every year where parents are welcomed onto campus in order to meet teachers and ask questions. During distance learning, our counselors and ORC invited parents to a virtual academic, social-emotional, and parent resources forum. 17% of parents participated via zoom. Also during back to school night, our newcomer academy team met the language needs of families who speak a language other than Spanish and English thirty minutes before the night began. When our newcomer academy students start the year, we are making sure their needs are met prior to their start date; this includes a needs assessment meeting with the parent and student, providing distance learning technical support for canvas and google classroom. Every year we also have our RJ Frank showcase night where we highlight all of our electives and special programs for the community. This year, we will continue with the program. At Frank we held an internet safety discussion for parents so they can be more educated on how to support their child's safe use of the internet. We also participated in project 2 inspire which gives our parents some practical tools on how to help their child be successful. During distance learning, we will provide parent workshops that support with parenting skills; such as the New Dawn, VCBH Mental Health, OPD gang-related/drug related presentations, Daughter-Mother, Parent project, and PIQUE, based on results from our parent needs assessment.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Budget reductions did have some impact on our delivery of programs to parents. Reduction in our AP position created a redistribution of roles and responsibilities to counselors and Outreach

Counselor. These has impacted the time spent on the preparation of these programs. Furthermore clerical was reduced which caused less time to do the work load. Lastly we could not provide food at our parent meetings due to budget constraints which directly impacts our goal at attending to our parents through Maslow's hierarchy of needs. COVID 19 and distance learning has impacted the time spent in developing these activities due to having to learn different online platforms and reach out to families in multiple ways. Our families have also had to learn to use and access technology.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Additionally this next year during distance learning, we plan to add a few items to ensure that our parents feel connected to our school. Some of those programs are our Parent Project to Inspire, The New Dawn, VCBH Mental Health, Parent project, PIQUE, groups which meet periodically. We are also planning on adding parent meeting nights for Q and A with administration and counselors, so that parents can have access to the leadership team. As a metric to determine effectiveness of parent engagement we will utilize the healthy kids survey that is sent to parents every year. We also gave parents a beginning of the year parent needs assessment through ELAC and will do an end of the year post assessment. We also implemented Panorama this year in all grades to identify our students' social-emotional needs.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

| Description | Amount |
|---|--------------|
| Total Funds Provided to the School Through the Consolidated Application | \$154,141.00 |
| Total Federal Funds Provided to the School from the LEA for CSI | \$0 |
| Total Funds Budgeted for Strategies to Meet the Goals in the SPSA | \$346,099.00 |

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

| Federal Programs | Amount (\$) |
|------------------|-------------|
| Title I | \$95,214.00 |
| Title III | \$21,700.00 |

Subtotal of additional federal funds included for this school: \$116,914.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

| State or Local Programs | Amount (\$) |
|-------------------------|--------------|
| Discretionary | \$70,985.00 |
| LCFF - Intervention | \$30,000.00 |
| LCFF - Targeted | \$128,200.00 |

Subtotal of state or local funds included for this school: \$229,185.00

Total of federal, state, and/or local funds for this school: \$346,099.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

| Funding Source | Amount | Balance |
|---------------------|---------|---------|
| Title I | 95,214 | 0.00 |
| Title III | 21,700 | 0.00 |
| LCFF - Targeted | 128,200 | 0.00 |
| LCFF - Intervention | 30,000 | 0.00 |
| Discretionary | 70,985 | 0.00 |

Expenditures by Funding Source

| Funding Source | Amount |
|---------------------|------------|
| Discretionary | 70,985.00 |
| LCFF - Intervention | 30,000.00 |
| LCFF - Targeted | 128,200.00 |
| Title I | 95,214.00 |
| Title III | 21,700.00 |

Expenditures by Budget Reference and Funding Source

| Budget Reference | Funding Source | Amount |
|--|---------------------|-----------|
| 2000-2999: Classified Personnel Salaries | Discretionary | 42,669.00 |
| 4000-4999: Books And Supplies | Discretionary | 28,316.00 |
| | LCFF - Intervention | 26,000.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Intervention | 4,000.00 |
| | LCFF - Targeted | 35,600.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Targeted | 13,681.00 |
| 2000-2999: Classified Personnel Salaries | LCFF - Targeted | 58,913.00 |
| 4000-4999: Books And Supplies | LCFF - Targeted | 9,006.00 |

| | | |
|---|-----------------|-----------|
| 5000-5999: Services And Other Operating Expenditures | LCFF - Targeted | 5,000.00 |
| None Specified | LCFF - Targeted | 6,000.00 |
| 1000-1999: Certificated Personnel Salaries | Title I | 15,600.00 |
| 2000-2999: Classified Personnel Salaries | Title I | 42,344.00 |
| 4000-4999: Books And Supplies | Title I | 27,270.00 |
| 5000-5999: Services And Other Operating Expenditures | Title I | 2,000.00 |
| 5800: Professional/Consulting Services And Operating Expenditures | Title I | 8,000.00 |
| | Title III | 3,300.00 |
| 2000-2999: Classified Personnel Salaries | Title III | 13,560.00 |
| 4000-4999: Books And Supplies | Title III | 2,740.00 |
| None Specified | Title III | 2,100.00 |

Expenditures by Goal

| Goal Number | Total Expenditures |
|-------------|--------------------|
| Goal 1 | 324,530.00 |
| Goal 2 | 13,960.00 |
| Goal 3 | 7,609.00 |

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 4 Classroom Teachers
- 1 Other School Staff
- 3 Parent or Community Members
- 3 Secondary Students

| Name of Members | Role |
|----------------------|----------------------------|
| Dr. Richard Caldwell | Principal |
| Tess Potchen | Classroom Teacher |
| Kristin Dodge | Classroom Teacher |
| Crystal Reagan | Classroom Teacher |
| Mark Urwick | Classroom Teacher |
| Amber Pergeson | Other School Staff |
| Alma Romero | Parent or Community Member |
| Lupita Avila | Parent or Community Member |
| Yanira Ortega | Parent or Community Member |
| Nadia Herrera | Secondary Student |
| Kayla De Los Santos | Secondary Student |
| Briana Garcia | Secondary Student |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

School Site Council

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on October 6, 2020.

Attested:

Principal, Dr. Richard Caldwell on 10/6/2020

SSC Chairperson, Ms. Kristen Dodge on 10/6/2020

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

[Stakeholder Involvement](#)

[Goals, Strategies, & Proposed Expenditures](#)

[Planned Strategies/Activities](#)

[Annual Review and Update](#)

[Budget Summary](#)

[Appendix A: Plan Requirements for Title I Schoolwide Programs](#)

[Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning Requirements](#)

[Appendix C: Select State and Federal Programs](#)

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE’s Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE’s School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school’s plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Developed by the California Department of Education, January 2019

Title I School-Level Parent and Family Engagement Policy

Frank Academy

2020-2021

2.0 With approval from the local governing board, R.J. Frank Middle School has developed a written Title I parent and family engagement policy with input from parents and family members of participating children. We do a number of things at Frank to provide parents with a welcoming environment for them to be engaged in a productive way for the academic and social emotional health of their child. Our ELAC and SSC committees involve parents with the decision making at our school. During the first ELAC meeting each year, the ELAC members create a parent needs assessment and it is sent to all parents. We use responses to plan workshops around their needs. Our PTO works with our community for fundraising opportunities. The school has distributed the policy to parents and family members of children served under Title I, Part A. We distribute the engagement policy on our school website, Blackboard Connect emails and phone messages directing parents to the school website. (*EC* Section 11503; 20 United States Code [U.S.C.] Section [§] 6318[b][1-4])

2.1 Involvement of Parents in the Title I Program

The policy describes the means for carrying out Title I parent and family engagement requirements. (20 U.S.C. § 6318[b][1])

To involve parents and family members in the Title I program at R.J. Frank Middle School, the following practices have been established:

- a) The school convenes an annual meeting, at a convenient time, to which all parents of participating children shall be invited to attend and encouraged to attend, to inform parents and family members of their school's participation in the Title I program and to explain the requirements, and the right of the parents to be involved. (20 U.S.C. § 6318[c][1])
We provide Title I program information during back to school night. We also send blackboard connect messages to distribute ELAC, SSC, and PTO information.
- b) The school offers a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parent involvement. (20 U.S.C. § 6318[c][2])
We have open parent question and answer forum meetings where parents may ask questions. Meetings are scheduled based on parents request and needs as indicated in the Parents Needs Assessment.
- c) The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I program, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan. (20 U.S.C. §

6318[c][3])

SSC and ELAC review the policy and provide feedback, annually.

- d) The school provides parents of participating children with the following:
1. Timely information about the Title I program. (20 U.S.C. § 6318[c][4][A])
Information is distributed during our back to school night.
 2. A description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of the challenging State academic standards. (20 U.S.C. § 6318[c][4][B])
Teachers provide this information during back to school night. Student progress reports are sent three times a year and trimester grades are also sent three times a year. State test results are mailed home and also placed in students' cum folders.
 3. If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible. (20 U.S.C. § 6318[c][4][C])
Parents participate in IEP, SST and 504 meetings where they are direct partners in the decision making concerning their child. Additionally, our counselors work with our criteria 2 students to discuss strategies to increase success and social-emotional well-being.
- e) If the schoolwide program plan is not satisfactory to the parents of participating children, the school submits any parent comments on the plan when the school makes the plan available to the local educational agency. (20 U.S.C. § 6318[c][5])
Parents may provide input to SSC through ELAC. SSC will respond to questions or concerns.

2.2 Building Capacity for Involvement (Parent and Family Engagement Policy Continued)

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and local educational agency assisted with Title I, Part A funds establishes the practices listed below. (20 U.S.C. § 6318[e])

- a) The school provides parents with assistance in understanding such topics as the challenging State academic standards, State and local assessments, the requirements of Title I, Part A, and how to monitor a child's progress and work with educators to improve the achievement of their children. (20 U.S.C. § 6318[e][1])
Teachers conference with parents after the first trimester and discuss these components. During IEPs, SSTs, and 504s, these assessments may be discussed. English learners continue to be monitored for 4 years after reclassification. The Elevations program is used to keep track of the 4-year period.

- b) The school provides parents with materials and training to help parents work with their children to improve their children's achievement. (20 U.S.C. § 6318[e][2])
At Frank we held an internet safety discussion for parents so they can be more educated on how to support their child's safe use of the internet. We also participated in Project 2 Inspire which gives our parents some practical tools on how to help their child be successful. During distance learning, we will provide parent workshops that support with parenting skills; such as The New Dawn, VCBH Mental Health, OPD gang-related/drug related presentations, Daughter-Mother, Parent project, and PIQUE, based on results from our parent needs assessment
- c) The school educates teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school. (20 U.S.C. § 6318[e][3])

Professional development is provided through curriculum trainings and SIP days throughout the year.

- d) The school, to the extent feasible and appropriate, coordinates and integrates parent involvement programs and activities with other Federal, State, and local programs, including public preschool programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children. (20 U.S.C. § 6318[e][4])
To ensure that our parents feel connected to our school, we offer programs for parents. Some of those programs are Project 2 Inspire, The New Dawn, VCBH Mental Health, Parent Project and PIQUE. These groups meet periodically. We are also planning on adding parent meeting nights for Q and A with administration and counselors, so that parents can have access to the leadership team. As a metric to determine effectiveness of parent engagement we will utilize the healthy kids survey that is sent to parents every year. We also gave parents a beginning of the year parent needs assessment through ELAC and will do an end of the year post assessment.
- e) The school ensures that information related to school and parent programs, meetings, and other activities is sent to parents in a format and, to the extent practicable, in a language the parents can understand. (20 U.S.C. § 6318[e][5])
We send Parent Connect phone messages, emails, texts, flyers and post information on our school website in multiple languages.
- f) The school provides such other reasonable support for parental involvement activities under this section as parents may request. (20 U.S.C. § 6318[e][14])
Every year we also have our RJ Frank showcase night where we highlight all of our electives and special programs for the community. This year, we will continue with the program.

2.3 Accessibility

R.J. Frank Middle School, to the extent practicable, provides opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children) including providing information and school reports required under section 1111 of the ESEA (20 U.S.C. § 6311), as amended by ESSA, in a format and, to the extent practicable, in a language such parents understand. (20 U.S.C. § 6318[f])

Flyers and all parent communication are distributed in English and Spanish through multiple modes, such as, distribution on school website, parent phone calls, emails and text messages.

2.4 School-Parent Compact

As a component of the school-level parent and family engagement policy, each school served under this part shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the state's high standards. The school-parent compact shall carry out the requirements listed below. (20 U.S.C. § 6318[d])

- a) Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under this part to meet the challenging state academic standards, and the ways in which each parent will be responsible for supporting their children's learning; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time. (20 U.S.C. § 6318[d][1])

Frank Academy meets all the Williams Act requirements to ensure all students have district adopted curriculum and a one-to-one iPad to ensure access to core curriculum with rigor. Teachers receive training in newly adopted curriculum and professional development in best practices. Parents are provided with a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet. This information will include, School Parent Involvement Policy, Parent/Student Handbook, Volunteer Applications/Information, Assessment Information, and Curriculum Descriptions for English Language Arts and Math and other content areas. The school's web site provides information about the staff, classroom activities and parent resources, including the school calendar. In addition, a brochure is distributed for each grade level describing which standards will be taught for the year.

If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible will be discussed. Parents/community members will be given timely responses to any concerns and suggestions.

- b) Address the importance of communication between teachers and parents on an ongoing basis through, at a minimum, the requirements listed below. (20 U.S.C. § 6318[d][2])
1. Parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed as the compact relates to the individual child's achievement. (20 U.S.C. § 6318[d][2][A])
At Frank Academy we have two parent conferences; one in the fall and another in the Spring.
 2. Frequent reports to parents on their children's progress. (20 U.S.C. § 6318[d][2][B])
Student progress reports are sent three times a year and trimester grades are also sent three times a year. State test results are mailed home and also placed in students' cum folders.
 3. Reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities. (20 U.S.C. § 6318[d][2][C])
Parents may participate in their child's class after they are fingerprinted and cleared through the district office.
 4. Ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand. (20 U.S.C. § 6318[d][2][D])
Our bilingual staff calls and holds meetings with parents in their primary language when applicable. Monolingual teachers are provided with the support of a bilingual staff member to translate, when applicable.

**It may be helpful to include the parent and family engagement policy review in the annual review of the Single Plan for Student Achievement.*

***The policy must be updated periodically to meet changing needs of parents and family members and the school. If the school has a process in place for involving parents and family members in planning and designing the school's programs, the school may use that process if it includes adequate representation of parents and family members of children receiving Title I, Part A services.*

**Política de Participación de los Padres y las Familias en las escuelas que
reciben fondos de Título I
Frank Academy
2020-2021**

2.0 Con la aprobación de la Junta Directiva de Educación local, R.J. Frank Middle School ha desarrollado una política de participación de los padres y las familias, con el aporte de los padres y miembros de las familias de los estudiantes participantes. Hacemos una serie de cosas en Frank para brindarles a los padres una bienvenida donde puedan participar de manera productiva en la salud académica y socioemocional de sus hijos. Nuestros comités ELAC y SSC involucran a los padres en tomar decisiones en nuestra escuela. Durante la primera reunión de ELAC cada año, los miembros de ELAC crean una evaluación de las necesidades de los padres y se envía a todos los padres. Usamos respuestas para planificar talleres basados a sus necesidades. Nuestro PTO trabaja con nuestra comunidad para oportunidades de recaudación de fondos. La escuela ha distribuido la política a los padres y los miembros de las familias de los estudiantes a los que se les prestan servicios de acuerdo con la Parte A del Título I (Sección 11503 del Código de Educación (EC, por sus siglas en inglés); (Sección [§] 6318[b][1-4] del Título 20 del Código de los Estados Unidos (USC, por sus siglas en inglés). Distribuimos la Política de Participación de los Padres y las Familias en las escuelas que reciben fondos de Título I en el sitio web de nuestra escuela y, a través de los correos electrónicos y mensajes telefónicos de Blackboard Connect que dirigen a los padres al sitio web de la escuela.

2.1 Participación de los padres en el programa Título I

La política describe los medios utilizados para cumplir con los requerimientos de participación de los padres y las familias de acuerdo con el Título I (Sección [§] 6318[b][1] del Título 20 del Código de los Estados Unidos (USC)).

Con el fin de promover la participación de los padres y miembros de las familias dentro del programa Título I, en R.J. Frank Middle School se han establecido las siguientes prácticas:

- a) La escuela convocará a una reunión anual, en un horario conveniente, al que se deben invitar y alentar a asistir a todos los padres de los estudiantes participantes, con el fin de informar a los padres y miembros de las familias sobre la participación de la escuela en el programa Título I y donde se explicarán los requerimientos y el derecho a participar de los padres (Sección [§] 6318[c][1] del Título 20 del Código de los Estados Unidos (USC)).
Proporcionamos información sobre el programa Título I durante la noche de regreso a clases. También enviamos mensajes de Blackboard Connect para distribuir información de ELAC, SSC y PTO.
- b) La escuela ofrecerá un número de reuniones en horarios flexibles, en la mañana o en la tarde, y podrá, con fondos del Título I, proporcionar transporte, cuidado de niños o visitas a los hogares, cuando estos servicios estén relacionados con la participación de los padres (Sección [§] 6318[c][2] del Título 20 del Código de los Estados Unidos (USC)). Tenemos foros abiertos de preguntas y respuestas para padres donde los

padres pueden hacer preguntas. Las reuniones se programan según la solicitud y las necesidades de los padres, según se indica en la Evaluación de necesidades de los padres.

- c) La escuela incluirá la participación de los padres de una manera organizada, continua y oportuna en el planeamiento, revisión y mejora del programa Título I de la escuela; incluida la planificación revisión y mejora de la política de participación de los padres y las familias; y el desarrollo en conjunto del plan del programa en toda la escuela (Sección [§] 6318[c][3] del Título 20 del Código de los Estados Unidos (USC)).
SSC y ELAC revisan la política y brindan comentarios cada año.
- d) La escuela proveerá a los padres de los estudiantes participantes lo siguiente:
1. Información oportuna acerca del programa Título I (Sección [§] 6318[c][4][A] del Título 20 del Código de los Estados Unidos (USC)).
La información se distribuye durante nuestra noche de regreso a clases.
 2. Una descripción y una explicación sobre el currículo en uso en la escuela, las formas de evaluación académica que utiliza la escuela para medir el progreso de los estudiantes, y los niveles de rendimiento alcanzados en los rigurosos estándares académicos estatales (Sección [§] 6318[c][4][B] del Título 20 del Código de los Estados Unidos (USC)). Los maestros brindan esta información durante la noche de regreso a clases. Los informes de progreso de los estudiantes se envían tres veces al año y las calificaciones del trimestre también se envían tres veces al año. Los resultados de las pruebas estatales se envían por correo a casa y también se colocan en la carpeta de los estudiantes.
 3. Si los padres las solicitan, oportunidades para sostener reuniones regulares, con el fin de formular sugerencias y para participar, según corresponda, en las decisiones relacionadas con la educación de sus hijos; y para responder a cualquiera de las sugerencias de los padres, tan pronto como sea posible (Sección [§] 6318[c][4][C] del Título 20 del Código de los Estados Unidos (USC)).
Los padres participan en reuniones de IEP, SST y 504 donde son socios directos en la toma de decisiones sobre su hijo. Además, nuestros consejeros trabajan con nuestros estudiantes de criterio 2 para discutir estrategias para aumentar el éxito y el bienestar socioemocional.
- e) Si los padres de los estudiantes participantes no están satisfechos con el plan del programa, la escuela presentará todos los comentarios de los padres sobre el plan cuando lo ponga a disposición de la agencia educativa local (Sección [§] 6318[c][5] del Título 20 del Código de los Estados Unidos (USC)).
Los padres pueden proporcionar información al SSC a través de ELAC. SSC responderá a preguntas o inquietudes.

2.2 Desarrollar la capacidad de participación (Política de participación de los padres y las familias - Continuación)

Para asegurar una participación efectiva de los padres y apoyar la colaboración entre la escuela, los padres y la comunidad en la mejora del rendimiento académico de los estudiantes, cada escuela y agencia de educación local, con la asistencia de los fondos

del Título I, Parte A, establecerán las prácticas que se detallan abajo (Sección [§] 6318[e] del Título 20 del Código de los Estados Unidos (USC)).

- a) La escuela proveerá a los padres asistencia en la comprensión de tópicos, tales como, los rigurosos estándares académicos, las evaluaciones locales y estatales, los requisitos del Título I, Parte A, y cómo supervisar el progreso de los estudiantes y trabajar con los educadores en la mejora del rendimiento de sus hijos (Sección [§] 6318[e][1] del Título 20 del Código de los Estados Unidos (USC)). Los maestros se reúnen con los padres después del primer trimestre y discuten estos componentes. Durante los IEP, SST y 504, estas evaluaciones pueden discutirse. Los estudiantes de inglés continúan siendo monitoreados durante 4 años después de la reclasificación. El programa Ellevations se utiliza para realizar un seguimiento del período de 4 años.
- b) La escuela proporcionará a los padres materiales y capacitación para ayudarlos a trabajar en la mejora del rendimiento de sus hijos (Sección [§] 6318[e][2] del Título 20 del Código de los Estados Unidos (USC)). En Frank, presentamos sobre el tema de la seguridad en Internet para que los padres puedan estar más informados sobre cómo apoyar el uso seguro de Internet de sus hijos. También participamos en el Project 2 Inspire, que brinda a nuestros padres algunas herramientas prácticas sobre cómo ayudar a sus hijos a tener éxito. Durante el aprendizaje a distancia, brindaremos talleres para padres que apoyan las habilidades de crianza; como las presentaciones de New Dawn, VCBH Mental Health, OPD relacionadas con pandillas / drogas, Daughter-Mother, Proyecto de padres y PIQUE, según los resultados de nuestra evaluación de necesidades de los padres.
- c) La escuela, con la ayuda de los padres, instruirá a los maestros, el personal especializado de apoyo a la instrucción, los directores y otros líderes escolares, y demás personal, sobre el valor y la utilidad de las contribuciones de los padres y sobre cómo contactarlos, comunicarse y trabajar con los padres como socios igualitarios, implementar y coordinar los programas de padres y establecer lazos entre la escuela y los padres (Sección [§] 6318[e][3] del Título 20 del Código de los Estados Unidos (USC)). El desarrollo profesional se proporciona a través de entrenamientos de currículo y días de SIP durante todo el año.
- d) La escuela, dentro de lo posible y apropiado, coordinará e integrará programas y actividades de participación de padres a los programas federales, estatales y locales, incluidos los programas del preescolar estatal; y conducirá otras actividades, tales como centros de recursos para padres, para alentar y apoyar a los padres a tener una mayor participación en la educación de sus hijos (Sección [§] 6318[e][4] del Título 20 del Código de los Estados Unidos (USC)). Para asegurarnos de que nuestros padres se sientan conectados con nuestra escuela, ofrecemos programas a nuestros padres. Algunos de esos programas son nuestro Project 2 Inspire, El Nuevo Amanecer, Salud mental de VCBH, Proyecto de padres, y PIQUE. Estos grupos que se reúnen periódicamente. También estamos planeando agregar noches de reuniones de padres para preguntas y respuestas con la administración y los consejeros, para que los padres puedan tener acceso al equipo de liderazgo. Como métrica para determinar

la efectividad de la participación de los padres, utilizaremos la encuesta de niños saludables que se envía a los padres cada año. También les dimos a los padres una evaluación de las necesidades de los padres al comienzo del año a través de ELAC y haremos una evaluación posterior al final del año.

- e) La escuela asegurará que la información relacionada con los programas de la escuela y los padres, las reuniones y otras actividades, es enviada a los padres en un formato, y dentro de lo posible, en un idioma que los padres puedan comprender (Sección [§] 6318[e][5] del Título 20 del Código de los Estados Unidos (USC)).

Enviamos mensajes telefónicos, correos electrónicos, mensajes de texto, folletos y publicamos información en el sitio web de nuestra escuela en varios idiomas.

- f) La escuela proporcionará todo apoyo adicional razonable a las actividades de participación de los padres de esta sección, según lo soliciten los padres (Sección [§] 6318[e][14] del Título 20 del Código de los Estados Unidos (USC)).

Cada año también tenemos nuestra noche de exhibición de RJ Frank donde destacamos todas nuestras electivas y programas especiales para la comunidad. Este año continuaremos con el programa.

2.3 Accesibilidad

La escuela R. J. Frank, dentro de lo posible, proveerá oportunidades de participación informada a los padres y miembros de las familias (incluidos los padres y miembros de las familias que tengan dominio limitado del inglés, padres y miembros de las familias con discapacidades, y padres y miembros de las familias de estudiantes migrantes), incluyendo la provisión de información y reportes escolares requeridos de acuerdo con la Sección 1111 de la Ley de Educación Primaria y Secundaria (ESEA, por sus siglas en inglés), (Sección [§] 6311 del Título 20 del Código de los Estados Unidos (USC)), según la modificación de la Ley para el Éxito de Todos los Estudiantes (ESSA, por sus siglas en inglés) en un formato, y dentro de lo posible, en un idioma que los padres puedan entender (Sección [§] 6318[f] del Título 20 del Código de los Estados Unidos (USC)). Los volantes y toda la comunicación con los padres se distribuyen en inglés y español a través de varios modos, como distribución en el sitio web de la escuela, llamadas telefónicas de los padres, correos electrónicos y mensajes de texto.

2.4 Convenio entre la escuela y los padres

Como parte de la política de participación de los padres y las familias al nivel de la escuela, cada escuela, que recibe servicios de acuerdo con la Parte A, deberá desarrollar, junto con los padres de todos los estudiantes que reciben servicios de dicha parte, un convenio entre los padres y la escuela, que detalle la forma cómo los padres, todo el personal de la escuela y los estudiantes compartirán la responsabilidad de mejorar el rendimiento académico de los estudiantes y las formas mediante las cuales la escuela y los padres desarrollarán y fortalecerán una sociedad de colaboración para ayudar a los estudiantes a alcanzar los más altos estándares estatales. El convenio entre la escuela y los padres cumplirá con los requerimientos detallados abajo. (Sección [§] 6318[d] del Título 20 del Código de los Estados Unidos (USC)).

- a) Describir la responsabilidad de la escuela en la provisión de un currículum e instrucción de alta calidad en un entorno de educación efectivo, que permita que los estudiantes que reciben servicios de acuerdo con esta parte alcancen los rigurosos estándares académicos estatales; y describir las formas en las que cada padre será responsable de apoyar el aprendizaje de su hijo, ofrecerse de voluntario en la clase de su hijo, y participar, según sea apropiado, en las decisiones relacionadas con la educación de sus hijos y el uso positivo del tiempo extracurricular (Sección [§] 6318[d][1] del Título 20 del Código de los Estados Unidos (USC)).

Frank Academy cumple con todos los requisitos de la Ley Williams para garantizar que todos los estudiantes tengan un plan de estudios adoptado por el distrito y un iPad personalizado para garantizar el acceso al plan de estudios básico con rigor. Los maestros reciben capacitación en el nuevo plan de estudios adoptado y desarrollo profesional en las mejores prácticas.] Los padres reciben una descripción y explicación del plan de estudios en uso en la escuela, las formas de evaluación académica utilizadas para medir el progreso de los estudiantes y los niveles de competencia que se esperan de los estudiantes. para reunirse se proporcionará. Esta información incluirá la Política de Participación de los Padres en la Escuela, el Manual para Padres / Estudiantes, Solicitudes / Información para Voluntarios, Información de Evaluación y Descripciones del Currículo para Artes del Lenguaje Inglés y Matemáticas y otras áreas de contenido.

El sitio web de la escuela proporciona información sobre el personal, las actividades del aula y los recursos para los padres, incluido el calendario escolar. Además, se distribuye un folleto para cada nivel de grado que describe qué estándares se enseñarán durante el año.

Si los padres lo solicitan, se discutirán las oportunidades de reuniones regulares para formular sugerencias y participar, según corresponda, en las decisiones relacionadas con la educación de sus hijos, y responder a tales sugerencias tan pronto como sea posible. Los padres / miembros de la comunidad recibirán respuestas oportunas a cualquier inquietud y sugerencia.

- b) Abordar la importancia de la comunicación continua entre los maestros y los padres, a través de los requerimientos detallados debajo, como mínimo (Sección [§] 6318[d][2] del Título 20 del Código de los Estados Unidos (USC)).

1. Conferencias de padres y maestros en las escuelas primarias, por lo menos anualmente, durante las cuales se conversará sobre el convenio, ya que este se refiere al rendimiento individual de los estudiantes (Sección [§] 6318[d][2][A] del Título 20 del Código de los Estados Unidos (USC)).

En Frank Academy tenemos dos conferencias de padres; uno en otoño y otro en primavera.

2. Informes frecuentes a los padres sobre el progreso de sus hijos. (Sección [§] 6318[d][2][B]) del Título 20 del Código de los Estados Unidos (USC)).
Los informes de progreso de los estudiantes se envían tres veces al año y las calificaciones del trimestre también se envían tres veces al año. Los resultados de las pruebas estatales se envían por correo a casa y también se colocan en las carpetas de cum de los estudiantes.
3. Acceso razonable de los padres al personal, a oportunidades de voluntariado y participación en la clase de sus hijos y observación de las actividades de la clase (Sección [§] 6318[d][2][C]) del Título 20 del Código de los Estados Unidos

(USC)). Los padres pueden participar en la clase de su hijo después de que se les tomen las huellas digitales y se autoricen a través de la oficina del distrito.

4. Aseguramiento de una comunicación regular, de dos vías entre los miembros de la familia y el personal de la escuela, hasta donde sea posible, en un idioma que los miembros de la familia puedan comprender (Sección [§] 6318[d][2][D]) del Título 20 del Código de los Estados Unidos (USC)).

Nuestro personal bilingüe llama y lleva a cabo reuniones con los padres en su idioma principal cuando corresponde. Los maestros monolingües cuentan con el apoyo de un miembro del personal bilingüe para traducir, cuando corresponda.

- *Podría ser de ayuda incluir la revisión de la política de participación de los padres y la familia en el Plan Anual para el Rendimiento Estudiantil de la Escuela.*

**La política debe ser actualizada periódicamente para atender las necesidades cambiantes de los padres, los miembros de la familia y la escuela. Si la escuela tiene un proceso establecido para promover la participación de los padres y los miembros de la familia al planear y diseñar los programas de la escuela, la escuela podrá utilizar dichos procesos, si ellos incluyen una adecuada representación de los padres y miembros de la familia que reciben servicios del Título I, Parte A.*

School Year: **2020-21**

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|--|-----------------------------------|--|---------------------------|
| Fremont Academy of Environmental Science and Innovative Design | 56725386055313 | October 15, 2020 | November 4, 2020 |

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Fremont Academy is a comprehensive 6-8 school middle school where we believe that every student can succeed. We also have a strong commitment to strengthening our community with all stakeholders. Our PBIS team has also been working with staff on building common expectations and forming strong relationships with students which has also contributed to creating a safe, positive environment for our students.

As a collective group, the Fremont staff reflects on increasing student performance and striving to be among the high achieving schools. Therefore through our data analysis process, any low test scores have been a driving force for teachers and staff to rethink how we have been doing things and analyze best strategies and how we have been using data. The staff at Fremont Academy are

working to build strong professional learning communities and collaborating with grade level and department teams to improve student learning.

Strong first instruction with high rigor, standards based lessons with effective instructional strategies, and an emphasis on analysis of data to drive instruction and intervention are the focal points for our Instructional Leadership Team and PLC work. The leadership team will facilitate this work in their PLCs and during collaboration with grade level colleagues and department chairs. Dedicated time for PLCs with additional resources for ongoing collaboration throughout the year for teachers to plan strong, first instruction, develop common assessments, analyze data and respond to the data are significant actions in our plan. Grade level teams have also been collaborating and planning for both lessons and short-term interventions based on data. The math department has been working with the Math Instructional Strategist to gather research on effective instructional practices for teachers and supported grade levels with data analysis of benchmark assessments.

In addition to strong first instruction and ELD instruction, an effective multi-tiered system of support provides students with targeted interventions. Teachers are also committed to providing structured extended learning opportunities for students based on analysis of data. Our plan is to provide both remediation and enrichment opportunities for students. Analysis of formative data and continued progress monitoring will provide key information for teachers to place students in correct interventions. Student monitoring meetings with grade level teams and administration will provide an additional structure for data analysis.

Students are engaged in electives connected to our strand focus of Environmental Science and Innovative Design. Robotics is offered as an elective to students as are the electives of Careers, Health and Environmental Science. Students also have the opportunity to take a Creative Writing with Arts elective in which they can enjoy the art side tied with writing.

All stakeholders must work together to support students. We are committed to working with parents and families to improve student learning through ELAC, SSC, parenting classes and Coffee with the Principal.

T.E.A.M. (Together Everyone Achieves More) defines our school community (teachers, staff, parents, families and students) and how we are moving as one team to improve student achievement.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Due to Covid-19, it will be taken into consideration that there is a need to modify normal practices until students return in person. During the time of Distance Learning and Hybrid Instruction, classroom observations will be conducted on Zoom. The goal of Administration is to get into classrooms on a daily basis, but no less than weekly basis. Through our classroom visits areas of schoolwide focus were identified which included structured advisory periods, student engagement, and writing across the content areas. This also includes collaborative structures and academic language. In order to address these areas, the leadership team will focus on instruction and will facilitate PLCs and collaboration meetings with their colleagues through departments and/or grade levels. Leadership will focus on developing protocols to analyze data, planning for writing across the curriculum, and improving student engagement through strong initial delivery of instruction.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

CAASPP data, IAB data, as well as STAR 360 data is shared and utilized with the Leadership Team at the start of the school year to initiate conversations around school target areas and student needs. With the Leadership Team, schoolwide goals are created and then shared with the staff to drive short and long term goals centered around student achievement. All content area departments create goals utilizing the CAASPP data to look at claims and targets. Teachers looked at grade level CAASPP data and cohort data.

During the course of the year, teachers used IAB data to change instruction and create CFAs based on the student performance on the IABs. The IABs are used to progress monitor student performance and to change instruction to the level of rigor for the CAASPP. Through the PLC process and collaboration days, grade levels and departments determined which IABs to use to further focus on standards, specifically the claims and targets. We are continuing to work on how to convert this data analysis into a change in instructional practices.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Data is used to progress monitor student performance. This continues to be a process for this year. In order to more accurately monitor student progress, the STAR 360 assessments will be administered in ELA and Math and also more frequently than the required three times per year. Beginning of the year ELA and Math STAR 360 tests this year will be conducted while the students are in Distance Learning. Department chairs and grade level team leadership representatives will facilitate data discussions through PLCs. Intervention and next steps is determined through the analysis of the student data. The English Language Arts and Math departments are working on common planning and lesson studies to build strong initial delivery of instruction to increase student achievement.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that all site staff meets requirements to be considered “highly qualified.” This is monitored by the district’s Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors who provide support for Curriculum, Instruction, Biliteracy Programs, English Learner Services, Special Education and Pupil Services. An Instructional Specialist work directly with teachers to support instruction in Science as well as a Math Manager who supports teachers in math. Site Principals function as instructional leaders. Literacy ISPs have been hired by the District this year to address learning loss during Distance Learning. Struggling readers will be the primary focus groups.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers are provided the opportunity to collaborate using the PLC model on a monthly rotation as well as being provided all day collaboration opportunities with their departments throughout the year. All teams have created SMART goals in their PLCs and use these goals to drive their instruction and focus. This year grade levels across the content areas are provided collaboration time for articulation and to further increase student achievement. They work in alignment with the schoolwide goals of increased student achievement through writing across the content areas and structured advisory to increase reading comprehension.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes. During the current pandemic, Distance Learning and Hybrid Learning instructional schedules have also been adapted to the current instructional minutes and guidelines created by the CDE.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs. During the current time, students have access to all core programs through on-line access as well as being provided hard copies of any materials to have at home during Distance Learning and Hybrid Learning.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Through the process of progress monitoring in PLCs, underperforming students are identified for additional resources. Content area teachers support these students through small group instruction, 1:1 instruction, as well as tutoring before and after school. Students also receive support through the Math Intervention Support Provider (ISP). Students who continue to underperform are also taken through the Cost/SST process to further discuss and develop a plan for student success. They may possibly include additional psychoeducational testing to determine if students have additional unidentified needs. Struggling readers will also be provided intensive intervention by Literacy ISPs this year. A Math ISP will be hired to work with students underperforming in math.

Evidence-based educational practices to raise student achievement

Researched based strategies include teachers integrating evidence-based educational practices to raise student achievement for all students. This year in particular we are focusing on depth of knowledge questioning and the ability to move student and teacher on the continuum from one level to the next. Writing across the content areas including evidence writing is one practice that will be focused on this year. Focused note taking and writing in the margins are strategies that will be utilized across all content areas. Collaborative structures and the use of academic language will also be consistently used in all content areas. Progress monitoring as well as small group instructional and 1:1 student conferences during advisory will also be utilized to raise student achievement.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Fremont parent involvement includes the encouragement of becoming a parent volunteer. The Fremont PTA provides parents an opportunity to participate in school programs such as Family Nights, PTA Reflections, Skate Nights, as well as participating in fundraising opportunities and deciding ways in which PTA can positively impact the school community for all students. Parents participating in ELAC provide feedback on concerns and ways to provide growth opportunities for English Learners.

Parent trainings and workshops are offered throughout the year. They include Parent Project, The Latino Literacy Project, 2nd Cup of Coffee with the Principal workshops, as well as 8th grade parent/student workshops to assist the students in developing goals and an action plan to ensure the students promote at the end of the year. An African American Parent Committee has been established to assist African American parents with strategies to support their children in their educational career.

Parents are also encouraged to attend school events such as Back to School Night, student-led parent/teacher conferences, Academy Tours, sporting events, as well as Family Nights provided by the Fremont PTA. A Career Day is held annually and parents are recruited to present and volunteer to discuss and present their career to the Fremont students.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Our parents, community members, teachers, staff and students are involved in the planning, implementation and evaluation of our programs. During the planning phase our leadership team, ELAC committee and SSC committee meet to discuss school goals as they pertain to our data for CAASPP, Star 360, grades, suspension rate, attendance rate and reclassification rate. During those meetings we look at cohort data and grade specific data spanning five years. The three groups establish and evaluate goals using a SMART goal approach so that goals are specific, measurable, achievable, relevant and time-bound. Our leadership students also have input on our goals and we present our goals to the community and students through webcasts, ASB presentations and grade level assemblies. The implementation of these programs is closely monitored by our leadership team through our leadership professional learning community. During that time we continuously participate in progress monitoring and revisit action items to ensure follow through and collective responsibility. Our ELAC and SSC committees meet regularly to discuss the implementation of our programs and how progress is moving along. Lastly our leadership team evaluates our programs by looking at our current reality end of the year summative data as well as our formative data. After this evaluation they bring that information back to their grade level PLC teams so that we can start the cycle of inquiry which would then lead us back to planning and goal setting once again. Our SSC and ELAC teams also work to evaluate the outcomes of our expenditures in order to form new goals and to adjust current goals and strategies along the way.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

We used categorical funds in a multitude of ways to ensure success for our underperforming students. We allocated funds to allow for extra hourly pay for teachers to collaborate within their professional learning communities. During this time the teachers identify struggling students and develop interventions for those students during the school day. We also allocated funds for an instructional assistants to assist in the ELD and AVID Excel classrooms. Additionally we utilized categorical funds to provide AVID tutors. We have AVID electives that serve students who are striving to be first generation college students. AVID Excel is for our Long Term English Learners who are struggling with reading, writing and the use of academic language therefore have not met the reclassification criteria. By funding the tutors we therefore ensure that students are accessing core subject with success. We have also budgeted funds to support the hire of a Math ISP to serve underperforming students in math. Lastly we allocated funds for teachers to attend the CAFE and AVID conferences. This was done to build capacity and collective teacher self efficacy as it pertains to pedagogy and equity.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The 2020-2021 Fremont SPSA was developed with the input of the Fremont Leadership Team and reviewed with school staff during Department meetings and PLC/Collaboration Days. Parents had the opportunity to discuss and provide input for the development of the SPSA during School Site Council and English Learner Advisory Committee meetings. ELAC and parent groups submitted their recommendations to the School Site Council for actions to be included in the SPSA. SPSA was presented to the School Site Council and reviewed during the October meeting. All parent committees (PTA, ELAC, SSC and PAC) participated in the development of the SPSA. School Site Council reviewed and approved the SPSA.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Regular teacher substitutes continued to be a challenge by not having adequate teacher subs to cover classroom teachers during their absence. This impacts instruction when there is a rotation of teachers throughout the day for coverage and creates an inconsistency in instruction. Lack of substitutes also created challenges for other positions as well, where the principal, assistant

principals, and counselors have to be taken out of their roles in order to ensure student's learning and safety. This also creates a challenge when planning Professional Development and Collaboration Days because they often end up being cancelled due to the lack of substitutes.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

| Student Enrollment by Subgroup | | | | | | |
|--------------------------------|-----------------------|-------|-------|--------------------|-------|-------|
| Student Group | Percent of Enrollment | | | Number of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| American Indian | 0.35% | 0.1% | 0.31% | 4 | 1 | 3 |
| African American | 3.18% | 1.9% | 1.15% | 36 | 20 | 11 |
| Asian | 1.94% | 1.8% | 1.36% | 22 | 19 | 13 |
| Filipino | 2.47% | 2.4% | 1.88% | 28 | 26 | 18 |
| Hispanic/Latino | 85.88% | 86.2% | 88.1% | 973 | 918 | 844 |
| Pacific Islander | 0.35% | 0.5% | 0.1% | 4 | 5 | 1 |
| White | 4.15% | 5.7% | 5.43% | 47 | 61 | 52 |
| Multiple/No Response | % | 0.0% | 1.67% | | 15 | 0 |
| Total Enrollment | | | | 1133 | 1065 | 958 |

Student Enrollment Enrollment By Grade Level

| Student Enrollment by Grade Level | | | |
|-----------------------------------|--------------------|-------|-------|
| Grade | Number of Students | | |
| | 17-18 | 18-19 | 19-20 |
| Grade 6 | 391 | 300 | 271 |
| Grade 7 | 349 | 390 | 294 |
| Grade 8 | 393 | 375 | 393 |
| Total Enrollment | 1,133 | 1065 | 958 |

Conclusions based on this data:

As student enrollment fluctuates, so does the percentage by ethnicity. The largest grade last year was 7th grade. This was also the last large group after losing 6th grade to a feeder school who became a K-6 school instead of K-5. Fremont will continue to hold Academy Tours in January for elementary schools in order to promote the academy focus and highlight the positive activities going on year round. This will include AVID recruitment by the AVID Coordinator and school counselor. Fremont will continue to host the 5th Grade Math Competition to invite 5th graders from feeder schools and provide medals and trophies to those elementary math team winners. Exposing elementary students early to the middle school decreases anxiety and aides in families determining which academy focus they are interested in. Through Fremont tours, incoming 6th graders and their families have the opportunity to see Fremont's outstanding garden which ties into the Environmental Science focus, as well as the large recycling program.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

| English Learner (EL) Enrollment | | | | | | |
|---|--------------------|-------|-------|---------------------|-------|-------|
| Student Group | Number of Students | | | Percent of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| English Learners | 230 | 199 | 166 | 20.3% | 18.7% | 17.3% |
| Fluent English Proficient (FEP) | 552 | 506 | 347 | 48.7% | 47.5% | 36.2% |
| Reclassified Fluent English Proficient (RFEP) | 332 | 344 | 45 | 29.3% | 32.3% | 22.6% |

Conclusions based on this data:

In the 2018-2019 school year, there were 199 English Learners mostly in Level 3. An AVID Excel class was added to target High Level 2s and 3s and to provide the scaffolding and language development skills needed to reclassify. There was a significant increase in the number of students reclassified from 2017 to 2019. The percentage of English Learners is also going down. Currently there are 160 total English Learners in the 2019-2020 school year. The focus will continue on building those foundational reading and writing skills especially with L-TELS to reclassify them while continuing to monitor them after reclassification. The R-FEP group is at 30% Met/Exceeded in ELA for 2018-2019 while there was not much change in moving the R-FEP group out of the Not Met band. The largest movement was from Nearly Met into Met/Exceeded. Math continues to be the focus Claim for all groups of English Learners. Evidence writing is a key target area as well as problem solving and conceptual mathematical skills.

Conclusions based on this data:

Although schoolwide data in ELA shows an increase from 2017-2018 from 24.38 percent to 28.38 percent Met/Exceeded in 2018-2019, the Fremont staff recognizes that there is significant work to be done. The percentage of students at the Not Met level has decreased since 2016-17 with an increase in the mean scale score in all but one grade. The percentage of students below standard in each of the claims has also decreased with one grade level continuing to fluctuate. Although we have made some growth, the increases have not been significant in most areas. Cohort data at some grade levels reveal larger increases in growth; particularly grades 7 and 8. Effective strategies in these grade levels will be identified and shared. In looking at the reading claim, the percentage of students above standard has increased mostly in Gr. 8 since 2016-17. The focus moving forward is to continue this growth and expand on this foundation. This will include the use of the structured advisory and writing across the content areas to support reading comprehension and writing with evidence. In all of the claims, there is a large percentage of students at the Near Standard level. We have developed site goals to improve student achievement and growth in all areas (Consistent, standards-based teaching with high rigor and progress monitoring with common formative assessments). Lesson studies, collaboration between departments and grade levels, progress monitoring through IABs and STAR 360 will continue to be the focus for increased reading comprehension and writing across the content areas.

Conclusions based on this data:

Schoolwide data for 2018-2019 shows minimal growth in mathematics from 2017-2018. The percentage of Met/Exceeded went from 12.01 percent Met/Exceeded in 2017-2018 to 14.02 % in 2018-2019. This was a slight increase of 2 %. Grades 7 and 8 showed the most gains in Met/Exceeded. Gr. 7 went from 11% Met/Exceeded to 15% Met/Exceeded in 2018-2019. Grade 8 showed the most gains from 12% in 2017-2018 to 18% Met/Exceeded in 2018-2019, a 6 percent gain. Grade 6 showed a significant decline from 13% Met/Exceeded to 7% Met/Exceeded in 2018-2019, a loss of 6 percent overall in Grade 6. In 2019-2020 the goal will be to move 10% schoolwide from the Not Met. All grades demonstrate a need to focus on concepts and procedures with the most number of students in the Not Met standard for this claim. This claim will be targeted through lesson studies with the assistance of the district instructional strategist to build strong, rigorous lessons designed to target the initial lesson delivery. The ISP will also work with Grade 6 to target fundamental skills and to build on the communicating reasoning claim. 6th grade math teachers are also using the advisory time to team and focus on ability levels. Through the increased use of IABs and STAR 360 Math, teachers will be able to closely monitor student progress and determine next steps to build on those skills lacking targeting the SBAC.

| All Grades | | 11.03 | | 84.14 | | 4.83 | | 145 |

Conclusions based on this data:

According to the 2018-2019 ELPAC data, the largest percentage of EL performed in Level 2 for Overall Language followed by 37.24% at Level 3. In Oral Language, 65.52 % were at Level 2 and 3, and 24.14% at Level 4. This shows that most EL students have strong oral language skills. For Written Language, most EL students were at Level 2 with 55.86%. This shows that this is the area to develop and improve on with targeted strategies in writing. In the Listening Domain, 61.38% were Somewhat/Moderately Developed. In the Speaking Domain, 48.28% were Somewhat/Moderately Developed and 42.7% were in Well Developed. This shows that this is a strength for our EL students. They have strong oral language skills. In the Reading Domain, 58.62% were at the Beginning level which

shows that many of our EL students struggle with their reading skills. 37.24 % were at the Somewhat/Moderately Developed level. In the Writing Domain, 84.14% were Somewhat/Moderately Developed. The current ELPAC test scores show that our EL students need further development in their reading skills. This will be an area of focus.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

| 2018-19 Student Population | | | |
|--|---|---|--|
| Total Enrollment | Socioeconomically Disadvantaged | English Learners | Foster Youth |
| 1065 | 73.1 | 18.7 | 0.3 |
| This is the total number of students enrolled. | This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma. | This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses. | This is the percent of students whose well-being is the responsibility of a court. |

| 2018-19 Enrollment for All Students/Student Group | | |
|---|-------|------------|
| Student Group | Total | Percentage |
| English Learners | 199 | 18.7 |
| Foster Youth | 3 | 0.3 |
| Homeless | 11 | 1.0 |
| Socioeconomically Disadvantaged | 778 | 73.1 |
| Students with Disabilities | 150 | 14.1 |

| Enrollment by Race/Ethnicity | | |
|------------------------------|-------|------------|
| Student Group | Total | Percentage |
| African American | 20 | 1.9 |
| American Indian | 1 | 0.1 |
| Asian | 19 | 1.8 |
| Filipino | 26 | 2.4 |
| Hispanic | 918 | 86.2 |
| Two or More Races | 15 | 1.4 |
| Pacific Islander | 5 | 0.5 |
| White | 61 | 5.7 |

Conclusions based on this data:

In 2018-2019 the largest subgroups in Fremont's student demographics are Socioeconomically disadvantaged, English Learners, and Students with Disabilities. Additionally the largest subgroup based on ethnicity was the Hispanic subgroup with 86.2% total population in the 2018-2019 school year. For the 2020-2021 school year, Fremont will focus on both designated and integrated ELD for English Learners throughout the school day and provide collaboration time for the ELD team to analyze EL data and progress monitor throughout the school year using STAR 360 and IAB data. Progress monitoring will occur during collaboration days and PLCs to focus on the progress of our SED, SWD, African American and Hispanic subgroups in order to identify underperforming students and develop targeted, intensive intervention for students not meeting grade level standards.

School and Student Performance Data

Overall Performance

2019 Fall Dashboard Overall Performance for All Students

| Academic Performance | Academic Engagement | Conditions & Climate |
|---|---|--|
| <p data-bbox="186 426 479 457">English Language Arts</p>  <p data-bbox="293 506 371 533">Yellow</p> | <p data-bbox="673 426 950 457">Chronic Absenteeism</p>  <p data-bbox="769 506 847 533">Orange</p> | <p data-bbox="1177 426 1388 457">Suspension Rate</p>  <p data-bbox="1252 506 1330 533">Green</p> |
| <p data-bbox="251 623 414 655">Mathematics</p>  <p data-bbox="305 703 360 730">Red</p> | | |

Conclusions based on this data:

The 2018-2019 Dashboard data shows all students performing in Yellow in ELA which is an improvement from Orange in 2017-2018. All students are performing in Red in Math and this is not an improvement from 2017-2018. Reading comprehension and writing across content areas will continue to be the focus claims to increase student performance in ELA. Math teachers will continue to work with the District Instructional Strategist in math to progress monitor student performance and to build strong math lessons to build on rigor and strong first instructional lessons. The math department will continue their focus around the mathematical mindset concept and using collaboration days and PLCs to analyze data on IABs and building common formative assessments. Chronic Absenteeism 2018 - 2019 data shows a performance indicator in orange and continues to be a focus in the 2020-2021 school year. Home visits, attendance incentives, as well as attendance monitoring through the attendance process will be strategies to decrease the chronic absenteeism rate. The Suspension Rate continues to decrease with a performance indicator of Green. This is an increased area of performance from Yellow in the 2017-2018 school year. This will be a continued goal in 2020-2021 to decrease the suspension rate through Saturday School and other means of correction when applicable.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard English Language Arts Performance for All Students/Student Group | | |
|---|---|--|
| <p>All Students</p>  Yellow 58.8 points below standard Increased ++9.7 points 1021 | <p>English Learners</p>  Red 96.6 points below standard Maintained ++1.5 points 416 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 6 |
| <p>Homeless</p>  No Performance Color 113.8 points below standard Declined Significantly -16.1 points 15 | <p>Socioeconomically Disadvantaged</p>  Orange 70.2 points below standard Increased ++8.2 points 761 | <p>Students with Disabilities</p>  Orange 151.1 points below standard Increased ++6.8 points 157 |

2019 Fall Dashboard English Language Arts Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|--|---|
|  No Performance Color 66.2 points below standard Maintained ++2.2 points 18 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color 43.2 points above standard Increased Significantly ++38 points 18 |  No Performance Color 63 points above standard Increased Significantly ++44 points 24 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 68.6 points below standard Increased ++7.5 points 882 |  No Performance Color 14.9 points below standard Declined Significantly -27.7 points 15 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5 |  Yellow 10.9 points below standard Increased ++11.7 points 58 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|--|---|--|
| 133.5 points below standard Increased ++8.3 points 140 | 77.9 points below standard Declined -4.7 points 276 | 42.2 points below standard Increased ++10 points 483 |

Conclusions based on this data:

According to the 2018-2019 dashboard data the SED, Students with Disabilities, Hispanic, Filipino, White, and Asian subgroups increased in English Language Arts. The African American and EL subgroup maintained. The Hispanic group (882) increased to Yellow and SED (761) increased and moved from Red to Orange. Although the EL subgroup maintained, they remain in Red. Current EL students increased, while RFEP students declined in ELA. These underperforming subgroups will be closely monitored through data analysis in PLCs by reviewing STAR 360 reports and IABs and targeting specific students for intervention. In the 2020-2021 school year, Literacy ISPs will be utilized to target the lowest performing students in reading to provide direct and intensive intervention.

School and Student Performance Data

Academic Performance Mathematics

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard Mathematics Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|--|--|---|
| 186.5 points below standard Increased ++6.8 points 140 | 129.9 points below standard Declined -8.5 points 276 | 99.8 points below standard Declined -4.4 points 482 |

Conclusions based on this data:

2018-2019 dashboard data showed all students performing in red in mathematics. Mathematics continues to be a schoolwide focus for 2020-2021. All major subgroups - SED, Hispanic, and SWD performed in red. These subgroups along with our ELs continue to be the target groups in data analysis. The African American subgroup although a small number (11) continue to be monitored closely in 2020-2021 through 1:1 student conferences and communication with parents. Interventions are provided for all subgroups as target students are identified for additional support through tutoring or intervention with the ISP and intersessions.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2019 Fall Dashboard Student English Language Acquisition Results

| Decreased One ELPI Level | Maintained ELPI Level 1, 2L, 2H, 3L, or 3H | Maintained ELPI Level 4 | Progressed At Least One ELPI Level |
|--------------------------|--|-------------------------|------------------------------------|
| 31.2 | 32.6 | 1.4 | 34.7 |

Conclusions based on this data:

Based on 2019 Dashboard English Language Proficiency Assessments for California (ELPAC) data, Fremont teachers will continue to strengthen both Integrated and Designated English Language Development (ELD) in order to increase English Learners' language proficiency skills throughout the instructional day. English Learners will be clustered at each grade level to enable ELD teachers to provide targeted, standards-based language proficiency instruction using the district-adopted curriculum materials English 3-D. Oral and written language supports and scaffolds will also be integrated throughout all core subject areas by classroom teachers in order to enable English Learners to access grade level subject matter. According to the 2018-2019 dashboard data English Learners continue to be mostly at the Level 3 development level. AVID Excel classes are now offered at each grade level in the 2020-2021 school year. Students were hand selected and interviewed for the AVID Excel classes to provide necessary skills for Level 3 L-TEs to increase and move into Level 4.

School and Student Performance Data

Academic Performance College/Career

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information on the percentage of high school graduates who are placed in the "Prepared" level on the College/Career Indicator.

| 2019 Fall Dashboard College/Career for All Students/Student Group | | |
|---|---------------------------------|----------------------------|
| All Students | English Learners | Foster Youth |
| Homeless | Socioeconomically Disadvantaged | Students with Disabilities |

School and Student Performance Data

Academic Engagement Chronic Absenteeism

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

| 2019 Fall Dashboard Chronic Absenteeism for All Students/Student Group | | |
|---|---|--|
| <p>All Students</p>  Orange 10.1 Increased +0.6 1091 | <p>English Learners</p>  Orange 10 Increased +0.5 209 | <p>Foster Youth</p>  No Performance Color 27.3 11 |
| <p>Homeless</p>  No Performance Color 22.2 Declined -11.1 18 | <p>Socioeconomically Disadvantaged</p>  Orange 11.4 Increased +0.5 814 | <p>Students with Disabilities</p>  Orange 17.7 Increased +2.5 164 |

2019 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|---|--|---|--|
|  No Performance Color 13.6 Increased +2.5 22 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color 0 Declined -4.5 20 |  No Performance Color 3.8 Increased +3.8 26 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 10.2 Maintained +0.4 937 |  No Performance Color 11.8 Increased +1.2 17 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5 |  Orange 12.7 Increased +2.3 63 |

Conclusions based on this data:

According to the 2018-2019 dashboard data all students showed an increase in chronic absenteeism. ELs and Hispanic subgroups have the lowest rate of chronic absenteeism but are still in Orange. The goal is still to move them into Green through home visits and the attendance process and SARB when necessary. All subgroups are in Orange and will continue to be closely monitored in 2020-2021 through attendance reports and home visits by the ORC and administration. This continues to be a metric of focus schoolwide, The goal is a 96% positive attendance rate. Through attendance incentives, SSTs, SARB, and phone calls, the goal will be move all subgroups and schoolwide performance to Green.

This section provides a view of the percentage of students who were suspended.

2019 Fall Dashboard Suspension Rate by Year

| 2017 | 2018 | 2019 |
|------|------|------|
| | 10.1 | 7.7 |

Conclusions based on this data:

According to the 2018-2019 dashboard data, overall all students declined in the suspension rate from 2017-2018 except for an increase in Asian and White suspensions. As a schoolwide focus, the PBIS team will facilitate activities and work with students who frequently have behavior concerns. The PBIS team will also provide strategies and recommendations for staff to decrease the suspension rate and to focus on stronger staff-student relationships. Saturday School and other means of corrections will also be used when applicable to decrease the overall suspension rate. Positive incentives such as Praise Notes and Fun Fridays will be utilized to model expectations and increase positivity schoolwide.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All students will reach high academic standards in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--|---|---|
| CAASPP ELA Assessment | All Students: 28.38% Met/Exceeded 6th Grade: 23.89% Met/Exceeded 7th Grade: 29.46 % Met/Exceeded 8th Grade: 30.81 % Met/Exceeded | Increase Met/Exceeded percentage by 8% for All Students. Decrease the percentage of Nearly Met by 8% Decrease the percentage of Not Met by 8% |
| CAASPP Math Assessment | All Students: 14.02% Met/Exceeded 6th Grade: 7.51 % Met/Exceeded 7th Grade: 15.51%% Met/Exceeded 8th Grade: 17.62 % Met/Exceeded | Increase Met/Exceeded percentage by 8% for All Students. Decrease the percentage of Nearly Met by 8% Decrease the percentage of Not Met by 8% |
| STAR 360 Reading 2019-2020 Baseline Data | 50.9% of all students in Grades 6-8 are below the 25th percentile | Decrease percentage of students below 25th percentile by 8% |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--|---|---|
| STAR 360 Math 2019-2020 Baseline Data | 57.8% of all students in Grades 6-8 are below the 25th percentile | Decrease percentage of student below 25th percentile by 8%. |
| CELDT / ELPAC / Reclassification Due to a change in assessments from CELDT to ELPAC, this metric will be measured through Reclassification data. | In the 2018-2019 school year, 42 total EL students were reclassified (21%). | Increase Reclassification percentage by 5%. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Provide PLC and collaboration time for ELA and Math teachers (supported by Administration and/or District Math Manager) to develop common assessments, analyze assessment data and develop data-driven plans to support student learning. Academic conferences will be held to review data and instructional plans. IABs will be used to progress monitor the attainment of selected focus standards.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 10,000 | LCFF - Intervention 1000-1999: Certificated Personnel Salaries Sub Costs |
| 17,050 | LCFF - Intervention 1000-1999: Certificated Personnel Salaries Sub costs |

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Hold grade level/department collaboration meetings to review data- including STAR 360, CAASPP, IAB data, and ELPAC data- at the school level, grade level, classroom level and individual student level and utilize data to inform instruction. Teachers will plan instruction, analyze data, monitor student progress and develop interventions as needed. Department chairs and grade level team leaders will facilitate PLC meetings.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Provide professional development opportunities for all ELA teachers to be trained to effectively utilize the curriculum and learn research based strategies to support reading and writing instruction. Site and District Administration will provide on-site curriculum support. Department chairs and grade level team leads will also provide training on Best Practices through Curriculum Cafes and Collaboration Days. Lesson Studies will be utilized to design strong lesson designs targeting first instructional lesson delivery. Para-educators will also be trained on providing support in the classroom.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Special Education

Strategy/Activity

Utilize a co-teaching instructional model to support students with IEP services in a general education setting in both ELA and Math. Special Education teachers will be given the opportunity for department collaboration throughout the year to analyze data, student performance, and to address student needs based on IEPs.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | LCFF - Targeted 1000-1999: Certificated Personnel Salaries See Goal 1, Strategy 1 |

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Administration and ELA Department chairs and leads will train all teachers to monitor students' reading progress through the Accelerated Reader program in both Advisory and ELA classes. The Library Tech will assist and encourage students with reading during nutrition and lunches upon return to the campus. Virtually the Library Tech will take requests from students for the implementation of the Curbside Library Checkout to ensure that students continue to have access to hard copies of books and are enabled to take AR quizzes to encourage practice in reading.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | District Funded 5000-5999: Services And Other Operating Expenditures AR Program |
| 0 | Centralized Services 2000-2999: Classified Personnel Salaries Library Tech salary |

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Implement district-adopted math curriculum and provide professional development opportunities for math teachers to support standards-based instruction. The District Math Manager, Department chairs, and Admin will provide on-site curriculum support and provide the opportunity for PLC and collaboration time to participate in Lesson Studies to develop strong initial first math lessons.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | LCFF - Targeted 1000-1999: Certificated Personnel Salaries See Goal 1, Strategy 1 |

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners

Strategy/Activity

A bilingual para-educator will be assigned to all ELD classes to provide additional academic support in the classroom to English Learners levels 1-3 for 50 minutes daily. The assistant will also assist in the AVID Excel classes.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 24,377 | Title I 2000-2999: Classified Personnel Salaries Classified salaries - Instructional Assistant |

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners

Strategy/Activity

Provide professional development for teachers to support ELD through content-specific trainings in science, social studies and math including AVID excel.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 5382 | Title III 1000-1999: Certificated Personnel Salaries Professional development |
| 1717 | Discretionary 5800: Professional/Consulting Services And Operating Expenditures Conference Costs - Certificated |

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Administer formative district assessments, including STAR 360 and IABs to collect data for analysis during department collaboration meetings. District funded supplemental programs such as Myon, ST Math, and Lexia will also be used to build fundamental skills for mastery. This data will be collected to progress monitor essential skills needed to scaffold for claim targets such as reading comprehension, writing fluency, and conceptual math skills.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Fremont Academy will continue to focus on reading comprehension and writing across content areas to strengthen reading comprehension and evidence writing. Teachers will concentrate on building student writing ability to promote critical thinking and to better equip students with the skills required to meet expectations of state-wide summative assessments. Math teachers will continue to focus on implementing Mathematical Mindset strategies in all grade levels. With their PLCs, departments and grade levels will collaborate to frequently analyze data from STAR 360 and IABs. Once ELPAC data is available, it will be analyzed to identify key learning targets and provide intervention to targeted English Learners. Minimal gains were made in the percentage of students who scored in the met/exceeded bands of the CAASPP for Math. This was below our 7 percent growth goal. We made gains in ELA but did not meet our 6 percent goal. The projected score was 30 and we made 28.38%. Ongoing monitoring will also enable departments and grade levels to identify through the CoST and SST process which students are in need of intensive, evidence-based small group intervention provided by the classroom teacher and ISP (Intervention Support Providers) within the day.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

More funding has been allocated for teacher collaboration this year. Teachers met with their grade level colleagues before the school year to begin planning. Teachers will use dedicated PLC time to plan together, build assessments using IABs, and analyze data. The focus will be on writing across the curriculum in all grades. Our scores on the writing claim were low for all students and English Learners. Strong writing instruction incorporates strong reading strategies and critical thinking and supports all areas of instruction.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

In addition to using the increase in percentage of students in the met/exceeded band of the CAASPP, we will add the student growth percentile from the STAR 360 assessments. The percentage of students in the Not met band has been moving slowly. Focusing data analysis and discussions in grade level PLC meetings will keep our attention on moving students up throughout the levels.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--------------------------------|--|--|
| Suspension Data | A total of 86 students were suspended during the 2018-2019 school year (suspension rate = 8.18%) | Decrease the total number of students suspended during the 2019-2020 school year to 75 (suspension rate = 7 %) |
| California Healthy Kids Survey | Spring 2019 results from our Healthy Kids Survey taken by 7th grade students indicated that we had growth and were below the Oxnard School District average in the areas of School Connectedness, no growth and at or above OSD in high expectations, and had growth and were at or above OSD in meaningful participation. | Make growth and be at or above the OSD average in the areas of School Connectedness and High Expectations. |
| Attendance Data | Fremont Academy's 2018-2019 Average Daily Attendance Rate was 95.45%. | Increase Fremont Academy's Average Daily Attendance Rate to 96% in 2019-2020. |
| Panorama Survey Data | 2020-2021 Fall data will be available within 2 weeks. | Increase student connectedness and use the data to create student groups for SEL needs. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

School-wide implementation of CHAMPS/PBIS model both in the classroom and throughout the campus.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

1,000

Source(s)

LCFF - Targeted
4000-4999: Books And Supplies
CHAMPS Posters

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Implement TUPE curriculum ((MSPP and Project Alert) through science classes to improve student knowledge of safe and healthy habits.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

TUPE
MSPP and Project ALERT Curriculum

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Continue to further develop and strengthen the Fremont PBIS committee (Flight Team) to guide actions relating to the improvement of school climate, provide targeted support for teachers in implementing positive behavior strategies to improve student behavior.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
Extra Hours - PBIS Committee/Certificated staff

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Safety Committee will review and update the Comprehensive School Safety Plan and will conduct drills as recommended to ensure emergency preparedness for staff and students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide attendance incentives to encourage daily and timely attendance by all students to attend all classes, especially during the Distance and Hybrid Learning platforms.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

1000

LCFF - Intervention
4000-4999: Books And Supplies
Attendance Incentives

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Utilize multiple campus supervisors to monitor school grounds, supervise common areas to ensure a safe school campus, and to minimize student tardies.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

0

Centralized Services

1000

Discretionary
2000-2999: Classified Personnel Salaries
Extra hours - Campus supervisors

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Maintain the SST/Cost process to identify student needs and develop strategies to support students in the areas of academics, behavior, social/emotional, and attendance

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | District Funded 1000-1999: Certificated Personnel Salaries Counselor (see goal 1, action 16) |
| 1500 | Discretionary 2000-2999: Classified Personnel Salaries ORC to conduct home visits and provide resources to students and families |

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Survey students and staff regarding school climate and utilize feedback to guide the PBIS Committee in developing plans for ensuring an environment conducive to teaching and learning

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |

1000-1999: Certificated Personnel Salaries
Counselor (see goal 1, action 16)

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Monitor site discipline data, including referrals and suspensions, to make data-driven decisions regarding school climate.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Ensure a successful transition from middle school to high school by coordinating with local high schools for on-site registration events, participation in high school orientation events, and continued pathways in programs such as AVID.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All 6th Grade Students

Strategy/Activity

Ensure a successful transition from elementary school to middle school by coordinating with district elementary sites to conduct elementary schools visits to promote Fremont and encourage student interest in site programs, hosting WEB orientation and monthly WEB events for incoming 6th grade students, and participation in special education transition meetings.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | LCFF - Targeted 1000-1999: Certificated Personnel Salaries Extra hours - Certificated staff |
| 1000 | Title I 1000-1999: Certificated Personnel Salaries Extra Hours - WEB Coordinators |

Strategy/Activity 13

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Recognize students meeting school expectations through monthly character trait awards, weekly praise notes, and teacher specific weekly awards recognized virtually and when students return to the campus.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 1488 | LCFF - Targeted 4000-4999: Books And Supplies Character Incentives |

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide a variety of extracurricular options to increase student connectedness, including WEB, ASB, and a variety of clubs including the LOVE Club, Baking Club, and Kindness Club which are offered virtually for Distance Learning.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 8572.47 | Title I 1000-1999: Certificated Personnel Salaries Extra hours - Certificated staff |
| 1000 | LCFF - Targeted 4000-4999: Books And Supplies Supplemental materials |

Strategy/Activity 15

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Office and custodial staff will effectively maintain daily school operations to respond to student safety needs, monitor student attendance, and assist in documenting and filing incident reports.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 16316 | Discretionary 2000-2999: Classified Personnel Salaries Clerical substitutes, Extra Help, and Overtime |
| 528 | Discretionary 2000-2999: Classified Personnel Salaries Custodial Extra Help |
| 663 | LCFF - Targeted 2000-2999: Classified Personnel Salaries Clerical extra help and overtime |

Strategy/Activity 16

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

School campus will be maintained in an orderly fashion and inspected for safety. School operational supplies will be maintained.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 30775 | Discretionary 5000-5999: Services And Other Operating Expenditures Supplies |

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 18

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 19

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 20

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 21

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 34

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The administration, counselor and outreach coordinator along with the school PBIS team have done a lot of work and professional development on the importance of strong relationships with students. We have also done a lot of work on building common behavior expectations schoolwide with clear guidelines for success. The focus will continue to be on connecting with students and maintaining strong relationships with students especially during Distance Learning. ORCs, counselors, and administrators will continue to conduct home visits to assure that students and their families have the necessary resources to access their education virtually.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There are not any major differences between the intended implementation and expenditures. We have purchased materials such as Guidelines for Success posters for the PBIS team and campus assistants to develop our vision of a safer campus. We have also continued to develop guidelines for success and schoolwide behavior expectations so that students know what the expectations are regardless of grade or area within the school. This has been a major shift and part of our goal in establishing a strong school culture. ORCs will be provided additional hours in order to maintain contact and strong relationships with those student groups who are at-risk and unable to directly access school resources.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Upon students returning to campus, there will be a continued focus to decrease the number of suspensions and/or behavior referrals. The focus will be to keep students engaged and motivated to connect to their classes either on Zoom in Distance Learning or in class in the Hybrid Schedule. The PBIS system in place has been working effectively to decrease office referrals. We are continuing to improve on our current practices to continue to support students and teachers; specifically, restructuring the common areas students congregate in, teacher training on behavior monitoring and responses, and schoolwide expectations for students. The current focus will be for all staff members to remain connected and communicate with students and their families in order to ensure that our students have the necessary resources to combat learning loss due to the pandemic.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|-------------------------|---------------------------------|
| Attendance at parent meetings/workshops | No data available | 2019-2020 will be baseline data |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Continue providing essential programs and support services (e.g. parent training and education) to identified students and families through virtual learning as necessary.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

LCFF - Intervention

Counselor - extra help

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Update the Student-Parent Compact and Parent Involvement Policy with feedback from stakeholders and distribute to parents to strengthen home-school partnerships.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Invite parents to attend student-led parent/teacher conferences in November and February to discuss student progress and review promotion criteria. This will be done virtually until students return in person.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Parent attendance at workshops has an impact on student achievement and student engagement by providing information that is pertinent and aligned with what students are learning. Also active parents impact their child through their involvement and connection with the school. This in turn impacts student achievement. Parent participation will continue to be encouraged even through Distance Learning and a Hybrid Schedule. Parents continue to express the need to be involved and

attendance at Back-to-School Night was successful and a good indicator for the need that parents continue to be included as often as possible throughout the school year.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The changes this year will include accommodating all activities virtually in order to successfully include our parents in school events. We have changed Coffee with the Principal to be more inclusive and to be representative of the guest speakers in Parent Informational Nights. Plans to increase parent response to the CHKS include targeted times during ELAC, SSC, and Coffee with the Principal. Parent workshop topics will reflect the needs of the parents through surveys conducted to gather data.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The changes are that the use of the CHKS survey for parents will be used as a metric for parents to give feedback. We are also working to increase parent involvement and attendance at all parent engagements. PTA membership has already increased as well as attendance at parent workshops and Back-to-School Night. All parent events will be through webinars and parent workshops through Zoom until students return full time on campus.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

| Description | Amount |
|---|--------------|
| Total Funds Provided to the School Through the Consolidated Application | \$105,420 |
| Total Federal Funds Provided to the School from the LEA for CSI | \$0 |
| Total Funds Budgeted for Strategies to Meet the Goals in the SPSA | \$282,013.00 |

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

| Federal Programs | Amount (\$) |
|------------------|-------------|
| Title I | \$78,898.00 |
| Title III | \$9,736.00 |

Subtotal of additional federal funds included for this school: **\$88,634.00**

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

| State or Local Programs | Amount (\$) |
|-------------------------|--------------|
| | \$0.00 |
| Centralized Services | \$0.00 |
| Discretionary | \$60,659.00 |
| District Funded | \$0.00 |
| LCFF - Intervention | \$126,569.00 |
| LCFF - Targeted | \$6,151.00 |
| TUPE | \$0.00 |

Subtotal of state or local funds included for this school: **\$193,379.00**

Total of federal, state, and/or local funds for this school: **\$282,013.00**

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

| Funding Source | Amount | Balance |
|---------------------|---------|---------|
| Discretionary | 60,659 | 0.00 |
| Title I | 78,898 | 0.00 |

Expenditures by Goal

| Goal Number | Total Expenditures |
|-------------|--------------------|
| Goal 1 | 178,263.00 |
| Goal 2 | 64,842.47 |
| Goal 3 | 38,907.53 |

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 4 Classroom Teachers
- 1 Other School Staff
- 3 Parent or Community Members
- 3 Secondary Students

| Name of Members | Role |
|------------------------------|----------------------------|
| Chantal Anderson Witherspoon | Principal |
| Arturo Burciaga | Other School Staff |
| Samuel Reveles - Secretary | Classroom Teacher |
| Dennis Smathers | Classroom Teacher |
| Viriana Rodriguez | Classroom Teacher |
| Angie Padilla | Classroom Teacher |
| Wilburn Ray - Chairperson | Parent or Community Member |
| Lisa Postas | Parent or Community Member |
| Javier Jimenez | Parent or Community Member |
| Andrew Maria | Secondary Student |
| Marlyn Morales | Secondary Student |
| Jaymee Sardona | Secondary Student |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

| Signature | Committee or Advisory Group Name |
|---|------------------------------------|
|  | School Site Council |
| Maria Luna | English Learner Advisory Committee |

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 10-15-20.

|  | SSC Chairperson, Wilburn Ray on 10-15-20 |

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019

School Year: **2020-21**

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|------------------------------------|-----------------------------------|--|---------------------------|
| Norma Harrington Elementary School | 56725386055297 | 10/7/2020 | 11/4/2020 |

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Harrington operates with one goal in mind: high academic achievement for all students. As a result, teachers and staff work tirelessly in order to meet the needs of all students. We know that in order for all students to achieve academic excellence, we must create a partnership with parents and community stakeholders. Additionally, we understand the value of providing students with a voice and allow our students to be part of their academic journey. Our staff is dedicated to provide students a welcoming, safe, and nurturing environment conducive to learning as well as welcoming to parents and community members. We encourage students and staff to adhere to and live by our Guidelines for Success, GROWL (Great Attitude, Respectful, Ownership, Work Hard, and Leadership).

Harrington School has approved a contract variance which allows teachers a common planning time once a week. At this time we are doing Distance Learning, however once we go back to having students on campus, teachers would resume with the banking of minutes. For now we are following the district schedules which do include planning and collaboration time. This planning time is used to reflect on first instruction as well as review student data in order to meet the needs of all students, especially English Learners and Special Education students. Last year, Harrington staff began foundational work in common core standard alignment to instruction, biliteracy unit implementation, and SBAC skill development. As a result, our students demonstrated growth in all academic areas. However, we still have pockets of students that have not met adequate growth and will continue to adjust our practice. As a continuum for the work done last year, this year we intend to deepen our understanding of the NGSS and Social Studies and link them to our English Language Arts and Math standards. This process is utilized with the implementation of the biliteracy units. As our biliteracy program progresses through the grade levels, it is important that teachers in grades 2nd through 5th prepare for this unit design and format. As our staff continues work with the Common Core standards, it is our goal this year to improve and increase the overall rigor of our instructional program, while providing a common language with the common core writing standards.

In order to meet the needs of all students, Harrington School is committed to providing staff with support in the areas of PBIS and Common Core Standards. Therefore, this year we initiated a leadership group that is linked and based in the common core standards in order to facilitate the discussion and provide staff with guidance on adequate first instruction for all learners. As a continuation from last year, another leadership group provides guidance in the area of PBIS in order to maintain a culture rich with student and staff expectations and procedures. Both leadership teams understand the importance of collective efficacy and will work together on the following goals:

- Create and maintain a safe learning environment, conducive to learning for all students
- Address student needs through the MTSS system and provide necessary intervention and enrichment
- Weekly collaboration to monitor student foundational skills data (reading & math) and increase rigor via the content areas of Science and Social Sciences
- Include students in their own academic journey by reviewing data with them on a more consistent basis.

We are confident that with a laser-focus and increased accountability, students will have access to an above average instructional program. Our staff is committed to improving our craft in order to best meet the needs of our diverse population.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Classroom observations were conducted on a weekly basis. Administration used the results of the observations to provide feedback and professional development to teachers. In reflection, it was determined that more professional development was needed in the area of common core standards and depth of knowledge. The site plans to continue the work with development and understanding of all academic standards, specifically a more focused and targeted approach to professional development of the writing standards across content will be established. Additionally, support will be provided to kindergarten and first grade as both grades are in the biliteracy program as it pertains to implementation of the biliteracy units and assessments.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Teachers, Intervention Support Provider and the site instructional leader will use both standard based formative and summative assessments to modify and adapt instructions for all learners. Specifically, teachers and site instructional leadership will review common assessments in the biliteracy units, Interim Assessment Blocks, and other standards based assessments commonly selected by the grade level in order to modify instruction. Every month, diagnostic data is reviewed via the STAR 360 platform and teachers make informed instructional decisions.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Teachers, Intervention Support Provider, and site instructional leader will review monthly STAR reading and math data to improve 1st instruction in grades kinder through 5th grade. Additionally, STAR 360 reading and math results will be used to determine the need for intervention and enrichment. Teachers have collaboration time every week where they review assessment data to make any instructional modifications that are deemed necessary.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that that all site staff meets requirements to be considered “highly qualified.” This is monitored by the district’s Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly. All staff development is provided based on the current needs of our students and the professional needs of our staff. Staff is a huge part of the collaboration in determining next steps.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors who provide support for Curriculum, Instruction, Biliteracy Programs, English Learner Services, Special Education and Pupil Services. A DLI (Dual Language Immersion) Director works directly with teachers to support biliteracy instruction.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers collaborate every Wednesday as determined by the site contract variance. Additionally, teachers are subbed out as grade levels for additional collaboration when subs are available. At this time we are using the Distance Learning Schedule to allow teachers to plan and collaborate.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs. Teacher collaborate together as a grade level to maintain an appropriate pace in order to provide the necessary intervention.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Students are provided with various services to enable underperforming students to meet standards:

- Intervention Support Provider
- Differentiated Instruction across English Language Arts and Math
- Instructional Assistants in kinder for 1.5 hours
- Instructional aids such as CORE 5 and IXL to provide extra intervention and enrichment support so that teachers are able to provide differentiation

Evidence-based educational practices to raise student achievement

Teacher collective efficacy is a top priority at Harrington School. The single most important factor in determining high student achievement is first instruction. Therefore, this year, teachers and staff will be provided with both professional development on common core standards based instruction and planning. The planning will include collaborating with each grade level in math and language arts.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Our outreach to parents varies in approach, program offerings, and time of day to accommodate both stay at home and working parents. All our meetings are offered in English and Spanish, and Mixteco translation is available when needed. Our focus has been to engage parents in the decision making at the school as well as offer them opportunities to build their own skill to help their children succeed in school. We support a college going culture and help our parents turn a dream of college for their children into a plan that will make that dream attainable. Our ORC and school counselor organize, facilitate, and sometimes present workshops in order to provide our parents with opportunities to further support their students. Our school counselor also offers classes on preparing for parent conferences and dealing with adolescents.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Student Achievement data is reviewed multiple times a year with staff, parents and students (3rd-5th). Title I funding and expenditures are reviewed as well in order to determine the alignment with our SPSA goals. Additionally, site leadership, staff, and parents provide input in the creation of the goals.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Parent engagement and involvement is top priority and we understand the importance of it as it pertains to the overall academic achievement of our students. Therefore, we provide food and prizes for parents who attend any of our meetings. Additionally, our Outreach Consultant and Counselor make themselves available to our families in the case in which families need any social-emotional support, assistance with basic needs for their students, and additionally we ensure to provide translation for any parent meeting when needed.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Site instructional collaborated with district leadership during the summer and at the start of the year in order to develop site academic goals that would improve academic achievement. Additionally, the

instructional leader met with the site leadership team during the summer in order to review academic progress. The instructional leader and site teaching staff met to discuss and develop academic goals in the areas of foundation skills and common core standard alignment. The site instructional leader notified parents of school goals during back to school night as well as during School Site Council and the English Learner Advisory Committee meetings.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

In order to better meet the needs of our students, we need a more systematic approach to collaboration and data review. Therefore, this year we plan to become more knowledgeable and informed regarding effective common core standards based first instruction and use this information to guide the collaboration that occurs during grade level and site based collaboration. This applies to our various instructional programs such as, SEI, TBE, Biliteracy, and SDC.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

| Student Enrollment by Subgroup | | | | | | |
|--------------------------------|-----------------------|-------|--------|--------------------|-------|-------|
| Student Group | Percent of Enrollment | | | Number of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| American Indian | % | % | 0% | | | 0 |
| African American | 0.17% | % | 0.35% | 1 | | 2 |
| Asian | 0.67% | % | 0.35% | 4 | | 5 |
| Filipino | 0.84% | % | 0.53% | 5 | | 5 |
| Hispanic/Latino | 95.63% | % | 95.76% | 569 | | 562 |
| Pacific Islander | % | % | 0% | | | 0 |
| White | 2.18% | % | 2.65% | 13 | | 13 |
| Multiple/No Response | % | % | 0.35% | | | 0 |
| Total Enrollment | | | | 595 | | 585 |

Student Enrollment Enrollment By Grade Level

| Student Enrollment by Grade Level | | | |
|-----------------------------------|--------------------|-------|-------|
| Grade | Number of Students | | |
| | 17-18 | 18-19 | 19-20 |
| Kindergarten | 112 | | 98 |
| Grade 1 | 117 | | 90 |
| Grade 2 | 90 | | 78 |
| Grade3 | 87 | | 96 |
| Grade 4 | 95 | | 94 |
| Grade 5 | 94 | | 84 |
| Total Enrollment | 595 | | 584 |

Conclusions based on this data:

Our student enrollment is decreasing due to reasons outside of our control. Our office staff talks to parents prior upon knowledge that a student(s) is leaving our school. The reasons usually have to do with the need to relocate for personal and financial reasons.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

| English Learner (EL) Enrollment | | | | | | |
|---|--------------------|-------|-------|---------------------|-------|-------|
| Student Group | Number of Students | | | Percent of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| English Learners | | | 405 | | | 0.69% |
| Fluent English Proficient (FEP) | | | 47 | | | 11.3% |
| Reclassified Fluent English Proficient (RFEP) | | | 48 | | | 13.8% |

Conclusions based on this data:

Last year, we were able to reclassify 25 students. As our staff addresses the instructional needs of our students as it pertains to their development of English, we will see an increase of students with the necessary scores to reclassify. Teachers and staff were more intentional last year in providing students with the skills necessary to be more successful on the ELPAC and more intentional with reading first instruction for our English Learners. Students did not take the ELPAC in 2019-2020 due to COVID19. Therefore we will not have new data, but we will continue to work with the students to reclassify them.

Conclusions based on this data:

We saw an increase in growth from band to band. Our number of students not meeting standard decreased significantly across 3rd through 5th grades. We will continue to focus on our first instruction in order to provide students with the basic foundational skills and critical thinking skills necessary to continue to move them across the bands with the goal of reaching met standard. As we stated previously, our need for professional development in writing instruction is a top priority as our students continue to struggle the most with the writing domain. Although we will still focus on all other domains, the teachers and instructional site leader believe that with a more systematic school wide focus on writing and rigor, we will improve in all content areas and standards. We are aware that although we made positive growth last year, we still have a significant amount of students not making significant growth. As a site, we will look at those students and review our instructional program to better meet the needs of these students. Overall, our students performed the highest in the domain of Listening. This is not surprising as teachers focused more last year on reading out loud to students as requiring students to extend their learning from what they learned.

Conclusions based on this data:

Overall, the number of students meeting or exceeding standard improved. In reflection across the grade level, teachers attributed this growth to a more systematic approach to math utilizing the math mindset professional development that teachers participated in. As a result, students were asked to talk more about their process to tackle math problems and possible solution. Again, last year, teachers felt we have a more instructional focus on the skills necessary for students to meet standards. Our teachers collaborated all year long about standards and how to best meet the needs of our students across all levels. Specifically, teachers focused on movement and targeted their instruction to move students across the level bands. Although we saw positive growth, we are hopeful to continue to move student across the bands with more students meeting standard. We will continue to provide students with the instruction needed to meet their diverse academic needs. As of now we are doing Distance Learning, and teachers are collaborating so that we may continue to improve our scores. We understand that the data is not recent, but we know we still need to work on improving the scores of our students.

| All Grades | | 21.64 | | 66.58 | | 11.78 | | 365 |

Conclusions based on this data:

As the reclassification requirements have changed, we must focus our efforts on providing the necessary English language development instruction to move the 35% of our students that have scored Level 3 (Moderately Developed) to a Level 4 (Well Developed) so that they can be considered for reclassification. Specifically with our Level 4 students (25%), we need to ensure that their reading level is at the same level of their non English Learner peers so that they can be considered for reclassification. Our English Learner parents are very concerned with reclassification for their students and have committed to helping our teachers with the charge of reclassification for our students at the appropriate time.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

| 2018-19 Student Population | | | |
|----------------------------|---------------------------------|------------------|--------------|
| Total Enrollment | Socioeconomically Disadvantaged | English Learners | Foster Youth |
| 588 | 82.3 | 71.6 | 1 |

This is the total number of students enrolled.

This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

This is the percent of students whose well-being is the responsibility of a court.

| 2018-19 Enrollment for All Students/Student Group | | |
|---|-------|------------|
| Student Group | Total | Percentage |
| English Learners | 421 | 71.6 |
| Foster Youth | 1 | 1 |
| Homeless | 5 | 0.9 |
| Socioeconomically Disadvantaged | 484 | 82.3 |
| Students with Disabilities | 77 | 13.1 |

| Enrollment by Race/Ethnicity | | |
|------------------------------|-------|------------|
| Student Group | Total | Percentage |
| African American | 3 | 0.5 |
| Asian | 3 | 0.5 |
| Filipino | 4 | 0.7 |
| Hispanic | 562 | 95.6 |
| Two or More Races | 2 | 0.3 |
| White | 14 | 2.4 |

Conclusions based on this data:

Our highest group population is Hispanic with 95.6% of students identifying in this group. This might promote an easy alignment of our resources to meet the needs of this group, however we cannot ignore the other groups and must ensure that the needs of our African American, White, Asian, and Filipino student groups are being met as well. Additionally, our English Learner group population is high as well, but not as high as our socioeconomically disadvantaged group. This leads me to believe that we have many students that fall into both categories and we must meet the needs of the two groups combined.

School and Student Performance Data

Overall Performance

2019 Fall Dashboard Overall Performance for All Students

| Academic Performance | Academic Engagement | Conditions & Climate |
|---|---|---|
| <p data-bbox="186 426 479 457">English Language Arts</p>  <p data-bbox="293 506 373 533">Yellow</p> | <p data-bbox="673 426 950 457">Chronic Absenteeism</p>  <p data-bbox="769 506 849 533">Orange</p> | <p data-bbox="1177 426 1396 457">Suspension Rate</p>  <p data-bbox="1248 506 1328 533">Orange</p> |
| <p data-bbox="251 623 414 655">Mathematics</p>  <p data-bbox="293 703 373 730">Yellow</p> | | |

Conclusions based on this data:

We have two areas of focus based on the results indicated above. It is imperative that we focus on our English Learner student group as well as in the area of math for all students. Although we continue to make growth, we must find more innovative ways to meet the needs of our students in all student groups, but especially our English Learners. We must also pay close attention to our students who are chronically absent and find strategies that will help them attend school on a regular basis.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard English Language Arts Performance for All Students/Student Group | | |
|---|--|---|
| <p>All Students</p> <p>Yellow</p> <p>39.8 points below standard</p> <p>Increased Significantly ++25.2 points 267</p> | <p>English Learners</p> <p>Yellow</p> <p>43 points below standard</p> <p>Increased Significantly ++25 points 213</p> | <p>Foster Youth</p> <p>No Performance Color</p> <p>0 Students</p> |
| <p>Homeless</p> <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>6</p> | <p>Socioeconomically Disadvantaged</p> <p>Yellow</p> <p>43.9 points below standard</p> <p>Increased Significantly ++22.6 points 229</p> | <p>Students with Disabilities</p> <p>Orange</p> <p>129.3 points below standard</p> <p>Increased Significantly ++15.7 points 50</p> |

2019 Fall Dashboard English Language Arts Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |  No Performance Color 0 Students |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 39.9 points below standard Increased Significantly ++26.4 points 256 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color 0 Students |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|---|---|--|
| 72.4 points below standard | 14.4 points below standard | 32.4 points below standard |
| Increased Significantly ++18.8 points 105 | Increased Significantly ++23.5 points 108 | Increased Significantly ++21.1 points 50 |

Conclusions based on this data:

The data concludes that we must employ methods that will significantly address the needs of our English Learner and Hispanic students. As we progress through collaboration and plan our instruction, we must take in to consideration the rate of growth for all students, especially our English Learners and Hispanic students. The focus of our work is on Academic language that will help facilitate growth with these two groups of students.

School and Student Performance Data

Academic Performance Mathematics

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard Mathematics Performance for All Students/Student Group | | |
|---|---|--|
| <p>All Students</p>  Yellow 52.4 points below standard Increased Significantly ++21.8 points 266 | <p>English Learners</p>  Yellow 51 points below standard Increased Significantly ++23.5 points 212 | <p>Foster Youth</p> |
| <p>Homeless</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 6 | <p>Socioeconomically Disadvantaged</p>  Yellow 55.6 points below standard Increased Significantly ++19.3 points 228 | <p>Students with Disabilities</p>  Red 166.4 points below standard Declined Significantly -22.3 points 49 |

2019 Fall Dashboard Mathematics Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 53 points below standard Increased Significantly ++23.6 points 255 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard Mathematics Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|---|---|---|
| 69.6 points below standard Increased Significantly ++15.5 points 105 | 32.7 points below standard Increased Significantly ++28.1 points 107 | 63.4 points below standard Increased ++10.6 points 50 |

Conclusions based on this data:

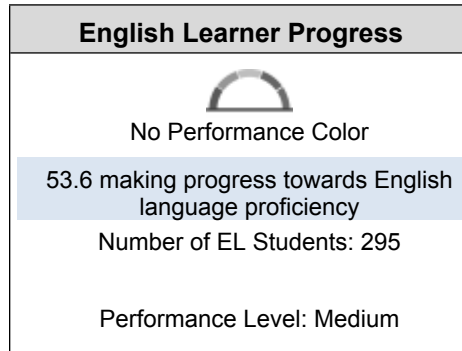

Although we did notice growth in mathematics, we still have a high percentage of students in all groups not meeting standard. Therefore, we must take a look at the individual needs of these groups and students and use this information to collaborate and determine next steps for our students. Specifically, we plan to include our students in the data conversation in order to help them understand the expectations we have for them. Our efforts will continue to be focused on high quality first instruction for all students, but while keeping in mind the needs of our English Learner and Hispanic students.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2019 Fall Dashboard Student English Language Acquisition Results

| Decreased One ELPI Level | Maintained ELPI Level 1, 2L, 2H, 3L, or 3H | Maintained ELPI Level 4 | Progressed At Least One ELPI Level |
|--------------------------|--|-------------------------|------------------------------------|
| 16.6 | 29.8 | 2.3 | 51.1 |

| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 4.9 Increased +0.8 575 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 |  No Performance Color 14.3 Declined -1.1 14 |

Conclusions based on this data:

Based on the data and reflection of the strategies implemented last year, the need for an individualized plan for our chronically absent students is necessary. Therefore, this year, our school counselor has taken on this group as a high priority and we hope that our chronically absent students' attendance rate will increase. We will also come up with a plan that take into consideration the various groups in which our students might pertain to. Our Outreach specialist will also work together with our counselor to do an insentive program.

School and Student Performance Data

Academic Engagement Graduation Rate

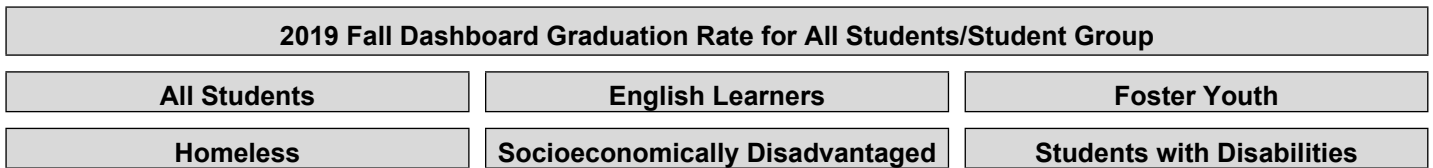

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

Conclusions based on this data:

School and Student Performance Data

Conditions & Climate Suspension Rate

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

| 2019 Fall Dashboard Suspension Rate for All Students/Student Group | | |
|--|--|---|
| <p>All Students</p>  Orange 1.3 Increased +0.8 613 | <p>English Learners</p>  Orange 1.1 Increased +0.7 441 | <p>Foster Youth</p> |
| <p>Homeless</p>  No Performance Color 0 Maintained 0 12 | <p>Socioeconomically Disadvantaged</p>  Orange 1.3 Increased +1 523 | <p>Students with Disabilities</p>  Orange 4 Increased +2.9 100 |

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color Less than 11 Students - Data 3 | |  No Performance Color Less than 11 Students - Data 2 |  No Performance Color Less than 11 Students - Data 4 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 1.2 Increased +0.7 587 |  No Performance Color Less than 11 Students - Data 3 | |  No Performance Color 7.1 Increased +7.1 14 |

This section provides a view of the percentage of students who were suspended.

2019 Fall Dashboard Suspension Rate by Year

| 2017 | 2018 | 2019 |
|------|------|------|
| | 0.5 | 1.3 |

Conclusions based on this data:

Our suspension rate is within the limits set forth in our goal, however we continue to review suspensions on individual basis in order to determine if expectations and procedures need to be adjusted to provide an opportunity for success for all of our students.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All students will reach high academic standards in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality first instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|-------------------------------------|--|--|
| Reclassification | 2020-2021 school year, 25 English Learners were reclassified. | Reclassify 60% of 41% Students who meet reclassification rates. |
| STAR 360 Early Literacy and Reading | In order to determine whether our instructional programs and/or programs are meeting the needs of all students, we look at the Student Growth Percentile (SGP) average per grade level on the STAR 360 Early Literacy and Reading. This score compares our students' growth to the growth of their peers with the same starting points. Star 360 Reading Average SGP is 50 with 16% proficient. Star 360 Early Literacy SGP is 50 with 44% proficient. | Class Student Growth Percentile average will be 50 (high Growth) with 10% increased proficiency. In addition, students will achieve a minimum the 25th percentile since it is the minimum needed to reclassify students. |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---------------------------------|--|--|
| STAR 360 Math | In order to determine whether our instructional programs and/or programs are meeting the needs of all students, we look at the Student Growth Percentile(SGP) average per grade level on the STAR 360 Math. This score compares our students' growth to the growth of their peers with the same starting points. Star 360 Math Average SGP is 50 with 16% proficient. | Class SGP average will be 50 (high Growth) with 10% increased proficiency. |
| STAR 360 Early Literacy Spanish | Current domain mastery is at 71% | Domain mastery will exceed 80%. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Teachers will collaborate with principal in order to provide reading intervention to targeted students in grades kindergarten to 5th grade. Teachers will review data with the principal from STAR 360, Lexia and ST math to make sure students are doing adequate growth.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Centralized Services

Certificated Salaries: Teacher

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

All teachers will continue implementation of best practices with emphasis on first instruction. Provide additional collaboration time and professional development with emphasis on writing and oracy (Academic Vocabulary linked to text) in general education and special education classrooms. The goal is to get students to grade level . (For now we will be doing Distance Learning, but we have collaborations each Wednesday .)

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 1000 | LCFF - Intervention Professional Development and/or collaboration (subs/extra hours) |
| 1000 | LCFF - Intervention Teacher extra help/ Tutoring |
| 2041 | Title III Teacher extra help/Tutoring |
| 3000 | Discretionary Teacher extra help/ Tutoring |
| 2000 | Title III |

| | |
|------|---|
| | Teacher Extra Time/Spring EL Program |
| 1000 | LCFF - Intervention DLI Tutoring |
| 1000 | Discretionary DLI Tutoring |
| 2000 | LCFF - Intervention Teacher Extra Time/Spring EL Program |

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Follow Oxnard School District assessment calendar to monitor student progress on STAR 360 Early Literacy, Reading, and Math.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| | District Funded Renaissance contract |

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Access to more literature and nonfiction texts.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|-----------|
| | |

| | |
|---------|---|
| 1352.75 | Title I DLI Books for the classroom |
| 1102 | LCFF - Intervention Books Librarian/ Book Club |
| 1352.75 | Title I SEI Books for the classroom |
| 1352.75 | Title I DLI Books for the classroom/ novels sets |
| 5562.50 | LCFF - Intervention DLI Books for the classroom |
| 1352.75 | Title I SEI Books for the classroom/ novels sets |
| 5562.50 | LCFF - Intervention SEI Books for the classroom |
| 5562.50 | LCFF - Intervention DLI Books for the classroom/ novels sets |
| 5562.50 | LCFF - Intervention SEI Books for the classroom/ novels sets |
| 2000 | LCFF - Intervention DLI Materials |

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Use IO database to collaborate regarding formative and summative assessments.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--------------------------------|
| | District Funded Curriculum |
| | District Funded IO contract |

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Students will be provide with Reading and Math Enrichment and/or Intervention strategies.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 1000 | LCFF - Intervention Teacher tutoring math |
| | District Funded My Lexia Core 5- Phonics and Reading |
| | District Funded ST Math |
| 1000 | Discretionary Teacher tutoring math |
| 1000 | Discretionary kinder essential skill/ tutoring |
| 12 | Title III DLI materials |
| 2999 | Discretionary DLI materials |

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Students will receive Reading and math Enrichment and/or Intervention to make adequate growth.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

| | |
|-------|--|
| | District Funded |
| | Teacher Extra Hours / ISP |
| 23996 | Title I |
| | Certificated Salary: ISP Teacher/ Math |

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Student Incentives for academics and attendance

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

| | |
|------|---------------------|
| 4000 | LCFF - Intervention |
| | Incentives |
| 2000 | Discretionary |
| | Incentives |

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Support Enrichment and Experiences linked to biliteracy units, NGSS science standards, Common Core Standards, and strand focus

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 1000 | Discretionary Enviroment Strand support |
| 1000 | Discretionary Garden club NGSS Science, Common Core Standards supplies |
| 10000 | LCFF - Intervention Office Depot materials and supplies |
| 1000 | LCFF - Intervention Gate clusters/ Enrichment |

Strategy/Activity 11**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Meet monthly to monitor student progress either through the Coordinated Services Team Meeting or Student Success Team Meeting to address the emotional and acadademic needs of the at-risk students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|-------------------------------------|
| 1000 | LCFF - Intervention Teacher Subs |
| 1000 | Title I Teacher Subs/COST |
| | District Funded School counselor |
| | District Funded ORC |

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Monthly STAR 360 Reading, Early Literacy, Math Assessments to monitor student progress

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Leadership and PBIS will meet regularly to discuss and collaboratively develop a school plan to improve students academic process.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 1500 | Title I |
| | Leadership/ PBIS extra hours for teachers |

Strategy/Activity 18

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners

Strategy/Activity

Provide para eeducator support to English Learners in first grade .

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|-----------|
|-----------|-----------|

| | |
|------|--|
| 2000 | LCFF - Targeted Classified Salary |
| 9326 | Title III None Specified Classified Salary |

Strategy/Activity 19

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Pre School Students

Strategy/Activity

Arrange for pre-school students to visit kindergarten classrooms.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 20

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

5th Grade Students

Strategy/Activity

Provide transition presentations to 5th grade students prior to end of the year.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 21

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Special Education Students

Strategy/Activity

Special Education transition meetings will be held to support students transitioning to the middle school.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 22

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Teachers will attend Professional Development session and collaborate regarding:

Common Core English and Spanish Standards
Star 360 Data
English Language Development
Use of Classroom Technology
iPads and Applications
Foundational Skills in Literacy
Writing Strategies-Lucy Calkins Units of Study
Next Generation Science Standards
Teaching for Biliteracy
Math Mindset
Canvas

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|-------------------------------------|
| 1500 | Title I Sub Teachers/Conferences |
| 500 | Title I CABE registration |

Strategy/Activity 23

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Extra Support Teacher-Music (Strand Focus)

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 37

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 38

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 39

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 40

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

In 2018-2019 year, we improved our instructional focus and targeted students in order to improve our CAASPP test scores. We saw a significant amount of growth on the CAASPP, especially with the students that teachers targeted and differentiated instruction for. Strategies such as Spring Break SBAC academy as well as after school test practice were beneficial to our students. The discussion and dialogue regarding the specific instructional changes were part of the weekly collaboration that Harrington School participates in with common planning time. This is extremely beneficial in order to sustain any strategy or activity put forth on our SPSA. Last year we contracted three intervention support providers in order to help teacher provide enrichment and intervention. However, due to sub shortages and the qualifications of the individuals, their influence

of benefit to the our instructional program was minimal. Additionally, we determined that as a school, we need some improve our knowledge of the common core standards in order to improve our first instruction, which is the best way to reach the needs of all of our students. Also, last year we began the biliteracy program in first grade. However, we went into Distance Learning in March of 2019-2020. This year 2020- 2021 we came back with Distance Learning at 100 percent. We were not able to admistered the CAASPP test or do the Spring Break SBAC. Therefore, we will have the STAR 360 in reading, math and the early literacy for data collection. We will contunie to work with our data to make sure our students are making adequate growth.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

As the school year progressed and we worked through the standards, teachers determined the need for access to materials and supplies needed to help with a focus on teaching literature and oracy through social sciences and science across grade levels, but especially with our biliteracy kindergarten classes. Consequently, we spent more money on material and supplies as well as in collaboration during the day and after school. Additionally, we did not spend some of the funds allocated for intervention as it was difficult to obtain teachers to stay after school and provide intervention. Our focus on first instruction this year will help improve our instruction in order to meet the needs of all of our students throughout the school day. More specifically, teachers have expressed interest in participating in more professional development in the area of writing. (We are also doing Distance Learning at these time.)

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

This year, we planned to improve our first instruction and common core standard knowledge. Teachers will attend PLC to have more support with first instrution. Many of our strategies and/or activities set aside funds that we will be used for professional development in the common core standards and collaboration for all teachers, but specifically teachers on the common core advisory committee to help create a system of support for our teachers as they commit to the rigor necessary for the common core standards. Additionally, due to the lack of impact and inconsistencies with our intervention support providers, we decided to only contract one person to support teachers with Tier 3 intervention in reading and Tier 2 in math. This reading and math interventionist also collaborated with the teachers. With the implementation of of the biliteracy look fors and instructional walks, the power of constant feedback regarding instruction and next steps as a staff.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

Develop and enforce school-wide expectations
Encourage Positive Behavior
Provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--------------------|---|---|
| Suspension Rate | School suspension rate was less than 1% | Continue to strive for 1% or lower suspension rate. |
| Attendance Rate | Current ADA was 96%. | We will strive for a 97% attendance rate. |
| Behavior Referrals | 49 Behavior referrals were submitted | Reduce number by 10% |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Positive Behavior Incentives and Supports Leadership Team will meet once a month to review procedures and expectations.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

1000

Source(s)

Discretionary
AR and Math incentives

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students and families

Strategy/Activity

Positive Intervention and Supports Team will improve structure and activities during unstructured times.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

1000

Source(s)

Discretionary
Recess activities /playground equipment/
CHAMPS

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students and families

Strategy/Activity

Students, staff and parents will participate in the California Healthy Kids Survey, California School Staff Survey, California School Parent Survey for data collection related to social-emotional health.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We were very pleased with our California Healthy Kids Survey as our scores were equal to or greater than the state average. Our attendance tech and Outreach Resource Consultant works really hard to improve attendance all year long and as a result, we reached our goal of 97% attendance. In regarding to the behavior referrals, last year was the baseline year and we hope to decrease the number of referrals by implementing clearer expectations during unstructured times as that seems to be the cause of most of the behavioral referrals. Additionally, our students took the Panarama Survey, which will give us more data on Growth Mindset, Self-Management, Emotional Regulation, teacher-student relationship, and sense of Belonging.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Strategies and budgeted expenditures were spent accordingly.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

This year, we included funds to help us purchase equipment and activities to help improve our unstructured times. We are hopeful that this will decrease the number of referrals and help students learn how to play properly. Additionally, with the decrease in campus assistant hour allocation, this year we will need to pay for additional coverage from site funds. With all of the various instructional programs, the amount of overflow students, and also the structure of our school, we need more supervision than was allotted to us.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|--|---|
| Assess the parent participation in the various parent groups/committee and meetings. We will increase our number of parent participation by 10 parents. | We have a small group of volunteers that serve on the three main committees (PTA, SSC, and ELAC) | -Begin setting evening/late afternoon ELAC meetings. Increase attendance by 10%. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We increased the amount of communication last year as we began to utilize text messages in the parentlink platform. Parents have been pleased with the increase in communication and as a result, their participation in events has improved. Additionally, the overall implementation of the strategies and activities will improve family involvement and engagement.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Strategies and budgeted expenditures were spent accordingly.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Since the new building was built, parents have requested an electric sign. Our PTA organization has donated some of the funds over the years and we will pay for the remainder out of site funds. This should help improve overall communication with families.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

| Description | Amount |
|---|--------------|
| Total Funds Provided to the School Through the Consolidated Application | \$75675.00 |
| Total Federal Funds Provided to the School from the LEA for CSI | \$0 |
| Total Funds Budgeted for Strategies to Meet the Goals in the SPSA | \$176,785.00 |

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

| Federal Programs | Amount (\$) |
|------------------|-------------|
| Title I | \$42,184.00 |
| Title III | \$19,425.00 |

Subtotal of additional federal funds included for this school: \$61,609.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

| State or Local Programs | Amount (\$) |
|-------------------------|-------------|
| Discretionary | \$37,576.00 |
| LCFF - Intervention | \$71,600.00 |
| LCFF - Targeted | \$6,000.00 |

Subtotal of state or local funds included for this school: \$115,176.00

Total of federal, state, and/or local funds for this school: \$176,785.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

| Funding Source | Amount | Balance |
|---------------------|----------|---------|
| Discretionary | 37576.00 | 0.00 |
| LCFF - Intervention | 71600.00 | 0.00 |
| Title I | 42184.00 | 0.00 |
| Title III | 19425.00 | 0.00 |
| LCFF - Targeted | 6000.00 | 0.00 |

Expenditures by Funding Source

| Funding Source | Amount |
|---------------------|-----------|
| Discretionary | 37,576.00 |
| LCFF - Intervention | 71,600.00 |
| LCFF - Targeted | 6,000.00 |
| Title I | 42,184.00 |
| Title III | 19,425.00 |

Expenditures by Budget Reference and Funding Source

| Budget Reference | Funding Source | Amount |
|------------------|---------------------|-----------|
| | Discretionary | 33,576.00 |
| | Discretionary | 4,000.00 |
| | LCFF - Intervention | 55,350.00 |
| | LCFF - Intervention | 16,250.00 |
| | LCFF - Targeted | 2,000.00 |
| | LCFF - Targeted | 4,000.00 |
| | Title I | 32,831.25 |
| | Title I | 9,352.75 |
| | Title III | 10,099.00 |

None Specified

Title III

9,326.00

Expenditures by Goal

| Goal Number | Total Expenditures |
|-------------|--------------------|
| Goal 1 | 145,317.00 |
| Goal 2 | 6,000.00 |
| Goal 3 | 25,468.00 |

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

| Name of Members | Role |
|--------------------------|----------------------------|
| Rosaura Castellanos | Principal |
| Cristina Jimenez-Sanchez | Other School Staff |
| Helen Zaragoza | Classroom Teacher |
| Veronica Oros | Classroom Teacher |
| Fernando Hernandez | Classroom Teacher |
| Julia Roman | Parent or Community Member |
| Maria Mondragon | Parent or Community Member |
| Maria Bravo | Parent or Community Member |
| Lidia Mendoza | Parent or Community Member |
| Adriana Mendoza | Parent or Community Member |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

School Site Council

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 10/16/19.

Attested:

Principal, Rosaura Castellanos on 10/19/2020

SSC Chairperson, Fernando Hernandez on 10/19/20

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

[Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning Requirements](#)

[Appendix C: Select State and Federal Programs](#)

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE’s Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE’s School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school’s plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

For a list of active programs, please see the following links:

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019

KAMALA

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|---------------|-----------------------------------|--|---------------------------|
| Kamala School | 56725386055339 | October 2, 2020 | November 4, 2020 |

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Kamala is a kindergarten through eighth grade school where we believe that every student can succeed. Within our school, we have a Dual Language Immersion (DLI) program focused on building bilingual, biliterate, and bicultural students. We also have a strong commitment to strengthening our K-8 community through K-2 and middle school buddy programs, recess activities, spirit days and other activities. Our PBIS team has also been working with staff on building common expectations and forming strong relationships with students which has also contributed to creating a safe, positive environment for our students.

Low test scores have been a driving force for teachers and staff to rethink how we have been doing things and analyze best strategies and how we have been using data. The staff of Kamala School are working to build strong professional learning communities and collaborating with grade level and vertical teams to improve student learning.

Strong first instruction with high rigor, standards based lessons with effective instructional strategies, and an emphasis on analysis of data to drive instruction and intervention are the focal points for our Instructional Leadership Team and PLC work. The leadership team will facilitate this work in their PLCs and during collaboration with grade level colleagues. Dedicated time for PLCs with additional resources for ongoing collaboration throughout the year for teachers to plan strong, first instruction, develop common assessments, analyze data and respond to the data are significant actions in our plan.

In addition to strong first instruction and ELD instruction, an effective multi-tiered system of support provides students with targeted interventions. Intervention Service Providers (ISPs) provided by the district and an additional ISP hired with site funds will provide targeted reading intervention for students in all grades K-8. Teachers are also committed to providing structured extended learning opportunities for students based on analysis of data. Our plan is to provide both remediation and enrichment opportunities for students. Analysis of formative data and continued progress monitoring will provide key information for teachers to place students in correct interventions. Student monitoring meetings with grade level teams and administration will provide an additional structure for data analysis.

Our DLI program is now in its seventh year with DLI students in grades K-6. All classes in kindergarten, first and second grades are DLI classes and teachers in K - 2 are using the designed, content-based units. Teachers in all DLI classes will continue to foster oracy and make connections between the languages for students and will ensure that students' language proficiency and academic vocabulary are a major component of designated and integrated ELD.

Students in the middle school are engaged in electives connected to our strand focus of Art and Technology. Art is offered as an elective to middle school students as are the electives of Careers, Study Skills, and Environmental Science. Our art teacher does school-wide art projects that can be viewed in in our cafeteria. Students and staff are excited to see the major art pieces the teacher is able to create with the individual pieces she receives from everyone at Kamala! We are hoping to continue with these art projects when we return to in-person instruction.

All stakeholders must work together to support students. We are committed to working with parents and families to improve student learning through ELAC, SSC, parenting classes and Coffee with Us/Cafe con Nosotros. Parents and families have been connecting via Zoom for these meetings and are providing feedback as we move through our distance learning journey.

"One Team. One Goal./ Un equipo. Una Meta" defines our school community (teachers, staff, parents, families and students) and how we are moving as one to team to improve student achievement.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The administrators visit classrooms regularly to identify what is going well and what areas are in need of support. We have been working on building strong relationships with students and focusing on strong, effective first instruction and rigor in lessons. Over the past year, teachers have worked to build stronger relationships with students to make teaching and learning more effective. These efforts have continued during distance learning as making connections and building safe classroom environments is even more vital during this time. Teachers, the counselor, office staff, and admin are working diligently to get all students connected and engaged. During in person instruction last year, the number of office referrals decreased and stronger connections were made with students. We will continue to focus this year on strong, effective first instruction. Three site goals were developed as a focus this year for our leadership team and our grade level PLCs. We will work on consistent, standards-based lessons with high rigor, progress monitoring using common formative assessments, and writing across the curriculum. This work continues during distance learning.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Due to the COVID-19 pandemic, students did not take the CAASPP test in 2020. Analysis of the CAASPP results from 2019 reveal that in grades 3-6, the percentage of students in the not met and nearly met levels have decreased over the past four years with corresponding gains in the met and exceeded levels in ELA. The increase in scores can be attributed in part to a strong focus on reading in the primary grades. The STAR 360 and interim assessment blocks data are also analyzed; however, we are continuing to work on how to convert this data analysis to a change in instructional practices and ensure that we are understanding any effects that testing via distance learning may have on the results. A comparison of the data from Fall 2019 to Fall 2020, indicates a slight dip in the overall proficiency rate in reading in grades 3 - 6 with slight gains in grades 7 and 8. The same comparison in the Early Literacy Assessment for Kindergarten and first grade indicate an increase in the proficiency rate. Targeted interventions for students currently scoring in the urgent intervention level is planned. A comparison of the STAR math from Fall 2019 to Fall 2020 indicate a decrease in the overall proficiency levels in all grades. The comparisons are not of cohort data, but are comparisons of the proficiency rates of students in the grades at the time of the assessment.

Teachers have been reviewing the data on claims and targets to identify any patterns or trends that will help to focus instruction in the classroom and improve student achievement. Analysis of the STAR 360 Reading and Math data from Fall to Winter last year showed growth in Reading (grades 3 - 7) and Math (grades 2-6) suggesting focused goals last year were having a positive effect on student growth.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

We have been working to increase data analysis in grade level groups over the past three years. In order to more accurately monitor student progress, the STAR 360 assessments will be administered at least every 6 weeks and grade level PLCs will begin working on creating common formative assessments this year. Grade level leadership team representatives will facilitate data discussions and teams will develop strategies to support students based on the data.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that that all site staff meets requirements to be considered “highly qualified.” This is monitored by the district’s Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors who provide support for Curriculum, Instruction, Biliteracy Programs, English Learner Services, Special Education and Pupil Services. An Instructional Specialist for science and a Math Manager work directly with teachers to support instruction in Science and Math. Site Principals function as instructional leaders.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teacher collaboration is fostered through both vertical and grade level teams. We are continuing to build strong Professional Learning Communities with our grade level teams through which teachers use the cycle of inquiry to improve student learning. The Instructional Leadership Team grade level representatives will be facilitating PLC meetings with protocols developed during leadership meetings. The protocols will focus on the cycle of inquiry, common assessment practices, and analysis of lesson rigor. Collaboration for planning strong first instruction and developing common formative assessments in addition to PLC work is another piece to improving student learning. DLI teachers also need additional planning/collaboration time to meet with their 50/50 partners as well as their language partners to ensure continuity of program and effective teaching. Vertical teams meet during staff meetings to ensure that expectations are consistent at each grade level and teachers are increasing rigor throughout the year so that students are prepared for the next grade level.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Various supports are identified and put into practice to support underperforming students. Tier one supports include small group, timely intervention in the classroom/universal access when students are not meeting standards. Review of classroom data, STAR 360 scores, and other relevant data are reviewed during PLC meetings to provide additional support in the classroom. For students who need additional support to meet standards, after school tutoring can be provided during in-person instruction. Tier two supports can be identified through CST/SST process for students with academic, behavior or social/emotional needs that may require more intensive support. These supports include more intensive tutoring, small group work with the ISPs, counseling support or services from outside agencies. During distance learning, teachers can provide small group support during asynchronous times outlined in the schedule. Counseling support can also be provided during distance learning.

Evidence-based educational practices to raise student achievement

We have done a lot of work with the staff on building strong relationships with students and families to build a safe learning environment for students. Standards based instruction with high rigor and stated learning objectives are also practices on which we continue to focus and develop. Professional development in these areas is ongoing. Through analysis of grade level writing standards and the progression of the standards from K through 8th grade, teachers identified an end of year writing objective for each grade level last year. Each end of year objective will ensure that students are ready for the upcoming grade level standards. Writing across subject areas with a progression towards the end of year objective is another practice to raise student achievement.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

The administration, counselor and ORC work to provide Triple P parenting classes and Logrando Bienestar workshops. These are well attended by parents and provide great information and support to families. Administration and teachers are planning family reading and math nights with a focus on what students are learning and how the school and families can work together to support student learning. During distance learning, teachers have scheduled parent meetings to support access to technology for families.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Teachers, staff and parents are involved in the various stages of the programs. After an analysis of data, teachers and their grade level teams are asked for input through a priority index of the actions/programs. Teachers implement the programs and continue to analyze effectiveness through data analysis. Parents and staff involvement is elicited through ELAC and SSC meetings as well as Back to School Night and other parent meetings. CAASPP and STAR data are presented to parent groups with an analysis of the programs and feedback and input on SPSA actions is regularly discussed at both ELAC and SSC meetings.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Analysis of CAASPP (2019) and STAR 360 results from 2020 indicate a lack of growth in math. We have no CAASPP data to analyze from last year and STAR 360 results from Spring were inconsistent due to the start of distance learning. However, a comparison of data from Fall 2019 to Fall 2020 indicates a decrease in the percentage of students scoring in levels 3 and 4 in both language arts and math. Funding this year will focus on providing extra support (ISPs) in reading during distance learning and tutoring for students when we return to in-person instruction. Additional Title I funding is used to provide AVID tutors for our middle school AVID program. This is a key component of the AVID program and supports students in small groups.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

After data analysis and discussion of SPSA actions, teachers input is gathered to inform actions on the SPSA and school goals. The leadership team meets regularly to discuss data and continued actions and the effectiveness of those actions. Actions are reviewed with the school site council and input is solicited from ELAC members at every meeting.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Due to the changing enrollment numbers and a reduction in force last year, our teaching staff has changed at some grade levels which interferes with the momentum and grade level structures in

place. Over the past few years, we have not had a consistent Outreach Consultant which had an impact on our support of chronic absentees and building attendance improvement programs for students. We are working to get an ORC in place who can work closely with the attendance technician and counselor to support families and students with consistent attendance. The move to distance learning has highlighted some of the inequities for our families in accessing online learning. The district has responded by providing families in need the opportunity to get a hotspot so that students are able to connect for instruction. All students have been provided with iPads for instruction. Families can also apply for hot spots to increase connectivity.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

| Student Enrollment by Subgroup | | | | | | |
|--------------------------------|-----------------------|-------|--------|--------------------|-------|-------|
| Student Group | Percent of Enrollment | | | Number of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| American Indian | % | % | 0% | | | 0 |
| African American | 1.02% | % | 0.57% | 12 | | 6 |
| Asian | 0.08% | % | 0.09% | 1 | | 1 |
| Filipino | 0.51% | % | 0.09% | 6 | | 1 |
| Hispanic/Latino | 96.36% | % | 97.63% | 1137 | | 1,031 |
| Pacific Islander | % | % | 0% | | | 0 |
| White | 1.78% | % | 1.42% | 21 | | 15 |
| Multiple/No Response | % | % | 0.19% | | | 0 |
| Total Enrollment | | | | 1180 | | 1,056 |

Student Enrollment Enrollment By Grade Level

| Student Enrollment by Grade Level | | | |
|-----------------------------------|--------------------|-------|-------|
| Grade | Number of Students | | |
| | 17-18 | 18-19 | 19-20 |
| Kindergarten | 114 | | 95 |
| Grade 1 | 116 | | 118 |
| Grade 2 | 137 | | 117 |
| Grade 3 | 135 | | 118 |
| Grade 4 | 135 | | 131 |
| Grade 5 | 129 | | 132 |
| Grade 6 | 149 | | 125 |
| Grade 7 | 137 | | 104 |
| Grade 8 | 128 | | 116 |
| Total Enrollment | 1,180 | | 1,056 |

Conclusions based on this data:

Our enrollment has declined over the past three years which is consistent with the district. Additionally, we are currently transitioning to a full biliteracy school. In grades 3-8, we currently have both a DLI program and an English Enrichment instructional program. In grades K-2, all classes are DLI. As the DLI program moves up, our enrollment will continue to decline slightly as the class size in K-2 is smaller and students are not added to the program in the upper grades.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

| English Learner (EL) Enrollment | | | | | | |
|---|--------------------|-------|-------|---------------------|-------|-------|
| Student Group | Number of Students | | | Percent of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| English Learners | | | 622 | | | 58.9% |
| Fluent English Proficient (FEP) | | | 291 | | | 27.6% |
| Reclassified Fluent English Proficient (RFEP) | | | 115 | | | 17.0% |

Conclusions based on this data:

The percentage of English Learners has remained in the 60% range, with a slight decrease of a percentage or two over the past few years. Our reclassification rate has increased slightly each year. Students in the upper grade who are still classified as English Learners (LTELs) will require more targeted support in order to meet reclassification criteria on the ELPAC and CAASPP or STAR 360 assessments. A deeper analysis of both ELPAC and CAASPP claims and targets for these students will be critical in identifying specific areas for intervention and support. Students in the primary grades will benefit from oracy development in our biliteracy classes which will provide a strong foundation for reading and writing. A schoolwide focus on writing across the curriculum will benefit our LTELs and EL students in the primary grades as this work will develop reading and critical thinking skills in addition to writing skills.

Conclusions based on this data:

The data above reflect cohort data that is two years old. The analysis of the data at the time revealed that the percentage of students at the Not Met level had been decreasing since 2016-17 with an increase in the mean scale score in all but one grade. The percentage of students below standard in each of the claims was also decreasing with one grade level continuing to fluctuate. Although we had made steady growth, the increases had not been significant in most areas. Cohort data at some grade levels revealed larger increases in growth; particularly grades 5 and 7. In looking at the reading claim, the percentage of students above standard had increased greatly since 2016-17. This is a positive reflection of the work being done in grades K-2 to build strong foundational reading skills for our students. In all of the claims, there was a large percentage of students at the Near Standard level. We continued to focus on our site goals to improve student achievement and growth in all areas (Consistent, standards-based teaching with high rigor and progress monitoring with common formative assessments) last year. With the

reflection and actions put in place last year based on the CAASPP data, we anticipated growth in the number of students at the met/exceeded levels. Comparison of the STAR 360 Reading assessment data from Fall to Winter 2019 indicated growth in grades 2-6. Unfortunately, we were not able to show continued growth as students did not take the CAASPP last year due to the COVID school closure. As there is no CAASPP data on which to base our actions moving forward, our grade level teams have been analyzing the local assessment data from the STAR reports and classroom data. Compared to the STAR results from Fall of last year, the percentage of students in levels 3 and 4 has decreased slightly in most grades. The focus moving forward will continue to be on strong first instruction with consistent, standards based lessons with high DOK. However, we will also focus on targeted, small group interventions to support students in recovering any learning loss during the school closures.

Conclusions based on this data:

Overall CAASPP scores from previous years indicated little movement among levels. Math has been an area of focus over the past two years. The percentage of students below standard in each of the claims was declining in grades 3-6, but was still significant. Grades 3-5 made slight increases in the percentage of students above standard in at least 2 of the claims. The percentage of students at the Met/Exceeded level was consistently declining in the middle grades for both cohort and grade level data. After reviewing the CAASPP trends and the STAR data, teachers in the primary grades are working to ensure all students have strong basic number sense foundation. A strong number sense foundation will help students as they face more complex problems in the upper grades. We are also working on writing in math and problem solving in all grades with increasing levels in the upper grades. Without CAASPP data from last year, grade level teams have been reviewing local assessment data (STAR and classroom data) to guide actions this year. The Fall data from last year indicated greater number of students scoring in the level 3 and level 4 bands than this year. However, a comparison of the STAR math assessment results from Fall to Winter of last year indicated significant growth in grades 1 - 5. Teachers in the primary grades continue to focus on building strong number sense and math mindset for students. All grade levels will continue to focus on strong first instruction, building academic vocabulary and writing in math to recover the gains we were making in math prior to the school closure.

| All Grades | | 16.13 | | 66.67 | | 17.20 | | 558 |

Conclusions based on this data:

With the difference in the ELPAC over the past two years and the lack of data from last year, comparisons in data are difficult. However, students were making growth as indicated by the increase in the percentage of students at levels 3 and 4.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

| 2018-19 Student Population | | | |
|--|---|---|--|
| Total Enrollment | Socioeconomically Disadvantaged | English Learners | Foster Youth |
| 1119 | 91.2 | 60.6 | This is the percent of students whose well-being is the responsibility of a court. |
| This is the total number of students enrolled. | This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma. | This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses. | |

| 2018-19 Enrollment for All Students/Student Group | | |
|---|-------|------------|
| Student Group | Total | Percentage |
| English Learners | 678 | 60.6 |
| Homeless | 23 | 2.1 |
| Socioeconomically Disadvantaged | 1021 | 91.2 |
| Students with Disabilities | 93 | 8.3 |

| Enrollment by Race/Ethnicity | | |
|------------------------------|-------|------------|
| Student Group | Total | Percentage |
| African American | 7 | 0.6 |
| Asian | 1 | 0.1 |
| Filipino | 4 | 0.4 |
| Hispanic | 1088 | 97.2 |
| Two or More Races | 3 | 0.3 |
| White | 16 | 1.4 |

Conclusions based on this data:

Our enrollment remained consistent last year and should be consistent this year with the percentage of English Learners and SED students. Our focus on providing strong first instruction and building relationships with students will continue to support EL and SED students as well as foster youth, homeless, and students with disabilities. The percentage of students with disabilities has remained consistent over the past few years with a slight increase over the past two years.

Conclusions based on this data:

As a K-8, we have been focusing a lot on building a strong school culture, along with teaching and learning, to address both the academic and social-emotional needs of students. We have made slight increases in both ELA and Math; however, there continues to be a lot of need in all areas. The increases in math made in the primary grades is negated by decreases as students move into the upper grades. We are working to address this decline by building a strong number sense and foundational understanding of math concepts in the primary grades so that students are better able to understand more complex concepts as students enter the upper grades. The chronic absenteeism and suspension rate contribute to this decline. We will focus on continued growth throughout the grade levels. English language arts for all student groups is also an area of need.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard English Language Arts Performance for All Students/Student Group | | |
|--|---|--|
| <p>All Students</p>  Yellow 45 points below standard Increased ++4.4 points 743 | <p>English Learners</p>  Yellow 49.5 points below standard Increased ++3.5 points 589 | <p>Foster Youth</p>  No Performance Color 0 Students |
| <p>Homeless</p>  No Performance Color 92.5 points below standard Declined Significantly -17.9 points 17 | <p>Socioeconomically Disadvantaged</p>  Yellow 45.5 points below standard Increased ++3.9 points 692 | <p>Students with Disabilities</p>  Orange 132.5 points below standard Increased ++4.4 points 73 |

2019 Fall Dashboard English Language Arts Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|---|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 |  No Performance Color 0 Students |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 44.4 points below standard Increased ++4 points 727 |  No Performance Color 0 Students |  No Performance Color 0 Students |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|---|--|---|
| 91.3 points below standard Declined -3.2 points 261 | 16.2 points below standard Maintained ++2.5 points 328 | 50.4 points below standard Increased ++11.8 points 98 |

Conclusions based on this data:

Students in each of the subgroups increased the average scaled score with English Learners making the most gains; however, current ELs continue to be a subgroup that is furthest below standard. We are reclassifying students in grades 4 and 5 and have a lot of work to do with our LTELs to decrease the points below standard for this subgroup and increase achievement. Students with disabilities increased in average scale score, but are still significantly below standard. Strong first instruction with high rigor in conjunction with targeted ELD in all grades, will help to decrease the points below standard. Targeted intervention for LTELs is also needed to move students in this group.

School and Student Performance Data

Academic Performance Mathematics

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard Mathematics Performance for All Students/Student Group | | |
|--|---|--|
| <p>All Students</p>  Orange 87.2 points below standard Maintained ++0.9 points 741 | <p>English Learners</p>  Orange 87.8 points below standard Maintained ++0.2 points 587 | <p>Foster Youth</p> |
| <p>Homeless</p>  No Performance Color 93.7 points below standard Declined Significantly -26.6 points 17 | <p>Socioeconomically Disadvantaged</p>  Orange 88.6 points below standard Maintained -0.1 points 690 | <p>Students with Disabilities</p>  Orange 161.9 points below standard Increased ++5.3 points 73 |

2019 Fall Dashboard Mathematics Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|-------------------|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 | |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 86.7 points below standard Maintained ++0.7 points 725 | | |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard Mathematics Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|--|---|---|
| 111.5 points below standard Maintained -2.6 points 261 | 68.8 points below standard Maintained -1.1 points 326 | 100.5 points below standard Increased ++9.1 points 98 |

Conclusions based on this data:

All students and significant subgroups made minimal gains in math and continue to be significantly below standard. Even with the smallest point gain, RFEP students continue to have the lowest distance from met. A focus on number sense, problem solving and writing in math will support growth for all subgroups.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2019 Fall Dashboard Student English Language Acquisition Results

| Decreased One ELPI Level | Maintained ELPI Level 1, 2L, 2H, 3L, or 3H | Maintained ELPI Level 4 | Progressed At Least One ELPI Level |
|--------------------------|--|-------------------------|------------------------------------|
| 19.8 | 31.7 | 2.2 | 46.1 |

Conclusions based on this data:

We have made gains in English Learner Progress with the majority of students scoring at level 3 or 4. After reclassifying students, there is a number of students in the upper grades who remain at levels 1, 2 or 3 and need to be moved to a level 4 in order to meet reclassification criteria. Overall, the students are doing well in the listening and speaking subtests, but continue to need support in the areas of reading writing to move to levels 3 and 4. A schoolwide focus on writing across the curriculum will support English Learners along with targeted ELD in all grades.

School and Student Performance Data

Academic Performance College/Career

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information on the percentage of high school graduates who are placed in the "Prepared" level on the College/Career Indicator.

| 2019 Fall Dashboard College/Career for All Students/Student Group | | |
|---|---------------------------------|----------------------------|
| All Students | English Learners | Foster Youth |
| Homeless | Socioeconomically Disadvantaged | Students with Disabilities |

| 2019 Fall Dashboard College/Career by Race/Ethnicity | | | |

| African American | American Indian | Asian | Filipino |
| Hispanic | Two or More Races | Pacific Islander | White |

This section provides a view of the percent of students per year that qualify as Not Prepared, Approaching Prepared, and Prepared.

| 2019 Fall Dashboard College/Career 3-Year Performance | | |
|---|----------------------|----------------------|
| Class of 2017 | Class of 2018 | Class of 2019 |
| Prepared | Prepared | Prepared |
| Approaching Prepared | Approaching Prepared | Approaching Prepared |
| Not Prepared | Not Prepared | Not Prepared |

Conclusions based on this data:

N/A

School and Student Performance Data

Academic Engagement Chronic Absenteeism

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

| 2019 Fall Dashboard Chronic Absenteeism for All Students/Student Group | | |
|---|--|---|
| <p>All Students</p>  Yellow 6.7 Maintained +0.3 1143 | <p>English Learners</p>  Orange 6.3 Increased +1.4 702 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 |
| <p>Homeless</p>  Yellow 19.4 Declined -14 31 | <p>Socioeconomically Disadvantaged</p>  Yellow 7 Maintained +0.4 1055 | <p>Students with Disabilities</p>  Green 3.5 Declined -3.8 114 |

2019 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 6.5 Maintained +0.4 1112 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 |  No Performance Color 12.5 Declined -11.3 16 |

Conclusions based on this data:

The percentage of students chronically absent is consistent across all subgroups with slight increases in all but English Learners. With a new ORC last year, we put in place consistent attendance programs to decrease these percentages and increase student attendance. The correlation between absenteeism and student academic performance is addressed at parent meetings and with students individually. The move to distance learning seems to have affected students with chronic absenteeism most. Our school counselor, ORC, office staff, teachers and admin are working to reduce the negative effects for these students and get them to engage online. We are also continuing to identify the reasons for absences (both during in person and distance learning) and working with families to remove obstacles to attendance.

School and Student Performance Data

Academic Engagement Graduation Rate

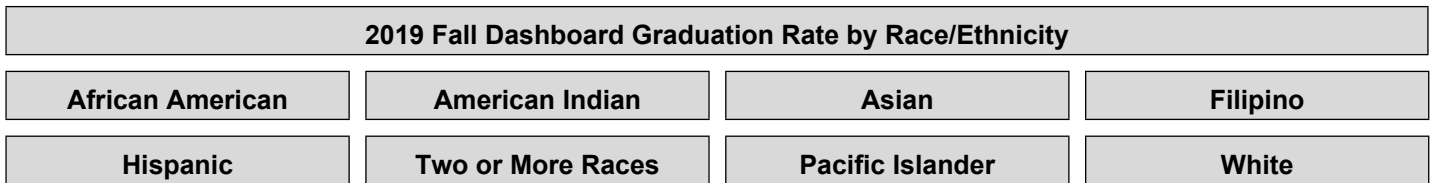

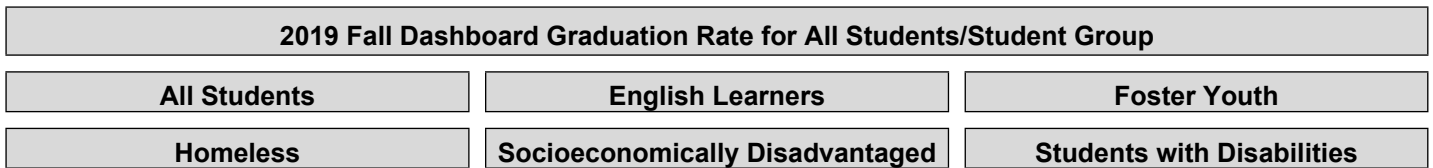

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

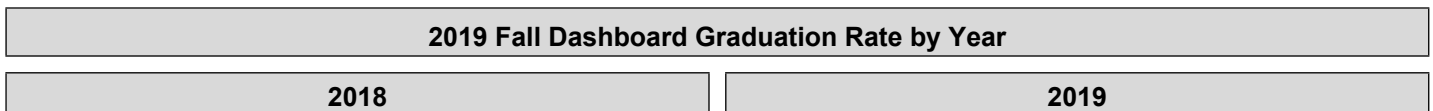

This section provides number of student groups in each color.

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

Conclusions based on this data:

N/A

School and Student Performance Data

Conditions & Climate Suspension Rate

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

| 2019 Fall Dashboard Suspension Rate for All Students/Student Group | | |
|--|--|---|
| All Students | English Learners | Foster Youth |
|  Orange 3.2 Increased +1.5 1173 |  Orange 2.8 Increased +1.4 714 | |
| Homeless | Socioeconomically Disadvantaged | Students with Disabilities |
|  Orange 3.1 Increased +3.1 32 |  Orange 3.4 Increased +1.7 1079 |  Green 2.6 Declined -0.5 117 |

2019 Fall Dashboard Suspension Rate by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color Less than 11 Students - Data 8 | |  No Performance Color Less than 11 Students - Data 1 |  No Performance Color Less than 11 Students - Data 5 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 3.2 Increased +1.6 1139 |  No Performance Color Less than 11 Students - Data 3 | |  No Performance Color 5.9 Increased +1.1 17 |

This section provides a view of the percentage of students who were suspended.

2019 Fall Dashboard Suspension Rate by Year

| 2017 | 2018 | 2019 |
|------|------|------|
| | 1.7 | 3.2 |

Conclusions based on this data:

The suspension rate has fluctuated over the past few years with slight increases recently with corresponding increases in each subgroup. Our work on school culture, PBIS and restorative justice has decreased the number of office referrals for suspendable offenses over the past two years. However, some of the issues that do come to the office have been previously addressed with other consequences and do require suspension. Unfortunately, the increase in vaping and other activities among middle school students has contributed to this increase. This topic has been addressed with parent groups through ELAC and Coffee with Us/ Cafe con Nosotros meetings and with students in their classes.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All students will reach high academic standards in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|--|--|
| Kindergarten: Percentage of students achieving High Growth as measured by the student growth percentile on STAR 360 Early Literacy Assessment Grade 1: Percentage of students achieving High Growth as measured by the student growth percentile on the STAR 360 Early Literacy Assessment and Math Assessment Grade 2: Percentage of students achieving High Growth as measured by the student growth percentile on the STAR 360 Early Literacy Assessment and Math Assessment Grades 3-8: Percentage of students at Met/Exceeded level on ELA and Math CAASPP. Complete a copy of the Strategy/Activity table for each of the school’s strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Teachers will engage in PLC meetings four times/month. The focus for these meetings will be on the identified school goals of consistent, standards-based lessons with high rigor and progress monitoring using common formative assessments and STAR 360 data. Teachers will plan instruction, build common formative assessments, analyze data, monitor student progress and develop interventions as needed. Grade-level leadership team representatives will facilitate PLC meetings.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

0

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide additional opportunities for collaboration between teachers. Focus will be on planning for strong first instruction, improving instructional strategies, and rigor in the classroom.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

11965

LCFF - Targeted
0001-0999: Unrestricted: Locally Defined
Teacher hourly rate for extra hours

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Purchase materials to support implementation of the California State Standards, strong first instruction, support our strand focus (Technology and art) and provide targeted intervention and/or enrichment opportunities for students during in-school interventions.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide access to and encourage participation in Accelerated Reader Renaissance 360, Lexia Core5/Power UP, and ST Math for all students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

| | |
|--|---|
| | District Funded 5000-5999: Services And Other Operating Expenditures Cost of programs |
| | 4000-4999: Books And Supplies Cost of academic incentives (see action #12) |
| | Centralized Services 2000-2999: Classified Personnel Salaries Cost of computer technician |

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide additional support for small group intervention in grades 1 and 2.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

36512

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Due to the school closure, we do not have CAASPP data to review. However, after reviewing the STAR 360 results in Fall and Winter of 2019, we found students in grades 2 - 7 were making gains in reading and students in grades 2 -6 were making gains in math. Students in kindergarten and first grade also showed considerable growth on the STAR Early Literacy assessment between Fall and Winter of last year. The data are very encouraging and indicate that actions put in place last year were having a positive effect on student learning.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Teachers have been collaborating this year to ensure that students stay engaged and learning is taking place. Grade level PLC meetings will focus on the Cycle of Inquiry using formative assessment data to help support students. Funding has been allocated so that the collaboration can continue when we return to in person learning. The focus will continue to be on stronger first instruction with increasing depth of knowledge in lessons. We will also focus on writing across the curriculum in all grades. Strong writing instruction incorporates strong reading strategies and critical thinking and supports all areas of instruction.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

In addition to the goal to increase the percentage of students in the met/exceeded band of the CAASPP, we have added the student growth percentile from the STAR 360 assessments. This is an indicator we will be monitoring throughout the year and will help us to monitor students and their growth in all bands. The percentage of students in the not met band has not been moving. Focusing data analysis and discussions in grade level PLC meetings will keep our attention on moving students up throughout the levels. This will help keep discussions focused on strong first instruction, increasing rigor of lessons, and targeted interventions when needed.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|--|---|
| Suspension rates Office Referrals California Healthy Kids Survey Panorama Data | <ul style="list-style-type: none"> 73 Office referrals for potentially suspendable offenses (through March 13, 2020) 20 Student Suspensions in 2019-2020 (through March 13, 2020) 9% of 7th grade students have used electronic cigarettes (2019 CHKS data) 4% of 7th grade students are currently using electronic cigarettes (CHKS data) | A. Decrease the office referrals by 10% B. Decrease the suspension rate by 10% C. Build and strengthen relations with Kamala families through parent nights and community-building events. D. Reduce the percentage of students experimenting/using tobacco products by 10%. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Implement an attendance program to encourage students to come to school every day and on time.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
Cost of ORC & Counselor (see goal #1, action #12)

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Continue implementation of the positive behavior support model school wide. PBIS committee will identify areas of need and opportunities to improve PBIS model. The specific focus for this year will be on establishing common structures and continuing to implement common expectations in all areas in grades K-8. We will also work with teachers and staff to gain a deeper understanding of STOIC and how that will support student behavior and academic learning.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
Cost of ORC & Counselor (see goal #1, action #12)

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

School administrator will meet monthly with After School Program administrator to evaluate the program and work on correlating the after school program to the regular school day programs and services.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Conduct fire, earthquake, and lockdown drills.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional costs

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Safety committee will review and update the Comprehensive Safe School Plan.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional costs

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Purchase materials to support instruction during physical education and recess to ensure a safe learning environment for the students. PE teachers are continuing to provide instruction during distance learning and have modified instruction to support students with lessons and activities at home.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Discretionary
2000-2999: Classified Personnel Salaries
Cost of campus assistants (see action #4)

LCFF - Intervention
4000-4999: Books And Supplies
Cost of equipment (see action #5)

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Administration and PBIS committee will continue to work on establishing common structures and expectations for grades K-8.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

No additional costs

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

The school counselor will work with students to make positive choices in adverse situations. During distance learning, the counselor has been meeting with student groups virtually and with individual students to provide support with connecting to classes, making positive choices in the virtual setting, and with other issues related to distance learning as needed.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

District Funded
1000-1999: Certificated Personnel Salaries
Cost of counselor (see goal #1, action #12)

Strategy/Activity 13

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

A teacher liaison will be designated for the After School program to coordinate communication with the after school program and help it support school needs by organizing curriculum, providing mentoring and professional development for the after school staff on PBIS.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional costs

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 15

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 16

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 18

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 19

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 20

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 21

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 22

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 23

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 24

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 25

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 26

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 28**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 29**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 30**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 31

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 32

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 33

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 34

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The school staff have been working on building the K-8 school culture with the staff and students. The administration, counselor and outreach coordinator along with the school PBIS team, have done a lot of work and professional development on the importance of strong relationships with students. We have also done a lot of work on building common behavior expectations K-8 with clear guidelines for success.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There are not any major differences between the intended implementation and expenditures. We purchased materials last year for the unstructured (recess) times and were working with the PBIS team and campus assistants to develop our vision of safer recesses during in-person instruction last year and plan to continue this when we return to in-person instruction. We have also continued to develop guidelines for success and schoolwide behavior expectations so that students know what the expectations are regardless of grade or area within the school. This has been a major shift and part of our goal to establishing a strong K-8 culture. We have modified our behavior expectations to address the shift to distance learning and are continuing to work with students to encourage engagement and appropriate behavior.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We were able to meet our goal of decreasing office referrals by 10% and the number of suspensions. With the school closure due to Covid 19 in March, the data are not representative of a full school year. However, the number of suspensions was significantly lower than the previous year. The PBIS system in place has been working effectively to decrease office and playground referrals. We are continuing to improve on our current practices to continue to support students and teachers; specifically, restructuring the playground, teacher training on behavior monitoring and responses, and schoolwide expectations for students.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
 To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--|--|---|
| California Healthy Kids Survey (CHKS)- Parent Response Panorama Data | Parental Involvement on the CHKS (2019 data) **Only 6 parents completed the CHKS survey <ul style="list-style-type: none"> 80% of parents responding strongly agreed/agreed that the school allows input and welcomes parents' contributions 80% of parents responding strongly agreed/agreed that the school encourages parents to be an active partner with the school in educating his/her child 80% of parents responding strongly agreed/agreed that the school actively seeks the input of | <ul style="list-style-type: none"> Increase the number of parents completing the CHKS survey to 100 respondents. Increase the percentage of positive responses by 5 percentage points |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|---|------------------|
| | parents before making important decisions | |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide parent workshops through outside agencies including:

- Logrando Bienestar (VCBH)
- Triple P classes (New Dawn)
- Mom & Daughter Meetings
- Interface "My Body and Me" Classes

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 652 | Discretionary 2000-2999: Classified Personnel Salaries Child Care |
| 1304 | Title III 2000-2999: Classified Personnel Salaries Child Care |
| 3912 | Discretionary 2000-2999: Classified Personnel Salaries Custodial Extra Help/Subs |
| | Discretionary 1000-1999: Certificated Personnel Salaries Counselor extra hours (see Goal 1, action #28) |

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Conduct parent involvement meetings such as:

- Title I meetings
- ELAC
- Coffee with Us/Cafe con Nosotros
- Reclassification Celebration
- Middle School to High School Transition meetings
- A-G Information Meetings
- Parent Nights

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Discretionary
2000-2999: Classified Personnel Salaries
Child Care - see action #1

1499

Discretionary
2000-2999: Classified Personnel Salaries
Clerical extra help and substitutes

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners

Strategy/Activity

Provide adult ESL classes.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Discretionary
2000-2999: Classified Personnel Salaries
Child Care - see action #1

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Update the Kamala webpage on a regular basis to inform parents/community of school activities.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional costs

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners

Strategy/Activity

Provide translation and home communication for non-English speaking homes.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

1304

Discretionary
2000-2999: Classified Personnel Salaries
Translation/interpretation services and office extra help

Conference/training registration and fees

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

After School Program Parent Nights will be offered to provide parents with nutrition education, hands-on tips, games and strategies parents can employ to assist students with healthy habits and school work.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

ASES

Supplies and refreshments

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Provide outreach services to parents and connections to community agencies providing families with support for attendance, family wellness, and behavior services.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

ORC and Counselor (see goal #1, action #12)

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Offer distance learning/technology, family math and literacy nights to provide parents information on student learning in the classroom and how learning can be supported at home and art/technology nights to highlight work with our strand focus.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

10532

Source(s)

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 15

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 16

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 18**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 19**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 20**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 21

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 22

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 23

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 24

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 25**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 26**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 27**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 28

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 29

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 30

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 31

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 32

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 33

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 34

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Kamala has been able to provide each of the parenting classes listed with an overall benefit for parents. Strategies to work with their students are learned and implemented. We do not have CHKS survey data from last year, but overall response from the classes last year were positive. With the shift to distance learning in the Spring, we were able to conduct SSC, ELAC and PTA meetings via Zoom. This will continue this year as we attempt to reach more parents online.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There are not major changes with the expenditures or overall implementation listed. We have changed Coffee with the Principal/Cafe con la directora to Coffee with Us/Cafe con Nosotros to be more inclusive and to be representative of the guest speakers that we sometimes have at Cafe con Nosotros. Plans to increase parent response to the CHKS include targeted times during ELAC and Coffee with Us/Cafe con Nosotros. Teachers are also adding parent nights to support parents with the technology necessary during distance learning and the different programs students have been using.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We have not made any major changes to the metrics or annual outcomes of the goal. We plan to be more proactive in parent meetings to get more parent responses on the CHKS.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

| Description | Amount |
|---|--------------|
| Total Funds Provided to the School Through the Consolidated Application | \$136868 |
| Total Federal Funds Provided to the School from the LEA for CSI | \$0 |
| Total Funds Budgeted for Strategies to Meet the Goals in the SPSA | \$345,106.00 |

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

| Federal Programs | Amount (\$) |
|------------------|--------------|
| Title I | \$100,388.00 |
| Title III | \$36,480.00 |

Subtotal of additional federal funds included for this school: \$136,868.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

| State or Local Programs | Amount (\$) |
|-------------------------|--------------|
| | \$0.00 |
| Discretionary | \$64,878.00 |
| LCFF - Intervention | \$43,360.00 |
| LCFF - Targeted | \$100,000.00 |

Subtotal of state or local funds included for this school: \$208,238.00

Total of federal, state, and/or local funds for this school: \$345,106.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

| Funding Source | Amount | Balance |
|---------------------|------------|---------|
| Discretionary | 64,878.00 | 0.00 |
| Title I | 100,388.00 | 0.00 |
| Title III | 36,480.00 | 0.00 |
| LCFF - Targeted | 100,000.00 | 0.00 |
| LCFF - Intervention | 43,360.00 | 0.00 |

Expenditures by Funding Source

| Funding Source | Amount |
|---------------------|------------|
| | 0.00 |
| Discretionary | 64,878.00 |
| LCFF - Intervention | 43,360.00 |
| LCFF - Targeted | 100,000.00 |
| Title I | 100,388.00 |
| Title III | 36,480.00 |

Expenditures by Budget Reference and Funding Source

| Budget Reference | Funding Source | Amount |
|---|----------------|-----------|
| | | 0.00 |
| 1000-1999: Certificated Personnel Salaries | Discretionary | 2,992.00 |
| 2000-2999: Classified Personnel Salaries | Discretionary | 8,671.00 |
| 4000-4999: Books And Supplies | Discretionary | 46,215.00 |
| 5000-5999: Services And Other Operating Expenditures | Discretionary | 3,500.00 |
| 5700-5799: Transfers Of Direct Costs | Discretionary | 2,000.00 |
| 5800: Professional/Consulting Services And Operating Expenditures | Discretionary | 1,500.00 |

| | | |
|---|---------------------|-----------|
| 1000-1999: Certificated Personnel Salaries | LCFF - Intervention | 26,323.00 |
| 4000-4999: Books And Supplies | LCFF - Intervention | 17,037.00 |
| 0001-0999: Unrestricted: Locally Defined | LCFF - Targeted | 11,965.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Targeted | 23,932.00 |
| 4000-4999: Books And Supplies | LCFF - Targeted | 20,603.00 |
| 5700-5799: Transfers Of Direct Costs | LCFF - Targeted | 8,000.00 |
| 5800: Professional/Consulting Services And Operating Expenditures | LCFF - Targeted | 35,500.00 |
| 1000-1999: Certificated Personnel Salaries | Title I | 37,540.00 |
| 2000-2999: Classified Personnel Salaries | Title I | 48,248.00 |
| 4000-4999: Books And Supplies | Title I | 2,038.00 |
| 5000-5999: Services And Other Operating Expenditures | Title I | 12,562.00 |
| 1000-1999: Certificated Personnel Salaries | Title III | 17,948.00 |
| 2000-2999: Classified Personnel Salaries | Title III | 13,822.00 |
| 5000-5999: Services And Other Operating Expenditures | Title III | 4,710.00 |

Expenditures by Goal

| Goal Number | Total Expenditures |
|-------------|--------------------|
| Goal 1 | 316,585.00 |
| Goal 2 | 3,304.00 |
| Goal 3 | 25,217.00 |

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

| Name of Members | Role |
|--------------------|----------------------------|
| Jodi Nocero | Principal |
| Yesenia Cedillo | Other School Staff |
| Suzanne Grajeda | Classroom Teacher |
| Rhiannon Kingston | Classroom Teacher |
| Danielle Wickenden | Classroom Teacher |
| Irene Ortega | Parent or Community Member |
| Olivia Mendoza | Parent or Community Member |
| Mirian Martinez | Parent or Community Member |
| Patricia Vargas | Parent or Community Member |
| Cristina Esparza | Parent or Community Member |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

| Signature | Committee or Advisory Group Name |
|---|------------------------------------|
|  | School Site Council |
|  | English Learner Advisory Committee |

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 10-2-2020.

Attested:

| | |
|---|---|
|  | Principal, Jodi Nocero on 10-2-2020 |
|  | SSC Chairperson, Rhiannon Kingston on 10-2-2020 |

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

[Stakeholder Involvement](#)

[Goals, Strategies, & Proposed Expenditures](#)

[Planned Strategies/Activities](#)

[Annual Review and Update](#)

[Budget Summary](#)

[Appendix A: Plan Requirements for Title I Schoolwide Programs](#)

[Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning Requirements](#)

[Appendix C: Select State and Federal Programs](#)

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|----------------------|-----------------------------------|--|---------------------------|
| Lemonwood K-8 School | 56725386100333 | October 12, 2020 | November 13, 2018 |

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

The Lemonwood School staff believes the total school community must work together to support our students in achieving academic success. Our focus is to facilitate opportunities and experiences for our students to be inspired and empowered to be decision makers and ultimately be productive citizens in a diverse culture. Together we promote that our students are well rounded children prepared for the 21st Century. We have a Student Study Team, School Instructional Leadership Team, School PBIS Team, AVID Leadership Team, School Site Council, English Language Advisory Committee, Parent Teacher Association (PTA) and a Student Leadership Group engaged in the cultivation of a positive school culture. Our teachers, staff and parents are dedicated to supporting a school-wide program for social development through clubs and sports, as well as academic development through an emphasis on first instruction, intervention and enrichment in order to target the needs of all students.

At Lemonwood, we are constantly striving to improve our instructional program and our service and support to children and families. We currently implement the Common Core State Standards (CCSS) and Next Generation Science Standards (NGSS) , preparing our students for the California Assessment of Student Performance and Progress (CAASPP). We integrate technology into instruction, strive to meet the needs of all students, provide students with social-emotional support and develop our Academic Strand Focus in order to prepare students to be college or career ready.

The staff at Lemonwood is constantly at work ensuring that our instructional program benefits the students and meets their needs. Low test scores have been a focus for our teaching staff to re-evaluate how we have been teaching and have forced a closer look at instructional practices.

Teachers meet in grade level teams in order to analyze data to drive instruction, use adopted materials and supplemental materials and plan rigorous lessons which address the Common Core and Next Generation Science standards, the requirements of state assessments and the necessary skills needed in order for students to move forward with their learning. We have a year long focus on standards, a focus on rigorous first instruction, and a commitment to writing across the subject areas. The staff participates in professional development at least monthly in order to improve instructional practice. This professional development is provided by administration, teacher leaders, and visitors to campus. Particularly this year, we will embark on a professional development series that will aim increase the capacity of teachers to deliver effective, data driven instruction in writing, to gain familiarity and comfort with the structures, materials and technology of balanced literacy, and to build collaborative relationships within and beyond grade levels.

We have instituted an Academic Strand Focus of Communication, Art and Technology (CAT). We have lessons and units based on these themes in order to expand opportunities for student learning and engagement. Through the Strand Focus Units, students are engaged in creative and innovative activities that allow them to feel successful. This focus also allows students to feel success in a variety of ways. We have an art teacher who works with our middle school students through an elective course, but also who teaches all of our elementary students through lessons every other week.

Lemonwood has a strong AVID program in grades 6-8. Elective and core subject middle school teachers have been trained through the summer institute in order to provide support to our students as we work towards a school wide model. Teachers work collaboratively to utilize AVID strategies in all trained classrooms, especially organization, Cornell note-taking and critical reading. AVID strategies are also shared with the full K-8 staff. Field trips and enrichment activities are provided throughout the year to promote college and career readiness.

Lemonwood offers a Dual Language Program in Grades K-5 in order to promote multiculturalism, bilingualism and biliteracy. We follow a 50:50 model (Spanish/English) in all grades. Students in Kindergarten, 1st, and 2nd grade Dual Language classrooms are using designed, content-based units. Focus areas for Lemonwood with the program are consistent with the district focus of oracy and connection between the languages. With the our new schedules, there is additional teacher collaboration time. ELD instruction is integrated into all subjects and taught during designated ELD instructional time. These students are closely monitored during grade level meetings, student monitoring conferences and through the MTSS process. Teachers have received specific professional development in strategies which are designed to assist students in their acquisition of English.

Additional programs and tools are used in order to provide our students with various learning opportunities. Accelerated Reader helps students to hone their comprehension skills and encourage a love of reading. All students are using Core 5 to support their own individual needs for language arts from Kindergarten to 5th grade and Power UP to support middle school students. Teachers continue to receive training on the use of iPads and share ideas with each other. They also teach digital citizenship to students throughout the year.

We have instituted an instructional and intervention program, using the Multi-Tiered System of Supports (MTSS) model, which is focused on addressing the our students' learning loss as a result of COVID-19. Students with the highest learning loss will work with Intervention Support Providers. Additionally, paraprofessionals have been hired to support in our K-2 classes with small group instruction. The student groups are small and the instruction is targeted to specific reading needs

using our STAR 360 assessment results, which identify strengths and weaknesses in all Reading and Math standards. Our Special Education teachers are involved and support our general education population through this model. Intervention materials are used, as well as supplemental materials for students who need to be more academically challenged. In our middle school, students needing additional resources are supported through our MTSS model with smaller class sizes and both pull out and co-teaching models for students with an IEP. We have also added in remedial electives for Math for our middle school students.

Our MTSS model includes processes to identify and assist students who are not making necessary academic gains and/or are having social-emotional issues. We have biweekly MTSS meetings in which admin, support staff, Special Education staff review grade level student data and discuss possible action items to address student need. We have SST (Student Success Team) meetings which include the principal, assistant principal, the school psychologist, special education staff, counselor, classroom teachers, the Outreach Consultant and parents, when necessary. In order to provide students with a safe learning environment and to instill necessary life skills so they can continue to be productive citizens beyond their attendance at Lemonwood, our positive behavior program is based on the Safe and Civil Teams approach. All staff has been trained in and implements this program which focuses on teaching students specific expectations based on our guidelines for success (Respect, Outstanding Citizenship, Always Safe, and Responsibility). A full time counselor plays an integral role on our staff. The counselor does classroom lessons and works with individual students and small groups in order to provide any additional social-emotional support students may need in order to be successful.

We have regularly scheduled drills for fire, earthquake and lockdowns in order for students and staff to be adequately prepared in case of emergency situations. At Lemonwood, we provide a safe and nurturing learning environment where each child and adult is valued and respected in an atmosphere that promotes the attainment of one's academic, social, and emotional potential. It is a place where we work together to develop exemplary character traits and scholarly attributes that all students will need for success in life. We strive for excellence, which is recognized and celebrated on a continual basis.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Classroom observations are conducted regularly throughout the year. Teachers are provided feedback from administration in a manner that initiates individual collaboration between teachers and instructional leaders. Teachers on a formal evaluation rotation are observed and evaluated every two years, and probationary teachers are observed for the first two years. During the past year, observations occurred with multiple administrators in order to monitor the academic program and provide feedback to the teachers.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Lemonwood students did not make growth in the 18/19 school year. Due to COVID-19, we do not have any recent CAASPP or ELPAC data. Therefore, we will use STAR 360 assessments (Universal Screener), Writing Assessment, and Interim Assessment Benchmark data (3rd-8th grade) to guide our instruction in Reading, Math, Content Areas, and integrated and designated ELD.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Lemonwood teachers will be using data from STAR (Early Literacy, Reading, and Mathematics) throughout the year, along with curricular data including writing across the subject areas. Teachers in the Dual Language program will reflect on reading and writing in both English and Spanish.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that that all site staff meets requirements to be considered “highly qualified.” This is monitored by the district’s Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors who provide support for Curriculum, Instruction, Biliteracy Programs, English Learner Services, Special Education and Pupil Services. Instructional Specialists work directly with teachers to support instruction in Science and Math. Site Principals function as instructional leaders.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Lemonwood teachers will collaborate at weekly, with a focus on increased student achievement. Discussion topics will be based on data and on the focus areas of rigorous standards based instruction. Additionally, teachers will be given time to plan and analyze student writing across the subject areas.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Services that are provided include Tier I and Tier II intervention, provided by the classroom teacher. In addition, students in grades K-2 may receive assistance from the Reading Specialist and students in grades 3-5 may receive assistance from the ISP. Students in grade 6-8 may receive support through elective class options of ELD, Applied Skills, Remedial Reading, or Remedial Math courses.

Evidence-based educational practices to raise student achievement

Teachers will focus on rigorous first instruction that connects to the Common Core State Standards and Next Generation Science Standards. In addition, ELD standards will be imbedded into the core curriculum to support English Learners. Students in the Dual Language program will have standards delivered in both English and Spanish.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

1. School Site Council
2. ELAC
3. Title I Meetings
4. Parent Compact
5. Parent Involvement Policy
6. Parent Education
7. Parent Conferences
8. Meetings with Administration
9. SST/IEPs
10. PTA Activities

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Administration holds quarterly Title I meetings in which the programs are discussed. Parents and teachers serve on School Site Council, which discusses and determines the activities of each goal, as well as determines the funding provided for those activities. Our ELAC provides input to our School Site Council in order to make suggestions for our English Learner population. Throughout the year, parent and teacher groups are updated on the status of the goals and activities, and the plan is evaluated at the end of the year.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Services that are provided include support staff to assist with instruction. At Lemonwood, these consist of our paraprofessionals that support K-2 students in the classroom and AVID Tutors to assist with tutorials. Teacher collaboration hours and professional development is also covered by categorical funds so that they can analyze student assessments in order to guide instruction. *

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Lemonwood involved multiple stakeholder groups for the SPSA review and update. Our site Instructional Leadership Team, made up of teachers and administrators, spent time reviewing data and revising our goals starting with end of year data in June, 2020. In August-October, 2020 we continued our analysis as we looked over CAASPP scores. The group was actively involved in fine-tuning the metrics of goal 1, and with determining the activities that supported the goal. Our PBIS team reviewed the data from the California Healthy Kids Survey in August, and in August-October, 2019, helped to create the metrics and activities to support Goals 2 and 3. All staff members were given the goals, metrics and activities and encouraged to provide input in October, 2020. Our School Site Council, with the input of our ELAC, reviewed end of year data in June, 2020 and had input on the new goals, metrics and activities, with a focus on English Learners and Parent Engagement.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Due to funding cuts for 2020-2021, positions have had to be eliminated. The site techs were eliminated, however a district team of techs was composed. Our site is provided with 3 days of support for students, parents, and staff.

Student Enrollment Enrollment By Grade Level

| Student Enrollment by Grade Level | | | |
|-----------------------------------|--------------------|-------|-------|
| Grade | Number of Students | | |
| | 17-18 | 18-19 | 19-20 |
| Kindergarten | 96 | | 92 |
| Grade 1 | 91 | | 81 |
| Grade 2 | 102 | | 97 |
| Grade 3 | 86 | | 93 |
| Grade 4 | 104 | | 92 |
| Grade 5 | 103 | | 93 |
| Grade 6 | 101 | | 102 |
| Grade 7 | 87 | | 107 |
| Grade 8 | 82 | | 114 |
| Total Enrollment | 852 | | 871 |

Conclusions based on this data:

The majority of our students are Hispanic/Latino. In addition, the number of students at our school continues to rise. We dropped in enrollment at the start of construction (for the 16/17 school year), and it has been on the rise as we regain our students. The majority of our students continue at Lemonwood from the elementary grades into the middle school grades.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

| English Learner (EL) Enrollment | | | | | | |
|---|--------------------|-------|-------|---------------------|-------|-------|
| Student Group | Number of Students | | | Percent of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| English Learners | | | 506 | | | 58.1% |
| Fluent English Proficient (FEP) | | | 253 | | | 29.0% |
| Reclassified Fluent English Proficient (RFEP) | | | 80 | | | 15.5% |

Conclusions based on this data:

In order to increase our the number of RFEP students, we much target instruction during integrated and designated English Language Development. With the COVID-19 school closures, it is increasing important for our students to receive focus skills intervention to mitigate the learning loss the school closure created. Our staff will consistently review instructional data for our English Learners and provide interventions to our students so that they are can attain the proficiency levels necessary to be reclassified. We believe that as our instruction becomes more targeted on focus skills, our English Learners will mitigate the learning loss from COVID-19 as well as be reclassified with English proficiency.

Conclusions based on this data:

Due to COVID-19 School Closures, conclusions remain the same. However, action plan has shifted to support our current learning environment.

At Lemonwood, the number of students performing at the standards met/exceeded (combined) decreased from 17/18 to 18/19. It is noted that students increased in the exceeded category. Our claim data also shows drops in the percent above standard, but is higher than two years ago in this category.

As a result of this, our instructional staff has targeted focus areas to support language arts skills. Our Site Instructional Leadership Team will read and focus on the Pathways to the Common Core book as a guiding text.

Additionally, we will start a 3-year professional development series that will focus on Writing across content areas. We will also be reflecting on data at least monthly to guide instruction, intervention, and enrichment.

Conclusions based on this data:

Due to COVID-19 School Closures, conclusions remain the same. However, action plan has shifted to support our current learning environment.

At Lemonwood, the number of students performing at the standards met/exceeded (combined) decreased from 17/18 to 18/19. It is noted that students increased in the exceeded category, although the percentage is still low. Concepts and procedures were the most challenging area for our students this past year, which is a change from prior years. We did see an increase in students communicating their reasoning, which may be due to a heightened emphasis in many classes with the Mathematical Mindset framework.

As a result, our Site Instructional Leadership Team will focus on and read Pathways to the Common Core as means by which to support standards-based first instruction.

School and Student Performance Data

ELPAC Results

| All Grades | | 21.75 | | 67.49 | | 10.76 | | 446 |

Conclusions based on this data:

Conclusions are based on 18-19 results due to COVID-19 School Closure. However, based on the data, most of our students struggle the most with the reading domain. This is aligned with our universal screening tool, STAR 360 as well. As a result, we will focus on targeting our English Learner Reading Skills in order to improve their overall score, which will provide them with the opportunity to be reclassified as English proficient. In addition to targeting focus skills in our first instruction, we will provide students with additional support via learning software and intervention support.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

| 2018-19 Student Population | | | |
|----------------------------|---------------------------------|------------------|--------------|
| Total Enrollment | Socioeconomically Disadvantaged | English Learners | Foster Youth |
| 844 | 84.2 | 61.3 | 0.2 |

This is the total number of students enrolled.

This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

This is the percent of students whose well-being is the responsibility of a court.

| 2018-19 Enrollment for All Students/Student Group | | |
|---|-------|------------|
| Student Group | Total | Percentage |
| English Learners | 517 | 61.3 |
| Foster Youth | 2 | 0.2 |
| Homeless | 8 | 0.9 |
| Socioeconomically Disadvantaged | 711 | 84.2 |
| Students with Disabilities | 81 | 9.6 |

| Enrollment by Race/Ethnicity | | |
|------------------------------|-------|------------|
| Student Group | Total | Percentage |
| African American | 4 | 0.5 |
| Filipino | 15 | 1.8 |
| Hispanic | 805 | 95.4 |
| Two or More Races | 3 | 0.4 |
| White | 17 | 2.0 |

Conclusions based on this data:

We have a very high number of students who are Socioeconomically Disadvantaged. In addition, the vast majority of our students are Hispanic. Our Special Education program (Students with Disabilities) is a program that has been increasing in the past years as well. Students in that program are representative of the makeup of our school. This data indicates that not only should our instruction be culturally relevant, but our resources should focus on providing opportunities for our students of poverty as they require more supports. For example, this year we will have a series for parents, providing them with resources to support balanced literacy at home. We understand that through the Equity lens, our Hispanic and Socioeconomically disadvantaged students needs additional supports to access their instructional programs.

School and Student Performance Data

Overall Performance

2019 Fall Dashboard Overall Performance for All Students

| Academic Performance | Academic Engagement | Conditions & Climate |
|---|---|---|
| <p data-bbox="186 426 479 457">English Language Arts</p>  <p data-bbox="289 506 378 537">Orange</p> | <p data-bbox="673 426 950 457">Chronic Absenteeism</p>  <p data-bbox="768 506 857 537">Yellow</p> | <p data-bbox="1177 426 1396 457">Suspension Rate</p>  <p data-bbox="1247 506 1336 537">Orange</p> |
| <p data-bbox="251 623 414 655">Mathematics</p>  <p data-bbox="305 703 362 735">Red</p> | | |

Conclusions based on this data:

In Language Arts, while our students are still significantly below standard, our English Learners, Hispanic, Socioeconomically Disadvantaged and Students with Disabilities subgroups all saw growth from the 16/17 school year to the 17/18 school year. In Mathematics, students in our English Learners, Hispanic, and Socioeconomically Disadvantaged subgroups maintained, where our Students with Disabilities subgroup saw some growth. We saw improvement with lowering our numbers of chronic absenteeism. With student suspension, our numbers in 16/17 had dropped from 3.8% to 1%. In 17/18, we went back to 3.5%. We have put behavior plans in place for our Students with Disabilities who were being suspended so that alternate methods can be used before suspension. Upon conclusions remain the same due to COVID-19 school closures

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

This section provides a view of Student Assessment Results and other aspects of this school’s performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|--|---|--|
| 110.7 points below standard Maintained -2.4 points 204 | 41.5 points below standard Declined -8.4 points 266 | 40.7 points below standard Increased ++6.3 points 59 |

Conclusions based on this data:

In Language Arts, while our students are still significantly below standard, our English Learners, Hispanic, Socioeconomically Disadvantaged and Students with Disabilities subgroups all saw growth from the 16/17 school year to the 17/18 school year. We will continue to implement evidence-based instructional practices that are based on the Common Core State Standards. In addition, we will continue to work with our English Learners during both designated and integrated time to increase their English proficiency. Staff will work to collaborate regarding our students with disabilities so that the students are supported in their resource setting as well as the general education setting. Students will have scaffolds in place to support their English instruction or their IEP goals. With all students, we will continue to work on providing rigorous instruction, incorporating in Depth of Knowledge and a Growth Mindset. Teachers will be collaborating about writing activities and assessments, and will put particular emphasis on writing through the content areas. Teachers will also be trained in AVID Critical Reading strategies across grade levels and content areas.

School and Student Performance Data

Academic Performance Mathematics

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard Mathematics Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|--|---|--|
| 128.1 points below standard Declined -7.9 points 204 | 84.7 points below standard Declined -4 points 265 | 94.5 points below standard Increased ++5.7 points 59 |

Conclusions based on this data:

Due to COVID-19 School Closures, conclusions remain the same. However, action plan has shifted to support our current learning environment.

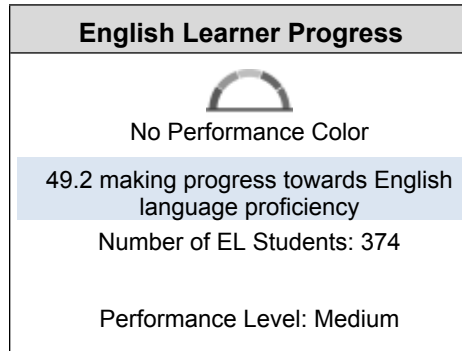

In Mathematics, while our students are still significantly below standard, our English Learners, Hispanic, and Socioeconomically Disadvantaged maintained, while our Students with Disabilities subgroup saw growth from the 16/17 school year to the 17/18 school year. With all of our students, we will continue to focus on evidence based strategies that support our Common Core State Standards. Students with disabilities will be supported through collaboration between the special education staff and the general education staff as they provide appropriate scaffolds in the general education classrooms. Oracy development and writing will be a focus area for our students as we work to develop writing skills in math as a way to explain thinking through the Mathematical Mindset approach.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2019 Fall Dashboard Student English Language Acquisition Results

| Decreased One ELPI Level | Maintained ELPI Level 1, 2L, 2H, 3L, or 3H | Maintained ELPI Level 4 | Progressed At Least One ELPI Level |
|--------------------------|--|-------------------------|------------------------------------|
| 16.0 | 34.7 | 3.4 | 45.7 |

Conclusions based on this data:

With English Learners, we expect that the numbers aren't heavy at a level 4, as those students are typically ones that are reclassified. Having Level 2-3 scores is more common. We are continuing to support students who remain at those levels without growth and are providing targeted intervention and designated ELD to move their language acquisition forward.

School and Student Performance Data

Academic Performance College/Career

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information on the percentage of high school graduates who are placed in the "Prepared" level on the College/Career Indicator.

| 2019 Fall Dashboard College/Career for All Students/Student Group | | |
|---|---------------------------------|----------------------------|
| All Students | English Learners | Foster Youth |
| Homeless | Socioeconomically Disadvantaged | Students with Disabilities |

| 2019 Fall Dashboard College/Career by Race/Ethnicity | | | |
|--|-------------------|------------------|----------|
| African American | American Indian | Asian | Filipino |
| Hispanic | Two or More Races | Pacific Islander | White |

This section provides a view of the percent of students per year that qualify as Not Prepared, Approaching Prepared, and Prepared.

| 2019 Fall Dashboard College/Career 3-Year Performance | | |
|---|----------------------|----------------------|
| Class of 2017 | Class of 2018 | Class of 2019 |
| Prepared | Prepared | Prepared |
| Approaching Prepared | Approaching Prepared | Approaching Prepared |

School and Student Performance Data

Academic Engagement Chronic Absenteeism

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

| 2019 Fall Dashboard Chronic Absenteeism for All Students/Student Group | | |
|--|--|--|
| <p>All Students</p>  Yellow 4.4 Increased +0.7 885 | <p>English Learners</p>  Green 3.9 Declined -0.7 537 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |
| <p>Homeless</p>  No Performance Color 11.8 Declined -6.4 17 | <p>Socioeconomically Disadvantaged</p>  Green 4.2 Maintained +0.2 761 | <p>Students with Disabilities</p>  Orange 10.6 Increased +2.3 113 |

2019 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 |  No Performance Color 11.1 Increased +11.1 18 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 4.4 Increased +0.6 840 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 |  No Performance Color 0 Declined -5.3 20 |

Conclusions based on this data:

We have high attendance numbers at Lemonwood in general. Students who are chronically absent from school are ones where we have created individual contracts and high levels of communication with parents for support. With the COVID-19 school closures, we have seen an increase of absenteeism. As a result, we are in constant communication with families in order to provide support to parents and students. Our ORC and School Counselor collaborate with admin and teachers in order to provide resources and support to groups of students as a whole or individually. Additionally, we collaborate with teachers on a regular basis to determine if school-wide systems can be put in place to promote high attendance for our previously chronic students and/or students whom are now absent on a more chronic basis.

School and Student Performance Data

Academic Engagement Graduation Rate

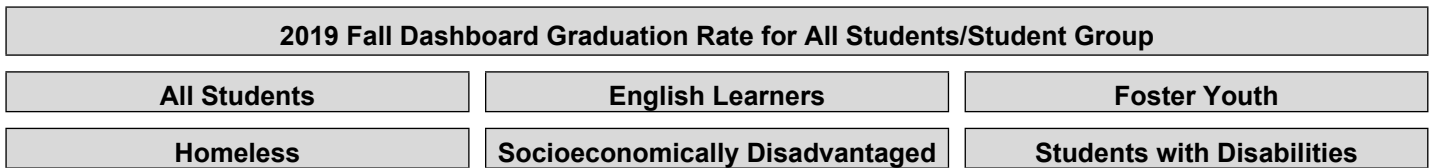

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

Conclusions based on this data:

N/A

School and Student Performance Data

Conditions & Climate Suspension Rate

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

| 2019 Fall Dashboard Suspension Rate for All Students/Student Group | | |
|---|--|---|
| <p>All Students</p>  Orange 4.3 Increased +0.8 903 | <p>English Learners</p>  Yellow 2.4 Maintained -0.2 546 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not 2 |
| <p>Homeless</p>  No Performance Color 4.8 Declined -11.9 21 | <p>Socioeconomically Disadvantaged</p>  Orange 4.1 Increased +0.4 776 | <p>Students with Disabilities</p>  Orange 7.7 Declined -1.8 117 |

2019 Fall Dashboard Suspension Rate by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|------------------|--|
|  No Performance Color Less than 11 Students - Data 4 | | |  No Performance Color 10.5 Increased +10.5 19 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 4.3 Increased +0.7 857 |  No Performance Color Less than 11 Students - Data 3 | |  No Performance Color 0 Maintained 0 20 |

This section provides a view of the percentage of students who were suspended.

2019 Fall Dashboard Suspension Rate by Year

| 2017 | 2018 | 2019 |
|------|------|------|
| | 3.5 | 4.3 |

Conclusions based on this data:

Our suspension rate increased by almost 1%. In review of the suspension data, we concluded that early identification of Social Emotional Needs as well as supporting staff with de-escalation techniques would positively impact our suspension rate. Intervention provided to students before we see an escalation would benefit our students tremendously in this area.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All students will reach high academic standards in reading and mathematics, with an emphasis on writing across content areas.

Identified Need

To increase the capacity of teachers to deliver effective first instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to review data on a consistent basis.

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|--|---|
| CAASPP | <p>***Due to COVID-19 school closures, the data below is the most recent CAASPP Data.</p> <p>Based on 2018/19 data, students in grades 4-8 had the following growth on the CAASPP Assessment in Language Arts:</p> <p>Grade 4: Positive movement - 13% No movement - 61% Negative movement - 25%</p> <p>Grade 5: Positive movement - 27% No movement - 61% Negative movement - 12%</p> <p>Grade 6 Positive movement - 18% No movement - 65% Negative movement - 17%</p> | <p>Based on 2019/20 data, students in grades 4-8 will increase their percentage of positive growth on the CASSPP Assessment in both Language Arts and Mathematics by 10% based on cohort data.</p> <p>4th Grade: ELA - 23% Mathematics: 21%</p> <p>5th Grade: ELA - from 14% to 24% Mathematics - from 11% to 21%</p> <p>6th Grade: ELA - from 25% to 35% Mathematics - from 6% to 16%</p> <p>7th Grade: ELA - from 18% to 28%</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|----------------------|--|--|
| | <p>Grade 7: Positive movement - 17% No movement - 61% Negative movement - 21%</p> <p>Grade 8: Positive movement - 19% No movement - 72% Negative movement - 8%</p> <p>In 2018/19, students in grades 4-8 had the following growth on the CAASPP Assessment in Mathematics:</p> <p>Grade 4: Positive movement - 11% No movement - 69% Negative movement - 18%</p> <p>Grade 5: Positive movement - 4% No movement - 74% Negative movement - 28%</p> <p>Grade 6 Positive movement - 20% No movement - 69% Negative movement - 11%</p> <p>Grade 7: Positive movement - 8% No movement - 83% Negative movement - 9%</p> <p>Grade 8 Positive movement - 9% No movement - 79% Negative movement - 11%</p> | <p>Mathematics - from 21% to 31%</p> <p>8th Grade: ELA - from 16% to 26% Mathematics - from 8% to 18%</p> |
| CAASPP - Maintenance | <p>***Due to COVID-19 school closures, the data below is the most recent CAASPP Data.</p> <p>Based on 2018/19 data, students in grades 3-7 scored a Level 4 on the CAASPP Assessment:</p> | <p>100% of current students who scored at a Level 4 in Language Arts and/or Math in 18/19 will maintain a Level 4 in Language Arts and/or Math in 19/20.</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--|---|---|
| | <p>Grade 3: ELA: 11% Math: 4%</p> <p>Grade 4: ELA: 14% Math: 4%</p> <p>Grade 5: ELA: 6% Math: 2%</p> <p>Grade 6 ELA: 3% Math: 5%</p> <p>Grade 7: ELA: 0% Math: 0%</p> <p>Grade 8: ELA: 4% Math: 0%</p> | |
| <p>CAASPP - English Learner Subgroup</p> | <p>***Due to COVID-19 school closures, the data below is the most recent CAASPP Data.</p> <p>In 2018/19, English Learners in grades 4-8 had the following growth on the CAASPP Assessment in Language Arts:</p> <p>Grade 4: Positive movement - 7% No movement - 78% Negative movement - 15%</p> <p>Grade 5: Positive movement - 18% No movement - 82% Negative movement - 0%</p> <p>Grade 6 Positive movement - 18% No movement - 78% Negative movement - 4%</p> | <p>Based on 2019/20 data, English Learners in grades 4-8 will increase their percentage of positive growth on the CASSPP Assessment in Language Arts by 10% based on cohort data.</p> <p>Grade 4: 17% Grade 5: 18% Grade 6: 27% Grade 7: 28% Grade 8: 10%</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|--|--|
| | <p>Grade 7: Positive movement - 0% No movement - 100% Negative movement - 0%</p> <p>Grade 8: Positive movement - 0% No movement - 100% Negative movement - 0%</p> | |
| <p>STAR 360 Early Literacy, Reading, and Math (English and Spanish)</p> | <p>2020-2021 Beginning of Year STAR 360 Data</p> <p>A Student Growth Percentile, or SGP, compares a student's growth to that of his or her academic peers nationwide. Academic peers are students in the same grade with a similar scaled score on a Star assessment at the beginning of the time period being examined. SGP is reported on a 1–99 scale, with lower numbers indicating lower relative growth and higher numbers indicating higher relative growth.</p> <p>Student Growth Percentile: Reading: 58.4% of students scored Above or Typical Growth</p> <p>Math: 51.1% of students scored Above or Typical Growth</p> <p>Early Literacy: 59.9% of students scored Above or Typical Growth</p> <p>Proficiency Rate: Reading: 26.6% of students estimated to score at or above the proficiency benchmark</p> | <p>School-wide Goal: Students with a Scale Score within the Level 1 and Level 2 benchmarks will have an SGP between 66-99 indicating high growth. Students with a Scale Score within the Level 3 and Level 4 benchmarks will have an SGP between 35-65 indicating typical growth.</p> <p>Grade-Level Goal: 50% of students will improve my at least one proficiency level in STAR (English and Spanish) Early Literacy, Reading, and Math.</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|---|------------------|
| | <p>Reading Spanish: 56.7% of students estimated to score at or above the district proficiency benchmark</p> <p>Math: 23.8% of students estimated to score at or above proficiency benchmark</p> <p>Math Spanish: 62.4% of students estimated to score at or above the district proficiency benchmark</p> <p>Early Literacy: 35.3% of students estimated to score at or above the proficiency benchmark</p> <p>Early Literacy Spanish: 57.4% of students estimated to score at or above the district proficiency benchmark</p> | |

Complete a copy of the Strategy/Activity table for each of the school’s strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Professional development series to increase the capacity of teachers to deliver effective, data driven instruction in writing, to gain familiarity and comfort with the structures, materials and technology (strand focus) of balanced literacy, and to build collaborative relationships within and beyond grade levels (3 year plan).

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

25000

LCFF - Intervention
5800: Professional/Consulting Services And
Operating Expenditures
Professional Development

13000

Title I

Operating Expenditures
Professional Development

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Teachers will collaborate in a Professional Learning Community weekly to review instructional best practices and review student instructional data. Based on the student needs and student data, teachers will be provided with professional learning opportunities at the site and district level.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

0

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Special Education

Strategy/Activity

RSP teachers and paraprofessionals will support general education classroom teachers. Grades K-6 will use a pull out model for instruction. Grade 6 will pull out for Language Arts. The co-teaching model will be utilized for 7th grade mathematics, 8th grade mathematics, and 8th grade language arts. RSP teachers will collaborate weekly with General Education Teachers in order to progress towards goals and how to best meet the needs of our Special Education Students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | District Funded 1000-1999: Certificated Personnel Salaries Certificated Salaries |
| 0 | District Funded 2000-2999: Classified Personnel Salaries Classified Salaries |
| 0 | District Funded 3000-3999: Employee Benefits Benefits for RSP teachers and paraprofessionals |

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners

Strategy/Activity

Daily designated ELD instruction includes a minimum of 30 minutes for kindergarten, 45 minutes for grades 1-5, and a class period for grades 6-8. Instruction aligns to the District's EL Master Plan.

Integrated ELD occurs in all content areas throughout the remainder of the day. Focus on Oracy as part of Balanced Literacy.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No funding required

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Dual Language

Strategy/Activity

Implementation of Dual Language Program for grades K-5 following the Districts' EL Master Plan. Teacher collaboration will occur throughout the year for teachers to reflect on data, plan rigorous instruction, and plan for individual student needs. Professional learning opportunities will be provided throughout the year to support biliteracy instruction.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Monitor academic progress in ELA, ELD, and Math using formative and summative assessments, including STAR 360 and curricular assessments. Intervention plans will be developed according to the results of the assessments. Intervention to mitigate the COVID-19 learning loss will be taught by classroom teachers, intervention teacher (ISP) and Resource Teacher (when applicable).

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Last year, we did not meet Goal 1 in most areas. Our goal of meeting a 55 SGP in STAR Early Literacy, Reading, and Math was reached only with Grade 1 (Early Literacy). While individual students saw tremendous growth, it did not happen grade level or school wide.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The intended implementation involved more funding being spent on tutoring costs than what actually occurred, due to a shortage of teachers being able to provide before/after tutoring. In addition, we did not use as much of the substitute costs as anticipated for teacher collaboration due to a lack of subs. Finally, we were not able to find AVID tutors during the year due to a lack of availability.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We've adjusted several things as a result of last year's challenges with implementation. We've put more effort into collaboration, and designed that to take place after school in most cases so that we're not dependent on substitutes. In addition, we have been able to secure AVID tutors to start the 19/20 school year, allowing for the program to have the needed components. Tutoring costs have been lowered, and our tutoring program will focus on grade level bands as opposed to individual classes or grades so that we can be appropriately staffed to support our students.

In addition, we have focused our metrics to look not only at SGP, but also to look at CAASPP growth. In looking at growth targets, we felt it was necessary to look at multiple measures. The SGP will be reviewed all year long as each student will have an individual goal.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|---|--|
| Suspension Rate | Based on 2018/19 data, we had 38 students suspended for a total suspension rate of 4.44%. Lemonwood had one student expelled for an expulsion rate of 0.12% | Suspension rates will decrease by 0.5%. |
| Attendance Rate | In 2018/19, Lemonwood had 5.08% of students (43) with chronic attendance problems, missing 10% or more instructional period/days. | Decrease chronic attendance rates by 1%. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Staff will participate in CHAMPS/PBIS training and implement the district adopted program for Positive Behavior Support

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

New PBIS activities were added last year with the "Caught You Roaring" cards and positive postcards being sent home. We did not see a connection with our suspension rate, although they were well received by the students. With our students experiencing repeated behavior challenges, our counselor intervened with support or referred students to outside counseling services. We reinforced positive attendance through classroom incentives and students working individually with our Outreach Consultant. This, along with frequent parent communication, allowed for our chronic attendance rate to remain low.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Due to COVID-19 School Closures, some of the expenditures did not occur.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

All activities and supports will be applied in a virtual format due to Covid-19 remote learning.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
 To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--|---|--|
| California Healthy Kids' Survey Completion | In 2018/19, Lemonwood had 4 parents respond to the California Healthy Kids' Survey (CHKS). | At least 100 parents will complete the California Healthy Kids' Survey in Spring, 2020. |
| Survey Responses - Parental Involvement | In 2018/19, we did not have a significant number of respondents for adequate data to be gathered. | Based on 19/20 CHKS survey, at least 90% of parents will respond "agree" or "strongly agree" in the following categories: Allowing Input/Welcoming Parent Contributions Encouraging parents to be an active partner with the school in educating their child Seeking input from parents before making important decisions |
| Survey Responses - Parental Involvement | In 2018/19, we did not have a significant number of respondents for adequate data to be gathered. | Based on 19/20 CHKS survey, at least 60% of parents will have attended the following: |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|-------------------------|--|
| | | A school or class event A general school meeting A regularly scheduled parent/teacher conference |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

The school will conduct regular School Site Council and/or ELAC meetings which will inform parents of school goals, programs and activities.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 23

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 24

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 25

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 26

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 27

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 28

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 29

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 30

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 31

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 32

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 33

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 34

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Our goal last year focused on increasing attendance at school events. While we did see a general increase, we found that to be challenging to track. We saw increased participation when students were involved (holiday programs, academic nights) compared to parent meetings.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Some of the parent workshops had low attendance, so they weren't offered with as much regularity as originally planned. Other than that, our expenditures were accurate for 19/20.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

With COVID-19, we will be more intentional with sharing media that will help parents navigate and support their students' academic progress. Additionally, we will offer some parent workshops to build literacy at home.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

| Description | Amount |
|---|--------------|
| Total Funds Provided to the School Through the Consolidated Application | \$111,956.00 |
| Total Federal Funds Provided to the School from the LEA for CSI | \$0 |
| Total Funds Budgeted for Strategies to Meet the Goals in the SPSA | \$285,571.00 |

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

| Federal Programs | Amount (\$) |
|------------------|-------------|
| Title I | \$82,280.00 |
| Title III | \$29,676.00 |

Subtotal of additional federal funds included for this school: \$111,956.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

| State or Local Programs | Amount (\$) |
|-------------------------|-------------|
| | \$0.00 |
| Discretionary | \$54,195.00 |
| District Funded | \$0.00 |
| LCFF - Intervention | \$88,560.00 |
| LCFF - Targeted | \$30,860.00 |

Subtotal of state or local funds included for this school: \$173,615.00

Total of federal, state, and/or local funds for this school: \$285,571.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

| Funding Source | Amount | Balance |
|---------------------|--------|---------|
| Discretionary | 54,195 | 0.00 |
| Title I | 82280 | 0.00 |
| Title III | 29,676 | 0.00 |
| LCFF - Targeted | 30860 | 0.00 |
| LCFF - Intervention | 88,560 | 0.00 |

Expenditures by Funding Source

| Funding Source | Amount |
|---------------------|-----------|
| | 0.00 |
| Discretionary | 54,195.00 |
| District Funded | 0.00 |
| LCFF - Intervention | 88,560.00 |
| LCFF - Targeted | 30,860.00 |
| Title I | 82,280.00 |
| Title III | 29,676.00 |

Expenditures by Budget Reference and Funding Source

| Budget Reference | Funding Source | Amount |
|--|----------------|-----------|
| | | 0.00 |
| 1000-1999: Certificated Personnel Salaries | Discretionary | 250.00 |
| 2000-2999: Classified Personnel Salaries | Discretionary | 2,000.00 |
| 3000-3999: Employee Benefits | Discretionary | 52.00 |
| 4000-4999: Books And Supplies | Discretionary | 48,239.00 |
| 5000-5999: Services And Other Operating Expenditures | Discretionary | 3,654.00 |

| | | |
|---|---------------------|-----------|
| | District Funded | 0.00 |
| | District Funded | 0.00 |
| 1000-1999: Certificated Personnel Salaries | District Funded | 0.00 |
| 2000-2999: Classified Personnel Salaries | District Funded | 0.00 |
| 3000-3999: Employee Benefits | District Funded | 0.00 |
| None Specified | District Funded | 0.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Intervention | 15,000.00 |
| 3000-3999: Employee Benefits | LCFF - Intervention | 3,287.00 |
| 4000-4999: Books And Supplies | LCFF - Intervention | 37,773.00 |
| 5800: Professional/Consulting Services And Operating Expenditures | LCFF - Intervention | 25,000.00 |
| 7000-7439: Other Outgo | LCFF - Intervention | 5,000.00 |
| None Specified | LCFF - Intervention | 2,500.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Targeted | 15,000.00 |
| 2000-2999: Classified Personnel Salaries | LCFF - Targeted | 7,222.00 |
| 3000-3999: Employee Benefits | LCFF - Targeted | 3,286.00 |
| 5700-5799: Transfers Of Direct Costs | LCFF - Targeted | 5,352.00 |
| 2000-2999: Classified Personnel Salaries | Title I | 37,089.00 |
| 3000-3999: Employee Benefits | Title I | 12,094.00 |
| 4000-4999: Books And Supplies | Title I | 14,847.00 |
| 5800: Professional/Consulting Services And Operating Expenditures | Title I | 18,250.00 |
| 1000-1999: Certificated Personnel Salaries | Title III | 11,734.00 |
| 2000-2999: Classified Personnel Salaries | Title III | 7,592.00 |
| 3000-3999: Employee Benefits | Title III | 1,520.00 |
| 4000-4999: Books And Supplies | Title III | 2,830.00 |
| 5800: Professional/Consulting Services And Operating Expenditures | Title III | 6,000.00 |

Expenditures by Goal

| Goal Number | Total Expenditures |
|-------------|--------------------|
| Goal 1 | 271,394.00 |
| Goal 2 | 4,202.00 |
| Goal 3 | 9,975.00 |

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

| Name of Members | Role |
|---------------------------|----------------------------|
| Allison Cordes | Principal |
| Annette Warren | Classroom Teacher |
| Tracy Gordon | Classroom Teacher |
| Michelle Robledo-Canchola | Classroom Teacher |
| Gracie Almanza | Other School Staff |
| Elsa Garcia | Parent or Community Member |
| Maria del Carmen Antonio | Parent or Community Member |
| Rosa Maria Torres | Parent or Community Member |
| Guadalupe Perez | Parent or Community Member |
| Rosana Gomez | Parent or Community Member |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

| | |
|--|------------------------------------|
| | School Site Council |
| | English Learner Advisory Committee |

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on October 12, 2020.

Attested:

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

[Stakeholder Involvement](#)

[Goals, Strategies, & Proposed Expenditures](#)

[Planned Strategies/Activities](#)

[Annual Review and Update](#)

[Budget Summary](#)

[Appendix A: Plan Requirements for Title I Schoolwide Programs](#)

[Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning Requirements](#)

[Appendix C: Select State and Federal Programs](#)

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

DR. MANUEL M.
Lopez Academy
OF ARTS & SCIENCES

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|--|-----------------------------------|--|---------------------------|
| Dr. Manuel M. Lopez Academy of Arts and Sciences | 56725386055305 | September 29, 2020 | November 4, 2020 |

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program
Additional Targeted Support and Improvement

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Dr. Manuel M. Lopez Academy of Arts and Sciences serves students in grades 6-8 in the Oxnard School District. As a result of the district's open enrollment policy, Lopez Academy draws students from all across the Oxnard School District. With focused attention on providing a strong instructional program that incorporates arts and sciences, Lopez's enrollment has increased to around 900 students. Lopez Academy was previously known as Haydock Academy, with the new name commencing for the 2020-21 school year.

Lopez strives to meet the needs of all our students through a diverse offering of educational settings and courses. Students with specialized needs are served in a variety of settings including three mild to moderate classes, two moderate to severe classes, and five resource teachers that provide instruction in both the co-teaching and pull out SAI models. Lopez students that need designated ELD support are placed into designated ELD classes to provide for maximum targeting of instruction to support English Learners. Students receive 180 days of instruction during our normal 8 period day, with one period serving as lunch, and another as advisory. This schedule has been modified to meet the temporary requirements in place for our current distance learning environment. Academic intervention and support is offered to students before, during, and after school.

Lopez Academy is focused on providing a safe, healthy, positive, and respectful environment in which creativity, critical thinking, and responsibility is fostered with all students. Some important aspects of our educational program include student led conferences, designated ELD, access to technology (including one to one iPad devices), student incentives, after school program, and an Academy focus (Arts and Sciences). We also strive to work as a cohesive team with our parents. Parents are provided various opportunities to become involved in Lopez including parent workshops/trainings,, ELAC, School Site Council, and PTA. Other family events are included throughout the year.

Lopez will develop the School Plan for Student Achievement (SPSA) to align with the approved Local Control and Accountability Plan (LCAP) for the Oxnard Elementary School District. The School Plan will also serve to detail the actions and expenditures related to the Comprehensive Support and Improvement (CSI) program. Lopez was officially removed from the CSI program during the spring of 2020, but is still allocating the accompanying funding which can be found in this plan. The Lopez Academy School Site Council meets regularly throughout the school year to ensure that the SPSA is being implemented as written, and that any necessary adjustments are made as authorized by the school site council. The school site council members will include an equal representation of school staff members and Lopez parents/community members. Throughout the school year the site council will continuously analyze the goals within this plan, along with the corresponding action items, to ensure that we are making necessary adjustments to serve the needs of our students. School Site Council shall also have the proper balance of members to reflect an equal representation of the school staff and parents/community members.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Student, parent, and staff feedback are received in a wide variety of ways throughout the school year. We strive to keep our parents aware about what is happening at Haydock Academy, and therefore receive ongoing feedback about our academic program and other offerings. We also utilize several student feedback surveys, including the California Healthy Kids Survey which provides valuable information about the well being of our students and their perceptions about the overall school climate including school safety, connectedness, and sense of belonging. Parents are also given the opportunity to complete the annual needs assessment survey which is developed and monitored by ELAC.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Classroom observations are conducted on a regular basis at Lopez Academy. Observations continue during distance learning via zoom sessions. The purpose of these observations is for school staff to be knowledgeable about the standards, These frequent classroom observations also provide an opportunity for measuring progress towards school wide and district wide goals. Furthermore, classroom observations provide an opportunity for school staff to give specific and constructive feedback that helps teachers incorporate best practices and effective, research proven strategies to maximize instructional effectiveness. Classroom observations are monitored by the admin team to ensure all classrooms are visited on a regular basis. During classroom observations an emphasis is placed upon noting areas of need and exemplary areas, particularly in light of school wide goals for English Learner students.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

At Lopez Academy we utilize the results of state and local assessments to plan, reflect, and modify instruction and instructional planning to meet the needs of our students. We closely examine the results from the California Assessment of Student Performance and Progress (CAASPP) to measure how effectively our instruction and curriculum have been with our students. CAASPP results include information regarding English-Language Arts, Math, and Science. We also examine the results of the English Language Proficiency Assessments for California (ELPAC) to measure the progress of our English Learner students have made in the area of Oral Language, Written Language, Listening, Reading, Speaking, and Writing. Lopez also utilizes the results of local assessments, including the STAR 360 Reading and STAR 360 Math assessments, which are administered a minimum of three times per year. Local (district) writing exams and an ELD assessment for our ELL students are also given throughout the school year to assist in monitoring our students' progress towards meeting the California Common Core State Standards. Lopez administers the California Healthy Kids Survey annually for our 7th grade students, with the results helping us design and implement an effective program to address the overall school climate and to ensure that our school continues to offer a safe learning environment for all of our students. We are also fully implementing the Panorama Social-Emotional Survey Platform to assess and provide additional supports for our students this school year. The Panorama Survey will be administered at least 3 times annually for all students. Suite 360 is being piloted by the administrative and counseling team to address individual social-emotional learning with individual students and small groups. Throughout the school year English-Language Arts and Math teachers also administer SBAC Interim-Assessments which can provide additional feedback about student progress towards meeting the California Common Core State Standards. A limited number of students take the California Alternative Assessment (CAA) for Math, English-Language Arts, and Science as determined by their IEP team. Lopez also administers the Oxnard School District Gate assessment annually to identify students that meet the qualifications for GATE classification.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

At Lopez we use data to inform our planning and instruction. The sources of data include both state and local assessment data, as well as ongoing informal and formal assessments within the classroom. This year Lopez teachers will have additional time within their learning (PLC) teams to analyze data, reflect upon results, and make instructional decisions based upon the data. All PLC teams are also tasked with developing pacing guides and common assessments to be rolled out this year, and will be focused on maximizing instructional opportunity in the distance learning setting. We will also continue to analyze STAR 360 data for both Math and English-Language arts throughout the year to measure student progress and make curricular and instructional adjustments to best meet the diverse needs of our students.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

Oxnard School District ensures that that all site staff meets requirements to be considered “highly qualified.” This is monitored by the district’s Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly. For this school year, teachers will have a minimum of 1-2 hours weekly to meet within their PLC/content teams to analyze data.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors who provide support for Curriculum, Instruction, Biliteracy Programs, English Learner Services, Special Education and Pupil Services. An Instructional Specialist for science and a Math Manager work directly with teachers to support instruction in Science and Math. A DLI (Dual Language Immersion) Director works directly with teachers to support biliteracy instruction. This year the DLI program has expanded to student cohorts in grades 6 and 7 at Lopez Academy. Site Principals function as instructional leaders.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers regularly collaborate through the Professional Learning Community model. Time is set aside for meetings every Wednesday. Additional funding is provided from several funding sources through this plan to add additional time for teachers to collaboratively plan, grade, analyze data, and develop/monitor common assessments throughout the school year. Time will also be provided to release teachers on various school teams including PBIS and Restorative Justice. Additional time will be necessary for the identification of essential standards, development of pacing guides, and creation/administration of common assessments.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes. Our current instructional minutes are aligned to meet the current distance learning guidelines/requirements from the California Department of Education.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs. Lopez Academy teachers are developing site level pacing guides for this school year.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials. Lopez Academy conducted our annual Williams Visitation on August 31st.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Lopez is committed to effectively serving all students, including students that are not successfully accessing state content standards. A special emphasis is placed on our English Learner students, particularly those that are long term English Learners who are still in need of additional support to access grade level standards and ultimately qualify for reclassification to leave the ELL program. Our special education population is also performing at lower levels than their peers, and Lopez is working to provide additional opportunities for these students, specifically inclusion in a co-teaching model when deemed appropriate by the IEP team. Co-teaching classes allow for special education students to access grade level content standards with their non special education peer students. We recognize that the most effective way to address the needs of under performing students is to guarantee high quality first instruction within every classroom. All core curriculum adoptions provide additional resources and activities including universal access information to support students that are not currently meeting grade level state standards. Another tool for supporting under performing students includes the 1 to 1 IPAD implementation for all of our students. The IPAD deployment allows for students to interact with the state content standards and core curriculum in an engaging manner. Through the use of Title 1 and LCFF funding. Lopez offers ample tutoring opportunities for students that are not currently accessing the state content standards. Tutoring is provided in all core academic areas to support student progress towards meeting state grade level standards. Many Lopez students also participate in the Oxnard Scholars After School Program which offers a number of academic and extracurricular opportunities for students, including additional support from the after school staff and certificate staff members. Lopez systematically utilizes the Accelerated Reader (AR) program to increase student reading levels which assists with closing the achievement gap between our students at grade level, and those below grade level standards. All students take at least one AR diagnostic test each trimester and accrue points throughout the year by successfully taking accelerated reading tests on books they have read. As discussed in the analysis section, English Learner students at Lopez are scoring significantly lower on the CAASPP test, and are therefore a focus area for the school. An instructional assistant position is funded to support designated ELD classes during the 2020-2021 school year. The instructional assistant provides in class support and assistance within integrated and designated ELD classes.

Evidence-based educational practices to raise student achievement

The Lopez staff recognizes that high-quality first instruction (Tier 1) is the most crucial element to support students that are not meeting state content standards. Furthermore, we recognize that instructional best practices require regular and productive collaboration by teachers within and across grade levels and departments. Teacher collaboration is targeted and responsive to student needs so that curriculum adjustments and re-teaching when necessary is built into all classrooms. Teachers also utilize the IPAD technology available to students to plan and deliver highly engaging and rigorous curriculum. The Lopez teachers are in the early phases of implementing school "instructional rounds" to observe and identify other areas of growth for the school site. Initially the plan was for full implementation of Instructional Rounds Professional Development this school year, but that plan has been postponed until we resume a normal in-person schedule. Additionally, all teachers at Lopez have at least 4 hours monthly to collaborate with their department/grade level peers to discuss student progress, analyze data, and target instruction towards standards mastery. The staff will be continuing to develop Professional Learning Communities (PLCs) over the course of this year and in the future.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Parents are invited and encouraged to participate in the Lopez community throughout the year. PTA provides parents an opportunity to participate in supporting school programs, such as PTA Reflections, participating in fundraising opportunities, and identifying ways in which PTA can positively impact the school community for all students. Parents participating in ELAC provide feedback on issues relating to English learners and give feedback directly to the School Site Council on the school plan. Parents can participate as elected officers or general members. School Site Council requires the election of parent representatives and this council approves the school budget and school plan. School Site Council meets with the principal directly and provides feedback on issues relevant to school governance and conducts annual reviews of the School-Parent Compact and Parent Involvement Policy. Funding has been allocated within the school plan to provide materials for parents participating in school site council, PTA, and ELAC.

Parent trainings and workshops are offered throughout the year, including Mother-Daughter workshops, and parent education nights conducted at the school site. Lopez is also offering additional parent information/Q&A sessions throughout the school year to support parents and students better understand how to succeed during the distance learning model.

Parents are also encouraged to attend school events such as Back to School Night, student-led conferences, arts performances including the winter and spring showcases, and the Haydock Vision Expo and College Fair that highlights project-based learning and Lopez's commitment to helping students become college ready. Our AVID program in particular supports college and career exploration. It is important to note that a majority of these events will take place virtually this school year as we are still in a distance/hybrid learning model.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Parent input is crucial to the development of school site and district level decisions about curriculum, budget allocations, and other important educational functions. Parents can directly participate and provide input through school site council, PTA, or ELAC. Parents are also encouraged to reach out to the school at any time they have a concern or feedback for the school. Lopez has a representative on the district DELAC team as well as the district parent advisory committee. Lopez parents also have opportunities to provide school specific and district specific feedback throughout the development of the Oxnard School District Local Control Accountability Plan.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

A variety of services are detailed within the school plan for student achievement (SPSA) that support students who are not currently meeting state content standards. Extra hours for teachers to provide support to on campus clubs including our site Arts, Music, and Science strands. Additionally, funding is provided for teachers to be released to plan additional supports for our English Learner students, particularly our long term English Learners, as well as funding to support students in their transition from middle school to high school. Within the SPSA funding is also provided to allow for teacher release time to analyze data, plan assessments, and design curriculum to specifically meet the needs of students that are not presently meeting grade level standards. Within the Lopez SPSA an instructional assistant is funded to support English Learner students within their ELD and AVID Excel courses. Additional funding is provided for instructional materials/supplies to support English Learner students. Another service called out in the SPSA is funding to support teacher and administrative opportunities for professional development, including both on site and off site training. Funding has also been allocated to continue with the purchase of new books for our school library with a focus on multiple genres to engage students that are not currently reading at grade level. Specific funding is also assigned to purchase high interest Spanish books for our library to support our growing DLI program. Finally, Lopez has a large number of parents that do not speak English as a first language, therefore funding has been provided to support additional translation as necessary at school events, parent phone calls home, parent conferences, and other events as necessary so that all parents will be aware of their child's progress towards meeting grade level standards.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The development of the SPSA includes the involvement from all stakeholder groups. The Lopez Academy leadership team provides input and feedback about proposed expenditures and has the opportunity to provide guidance. The SPSA and its goals were also shared with the ELAC committee. In turn, ELAC provided crucial feedback to school site council regarding the planned actions and programs designed to support English Learners at Lopez. ELAC will continue to provide feedback to the School Site Council throughout the year. The SPSA, along with the site budgets (Title I, Title III, and LCFF), will be reviewed and approved by the School Site Council. School site council must approve all Title 1 and Title 3 expenditures. Both ELAC and School Site Council will provide opportunities for parent feedback and engagement throughout the school year. Stakeholder feedback is valued and utilized to enhance the school plan throughout the school year. This School Plan for Student Achievement shall be available for any parent/community member upon demand in

the front office. Parent and community members may also provide feedback and suggestions during ELAC and School Site Council meetings.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

In examining the previous year's SPSA, there were several action items that were not fully implemented. Due to distance learning, intervention funding was not fully utilized. Additionally, teachers were limited in the amount of time available for release planning time because of a shortage of substitute teachers within the district. This shortage of substitutes also limited the amount of professional development opportunities available during the day as coverage was not always readily available. Lopez had a large number of first and second year teachers last school year. While these teachers received ample support and guidance, this has an impact on instruction. Another area of concern is the high rates of chronic absenteeism at Lopez. Although chronic absenteeism has a detrimental effect on student achievement, those effects are largest for under performing students. Lowering the chronic absenteeism rate and increasing the overall school wide ADA will continue to be a focus area in the 2020-21 SPSA. Prior to the beginning of distance learning in March, 2020, Lopez was able to continue to lower the overall suspension rate, there were a high number of suspensions, which resulted in time away from instruction which makes it more difficult for students to access grade level content standards. Lopez staff and the School Site Council shall continue to monitor resource inequities throughout the 2020-21 school year. Resources have also been dedicated to providing additional social-emotional supports that are aimed at continuing to lower the overall suspension rate for Lopez Academy students.

School and Student Performance Data

| Grade 8 | 298 | | 307 |
| Total Enrollment | 949 | | 905 |

Conclusions based on this data:

Lopez Academy of Arts and Sciences serves a diverse student population in grades 6-8. As a result of the district's open enrollment policy, Lopez Academy draws students from across the city of Oxnard and Oxnard School District. Our instruction focuses on California Content Standards with an emphasis on incorporating our strands, Art and Science within the educational program. Lopez's enrollment is currently just under 900 students. Our enrollment by grade level is fairly consistent, with approximately 300 students per grade level. Our student demographics are diverse with nearly 95% of students identifying as Hispanic/Latino and just over one-third of students identified as English Learners, primarily long term English Learners.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

| English Learner (EL) Enrollment | | | | | | |
|---|--------------------|-------|-------|---------------------|-------|-------|
| Student Group | Number of Students | | | Percent of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| English Learners | | | 261 | | | 28.8% |
| Fluent English Proficient (FEP) | | | 442 | | | 48.8% |
| Reclassified Fluent English Proficient (RFEP) | | | 47 | | | 17.7% |

Conclusions based on this data:

It is important to note that due to the COVID-19 Pandemic, the English Language Proficiency Assessment for California (ELPAC) and CAASPP assessment were not administered during the 2019-2020 school year. As a result, ELPAC and CAASPP results discussed are those from the previous school year. Other school and local assessment results reflect those administered during the 2019-20 school year. English Learners currently make up about one-third of our entire student population, but close to 80% of students at Lopez have been classified as English Learners at one point during their academic career. A vast majority of English Learners at Lopez Academy are considered Long Term English Learners. Long term English Learners are defined as an EL student who is enrolled in grades 6-12 and has been enrolled in school in the United States for more than six years, has remained at the same English Language proficiency level for two or more consecutive years as determined by the English Language Proficiency Assessment for California (ELPAC), and scores "standard not met" on the smarter balanced ELA test. Throughout the school year Lopez Academy monitors the progress of English Learners to determine if they meet the district qualifications for reclassification. English Learner students who are reclassified are monitored for four consecutive years after reclassification to ensure that they are receiving any needed supports to meet state content standards. On the 2018-19 CAASPP ELA test, less than 1% of English Learner students scored "met standards" or above. In the area of mathematics, 1.2% of students scored "standard met" or higher on the smarter balanced summative test. In contrast, nearly 23% of Lopez students scored "met standard" or above on the summative ELA test, and 13.2% of students overall scored "met standards" or higher on the summative math test. While the percentage of English Learner students scoring "met standards" is low, there were 39 EL students that had positive movement on the ELA summative test, and only 5 students that had negative movement. In mathematics, 17 students showed positive movement while 16 had negative movement. The academic performance of our Lopez Academy English Learner students is a high priority with specific subgoals within this plan.

Conclusions based on this data:

It is important to note that due to the COVID-19 Pandemic, the English Language Proficiency Assessment for California (ELPAC) and CAASPP assessment were not administered during the 2019-2020 school year. As a result, ELPAC and CAASPP results discussed are those from the previous school year. The primary means for improving student achievement will be through good first instruction. Intervention before, during and after the school day are necessary to provide support to students not meeting standard. An emphasis will be placed to utilize professional learning communities within and across departments/grades to analyze data to determine what students need to make progress towards state content standards in the area of English-Language Arts. Student achievement will be measured through a variety of data points, including smarter balanced CAASPP summative assessments, STAR 360 math and reading scores, ELPAC scores. It should also be noted that there was a significant increase in writing scores for all grade levels, with the school improving from 47% to 59% of students scoring "At or Near Standard." While data about school climate is not necessarily found in this section, we do include several goals and activities to support a continued improvement in the area of school culture, suspension rates, and attendance as these all have an effect on overall student achievement.

Conclusions based on this data:

It is important to note that due to the COVID-19 Pandemic, the English Language Development Test (ELPAC) and CAASPP assessment were not administered during the 2019-2020 school year. As a result, ELPAC and CAASPP results discussed are those from the previous school year. The primary means for improving student achievement will be through good first instruction. Intervention Intervention will also serve to support students that are struggling to meet grade level mathematics standards.. On the 2018-19 CAASPP administration, Lopez students made progress in the area of mathematics, but this is still an area of concern. One positive note is that the 8th graders during the 18-19 school year doubled the number of students scoring "met standards" as compared to the same cohort scores in 6th grade. Overall math scores increased in all three grade levels from the year prior. 6th grade scores grew from 8% met standards or above to 12%. Seventh grade scores grew from 13% met standard or above to 14%, while 8th grade scores grew from 12% to 14% meeting standards or above. All grade levels had a noticeable decrease in the percent of students below standard with an overall drop from 68% to 60%. An emphasis will be placed on moving all students, but particularly English Learners, from the not met standard band to the nearly met or met band. One other data point that will be analyzed to measure success is the "distance from met" which gives an overall summary of how students are progressing in the area of mathematics as measured by the CAASPP summative assessment.

Conclusions based on this data:

It is important to note that due to the COVID-19 Pandemic, the English Language Development Test (ELPAC) and CAASPP assessment were not administered during the 2019-2020 school year. As a result, ELPAC and CAASPP results discussed are those from the previous school year. Lopez administers the yearly English Language Proficiency Assessments for California (ELPAC) to all English Learner students, but this did not occur during the 2019-20 year due to the COVID pandemic. Last year would have been the third year of ELPAC administration so there is only two years of longitudinal data. The ELPAC is administered during the OSD testing window which generally occurs in the spring. Students that arrive from outside of the United States are

administered the initial ELPAC test to assess whether they qualify as an English Learner, and to assess their ability in the domains of Listening, Speaking, Reading, and Writing. Students that take the ELPAC are given an overall level of 1,2,3, or 4 in each of the domains, and an overall score with 4 being the highest possible score. During the 2018-19 year, Lopez had 44 students score a "4" overall. 138 students scored "3," 100 scored "2," and 36 students scored a "1" overall. The ELPAC is one of the data points, along with STAR Reading Level and ELA score on the smarter balance summative assessment, to determine when students may be ready for reclassification. 96% of English Learners at Lopez Academy report a home language of Spanish. 2.6% of Lopez English Learners have a home Language of Mixteco, while Tagalog, Cebuano, Farsi, and Vietnamese each make up less than 1% of the home languages for EL students. Around 400 Lopez students have been reclassified as RFEP (redesignated fully English Proficient, but are still being monitored to ensure they are successful in making progress towards grade level standards. Lopez has another 50 students that were classified as English Learner at one point, but have fully exited the program after 4 years of monitoring.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

| 2018-19 Student Population | | | |
|--|---|---|--|
| Total Enrollment | Socioeconomically Disadvantaged | English Learners | Foster Youth |
| 895 | 86.8 | 29.7 | 0.1 |
| This is the total number of students enrolled. | This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma. | This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses. | This is the percent of students whose well-being is the responsibility of a court. |

| 2018-19 Enrollment for All Students/Student Group | | |
|---|-------|------------|
| Student Group | Total | Percentage |
| English Learners | 266 | 29.7 |
| Foster Youth | 1 | 0.1 |
| Homeless | 34 | 3.8 |
| Socioeconomically Disadvantaged | 777 | 86.8 |
| Students with Disabilities | 126 | 14.1 |

| Enrollment by Race/Ethnicity | | |
|------------------------------|-------|------------|
| Student Group | Total | Percentage |
| African American | 8 | 0.9 |
| Asian | 1 | 0.1 |
| Filipino | 12 | 1.3 |
| Hispanic | 854 | 95.4 |
| Two or More Races | 4 | 0.4 |
| Pacific Islander | 1 | 0.1 |
| White | 15 | 1.7 |

Conclusions based on this data:

- During the 2018-19 school year, Lopez was identified as a Comprehensive Support and Improvement School (CSI) under the Every Student Succeeds Act (ESSA). One of the primary reasons for identification as a CSI school was Lopez's California School Dashboard released in 2018. The California School Dashboard measures school progress in many areas, but primarily Chronic Absenteeism, Suspension Rate, English Learner Progress, English Language Arts, and Mathematics. While Lopez showed significant gains in many of these areas during the 2018-2019 school year, the previous year's dashboard was used for CSI Identification purposes. The school dashboard assigns different colors (red, orange, yellow, green, and blue) to demonstrate progress with each of the previous areas. On the 2018 California Dashboard, Lopez scored red (lowest score) for Chronic Absenteeism, Suspension Rate, English Language Arts, and Mathematics. English Learner Progress is not yet reported as the ELPAC test is still a new assessment so longitudinal data is not available. The updated California School Dashboard is generally released each winter, but the time period is unclear this year in light of the lack of testing and distance learning that

has taken place since last spring.. Lopez received notification in spring 2020 that we are no longer considered a Comprehensive Support and Improvement School based upon results from the most recent California Dashboard.

Lopez has a diverse student body, with 91% of students identified as Socio-Economically disadvantaged. 33% of Lopez students are identified as English Learners, while 0.7% of students are considered Foster Youth. White, Filipino, and African Americans make up the second, third, and fourth largest student groups by race/ethnicity. Lopez has 13.4% of students that are identified as students with disabilities. Approximately 1.6% of Lopez students were identified as homeless under the McKinney Vento guidelines. Lopez Academy students come from across the city of Oxnard and Oxnard School District as OSD is an open enrollment district with different academy focuses at each school.

Overall, Lopez showed growth in both Math and English Language Arts during the 2018-19 school year. CAASPP testing did not take place during the 2019-20 school year, so all discussion of data is based upon the 18/19 test administration. In the area of Mathematics, the percentage of students meeting standards increased by 1.43% to 9.51%. The percentage of students exceeding standards in mathematics increased to 3.69%, which was a 0.70% increase. It is also important to note that 5.82% of students moved from "standard not met" to "standard nearly met" in the area of mathematics. In the area of English-Language Arts, the percentage of students meeting standards increased by 5.04% to 21.36% while the number of students exceeding standards increased by 0.53% to 3.02% overall. The percentage of students not meeting standards in English-Language Arts declined by 12.04% as these students progressed to standard nearly met. In the area of Science, 13.5% of 8th grade students scored "met or exceeded" on the CAST test during the 2018-19 school year. Lopez Academy staff members are examining which instructional practices contributed to this increase in test scores to inform future instructional practices.

School and Student Performance Data

Overall Performance

2019 Fall Dashboard Overall Performance for All Students

| Academic Performance | Academic Engagement | Conditions & Climate |
|---|---|---|
| English Language Arts  Yellow | Chronic Absenteeism  Orange | Suspension Rate  Yellow |
| Mathematics  Orange | | |

Conclusions based on this data:

1. It is important to note that due to the COVID-19 Pandemic, the English Language Development Test (ELPAC) and CAASPP assessment were not administered during the 2019-2020 school year. As a result, ELPAC and CAASPP results discussed are those from the previous school year. The school dashboard assigns different colors (red, orange, yellow, green, and blue) to demonstrate progress with each of the previous areas. Lopez Academy was identified as a Comprehensive Support and Improvement (CSI) school for the 2018-19 school year, due primarily to the school's performance as documented in the California School Dashboard. Lopez was removed from CSI in spring of 2020 after analysis determined there was ample progress in the 2019 California School Dashboard. In the area of Chronic Absenteeism, Lopez improved from Red to Orange on the 2019 CA school dashboard. In the area of suspension rate, Lopez moved from red to yellow. For English Language Arts (ELA) the school moved from red to yellow, which is an increase of two bands between 2018 and 2019. In the area of mathematics, Lopez improved from Red to orange for the 2019 CA school dashboard. The release of the 2020 CA school dashboard has not been determined as CAASPP testing was suspended due to the COVID-19 pandemic during spring 2020. Continuous monitoring of the yearly dashboard will assist the school site council and Lopez staff in monitoring progress and identifying areas in need of growth in the future.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard English Language Arts Performance for All Students/Student Group | | |
|---|---|--|
| <p>All Students</p>  Yellow 62.4 points below standard Increased Significantly ++22.8 points 864 | <p>English Learners</p>  Orange 83.3 points below standard Increased Significantly ++20.7 points 556 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |
| <p>Homeless</p>  No Performance Color 97.4 points below standard Increased ++13.5 points 38 | <p>Socioeconomically Disadvantaged</p>  Yellow 65 points below standard Increased Significantly ++22.2 points 755 | <p>Students with Disabilities</p>  Orange 145.2 points below standard Increased ++13.5 points 143 |

2019 Fall Dashboard English Language Arts Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|---|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 |  No Performance Color 0 Students |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 10 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 63.4 points below standard Increased Significantly ++23.1 points 827 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color 53.8 points below standard Declined -8.5 points 15 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|--|--|---|
| 125.8 points below standard Increased Significantly ++28.5 points 210 | 57.5 points below standard Increased ++12.1 points 346 | 51.8 points below standard Increased Significantly ++29.3 points 182 |

Conclusions based on this data:

- It is important to note that due to the COVID-19 Pandemic, the English Language Proficiency Assessment for California (ELPAC) and CAASPP assessment were not administered during the 2019-2020 school year. As a result, ELPAC and CAASPP results discussed are those from the previous school year.

 2018-2019 Analysis: For the 2018-19 school year, there were gains in the English Language Arts scores for English Learner students including a large gain in the number of students scoring "standard nearly met" where the percentage rose from 6.2% to 20.5% which represents a large increase. On the 2019 California School Dashboard, English only students English Language Arts scores increased significantly by an average of 29.3 points. For the 2018-19 school year, English only student scores increased as 28% scored met standard or above, while that number was 20.4% the previous school year. In examining the large subgroups, Lopez saw a significant increase in English Language Arts scores for the 2019 California School Dashboard with an average increase of 22.8 points for all students. Our homeless student population did see an increase in English Language Arts scores by an average of 13.5 points. Our school population of African American and Foster students was not reported because the student population was less than 11 students. Our special education students also demonstrated growth in the area of English Language Arts with an average increase of 13.5 points. It is important to note that in the area of English Language Arts, current EL students had a mean score of 125.8 points below standard, as compared to English only students that had a mean of 51.8 points below standard. This gap in performance is troublesome, and therefore a specific goal is included

in this SPSA to target English Learner students. Students with disabilities also had a large gap as they had a mean score of 145.2 points below standard, compared to 62.4 points below for all students.

Lopez staff will continue to examine the instructional practices that contributed to significant student growth in the area of English-Language Arts. The staff is also being trained on full implementation of Professional Learning Communities (PLCs) that will further enhance the instructional program, while giving teachers structured time to collaboratively develop lessons that reach the individual needs of our students in the area of English-Language Arts.

School and Student Performance Data

Academic Performance Mathematics

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard Mathematics Performance for All Students/Student Group | | |
|--|--|---|
| <p>All Students</p>  Orange 109 points below standard Increased Significantly ++16.9 points 864 | <p>English Learners</p>  Orange 126.6 points below standard Increased Significantly ++18.5 points 556 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |

2019 Fall Dashboard Mathematics Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|---|--|---|---|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 10 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 110.5 points below standard Increased Significantly ++16.8 points 827 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color 97.9 points below standard Increased ++7.3 points 15 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard Mathematics Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|--|--|--|
| 166.2 points below standard Increased Significantly ++34.9 points 210 | 102.6 points below standard Increased ++5.2 points 346 | 100.7 points below standard Increased Significantly ++16.6 points 182 |

Conclusions based on this data:

- It is important to note that due to the COVID-19 Pandemic, the English Language Development Test (ELPAC) and CAASPP assessment were not administered during the 2019-2020 school year. As a result, ELPAC and CAASPP results discussed are those from the previous school year.

In order for a subgroup to appear on the dashboard, they have to have a population of 11 students or more at the specific school site. Lopez Academy does not have enough students in the African-American, American Indian, Asian, Filipino, Two or More Races, or Pacific Islander subgroups to report out on the 2019 California School Dashboard. The average math score for all Lopez students increased by 16.9 points on the 2019 dashboard. Our English learner students increased by 18.5 points on average. Lopez's designated homeless students maintained with a 1.3 point increase, while socioeconomically disadvantaged students increased by 18 points. Students identified as special education scores increased by an average of 2.9 points. The score for current English Learner students at Lopez increased by 34.9 points on average, while reclassified English Learner scores increased by an average of 5.2 points. English only students had an average increase of 16.6 points, which is considered "increased significantly" on the dashboard. It is important to note that all of these scores are based upon results from the 2018-19 summative assessment. The 2019-20 summative assessment was suspended due to the COVID-19 pandemic.

Lopez staff members will continue to examine the instructional practices that contributed to student growth in the area of Mathematics during the 18-19 school year. The staff is also being trained on full implementation of Professional

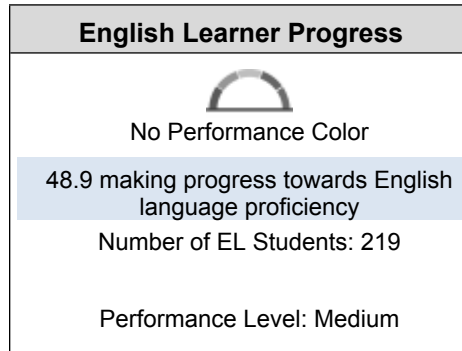

Learning Communities (PLCs) that will further enhance the instructional program, while giving teachers structured time to collaboratively develop lessons that reach the individual needs of our students in the area of math.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2019 Fall Dashboard Student English Language Acquisition Results

| Decreased One ELPI Level | Maintained ELPI Level 1, 2L, 2H, 3L, or 3H | Maintained ELPI Level 4 | Progressed At Least One ELPI Level |
|--------------------------|--|-------------------------|------------------------------------|
| 20.5 | 30.5 | 0.9 | 47.9 |

Conclusions based on this data:

- It is important to note that due to the COVID-19 Pandemic, the English Language Development Test (ELPAC) and CAASPP assessment were not administered during the 2019-2020 school year. As a result, ELPAC and CAASPP results discussed are those from the previous school year. The 2019 California School Dashboard does not report on English Learner progress as this was only the second administration of the new ELPAC assessment for English Learner students. In analyzing the student data, we see that Lopez Academy had 219 English Learners during the 2018-19 school year. 11.2% of these students scored an overall level of 4, which is well developed. 42.6% of English Learners scored a 3, or moderately developed. 32.1% of Lopez English Learners scored level 2, or somewhat developed, while 14.1% scored a level one, beginning stage. The 2019 dashboard notes that 105 (48.9%) of EL students progressed at least one ELPI level. 67 Lopez EL students maintained their ELPI level, while 45 students decreased by one ELPI level. During the 2019-2020 school year, Lopez has 258 English Learner students, and another 380 former English Learners that are being monitored. Due to the COVID-19 Pandemic, the ELPAC was not administered. When an English Learner is reclassified as fluent English Proficient (RFEP), they must still be monitored for a period of 4 years in case they are in need of further support. Oxnard School District works in conjunction with the state of California to set clear guidelines to determine when a student is ready for reclassification. The data examined to determine if a student is ready for reclassification includes their CAASPP ELA smarter balanced test score, their overall ELPAC Score, and their STAR 360 reading level. After four years of monitoring, reclassified students are no longer monitored. When Lopez receives a student that has not previously been enrolled within a school in the United States, an initial ELPAC examine is administered to measure whether the student will be classified as an English Learner or not to ensure that appropriate supports and programs are offered for all students designated as an English Learner.

School and Student Performance Data

Academic Performance College/Career

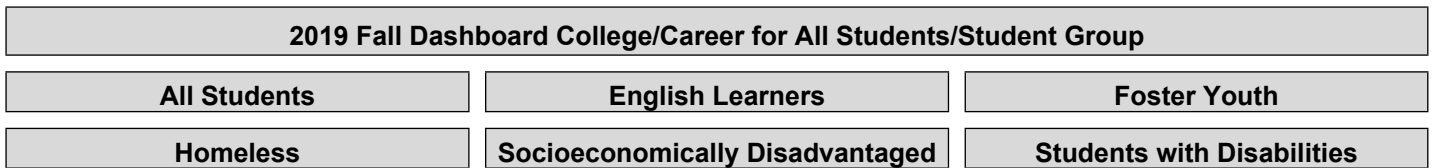

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information on the percentage of high school graduates who are placed in the "Prepared" level on the College/Career Indicator.

This section provides a view of the percent of students per year that qualify as Not Prepared, Approaching Prepared, and Prepared.

Conclusions based on this data:

- The 2019 California School Dashboard did not provide College/Career Readiness Performance data for middle schools. This category is slated to come online over the next several school years and will measure how well schools are preparing students for College and Career opportunities.

School and Student Performance Data

Academic Engagement Chronic Absenteeism

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

| 2019 Fall Dashboard Chronic Absenteeism Equity Report | | | | |
|---|--------|--------|-------|------|
| Red | Orange | Yellow | Green | Blue |
| 1 | 3 | 0 | 0 | 0 |

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

| 2019 Fall Dashboard Chronic Absenteeism for All Students/Student Group | | |
|---|---|---|
| <p>All Students</p>  Orange 12.2 Increased +0.5 947 | <p>English Learners</p>  Orange 14.3 Increased +1.9 287 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |
| <p>Homeless</p>  No Performance Color 40 Increased +21.5 45 | <p>Socioeconomically Disadvantaged</p>  Orange 12.7 Increased +1.5 833 | <p>Students with Disabilities</p>  Red 22.2 Increased Significantly +5.6 162 |

2019 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|---|--|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 10 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color 8.3 Increased +0.6 12 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 12.2 Increased +0.7 901 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color 5.6 Declined -1.9 18 |

Conclusions based on this data:

- The California school dashboard for 2019 reported that one subgroup, students with disabilities, was in the red performance band, meaning that this is an area of concern. This red band was generated because of a 5.6% increase in the number of students with disabilities that were chronically absent. Four other subgroups, all students, homeless students, English Learners, and socioeconomically disadvantaged also increased. The overall percentage of students that are chronically absent is an area of concern that will continue to be addressed at Lopez Academy.

Overall, Hispanic students at Lopez had a small 0.7% increase in the number of students that were identified as chronically absent, meaning that they missed at least 10% of the school year. The percentage of white students that were chronically absent declined by 1.9%. Attendance will continue to be an area of focus at Lopez Academy, particularly in light of the fact that distance learning may have an impact on chronic absenteeism.

School and Student Performance Data

Academic Engagement Graduation Rate

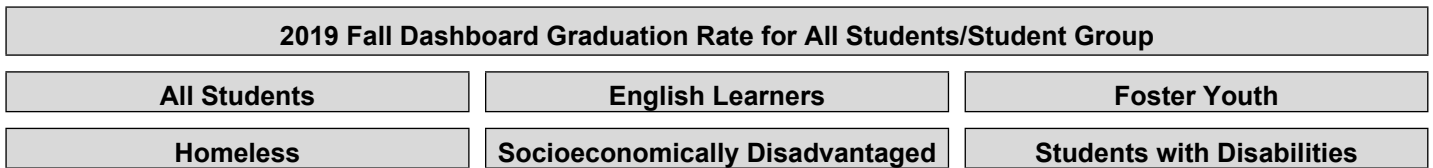

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

Conclusions based on this data:

1. The graduation rate is not an area that middle schools are presently evaluated within the California School Dashboard.

School and Student Performance Data

Conditions & Climate Suspension Rate

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

| 2019 Fall Dashboard Suspension Rate for All Students/Student Group | | |
|---|--|--|
| <p>All Students</p> <p>Yellow</p> <p>8.1</p> <p>Declined -1</p> <p>974</p> | <p>English Learners</p> <p>Orange</p> <p>10.6</p> <p>Increased +0.6</p> <p>301</p> | <p>Foster Youth</p> <p>No Performance Color</p> <p>Less than 11 Students - Data Not</p> <p>2</p> |

2019 Fall Dashboard Suspension Rate by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|---|--|---|--|
|  No Performance Color Less than 11 Students - Data 10 |  No Performance Color Less than 11 Students - Data 4 |  No Performance Color Less than 11 Students - Data 2 |  No Performance Color 0 Maintained 0 13 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 8.1 Declined -1.2 925 |  No Performance Color Less than 11 Students - Data 4 |  No Performance Color Less than 11 Students - Data 1 |  No Performance Color 5.3 Increased +1.9 19 |

This section provides a view of the percentage of students who were suspended.

2019 Fall Dashboard Suspension Rate by Year

| 2017 | 2018 | 2019 |
|------|------|------|
| | 9.1 | 8.1 |

Conclusions based on this data:

- The California School Dashboard suspension rate is part of the overall school conditions and climate report. This data is from the 2018-2019 school year, and shows a decline of 1% in the overall suspension rates as 8.1% of students were suspended at least once during the 2019 school year. When looking more closely at the data, 8.1% of Hispanic students were suspended at least once, and 5.3% of white students were suspended at least once. 10.6% of English Learner students were suspended at least once and 13.8% of students with disabilities. While exact numbers and corresponding colors will not be known until a new California Dashboard is released, it is anticipated that Lopez Academy will show a continuing decline in suspension rate for the 19-20 school year as this was the trend prior to the COVID-19 pandemic occurred, leading to distance learning for the final several months of the school year.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All Students Will Achieve High Academic Standards in a Nurturing, Creative Environment that Prepares Students for College and Career Opportunities.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning, including the implementation of Professional Learning Communities
 To provide professional development opportunities for teachers to enhance tier 1 instruction in all classrooms.
 To identify essential standards, create rigorous pacing guides, and administer teacher created common assessments for ELA/Math/Science/Social Studies

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|-----------------------|--|---|
| CAASPP ELA Assessment | <p>Current 6th grade students: 21.5% of students scored "Met Standard" or "Exceeded Standard" based on 2018-2019 CAASPP assessment data.</p> <p>Current 7th grade students: 24.8% of students scored "Met Standard" or "Exceeded Standard" based on 2018-2019 CAASPP assessment data.</p> <p>Current 8th grade students: 20.9% of students scored "Met Standard" or "Exceeded Standard" based on 2018-2019 CAASPP assessment data.</p> | <p>Students will demonstrate sustainable academic growth by moving one or two levels across the different bands in the SBAC. Increase the number of students meeting and exceeding standards. Additional five percent of the students will move from approaching to meeting and or exceeding standards in each grade level.</p> <p>26% of current 6th grade students will score "Met Standard" or "Exceeded Standard" based on 2020-2021 CAASPP assessment.</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------------|--|--|
| | <p>Current 6th grade Dual Language Immersion students: 33.3% scored "Met Standard" or "Exceeded Standard" on the 2018-19 CAASPP ELA assessment</p> <p>Current 7th grade Dual Language Immersion students: 29.5% scored "Met Standard" or "Exceeded Standard" on the 2018-19 CAASPP ELA assessment.</p> <p>Current English Learners: 78.7% of English Learners scored "Standard Not Met" on the 2018-2019 CAASPP ELA Assessment.</p> <p>Current Students with Disabilities: 89.4% of students with disabilities scored "Standard Not Met" on the 2018-2019 CAASPP ELA Assessment.</p> | <p>29% of current 7th grade students will score "Met Standard" or "Exceeded Standard" based on 2020-2021 CAASPP assessment.</p> <p>25% of current 8th grade students will score "Met Standard" or "Exceeded Standard" based on 2020-2021 CAASPP ELA assessment.</p> <p>38% of current 6th grade Dual Language Immersion students will score "Met Standard" or "Exceeded Standard" on the 2020-2021 CAASPP assessment</p> <p>34% of current 7th grade Dual Language Immersion students will score "Met Standard" or "Exceeded Standard" on the 2020-21 CAASPP Assessment</p> <p>The percent of current English Learners scoring "Standard Not Met" will decrease by 10% on the 2020-2021 CAASPP Assessment.</p> <p>The percent of current students with disabilities scoring "Standard Not Met" will decrease by 10% on the 2020-2021 CAASPP Assessment</p> |
| CAASPP Math Assessment | <p>Current 6th grade students: 14.9% of students scored "Met Standard" or "Exceeded Standard" based on 2018-2019 CAASPP assessment data.</p> <p>Current 7th grade students: 12.5% of students scored "Met Standard" or "Exceeded Standard" based on 2018-2019 CAASPP assessment data.</p> | <p>Students will demonstrate sustainable academic growth by moving one or two levels across the different bands in the SBAC. Increase the number of students meeting and exceeding standards. Additional five percent of the students will move from approaching to meeting and or</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------------------------|---|---|
| | <p>Current 8th grade students: 12.5% of students scored "Met Standard" or "Exceeded Standard" based on 2018-2019 CAASPP Math assessment.</p> <p>Current English Learners: 75.7% of English Learners scored "Standard Not Met" on the 2018-2019 CAASPP Math assessment.</p> <p>Current Students with Disabilities: 92.0% of students with disabilities scored "Standard not Met" on the 2018-2019 CAASPP Math assessment</p> | <p>exceeding standards in each grade level</p> <p>19% of current 6th grade students will score "Met Standard" or "Exceeded Standard" based on 2020-2021 CAASPP assessment data.</p> <p>17% of current 7th grade students will score "Met Standard" or "Exceeded Standard" based on 2020-2021 CAASPP assessment data.</p> <p>17% of current 8th grade students will score "Met Standard" or "Exceeded Standard" based on 202--2021 CAASPP assessment data.</p> <p>The percent of current English Learners scoring "Standard Not Met" will decrease by 10% on the 2020-2021 CAASPP assessment.</p> <p>The percent of current students with disabilities scoring "Standard Not Met" will decrease by 10% on the 2020-2021 CAASPP Assessment.</p> |
| <p>STAR 360 Reading Assessment</p> | <p>Current 6th grade students had a Student Growth Percentile (growth relative to academic peers) of 37 based on the most recent fall 2020 administration of the STAR 360 Reading assessment.</p> <p>Current 7th grade students had a Student Growth Percentile (growth relative to academic peers) of 45 based on the most recent fall 2020 administration of the STAR 360 Reading assessment.</p> | <p>Current 6th grade cohort will achieve a Student Growth Percentile of 45 during the 2020-2021 school year on the STAR 360 Reading Assessment.</p> <p>Current 7th grade cohort will achieve a Student Growth Percentile of 53 during the 2020-2021 school year on the STAR 360 Reading Assessment.</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--------------------------|--|---|
| | Current 8th grade students had a Student Growth Percentile (growth relative to academic peers) of 45 based on the most recent fall 2020 administration of the STAR 360 Reading assessment. | Current 8th grade cohort will achieve a Student Growth Percentile of 53 during the 2020-2021 school year on the STAR 360 Reading Assessment. |
| STAR 360 Math Assessment | <p>Current 6th grade students had a Student Growth Percentile (growth relative to academic peers) of 39 based on the most recent fall 2020 administration of the STAR 360 Math assessment.</p> <p>Current 6th grade students had a Student Growth Percentile (growth relative to academic peers) of 37 based on the most recent fall 2020 administration of the STAR 360 Math assessment.</p> <p>Current 6th grade students had a Student Growth Percentile (growth relative to academic peers) of 40 based on the most recent fall 2020 administration of the STAR 360 Math assessment.</p> | <p>Current 6th grade cohort will achieve a Student Growth Percentile of 47 during the 2020-2021 school year on the STAR 360 Math Assessment</p> <p>Current 7th grade cohort will achieve a Student Growth Percentile of 45 during the 2020-2021 school year on the STAR 360 Math Assessment</p> <p>Current 8th grade cohort will achieve a Student Growth Percentile of 45 during the 2020-2021 school year on the STAR 360 Math Assessment</p> |
| ELPAC Assessment | During the 2019-2020 school year, 28 Lopez Academy students were reclassified | Increase English Learner Reclassification rate by at least 5% for the 2020-2021 school year |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Social-Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Provide additional opportunities for teachers to support student progress towards grade level standards through extra hour teacher tutoring, clubs, enrichment, parent trainings, and enrichment.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 14628 | LCFF - Targeted 1000-1999: Certificated Personnel Salaries \$12,000 (salary) \$2,628 (certificated benefits) |
| 18,287 | LCFF - Intervention 1000-1999: Certificated Personnel Salaries \$15,000 (salary) \$3287 (certificated benefits) |
| 18,287 | CSI Funding 1000-1999: Certificated Personnel Salaries \$15,000 (salary) \$3287 (certificated benefits) Student Boot Camps |

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Social-Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Provide substitutes to allow for teacher release time during the regular school day for professional development, conferences, SST, collaboration/ curriculum planning, data analysis, etc. An effort will be made to hold SST/IEP meetings at times that do not require teachers to miss live classes when possible. SST serves as a Tier III support for at-risk students. Funds will also be used to provide district training/support for the Dual Language Program at Lopez Academy.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|-----------|
| 4877 | Title I |

| | |
|-------|---|
| | 1000-1999: Certificated Personnel Salaries \$4000 (salary), \$877 (certificated benefits) |
| 12190 | CSI Funding 1000-1999: Certificated Personnel Salaries \$10,000 (salary), \$2190 (certificated benefits) |

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This activity pertains exclusively to English Learner students at Lopez Academy

Strategy/Activity

Provide an instructional assistant to specifically support English Learner students (including AVID Excel students).

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 12,454 | Title I 2000-2999: Classified Personnel Salaries \$9400 (salary) \$ 3054 (classified benefits) |
| 21,199 | LCFF - Intervention 2000-2999: Classified Personnel Salaries \$16,000 (salary) \$5,199 (classified benefits) |

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Social Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Purchase new high interest reading books for the library with an emphasis on informational texts, but including all genres. Books will be at multiple grade levels to support students at all reading levels and varied interests. Purchased books will include titles in Spanish to support the Dual Language Instruction (DLI) Program at Lopez Academy which will include both 6th and 7th grade cohorts during the 2020-21 school year. . This goal is specifically supporting schoolwide implementation of the Renaissance Reading/Star 360 reading program.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 7500 | Title I 4000-4999: Books And Supplies New books for library |

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Social Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Provide opportunities for conference and professional development for teachers (all content areas)

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 3000 | Title I 5000-5999: Services And Other Operating Expenditures PD/Conferences/Virtual Trainings |
| 25000 | CSI Funding 5000-5999: Services And Other Operating Expenditures PD/Conference/Virtual Trainings |

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This activity pertains exclusively to English Learner students at Lopez Academy

Strategy/Activity

Purchase High Interest/Engagement books for English Learner students (to be utilized exclusively in ELD and AVID Excel classes)

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 3000 | Title III 4000-4999: Books And Supplies Books for ELD/AVID Excel Classes |

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Social Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Instrument Repair to support Lopez Academy Focus on instrumental music

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 1500 | LCFF - Targeted 5000-5999: Services And Other Operating Expenditures Instrument Repair |

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Social Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Provide online subscriptions to educational applications including BrainPop, Newsela,

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|-----------|
|-----------|-----------|

| | |
|------|---|
| 7245 | Title III 5800: Professional/Consulting Services And Operating Expenditures Online Application/Program Licenses *specifically targeted for use with English Learner students |
| 2500 | LCFF - Targeted 5800: Professional/Consulting Services And Operating Expenditures Online Application/Program Licenses |

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Social Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

To pay the cost of publication recharges/Graphics to support in classroom materials, parent communication letters and packets,

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 1500 | LCFF - Targeted 5700-5799: Transfers Of Direct Costs Publications/Graphics |
| 1500 | Discretionary 5700-5799: Transfers Of Direct Costs Publications/Graphics |

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Socio-Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Provide Instructional materials to assist students in meeting the California State Standards and support Lopez focus strands

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 54250 | Title I 4000-4999: Books And Supplies Materials to support all content areas/strands, including instructional materials to support students during distance learning |
| 5062 | Title III 4000-4999: Books And Supplies Instructional Materials exclusively for ELD and AVID Excel courses |
| 10,844 | CSI Funding 4000-4999: Books And Supplies Materials to support implementation of strategies from Teacher Professional Development |
| 8347 | LCFF - Targeted 4000-4999: Books And Supplies Materials to support all content areas/strands, including instructional materials to support students during distance learning |
| 5,000 | CSI Funding 4000-4999: Books And Supplies Instructional Materials for Student "Boot Camps" |
| 30267 | Discretionary 4000-4999: Books And Supplies Materials to support all content areas/strands, including instructional materials to support students during distance learning |
| 5000 | Discretionary 4000-4999: Books And Supplies Front Office Materials/Warehouse Purchases |

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Social Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Provide teacher release time to collaborate to address PLC items like curriculum planning data analysis, lesson planning, unit planning, development of pacing guides, common assessments, etc.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 54860 | CSI Funding 1000-1999: Certificated Personnel Salaries \$45,000 (salary) \$9860 (certificated benefits) Teacher Extra Hours Planning/Curriculum Development |

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Social Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Additional hours support for classified personnel to support the instructional programs

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 5295 | Discretionary 2000-2999: Classified Personnel Salaries \$4,000 (salary) \$1295 (classified benefits) Clerical OT |

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Social Economically Disadvantaged, Foster, Homeless, African-American with an emphasis on students reading below grade level expectations.

Strategy/Activity

Hiring of two Intervention Support Provider (ISP) teachers to lead Literacy focused interventions with students reading below grade level.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

0

District Funded
1000-1999: Certificated Personnel Salaries
Two Intervention Support Providers

Strategy/Activity 18

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 19

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 20

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 21

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 22

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The school site goal for the 2019-2020 school year was "All students will reach high academic standards in reading and mathematics." Because of the COVID-19 CAASPP testing did not take place in the spring. In the previous administration of the CAASPP during the 2018-2019 Lopez Academy students increased the percentage of students scoring "met" or "exceeded" by 5.57% for English-Language Arts .For the 2018-19 CAASPP administration Lopez students students increased by 3.89% in the area of mathematics. In the previous strategies a significant amount of money was dedicated to providing teacher led interventions (before school, after school, boot camps over breaks, etc). These interventions were occurring as planned until after March 13th when school went fully online for the balance of the school year. Furthermore, we do not have CAASPP or ELPAC data to verify the effectiveness of these programs at this point. Student attendance was strong for teacher led interventions, but no other data is able to corroborate the effectiveness of these strategies. In the area of STAR 360, students did not meet the SGP (student growth Percentile) goals that were established in the SPSA. It should be noted that the administration of STAR testing was different at the end of the year since students were not physically on campus. Furthermore, distance learning may have contributed to a lack of progress. The goals for this year will reflect more recent data from this year as the baseline as it is our most recent data points in the area of Star 360 math/reading.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

As previously mentioned, there was a significant focus on teacher led interventions tied to the 2019-2020 student achievement goals. These interventions/tutoring was taking place as planned (before school, after school, boot camps during breaks) until we migrated to full distance learning in March 2020. The manner in which students took the STAR 360 tests changed during the school year as the final administration had to be given virtually, which was not the intention when the goal was created.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

In light of the current distance learning/hybrid model that we are implementing, several changes will be made to this year's goals and plans. Normally we would use previous year data as the baseline for data. For STAR 360, we will be utilizing our most current data from early in this year as our baseline instead of previous year's data. For CAASPP and ELPAC data, we will be utilizing the information available from 18-19 results from our current students. Even in the distance learning environment, an emphasis will be placed on improving and enhancing tier 1 instruction, with virtual teaching best practices in mind. As in previous years amount of money will be set aside to support standards based interventions and tutoring for students that are not currently accessing grade level content, but the format will adjust to a virtual setting which will require an adjustment and reflection from teachers administering the intervention/tutoring. An emphasis will also be placed upon continuing to provide ample time for teachers to collaborate and analyze data through the use of Professional Learning Communities (PLCs) on a regular basis. Core content teachers have an emphasis on creating relevant pacing guides and common assessments that are appropriate for our current distance/hybrid learning models that will be in place this school year. While Lopez Academy is no longer identified as a Comprehensive Support and Improvement (CSI) school, the remaining funding will support continued teacher professional development and increasing the effectiveness of data driven Professional Learning Communities.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn
 To provide resources/support to students that need additional supports during distance learning and/or hybrid school setting
 To provide ample incentives for students to keep them academically and socially engaged in learning, particularly during distance learning and/or hybrid school setting

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--------------------------------|--|---|
| Suspension Data | Suspension Rates for 2018-2019 were 8.64%. No data available for 19-20 at this time | Suspension Rates for 2020-2021 will decrease to 7%. |
| California Healthy Kids Survey | <p>School Climate and Student Well-Being is measured through the California Healthy Kids Survey (administered to 7th graders) and is reported out on the School Climate Report Card</p> <p>The overall school climate index (SCI) for 2018-19 was 269</p> <p>The overall supports and engagement Index for 2018-19 was 241</p> <p>The overall high expectations and caring relationships for 2018-19 was 253</p> | <p>The following Key Indicators will be monitored based on 2020-21 CHKS Administration:</p> <p>The overall supports and engagement index will meet or exceed 250</p> <p>The overall high expectations and caring relationships will meet or exceed 260</p> <p>The overall perceived school safety will meet or exceed 250</p> <p>The overall school connectedness will meet or exceed 250</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|----------------------------------|---|--|
| | <p>The overall perceived school safety for 2018-19 was 237 The overall school connectedness for 2018-19 was 241.</p> <p>Overall scores on the School Climate Report Card range from 100 to 500, with high scores representing more positive school climate.</p> | |
| Attendance Data | <p>2018-2019 attendance data identified attendance as an area for growth. 18.16% of students had Chronic Absenteeism based on 2018-19 attendance data. The overall Average Daily Attendance for the 2018-2019 school year was 94.72%. We do not yet have 2019-20 school year attendance data.</p> | <p>Attendance data for 2020-2021 will be monitored with the following goal:</p> <p>The number of students with Chronic Absenteeism will decrease by 3% to for the 2020-21 school year to 15.16%</p> <p>The overall school wide Average Daily Attendance Percentage will increase to at least 95.5%</p> |
| Panorama Social-Emotional Survey | <p>N/A This will be the first year that students take the Panorama Survey at least three times/year in all three grades</p> | <p>95% of all students will take the Panorama Survey during each testing window. Administrators, Counselors, teachers, and other support personnel will utilize the results to create meaningful interventions and supports for students in need of additional resources.</p> |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Socio-Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Continue implementation of the CHAMPS/PBIS model both in the classroom and throughout the campus, with the PBIS Committee identifying next steps for school-wide CHAMPS and restorative justice models

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

No additional cost

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Socio-Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Implement TUPE curriculum (MSPP and Project Alert) through science classes to improve student knowledge of safe and healthy habits.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

TUPE
None Specified
TUPE Curriculum No additional charge

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Socio-Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Purchase individual and classwide incentive materials (t-shirts, spirit wear, etc) to encourage and incentivize students to stay engaged academically and socially during distance learning/hybrid school setting.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

16,000

LCFF - Targeted
4000-4999: Books And Supplies
Student Incentives

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Socio-Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Counselor extra hours to support students academic and social-emotional well being outside of the school day.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

3657

LCFF - Targeted
1000-1999: Certificated Personnel Salaries
\$3,000 (salary) \$657 (certificated benefits)
Counselor Extra Hours

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Socio-Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Form a collaborative team including certificated, classified, and administrators to develop and implement elements of the yearly School Safety Plan.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 22

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 23

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 24

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 25

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 26

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 27

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 28

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 29

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 30

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 31

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 32

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 33

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 34

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The second goal in Lopez's 19-20 SPSA was, "meeting the social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free, and conducive to learning. The metrics for this goal included baseline goals in the areas of suspension data,

California Healthy Kids Survey, and attendance data. The goal regarding suspension data was to decrease the overall suspension rate to 7% or less. While final suspension data is not available, the school was well below the 7% threshold when we entered into distance learning on March 16th. The California Health Kids survey was not administered last year as it is only required every two years. In its place, the Oxnard School District administered a pilot of the student Panorama Social-Emotional Learning survey to 6th grade students twice, and grade 7 and 8 students once. This year the CHKS will be administered as well as the Panorama Survey.

The overall chronic absenteeism rate for 2019-2020 has not been released, but chronic absenteeism will remain a goal and point of emphasis for this year, particularly with the challenges with attendance during distance learning. Lopez will continue to build on its success to address students' and family's challenges to attend school daily. School staff, including the Outreach Coordinator, School Counselor, Attendance Tech, and administration, will meet regularly to monitor student attendance, identify students at-risk of being identified as chronically absent, and develop and implement appropriate and meaningful supports, services, and incentives to increase students' positive attendance. School staff will provide support to families and will recommend and/or refer students or parents to Ventura County-based social services, counseling, or other community-based services or programs with the intention of offering families support to address barriers which negatively impact student attendance. In order to address our students' social, emotional, and behavioral needs, students are identified through the CST and SST process to receive individual and/or small group counseling services provided by our school counselor.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Implementation of activities in this goal were consistent at Lopez Academy last year. Due to the onset of distance learning in March 2020, data is not currently available to measure official attendance and suspension data. The budget expenditures were consistent with what was planned.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Even though Lopez showed strong growth in both suspension data and school climate, this will remain a focus area. The area of chronic absenteeism will also continue to be a goal area and funding will be dedicated to providing incentives to students for excellent attendance, and for the school to intervene and support students that are chronically absent.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
 To facilitate parent involvement in the educational and social-emotional well-being of their children
 To effectively communicate regularly with parents, including verbal translation as needed for conferences, parent workshops, parent-teacher meetings, etc.
 To provide ongoing parent trainings throughout the school year to assist parents in effectively navigating the challenges of middle school with their student
 To offer parent trainings, particularly in the first trimester of the school year, to support parents during distance/hybrid learning models.
 To regularly produce parent updates (print and video)

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--|---|---|
| Parent Attendance at Fall Conferences | According to teachers, parent attendance at conferences was 90% for 2019-2020 | Maintain or increase the percentage of parents participating in parent conferences for the 2020-2021 school year. |
| Fall Conference Parent Survey (sent out after conferences) | NA-this is the baseline year | At least 85% of parents indicate they feel the fall conferences were an effective tool for school/parent communication regarding their child's academic progress. |
| Average Attendance at site initiated parent trainings | NA-this is the baseline year | Monthly attendance at site led parent training opportunities will be at least 30/month |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|----------------------------|--|---|
| Average Attendance at ELAC | ELAC averaged 15 parents in attendance for the 2019/20 school year | ELAC will maintain or increase attendance to an average of at least 15 parents for the 2020-2021 school year. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Lopez Academy students including English Learners, Migrant, Special Education, Social-Economically Disadvantaged, Foster, Homeless, African-American, and GATE students.

Strategy/Activity

Provide verbal translation as necessary to encourage parent participation on campus, including Back to School Night, Open House, ELAC, SSC, student conferences, and all other opportunities for parent communication.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 29

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 30

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 31

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 32

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 33

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 34

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Goal three in the 2019-20 SPSA stated, "Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth." The activities in this goal were carried out last year including a number of parent workshops, campus tours, updating of student-parent compact. Lopez also continued with student conferences and had a strong turnout. The outreach specialist met frequently with parents to discuss additional wrap-around services and supports for students and families in need. PTA, ELAC, and SSC meetings were held with consistent attendance. Lopez hosted the district wide parent workshop in September with over 150 parents in attendance.

During this school year, we will continue to offer parents a variety of different opportunities to be meaningfully involved with their child's academic and social growth at Lopez Academy. This will include structured meetings like Back to School Night, fall and spring conferences, as well as other parent and family training opportunities. We are committed to making parents feel like they are welcomed and valued on our campus. This also includes regularly communicating with parents about important events and opportunities on our campus and within the Oxnard School District.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

This goal was implemented as planned for the 2019-2020 school year.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Parent participation remains a strong focus area at Lopez and within the Oxnard School District. All of the previous activities will continue, with additional parent opportunities provided for this year. Funding has been set aside for ample verbal translation as necessary for school events, parent workshops, and whenever needed. The school team will continue to post on social media to expose parents and community members to what is happening at Lopez Academy. We have increased our social media presence as we are now on Facebook, Twitter, Instagram, and YouTube. As additional funding becomes available, school site council will continue to explore other strategies to involve parents at Lopez.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

| Description | Amount |
|---|--------------|
| Total Funds Provided to the School Through the Consolidated Application | \$117,818.00 |
| Total Federal Funds Provided to the School from the LEA for CSI | \$150,900.00 |
| Total Funds Budgeted for Strategies to Meet the Goals in the SPSA | \$401,950.00 |

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

| Federal Programs | Allocation (\$) |
|------------------|-----------------|
| CSI Funding | \$126,181.00 |
| Title I | \$82,081.00 |
| Title III | \$15,307.00 |

Subtotal of additional federal funds included for this school: \$223,569.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

| State or Local Programs | Allocation (\$) |
|-------------------------|-----------------|
| | \$0.00 |
| Discretionary | \$55,741.00 |
| District Funded | \$0.00 |
| LCFF - Intervention | \$39,486.00 |
| LCFF - Targeted | \$83,154.00 |
| TUPE | \$0.00 |

Subtotal of state or local funds included for this school: \$178,381.00

Total of federal, state, and/or local funds for this school: \$401,950.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

| Funding Source | Amount | Balance |
|---------------------|--------|---------|
| Title I | 82081 | 0.00 |
| Title III | 15307 | 0.00 |
| LCFF - Targeted | 83154 | 0.00 |
| LCFF - Intervention | 39486 | 0.00 |
| Discretionary | 55741 | 0.00 |

Expenditures by Funding Source

| Funding Source | Amount |
|---------------------|------------|
| | 0.00 |
| CSI Funding | 126,181.00 |
| Discretionary | 55,741.00 |
| District Funded | 0.00 |
| LCFF - Intervention | 39,486.00 |
| LCFF - Targeted | 83,154.00 |
| Title I | 82,081.00 |
| Title III | 15,307.00 |
| TUPE | 0.00 |

Expenditures by Budget Reference and Funding Source

| Budget Reference | Funding Source | Amount |
|--|----------------|-----------|
| | | 0.00 |
| None Specified | | 0.00 |
| 1000-1999: Certificated Personnel Salaries | CSI Funding | 85,337.00 |
| 4000-4999: Books And Supplies | CSI Funding | 15,844.00 |

| | | |
|---|---------------------|-----------|
| 5000-5999: Services And Other Operating Expenditures | CSI Funding | 25,000.00 |
| 2000-2999: Classified Personnel Salaries | Discretionary | 13,900.00 |
| 4000-4999: Books And Supplies | Discretionary | 35,267.00 |
| 5000-5999: Services And Other Operating Expenditures | Discretionary | 5,074.00 |
| 5700-5799: Transfers Of Direct Costs | Discretionary | 1,500.00 |
| 1000-1999: Certificated Personnel Salaries | District Funded | 0.00 |
| 5800: Professional/Consulting Services And Operating Expenditures | District Funded | 0.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Intervention | 18,287.00 |
| 2000-2999: Classified Personnel Salaries | LCFF - Intervention | 21,199.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Targeted | 18,285.00 |
| 2000-2999: Classified Personnel Salaries | LCFF - Targeted | 29,522.00 |
| 4000-4999: Books And Supplies | LCFF - Targeted | 29,847.00 |
| 5000-5999: Services And Other Operating Expenditures | LCFF - Targeted | 1,500.00 |
| 5700-5799: Transfers Of Direct Costs | LCFF - Targeted | 1,500.00 |
| 5800: Professional/Consulting Services And Operating Expenditures | LCFF - Targeted | 2,500.00 |
| 1000-1999: Certificated Personnel Salaries | Title I | 4,877.00 |
| 2000-2999: Classified Personnel Salaries | Title I | 12,454.00 |
| 4000-4999: Books And Supplies | Title I | 61,750.00 |
| 5000-5999: Services And Other Operating Expenditures | Title I | 3,000.00 |
| 4000-4999: Books And Supplies | Title III | 8,062.00 |
| 5800: Professional/Consulting Services And Operating Expenditures | Title III | 7,245.00 |
| None Specified | TUPE | 0.00 |

Expenditures by Goal

| Goal Number | Total Expenditures |
|-------------|--------------------|
| Goal 1 | 371,702.00 |

Goal 2

19,657.00

Goal 3

10,591.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 4 Classroom Teachers
- 1 Other School Staff
- 6 Parent or Community Members

| Name of Members | Role |
|-----------------------|----------------------------|
| Scott Carroll | Principal |
| Bria Singer-Schwarz | Classroom Teacher |
| Dr. Alberto Hananel | Classroom Teacher |
| Lauren Mendez | Classroom Teacher |
| Eric Steiner | Classroom Teacher |
| Kimberlee Ramirez | Other School Staff |
| Jessica Vargas | Parent or Community Member |
| Elizabeth Deal Garcia | Parent or Community Member |
| Lorena Paz | Parent or Community Member |
| Lorena Siquieros | Parent or Community Member |
| Zachary Wentz | Parent or Community Member |
| Maria Bravo | Parent or Community Member |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

| | |
|--|------------------------------------|
| | School Site Council |
| | English Learner Advisory Committee |

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 09/29/2020.

Attested:

| |

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

[Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning Requirements](#)

[Appendix C: Select State and Federal Programs](#)

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE’s Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE’s School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school’s plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**asurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|-------------------------------|-----------------------------------|--|---------------------------|
| Marina West Elementary School | 56725386055347 | October 13, 2020 | November 4, 2020 |

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Marina West School will focus in the area of teaching and learning to successfully meet the needs of all students both on site and through Distance Learning. The staff has been transitioning and dedicating themselves to the full implementation of Common Core State Standards (CCSS) with an emphasis on technology through the implementation of 1:1 devices for all students in grades TK-5; including supporting instructional apps such as Lexia, ST Math, IXL, STAR360, ELA and Math. We will use McGraw Hill, My Math, Worlds of Wonders (TK), Wonders (K-5) and Mystery Science. We are currently implementing the Next Generation Science Standards (NGSS) and Mystery Science Kits. In addition, we implement several intervention programs to support students. These include PALS, SIPPS, Teacher Directed Instruction K-3, Reading Horizons, WonderWorks Systems, DIBELS, and Read Naturally. The teaching staff at Marina West is committed to the process of implementing CCSS and dedicated to higher level thinking and learning for all students. Our teaching staff is collaboratively teaming in the Language Arts and ELD to meet the individual needs of our student population. Teachers focus on data driven instruction, assess students formally to monitor student growth in the core areas and meet to analyze student data results after the monthly assessments to plan instruction and student interventions. Marina West will focus on Positive Behavior Intervention Supports through the use of CHAMPs and MTSS to meet the needs of the whole child including academics, behavior and social/emotional needs. Parents and community members will play an active role in the daily school activities with multiple opportunities to volunteer and participate in the school's educational program. Marina West maintains continual communication with all stakeholders through SSC, ELAC, Title One meetings, Coffee with the

Principal, PTA meetings, monthly informational calendar, ConnectED, PeachJar, marquee messages, and Twitter.

Marina West Mission: At Marina West School, we believe all students deserve an education that incorporates a meaning-centered, integrated curriculum, requiring critical thinking and the use of educational technology in a safe learning environment. We believe students should be actively involved in a respectful, caring, cohesive educational community.

Marina West Vision: At Marina West, we provide a safe and nurturing learning environment where each child and adult is valued and respected in an atmosphere that promotes the attainment of one's academic, social, and emotional potential. It is a place where we work together to develop exemplary character traits and scholarly attributes that all students will need for success in life. We strive for excellence, which is recognized and celebrated on a continual basis.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

During the 2019-2020 school year, Marina West continued to implement Professional Learning Communities and Grade Level Collaboration throughout all grades. Teachers participated in district wide professional development in English Language Arts and Math. There was a focus on Growth Mindset in grades 4-5 with teacher led professional development. This area was observed and focused on during informal walk-throughs by administrators and during collaboration time. As part of the focus, teachers used reading and writing strategies from professional development provided by the Ventura County Office of Education. In the Spring of 2020, students and staff transitioned to Distance Learning but continued to focus on high academic and social emotional achievement. As we move into the 2020-2021 school year, we will also focus on English Language Arts, Mathematics and all content areas during Synchronous and Asynchronous instruction for all students.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

Through grade level collaborations (PLCs), teachers will analyze and interpret data through the use of the following assessment tools to improve student achievement. The following tools will be used:
Star 360 Early Literacy, Star 360 Math and Star 360 Reading
ELPAC
CAASPP
Interim Assessment Blocks (IABs)
Curriculum benchmarks
Writing Assessments

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Teachers meet weekly for Professional Learning Communities (PLC)/Collaboration time. Student progress is monitored via curriculum and STAR360 assessments. Student instructional groups for UA, ELD, and ELA teaming, Tier 1 and Tier 2 interventions are determined for reflection on current instructional strategies and interventions. Data from STAR360, IAB's, and curriculum assessments guide the discussion and need for intervention.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that that all site staff meets requirements to be considered “highly qualified.” This is monitored by the district’s Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors who provide support for Curriculum, Instruction, Biliteracy Programs, English Learner Services, Special Education and Pupil Services. An Instructional Specialist for science and a Math Manager work directly with teachers to support instruction in Science and Math. Site Principals function as instructional leaders.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

All teachers attend monthly collaboration and planning meetings after school on Wednesday. All grade levels (K- 5) team for designated ELD. Grades 1st-5th team for ELA. Several grade levels team for other enrichment opportunities.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

A district funded ISP provides daily reading intervention for Kindergarten through Second grade that have been identified as below grade level in reading. Designated Universal Access time is scheduled for those students who are not meeting benchmark/standards in grades 1st through 5th with designated times that allow for grouping and teaming.

Evidence-based educational practices to raise student achievement

The staff at Marina West will, through Professional Learning Communities, collaborate weekly across grade level teams to analyze data and teaching practices to improve student achievement across all areas.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Parents are invited to participate at Marina West through a variety of educational and advisory opportunities throughout the year. Our School Site Council is made up of 5 parents who have direct input into our SPSA. The English Learner Advisory Committee also provides recommendations to our SSC related to our English Learners to include in the SPSA. Parents are invited to our monthly School Site Council meeting, ELAC meeting, and Coffee with the Principal meetings to stay informed and provide input on programs provided to our students. Our PTA provides parents the opportunity to participate in fundraising opportunities and programs that support the school programs at Marina West. Parent Workshops and trainings (Triple P, Reading and Math Family Nights, STAR 360 Family Night, etc.) are offered throughout the year, as well as encouraging parents to attend our Back to School night, Winter Program, Spring Art Program, and trimesterly awards ceremonies. All parents are invited to at least one parent conference throughout the year.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Marina West will continue to prioritize parent involvement during the 2020-21 school year. Parents, community members, classroom teachers, and other school personnel serve a vital role in guiding the planning, implementation, and evaluation of our Student Plan for Achievement and student success. Parent representatives on the School Site Council, English Language Advisory Committee, and PTA are elected on an annual basis (to fill any vacant positions). School and district-adopted bylaws govern the protocols and decision-making process for each of these committees to ensure annual goals and fiscal spending is centered on student achievement. Throughout the 2020-21 school year, the school staff, community, and governance stakeholder groups will continue to monitor the actions identified to support the SPSA goals and to determine the school's effectiveness of meeting these goals. School Site Council and the English Language Advisory Committee meet monthly to discuss and monitor the school's progress towards meeting the SPSA goals, as well as to review the implementation of supports, programs, and services identified within the SPSA. The Principal will meet with classroom teachers and other school personnel on a bi-weekly basis to analyze and monitor student achievement data in order to improve curriculum, instruction, and assessment.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

The following services will be funded to enable under performing students to meet the standards:

- Kindergarten Paraprofessional Support
- STEAM Lab
- Intervention tutoring - before and after school
- Staff Teaming and Collaboration
- Substitutes for Grade Level Collaborations and SST/IEP meetings
- Librarian
- Intervention Service Provider (ISP)
- Professional Development and Conferences
- ORC Parent Nights

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Parents are partners in their children's educations. We involve and inform them in a variety of ways. There are several parent meetings, such as School Site Council, English Learner Advisory Council, Title 1 Meetings, and "Coffee with the Principal", during which parents receive information and have input into critical decisions. The School Leadership Team and school Principal work together in writing, planning and updating the SPSA. The English Learners Advisory Committee provided input and feedback to the school Leadership Team and SSC during the end of the year meeting in June 2020 and new school year September 2020. School Site Council reviewed and updated the SPSA before approving the SPSA at its October 2020 meeting. Constant review of district data through STAR 360 and CAASPP results were used in guiding the direction and allocation of funds to support student success.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

The inequities identified as a result of the required needs assessments were:

- Abolishment of Tech Support
- One ISP as compared to two from 2020-2021 school year
- Substitute Shortage
- Abolishment of Office Assistant
- Reduction in Campus Supervisor hours

School and Student Performance Data

Student Enrollment Enrollment By Student Group

| Student Enrollment by Subgroup | | | | | | |
|--------------------------------|-----------------------|-------|--------|--------------------|-------|-------|
| Student Group | Percent of Enrollment | | | Number of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| American Indian | % | % | 0% | | | 0 |
| African American | 4.05% | % | 2.67% | 25 | | 15 |
| Asian | 0.49% | % | 0% | 3 | | 0 |
| Filipino | 0.81% | % | 0.36% | 5 | | 2 |
| Hispanic/Latino | 89.48% | % | 91.81% | 553 | | 516 |
| Pacific Islander | 0.16% | % | 0.18% | 1 | | 1 |
| White | 4.21% | % | 3.74% | 26 | | 21 |
| Multiple/No Response | % | % | 1.25% | | | 0 |
| Total Enrollment | | | | 618 | | 562 |

Student Enrollment Enrollment By Grade Level

| Student Enrollment by Grade Level | | | |
|-----------------------------------|--------------------|-------|-------|
| Grade | Number of Students | | |
| | 17-18 | 18-19 | 19-20 |
| Kindergarten | 127 | | 101 |
| Grade 1 | 104 | | 81 |
| Grade 2 | 111 | | 101 |
| Grade3 | 94 | | 88 |
| Grade 4 | 78 | | 105 |
| Grade 5 | 104 | | 86 |
| Total Enrollment | 618 | | 562 |

Conclusions based on this data:

Based on the above data, we have noticed a decrease in enrollment in Kinder, 1st, 2nd, 3rd, and 5th Grades from the previous year with 4th Grade staying nearly the same for the 2019-2020 school year. Student enrollment decreased due to program choices offered at school sites and transitioning from a TBE/SEI instructional program to an SEI only program. High cost of living in our county/community also affected our enrollment. Our African-American population stayed the same as the previous year. At Marina West, we will focus on providing services to all our sub-groups even though they do not qualify as a significant sub-group on the CAASPP Dashboard. All sub-groups will be served through intervention in Tier 1 in the classroom by the classroom teacher. The use of Intervention Service Provider (ISP) will provide Tier 2 intervention to all sub-groups based on STAR360 data. Our Outreach Coordinator will help ensure attendance by monitoring student attendance and focusing on our sub-group attendance.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

| English Learner (EL) Enrollment | | | | | | |
|---|--------------------|-------|-------|---------------------|-------|-------|
| Student Group | Number of Students | | | Percent of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| English Learners | | | 259 | | | 46.1% |
| Fluent English Proficient (FEP) | | | 59 | | | 10.5% |
| Reclassified Fluent English Proficient (RFEP) | | | 50 | | | 16.4% |

Conclusions based on this data:

Marina West had an increase in the number of students being reclassified compared to the previous school year. We will be monitoring reclassification as new requirements are being implemented for the 2019-2020 school year. There is a new requirement of scoring a 4 on ELPAC, in addition to demonstrating proficiency on either the CAASPP ELA or STAR360 assessment. We will continue to use Title III funds to provide after-school tutoring to English Learners to help maintain and increase student achievement.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

| Overall Participation for All Students | | | | | | | | | | | | |

Conclusions based on this data:

Due to school closures, the CAASPP assessment was not administered in the Spring of 2020. The current data reflect the previous school year. Marina West's data shows that we have made progress in decreasing the percentage of students not meeting state standards from 55.56% in 2017-2018 to 50.3% for the 2018-2019 school year, a gain of 5.26% of students scoring better overall. We have baseline data that shows that students are increasing in performing at or above grade level standards as they progress through the grades. Our ELA CAASPP cohort preliminary data shows that 27% of 3rd Grade students scored in the Met or Exceeded, a drop of 4% from the previous year. Our 4th Grade cohort data shows an increase from 14% in 2017-2018 to 16% in 2018-2019 school year, a growth of 2%. Our 5th Grade cohort data shows an increase from 19% in 2017-2018 to 26% in 2018-2019, an increase of 7% of students meeting. Our percentage of students taking the CAASPP has remained nearly the same with over 99% of students taking the CAASPP. The drop can be attributed to our focus in Math and implementing Math Growth Mindset for the 2018-2019 school year as compared to a Language Arts focus for the 2017-2018 school year. or the 2019-2020 school year, we plan on addressing both Language Arts and Math by using writing across content areas to increase rigor and improve understanding.

Conclusions based on this data:

Due to school closures, the CAASPP assessment was not administered in the Spring of 2020. Marina West's data shows that we have made progress in decreasing the percentage of students not meeting state standards from 57.71% in 2017-2018 to 44.9% for the 2018-2019 school year, a gain of 12.8% of students scoring better overall. We have baseline data that shows that students are increasing in performing at or above grade level standards increasing as they progress through the grades. Our Math CAASPP cohort preliminary data shows an increase in the number of students that scored Met or Exceeded in 3rd Grade from 20% in 2017-2018 to 35% in 2018-2019, an increase of 15%. Our 4th Grade cohort data shows a decrease from 10% in 2017-2018 to 9% in 2018-2019 school year, a decrease of 1%. Our 5th Grade cohort data shows an increase from 9% in 2017-2018 to 14% in 2018-2019, an increase of 5% of students meeting. Our percentage of students taking the CAASPP has remained nearly the same with over 99% of students taking the CAASPP. The increase can be attributed to our focus in Math and implementing Math Growth Mindset for the 2018-2019 school year. For the 2019-2020 school year, we plan on addressing both Language Arts and Math by using writing across content areas to increase rigor and improve understanding. Our goal is to continue to make growth across all sub-groups.

| Total Enrollment | Socioeconomically Disadvantaged | English Learners | Foster Youth |
| 595 | 80.2 | 51.1 | 0.3 |

This is the total number of students enrolled.

This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

This is the percent of students whose well-being is the responsibility of a court.

| 2018-19 Enrollment for All Students/Student Group | | |
|---|-------|------------|
| Student Group | Total | Percentage |
| English Learners | 304 | 51.1 |
| Foster Youth | 2 | 0.3 |
| Homeless | 14 | 2.4 |
| Socioeconomically Disadvantaged | 477 | 80.2 |
| Students with Disabilities | 95 | 16.0 |

| Enrollment by Race/Ethnicity | | |
|------------------------------|-------|------------|
| Student Group | Total | Percentage |
| African American | 20 | 3.4 |
| Asian | 1 | 0.2 |
| Filipino | 5 | 0.8 |
| Hispanic | 539 | 90.6 |
| Two or More Races | 6 | 1.0 |
| Pacific Islander | 2 | 0.3 |
| White | 22 | 3.7 |

Conclusions based on this data:

The majority of our students at Marina West School are socio-economically disadvantaged, with over half being English Language Learners. There has been an increase in our population of students with disabilities. Although our African-American and White sub-groups are not considered a significant sub-group on the CAASPP Dashboard reporting system, we at Marina West continue to focus on the needs of these students. We will be focusing on first instruction by teachers, Tier 1 intervention delivered by the classroom teacher, and Tier 2 intervention in small group delivered by the Intervention Service Provider. All students' data will be taken into consideration when addressing student needs and sub-groups. Small group instruction will be based on teacher and STAR360 assessment data and will be reviewed and discussed at bi-monthly PLC/ Collaboration meetings. We will also use Title III funds to help provide after-school intervention to our English Learner population.

School and Student Performance Data

Overall Performance

2019 Fall Dashboard Overall Performance for All Students

| Academic Performance | Academic Engagement | Conditions & Climate |
|---|--|---|
| <p data-bbox="186 426 479 457">English Language Arts</p>  <p data-bbox="293 506 371 533">Yellow</p> | <p data-bbox="673 426 950 457">Chronic Absenteeism</p>  <p data-bbox="784 506 836 533">Red</p> | <p data-bbox="1182 426 1398 457">Suspension Rate</p>  <p data-bbox="1263 506 1318 533">Blue</p> |
| <p data-bbox="253 623 412 655">Mathematics</p>  <p data-bbox="293 703 371 730">Yellow</p> | | |

Conclusions based on this data:

Based on the data for 2018-2019, Marina West has had a slight increase in Overall Student Performance. In Language Arts, Marina West students had an increase of 9.6 points. In Math, Marina West students had an increase of 5.1 points. Our Suspension Rate and Chronic Absenteeism has seen close to no change. As part of our goals, we look forward to decreasing Suspension Rates and Chronic Absenteeism. We will be focusing on first instruction in Language Arts and Math by teachers and English Language Development will focus on student learning and oracy. Tier 1 intervention in Language Arts and Math will be delivered by the classroom teacher in all grades. Tier 2 intervention for Grades 1-5 will be in a small group delivered by the Intervention Service Provider with research based materials and guidance by the classroom teacher. All students assessment data will be taken into consideration when addressing student needs and sub-groups. STAR360 assessment data and will be reviewed and discussed at bi-monthly PLC/ Collaboration meetings. We will also use Title III funds to help provide after-school intervention to our English Learner population.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard English Language Arts Performance for All Students/Student Group | | |
|---|--|--|
| <p>All Students</p>  Yellow 60.4 points below standard Increased ++10.7 points 266 | <p>English Learners</p>  Yellow 66 points below standard Increased ++8.4 points 161 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |
| <p>Homeless</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 | <p>Socioeconomically Disadvantaged</p>  Yellow 63.7 points below standard Increased ++12.2 points 221 | <p>Students with Disabilities</p>  Orange 141.5 points below standard Increased Significantly ++33.9 points 54 |

2019 Fall Dashboard English Language Arts Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 |  No Performance Color 0 Students |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 63.2 points below standard Increased ++9.7 points 246 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |  No Performance Color 0 Students |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 |

This section provides a view of Student Assessment Results and other aspects of this school’s performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|---|--|---|
| 103.3 points below standard Declined -8.2 points 83 | 26.4 points below standard Increased Significantly ++19.1 points 78 | 51.6 points below standard Increased Significantly ++16.5 points 103 |

Conclusions based on this data:

The Dashboard Data shows that most of our subgroups have shown an increase in performance as compared to the previous year with the exception of Students with Disabilities and Reclassified English Learners. Our English Learners and Socioeconomically Disadvantaged students showed a higher increase in points as compared to that of our over All Students. Our English Only students scored nearly the same as our students in the All Students dashboard. The drop of our Reclassified English Learners can be attributed to them not attending Designated ELD and our focus in Math and implementing Math Growth Mindset for the 2018-2019 school year as compared to a Language Arts focus for the 2017-2018 school year. In 2018-2019, we also used Title III funds to focus on non-reclassified English Learners through targeted after-school tutoring. We will continue to provide target interventions to our English Learners and include recently Reclassified English Learners to be supported with Title III funds. We will also continue to provide targeted intervention during the school day by teacher, during Tier 1 (Universal Access) and Tier 2 (ISP) throughout the day and focus on all our subgroups.

School and Student Performance Data

Academic Performance Mathematics

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard Mathematics Performance for All Students/Student Group | | |
|--|---|--|
| <p>All Students</p>  Yellow 67.5 points below standard Increased ++12.9 points 266 | <p>English Learners</p>  Yellow 68.1 points below standard Increased Significantly ++18.3 points 161 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |
| <p>Homeless</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 | <p>Socioeconomically Disadvantaged</p>  Yellow 70.5 points below standard Increased ++14.3 points 221 | <p>Students with Disabilities</p>  Orange 151.1 points below standard Increased Significantly ++23.7 points 54 |

2019 Fall Dashboard Mathematics Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 69 points below standard Increased ++12.1 points 246 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard Mathematics Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|---|--|---|
| 98 points below standard Maintained ++0.1 points 83 | 36.3 points below standard Increased Significantly ++33.7 points 78 | 66.7 points below standard Increased ++6.1 points 103 |

Conclusions based on this data:

Our English Learners and Socioeconomically Disadvantaged students have shown an increase in Math Performance, while our Students with Disabilities maintained their performance. All other subgroups, though not considered significant on the dashboard, will continue to receive targeted instruction in mathematics through focus on 1st instruction and targeted interventions based on assessment data. In 2018-2019, we also used Title III funds to focus on non-reclassified English Learners through targeted after-school tutoring. We will continue to provide targeted interventions to our English Learners and include recently Reclassified English Learners with Title III funds. We will also continue to provide targeted intervention during the school day by teacher, during Tier 1 (Universal Access) and Tier 2 (ISP) throughout the day and focus on all our subgroups. Our focus for the 2020-2021 school year will be to use writing in math with an emphasis on student learning.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2019 Fall Dashboard Student English Language Acquisition Results

| Decreased One ELPI Level | Maintained ELPI Level 1, 2L, 2H, 3L, or 3H | Maintained ELPI Level 4 | Progressed At Least One ELPI Level |
|--------------------------|--|-------------------------|------------------------------------|
| 18.4 | 38.4 | 2.5 | 40.5 |

Conclusions based on this data:

Based on the data provided, at Marina West, 65% of students tested scored in the Level 3 or 4 on the ELPAC. This data is disaggregated and used in providing ELD instruction to students based on need during ELD time. Our focus during designated ELD will be on student learning and writing. Along with targeted instruction and interventions through-out the school day, we will continue to provide targeted interventions to our English Learners during after-school tutoring with Title III funds

School and Student Performance Data

Academic Performance College/Career

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information on the percentage of high school graduates who are placed in the "Prepared" level on the College/Career Indicator.

| 2019 Fall Dashboard College/Career for All Students/Student Group | | |

School and Student Performance Data

Academic Engagement Chronic Absenteeism

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

| 2019 Fall Dashboard Chronic Absenteeism for All Students/Student Group | | |
|--|---|---|
| <p>All Students</p>  <p>Red</p> <p>15</p> <p>Increased Significantly +4.2</p> <p>627</p> | <p>English Learners</p>  <p>Red</p> <p>10.5</p> <p>Increased Significantly +4.5</p> <p>323</p> | <p>Foster Youth</p>  <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>4</p> |
| <p>Homeless</p>  <p>No Performance Color</p> <p>14.3</p> <p>Declined -12</p> <p>21</p> | <p>Socioeconomically Disadvantaged</p>  <p>Red</p> <p>15</p> <p>Increased Significantly +4.7</p> <p>519</p> | <p>Students with Disabilities</p>  <p>Red</p> <p>24.6</p> <p>Increased +10.2</p> <p>134</p> |

2019 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color 14.3 Increased +14.3 21 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Red 13.9 Increased Significantly +3.4 569 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 6 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |  No Performance Color 21.7 Increased +4.5 23 |

Conclusions based on this data:

The data above shows that Marina West had an overall Chronic Absenteeism of 10.8%. Of our significant sub-groups, our Hispanic, English Learners and Socioeconomically Disadvantaged were lower and our Students with Disabilities was higher. Our White sub-group, even though it is not a significant sub-group, had the highest percentage with 17.2% chronically absent. We have implemented new goals for reducing Chronic Absenteeism by 3%. Our Outreach Specialist and Attendance Tech will implement a reward system for students with high absenteeism. We will continue to conduct attendance meetings with parents to discuss the importance of daily student attendance.

School and Student Performance Data

Academic Engagement Graduation Rate

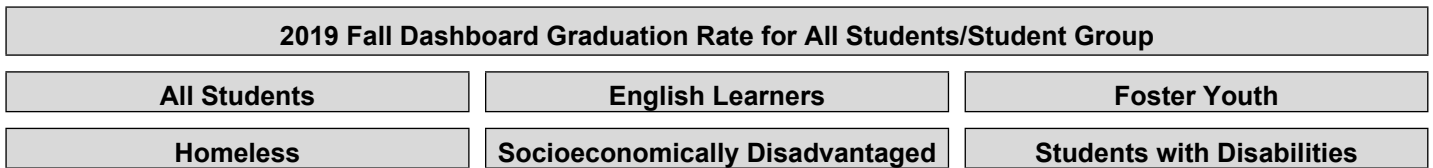

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

2019 Fall Dashboard Suspension Rate by Year

| 2017 | 2018 | 2019 |
|------|------|------|
| | 2.2 | 0.3 |

Conclusions based on this data:

The dashboard data for Suspension Rate for All Students and sub-groups shows that we have maintained in the area of suspensions with the exception of Students with Disabilities. We will continue to implement PBIS and CHAMPS in the 2020-2021 school year. Our goal of continued implementation of PBIS and CHAMPS should reduce the suspension rates of all students and sub-groups. Our PBIS /CHAMPS team will continue to review student expectations through grade level assemblies held by the Principal and in class presentations delivered by our school counselor.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All students will reach high academic standards in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|-----------------------|---|--|

Complete a copy of the Strategy/Activity table for each of the school’s strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students.

Strategy/Activity

1. The school will ensure the full implementation of the State approved Language Arts curriculum. The administrator will visit classrooms during informal class visits and also monitor language arts

instruction through formal classroom observations. The Educational Services Department will provide district based support on the curriculum and Common Core State Standards for language arts.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | District Funded 1000-1999: Certificated Personnel Salaries Certificated Salaries: Professional Development |
| 0 | District Funded 4000-4999: Books And Supplies Adopted Curriculum |
| 0 | District Funded 5800: Professional/Consulting Services And Operating Expenditures Professional Development |

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students.

Strategy/Activity

2. The school will ensure the full implementation of the State approved Math curriculum. The administrator will visit classrooms during informal class visits and also monitor math instruction through formal classroom observations. The Educational Services Department will provide district based support on the curriculum and Common Core State Standards for mathematics.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Transition for students entering Kindergarten and exiting 5th grade

Strategy/Activity

Transition day will be schedule for students entering kindergarten and exiting 5th grade. Teachers will coordinate to provide an adequate transitional day for students

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | Title I 4000-4999: Books And Supplies No additional cost |
| 0 | Title I 1000-1999: Certificated Personnel Salaries No additional cost |

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

7. Provide materials and supplies to all TK-5th Grade classes to support the base instructional program, supplemental programs, ELD, reading support and interventions.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 3710 | Discretionary 4000-4999: Books And Supplies Materials and Supplies |
| 15000 | Title I 4000-4999: Books And Supplies Materials and Supplies |
| 5000 | Title I 4000-4999: Books And Supplies Warehouse Charges |
| 140 | Discretionary 4000-4999: Books And Supplies Warehouse Charges |
| 12162 | LCFF - Targeted 4000-4999: Books And Supplies |

Strategy/Activity 8**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

8. Principal will conduct Language Arts and Math data conferences with teachers at least three times a year to discuss Language Arts, Math, and ELD assessment results.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | Discretionary 1000-1999: Certificated Personnel Salaries Sub Cost |
| 0 | LCFF - Targeted 1000-1999: Certificated Personnel Salaries Sub Cost |
| 0 | Discretionary 3000-3999: Employee Benefits Certificated Benefits |
| 0 | LCFF - Targeted 3000-3999: Employee Benefits Certificated Benefits |

Strategy/Activity 9**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

9. Staff will review, evaluate, and analyze results from district and state assessments in Language Arts and Math. The data will be used to inform instructional decisions for all students in Language Arts, Math, and ELD.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | Title I 1000-1999: Certificated Personnel Salaries No cost Collaboration is built into Distance Learning Schedule |
| 0 | Title I 3000-3999: Employee Benefits Certificated Benefits |

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners, SED, Foster, Homeless, Migrant

Strategy/Activity

10. Implement the district adopted Wonders ELD curriculum. Provide professional development for teachers to support ELD instruction.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 0 | Title I 4000-4999: Books And Supplies No additional cost |

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Special Education Students

Strategy/Activity

11. Students in Sped programs will utilize Ellevate, Reading Horizons and Discovery for direct instruction and independent practice to address their IEP needs

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

1000-1999: Certificated Personnel Salaries
No additional cost

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

14. Support our strand focus in Creative Art and Environmental Science integration through the use of our Foss Science Kits, STEAM Lab, and use of Artist in the Classroom provided by the ASP.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | LCFF - Targeted 4000-4999: Books And Supplies Materials and Supplies- K-5 strand focus |
| 0 | LCFF - Targeted 4000-4999: Books And Supplies Materials and Supplies- no additional cost (See Goal 1 Action 7) |
| 0 | ASES 2000-2999: Classified Personnel Salaries After School Program will continue to support the Art Strand through guided activities. |
| 0 | ASES 2000-2999: Classified Personnel Salaries After School Liaison will help improve communication between the Art program during the school day and the ASP program. |

Strategy/Activity 15

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners, SED, Foster, African-American, GATE, Homeless, Migrant

Strategy/Activity

15. Provide additional targeted in-school support for all students through the use of District Provided Intervention Service Providers(K-2) and an additional site funded ISP (3-5) in the areas of Language Arts. STAR 360 Data will be used to target the urgent and intervention students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 25000 | LCFF - Intervention 1000-1999: Certificated Personnel Salaries Intervention Service Provider |
| 5477 | LCFF - Intervention 3000-3999: Employee Benefits Certificated Benefits |

Strategy/Activity 16

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Students in grades K-2

Strategy/Activity

16. Teachers will provide necessary interventions for targeted services for students in grades K-5. ISP will also provide necessary interventions in English Language Arts for students in grades K-2. Para-educator to provide services to K-1 f daily in ELA and Math. Teachers will tutor and offer support to students in grades K-5

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | LCFF - Targeted 2000-2999: Classified Personnel Salaries ORC Extra Hours-no additional cost in Goal 3 |
| 0 | District Funded 1000-1999: Certificated Personnel Salaries Intervention Service Provider-no additional cost |
| 4000 | Discretionary 2000-2999: Classified Personnel Salaries Classified Extra Help |
| 1295 | Discretionary 3000-3999: Employee Benefits Classified benefits |

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students.

Strategy/Activity

17. The grade level representative and Principal will support teachers with the implementation of learning management systems (Google Docs, Class Dojo, Nearpod, IXL etc) to facilitate parent communication on student academic progress.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Throughout the 2020-2021 school year, Marina West will focus on building rigor across all grade levels, while scaffolding instruction and providing intervention to students to achieve grade level standards. Teachers will concentrate on building and implementing writing across all content areas to promote critical thinking and better prepare them to meet district and state-wide assessments. Our teachers will also focus on Math Mindset strategies to improve reasoning skills.

At Marina West, we will work as grade level teams during Professional Learning Community/ Collaboration time on a bi-monthly basis, to discuss and analyze student data from formative (STAR360 Early Literacy, STAR360 Reading, STAR360 Math, Interim Assessment Blocks, ELD assessments, teacher created assessments, and curriculum embedded assessments) and summative (CAASPP, ELPAC) assessments to monitor student progress and achievement. Student data will be used to guide and modify instruction and intervention provided to all students to ensure access to the Common Core State Standards. Ongoing monitoring of student data will also enable grade levels to identify students in need of intensive, research based interventions that can be provided by the classroom teacher, K-2 Reading Specialist, and or ISP during grade specific Universal Access time (asynchronous).

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No major differences were identified in order to implement the strategies. Marina West will continue to focus on building strong academic foundations for all students. As a staff, we will discuss instructional strategies through our collaboration (PLC) process.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

An analysis of our 2020-2021 SPSA and school assessment data resulted in the need for improved evidence-based instruction and collaboration amongst teachers. We also will implement an increased number of common formative assessments to closely progress monitor student success with an emphasis on writing across all content areas and continuing to implement the Math Growth Mindset to continue to promote critical thinking skills. Instruction will be based on data utilizing backwards planning.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--------------------------------|---|--|
| Suspension Data | Suspension Rate for 2019-2020 less than 1% | Suspension Rate for the 2020-2021 school year will be less than 1.0%. |
| California Healthy Kids Survey | School Climate and Student Well-Being is measured through the California Healthy Kids Survey. The following Key Indicators are based on 2018-2019 CHKS data: 86% of students feel safe at school 80% of students report high levels of personal school contentedness. 89% of students report high levels of high expectations from a teacher or other adult at their school. | The following Key Indicators will be monitored based on 2019-2020 CHKS data: The number of students feeling safe at school will increase by 10% to 96%. The number of students reporting high levels of personal school contentedness will increase by 10% to 90%. The number of students reporting high levels of high expectations from a teacher or other adult at their school. will decrease by 6% to 95%. |
| Attendance Data | 2019-2020 attendance data identified attendance as an area for growth. | Attendance data for 2020-2021 will be monitored with the following goals: The number of students with Chronic Absenteeism will |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|--|--|
| | 11% of students had Chronic Absenteeism based on 2018-2019 attendance data. 18 students referred to the School Attendance Review Board (SARB) in the 2018-2019. | decrease by 3% to 8% based on 2019-2020 attendance data. The number of students referred to SARB in 2018-2019 will decrease to 10. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

1. Continue the implementation of PBIS/CHAMPS model throughout the school. The PBIS Committee will identify next steps of implementation.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Throughout the 2020-2021 school year, Marina West will continue to build on our PBIS/CHAMPS process by continuing to implement a school-wide behavior and school climate program. Our program will emphasis a proactive and positive behavior management program that will help address behavior before it occurs, collect data on student behavior and needs, and implement interventions. Teachers will focus on implementing CHAMPS strategies throughout their

classrooms to establish clear expectations for students while promoting a caring and safe environment while keeping students highly motivated. Teachers will capture engagement during distance learning and communication to support staff the need for assistance with navigating distance learning for synchronous and asynchronous instruction.

Within our PBIS Committee, school level representatives will collaborate at monthly meetings and review student discipline data and provide feedback and suggestions to stakeholders to improve student responsibility and safety.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No major differences were noticed. In reviewing the California Healthy Kids Survey (CHKS) administered in 2018-2019, Marina West saw a positive increase in student connectedness and positive behavior. We will continue to focus on systematically improving our CHAMPS procedures throughout the school setting.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Analysis of our CHKS for the 2018-2019 school year resulted in a need to improve High Parent Expectation and Parent Connectedness. At Marina West, we will provide parent professional development opportunities through Parent Nights with focus on student achievement.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|--|--|
| EL Needs Assessment Survey | Parents requested Parent Professional Development nights on topics to include: Literacy, Math, Parent Participation. | Data from Parent Needs Survey will help in planning Parent Nights for the 2020-2021 school year. |
| ELAC Attendance | Based on Sign-In Rosters, average attendance at 2019-2020 meetings was 5. | Attendance to ELAC Meetings will increase to 30 based on 2020-2021 Sign-In rosters. |
| Parent Attendance at Fall Conferences | 84% of Parents attended Parent Conferences. | Parent attendance at Fall Conferences will increase to 90%. |
| Parent Attendance at Back to School Night | 2019-2020 Parent Attendance for Back to School night was 60% . | Parent attendance at Back to School Night will increase to 68% for 2020-2021. Goal met from 60% |
| Parent Workshops | An average of 13 Parents attended Parent Workshops. | Parent attendance at Parent Workshops will increase to an average of 20 parents. |
| SSC Attendance | Five parents serve on the board with five staff members | 80% attendance to all meetings |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

1. ORC will organize and staff will provide workshops for parents that will increase parent participation, (i.e. Triple P, Oxnard PD gang presentations, academic presentations by teachers, etc.), increase attendance (incentives), increase student and parent connectedness. ORC will also connect with parents to support school programs such as CANVAS and Lexia.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 3000 | LCFF - Intervention 1000-1999: Certificated Personnel Salaries Other Classified- Outreach |
| 972 | LCFF - Intervention 3000-3999: Employee Benefits Classified Benefits |
| 0 | LCFF - Targeted 4000-4999: Books And Supplies Materials and Supplies-no additional cost |

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

3. Support staff and Principal will support teachers in documenting instructional events for the website or events/important information taking place at Marina West.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Throughout the 2020-2021 school year, Marina West will focus on increasing Parent Engagement and attendance across all school meetings and forums. Parents are encouraged to attend, participate, and be part of our School Site Council, ELAC, PTA, and Coffee with the Principal monthly meetings to increase their understanding and involvement in school activities and functions. Families are an integral part of student success, at Marina West, we value their input and continued support in student achievement and providing opportunities for parents to participate in a variety of meetings and settings will help increase student success. We will also provide a variety of Parent Nights that focus not only on academics, but also attendance and social emotional support for families.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No major differences were identified. At Marina West, we had a slight increase in the number of parents attending monthly meetings and Parent Nights. We will continue to focus on increasing parent participation and attendance at our meetings and events to increase parent connectedness. Additional funding was set aside for verbal and written translations for teachers for virtual/on campus support.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

An Analysis of the 2020-2021 sign-in sheets for parent meetings resulted in a slight increase in parent participation at school meetings with a higher number of parents attending Family Nights.

We will continue to implement strategies and communication (Monthly Calendar, PeachJar, Calls home, Parent Leaders) to help increase parent participation.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

| Description | Amount |
|---|--------------|
| Total Funds Provided to the School Through the Consolidated Application | \$75,280.00 |
| Total Federal Funds Provided to the School from the LEA for CSI | \$0 |
| Total Funds Budgeted for Strategies to Meet the Goals in the SPSA | \$181,354.00 |

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

| Federal Programs | Amount (\$) |
|------------------|-------------|
| Title I | \$51,040.00 |
| Title III | \$15,190.00 |

Subtotal of additional federal funds included for this school: \$66,230.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

| State or Local Programs | Amount (\$) |
|-------------------------|-------------|
| ASES | \$0.00 |
| Centralized Services | \$0.00 |
| Discretionary | \$36,364.00 |
| District Funded | \$0.00 |
| Donation | \$500.00 |
| LCFF - Intervention | \$39,130.00 |
| LCFF - Targeted | \$39,130.00 |

Subtotal of state or local funds included for this school: \$115,124.00

Total of federal, state, and/or local funds for this school: \$181,354.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

| Funding Source | Amount | Balance |
|---------------------|----------|---------|
| Discretionary | 36364.00 | 0.00 |
| Title I | 51040.00 | 0.00 |
| Title III | 15190.00 | 0.00 |
| LCFF - Targeted | 39130.00 | 0.00 |
| LCFF - Intervention | 39130.00 | 0.00 |

Expenditures by Funding Source

| Funding Source | Amount |
|----------------------|-----------|
| ASES | 0.00 |
| Centralized Services | 0.00 |
| Discretionary | 36,364.00 |
| District Funded | 0.00 |
| Donation | 500.00 |
| LCFF - Intervention | 39,130.00 |
| LCFF - Targeted | 39,130.00 |
| Title I | 51,040.00 |
| Title III | 15,190.00 |

Expenditures by Budget Reference and Funding Source

| Budget Reference | Funding Source | Amount |
|--|----------------------|--------|

Expenditures by Goal

| Goal Number | Total Expenditures |
|-------------|--------------------|
| Goal 1 | 136,646.00 |
| Goal 2 | 29,221.00 |
| Goal 3 | 15,487.00 |

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members
- 0 Secondary Students

| Name of Members | Role |
|-----------------------|----------------------------|
| Confidence Johnson | Principal |
| Ashley Wright | Parent or Community Member |
| Wil Gomez | Parent or Community Member |
| Leticia Ceja | Parent or Community Member |
| Alejandra Flores | Parent or Community Member |
| Janet Arroyo | Parent or Community Member |
| Esther Vargas | Classroom Teacher |
| Rebecca Meza Williams | Classroom Teacher |
| Lisa Baird Mayeda | Classroom Teacher |
| Reyna Moreno | Other School Staff |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

School Site Council

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 10/13/2020.

Attested:

Principal, Confidence Johnson on October 13, 2020

SSC Chairperson, Lisa Baird-Mayeda on October 13, 2020

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019

School Year: 2020-21

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|------------------------------|-----------------------------------|--|---------------------------|
| Thurgood Marshall K-8 School | 56725380100362 | October 9, 2020 | November 4, 2020 |

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Marshall TK-8 is the Academy of Visual and Performing Arts that focuses on SEI instruction. Marshall's mission is to inspire students to reach their highest potential. Marshall's vision is to create and maintain a culture of success. Through the mediums of technology, visual and performing arts we inspire students to reach their highest potential and become leaders in their community.

Marshall staff provide an environment that fosters support for all students in TK-8th grade. Our special programs include Deaf and Hard of Hearing, and the Children's Academy of Listening, Language and Learning, and Visually Impaired. Marshall School just completed the full transition into a TK-8 school site. This will be the first year that Marshall will have its first promoting 8th-grade class.

The focus at Thurgood Marshall School is optimal student learning for every student. Our instructional staff regularly reflect on best practices to monitor student progress and plan instruction. We collaborate to align instruction to the Common Core Standards for all subject areas. The staff reference district assessment timelines to ensure that curricular areas are covered in a timely manner and that all children are engaged in learning. The Administrators monitor instruction through regular classroom visitations and student monitoring conferences with individual teachers and grade

levels. This year due to distance learning, Marshall will have the support of four ISP teachers to help support instruction in the areas of Language Arts and Math.

Thurgood Marshall School staff are proficient at using data to guide their teaching and student learning with ongoing progress monitoring data of individual students. Throughout the year, teachers participate in regularly scheduled staff development. Grade level teams collaborate on the essential standards in language arts, mathematics, and English Language Development (ELD). Teachers share grade-level data to plan lessons that embed instructional strategies and differentiate for students' individual needs. PLC teams analyze data from the district and school-based assessments. Summative and formative data analysis allows teachers, parents, and students to monitor progress toward academic goals, determine which strategies and interventions are working, identify when students need intervention, and target specific needs of individual students.

Marshall's goal for the 2020-2021 year is to focus on student-centered instruction that allows for rigorous questioning and opportunities for writing across the curriculum. Marshall intends to focus on collaboration to help shift the teaching pedagogy by focusing on data-driven and standards-based instruction while continuing to incorporate twenty-first-century learning skills. For targeted students, specific interventions and in-class interventions are offered. The CST/SST Team continues to implement and refine the Multi Tiered System of Supports (MTSS) model. Marshall conducts regular Coordinated Services Team (CST) and Student Success Team (SST) meetings with a panel of staff members to address the needs of at-risk students.

English Language Development instruction is a priority. The ELD standards are the guide for instruction and teachers use Wonders curriculum and core subject matter to develop student understanding. To ensure that ELD instruction is targeted to students' skill level, teachers collaborate for ELD, grouping students based on ELPAC levels. Students have daily required ELD time to practice academic vocabulary, acquire English language skills, and become proficient in English. EL students are closely monitored through the LAT process established through the district's EL Services Department. Grade level collaboration meetings and student monitoring conferences are held to track student progress and plan strategies to address student needs. Designated and Integrated ELD instruction is implemented through the curriculum in language arts and mathematics and other curricular subjects. Integrated ELD strategies and evidence-based practices provide support to EL students. This year we are implementing BrainPOP ELL and NEWSELA to support instruction for EL students.

Additional programs are used in order to provide our students with various learning opportunities. The Accelerated Reader (AR) program helps all students to hone their comprehension skills and encourage a love of reading. The online MyON program supports reading progress for students. Lexia Core 5 and Power Up supports our students with intervention and enrichment in reading support. ST Math provides additional support in the area of Math. Technology is utilized by all classes for research, and the use of software programs allows students additional time to practice and develop their skills in reading and mathematics.

Thurgood Marshall School's highly qualified teachers meet the district and state guidelines. Common Core training in the areas of reading/language arts and mathematics empowers our staff to be effective instructional leaders. The staff regularly participates in high quality, district approved training in all core disciplines including technology.

Marshall School continues to incorporate a safe and positive learning environment with the lead from our Positive Behavior Intervention Support (PBIS) Team. There is a school-wide implementation of CHAMPS at Marshall and staff use a progressive discipline model to respond to student behavior in

the classroom, on the playground and administration level. The PBIS team meets on a regular basis to analyze data and identify areas of need and focus on the campus in order to help strengthen the positive learning environment. The school counselor provides Social Emotional lessons to classes in addition to restorative circles and mindful practices.

Parent involvement is a key element for the continued academic success at Marshall School. Teachers regularly communicate with parents by phone, Canvas Parent App, text messages, school website, social media, e-mails, and conferences. Parents are invited to a variety of general parent meetings, family nights, and virtual classroom activities. Opportunities to volunteer are made available throughout the year. Parents are conforming to the Oxnard School District guidelines for volunteers to go through the background clearance process. Teachers use standards-based progress reports and assessment data at parent/teacher conferences to inform parents of their children's progress. Parenting classes share knowledge and practice that benefits families and helps parents to better support their children's learning. Throughout the year parents are offered a list of opportunities to receive training and be involved in the school program through PTA, School Site Council, ELAC and "Coffee with Parents".

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Formal observations are conducted two to three times a year, with the direction from human resources as to who will be evaluated. Informal observations and walkthroughs occur as often as every day, but no less than once a week. Through the walkthroughs and observations, it was evident that a shift in pedagogy was needed to lead the direction of the need in not only our school site but district focus as well. Through discussions with the school leadership team, it was noted that the academic and instructional focus this year needed to be focused on student-centered standard-based instruction, increasing rigor and teacher collaboration.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

The teaching staff have had professional development opportunities focusing on STAR 360 monitoring and data interpretation for local assessments as well as IAB assessments that provide data which helps to drive and modify instruction. The school leadership team analyzed the 2019-2020 data in the beginning of the school year to reflect on instructional practices and plan for the vision and goals for 2020-2021 school year.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Teachers utilize IO data base, STAR 360, ELLevations, and CAASPP Interim Assessment Administration Resources to help monitor student progress throughout the school year. PLC's are held on Wednesday's to focus on analyzing data to make instructional decisions for lessons and utilize the cycle of inquiry to guide their professional practice.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that all site staff meets requirements to be considered “highly qualified.” This is monitored by the district’s Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors who provide support for Curriculum, Instruction, Biliiteracy Programs, English Learner Services, Special Education and Pupil Services. An Instructional Specialist for Science and a Math Manager work directly with teachers to support instruction in Science and Math. Site Principals function as instructional leaders.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Marshall has dedicated two staff meetings per month to specific collaboration and teachers also utilize Wednesdays in the distance learning model to meet in grade level PLC's.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

At Marshall school we have a Multi Tiered- Systems of Support (MTSS) model that we follow that allows for targeted interventions. Staff is trained to focus on targeted interventions and a variety of materials and strategies are provided to assist students in effectively meeting their targets.

Evidence-based educational practices to raise student achievement

Teachers are trained to provide evidence based instructional practices to raise student achievement for all students. This includes an Intervention Support Providers (ISP), Kinder Para support, site Canvas Leads, and our district math manager as well as lead teachers on campus specializing in certain academic areas of focus. Additional time is given for teacher collaboration which includes ongoing review of assessment results and strategies.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Parents are given multiple opportunities to be involved in parent groups. School Site Council, ELAC and "Coffee with Parents" are regular opportunities and are open to all interested parents. PTA is another growing organization that gives parents the opportunity to meet and plan supports for our school. Virtual Family Nights are open to parents and families. During the 2020-21 school year, Virtual Family Nights are planned for AVID, Mathematics, Canvas and Music and the Arts.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Parents, community representatives, teachers and other school personnel stakeholders that are part of input and decision making in regard to the design and implementation of the SPSA and budget. Our Middle School orientation meetings are held annually to inform parents about the academy stand, A-G requirements and an overview of opportunities of the middle school.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Marshall uses its Title funds to target and support under performing students. The Intervention Support Provider (ISP) Teachers focus on targeted struggling students and identifies specific needs of the students to develop lessons to help close the achievement gap. The services also includes teacher collaboration specifically focusing on data analysis which will help to drive instruction to meet the needs of under performing students, specifically English Learners, African American students, Foster Youth, Homeless and Special Education Students. Title III funds specifically target students focusing on opportunities to focus on after school tutoring for under performing English Learners.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

In collaboration with the school leadership team, Marshall staff and ELAC review and provide input of the SPSA plan in order to recommend the SPSA to school site council. The SPSA is approved annually, however School Site Council meets on a monthly basis to monitor the goals and actions and overall spending of categorical dollars. Any changes to the plan are reviewed and approved by stakeholders for the recommendation and resubmission to School Site Council for final approval .

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

One of our target focuses was tutoring for students. We were not able to either have students stay after school for various reasons (transportation, prior commitments, etc). Due to COVID-19 and the school closures, we were not able to complete planned intervention for tutoring in the Spring.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

| Student Enrollment by Subgroup | | | | | | |
|--------------------------------|-----------------------|-------|--------|--------------------|-------|-------|
| Student Group | Percent of Enrollment | | | Number of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| American Indian | 0.38% | % | 0.42% | 2 | | 3 |
| African American | 3.95% | % | 3.89% | 21 | | 28 |
| Asian | 1.50% | % | 1.39% | 8 | | 10 |
| Filipino | 2.44% | % | 3.34% | 13 | | 24 |
| Hispanic/Latino | 81.58% | % | 82.48% | 434 | | 593 |
| Pacific Islander | 0.38% | % | 0.28% | 2 | | 2 |
| White | 8.27% | % | 6.82% | 44 | | 49 |
| Multiple/No Response | % | % | 1.39% | | | 0 |
| Total Enrollment | | | | 532 | | 719 |

Student Enrollment Enrollment By Grade Level

| Student Enrollment by Grade Level | | | |
|-----------------------------------|--------------------|-------|-------|
| Grade | Number of Students | | |
| | 17-18 | 18-19 | 19-20 |
| Kindergarten | 107 | | 95 |
| Grade 1 | 91 | | 77 |
| Grade 2 | 102 | | 93 |
| Grade3 | 92 | | 101 |
| Grade 4 | 65 | | 98 |
| Grade 5 | 75 | | 93 |
| Grade 6 | | | 91 |
| Grade 7 | | | 71 |
| Total Enrollment | 532 | | 719 |

Conclusions based on this data:

This data shows that Marshall has a high population of hispanic/latinos and a significant amount of African American youth. The student population has grown due to the completion of the TK-8th grade roll up during the 2020-2021 school year.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

| English Learner (EL) Enrollment | | | | | | |
|---|--------------------|-------|-------|---------------------|-------|-------|
| Student Group | Number of Students | | | Percent of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| English Learners | | | 207 | | | 28.8% |
| Fluent English Proficient (FEP) | | | 88 | | | 12.2% |
| Reclassified Fluent English Proficient (RFEP) | | | 49 | | | 21.2% |

Conclusions based on this data:

Our data shows that 28.8% of students are English Learners and 21.2% are reclassified students. Teachers continue to incorporate reading and writing into all core subjects across the curriculum. Staff is trained on how to incorporate various teaching strategies to improve language for the English Language Learner. Staff use integrated ELD strategies and evidence based practices during instruction to support EL students.

| Grade 5 | 21.51 | 21.43 | 29.23 | 54.84 | 41.43 | 44.62 | 23.66 | 37.14 | 26.15 |
| Grade 6 | | | 7.58 | | | 57.58 | | | 34.85 |
| All Grades | 13.14 | 25.45 | 18.79 | 50.42 | 46.36 | 51.59 | 36.44 | 28.18 | 29.62 |

Conclusions based on this data:

Due to COVID-19 and the school closures, there is no data for the 2019-2020 school year. In the 2018-2019 school year, in the area of reading, all grade levels decreased the number of students below standard by almost 7%. In writing, we also decreased the number of students below the standard by 2%. Listening also decreased by 5% for students performing below the standard. Research and Inquiry increased slightly by 1%. By closely monitoring individual student progress data and identifying students not making adequate progress, students who need extra support will receive reteaching, small group instruction and other interventions as appropriate. Formative and evaluative evaluations will contribute to a clear understanding of individual student progress. Data meetings and collaboration with teachers will focus on the progress monitoring of students through STAR 360 and a variety of assessments.

School and Student Performance Data

CAASPP Results Mathematics (All Students)

Conclusions based on this data:

Due to COVID-19 and the school closures, there is no data for the 2019-2020 school year. For the 2018-2019 school year, overall our mathematics scores did not show as significant growth as our Language Arts scores. Marshall improved in the percentage of students above standard and decreased in the number of students below standard for concepts and procedures. Grades 3 and 4 showed a slight decrease in overall achievement. All grade levels showed an increase in the area of problem-solving & modeling/analysis, concepts and procedures, and communicating reasoning. Through close progress monitoring of individual student progress in Mathematics, students not making adequate progress will be given reteaching of concepts and skills. Small group instruction will give extra support to students with their outcomes closely monitored by teachers. Data meetings and collaboration with teachers will focus on the progress monitoring of students through STAR 360 and a variety of assessments. Teachers are receiving additional strategies that incorporate Math Mindset to help improve instruction.

Conclusions based on this data:

Due to COVID-19 and the school closures, there is no ELPAC data for the 2019-2020 school year. However, Marshall did have a reclassification rate of 21%. For the 2018-2019 school year, 19% of Marshall's English Learners Reclassified. Teachers continue to provide strategies and support for the EL's in the classroom. Teachers provide students opportunities to practice ELPAC type questions throughout the school year. 6th-8th grade teachers are targeting long term EL students by incorporating AVID Excel strategies into the classroom in addition to planning and designing lessons to meet the needs of English Learners.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

| 2018-19 Student Population | | | |
|----------------------------|---------------------------------|------------------|--------------|
| Total Enrollment | Socioeconomically Disadvantaged | English Learners | Foster Youth |
| 593 | 63.1 | 39.0 | 0.2 |

This is the total number of students enrolled.

This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

This is the percent of students whose well-being is the responsibility of a court.

| 2018-19 Enrollment for All Students/Student Group | | |
|---|-------|------------|
| Student Group | Total | Percentage |
| English Learners | 231 | 39.0 |
| Foster Youth | 1 | 0.2 |
| Homeless | 7 | 1.2 |
| Socioeconomically Disadvantaged | 374 | 63.1 |
| Students with Disabilities | 89 | 15.0 |

| Enrollment by Race/Ethnicity | | |
|------------------------------|-------|------------|
| Student Group | Total | Percentage |
| African American | 21 | 3.5 |
| American Indian | 3 | 0.5 |
| Asian | 10 | 1.7 |
| Filipino | 20 | 3.4 |
| Hispanic | 481 | 81.1 |
| Two or More Races | 12 | 2.0 |
| Pacific Islander | 1 | 0.2 |
| White | 45 | 7.6 |

Conclusions based on this data:

Due to COVID-19 and the school closures, there is no data for the 2019-2020 school year. For the 2018-2019 school year, 75% of the students are Marshall are socioeconomically disadvantaged, 43% of students are English Learners. The significant ethnic groups include Hispanic, White and African American. Based on this data, Marshall will focus on strengthening designated and integrated English Language Development for English Learners. Teachers will analyze formative and summative assessments throughout the year that will help drive instruction, allowing students to progress monitor student achievement and develop specific targeted intervention for the needs of the students. Marshall will be monitoring the various subgroups throughout the year.

School and Student Performance Data

Overall Performance

2019 Fall Dashboard Overall Performance for All Students

| Academic Performance | Academic Engagement | Conditions & Climate |
|---|---|---|
| <p data-bbox="186 426 479 457">English Language Arts</p>  <p data-bbox="289 506 378 537">Orange</p> | <p data-bbox="673 426 950 457">Chronic Absenteeism</p>  <p data-bbox="763 506 852 537">Orange</p> | <p data-bbox="1177 426 1396 457">Suspension Rate</p>  <p data-bbox="1242 506 1331 537">Orange</p> |

Conclusions based on this data:

Due to COVID-19 and the school closures, there is no data for the 2019-2020 school year. For the 2018-2019 school year, Based on the Overall Performance for 2018, Marshall School falls in the mid range with academic performance, academic engagement and suspension rate. Marshall will continue to monitor student progress to guide instruction and monitor student attendance, and the overall conditions and climate of the campus.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard English Language Arts Performance for All Students/Student Group | | |
|--|---|--|
| <p>All Students</p>  Orange 21.8 points below standard Maintained ++0.5 points 308 | <p>English Learners</p>  Orange 34.9 points below standard Maintained ++1.5 points 142 | <p>Foster Youth</p>  No Performance Color 0 Students |

This section provides a view of Student Assessment Results and other aspects of this school’s performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|---|--|---|
| 83.1 points below standard Declined Significantly -16.9 points 65 | 5.8 points above standard Declined Significantly -19.4 points 77 | 12.1 points below standard Maintained -1.9 points 163 |

Conclusions based on this data:

Due to COVID-19 and the school closures, there is no data for the 2019-2020 school year. For the 2018-2019 school year, Overall for Grades 3-6, Marshall School increased. Student Groups that increased include English Learners and Socioeconomically disadvantaged, while students with disabilities maintained. Students who were Hispanic and White increased, and English Learners, Reclassified and English Only students increased. Marshall will continue to use various evidence-based EL strategies with our English Language Learners. We will continue to monitor and evaluate the needs of English Language Learners, and provide interventions and enrichment to continue academic growth and achievement.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard Mathematics Performance for All Students/Student Group | | |
|--|--|--|
| <p>All Students</p>  Yellow 43.2 points below standard Increased ++6.1 points 308 | <p>English Learners</p>  Yellow 49 points below standard Increased ++11.4 points 142 | <p>Foster Youth</p> |
| <p>Homeless</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 6 | <p>Socioeconomically Disadvantaged</p>  Orange 60.1 points below standard Maintained ++2.1 points 199 | <p>Students with Disabilities</p>  Red 110.4 points below standard Declined Significantly -24 points 64 |

2019 Fall Dashboard Mathematics Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 6 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5 |  No Performance Color 9.9 points above standard 11 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 50.3 points below standard Increased ++5.9 points 255 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color 6.9 points below standard Increased Significantly ++24.1 points 22 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard Mathematics Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|---|---|--|
| 90.7 points below standard Declined -12.8 points 65 | 13.8 points below standard Increased ++10.5 points 77 | 40 points below standard Maintained ++0.4 points 163 |

Conclusions based on this data:

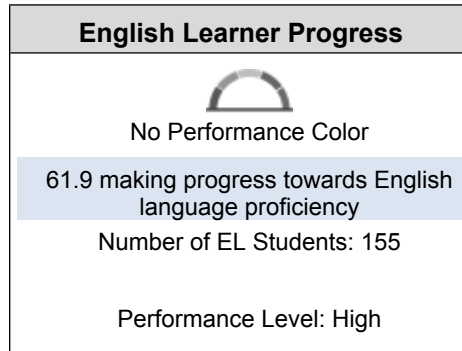

Due to COVID-19 and the school closures, there is no data for the 2019-2020 school year. For the 2018-2019 school year, Overall for Grades 3-6, Marshall School maintained. Student Groups that declined include socioeconomically disadvantaged and English Learners. The group that increased was students with disabilities. Students who were Hispanic maintained, while White students declined. English Learners and Reclassified students declined, while English Only students maintained. Marshall will continue to use evidence-based EL strategies for English Learners. We will also strengthen our work with Mathematical Mindset training. Teachers will be provided with collaboration time to discuss successful strategies used in the classroom along with the use of the District Math manager to ensure that instruction in mathematics is being implemented more effectively.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2019 Fall Dashboard Student English Language Acquisition Results

| Decreased One ELPI Level | Maintained ELPI Level 1, 2L, 2H, 3L, or 3H | Maintained ELPI Level 4 | Progressed At Least One ELPI Level |
|--------------------------|--|-------------------------|------------------------------------|
| 13.5 | 24.5 | 3.2 | 58.7 |

Conclusions based on this data:

Due to COVID-19 and the school closures, there is no data for the 2019-2020 school year. For the 2018-2019 school year, 65% of EL students are well developed or moderately developed. At Marshall, the majority of English Learners are Moderately Developed. Marshall will use evidence-based strategies to increase the proficiency levels of our English Language Learners. Grade level teams will collaborate to specifically focus on the needs of the EL students based on their performance level. Designated and Integrated ELD will be implemented using district adopted materials. Middle school students will have opportunities to use AVID Excel strategies within the classroom in order to target English Learner growth.

School and Student Performance Data

Academic Performance College/Career

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information on the percentage of high school graduates who are placed in the "Prepared" level on the College/Career Indicator.

| 2019 Fall Dashboard College/Career for All Students/Student Group | | |
|---|---------------------------------|----------------------------|
| All Students | English Learners | Foster Youth |
| Homeless | Socioeconomically Disadvantaged | Students with Disabilities |

| 2019 Fall Dashboard College/Career by Race/Ethnicity | | | |
|--|-------------------|------------------|----------|
| African American | American Indian | Asian | Filipino |
| Hispanic | Two or More Races | Pacific Islander | White |

This section provides a view of the percent of students per year that qualify as Not Prepared, Approaching Prepared, and Prepared.

| 2019 Fall Dashboard College/Career 3-Year Performance | | |
|---|----------------------|----------------------|
| Class of 2017 | Class of 2018 | Class of 2019 |
| Prepared | Prepared | Prepared |
| Approaching Prepared | Approaching Prepared | Approaching Prepared |
| Not Prepared | Not Prepared | Not Prepared |

Conclusions based on this data:

N/A

School and Student Performance Data

Academic Engagement Chronic Absenteeism

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

| 2019 Fall Dashboard Chronic Absenteeism for All Students/Student Group | | |
|---|--|--|
| <p>All Students</p>  Orange 9.9 Increased +1.9 624 | <p>English Learners</p>  Orange 9.1 Increased +1.8 243 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4 |
| <p>Homeless</p>  No Performance Color 13.3 Declined -11.7 15 | <p>Socioeconomically Disadvantaged</p>  Red 12.2 Increased Significantly +3.4 411 | <p>Students with Disabilities</p>  Orange 12.9 Maintained -0.4 116 |

2019 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|---|---|--|--|
|  No Performance Color 11.5 Increased +2.4 26 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 |  No Performance Color 16.7 12 |  No Performance Color 0 Maintained 0 20 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 10.2 Increased +1.5 502 |  No Performance Color 30.8 13 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |  Green 4.3 Maintained +0.2 46 |

Conclusions based on this data:

Due to COVID-19 and the school closures, there is no data for the 2019-2020 school year. For the 2018-2019 school year, all students have maintained in Chronic Absenteeism, however, the following subgroups increased: Homeless, Students with Disabilities and African Americans. The groups that decreased are English Learners and White. The groups that maintained are Hispanic, Filipino and Socioeconomically disadvantaged. Marshall will develop an incentive-based program for students with chronic absenteeism. The ORC in coordination with the Attendance Tech will monitor absences and provide outside resources to the families as needed. Mini SARB's are held frequently to educate parents on the importance of school attendance and to identify any obstacles students may be facing that are preventing them from being at school and on time every day.

School and Student Performance Data

Academic Engagement Graduation Rate

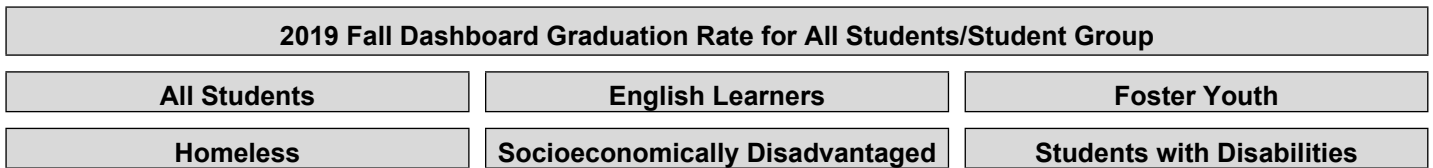

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

Conclusions based on this data:

N/A

School and Student Performance Data

Conditions & Climate Suspension Rate

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

| 2019 Fall Dashboard Suspension Rate for All Students/Student Group | | |
|---|---|---|
| <p>All Students</p>  Orange 3 Increased Significantly +2.3 630 | <p>English Learners</p>  Orange 2 Increased +1.6 245 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not 4 |
| <p>Homeless</p>  No Performance Color 6.7 Increased +6.7 15 | <p>Socioeconomically Disadvantaged</p>  Red 3.6 Increased Significantly +2.9 416 | <p>Students with Disabilities</p>  Orange 3.4 Increased +3.4 117 |

2019 Fall Dashboard Suspension Rate by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color 3.8 Increased +3.8 26 |  No Performance Color Less than 11 Students - Data 3 |  No Performance Color 0 12 |  No Performance Color 10 Increased +10 20 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 3 Increased Significantly +2.1 507 |  No Performance Color 0 13 |  No Performance Color Less than 11 Students - Data 2 |  Orange 2.1 Increased +2.1 47 |

This section provides a view of the percentage of students who were suspended.

2019 Fall Dashboard Suspension Rate by Year

| 2017 | 2018 | 2019 |
|------|------|------|
| | 0.7 | 3 |

Conclusions based on this data:

Due to COVID-19 and the school closures, there is no data for the 2019-2020 school year. For the 2018-2019 school year, the 2018 Fall Dashboard Suspension Rate (0.7%) indicates that there was an increase in students who were suspended, specifically with Hispanics at 0.9%. Marshall School began the roll-up of the K-8 with the implementation of sixth grade last year, which could have contributed to the increase in suspensions. Marshall has established a progressive discipline policy and has trained staff in CHAMPS and PBIS strategies to help target behavioral problems.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All students will reach high academic standards in reading and mathematics

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high-quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--------------------------------|---|---|
| STAR Early Literacy assessment | 63 % of Kinder students were at or above benchmark. 49% of 1st grade students were at or above benchmark. 35% of 2nd grade students were at or above benchmark. | Students in grades K-2 who meet or exceed benchmark will increase by 10%. |
| STAR360 Reading | Fall 2020 Baseline Data: 62% of 2nd grade students were at or above the benchmark. 33% of 3rd grade students were at or above the benchmark. 24% of 4th grade students were at or above the benchmark. 35% of 5th grade students were at or above the benchmark. 44% of 6th grade students were at or above the benchmark. | Students in grades 1-8 who meet or exceed benchmark will increase by 10%. |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|-------------------------|---|--|
| | <p>25% of 7th grade students were at or above the benchmark.</p> <p>26% of 8th grade students were at or above the benchmark.</p> | |
| STAR360 Math | <p>Fall 2020 Baseline Data:</p> <p>54% of 1st grade students were at or above the benchmark.</p> <p>56% of 2nd grade students were at or above the benchmark.</p> <p>38% of 3rd grade students were at or above the benchmark.</p> <p>12% of 4th grade students were at or above the benchmark.</p> <p>16% of 5th grade students were at or above the benchmark.</p> <p>16% of 6th grade students were at or above the benchmark.</p> <p>19% of 7th grade students were at or above the benchmark.</p> <p>22% of 8th grade students were at or above the benchmark.</p> | <p>Students in grades 1-8 who meet or exceed benchmark will increase by 10%.</p> |
| Reclassification rates | <p>21.2% of EL students in grades 3-7 reclassified during the 2019-2020 school year.</p> | <p>The reclassification rate of EL students will increase by at least 5%.</p> |
| CAASPP Math (2018-2019) | <p>38% of students in grade 3 met or exceeded the benchmark.</p> <p>35% of students in grade 4 met or exceeded the benchmark.</p> <p>20% of students in grade 5 met or exceeded the benchmark.</p> <p>15% of students in grade 6 met or exceeded the benchmark.</p> | <p>Students will demonstrate growth by moving one or two levels across the different bands in the SBAC and 3-5% of students will move from approaching to meeting and or exceeding the SBAC standards in Math.</p> |
| CAASPP ELA (2018-2019) | <p>32% of students in grade 3 met or exceeded the benchmark.</p> | <p>Students will demonstrate growth by moving one or two levels across the different</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|---|--|
| | 48% of students in grade 4 met or exceeded the benchmark. 50% of students in grade 5 met or exceeded the benchmark. 32% of students in grade 6 met or exceeded the benchmark. | bands in the SBAC and 3-5% of students will move from approaching to meeting and or exceeding the SBAC standards in ELA. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students.

Strategy/Activity

The District Math Manager will support teachers implement Math Mindset strategies and ST Math.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
None Specified
Certificated Salary: District Math Instructional Specialist

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains all students, with an emphasis on English Learners, Foster Youth, Homeless, Special Education and African American population groups.

Strategy/Activity

Professional Learning Community meetings will support teachers to implement ELA and Math Common Core Standards. The principal will lead progress monitoring meetings with grade levels. Staff will analyze assessment results from regular assessments such as IAB, STAR 360, Wonders unit assessments, Study Sync, My Math chapter assessments to make instructional decisions. Teachers will meet weekly focusing on specific collaboration. Teachers will also utilize collaboration time to monitor the progress of African American Students and English Learners, Foster Youth,

Special Education and Homeless Students. The school leadership team will meet on a regular basis to monitor and guide school-wide academic progress. The Canvas Lead teachers will provide ongoing training and support to staff throughout the school year to help fully implement Canvas.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

10,000

Source(s)

LCFF - Intervention
1000-1999: Certificated Personnel Salaries
Teacher Extra Hours
Certificated Substitutes

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to English Learners.

Strategy/Activity

Dedicated ELD instruction will be provided to students by classroom teachers to EL students daily in grades K-5. Students in grades 6-8 will receive one period of ELD instruction.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

4,000

Source(s)

Title III
4000-4999: Books And Supplies
Supplemental materials
Brain Pop ELL
NEWSELA

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains all students, with an emphasis on English Learners, Foster Youth, Homeless, Special Education and African American population groups.

Strategy/Activity

ISP (Intervention Support Provider) teacher will provide support and intervention to address the needs of students who need extra help in Language Arts and Math.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 51,836 | Title I 1000-1999: Certificated Personnel Salaries Certificated Salary: ISP Teachers |
| 8,144 | LCFF - Intervention 1000-1999: Certificated Personnel Salaries Certificated Salary: ISP Teachers |

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students.

Strategy/Activity

Coordinations of Services Team (CST) and Student Success Team (SST) meetings to address the instructional needs of at risk students. Outreach Coordinator (ORC) coordinates SST.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |

Teacher Substitutes

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students.

Strategy/Activity

In order to improve reading achievement, the district has provided two ISP teachers for the Marshall School site. These teachers are site-based and will support language arts instruction in grades TK-8. ISP's will work directly with students, using the LLI curriculum targeting EL, Foster Youth, Homeless, Special Education and African American students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Due to COVID-19 and the school closures, the CAASPP, ELPAC and CA Dashboard will reflect scores from the 2018-2019 school year. Marshall maintained overall proficiency in 2018-2019, despite some grade levels dropping scores in Math and a slight improvement in Language Arts. In order to continue to close the gap in Language Arts, Marshall utilized the Reading Specialist and hired an Intervention Service Provider (ISP) to target students in grades 1-4.

This school year, Marshall will continue to provide interventions and will dedicate time to teacher collaboration to analyze data to guide instructional decisions. In addition the district will provide two ISP teachers targeting specific students. Marshall will also provide two additional site funded ISP teachers to provide specific targeted support for ELA and Math. During collaboration time teachers will be analyzing data from STAR 360, CAASPP Interim Assessment Block, ELD assessments, Lexia and ST Math data, as well as other assessments that will help to monitor student achievement. Students who are not performing will be monitored and will coordinate with the CST and SST team if necessary. Teachers will collaborate to focus on first instructional practices and evidence-based Tier 1 interventions, which will be provided by the classroom teacher.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

For 2020-2021 the overall Marshall budget is larger due to the increase in the amount of students. Last year enrollment was 720 and this year the current enrollment is 800. Although there are more funds, we have more of a need and therefore our resources are limited.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Marshall has dedicated its focus this year to continue to improve instructional practices to provide the best learning opportunities for our students. Collaboration time still continues to be a central focus and due to the distance learning schedule we are able to maximize PLC collaboration throughout the grade levels on Wednesdays. Due to COVID-19 and state assessments not being administered in 2019-2020, the teacher leadership team analyzed the current data from district benchmarks and assessments to determine our direction for the 2020-2021 school year. Despite being on distance learning due to COVID-19, our staff continues to focus on student centered, rigorous questioning and writing throughout the curriculum.

Marshall will continue to utilize two district funded ISP Teachers to focus on language arts intervention. In addition, Marshall will allocate funding for two additional ISP Teachers to focus on

math intervention. The site will also continue the work with Mathematical Mindset strategies to continue to deepen students understanding of critical problem-solving skills. The Canvas Lead Teachers will work closely with our teaching staff to provide support as we transition completely to this learning management system.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

To decrease the suspension rate
 To increase positive behavior
 To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|---|---|
| Suspension Data | Suspension rate for 2019-2020 was 2.09 % | Continue to reduce the number of student behavior referrals and keep suspension rate at 0% growth. |
| Attendance Data | Chronic Absenteeism rate for 2019 was 9.9% | Chronic Absenteeism rates for 2020-2021 will decrease by 2% |
| California Healthy Kids Survey (2018-2019): percentages of students who indicate positive indicators, such as opportunities for meaningful participation at their school. | As demonstrated in the California Healthy Kids Survey taken by 5th graders: 89% indicated academic motivation 80% of showed strong school connectedness 87% of 5th grades felt safe at school 78% reported high levels caring relationship with a teacher, or other adult at school 91% of students had recognition of high expectations of teachers. | California Healthy Kids Survey: The number of students indicating academic motivation will increase by 5% to 94%. The number of students indicating strong school connectedness will increase by 10% to 90%. The number of students who feel very safe at school will increase 5% to 92%. The number of students who report high level of caring relationships with a teacher, or other adult at their school will increase by 10% to 88%. The number of students with recognition of high |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|--|---|
| | | expectations of teachers will increase by 5% to 96%. |
| Panorama Survey | <p>The Panorama survey was administered in Spring 2020, which included grades 3-5 with 91 students participating.</p> <p>Emotion Regulation rate was 55%</p> <p>Growth Mindset rate was 61%</p> <p>Self Management rate was 71%</p> <p>Social Awareness rate was 70%</p> | <p>For grades 3-5:</p> <p>Emotion Regulation rate will increase by 20%</p> <p>Growth Mindset rate will increase by 14%</p> <p>Self Management rate will increase by 4%</p> <p>Social Awareness rate will increase by 5%</p> |

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 33

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 34

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Marshall School has completed the roll up of TK-8th grade. Marshall has seen a need to focus on students' social-emotional well being, especially students coming to school with trauma. The teaching staff was given an opportunity to read "Fostering Resilient Learners" last school year to help spark the conversation in regard to how to help support students with traumatic needs. One need, in particular, that was developed by the PBIS team was to incorporate a space where students could receive counseling and given an alternative to recess to help with our social-emotional needs. As a result, the PBIS team with the lead of the counselor developed the "Bulldog Paw Pad" that provides games, activities, yoga, restorative circles and lessons provided by the school counselor. Due to COVID-19, the Marshall PBIS Team will look at other alternatives to provide this type of support for students. The goal is for the students to achieve a positive self-being. Marshall also provides opportunities for students to be rewarded for the behavior by providing a CHAMPS store.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Due to COVID-19 and the school closures, Marshall was unable to complete the full implementation of the Bulldog Paw Pad. Marshall continues to implement strategies to help strengthen the support of our students for their socio emotional well being. The implementation of the Panorama survey has allowed the team to target specific students with targeted interventions.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

For the 2020-2021 year, Marshall will continue to utilize the PBIS team to lead the way as we continue to monitor data and analyze the needs of our students as they roll up to older grade levels. This will include meeting the needs of not only the K-5 grades but also the 6-8 grades as well. Student discipline, attendance and engagement will also be monitored and analyzed monthly to determine how PBIS can help support the needs of our students. A target focus this year for middle school will be teaching students time management skills through CHAMPS and AVID strategies to help increase engagement during distance learning.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
 To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|--|---|---|
| Parent participation in parent meetings: SSC, ELAC, PTA, Coffee with Parents | In 2019-2020 an average of 15 parents participated in PTA meetings. An average of 15 parents participated in ELAC meetings. An average of 5 parents participated in Coffee with Parents meetings. | Attendance at PTA meetings will increase by 50% at PTA meetings. Attendance at ELAC meetings will increase by 25%. Attendance at Coffee with Parents meetings will increase by 50%. |
| Parent attendance at Virtual Back to School Night | There were 301 Parents that participated in the Virtual Back to School Night. | Parent participation at back to school night will increase by 20%. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Parents are given an overview of involvement opportunities at Middle School Orientation and Back to School Night.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students.

Strategy/Activity

Parents are invited to celebrations including: Spring Reclassification Celebration to honor students in Grades 3-8 who met reclassification requirements during the school year and students that participated in athletics throughout the school year for an annual sports banquet. The 8th grade class will be invited to participate in creating a Time Capsule as they are the first promoting class at Marshall school.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 700 | Title III Reclassification Refreshments |
| 300 | Title III Reclassification Supplies for awards |
| 1000 | Discretionary Sports Banquet Refreshments Supplies Time Capsule supplies |

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students.

Strategy/Activity

Parents receive notices for parent meetings and other pertinent school information through Peach Jar flyers, Parent Connect and school website.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

ORC (see goal 1, action 6)

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 15

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students.

Strategy/Activity

PTA offers parents a way to be involved in fundraising and other activities which support the instructional program.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 16

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

This goal pertains to all students.

Strategy/Activity

The school administration and parents will jointly develop the school's Parent Compact.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 18

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 19

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 20

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 21

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 22

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 23

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 24

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 25

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 26

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 27

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 28

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 29

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 30

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 31

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 32

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 33

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 34

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Due to the school closures and COVID-19, all school meetings will be conducted virtually until it is deemed safe to resume in person activities. Families are provided with various opportunities to be part of the school community at Marshall School. School Site Council, ELAC, PTA, DHH Parent Nights and Coffee with Parents are meetings that provide information to parents and the community. In addition to meetings, Marshall school in coordination with PTA provides curbside family dinner nights in the community to help fundraise money. PTA also helps with Spring Fling which showcases the academy strand. At the beginning of the year, parents are invited to middle school orientation to learn more about middle school offerings and strand focus. Back to School Night provides an opportunity for parents and the community to learn more about our school program and interact with staff.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

The major difference was not being able to carry out Spring Fling, Reclassification celebration, the Sports Banquet and the remainder of the parent nights due to the school closures as a result of COVID-19. As Marshall is now fully established as a TK-8th grade school, we will continue to strengthen our parent and community engagement and find way to ensure that our middle school families are welcomed and supported even in a virtual setting.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

During 2020-2021 Marshall will continue to build upon family and community engagement, especially with the roll up of the middle school. Parents will continue to have opportunities to be part of the school community. This year Marshall is very proud to promote the first 8th grade class.

A Time Capsule will be created by the 8th grade class to leave for the 8th Grade Class of 2028-2029 (Current Kinder Class).

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

| Description | Amount |
|---|--------------|
| Total Funds Provided to the School Through the Consolidated Application | \$63,976 |
| Total Federal Funds Provided to the School from the LEA for CSI | \$0 |
| Total Funds Budgeted for Strategies to Meet the Goals in the SPSA | \$224,840.00 |

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

| Federal Programs | Amount (\$) |
|------------------|-------------|
| Title I | \$51,836.00 |
| Title III | \$12,140.00 |

Subtotal of additional federal funds included for this school: \$63,976.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

| State or Local Programs | Amount (\$) |
|-------------------------|-------------|
| Discretionary | \$48,864.00 |
| LCFF - Intervention | \$46,000.00 |
| LCFF - Targeted | \$66,000.00 |

Subtotal of state or local funds included for this school: \$160,864.00

Total of federal, state, and/or local funds for this school: \$224,840.00

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

| Funding Source | Amount | Balance |
|---------------------|--------|---------|
| Discretionary | 48,864 | 0.00 |
| Title I | 51,836 | 0.00 |
| Title III | 12,140 | 0.00 |
| LCFF - Targeted | 66,000 | 0.00 |
| LCFF - Intervention | 46,000 | 0.00 |

Expenditures by Funding Source

| Funding Source | Amount |
|---------------------|-----------|
| Discretionary | 48,864.00 |
| LCFF - Intervention | 46,000.00 |
| LCFF - Targeted | 66,000.00 |
| Title I | 51,836.00 |
| Title III | 12,140.00 |

Expenditures by Budget Reference and Funding Source

| Budget Reference | Funding Source | Amount |
|--|---------------------|-----------|
| | Discretionary | 6,800.00 |
| | Discretionary | 500.00 |
| 2000-2999: Classified Personnel Salaries | Discretionary | 6,500.00 |
| 4000-4999: Books And Supplies | Discretionary | 30,180.00 |
| 5000-5999: Services And Other Operating Expenditures | Discretionary | 4,884.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Intervention | 28,144.00 |
| 4000-4999: Books And Supplies | LCFF - Intervention | 12,856.00 |
| 5000-5999: Services And Other Operating Expenditures | LCFF - Intervention | 5,000.00 |

| | | |
|--|-----------------|-----------|
| 1000-1999: Certificated Personnel Salaries | LCFF - Targeted | 23,000.00 |
| 2000-2999: Classified Personnel Salaries | LCFF - Targeted | 5,000.00 |
| 4000-4999: Books And Supplies | LCFF - Targeted | 33,000.00 |
| 5000-5999: Services And Other Operating Expenditures | LCFF - Targeted | 5,000.00 |
| 1000-1999: Certificated Personnel Salaries | Title I | 51,836.00 |
| | Title III | 1,700.00 |
| | Title III | 300.00 |
| 1000-1999: Certificated Personnel Salaries | Title III | 5,640.00 |
| 4000-4999: Books And Supplies | Title III | 4,000.00 |
| 5000-5999: Services And Other Operating Expenditures | Title III | 500.00 |

Expenditures by Goal

| Goal Number | Total Expenditures |
|-------------|--------------------|
| Goal 1 | 162,040.00 |
| Goal 2 | 43,500.00 |
| Goal 3 | 19,300.00 |

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

| Name of Members | Role |
|----------------------|----------------------------|
| Sarah Lepe | Principal |
| Heather Rose | Classroom Teacher |
| Sarah Falls | Classroom Teacher |
| Sandy Sloan | Classroom Teacher |
| Alex Salazar | Other School Staff |
| Xilomen Durazo | Parent or Community Member |
| April Luis | Parent or Community Member |
| Jeannete Cortez | Parent or Community Member |
| Brenda Pacheco Perez | Parent or Community Member |
| Lucy Castillo | Parent or Community Member |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

| Signature | Committee or Advisory Group Name |
|---|------------------------------------|
|  | School Site Council |
|  | English Learner Advisory Committee |

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on October 9, 2020.

Attested:

Principal, Sarah Lepe on 10/9/20

SSC Chairperson, Sandy Sloan on 10/9/20

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

[Stakeholder Involvement](#)

[Goals, Strategies, & Proposed Expenditures](#)

[Planned Strategies/Activities](#)

[Annual Review and Update](#)

[Budget Summary](#)

[Appendix A: Plan Requirements for Title I Schoolwide Programs](#)

[Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning Requirements](#)

[Appendix C: Select State and Federal Programs](#)

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE’s Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE’s School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school’s plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

For a list of active programs, please see the following links:

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019

School Year: **2020-21**

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|-------------------------------------|-----------------------------------|--|---------------------------|
| Christa McAuliffe Elementary School | 56725380100362 | October 1, 2020 | November 4, 2020 |

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

2020 Vision was a popular theme many businesses selected to kick-off the year. Turns out, our site leadership and our stakeholders have had to maintain a 2020 vision as we provide instruction, assessments, and supports to students and families across all learning platforms; this includes distance learning and hybrid learning. This year's school plan makes every effort to provide services and supports based on current data during Distance Learning, but also anticipates what needs might arise in the event our school moves Hybrid Learning (A/B cohorts). This dual-lens perspective is intentional in that it ensures students' current and anticipated needs are met. The overall plan focuses on academics, socio-emotional support, and parent engagement.

The McAuliffe Way

Christa McAuliffe's outlined plan for the 2020-21 school year is comprehensive and it includes all student groups. This academic year is vastly different from previous years due to the global pandemic that resulted in all students attending school remotely. March 12, 2020, was the last day students were physically on campus for a full day of instruction. In past years, we have concerned

ourselves with a "summer slide." This simply put, is students' academic muscle becomes a bit atrophied due to the lack of routines, putting into practice academic strategies and giving full attention to reading and math during the summer. This year, we are sorely aware that added to the "summer slide" was the type of instruction children received throughout the country in the spring due to the school facilities closing and students learning online. We recognize that we need to address any missing concepts students might have. As in the past, our plan's goals are but three. First is instruction, assessment and monitoring of students in the core of academics - Math and English Language Arts. These two content areas will be taught synchronously and asynchronously via Zoom per the Oxnard School District Daily Student Schedule. The remaining content areas will be taught asynchronously. The challenge in crafting this plan is that the current status of instruction is entirely remotely. Distance Learning can impact the results of any assessments given at home. Plus, we continue to work on student connectivity and engagement. Regardless of where students are located while learning, it is our site mission to "establish and maintain a safe and diverse learning environment that inspires academic, emotional, social, and physical growth for every student, every day." The expected outcome for students is that the McAuliffe staff is committed to empowering all children to achieve excellence by unlocking their full potential, incorporating STEAM practices while fostering a student-centered culture, cultivating responsible citizens, and ensuring students are equipped to meet the challenges in the world around them. These efforts include the foundation of teaching students to read, write, and finding solutions to mathematical problems. Second, Social-Emotional Learning (SEL) has always been important, but in this season, our site has a heightened awareness to account for students, their well-being and make efforts to provide resources. Finally, we are looking for new ways to support parents as they attempt to navigate distance learning by encouraging, supervising, and at times assisting students with instruction. In this year's plan, our goals remain the same, but how we provide supports looks different.

That being said we hold the following continues to be true of our plan if learning is done remotely or in a hybrid model or a traditional face-to-face instructional year:

Goal One - ACADEMICS

1. This academic school year, our students, across all grades, will focus on exceeding, achieving, or moving closer to their grade-level standards. Teachers are committed to increasing the rigor of instruction and student learning across the English Language Arts and Mathematics content areas. These areas will be assessed by using STAR 360 Assessments, Interim Assessment Blocks (IABs) and teacher-generated assessments (Kindergarten). Teachers have outlined their expectations of incorporating collaborative conversations amongst students. Additionally, teachers are cultivating a Mathematical Mindset with students by using strategies that promote collaborative conversations, reflective learning, peer teaching, note-taking, and Math Talks.
2. Our site has five Special Day Classes serving students with special needs. Three of those classes are dedicated to students who have moderate to severe disabilities. Two of our Special Day Classes support students who have mild/moderate disabilities and have eligibility for Emotional Disturbance.
3. The expectation is for students to increase achievement scores for every subgroup in all grade levels. This goal will be reached through Teacher Efficacy. Teacher Efficacy is a by-product of the continued Professional Learning Community, which began three years ago, and provides an arena for teachers to collaborate with grade-level peers to plan, analyze data, set goals, and share strategies to support below the benchmark, at-benchmark, and exceeding benchmark students. Students not making significant processes are identified by the teacher, the parent, or any other person to the Coordination of Services Team (CST) and/or the Student Success Team (SST). Students identified as not meeting benchmark are receiving Tier I instruction and interventions within the classroom. Any student needing Tier II or Tier III level Interventions are supported through small

group setting, team-teaching amongst the grade-level, and/or our Intervention Support Provider(s) (ISPs). The student in the Multi-Tiered System of Supports (MTSS), which includes CST and SST, is a multifaceted support system. These identified students are provided interventions, tools, or strategies with social and emotional support by our site assigned Outreach Coordinator, School Counselor, and Psychologist. The additional services a child might receive are acquiring glasses, medical checks, short-term counseling, sensory items and/or referrals to long-term counseling.

4. The aforementioned Vision statement addresses our Science, Technology, Engineering, Arts, and Mathematics (STEAM) practices embedded in instruction. McAuliffe has a rich history of the arts; plays, poetry reading and writing and visual arts.

Goal Two - SOCIO-EMOTIONAL

5. A concerted effort has been made by staff to create and maintain a student-centered culture that cultivates responsible citizens and ensures students are equipped to meet the challenges in the world around them. Our school guidelines follow the acronym S.T.A.R. These represent Strive to be present every day - Treat others with kindness - Act responsibly - Respect others and their belongings. These guidelines provide expectations to students for their behavior in and out of class. Students are incentivized by receiving STARbucks that they can earn weekly, monthly, trimesterly, and yearly. The expectations are not given in a vacuum. They are shared in assemblies, in the classroom through school signage (coming in the winter) and parents receive them through social media, including our website (coming in the winter). To promote acceptance of all at our school, we created the motto of #WeBelongCMES to demonstrate that all students and staff are accepted and welcomed at our school. This, coupled with our daily Community Circles, builds relationships and connections with others on the campus. The PBIS Team also reviews data and provides support to teachers who request suggestions on how to support a student and their behavior.

Our site feels an obligation to support the concepts of acceptance of all people. This year, our site Librarian will be offering a We Belong Book Club for students. The books selected focus on diversity and acceptance. Each participating child will be given a book and lessons in music and art or provided with a simple snack recipe from that people group. Our expectation is that students learn and grow to see, understand and accept others of different origins, abilities and languages.

6. A key part of the academic, social, and emotional support is parent participation. The strongest component of parent involvement is the site Parent Teacher Association (PTA). The partnership with the PTA provides an avenue for parents to participate through volunteering, fundraising, and creating a climate of inclusivity. Our English Learner Committee and School Site Council are also avenues for parents to partner with the school. The role of the parent is vital to the mission and vision we have for students in meeting the goals outlined in the document.

Goal Three - PARENT - ENGAGEMENT

7. Parents are invited to participate in any of our councils, meetings, associations or chats about school support to their children.

8. Resources for the We Belong Book Club, Community Circles and mindfulness will be offered online and through texts/emails to parents.

9. College Fast Forward, UC Berkeley curriculum, will be offered in workshop form to parents.

10. Videos on accessing Canvas, parent links, student work and resources are offered by our site administrator, counselor and outreach consultant.

This plan is a living document that will require adjustments as students' and families' needs change.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Classes were frequently visited by site administration both physically and virtually. Feedback was offered from the Principal as to how to best support instruction on the four Instructional Look-Fors. Last year, the instructors have agreed that collaborative conversations will be the instructional focus in each of the content areas. Walkthroughs will include feedback to Teachers on these practices in the classroom. A key part to classroom observation will be the yearlong review of assessment data.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

McAuliffe has been and will continue to use district and state assessments to inform and improve instruction and student learning. The Department of Pupil Services provided results for the statewide Healthy Kids and Panorama surveys. The survey was given to 5th-grade students, parents, and staff, but will be extended to Kindergarten through 5th grades. Weekly meetings are held with staff to discuss local assessments, planning of instruction and revision of instruction. The local assessments are the STAR Reading and Math, IABs and teacher-selected writing assessments.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Data is reviewed as a step in the Cycle of Inquiry during grade level meetings. The Cycle of Inquiry is a three part planning (Plan), teaching (Do), assessing (Monitor) and responding plan for student learning (Adjust). The Essential Questions are taken from the DuFour's questions for Professional Learning Communities. It also provides Guiding Questions and teachers respond with Team Actions all based on the Common Core State Standards. Through this progress monitoring, any student identified as needing intervention is provided intervention by the classroom teacher, before or after school tutoring or the Intervention Support Provider (ISP).

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that that all site staff meets requirements to be considered “highly qualified.” This is monitored by the district’s Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors who provide support for Curriculum, Instruction, English Learner Services, Special Education and Pupil Services. An Instructional Specialist for science and a Math Manager work directly with teachers to support instruction in Science and Math. Site Principals function as instructional leaders.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

McAuliffe teachers are in the third year of Professional Learning Community (PLC). The foci this year are collaborative conversations and targeted standards for English Language Arts, Mathematics and Writing. The purpose of the PLC time is to improve student achievement. This year additional time is offered to staff for PLC (Cycle of Inquiry) time. Additional time is offered the Wednesday after the dedicated Tuesday PLC time. This collaborative work will continue up to the administration of the CAASPP.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Students identified by a teacher(s) in the data analysis part of the Professional Learning Community (PLC) are supported in class through small group instruction. The groups are flexible and based upon a student's needs. Any student needing supports beyond Tier I classroom intervention is supported within the Multi-tiered System of Supports process that includes daily intervention and analysis of progress daily and within a six-week cycle. Students are referred to the Coordination of Services Team if they do not make significant progress. This Team reviews and discusses the progress of students and determines if a student is to move forward in the process that can lead to assessment for one or more of the 13 handicapping conditions outlined in the Special Education guidelines. At any time, a parent or other person can request an assessment for Special Education.

Evidence-based educational practices to raise student achievement

Researched based strategies, as outlined in Hattie's list of most effective and beneficial, were reviewed and discussed by the administration and teachers. Through these discussions, it has been noted that the most effective is teacher collaboration. However, ongoing discussion about effective strategies are held in the Professional Learning Communities as the Common Core State Standards are reviewed and data is analyzed. Teachers have the autonomy to add or modify any strategy they deem appropriate to promote student achievement.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Virtual parental engagement is made available to parents of under-achieving students through the activities and funding outlined in the School Plan for Student Achievement. This includes a New Student, Transitional Kindergarten and Kindergarten Orientation where academic and behavior expectations are outlined. Throughout the year parents are invited to attend Back to School Night, and Family nights that emphasize core content areas and Common Core State Standards. Each trimester parents are asked to attend the Teacher/Parent Conference to discuss their child's progress. However, parents are encouraged to inquire of their child's progress by having informal meetings with teachers, requesting IEPs, or requesting to meet with any support staff such as the School Psychologist, Site Counselor, Outreach Coordinator or Administrator.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Students, Faculty, Staff, Parents and Community members are the Stakeholders all of whom are best served by collaborating with them as they share their goals, strategies, and ideas of how to best serve the families represented at McAuliffe Elementary. Each member is key in outlining and providing input in the goals and activities outlined in this plan. The input for this year's School Plan for Student Achievement (SPSA) began in the spring of 2019 as faculty, staff and parents evaluated the prior year's SPSA. Members of the site Leadership Team, School Site Council and English Language Advisory Committee analyzed the goals, strategies, and funding for this school year.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

The determination of which funded services are offered to students and parents is determined by the analysis of data provided in state standardized assessments, local benchmark and surveys. Attention is given to those areas which indicate low performing students are ranked. Categorical funding from LCFF, Title I, and Title III provide interventions for below benchmark students. Title I funding will subsidize the collaboration time offered in the Professional Learning Communities and purchase the supplies for Mathematical Mindset school-wide.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "school-wide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

A regular part of the creation of the School Plan for Student Achievement (SPSA) is a spring (prior year) evaluation of the goals, strategies, and funding by the Site Leadership team. The results are reported back to the staff by their team representative. Parent groups such as School Site Council (SSC), English Language Advisory Committee (ELAC), and Parent-Teacher Association (PTA) are all informed by the school principal. Likewise, in the fall, all of the stakeholders, parents, and staff (certificated and classified) provide input into the plan.

For the 2019-20 academic year, a final evaluation was not completed in the Spring since the school was not in session due to the Coronavirus Pandemic and lack of end of year data. This academic year, we evaluated as we revised the SPSA.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Knowledge of when students will return face to face makes it difficult to anticipate the needs of what students will need at that time. The reduction of funding also impacted the number of Campus Assistants hours that are available for campus supervision and will likely need to be increased when students return.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

| Student Enrollment by Subgroup | | | | | | |
|--------------------------------|-----------------------|-------|-------|--------------------|-------|-------|
| Student Group | Percent of Enrollment | | | Number of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| American Indian | 0.14% | % | 0% | 1 | | 0 |
| African American | 2.05% | % | 2.37% | 15 | | 15 |
| Asian | 1.64% | % | 1.74% | 12 | | 11 |
| Filipino | 3.55% | % | 2.69% | 26 | | 17 |
| Hispanic/Latino | 76.64% | % | 79.3% | 561 | | 502 |
| Pacific Islander | 0.27% | % | 0.32% | 2 | | 2 |

| Multiple/No Response | % | % | 2.69% | | | 0 |
| Total Enrollment | | | | 732 | | 633 |

Student Enrollment Enrollment By Grade Level

| Student Enrollment by Grade Level | | | |
|-----------------------------------|--------------------|-------|-------|
| Grade | Number of Students | | |
| | 17-18 | 18-19 | 19-20 |
| Kindergarten | 127 | | 123 |
| Grade 1 | 98 | | 96 |
| Grade 2 | 114 | | 100 |
| Grade3 | 136 | | 90 |
| Grade 4 | 131 | | 111 |
| Grade 5 | 126 | | 113 |
| Total Enrollment | 732 | | 633 |

Conclusions based on this data:

Based on the Student Enrollment data provided, the current ethnic makeup of students at McAuliffe is 79.3% Hispanic; 10.9% White with the remaining percentage a mixture of ethnicity. The percentage of these groups goes unchanged has gone unchanged from year to year. Approximately 40% of students enrolled at McAuliffe are Intra/Inter district transfers or overflowed from their home school. The enrollment for the 2020-21 decreased by 35 students. McAuliffe will continue to monitor the Enrollment data to identify any specific supports needed by subgroup or grade.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

| English Learner (EL) Enrollment | | | | | | |
|---|--------------------|-------|-------|---------------------|-------|-------|
| Student Group | Number of Students | | | Percent of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| English Learners | | | 149 | | | 23.5% |
| Fluent English Proficient (FEP) | | | 48 | | | 7.6% |
| Reclassified Fluent English Proficient (RFEP) | | | 47 | | | 24.0% |

Conclusions based on this data:

The 2019-20 CAASPP data for students assessed are the following: 7.6% Fluent English Proficient; 23.5% are English Learners and 24% are Reclassified (RFEP). The data represented shows an increase of students being Reclassified. This is, in part, largely due to the increased services offered to English Learners after school. The teachers at McAuliffe will continue to offer Designated and Integrated English Language Development (ELD) to support English Learners' language proficiency skills throughout the instructional day.

Conclusions based on this data:

The data above is from 2018-19 and the conclusions remain unchanged due to the COVID-19 school closure.

An analysis of the CAASPP English Language Arts data over the last three years up to 2018-19 indicate scores are 31% in 3rd grade, which is a decrease of 7% from the previous year: 41% in 4th grade, an increase of 10%; 46% in 5th grade, an increase 12%. Both 4th and 5th grade had significant growth in all areas of the CAASPP. The 3rd grade scored lower than the students in prior years in 3rd grade. Specifically, the breakdown of the four claims are as such: Claim #1 Reading was 15% Met and Exceeded; Claim #3 Listening was 10% Met and Exceeded and Claims#2 and #4 Writing Research and Inquiry was 15% Met and Exceeded. A further look into the scores shoes an inconsistency in the scores from year to year. In 2017, our 3rd grade scored higher than 4th and 5th grades. As a result of these scores, classroom teachers will continue to implement collaborative conversations as practices in order to provide all students clearly articulated learning goals based on Common Core State Standards. Teachers will also ensure students are achieving their academic goals through the aforementioned Cycle of Inquiry that includes Planning, Teaching, Assessing and Adjusting any content area. This includes providing small group instruction in English Language Arts.

Conclusions based on this data:

The data above is from 2018-19 and the conclusions remain unchanged due to the COVID-19 school closure.

In prior years, our CAASPP Mathematics scores flat-lined; meaning only little growth had been seen. This year was an exception with two of the three grades showing growth. The 2018-19 CAASPP data for students assessed show an impressive growth of 18% for fourth grade. Third and fifth grade had increases of 6% and 1%. The state preliminary scores show the most growth in fourth grade. These scores reflect a practice among that grade in collaboration, identifying student needs and responding with appropriate enrichment or intervention. These teachers report their collaboration with the sharing of resources as one of the factors for increasing student achievement. In 2018-19, third to fifth grade teachers used data from local assessments to inform instruction and determine which students would get intervention in reading and writing. Further review of the data above indicates that students in third and fifth grade had lower scores in Writing and Research/Inquiry Investigation, Analyzing, and Presenting Information. To shore up all Common Core State Standards instruction, teachers will increase their time on the Cycle of Inquiry (Plan, Do, Assess, Adjust).

Conclusions based on this data:

The data above is from 2018-19 and the conclusions remain unchanged due to the COVID-19 school closure.

Due to the recent administration of the ELPAC summative assessment, no data is available at this time.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

| 2018-19 Student Population | | | |
|--|---|---|--|
| Total Enrollment | Socioeconomically Disadvantaged | English Learners | Foster Youth |
| 698 | 56.7 | 28.1 | This is the percent of students whose well-being is the responsibility of a court. |
| This is the total number of students enrolled. | This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma. | This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses. | |

| 2018-19 Enrollment for All Students/Student Group | | |
|---|-------|------------|
| Student Group | Total | Percentage |
| English Learners | 196 | 28.1 |
| Homeless | 17 | 2.4 |
| Socioeconomically Disadvantaged | 396 | 56.7 |
| Students with Disabilities | 66 | 9.5 |

| Enrollment by Race/Ethnicity | | |
|------------------------------|-------|------------|
| Student Group | Total | Percentage |
| African American | 16 | 2.3 |
| American Indian | 1 | 0.1 |
| Asian | 11 | 1.6 |
| Filipino | 20 | 2.9 |
| Hispanic | 554 | 79.4 |
| Two or More Races | 18 | 2.6 |
| Pacific Islander | 1 | 0.1 |
| White | 77 | 11.0 |

Conclusions based on this data:

The data above is from 2018-19 and the conclusions remain unchanged due to the COVID-19 school closure.

The 2018-19 CAASPP data provided indicates Socioeconomically Disadvantaged, English Learners and Hispanic students as significant subgroups; the language most represented is Spanish. Though the numbers are not significantly high in comparison to their other subgroups, our site Homeless and Foster Youth continue to increase and at times vacillates. The Filipino subgroup continues to increase year to year. One of the goals for the site is to ensure that all students regardless of demographic receive rigorous instruction and opportunities for intervention and enrichment. The percentages for students' race/ethnicity is African American 2%; American Indian .%; Asian 1.6%; Filipino 3.6%; Hispanic 76.6%; Pacific Islander .3%; and White 12.4%. Based on this data, McAuliffe teachers will focus on strengthening both Integrated and Designated English Language Development (ELD) for English Learners (ELs) throughout the instructional day, while, at the same time, analyzing formative and

summative student achievement data for ELs, Socioeconomically Disadvantaged, and Students with Disabilities subgroups in order to progress monitor student achievement outcomes, identify underperforming students, and develop targeted, intensive intervention for students not meeting grade-level standards.

School and Student Performance Data

Overall Performance

2019 Fall Dashboard Overall Performance for All Students

| Academic Performance | Academic Engagement | Conditions & Climate |
|---|---|--|
| English Language Arts  Yellow | Chronic Absenteeism  Orange | Suspension Rate  Red |
| Mathematics  Yellow | | |

Conclusions based on this data:

The data above is from 2018-19 and the conclusions remain unchanged due to the COVID-19 school closure.

Based on the Dashboard Overall Performance, Christa McAuliffe experienced some significant increases academically, specifically in 4th grade and with math. The data for 2018-19 indicates the two areas needing strategies revamped are English Language Learners and the suspension rates. Instruction of English Language Development and the strategies used for ELs will be reviewed to address the needs of EL students. The teachers and administration have discussed strategies to improve the academics of English Learners. The suspension rate reflects the school climate. The Positive Behavior Interventions and Supports (PBIS) Committee, Site Administration and teachers will continue to use other disciplinary measures prior to suspension. We will continue to monitor and address daily student tardies and absences, implement effective prevention programs and incentives to increase students' positive attendance, and address students' behavioral, social, and emotional needs in order to administer progressive and meaningful measures of corrective action while minimizing the need for student suspension. A key to reducing the suspensions is students building positive relationships with peers and adults. Each class has a teacher-led community circle held daily to build positive relationships.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard English Language Arts Performance for All Students/Student Group | | |
|---|---|--|
| <p>All Students</p>  Yellow 21.1 points below standard Increased Significantly ++17.7 points 356 | <p>English Learners</p>  Yellow 42.5 points below standard Increased ++8.8 points 134 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |
| <p>Homeless</p>  No Performance Color 84.3 points below standard 14 | <p>Socioeconomically Disadvantaged</p>  Yellow 28.3 points below standard Increased Significantly ++17.4 points 218 | <p>Students with Disabilities</p>  Orange 102.5 points below standard Increased ++9.8 points 45 |

2019 Fall Dashboard English Language Arts Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 9 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5 |  No Performance Color 9.1 points above standard Increased Significantly ++16.4 points 13 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 27.4 points below standard Increased Significantly ++17.4 points 280 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 |  No Performance Color 0 Students |  Yellow 7.1 points below standard Increased ++4.4 points 40 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|--|---|--|
| 85.2 points below standard Increased ++6.4 points 61 | 6.8 points below standard Declined -7.2 points 73 | 8.3 points below standard Increased Significantly ++25.6 points 222 |

Conclusions based on this data:

The data above is from 2018-19 and the conclusions remain unchanged due to the COVID-19 school closure.

The data for 2018-19 indicates all students increased this past year along with English Learners and students who are Socioeconomically Disadvantaged. However, students identified as Students with Disabilities are rated as declining by -28.2 points. Since the Hispanic subgroup is the largest represented on-site, the scores reflect most of them as not meeting or exceeding the standards. Other groups to fall below are the White and Filipino subgroups. The other groups have less than ten students and they are not reported on the Dashboard. McAuliffe classroom teachers will continue to implement evidence-based instructional practices that include collaborative conversations in order to provide all students clearly articulated learning goals based on Common Core State Standards. To increase student achievement for English Learners in the area of English Language Arts, teachers will provide both Integrated and Designated English Language Development (ELD) to improve English Learners' language proficiency skills. For Students with Disabilities, teachers will continue to scaffold standards-based instruction to connect students' prior knowledge and current ability levels to grade-level standard expectations. For Socioeconomically Disadvantaged students, teachers will continue to integrate depths of knowledge levels throughout instructional activities to increase rigor within grade-level standards; provide immediate feedback; reteach core subject matter based on formative assessment data; provide opportunities for student collaboration and peer modeling; and promote high expectations for student success on grade-level Common Core State Standards.

School and Student Performance Data

Academic Performance Mathematics

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard Mathematics Performance for All Students/Student Group | | |
|--|--|--|
| <p>All Students</p>  Yellow 56 points below standard Increased ++14.6 points 354 | <p>English Learners</p>  Yellow 74.7 points below standard Increased ++5.7 points 133 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |
| <p>Homeless</p>  No Performance Color 101.7 points below standard 13 | <p>Socioeconomically Disadvantaged</p>  Yellow 60.9 points below standard Increased ++14.1 points 216 | <p>Students with Disabilities</p>  Red 131 points below standard Declined Significantly -17.5 points 44 |

| African American | American Indian | Asian | Filipino |
|---|--|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 9 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 5 |  No Performance Color 42.6 points below standard Increased ++11.1 points 13 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Yellow 62.9 points below standard Increased ++13.2 points 278 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 | (Empty) |  Green 23.3 points below standard Increased Significantly ++20.3 points 40 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard Mathematics Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|---|--|---|
| 106.7 points below standard Increased ++3.5 points 60 | 48.4 points below standard Declined -6.6 points 73 | 44.7 points below standard Increased Significantly ++22.4 points 221 |

Conclusions based on this data:

The data above is from 2018-19 and the conclusions remain unchanged due to the COVID-19 school closure.

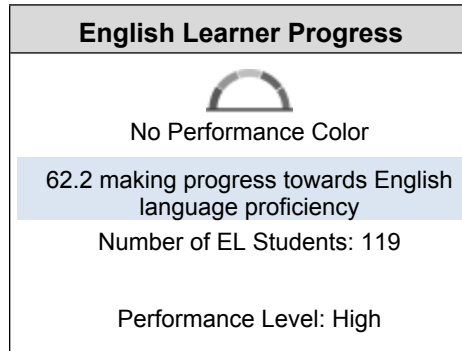

The data for 2018-19 indicates overall All Students declined this past year along with English Learners and Students with Disabilities. However, Students identified as Socioeconomically Disadvantaged rated as inclined the most significantly. McAuliffe Teachers will work with the district selected Teacher on Special Assignment and implement Mathematical Mindset strategies and Math Talk as a part of the teaching of the Common Core Standards. Students who are underperforming in Math, English Language Arts, and English Language Development will be provided with small group intervention before, during, and after school.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2019 Fall Dashboard Student English Language Acquisition Results

| Decreased One ELPI Level | Maintained ELPI Level 1, 2L, 2H, 3L, or 3H | Maintained ELPI Level 4 | Progressed At Least One ELPI Level |
|--------------------------|--|-------------------------|------------------------------------|
| 12.6 | 25.2 | 6.7 | 55.4 |

Conclusions based on this data:

The data above is from 2018-19 and the conclusions remain unchanged due to the COVID-19 school closure.

The data for 2018-19 indicates that several students rank in the higher levels, Level 4 Well Developed and Level 3 Moderately Developed on the ELPAC. The remaining two levels Somewhat Developed and Beginning Stage total 26% together. Based on the Dashboard data, classroom teachers will continue to strengthen both Integrated and Designated English Language Development (ELD) in order to increase English Learners' language proficiency skills throughout the instructional day. Students in Kindergarten will continue to receive 30 minutes of daily Designated ELD instruction, while students in grades 1-5 will continue to receive 45 minutes of daily Designated ELD instruction. English Learners will be clustered at each grade level to enable ELD teachers to provide targeted, standards-based language proficiency instruction using district-adopted curriculum materials. ELD teachers will integrate appropriate scaffolding techniques to bridge students' current oral and written language levels in reading, writing, listening and speaking to levels more representative of language proficiency and fluency. Oral and written language supports and scaffolds will also be integrated throughout all core subject areas by classroom teachers in order to enable English Learners to access grade level subject matter.

School and Student Performance Data

2019 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|---|
|  No Performance Color 10 Declined -3.3 20 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  No Performance Color 8.3 Increased +1.2 12 |  No Performance Color 0 Declined -3.7 21 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 13.2 Increased +1.8 592 |  No Performance Color 5.6 Increased +1.4 18 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 |  Orange 15 Increased +1.3 80 |

Conclusions based on this data:

The data above is from 2018-19 and the conclusions remain unchanged due to the COVID-19 school closure.

The number of students who were chronically absent in all grades subgroups is over 10%. This increase, despite ongoing efforts to decrease it, includes students spanning all grade levels. Parents have reported: 1. the late start makes it difficult for parents to get their child care prior to sending the to school thus having to leave them at home alone to get ready. The student doesn't then make it to school. 2. if their child misses the school bus, they are then unable to get their child to school since they live across town. 3. they were unfamiliar with the process for reporting absences, despite letters and phone calls that go home. The district has secured a new absence reporting system that will add texts to parents when their child is absent. This along with site strategies will aid in lowering the number of chronic absenteeism.

School and Student Performance Data

Academic Engagement Graduation Rate

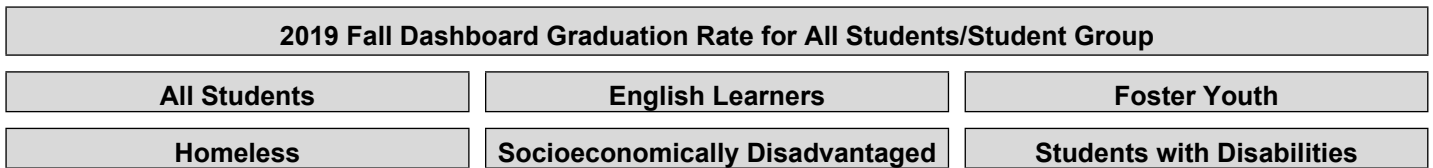

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

This section provides a view of the percentage of students who were suspended.

2019 Fall Dashboard Suspension Rate by Year

| 2017 | 2018 | 2019 |
|------|------|------|
| | 0.8 | 3.3 |

Conclusions based on this data:

The data above is from 2018-19 and the conclusions remain unchanged due to the COVID-19 school closure.

The data for 2018-19 indicates all students the rate of suspension had a significant increase among Hispanics, Asians and African Americans. This increase was due largely to a season when students violated school rules that required suspension. In all cases, other forms of correction were offered.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Mathematics

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All students will reach high academic standards in reading and mathematics.

Identified Need

These needs reflect either Distance Learning and/or Face to Face Learning Platforms:

In the event that the 2020-21 CAASPP ELA and CAASPP Mathematics Assessments are taken the following data will serve as the Metrics/Indicators, Baseline/Actual Outcomes and Expected Outcomes.

To increase the capacity of teachers to deliver effective data-driven instruction.
 To provide equipment, materials and technology resources that support high-quality instruction.
 To provide opportunities for teachers to collaborate to improve teaching and learning.

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|--|--|
| <p>1. | Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|---|---|
| | | All students identified in a subgroup (Foster Youth, SED, or EL) will increase one level on STAR 360 by the End of Year administration. |
| 5. English Learners Reclassification Rate | 34 students were classified using the CELDT data. | Increase the amount of students who are reclassified using the ELPAC assessment by 5% of students. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

Implementation of District adopted ELA/ELD curriculum as aligned with CCSS. Ensure the appropriate time for reading language arts instruction at each grade level through monitoring daily classroom schedules and observations.

Implementation of District adopted Math curriculum as aligned with CCSS. Ensure the appropriate time for reading language arts instruction at each grade level through monitoring daily classroom schedules and observations.

Materials and supplies will be purchased to support and supplement the core instructional program.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | District Funded None Specified District Adopted Materials |
| 0 | District Funded None Specified |

| | |
|-------|---|
| | Administrator Learning Walks (year 3) |
| 2500 | Title III 4000-4999: Books And Supplies Core Materials and Copies |
| 125 | Discretionary 5000-5999: Services And Other Operating Expenditures Spelling Bee Registration |
| 37238 | Discretionary 4000-4999: Books And Supplies Materials |
| 15785 | Title I 4000-4999: Books And Supplies Materials |
| 1061 | LCFF - Targeted 4000-4999: Books And Supplies Materials |
| 2604 | LCFF - Intervention 4000-4999: Books And Supplies Materials |
| 1139 | Title III 4000-4999: Books And Supplies Materials |

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

Intervention Support Provider(s) for reading in grades K-5th grade

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Title I
1000-1999: Certificated Personnel Salaries
Teacher Salary - Reading, Math, ELD

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners

Strategy/Activity

Across All Learning Platforms:

Teachers to monitor catch-up plans for all 3rd grade EL students identified as "at risk" by teachers.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

350

Source(s)

Title III
1000-1999: Certificated Personnel Salaries
Substitute (twice a year) Salary

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

Teacher collaboration, observations and data analysis will occur in order to best address the needs of all students and at the same time maintain a professional learning community. Meetings to take place weekly.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 0 | District Funded 1000-1999: Certificated Personnel Salaries Weekly Meetings |
| 2100 | LCFF - Targeted 1000-1999: Certificated Personnel Salaries Leadership Team Meetings with Consult Data Analysis with Leverage Learning (2 Days of Meetings) |

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

Curriculum and Instruction Department Professional Development to teachers that will include:

- Mathematical Mindset; which can include Jo Boaler via Zoom
- Math journals
- Math fluency
- Data review (IAB, STAR, etc.)

Teachers will use STMath to support students during asynchronous instruction.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 0 | District Funded None Specified Substitutes' Salaries |
| 2500 | Title I 4000-4999: Books And Supplies Dot Journals, Materials for fluency (games), Math Mindest Books (Jo Boaler) |
| 1299 | LCFF - Targeted |

| | |
|---|--|

| 3350 | LCFF - Targeted 1000-1999: Certificated Personnel Salaries Tech Support for Teachers |
| 3000 | Discretionary None Specified Laptops |

Strategy/Activity 13

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students who are under performing or who are in need of academic and socio-emotional supports.

Strategy/Activity

Across All Learning Platforms:

Child Find: The process of identifying student progress, enrichment, instruction and interventions. This includes CST/SST or 504 meetings that reviews diagnostics assessment for struggling readers per benchmark data.

Coordinate 504 meetings for students as needed.

Conduct meetings with student study team to review, within our Multi-Tier System of Supports (MTSS), cases of students who are not making sufficient progress on grade level standards or who are demonstrating a need for behavior and social-emotional support.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

3375

Title I
2000-2999: Classified Personnel Salaries
ORC Salary for Facilitation of Meetings (75 hours)

3500

Title I
2000-2999: Classified Personnel Salaries
CoST/SST Substitutes (20 days)

3500

Title I
1000-1999: Certificated Personnel Salaries
IEP Substitutes (20 days)

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

Repair or replace IT equipment.

District Technology Tech will support the STEAM units by keeping equipment in working condition and advising on new equipment.

Provide technology for student presentation of STEAM (Focus Strand) to peers and students.
Provide technology display of student data at CST/SST/IEPs and staff data meetings.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 0 | District Funded None Specified Library Media Technician Salary |
| 8000 | Title I 4000-4999: Books And Supplies Headphones |

Strategy/Activity 15

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

Use Accelerated Reader Program to support reading comprehension and fluency and as an assessment tool for identifying students in need of intervention.

Recognize students' growth on reading on AR and other areas of academics with school-wide challenges.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | District Funded None Specified Accelerated Reader Program |
| 2000 | LCFF - Targeted 4000-4999: Books And Supplies Incentives |

800

LCFF - Targeted
4000-4999: Books And Supplies
Incentives - Student Store

Strategy/Activity 16

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

Purchase materials to support emotional regulation to students, parents and teachers; includes the Therapeutic Learning Class.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

500

Source(s)

LCFF - Targeted
4000-4999: Books And Supplies
Materials (\$250 per class)

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 18

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 19

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 20

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Learners

Strategy/Activity

Across All Learning Platforms:

Implement the District Master Plan for English Learners.

Ensure implementation of McGraw-Hill ELD Curriculum through direct and embedded ELD instruction. Content area instruction will be supported through SIOP strategies.

Students placed in ELPAC proficiency leveled groups for ELD and provide instruction and intervention based on language goals.

Use data to target the specific educational needs of EL students and provide appropriate support and/or intervention.

Provide time, through staff development and release time for teachers to analyze EL assessments.

Develop and review goals that focus on areas of need. Develop grade level block systematic ELD instruction time, 45 minutes for 1st-5th and 30 minutes for Kindergarten.

Recognize student Reclassification at an annual assembly.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 0 | District Funded None Specified Instruction, Assessment and Student Monitoring |
| 0 | District Funded None Specified Learning Walks |
| 889 | Title III 1000-1999: Certificated Personnel Salaries Teacher Extra Hours (20 hours) to assist with coordination of ELPAC |
| 250 | Title III 4000-4999: Books And Supplies Reclassification Awards |

Strategy/Activity 21

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 22

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Across All Learning Platforms:

Use MyOn and Lexia Programs to support literacy and reading comprehension through access on 1:1 devices.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 28

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 29**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 30**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 31**Students to be Served by this Strategy/Activity**

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 32

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 33

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The data above was reviewed through the lens of the school closure on March 13, 2020 which resulted in distance learning and assessing. Regular end of the year assessments were not given, thus causing us to use previous data for the CAASPP. The STAR 360 data is current to this academic year, but was administered virtually. Though this did provide us with a baseline there is cause to question its validity since teachers were not able to ensure a secure testing environment that was free from distractions and/or assistance. Nevertheless, these scores are being used to set mid and end of the year goals.

Though we did see improvement in midyear STAR Math, not reflected above, we noted that the STAR Math requires little demonstration on the students' part to explain their thinking. This is an essential part to the CAASPP. To support math, our students will use math journals to share their thinking and math talks. Teachers will support writing all the way around through writing instruction and student feedback.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There are significant differences in the intended implementation of last year's SPSA. March 12, 2020 was the last day our students were on campus fact to face. As a result, the following strategies/activities were not implement or altered, thus resulting in a change in expenditures that were reassigned the Oxnard School District general fund:

1. The Reading Specialist provided services virtually.
2. Several students were inconsistent with instruction despite efforts to contact them.
3. Reclassified students were not provided with the awards due to the school closure.
4. There was an increase of students who were falling behind academics due to the closure.
5. Students identified in the Child Find process will continue to be support through the MTSS process.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

In the upcoming year, teachers will closely look at instruction, data, and intervention through the Cycle of Inquiry in English Language Arts and consider using another method for addressing student instructional needs. The site Leadership Team have committed to these cycles of inquiry for the purpose of improving instruction.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

These needs reflect either Distance Learning and/or Face to Face Learning Platforms:

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

These needs reflect either Distance Learning and/or Face to Face Learning Platforms:

To decrease the suspension rate

To increase positive behavior

To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|----------------------------|--|---|
| 1. Chronic Absenteeism | In 2018-2019, 11.7% of the students were identified as Chronic Absentees. | Decrease the amount of Chronic Absentees by 2%. |
| 2. Referrals to Office | In 2018-2019, 385 Referrals from TK to 5th Grade were made to the office. | Decrease the amount of office referrals by 10%. |
| 3. Suspensions | In 2018-2019, 3.64% Suspensions were on the rise in the past year. | Reduce the amount of suspensions by 10%. |
| 4. Healthy Kids Survey | In 2018-2019, 41% of students stated that "adults really care about every student." 29% stated "adults acknowledge and pay attention to students." | Increase the amount of students who score higher on areas related to connections with others and positive relationships on campus by 10%. |
| 5. Panorama Student Survey | District baseline | Increase academic and socio-emotional well-being for students at site. |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|---|------------------|
| | <p>Student Competencies Grades 3-5</p> <ul style="list-style-type: none"> Growth mindset appears to be relative strength but it is much less a strength when comparing to high poverty elementary students across the nation Self management is a relative weakness and a keystone skill for success. <p>Site will have a new baseline this year.</p> | |

Complete a copy of the Strategy/Activity table for each of the school’s strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

Implementation of PBIS school-wide and CHAMPS in common areas, such as, bathrooms, cafeteria, and hallways and online.

Staff will fully implement CHAMPs in all grade levels using all components of the program for Positive Behavior Support.

Establish school guidelines and implement throughout campus.

Coordinate Student Leadership Team Meetings

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

| | |
|-----|---|
| 500 | LCFF - Targeted 4000-4999: Books And Supplies Materials |
| 500 | LCFF - Targeted 4000-4999: Books And Supplies Student Leadership Team Meeting |

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Across All Learning Platforms:

Ensure confidentiality of documents and sensitive student information.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 600 | LCFF - Targeted 5800: Professional/Consulting Services And Operating Expenditures Contract for Shredding Services |

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

Hold CHAMPS & Guidelines assemblies every six to eight weeks.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

| | |
|-----|---|
| 200 | LCFF - Targeted 5800: Professional/Consulting Services And Operating Expenditures Assemblies from outside agency; others in house |
| 50 | LCFF - Targeted 4000-4999: Books And Supplies Supplies |

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

Outreach Consultant will support students by assisting families and students with support in logging into academic apps and Canvas.
Outreach Consultant will support students by coordinating services needed at school and by helping families access social services in the community.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 24

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 25

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 26

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 27

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 28

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 29

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 30

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 31

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 32

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 33

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 34

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The data above was reviewed through the lens of the school closure on March 13, 2020 that resulted in distance learning and assessing.

McAullife has currently 592 students currently enrolled in the TK-5th grade classes. It's population is a mixture of ethnicities, languages and socio-economic statuses. Approximately 40% of students enrolled are designated as overflow or transfer students. In 2018-19 students rated higher in one

area on the Healthy Kids survey; but lower in three other significant areas. The higher area was in perceived safety. The lower areas were caring relationships, meaningful relationships and school connectedness. Regardless of the demographics, the site is seeing an increase of students needing social/emotional support. This is seen by the increase of referrals made to Ventura County Behavior Health, the SARB process and site/school counseling.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There are significant differences in the intended implementation of last year's SPSA. March 12, 2020 was the last day our students were on campus fact to face. As a result, the following strategies/activities were not implement, thus resulting in a change in expenditures that were reassigned the Oxnard School District general fund:

1. Second trimester awards, incentives and assemblies were not held for attendance, PBIS, and assemblies.
2. The end of the year school evacuation did not take place. However, on January 23, 2020 our school experienced a traumatic incident that lead us to have a mass dismissal of students. This gave our site an opportunity to access what the needs for our campus was in terms of releasing students.
3. Due to the school closure, our efforts to connect and support students through phone calls and home visits increased significantly.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Depending on the student, Goal Two takes the priority in that is seeks to ensure the well-being of students first and foremost. Since the pandemic, we have seen the needs of families shift as more of them are in need of basic needs and resources for mental and emotional health. This has caused a realignment of tasks for staff, sharing of additional resources to parents, increased home sites, and academic/technology support to families. At the writing of this plan our students are taking the Panorama Survey. The results of this survey will further guide resources needed by families and school strategies.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

These needs reflect either Distance Learning and/or Face to Face Learning Platforms:

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities

To facilitate parent involvement in the educational and social-emotional well-being of their children.

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|--|---|
| Coffee with the Principal Participation | In 2018-2019 an average of 12 parents attended Coffee with the Principal. | Increase parent attendance to an average of 25 in attendance. |
| ELAC Sponsored Parent Events Sign-in Sheets | In 2018-19 an average of on parent attended ELAC meetings. | Increase parent attendance to an average of 15 in attendance. |
| Healthy Kids Survey Parent Completion | In 2018-19 an insignificant number of parents completed the Healthy Kids Survey. | Increase parent participation in completed the survey. The information gathered will guide our school site in supporting parents. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students in 1st through 5th grade

Strategy/Activity

Across All Learning Platforms:

After School Program Parent Nights will be offered to provide parents with nutrition education, hands-on tips, games, and strategies parents can employ to assist students with healthy habits and schoolwork.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

District Funded
2000-2999: Classified Personnel Salaries
No cost

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

Provide support for parents, staff, and students in the area of attendance and engagement.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

Centralized Services
2000-2999: Classified Personnel Salaries

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Across All Learning Platforms:

School Counselor will work with students and families regarding behavior and social-emotional issues, individually and in small groups.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

Centralized Services
2000-2999: Classified Personnel Salaries
Counselor salary (see Goal 2)

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Transitional/Kindergarten and New Students

Strategy/Activity

Across All Learning Platforms:

Transitional/Kindergarten and New Students to McAuliffe Orientation.
All students to have an orientation at the beginning of the school year as we begin remote learning.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

LCFF - Targeted
1000-1999: Certificated Personnel Salaries
Orientation Night

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All Students

Strategy/Activity

Across All Learning Platforms:

Conduct parent workshops "Fast Forward to College: K-15 COLLEGE KNOWLEDGE"

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 31

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 32

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 33

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 34

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

The data above was reviewed through the lens of the school closure on March 13, 2020 that resulted in distance learning and assessing. Parents have not historically responded with high attendance to parent workshops and or school meetings at our site. However, observations of meetings held by the district with regards to remote learning have shown McAuliffe parents in attendance. Due to the new schedule and possible

Hybrid Schedule increased meetings and parent workshops are being offered through Zoom or video. These include how to access Canvas and next steps for returning to school. To promote a college going school, a series of workshops will be offered from UC Berkeley on college preparation. Moreover, ELAC parents have requested for tips on how to motivate and guide their students at home through remote learning.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There are significant difference in the intended implementation of last year's SPSA. March 12, 2020 was the last day our students were on campus fact to face. As a result, the following strategies/activities were not implement, thus resulting in a change in expenditures that were reassigned the Oxnard School District general fund:

1. More social-emotional supports are needed by families and parents.
2. The needs have the potential to fluctuate throughout the year.
3. Workshops will be offered via Zoom.
4. Other supports will be offered by out ORC and site Counselor.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

As mentioned above, the social-emotional supports needed by families is growing and fluctuates. Since Parents are held in high esteem at McAuliffe not only because they provide nurture and a sense of well-being in the children, but because they are a voice for setting a positive mindset towards learning. Continued efforts will be made to support and cultivate the home/school connection to a greater degree. The use of social media to promote events and provide tools will be increased this year.

We feel the need to incorpoarte the partnership with parents as we address issues of social justice and race in society/within America these days. We are inviting them to particpate with their children in the We Belong book club offered by the School Librarian.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

| Description | Amount |
|---|--------------|
| Total Funds Provided to the School Through the Consolidated Application | \$54,307 |
| Total Federal Funds Provided to the School from the LEA for CSI | \$0 |
| Total Funds Budgeted for Strategies to Meet the Goals in the SPSA | \$181,890.00 |

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

| Federal Programs | Amount (\$) |
|------------------|-------------|
| Title I | \$45,568.00 |
| Title III | \$8,739.00 |

Subtotal of additional federal funds included for this school: **\$54,307.00**

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

| State or Local Programs | Amount (\$) |
|-------------------------|-------------|
| Centralized Services | \$0.00 |
| Discretionary | \$40,363.00 |
| District Funded | \$0.00 |
| LCFF - Intervention | \$33,604.00 |
| LCFF - Targeted | \$53,616.00 |

Subtotal of state or local funds included for this school: **\$127,583.00**

Total of federal, state, and/or local funds for this school: **\$181,890.00**

Budgeted Funds and Expenditures in this Plan

The tables below are provided to help the school track expenditures as they relate to funds budgeted to the school.

Funds Budgeted to the School by Funding Source

| Funding Source | Amount | Balance |
|---------------------|-----------|---------|
| Discretionary | 40,363.00 | 0.00 |
| Title I | 45,568.00 | 0.00 |
| Title III | 8,739.00 | 0.00 |
| LCFF - Targeted | 53,616.00 | 0.00 |
| LCFF - Intervention | 33,604.00 | 0.00 |

Expenditures by Funding Source

| Funding Source | Amount |
|----------------------|-----------|
| Centralized Services | 0.00 |
| Discretionary | 40,363.00 |
| District Funded | 0.00 |
| LCFF - Intervention | 33,604.00 |
| LCFF - Targeted | 53,616.00 |
| Title I | 45,568.00 |
| Title III | 8,739.00 |

Expenditures by Budget Reference and Funding Source

| Budget Reference | Funding Source | Amount |
|--|----------------------|-----------|
| 2000-2999: Classified Personnel Salaries | Centralized Services | 0.00 |
| 4000-4999: Books And Supplies | Discretionary | 37,238.00 |
| 5000-5999: Services And Other Operating Expenditures | Discretionary | 125.00 |
| None Specified | Discretionary | 3,000.00 |
| 1000-1999: Certificated Personnel Salaries | District Funded | 0.00 |
| 2000-2999: Classified Personnel Salaries | District Funded | 0.00 |

| | | |
|---|---------------------|-----------|
| 5000-5999: Services And Other Operating Expenditures | District Funded | 0.00 |
| 5800: Professional/Consulting Services And Operating Expenditures | District Funded | 0.00 |
| None Specified | District Funded | 0.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Intervention | 30,500.00 |
| 4000-4999: Books And Supplies | LCFF - Intervention | 3,104.00 |
| 1000-1999: Certificated Personnel Salaries | LCFF - Targeted | 25,356.00 |
| 2000-2999: Classified Personnel Salaries | LCFF - Targeted | 9,600.00 |
| 4000-4999: Books And Supplies | LCFF - Targeted | 14,561.00 |
| 5000-5999: Services And Other Operating Expenditures | LCFF - Targeted | 2,299.00 |
| 5800: Professional/Consulting Services And Operating Expenditures | LCFF - Targeted | 1,800.00 |
| 1000-1999: Certificated Personnel Salaries | Title I | 4,240.00 |
| 2000-2999: Classified Personnel Salaries | Title I | 8,455.00 |
| 4000-4999: Books And Supplies | Title I | 29,623.00 |
| 5000-5999: Services And Other Operating Expenditures | Title I | 3,250.00 |
| 1000-1999: Certificated Personnel Salaries | Title III | 2,739.00 |
| 2000-2999: Classified Personnel Salaries | Title III | 1,250.00 |
| 4000-4999: Books And Supplies | Title III | 4,750.00 |

Expenditures by Goal

| Goal Number | Total Expenditures |
|-------------|--------------------|
| Goal 1 | 141,055.00 |
| Goal 2 | 29,556.00 |
| Goal 3 | 11,279.00 |

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

| Name of Members | Role |
|-------------------|----------------------------|
| Mary Elisondo | Principal |
| Sara Cervantes | Classroom Teacher |
| Maria Liston | Classroom Teacher |
| Taylor Lumas | Classroom Teacher |
| Heidi Trevisan | Other School Staff |
| Ellis L. Green | Parent or Community Member |
| Lola Brisco | Parent or Community Member |
| Valerie Garcia | Parent or Community Member |
| Marylove Gonzalez | Parent or Community Member |
| Jessica Gomez | Parent or Community Member |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

| Signature | Committee or Advisory Group Name |
|---|------------------------------------|
|  | School Site Council |
|  | English Learner Advisory Committee |

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on October 1, 2020.

Attested:

| | |
|---|---|
|  | Principal, Mary Arias Elisondo on 10/1/2020 |
|  | SSC Chairperson, Taylor Lumas on 10/1/2020 |

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

[Annual Review and Update](#)

[Budget Summary](#)

[Appendix A: Plan Requirements for Title I Schoolwide Programs](#)

[Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning Requirements](#)

[Appendix C: Select State and Federal Programs](#)

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE’s Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE’s School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school’s plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**asurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs

For a list of active programs, please see the following links:

Programs included on the Consolidated Application: <https://www.cde.ca.gov/fg/aa/co/>

ESSA Title I, Part A: School Improvement: <https://www.cde.ca.gov/sp/sw/t1/schoolsupport.asp>

Available Funding: <https://www.cde.ca.gov/fg/fo/af/>

Developed by the California Department of Education, January 2019

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

| School Name | County-District-School (CDS) Code | Schoolsite Council (SSC) Approval Date | Local Board Approval Date |
|---------------------------|-----------------------------------|--|---------------------------|
| McKinna Elementary School | 56725386055354 | October 13, 2020 | November 4, 2020 |

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

McKinna has developed the School Plan for Student Achievement (SPSA) to align with the approved Local Control and Accountability Plan (LCAP) for the Oxnard Elementary School District as well as the goals stated within the OSD biliteracy-literacy pedagogy. McKinna has established Professional Learning Communities where teachers understand the value of grade level and cross grade level collaboration in grades K-5. In addition to weekly grade level collaboration opportunities, teachers have the opportunity for cross grade level PLCs. This is especially important for building school wide capacity within the DLI program in K-2 and Standards Based instruction across grade levels. In addition, the PLC model is essential to help McKinna teachers build and implement effective instruction within the new Learning Management System - Canvas. All grade level teams are committed to the PLC Guiding Goals to improve first instruction: Universal/Essential Understandings, Commitments, Agreements -- Every grade level, every class, every student, every day:

- We will build a data driven culture school wide to increase student achievement.
- We will implement high leverage teaching and learning practices school wide to increase student achievement
- We will teach, model and reinforce school wide expectations and social-emotional strategies to increase self-regulation, resilience and peaceful problem solving.
- We will commit to standards based teaching and learning within a balanced literacy model.
- We will focus on strategic teaching of writing across all content areas
- We will focus on oracy and the development of academic language through scaffolds, strategies and supports across all content areas

The McKinna School Site Council meets regularly throughout the school year to ensure that the SPSA is being implemented as written, and that any necessary adjustments are made as authorized by the school site council. The school site council members will include an equal representation of school staff members and McKinna parents/community members. Throughout the school year, the site council will continuously analyze the goals within this plan, along with the corresponding action items, to ensure that we are making necessary adjustments to serve the needs of our students.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

McKinna's school wide focus for the 2019-20 school year was to strengthen "First Instruction" adhering to the Oxnard School District's literacy/biliteracy pedagogy, that promotes a balanced literacy approach to teaching and learning. Aligned with the OSD pedagogy, McKinna's emphasis last year was on standards based instruction and the strategic teaching of writing across all content areas. In addition, McKinna's school wide instructional focus included the strategic integration of oracy strategies to foster academic language across all content areas.

Last year, McKinna utilized the walk through protocol during weekly classroom visits to gather data around observed instructional practices that were aligned with the OSD literacy/biliteracy pedagogy and these school wide commitments. McKinna's leadership team identified 5 key "Instructional Look Fors" to ensure a deeper focus to the school wide commitments to improve instruction.

These "Instructional Look Fors" included the areas below which are research based essential "First Instruction" practices shared within the Dual Language Immersion program.

1. Student Engagement: Students are doing most of the talking and participating in meaningful, cooperative learning with varied work groupings. Conversations are purposeful, academically focused & linked to content/text.
2. Student Engagement and Scaffolds for Oracy: Active participation of all students with scaffolded support provided by teachers and students.
3. Standard's based instruction and focus on writing tied to content: Evidence of standard-based writing in content areas. Student writing is connected with content (Social Studies, Science, Math)
4. Clear learning objectives for both language and content: Students have a clear understanding of the activity. Frequent checking for understanding and corrective feedback.
5. Evidence of well-established routines and practices.

Data collected during the learning walks was specific, observable and without judgment for the purpose of reflection and identifying professional development needs to ensure ongoing improvement around teaching and learning. Data from the learning walks was reviewed by the leadership team and staff to create and implement McKinna's professional development plan. McKinna staff prioritized PD needs around oracy & writing. Within the professional learning community model, grade level teams collaborated within and across grade level teams to identify and consistently implement high leverage oracy strategies to build and scaffold academic language, and high leverage writing strategies to be utilized throughout the writing process.

High leverage oracy strategies include but are not limited to the following examples which were observed during classroom visits:

**Total physical response (TPR), ** Integration of realia/pictures aligned to oracy building to scaffold academic language ** Focused/intentional partnering with targeted vocabulary and sentence frames. ** Integration of oracy rubrics to monitor language development needs

High leverage practices for strategic writing instruction include but are not limited to the following practices throughout the writing process which were observed during classroom visits:

** Integration of graphic organizers **Opportunities to share orally through the writing process
**Guided whole group interactive writing **Guided and independent writing **Integration of rubrics and benchmark models

Teacher leaders shared resources and modeled best practices for oracy and writing instruction to increase frequency and efficacy of the high leverage practices listed above. Data from the learning walks prior to transitioning to Distance Learning at the beginning of April indicated increased grade level alignment and implementation of these practices within classroom instruction.

During the 2020-21 school year, the McKinna staff will continue to focus on research based "Best First Instruction" practices within the Distance Learning Framework. Ongoing school wide collaboration and a professional development focus centers on effective implementation of standards based instruction for literacy and language development throughout the 3 essential Learning Spaces in the instructional day: Synchronous, Asynchronous and Independent.

Teaching and learning space during synchronous instruction includes but is not limited to the following practices to promote high student engagement:

** Students asking questions **Orally responding to prompts **Academic discourse
**Collaborative conversations ** Explaining understanding **Clear objectives & checks for understanding

Teaching and learning space during asynchronous blended learning includes but is not limited to the following practices to promote integrated standards based instruction:

** Project-based learning based on social studies/science integrated with literacy and math ** Presentations

Teaching and learning space during independent learning includes but is not limited to the following practices to reinforce literacy and math skills:

** Students independent skill practice with learning applications like MyOn/AR, Lexia, ST Math,
**Students designing projects and creating presentations

Another essential area of focus for school wide collaboration and professional development centers on building school wide capacity around the effective utilization of Canvas, the District wide new learning management system. Because this system is new to the McKinna community, McKinna is scheduling dedicated collaboration and professional development opportunities throughout the year for staff, students and families. Collaboration and professional development opportunities for staff and families are essential to help build school wide capacity for effective teaching, learning and communication during Distance Learning.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

McKinna staff is committed to utilizing available state and local assessments during the 2020-21 school year to inform and improve instruction. This includes but is not limited to CAASPP and ELPAC state assessments administered this spring and formative local assessments like STAR reading and math tests and writing assessments administered throughout the year per the OSD Assessment Calendar. Within DLI K-2nd grade, assessments will be administered in both English and Spanish based on language of instruction.

The formative assessments in the fall help evaluate learning gaps created in the 5 months students were unable to attend traditional school due to the COVID Pandemic. This information is utilized to plan targeted first instruction that is scaffolded and differentiated to provide access to grade level standards for all students. Multiple data points for language, reading, writing and math are reviewed within 6-8 week assessment cycles to monitor student growth percentiles and determine instructional needs. In addition to formative assessment data, teachers also review data with learning applications like Myon/AR, Lexia & ST Math. Grade level teams utilize rubrics for evaluating student progress in language, literacy, writing and math, calibrating student results to create grade level instructional and intervention plans centered on research based practices. Teachers share student progress on attendance, student engagement, assessments, independent work and homework on a weekly basis through Canvas and other communication venues. Report cards have been revised to a standard based format. Student progress on grade level standards will be shared with families during conferences and on report cards 3 times a year.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

McKinna's grade level teams utilize curriculum-embedded assessments to inform and refine instruction for literacy and math. Grade level teams identify a writing focus for every unit to include the first 3 writing anchor standards: opinion, informative and narrative writing. Teachers administer writing pre-tests to help plan instructional needs collaboratively. Rubrics and graphic organizers are utilized for explicit scaffolding leading up to the post-test which teachers calibrate utilizing the rubrics. These assessments help inform instructional focus during the next unit. Opportunities for cross grade level articulation within PLCs are integrated throughout the year to inform and refine teaching and learning in standards based instruction, language, literacy, writing and math.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

The district ensures that that all site staff meets requirements to be considered "highly qualified." This is monitored by the district's Human Resources Department.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Incoming teachers are appropriately credentialed and provided with various forms of support. New Teacher Orientation is offered which includes District expectations and procedures, training on current curricular materials and programs and tips on classroom management. The district works with the Ventura County Office of Education to provide Induction for new teachers. Professional development is always offered when new materials are adopted. Follow up training is available to continue to support the use of the materials.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Professional development is provided at the site and district level to ensure that instruction is aligned to current Common Core State Standards. There is a district assessment calendar to ensure that student progress is sufficiently monitored throughout the year. Professional development and support is provided on the assessment system and the specific types of assessments. Structures are in place at school sites to allow teachers to analyze data in collaborative groups in order to identify student needs and adjust instruction accordingly.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

The Educational Services Department includes Directors who provide support for Curriculum, Instruction, Biliteracy Programs, English Learner Services, Special Education and Pupil Services. An Instructional Specialists for science and a Math Manager work directly with teachers to support instruction in Science and Math. EL (English Learner) & DLI Directors work closely with teachers to support biliteracy & English Learners. . Site Principals function as instructional leaders.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

McKinna has established Professional Learning Communities where teachers understand the value of grade level and cross grade level collaboration and school wide professional development. In addition to weekly grade level collaboration, McKinna Leadership team plans cross grade level collaboration and professional development. The focus during the 2020-21 school year is effective "First Instruction" within each of the 3 Learning Spaces in Distance Learning: synchronous, asynchronous and independent times within the instructional day. Teachers will focus on standard's based instruction, clear learning objectives, active student engagement, multiple ways to check for understanding, and differentiation.

McKinna's PLC Guiding Goals to improve first instruction include the following commitments within every class, every student, every day throughout the 2020-21 school year.

- We will build a data driven culture school wide to increase student achievement.
- We will implement high leverage teaching and learning practices school wide to increase student achievement
- We will teach, model and reinforce school wide expectations and social-emotional strategies to increase self-regulation, resilience and peaceful problem solving.
- We will commit to Standards Based teaching and learning within a balanced literacy model for science, social science and math
- We will focus on strategic teaching of writing across all content areas: science, social studies, math
- We will focus on the development of academic language through oracy strategies, integrating strategic scaffolds and supports within teaching and learning across all content areas

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Collaboration work, using the PLC (Professional Learning Communities) model, supports use of instructional strategies aligned to current CA Common Core State Standards. State adopted and approved curricular materials support instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Instructional minutes are monitored by the Business Services office. All school schedules adhere to the guidelines governing recommended instructional minutes.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

The district assessment calendar and adopted curricula provide guidance on lesson pacing. Student needs are determined by data analysis. Courses are scheduled based on these student needs.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Instructional materials provided for all students are managed by our district Textbook Coordinator. Participation in Williams Inspections confirms that all students have access to required materials.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Adopted and standards-aligned materials are provided for use in all classrooms. Intervention materials must be research-based. Funds are allocated to sites to purchase any additional materials they determine are necessary to meet student needs.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

McKinna is a large elementary school within the Oxnard School District that served 676 students in grades K -5 based on CALPADS data from the 2019-20 school year. The CALPADS report shows McKinna's Unduplicated Pupil Count at 97.35% which includes English Learners representing 78%, McKinny Vento youth at 9.1%, and 93.8% who are eligible for free/reduced meals and classified as Socioeconomically Disadvantaged. The primary ethnic group is Hispanic or Latino at 97.19%. 95.% designated Spanish as the primary language and 5% designated Mixteco. CALPADS report also shows ' 4.6% as 'migrant,' and 5.9% with disabilities.

At time of publication of the SPSA for 2020-21 school year, McKinna's current enrollment in K-5 is at 602 students all receiving instruction through Distance Learning. McKinna is a Title I school within a Title I district. As a result, all students receive free breakfast and lunch due to the high percentage of students who are within these under-served sub groups. The high percentage of Socioeconomically Disadvantaged and English Learner, homeless sub groups are considered historically under-served, under-performing and/or at risk populations. McKinna is committed to full consideration of the district values of equity, integrity, service and accountability when planning goals and actions for all McKinna students. The district has provided iPads to all K-5th grade students as well as Hot Spots to families without wi-fi to ensure continued instructional access during Distance Learning. In addition, McKinna will utilize the district provided learning management system, Canvas, for instruction with students and communication with students and families.

The McKinna community works collaboratively to foster responsive, restorative systems within a Multi-Tiered Systems of Support (MTSS) framework to create a healthy learning environment. This is especially important in a school like McKinna with a high percentage of students who come from under-served high risk sub groups and due to the disruption of traditional schooling while transitioning to Distance Learning for the 20-21 school year. McKinna staff is committed to supporting the social-emotional development of the students through the implementation of a proactive and positive behavior support system (PBIS). The PBIS Leadership Team works within the Safe and Civil School model through a continuous improvement process to guide the entire staff through the construction and implementation of a comprehensive approach to behavior support. This approach is proactive, positive, and instructional; offering an alternative means of correction to address student behavior that preserves student attendance and builds student responsibility, self-control and civic awareness. The goal of the Safe and Civil Schools model is to reduce all behavioral and motivational barriers to learning by promoting safety and pro-social behavior, by supporting both academic and social emotional learning, and by enhancing staff consistency in teaching positive behavior expectations school wide. McKinna staff will continue to incorporate a collaborative approach and common language for teaching students self-regulation strategies and school wide expectations for success, essential approaches for fostering social-emotional development in children. Staff has reviewed Distance Learning expectations and guidelines with students and families to promote success during all 3 spaces of Distance Learning: synchronous, asynchronous and independent time which makes up the instructional day.

In addition to school wide systems for supporting social-emotional needs for students, the McKinna school counselor and outreach specialist also serve to support student and family needs. The counselor provides classroom lessons in social emotional learning and both small group and individual counseling sessions. In addition, the school counselor serves as crisis intervention coordinator, following up with outside counseling services for students needing higher level interventions. The school outreach specialist (ORC) monitors attendance and student engagement and helps families connect to essential services for food, clothing, housing and technology. Both the school counselor and ORC assist with the COST/SST referral process and help with student intervention plans. In addition, they both host parent educational meetings, conduct home visits, and work with outside agencies for referrals for behavioral health services. During the 2020-21

school year, students and families will continue to receive support through these District funded support staff which includes the counselor, outreach support, special education team and social worker. Staff will also continue to receive training and guidance to ensure trauma informed practices are embedded throughout the school community.

McKinna is following the District guidelines and schedules for for Distance Learning and will continue to offer services like ELD and special education as well as programs like Dual Language Immersion. This year the DLI program will be implemented with K-2nd grade students in a 50/50 model which means students receive instruction in both English and Spanish daily through a teacher teaming model that protects the language of instruction. Every year over the next 3 years, McKinna will offer the DLI program to an additional grade level following this 50/50 model. By the time this year's 2nd grade class matriculates to 5th grade, all of McKinna's K-5th grade students will have the opportunity to become biliterate, bilingual and muticultural through a rigorous academic program so they can develop to their fullest potential as global citizens. Teachers within the DLI program follow the OSD literacy/biliteracy pedagogy and the DLI instructional maps created with the partnership of the Biliteracy Institute.

McKinna will continue to offer other programs and resources to support English Learners and to facilitate successful academic English language acquisition. During the 2020-21 school year, McKinna continues to implement the Transitional Bilingual Program for 3rd grade.. This program utilizes Spanish instruction to assist students in their transition to English instruction across all content areas. In addition, all English Learners in K-5th grade are supported with highly trained teachers and support staff who develop academic language through oracy strategies throughout the day to scaffold rigorous Common Core Standards across content areas. Numerous teachers and para-educators are bilingual and available to offer support for students in English and Spanish as needed within Sheltered English Instruction (SEI) classes. All English Language Learners receive differentiated ELD (English Language Development) instruction daily within designated and integrated ELD to further support acquisition of academic English language.

McKinna is a multi-media- STEAM "Strand Focus" that continues to utilize technology along with science/math and art to foster high student engagement. McKinna holds the honor of an Apple Distinguished School and has also be recognized by VC STEM Network, a group of diverse stakeholders including educators, business and community agencies, that seek to improve access to opportunities that will improve educational outcomes for all students. McKinna's goal is to move students from consumers to creators utilizing digital content. Staff members consistently work on improving skills in the delivery of technology and curriculum in order to provide McKinna students with the best possible educational experience as 21st Century Learners.

Evidence-based educational practices to raise student achievement

The staff will continue to engage in ongoing professional development and collaboration that strengthens first instruction around math, language and literacy across all grade levels throughout the day. Special focus will be placed on effective delivery of first instruction within a Distance Learning blended model that will increase student engagement and provide opportunities to differentiate instruction. McKinna staff utilizes research based educational practices that are responsive through data-driven instruction, ongoing reflection and collaboration and professional development to strengthen teaching and learning practices school wide. As a community of learners, we will focus on high leverage, research based instructional practices to increase opportunities for students to communicate thinking and reasoning, with differentiated instructional strategies to foster language and literacy development aligned with Common Core Standards. For example, teachers focus on the 8 math practices as well as math claims within the CAASPP system: concepts & procedures, problem solving/data analysis, and communicating reasoning. During the 2020-21 school year, emphasis to reinforce CAASPP claims in literacy development will be centered on a balanced literacy approach that includes reading, writing, listening, speaking across all content areas. ELD focus includes both designated ELD and integrated ELD to support language development and access to rigorous standards across content areas through scaffolding and supports for oracy and writing development in literacy, ELD, math, science and social science.

Teachers utilize district adopted resources, assessments and technology to promote high student engagement and achievement, utilizing data to inform and refine instruction. Capacity building for data driven instruction and intervention is fostered through PLCs, including Teaching- Learning, Culture-Climate Leadership Teams, and Intervention Support Teams. Collaborative opportunities encourage grade level and cross grade level articulation to inform and refine teaching and learning practices around ELA/literacy and math. Teachers utilize assessments such as STAR360, Performance Task Interim Assessments from the CAASPP system and Curriculum Benchmark assessments in reading, writing, math and ELD to inform instruction. Teachers participate in scheduled grade level Intervention Review Team meetings to analyze data collected from on-going progress-monitoring. The data is used to determine adjustments to students' instructional programs as needed.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

McKinna considers families the most essential partners in achieving goals within the SPSA. With Distance Learning, ongoing communication and educational opportunities for families is more important than ever before. The McKinna staff will foster meaningful partnerships and authentic family engagement through healthy communication venues such as SSC, ELAC and PTA, as well as educational opportunities and forums for families to contribute to the educational opportunities for their children. Parent education will be offered through teachers, the counselor, ORC & social worker as well as workshops in partnership with outside agencies like Interface and VCBH. Site based personnel will continue to partner with district and county staff to connect students and families to both school based and outside resources and educational opportunities.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

This year McKinna's Leadership team will meet bimonthly to review school wide goals which are aligned with the District LCAP goals in teaching and learning, culture and climate and family engagement. Staff PLCs will be held on alternating Wednesdays. The practice of ongoing data review informs teaching and learning with action steps and funding listed within the SPSA. The SPSA is reviewed with staff as well as families during SSC and ELAC meetings.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

At McKinna, this year's Title I, III and LCFF funds will be used to bolster instruction and intervention for all students, through added resources, personnel and professional development. With the transition to Distance Learning, funding is being utilized to train staff on new technology programs like the Canvas learning management system which will be utilized school wide. In addition, resources and materials utilized within the classroom for instruction like headsets, writing journals, and basic supplies, have been purchased and sent home with students to use during Distance Learning. Title I and III funding will also be used for Goals 2 and 3 to support student and family needs. The District is funding the ORC & school Counselor who support students and families within the MTSS model. The District is also funding an Intervention Service Provider (ISP) to help provide literacy intervention for students who have gaps in learning due to loss of traditional instructional time from COVID. Bilingual instructional assistants (IAs) will continue to be District funded for the Kindergarten program. Title I, III and LCFF funds are utilized to provide resources to support all goals stated above.

Fiscal support (EPC)

The district receives Title I funding as we are considered a Title I district. All of our sites are considered "schoolwide." Title I funds are allocated to each school based on the number of qualifying students. Sites then determine how to use the funds based on specific student needs. The district also distributes Title III funding to sites in order for them to provide any necessary additional services or resources to support English Learners. The district receives Supplemental and Concentration LCFF funding. Sites are allocated a portion of these funds in order to provide additional resources toward student achievement.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

McKinna's SPSA is created and reviewed with ongoing collaboration from both site based leadership teams and the School Site Council. This review process included full staff reflection through the "Good to Great" survey to help identify strengths and needs around all 3 SPSA goals within the 2019-20 school year in order to build on these areas for the 2020-21 school year. In addition, members from McKinna's Teaching & Learning, PBIS and Family Engagement leadership teams attended a virtual retreat in August to identify goals to strengthen instruction during Distance learning. This additional information was utilized to determine a school wide focus and goals for ongoing improvement for the 2020-21 school year. The focus on "Best First Instruction" goals was shared with the full staff on SIP day in August to help frame the work for the year ahead. In addition,

the information was reviewed and discussed with School Site Council and ELAC members in September and again in October prior to the final review and approval of McKinna's SPSA for 2020-21. McKinna will continue to utilize and review the SPSA throughout the year at Leadership team meetings, staff PLCs and with SSC and ELAC members.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

The District has addressed key issues of inequities that were evident with the transition to Distance learning in April of 2020 due to inadequate access to technology and internet for all students. When school closed suddenly in mid-March, only 2-5th grades had iPads and not all these students had access to wi-fi. Instructional packets were made available to all students while the District worked to deploy iPads to 1st graders and Hot Spots to identified families with no wi-fi. These inequities have been addressed for the 2020-21 school year. iPads were assigned to all K-5th grade students and Hot Spots are available for any family who needs wi-fi.

The District has also provided access to all students through learning applications on the iPads like ST Math, MyOn and Lexia. In addition, books and instructional materials like headsets, key boards & writing journals have been distributed and will be replenished throughout the year to ensure students have access to necessary instructional resources.

Trauma is another barrier that significantly impacts student achievement. McKinna's high percentage of referrals to Ventura County Behavioral Health, illustrate that a large number of students and families are dealing with trauma for a variety of reasons including substance abuse, domestic violence, mental health issues and immigration concerns. McKinna has over 80 students identified as McKinney Vento. In addition, the students experienced significant gaps in traditional schooling due to the COVID pandemic and many families have experienced hardship with housing and other essential resources over the last several months.

To address these challenges, McKinna considers it essential to provide a systematic multi-tiered approach to connect families to community resources and to address the academic and social-emotional needs of students who have experienced trauma. The ORC, counselor and social worker work closely with McKinna families to coordinate resources and maximize services for educational, mental and physical health through partnerships with organizations like Ventura County Behavioral Health. In addition, the COST-SST process at McKinna ensures that students receive intervention to address both academic and social-emotional needs. Restorative discipline approaches like PBIS/CHAMPS foster a safe and healthy climate and provide an alternative response to behavior that decreases loss of instructional time due to discipline and behavior issues. McKinna is also a food distribution site for the community where families can receive grab and go meals on Tuesday and Thursdays throughout the year.

McKinna staff is working diligently to increase family engagement and empower parents/guardians as essential partners in their students' education. In addition to encouraging participation in decision making bodies like SSC, PTA and ELAC, McKinna is providing educational opportunities for families through partnerships with community organizations like Interface and VCBH.

School and Student Performance Data

Student Enrollment Enrollment By Grade Level

| Student Enrollment by Grade Level | | | |
|-----------------------------------|--------------------|-------|-------|
| Grade | Number of Students | | |
| | 17-18 | 18-19 | 19-20 |
| Kindergarten | 155 | 164 | 120 |
| Grade 1 | 109 | 107 | 108 |
| Grade 2 | 116 | 97 | 109 |
| Grade 3 | 125 | 111 | 101 |
| Grade 4 | 97 | 125 | 118 |
| Grade 5 | 124 | 107 | 120 |
| Total Enrollment | 726 | 711 | 676 |

Conclusions based on this data:

The data above is based on a CALPADS report from October of the 2019-20 school year. Although enrollment has declined from 711 students in 2018-19 to 676 in 2019-20, enrollment by student sub group has remained consistent. McKinna's significant ethnic subgroup is Hispanic/Latino, with 97.19% students classified as Hispanic/Latino within the 2019-20 school year. 95.2% of this subgroup identifies Spanish as their primary language and 5% Mixteco. 78% are classified as English Learners. In addition, it is important to note that 94% of McKinna's students in 2019-20 were classified as Socioeconomically Disadvantaged, 9.1% as homeless 4.6% migrant, and 5.9% with disabilities. The high percentage of Socioeconomically Disadvantaged and English Learner sub groups are considered historically under-served, under-performing populations. At time of publication of the SPSA for 2020-21, McKinna's -K-5 student count is 602. 77% of the K-5 students are designated or TBD/pending English Learner status with 95% identifying Spanish as their primary language, .5% Mixteco. McKinna is committed to full consideration of District values of Equity, Integrity, Service & Accountability when planning goals and actions for all McKinna students.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

| English Learner (EL) Enrollment | | | | | | |
|---|--------------------|-------|-------|---------------------|-------|-------|
| Student Group | Number of Students | | | Percent of Students | | |
| | 17-18 | 18-19 | 19-20 | 17-18 | 18-19 | 19-20 |
| English Learners | | 564 | 527 | | 79.3 | 78.0% |
| Fluent English Proficient (FEP) | | | 60 | | | 8.9% |
| Reclassified Fluent English Proficient (RFEP) | | 18 | 51 | | 2.5 | 9.0% |

Conclusions based on this data:

The data listed above is from a CALPADs report from October of 2019 as listed on Data Quest. The data shows a slight decrease in EL percentages between the 18-19 and 19-20 school years as well as 8.9% FEPs and 9.0 RFEPs for 19-20. Due to COVID, state testing was suspended for 2019-20 school year. To be reclassified during 2020-21, students will need an overall 4 on ELPAC in addition to demonstrating proficiency through CAASPP and/or STAR.

Based on the last available state assessment data in 2018-19 CAASPP data, shows only an average of 12% of McKinna's 3rd-5th graders have met or exceeded the standards for math and 17% of 3-5th graders met or exceeded grade level standards for ELA. Because 79.3% of McKinna students are designated as English Language Learners, academic language acquisition is essential to access rigorous Common Core Standards in reading, writing and also math, due to the complex, multi-step word problems. Although this data is not current, low SGP is a pattern over the last few years. The data shows that more students are scoring at the 3 and 4 range in 1st-3rd while in 4th and 5th the opposite occurs where more students are scoring at the 1 and 2 level. This data clearly demonstrates the need for higher rigor, academic language, reading and writing demand in 4th and 5th grade.

McKinna has made progress in building effective support systems to strengthen teaching and learning practices for all students. This is especially evident in McKinna's commitment to address the academic and social-emotional needs of our English Learners (79.3%) and Socioeconomically Disadvantaged students (85.2%) which make up the majority of our school's population. Teachers have been trained in and utilize strategies to provide scaffolding and access to rigorous Common Core Standards in ELA/Literacy and math. During the 2020-21 school year, grade level teams will continue to collaborate as Professional Learning Communities (PLCs) to provide differentiated instruction for ELA/literacy and math as well as support for English learners with designated English Language Development instruction.

English Learners are flexibly grouped based language needs and monitored through multiple formative assessments given throughout the year. Focus of designated and integrated ELD is to strengthen reading, writing, speaking and listening skills through targeted instruction. McKinna plans to offer tutoring and enrichment opportunities in literacy and math outside the school day as funding and staffing permit.

McKinna will continue working on bolstering the acquisition of academic English through a rigorous approach to both integrated and designated English Language Development by following the District DLI pedagogy, with an emphasis on standards based teaching and learning, writing and oracy across content areas including math where emphasis will be placed on teaching and learning in areas of problem solving, data analysis, and communicating reasoning.

Conclusions based on this data:

Due to COVID, State testing for CAASPP and ELPAC was suspended for the 2019-20 school year. Reflection below represents last available assessment data. Although the data is not current, trends with other assessments show the need for emphasis on writing instruction. McKinna will continue to focus on the goal to teach writing across content areas during the 2020-21 school year with attention to the implementation of scaffolds, rubrics, and emphasis on oracy strategies throughout the writing process.

The preliminary CAASPP results for 2018-19 show growth in the percentage of students who meet or exceed proficiency in ELA. 3rd graders scored 17%, and increase from 2017-18 from 13% proficient. 4th graders scored 16% proficient, an increase from 13% proficient in 2017-18. 5th grade shows slight increase from 16 to 17% proficient in ELA. Slow growth in ELA is also evident in percentages of students demonstrating proficiency by grade level cohorts. 3rd grade students in 2016 increased from 9% as 3rd graders, to 13% as 4th graders, and 17% proficient as 5th graders in 2018-19. In the 2018-19 SPSA, projected overall growth in ELA for 3-5 was 6% increase of students demonstrating proficiency on CAASPP. Although 3-5th grade did make growth from 14% to 17% overall growth, McKinna projected the overall growth would be 20%.

During the 2019-20 school year, 3rd through 5th grade teachers, utilized data to inform instruction and differentiated for ELA, ELD and literacy by teaming and grouping students based on their instructional needs. This collaborative approach contributed to growth as well as the administration of IABs and writing assessments which grade level teams calibrated and utilized to inform and refine instructional needs. McKinna will build upon this progress school wide by utilizing this teaming approach as a best practice model for teaching and learning centered in data informed instruction and flexible grouping. This model will be shared at PLC gatherings, grade level and staff meetings. School wide emphasis will be following the DLI pedagogy for inquiry based learning within a balanced literacy model. Standards based teaching and learning with an emphasis on oracy and writing across all content areas are included as essential elements within the School Plan for Student Achievement. 3-5th grade teachers will have opportunities to collaborate as grade level teams to review CAASPP data during PLCs focusing on claims, targets and standards to inform and refine teaching and learning.

Conclusions based on this data:

Due to COVID, state testing for CAASPP & ELPAC was suspended for 2019-20 school year. Reflection below centers on most current data available. Although the data is not current, other current data shows the need to focus on problem solving and communicating math reasoning. McKinna will continue to emphasize these areas during the 2020-21 school year.

The overall math CAASPP data documented above shows that there has not been consistent progress as measured by this summative assessment between 2015-16 and 2017-18. 3rd grade proficiency results went from 14% in 2015-16 to 12% in 16-17 and 5% in 17-18. In 2018-19 preliminary scores, 3rd grade made significant increase of 12 points to 17% proficiency results. 4th grade math made gains from 15-16 from 7% to 12% to 18% proficient over the 3 year period with gains of 9% points between 15-16 and 17-18. The preliminary math results for 2018-19 show a slip of 6% points back to 12%. However, this cohort of 4th graders did make an increase from their 3rd grade scores of 5% points from the previous year. 5th grade overall math proficiency hovers around low proficiency levels of 7% to 11%, with the 2018-19 scores to proficiency of 7% like 2016-17. The overall proficient percentage for 3-5 for 2018-19 is 12%. Although this is a slight increase from 2017-18 overall score, it falls shore of the projected growth of 6% points to 17% proficiency. In closer analysis and reflection of CAASPP claims and targets, this may be due to difficulty students have adequately explaining in writing the process of problem solving and methods used to get answers. Through an action research project we are doing at the moment, we can see that many students know the algorithms, but are not able to explain their work in writing. We are using action research to implement new teaching strategies that will address this problem that include an emphasis on teaching students strategies for problem solving, focus on math practices and emphasis on collaborative problem solving, explaining process and conveying thinking in writing. In addition, growth mindset and Jo Boaler approaches to mathematical problem solving will be emphasized during the 2019-20 school year. Strategies like Number Talks and opportunities to learn through IABs will better prepare students for problem solving and modeling data analysis.

3rd through 5th grade teachers, will continue to utilize data to inform and differentiate instruction for math by teaming and grouping students based on their instructional needs. This collaborative model will be shared at PLC gatherings, grade level and staff meetings. Standards based teaching and learning with an emphasis on oracy and writing across all content areas, including math are included as essential elements within the School Plan for Student Achievement. 3-5th grade teachers will have opportunities to collaborate as grade level teams to review CAASPP data during PLCs focusing on math claims, targets and standards to inform and refine teaching and learning.

School and Student Performance Data

ELPAC Results

| ELPAC Summative Assessment Data Number of Students and Mean Scale Scores for All Students | | | | | | | | |

Conclusions based on this data:

Due to COVID, state ELPAC testing was suspended for 2019-20 school year. Reflections below focus on most current data available.

The need for ongoing academic English language development is confirmed by the 2017-18 ELPAC data. This data shows 52% of 1st graders scored an overall 3 or 4 (expanding/bridging) on the ELPAC, and 48% scored a 1 or 2 (emerging/early expanding); 46% of 2nd graders with overall 3 or 4, and 55% scored 1 or 2; 72% of 3rd graders scored an overall 3 or 4, and 28% scored 1 or 2; 29% of 4th graders scored an overall 3 or 4, and 71% scored a 1 or 2; 46% of 5th graders scored an overall 3 or 4 on ELPAC, and 54% scored an overall 1 or 2. In addition, during the 2017-18 school year, only 5% of the English Learners in grades 3-5 (30 students) were reclassified, a percentage that McKinna worked to increase during the 2018-19 school year. The data shows that more students are scoring at the 3 and 4 range in 1st-3rd while in 4th and 5th the opposite occurs where more students are scoring at the 1 and 2 level. This data clearly demonstrates the need for higher rigor, academic language, reading and writing demand in 4th and 5th grade. The fall reclassification rates for 2018-19 school year showed promise of growth in this area with 52 3rd through 5th graders qualifying for reclassification based upon ELPAC and CAASPP or STAR 360 proficiency status.

McKinna staff will focus on strengthening teaching and learning practices that are responsive and restorative through data-driven instruction, ongoing reflection and collaboration and professional development to strengthen teaching and learning practices school wide in literacy, language and math. As a community of learners and PLCs we will focus on high leverage, research based instructional strategies with scaffolds and supports to foster academic language and literacy development aligned with Common Core Standards. Emphasis will be on a balanced literacy approach that includes reading, writing, listening, speaking across all content areas, including math instruction. ELD focus includes both designated ELD and integrated ELD to support language development and access to rigorous standards across content areas. Teachers will utilize district adopted resources,

assessments and technology to promote high student engagement and achievement, utilizing data to inform and refine instruction. Emphasis will be placed during the 2020-21 school year on grade level and cross grade level collaboration and strengthening oracy with academic language, reading and writing across content areas, including math, social studies and science instruction. In the DLI K -2 classrooms, teachers team with language partner, ensuring that students receive instruction in Spanish and English 50% of the day. Emphasis is on a standard's based balanced literacy approach that integrates oracy (scaffolded academic language development), reading and writing across content areas.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

| 2018-19 Student Population | | | |
|--|---|---|--|
| Total Enrollment | Socioeconomically Disadvantaged | English Learners | Foster Youth |
| 711 | 85.2 | 79.3 | This is the percent of students whose well-being is the responsibility of a court. |
| This is the total number of students enrolled. | This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma. | This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses. | |

| 2018-19 Enrollment for All Students/Student Group | | |
|---|-------|------------|
| Student Group | Total | Percentage |
| English Learners | 564 | 79.3 |
| Homeless | 72 | 10.1 |
| Socioeconomically Disadvantaged | 606 | 85.2 |
| Students with Disabilities | 42 | 5.9 |

| Enrollment by Race/Ethnicity | | |
|------------------------------|-------|------------|
| Student Group | Total | Percentage |
| African American | 3 | 0.4 |
| Asian | 1 | 0.1 |
| Filipino | 3 | 0.4 |
| Hispanic | 686 | 96.5 |
| Two or More Races | 4 | 0.6 |
| Pacific Islander | 3 | 0.4 |
| White | 11 | 1.5 |

Conclusions based on this data:

The data above is based on a CALPADS report from 2018-19. McKinna's significant ethnic subgroup is Hispanic/Latino, with 96.5% of 711 students classified as Hispanic/Latino. 95% of this subgroup identifies Spanish as their primary language and 5% Mixteco. 79.3% are classified as English Learners. With the exception of the white subgroup with 11 students, all other ethnic groups have 4 or fewer students and do not qualify as a significant subgroup based on the low percentages of these student populations at McKinna. In addition, it is important to note that 95% of McKinna's students classified as Socioeconomically Disadvantaged, 10% as homeless and 5.9% with disabilities. The high percentage of Socioeconomically Disadvantaged and English Learner sub groups are considered historically under-served, under-performing populations. McKinna is committed to full consideration of District values of Equity, Integrity, Service & Accountability when planning goals and actions for all McKinna students.

School and Student Performance Data

Overall Performance

2019 Fall Dashboard Overall Performance for All Students

| Academic Performance | Academic Engagement | Conditions & Climate |
|---|--|---|
| <p data-bbox="186 426 479 457">English Language Arts</p>  <p data-bbox="289 506 378 537">Orange</p> | <p data-bbox="673 426 950 457">Chronic Absenteeism</p>  <p data-bbox="768 506 857 537">Green</p> | <p data-bbox="1177 426 1396 457">Suspension Rate</p>  <p data-bbox="1247 506 1336 537">Yellow</p> |
| <p data-bbox="251 623 414 655">Mathematics</p>  <p data-bbox="289 703 378 735">Orange</p> | | |

Conclusions based on this data:

The overall Dashboard detail for the fall of 2019 demonstrates that McKinna did make slight growth, moving to orange in ELA & math, but has significant room for growth in academic student performance areas. Actions in this area align with Goal 1 of both District LCAP and site goals as articulated in the SPSA. In regard to student performance around absenteeism and suspension, the Dashboard shows McKinna decreased the percentage of chronic absenteeism to green and shows yellow in percentage of suspensions. Actions in this area align with Goal 2 of both District LCAP and site goals as articulated in the SPSA. The leadership team reviews this data by sub group with the staff to help plan and implement effective SMART Goals & actions to ensure progress in all these areas.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard English Language Arts Performance for All Students/Student Group | | |
|---|---|--|
| <p>All Students</p>  Orange 88.2 points below standard Increased ++8.9 points 303 | <p>English Learners</p>  Orange 95.9 points below standard Increased ++5.2 points 259 | <p>Foster Youth</p>  No Performance Color 0 Students |
| <p>Homeless</p>  Red 162.2 points below standard Declined -13.1 points 31 | <p>Socioeconomically Disadvantaged</p>  Orange 89.2 points below standard Increased ++8.4 points 274 | <p>Students with Disabilities</p>  No Performance Color 140.4 points below standard Increased ++4.9 points 23 |

2019 Fall Dashboard English Language Arts Performance by Race/Ethnicity

| African American | American Indian | Asian | Filipino |
|--|--|---|--|

| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 91.5 points below standard Increased ++7.7 points 291 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|---|---|--|
| 125.7 points below standard Maintained ++0.8 points 191 | 12.2 points below standard Increased ++11.9 points 68 | 40.1 points below standard Increased Significantly ++32.7 points 43 |

Conclusions based on this data:

The above data shows that all McKinna's significant sub groups showed growth in ELA results in 2018-19 from previous year results with the exception of the homeless students. Average growth for all students was 8.9 points, with English learners increasing by 5.2 points, SED students by 8.4 and Hispanic by 7.7. The homeless sub group dropped 13 points from the previous year. All students in 3-5th tested scored 88.2 points below standard proficiency for ELA demonstrating the need for implementing research based effective first instruction.

School and Student Performance Data

Academic Performance Mathematics

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

| 2019 Fall Dashboard Mathematics Performance for All Students/Student Group | | |
|--|---|--|
| <p>All Students</p>  Orange 95.9 points below standard Increased ++9.1 points 303 | <p>English Learners</p>  Orange 101 points below standard Increased ++4.5 points 259 | <p>Foster Youth</p> |
| <p>Homeless</p>  Red 178.2 points below standard Declined Significantly -22.8 points 31 | <p>Socioeconomically Disadvantaged</p>  Orange 97.4 points below standard Increased ++7.8 points 274 | <p>Students with Disabilities</p>  No Performance Color 138.8 points below standard Increased ++6.6 points 23 |

| African American | American Indian | Asian | Filipino |
|--|--|---|--|
|  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 | | |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |
| Hispanic | Two or More Races | Pacific Islander | White |
|  Orange 98.8 points below standard Increased ++7.8 points 291 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 |  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4 |

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard Mathematics Data Comparisons for English Learners

| Current English Learner | Reclassified English Learners | English Only |
|--|--|--|
| 126.7 points below standard Maintained -1.9 points 191 | 29.2 points below standard Increased Significantly ++16.9 points 68 | 69.1 points below standard Increased Significantly ++32.8 points 43 |

Conclusions based on this data:

The above data from the 18-19 CAASPP for math shows that all McKinna's significant sub groups but the homeless group performed in the orange between 97-101 points below the standard for proficiency on the 2019 CAASPP for math, consistent to "All Students," who tested in 2019. This includes Socioeconomically Disadvantaged and Hispanic students and English Learners. The homeless subgroup scored in the red and dropped 22 points from the previous year, and scored 178 points below the standard. Further examination of the sub group classified as English Learners, shows a significant difference in performance between the 68 Reclassified English Learners who increased by 16.9 points and are only 29 points below standard versus the current ELs who are 126 points from standard. The 43 English Only group did make significant gains of 33 points from the 17-18 school year.

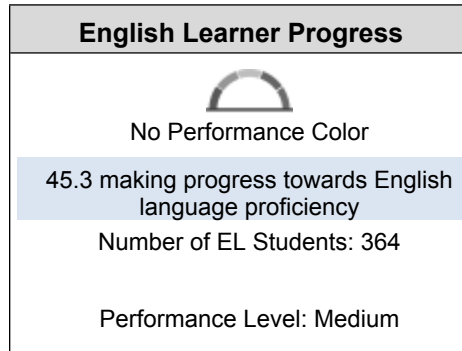

The staff will continue to engage in ongoing professional development and collaboration that strengthens teaching and learning practices around math emphasizing both oracy and writing. As a community of learners, we will focus on high leverage, research based instructional practices to increase opportunities for students to communicate thinking and reasoning. Teachers will focus on the 8 math practices as well as math claims within the CAASPP system: concepts & procedures, problem solving/data analysis, and communicating reasoning.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2019 Fall Dashboard Student English Language Acquisition Results

| Decreased One ELPI Level | Maintained ELPI Level 1, 2L, 2H, 3L, or 3H | Maintained ELPI Level 4 | Progressed At Least One ELPI Level |
|--------------------------|--|-------------------------|------------------------------------|
| 15.6 | 39.0 | 0.8 | 44.5 |

Conclusions based on this data:

The above data demonstrates additional information on the academic progress of English Learners according to the ELPAC overall scores on the 2018 test available from the 2019 fall dashboard. Out of the 364 McKinna students assessed, 162 progressed one ELPI level, 3 maintained level 4, 142 maintained designated levels and 57 decreased a level. The school wide focus for 2020-21 continues to be language/ oracy development, literacy and writing across content areas. The staff will continue to engage in ongoing professional development and collaboration that strengthens teaching and learning practices around math, language and literacy rich instruction across all grade levels throughout the day. As a community of learners, we will focus on high leverage, research based instructional practices to increase opportunities for students to communicate thinking and reasoning, with differentiated instructional strategies to foster language and literacy development aligned with Common Core Standards. Emphasis to reinforce CAASPP claims in literacy development will be centered on a balanced literacy approach that includes reading, writing, listening, speaking across all content areas. ELD focus includes both designated ELD and integrated ELD to support language development and access to rigorous standards across content areas. Teachers will utilize district adopted resources, assessments and technology to promote high student engagement and achievement, utilizing data to inform and refine instruction.

School and Student Performance Data

Academic Performance College/Career

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information on the percentage of high school graduates who are placed in the "Prepared" level on the College/Career Indicator.

| 2019 Fall Dashboard College/Career for All Students/Student Group | | |
|---|---------------------------------|----------------------------|
| All Students | English Learners | Foster Youth |
| Homeless | Socioeconomically Disadvantaged | Students with Disabilities |

| 2019 Fall Dashboard College/Career by Race/Ethnicity | | | |
|--|-------------------|------------------|----------|
| African American | American Indian | Asian | Filipino |
| Hispanic | Two or More Races | Pacific Islander | White |

This section provides a view of the percent of students per year that qualify as Not Prepared, Approaching Prepared, and Prepared.

| 2019 Fall Dashboard College/Career 3-Year Performance | | |
|---|----------------------|----------------------|
| Class of 2017 | Class of 2018 | Class of 2019 |
| Prepared | Prepared | Prepared |
| Approaching Prepared | Approaching Prepared | Approaching Prepared |
| Not Prepared | Not Prepared | Not Prepared |

Conclusions based on this data:

Conclusions based on this data:

Due to COVID, updated information for 2019-20 school year is unavailable.

The 2018 Dashboard demonstrates chronic absenteeism based on sub groups. Chronic absenteeism is defined as missing 10% of the instructional days they are enrolled. The data above shows a significant discrepancy between all students and various sub groups. While the overall student body is in the orange with 10.2% marked as chronically absent, of the 95 homeless sub group, 18.9% are chronically absent. According to the data, 7.5% of the 614 English Learners are chronically absent while 10.1% of Hispanic students were chronically absent in 2018. The high numbers in each sub group signal a need to be pro-active with students and families to promote positive attendance, educating families of the connection of attendance to student performance. McKinna will also continue with interventions like family meetings and SARBs to connect families with resources when students are truant.

School and Student Performance Data

Academic Engagement Graduation Rate

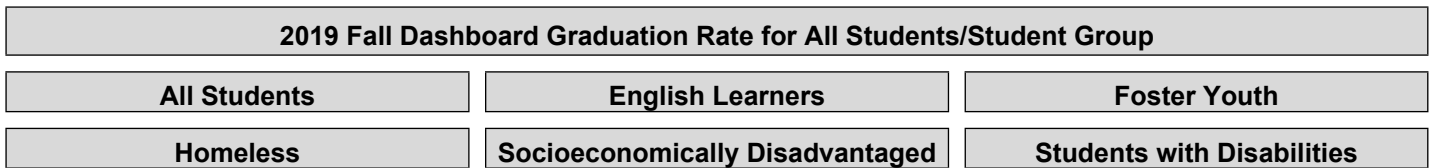

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

Conclusions based on this data:

N/A

School and Student Performance Data

Conditions & Climate Suspension Rate

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

| 2019 Fall Dashboard Suspension Rate for All Students/Student Group | | |
|---|--|---|
| <p>All Students</p>  Yellow 0.8 Increased +0.5 799 | <p>English Learners</p>  Green 0.5 Increased +0.3 629 | <p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not 1 |

2019 Fall Dashboard Suspension Rate by Year

| 2017 | 2018 | 2019 |
|------|------|------|
| | 0.2 | 0.8 |

Conclusions based on this data:

In this category, overall students fall in the yellow as measured on the 2019 Dashboard with Socioeconomically disadvantage and Hispanic students in yellow and English Learners and homeless in green. Students with disabilities sub group is in blue on the Dashboard. The McKinna community works collaboratively to foster responsive, restorative systems within a Multi-Tiered Systems of Support (MTSS) framework to create a healthy learning environment where students thrive. McKinna staff is committed to the implementation of a proactive and positive behavior support system (PBIS) school wide. The PBIS Leadership Team works within the Safe & Civil School model through a continuous improvement process to guide the entire staff through the construction and implementation of a comprehensive approach to behavior support. This approach is proactive, positive, and instructional offering an alternative means of correction to address student behavior that preserves student attendance and builds student responsibility, self-control and civic awareness. The goal of the Safe and Civil School model is to reduce all behavioral and motivational barriers to learning by promoting safety and pro-social behavior, by supporting both academic and social emotional learning, and by enhancing staff consistency in teaching positive behavior expectations school wide. During the 2020-21 school year, staff will work to help build adult capacity for the development and implementation of effective Tier 1 practices. McKinna staff will continue to incorporate a collaborative approach and common language for teaching students self-regulation and peaceful problem solving through "Toolbox Tools," strategies for fostering social-emotional development in children.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Language Arts and Math

LEA/LCAP Goal

All students will reach high academic standards in reading and mathematics.

Goal 1

All students will reach high academic standards in reading and mathematics.

Identified Need

To increase the capacity of teachers to deliver effective data-driven instruction
 To provide equipment, materials and technology resources that support high quality instruction
 To provide opportunities for teachers to collaborate to improve teaching and learning

Annual Measurable Outcomes

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students listed above

Strategy/Activity

Teachers will focus on Common Core Standards with the support of site purchased resources and district adopted resources, assessments (STAR 360, ELD, IABs, curriculum embedded assessments) and technology with all students within DLI, SEI, TBE programs. Blended learning model for teaching literacy, math, social science and science standards for Dual Language classes as developed within the DLI units for K-2 and through resources like Mystery Science funded through the District.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
4000-4999: Books And Supplies
Curriculum and assessments

District Funded
1000-1999: Certificated Personnel Salaries
Certificated salary for ISP

| | |
|--|--|
| | District Funded 5800: Professional/Consulting Services And Operating Expenditures District funded PD and resources like Renaissance, Mystery Science, Lexia, Myon, STMath |
| | Title III 4000-4999: Books And Supplies Spanish books to increase Spanish reading options (to support English Learners & DLI), listed in Goal 1 strategy 3 |
| | Title I 4000-4999: Books And Supplies Books & Supplies to supplement standards based instruction for literacy, language, science & social science, listed in Goal 1, Strategy 23 |

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Title 1, Title III and LCFF funds will be utilized for grade level and cross grade level PLCs, and PDs to analyze data to inform and refine standards based instruction and intervention as well as planning and refining high leverage teaching and learning practices to include oracy and writing across content areas school wide within science, social studies, math, ELD and literacy. In addition, funds will be used to support professional development in Canvas and other technology to help deliver effective instruction within Distance Learning.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

10,000.00

Source(s)

LCFF - Targeted
1000-1999: Certificated Personnel Salaries supplemental grade level collaboration, & extra hours for PD, tutoring & enrichment, hourly pay & benefits

10,000.00

Title III
1000-1999: Certificated Personnel Salaries

| | |
|-----------|--|
| | supplemental grade level collaboration, tutoring & enrichment, hourly pay & benefits to support English Learners |
| 10,000.00 | Title I 1000-1999: Certificated Personnel Salaries supplemental grade level collaboration, & extra hours for PD, tutoring & enrichment, hourly pay & benefits |

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Two ISPs hired to provide supplemental support within the language of instruction beyond teacher first instruction and differentiated intervention in reading, writing and math. One ISP funded through the District and one funded through McKinna Title I funds.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 29,251.00 | Title I 1000-1999: Certificated Personnel Salaries Salary & benefits for site funded ISP |

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Support for English Learners within the K DLI program

Strategy/Activity

Bilingual para-educators will be utilized to provide ELA and SLA for support in literacy, language and oracy within DLI Kindergarden. Funding for 5 additional hours per week to supplement District funded bilingual para-educators. Instructional assistants will be utilized to support English Language Development and academic achievement.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 4,909.00 | Title III 2000-2999: Classified Personnel Salaries Classified salary and benefits for bilingual para-educator support |
| | District Funded 2000-2999: Classified Personnel Salaries Classified salary & benefits for bilingual para-educator support within DLI K classes, 90 minutes per day per class |
| 5,000.00 | Title III 2000-2999: Classified Personnel Salaries overtime for site funded bilingual para-educator support |

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

District funded ISP to provide Reading intervention to address learning gaps created by disruption of traditional school due to COVID 19.

Strategy/Activity

District funded Instructional Support Provider to address learning gaps for targeted students created by disruption of traditional school due to COVID 19.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
District funded Instructional Support Provider

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Conduct student support meetings weekly including COST-SST, IEP and 504s to support student achievement and social-emotional Tier 2 and 3 needs. SST and IEP team meetings include the psychologist, RSP, Speech pathologist, ORC, Principal, general education teacher, counselor and the parents. Social Worker and District behaviorist is invited as needed to further ensure wrap around services within this MTSS model. Ongoing review of student progress and needs through the IEP process for students designated to receive Special Education services helps the team make recommendations for goals for 1st instruction and intervention.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

5,000.00

LCFF - Targeted
1000-1999: Certificated Personnel Salaries
Teacher Substitutes to release general ed and SPED teachers as needed

0.00

District Funded
1000-1999: Certificated Personnel Salaries
Certificated salaries for Counselor, RSP, Speech, Psychologist

0.00

District Funded
2000-2999: Classified Personnel Salaries
Classified salary: ORC

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Provide PD in academic language development, math, reading, writing, data analysis, Canvas and other technology as well as language and literacy development through both designated and integrated ELD and SLD based on academic program of instruction.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| | District Funded 1000-1999: Certificated Personnel Salaries PDs & PLCs specific to DLI |
| | District Funded 1000-1999: Certificated Personnel Salaries Certificated salaries: District math & science TOSA |
| | LCFF - Targeted 1000-1999: Certificated Personnel Salaries Included in Goal 1, strategy/activity #2 |

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Teachers will promote and monitor independent reading through district funded resources like MyON, AR and Lexia, required learning applications for all students utilized within the Distance Learning instructional day

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| | District Funded 5000-5999: Services And Other Operating Expenditures District funded programs like MyOn & Renaissance-AR, Lexia |

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Leadership Team PLC opportunity to examine data and develop and evaluate action plans for strengthening "First Instruction" during Distance Learning. .

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

LCFF - Targeted
1000-1999: Certificated Personnel Salaries
Teacher extra hours already included in Goal 1, strategy 2

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Teachers will use subscriptions and applications to support literacy, language, math, science, differentiation utilizing technology with programs like Lexia to increase student achievement and provide opportunities to accelerate growth for GATE students and fill the skill and learning gaps for struggling readers.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

7,000.00

LCFF - Targeted
5000-5999: Services And Other Operating Expenditures
Subscriptions, apps & publications, virtual field trips

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Instructional materials and supplies for school and home during Distance learning to enhance academic achievement, promote social-emotional development, and encourage home-school connection through family engagement,

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 41,864.00 | Discretionary 4000-4999: Books And Supplies Materials and Supplies, warehouse, Graphics Services |
| 38,316.00 | LCFF - Targeted 4000-4999: Books And Supplies Materials and Supplies |
| 18,827.00 | Title I 4000-4999: Books And Supplies Materials and Supplies |

Strategy/Activity 13

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students including special population groups.

Strategy/Activity

Classified staff will provide extra support and assistance for special projects including supervision and translations for conferences, parent meetings and outreach for families, trainings

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| 15,000.00 | LCFF - Targeted 2000-2999: Classified Personnel Salaries Child care, translation, extra hours for clerical, campus supervisors, custodians |

| | |
|----------|---|
| | |
| 3,000.00 | Title III 2000-2999: Classified Personnel Salaries Translation |

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Provide funding for conferences, workshops and professional development to support school wide goals for academic achievement and social-emotional development.pertaining to English Language Learners

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| 1,000.00 | LCFF - Targeted 5000-5999: Services And Other Operating Expenditures Conference fees for virtual conferences |

Strategy/Activity 15

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Field Trips funded to provide enrichment activities and to enhance academic achievement for all students.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|-----------------|
| 1,000.00 | LCFF - Targeted |

5000-5999: Services And Other Operating Expenditures
Virtual field trips

Strategy/Activity 16

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students to support multi-media strand

Strategy/Activity

Students will utilize technology for research and to demonstrate learning through digital presentations including iBooks, slide shows, videos and podcasts that will support academic achievement, assist in bridging to middle school, and support McKinna's multi-media strand. McKinna's multi-media strand is aligned to 21st century technology goals for students to utilize technology as creative critical thinkers.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

no additional cost

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Computer supplies (headsets, cartridges for printers, software, dongles, cables, bulbs for projector lamps) will be purchased to support delivery of curriculum.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

10,000.00

LCFF - Targeted
4000-4999: Books And Supplies
computer supplies & software

Strategy/Activity 18

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Enrolled students within ASP

Strategy/Activity

The After School Program will be offered to students in grades 1-5 and will provide enrichment for students through opportunities for collaborative learning & hands on academic activities.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
5000-5999: Services And Other Operating Expenditures
Program materials & operating costs

District Funded
1000-1999: Certificated Personnel Salaries
Teacher liaison

Strategy/Activity 19

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Library media support personnel to promote literacy, oversee instructional materials, update McKinna web site

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

McKinna's school wide focus for the 2019-20 school year was to strengthen "First Instruction" adhering to the Oxnard School District's literacy/biliteracy pedagogy, that promotes a balanced literacy approach to teaching & learning. Aligned with the OSD pedagogy, McKinna's emphasis last year was on standards based instruction and the strategic teaching of writing across all content areas. In addition, McKinna's school wide instructional focus included the strategic integration of oracy strategies to foster academic language across all content areas.

Last year, McKinna utilized the walk through protocol during weekly classroom visits to gather data around observed instructional practices that were aligned with the OSD literacy/biliteracy pedagogy and these school wide commitments. McKinna's leadership team identified 5 key "Instructional Look Fors" to ensure a deeper focus to the school wide commitments to improve instruction.

These "Instructional Look Fors" included the areas below which are research based essential "First Instruction" practices shared within the Dual Language Immersion program.

1. Student Engagement: Students are doing most of the talking & participating in meaningful, cooperative learning with varied work groupings. Conversations are purposeful, academically focused and linked to content/text.
2. Student Engagement and Scaffolds for Oracy: Active participation of all students with scaffold support provided by teachers and students.
3. Standard's based instruction and focus on writing tied to content: Evidence of standard-based writing in content areas. Student writing is connected with content (Social Studies, Science, Math)
4. Clear learning objectives for both language and content: Students have a clear understanding of the activity. Frequent checking for understanding corrective feedback.
5. Evidence of well-established routines and practices.

Data collected during the learning walks was specific, observable and without judgement for the purpose of reflection and identifying professional development needs to ensure ongoing improvement around teaching and learning. Data from the learning walks was reviewed by the leadership team and staff to create and implement McKinna's professional development plan. McKinna staff prioritized professional development needs around oracy and writing. Within the professional learning community model, grade level teams collaborated within and across grade level teams to identify and consistently implement high leverage oracy strategies to build and scaffold academic language and high leverage writing strategies to be utilized throughout the writing process.

High leverage oracy strategies include but are not limited to the following examples which were observed during classroom visits:

**Total physical response (TPR), ** Integration of realia/pictures aligned to oracy building to scaffold academic language ** Focused/Intentional partnering with targeted vocabulary and sentence frames. ** Integration of oracy rubrics to monitor language development needs

High leverage practices for strategic writing instruction include but are not limited to the following practices throughout the writing process which were observed during classroom visits:

** Integration of graphic organizers ** Opportunities to share orally through the writing process
** Guided whole group interactive writing ** Guided and independent writing ** Integration of rubrics & benchmark models

Teacher leaders shared resources and modeled best practices for oracy and writing instruction to increase frequency and efficacy of the high leverage practices listed above. Data from the learning walks prior to transitioning to Distance Learning at the beginning of April indicated increased grade level alignment and implementation of these practices within classroom instruction.

During the 2020-21 school year, the McKinna staff will continue to focus on research based "Best First Instruction" practices within Distance Learning Framework. Ongoing school wide collaboration and professional development focus centers on effective implementation of standards based instruction for literacy and language development throughout the 3 essential Learning Spaces in the instructional day: synchronous, asynchronous and independent.

Teaching and Learning space during synchronous instruction includes but is not limited to the following practices to promote high student engagement:

** Students asking questions ** Orally responding to prompts ** Academic discourse
** Collaborative conversations ** Explaining understanding ** Clear objectives and checks for understanding

Teaching and Learning space during asynchronous blended learning includes but is not limited to the following practices to promote integrated standards based instruction:

** Project-based learning based on social studies/science integrated with literacy and math ** Presentations

Teaching and Learning space during Independent Learning includes but is not limited to the following practices to reinforce literacy and math skills:

** Students independent skill practice with learning applications like MyOn/AR, Lexia, ST Math,
** Students designing projects & creating presentations

Another essential area of focus for school wide collaboration and professional development centers on building school wide capacity around the effective utilization of Canvas, the District wide

new learning management system. Because this system is new to the McKinna community, McKinna is scheduling dedicated collaboration and professional development opportunities throughout the year for staff, students and families. Collaboration and training opportunities for staff and families are essential to help build school wide capacity for effective teaching and learning and communication during Distance Learning.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

As stated previously, McKinna's school wide focus for the 2019-20 school year was to strengthen "First Instruction" adhering to the Oxnard School District's literacy/biliteracy pedagogy, that promotes a balanced literacy approach to teaching and learning. Aligned with the OSD pedagogy, McKinna's emphasis last year was on standards based instruction and the strategic teaching of writing across all content areas. In addition, McKinna's school wide instructional focus included the strategic integration of oracy strategies to foster academic language across all content areas. McKinna staff is committed to utilizing both state and local assessments to inform and improve instruction, a consistent practice throughout the school year. Because this is an ongoing process within grade level and cross grade level collaboration, teachers have the opportunity to adjust instruction to meet the needs of students. Data collected through instructional learning walks was utilized to plan professional development needs. The focus of professional development until March of the 2019-20 school year centered on improving instruction for language and oracy strategies and for teaching the writing process utilizing graphic organizers, rubrics, and benchmark models for writing. During grade level and cross grade level PLCs, teachers examined and calibrated student writing together to look for patterns, strengths and areas of need. Clear progress and growth in teaching and learning was evident in data gathered through learning walks as well as student writing and other formative assessments.

Due to COVID-19, all students experienced a 5 month disruption of traditional school experience between mid March and August 19. This interruption in traditional schooling created unintended inequities in access and resources for students and families. Focus in March through June shifted to transitioning to Distance Learning, identifying families with technology and other basic needs while attempting to build a cohesive instructional plan District and school wide. The 2020-21 school year Distance Learning plan provides the roadmap and resources for ensuring all students have access to technology and resources within a cohesive District wide plan for instruction.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The 2020-21 school year Distance Learning plan provides the roadmap and resources for ensuring all students have access to technology and resources within a cohesive District wide plan for instruction. Grade level teams are using formal and informal assessment data and observations to plan and differentiate instruction to address student needs. McKinna staff will continue to focus on research based "Best First Instruction" practices within Distance Learning Framework. Ongoing school wide collaboration and professional development focus centers on effective implementation of standards based instruction for literacy and language development throughout the 3 essential Learning Spaces in the instructional day: synchronous, asynchronous and independent.

Teaching & Learning Space during synchronous instruction includes but is not limited to the following practices to promote high student engagement:

** Students asking questions **Orally responding to prompts **Academic discourse **Collaborative conversations ** Explaining understanding **Clear objectives and checks for understanding

Teaching & Learning Space during asynchronous blended learning includes but is not limited to the following practices to promote integrated standards based instruction:

** Project-based learning based on social studies/science integrated with literacy and math ** Presentations

Teaching & Learning Space during Independent Learning includes but is not limited to the following practices to reinforce literacy and math skills:

** Students independent skill practice with learning applications like MyOn/AR, Lexia, ST Math, **Students designing projects and creating presentations

All grade level teams are committed to the PLC Guiding Goals to improve first instruction within a Blended learning framework utilizing Canvas as the new learning management system. The following commitments remain the focus of our school wide goals:

- We will build a Data Driven Culture school wide to increase student achievement.
- We will implement high leverage teaching and learning practices school wide to increase student achievement
- We will teach, model and reinforce school wide expectations and social-emotional strategies to increase self-regulation, resilience and peaceful problem solving.
- We will commit to standards based teaching and learning
- We will focus on strategic teaching of writing across all content areas: math, science, social studies, ELD time, PE, social –emotional
- We will focus on Oracy – strategic scaffolds, strategies, supports integrated within teaching and learning across all content areas

McKinna will utilize state and district assessments, including SBAC, ELPAC, with a special emphasis on current assessments within STAR 360, and writing assessments as well as site based assessments determined by grade level teams to monitor student progress and growth.

The Star Reading Comparisons Data in English from fall 2019-20 to fall 2020-21 shows a decrease in students testing in level 1 from 68% in fall, 57% in winter & 57% in fall of 2020-21. The percentage of students testing at or above grade level (level 3 & 4) increased from 14.2% in the fall of 2019, to 19.7% in the winter of 2019. 2020-21 fall scores show 19.3% of students at level 3 & 4 and 80.6% performing at levels 1 and 2 combined on Star reading. The Student Growth Percentile for Star Reading shows 61.4% Overall school SGP from fall 2019 to fall 2020 with 33.6% of students at high growth, 27.9% at typical growth and 38.6% at low growth. The Star Early Literacy English Proficiency shows 24.6% at level 4, 16.5% at level 3, 19.5 at level 2 & 39.4% at level 1. Early Literacy in English SGP from fall 2019-fall 2020 shows 30% with high growth rates, 22% typical growth and 47% at low growth rates.

Star Reading Comparison Data in Spanish shows overall proficiency in the fall of 2019 at 38.2%, with an increase in winter to 53.8% and 60% in the fall of 2020. The Star Early Literacy in Spanish for fall of 2020 shows 58.8% at level 4, 14.5% at level 3, 14.5% at level 2 & 12.2% at level 1. Spanish Early Literacy Comparison Data shows growth from fall 2019 with 46% above minimum

district benchmark to winter with 68% above minimum district benchmark. Fall of 2020 assessment in Spanish Early Literacy shows 58.8% of students tested scored at or above the minimum district benchmark.

The Star Math Comparison Data shows growth from fall to winter of 2019-20 from 18% to 29.5% proficient. Fall of 2020-21 shows overall 24.9% proficiency in math school wide at levels 3 & 4 and 75% performing at levels 1 and 2 combined on the Star math assessment. The Student Growth Percentile for Star Math shows 46.8% overall school SGP (from fall 2019 to fall 2020 with 20.4% of students at high growth, 26.4% if students at typical growth, and 53.2% of students at low growth rates.

It is important to note that fall assessments for 2020 were administered through Distance Learning making it difficult to ensure testing reliability. Grade level teams will continue to utilize multiple data points and formative assessments to monitor student progress.

The McKinna leadership team and staff identified the high leverage practices stated above as a cycle of reflection utilizing data to improve and refine instruction. This is especially important in the areas of oracy and writing across grade levels and content areas. K-2 will continue to follow DLI units which included standards based instructional plans for Spanish and English in social science, science, language, reading, writing and math. Analysis of data shows a need for improved, systemic, purposeful, and evidence-based collaboration; an increased number of common formative assessment benchmarks to more closely progress monitor student achievement; an emphasis on academic writing across all core subject areas; and continued focus on integrating Mathematical Mindset strategies to promote students' critical thinking and problem solving skills in the area of Mathematics. Goal 1 highlights opportunities for grade level collaboration to analyze student data and plan instruction to improve academic achievement. Goal 2 address strategies to strengthen social-emotional supports through PBIS framework. Goal 3 strategies focus on the home -school connection essential to maximize student achievement.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Social Emotional Support and School Climate

LEA/LCAP Goal

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Goal 2

The social-emotional, health and well-being needs of students will be met in a learning environment that is safe, drug-free and conducive to learning.

Identified Need

- To decrease the suspension rate
- To increase positive behavior
- To improve student attendance
- To provide wrap-around services to ensure students come to school ready to learn

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|------------------|---|--|
| Attendance | <p>Due to COVID, Attendance data for 19-20 is unavailable.</p> <p>For 2020-21 school year, ongoing monitoring of attendance for average of 96% daily attendance. Track and address chronic absenteeism through interventions.</p> <p>The average attendance for the 2018-19 school year was 96% with the following 4 sub groups in the green: English Learners, SED, Hispanic and Students with Disabilities. The Homeless sub group was in the yellow showing a higher percentage of chronic absenteeism within this group with an average of 10%.</p> | <p>Maintain average monthly attendance for K-5 at 95%.</p> <p>Reduce chronic absenteeism for K-5 to 5%</p> |

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|--|---|
| Student Engagement | <p>For 2020-21 school year, ongoing weekly monitoring of student engagement and behavior during Distance Learning to increase</p> <p>Suspension Rate for 2019 to March 2020: 3 total suspensions, .045%.</p> | <p>For 2020-21 school year, track student engagement and systematically address students with limited level of student engagement.</p> <p>Continue to use alternative methods of discipline to limit loss of instructional time for 2020-21 school year through continued implementation of PBIS framework.</p> |
| Panorama Survey | <p>Limited data from 2019-20 due to COVID interruption of traditional schooling.</p> <p>Panorama survey administered for to K- 5 grade students 3 times a year per District assessment calendar.</p> | <p>Participation of 95% of students in grades K-5, 3 times a year per District calendar.</p> <p>Data utilized to target social-emotional learning needs for self-management, growth mindset, social awareness, emotional regulation, teacher-student relationships and sense of belonging.</p> |
| Healthy Kids Survey administered to 5th graders | Due to COVID, no current data for 19-20 school year | Participation of 95% of 5th graders and 50% of 5th grade parent participants on CA Healthy Kids Survey |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Continue implementation of the Positive Student Behavior Support (PBIS) Program to promote a safe and nurturing school learning environment., including focus on distance learning expectations for synchronous, asynchronous and independent learning time.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

District Funded
5000-5999: Services And Other Operating Expenditures
PBIS Leadership, Safe Schools & VCOE support for PBIS

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Continued training, implementation and provide student incentives to improve attendance and behavior. Support PBIS to teach self regulation and responsibility, including support to reinforce distance learning expectations.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

LCFF - Targeted
4000-4999: Books And Supplies
Student incentives for attendance, engagement, behavior & academics, funding allocated in Goal 1

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Social-emotional learning through counselor led community circles, individual and small group instruction, ongoing monitoring through Panorama.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
Counselor focus on Social -emotional learning,
District funded

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Attendance and Student Engagement rates will be monitored and Mini SARB meetings will be held for those students with excessive absences. Counselor and ORC to monitor student engagement. Meetings and home visits to address chronic absences and/or lack of student student engagement during distance learning.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
2000-2999: Classified Personnel Salaries
ORC, Social worker, attendance tech

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Students underperforming on grade-level Common Core State Standards and Students demonstrating social/emotional challenges.

Strategy/Activity

Continue implementing the RTI/MTSS model using the CST and SST process in order to monitor student attendance, counseling, and discipline data in order to identify students who are in need of targeted intervention and support to address social/emotional/behavioral needs. Wrap around services will be provided for students and their families to meet the social and emotional needs as well as support the implementation of a Restorative Justice Framework.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Additional playground activities,(ie. jacks, pick up sticks, balls and additional PE equipment and resources) added to promote social-emotional well being utilizing SPARKS PE Curriculum.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

LCFF - Targeted
4000-4999: Books And Supplies
Materials and Supplies for PE, cost already
documented in Goal 1

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Training in COVID-19 safety protocols and Disaster Preparedness. Safety drills to reinforce safety and crisis response preparation. PBIS Team to review and revise Safety Plan.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

No additional cost

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Student discipline data will be monitored on an ongoing basis to inform intervention needs.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Build capacity around research based Tier 1 practices for strengthening positive student behavior and maximizing student instructional time. School digital sharing platform and guide to Common Sense Digital Safety training implemented school wide aligned with Canvas learning management system.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Students underperforming on grade-level Common Core State Standards and Students demonstrating social/emotional challenges.

Strategy/Activity

Establish MTSS behavior model with Intervention Support Team. Conduct weekly student support meetings, including COST-SST, IEP and 504s to support student achievement and social-emotional Tier 2 and 3 needs.

Teachers will be released for meetings, observations, data review and progress monitoring.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
1000-1999: Certificated Personnel Salaries
Teacher release time (sub expense included in Goal 1)

Strategy/Activity 13

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Counselor, ORC and Social worker will train staff to strengthen trauma informed practices and provide support to students and families as needed. Provide research-based individual and small group counselling services to students in need of social/emotional support.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|---|
| | District Funded 1000-1999: Certificated Personnel Salaries Counselor & ORC (see goal 1) |
| | District Funded 2000-2999: Classified Personnel Salaries ORC (see goal 1) |
| | District Funded Social Worker through Healthy Start County Program |

Strategy/Activity 14

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Targeted support for underperforming & at risk sub groups within Homeless & foster youth, SED, English Learners, African Americans & Special Education students

Strategy/Activity

Small group counseling, book study and tutoring support based on Panorama survey and student attendance & engagement data to support social-emotional & academic needs.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

| Amount(s) | Source(s) |
|-----------|--|
| | District Funded 1000-1999: Certificated Personnel Salaries Counselor & teachers, funding for extra hours allocated in Goal 1 |

Strategy/Activity 15

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Safety Team and community and district personnel will conduct training to strengthen crisis response preparedness and support school wide safety.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 16

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Teachers will teach digital citizenship and cyber safety through resources like Common Sense Media.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Common Sense Media Program (no cost), no additional cost

Strategy/Activity 17

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Students will create digital presentations including IBooks, slide shows, videos and podcasts that will demonstrate understanding and collaborative application of literacy and language development and civic responsibility.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

No additional cost

Strategy/Activity 18

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All 5th grade students

Strategy/Activity

K-5th grades will take the Panorama survey 3 times a year per District assessment calendar and 5th graders will take the Healthy Kids Survey within their classrooms with support of teachers, ORC and Counselor

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

[Empty box for Amount(s)]

no cost, Survey provided by the District

Strategy/Activity 19

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 20

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 21

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 22

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 23

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 24

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 25

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 26

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 27

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 28

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 29

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Strategy/Activity 35

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Strategy/Activity

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

McKinna's population includes at a high percentage of at risk groups such as homeless and SED which needs to be taken in to consideration when creating and reviewing the SPSA to positively impact student attendance, student engagement, behavior and overall school culture and climate. A high need that impacts academic achievement is in the area of social-emotional needs which strategies and activities in Goal 2 addresses. McKinna community has a high percentage of referrals to Ventura County Behavioral Health, illustrating the high percentage of students and families who are dealing with trauma for a variety of reasons including substance abuse, domestic violence, mental health issues and immigration concerns. According to the National Child Traumatic Stress Network, students dealing with trauma, "...may show signs of distress through somatic complaints such as stomachaches, headaches, and pains. These students may have a change in behavior, such as increased irritability, aggression, and anger.... (as well as) show a change in school performance and have impaired attention and concentration and more school

absences." Therefore, it is especially important to provide a systematic approach to supporting the social-emotional needs of students who have experienced trauma.

These issues have been especially exasperated due to interruption in traditional schooling with COVID-19. The McKinna community will continue to foster responsive, restorative systems within a Multi-Tiered Systems of Support (MTSS) framework to create a healthy learning environment school wide, with special attention to high needs during Distance Learning. School staff, including the ORC, school counselor, attendance tech, and principal; will meet regularly to monitor student attendance and student engagement, identify students at-risk of being identified as chronically absent, and develop and implement appropriate and meaningful supports, services, and incentives to increase students' positive attendance. School staff will provide support to families and will recommend and/or refer students or parents to Ventura County-based social services, counseling, or other community-based services or programs with the intention of offering families support to address barriers which negatively impact student attendance.

School wide focus on social-emotional needs include ongoing check ins, mindfulness practices, character education and community circles. In addition, in order to address students' social, emotional, and behavioral needs, students are identified through the CST and SST process and through Panorama surveys, to receive individual and/or small group counseling services provided by our school counselor. The ORC will continue to work closely with students and families to address attendance and student engagement concerns now documented within Q, the student data system. Our progressive discipline matrix assists teachers and administration with clear guidelines for responding to student behavior at both the classroom and school levels. The Positive Behavior Intervention and Support model concentrating on STOIC (Structure, Teach expectations, Observe and monitor, Interact positively, and Correct fluently) guides all staff in providing a proactive and positive approach to managing student behavior both in and out of the classroom. Our PBIS/School Safety Team meets on an ongoing basis to analyze student discipline data, identify areas of focus, and provide recommendations to school staff in order to strengthen our school's positive learning environment. Ongoing recognition of positive behavior and academic growth is integrated throughout the year to recognize hard work and positive choices students make.

During the 2020-21 school year, McKinna will continue to work within the Safe and Civil School model through a continuous improvement process to implement guidance that is proactive, positive, and instructional offering an alternative means of correction to address student behavior that preserves student attendance and builds student responsibility, self-control and civic awareness. The goal of this approach is to reduce all behavioral and motivational barriers to learning by promoting safety and pro-social behavior, by supporting both academic and social emotional learning, and by enhancing staff consistency in teaching positive behavior expectations school wide. Panorama survey information for K-5 students will be utilized to target social-emotional learning needs for self-management, growth mindset, social awareness, emotional regulation, teacher-student relationships and sense of belonging. Emphasis will be placed on common language, instruction and intervention to ensure student success within the Distance Learning model.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

McKinna made progress in building school wide systems to foster social-emotional development in the students during the 2019-20 school year by creating a systematic approach to improving school wide climate and culture. Teachers utilized CHAMPS protocols within the classroom to promote

positive behavior and increase self-regulation, thus decreasing loss of instructional time due to disruptive behaviors. In addition, McKinna recognized positive behavior and academic growth within classrooms and at school wide assemblies. McKinna also strengthened their COST-SST process during the 2019-20 school year to address Tier 2 and 3 academic and social-emotional needs of the students. Data shows a significant decrease in the number of students sent to the office for low level behaviors as well as a decrease in loss of instructional time due to behavior infractions.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

During the 2020-21 school year, McKinna will continue to build upon the MTSS model that works to align school wide systems and services to District support systems. The Panorama survey results for K-5th grades, administered 3 times a year, will be utilized to monitor social-emotional learning needs for self-management, growth mindset, social awareness, emotional regulation, teacher-student relationships and sense of belonging. The new features within Q will be utilized and closely monitored for Student Engagement to determine student - family support needs. Both programs will provide staff and support personnel such as ORC and counselor with information to identify students and families who need additional assistance in areas of Wellness Accessibility, Wellness Mental Health and/or Wellness Physical Health. This data will also be utilized to plan and implement targeted support for social-emotional learning and specific needs. The COST/SST and IEP review process will be utilized to monitor student progress and plan behavior, academic and social-emotional interventions as well as determine need for referrals to outside mental health agencies. During COVID-19 Pandemic, McKinna staff will adhere to county and district safety and health guidelines before, during and after the instructional day. Ongoing monitoring and training will be provided and modifications implemented according to updates and guidance received throughout the year.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Parent and Family Engagement

LEA/LCAP Goal

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Goal 3

Families will be welcomed and afforded meaningful and productive opportunities to participate in their child's academic and social-emotional growth.

Identified Need

To increase communication through websites and social media so parents and community are informed about district and school instructional programs and activities
To facilitate parent involvement in the educational and social-emotional well-being of their children

Annual Measurable Outcomes

| Metric/Indicator | Baseline/Actual Outcome | Expected Outcome |
|---|--|---|
| Attendance at family engagement meetings/events like SSC, ELAC, Workshops | 2020-21 school engagement opportunities offered through virtual meetings for SSC, ELAC, PTA. Prior to March 2020, Sign ins for Family Fridays showed average attendance 150 per month; Parent workshops- average attendance, 25 parents | 2020-21: Provide opportunities for monthly educational and social family involvement and school-home connections through web site resources, social media platforms, workshops, Project 2 Inspire, SSC, ELAC, PTA and other family events through virtual meetings. |
| Parent participation in SST and IEP meetings | 2020-21 Benchmark: Various opportunities for parent/guardian participation through phone, zoom and in person for SST, IEP meetings. | 2020-21: Weekly SST and IEP meetings including multiple ways for parents to attend: phone, virtual and in person by request. |

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Build and communicate opportunities for strong family engagement through participation in decision making bodies like SSC, ELAC, PTA, and Project 2 Inspire to promote LCAP-SPSA Goals around teaching and learning, culture and climate. Site Tech will maintain school website.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded

Communication via Blackboard connect, web site and Canvas, highlighted in Goal 1

District Funded

Counselor, ORC, Social Worker provide workshops, Goal 1

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Hold family/parent workshops on topics to support families and their children with a focus on mental health support through partnership with Logrando Bienestar, Interface -- mental health services.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded

No additional cost

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Continue to expand use of technology, school web site, social media, flyers and ongoing communication through Canvas with families about school events, programs and student progress.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

No additional cost

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Promote literacy, technology support, including Canvas, and school-home connection through monthly parent workshops offered during ELAC and SSC meetings.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

LCFF - Targeted
4000-4999: Books And Supplies
Materials and Supplies , included in Goal 1

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Parent conferences will be held twice a year. Translation support will be provided as necessary for parent meetings, conferences and other family communications.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

LCFF - Targeted
2000-2999: Classified Personnel Salaries
Interpreters-translators, funding included in Goal
1

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Site support staff will provide workshops on parenting and child development including spearheading workshops through outside county agencies.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

LCFF - Targeted
4000-4999: Books And Supplies
materials for workshops included in Goal 1

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Parents will be invited to participate in student support meetings including SSTs, IEP and 504s to support student achievement and social-emotional Tier 2 and 3 needs.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded
ORC (see goal 1), funding already documented in Goal 1

Strategy/Activity 8

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Incoming parent meetings will be held to familiarize parents with transition from pre-K to Kindergarten and 5th grade to middle school.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

LCFF - Targeted
1000-1999: Certificated Personnel Salaries
Teacher extra pay already included in goal 1 (see goal 1)

Strategy/Activity 9

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

All students

Strategy/Activity

Title 1 Meetings will be held to review policies like the Parent Compact, Parent Involvement Policy and SPSA goals.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Covered in Goal 1, No additional cost

Strategy/Activity 10

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

Families of English Learners

Strategy/Activity

Provide parent leadership and training opportunities through Project 2 Inspire

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

District Funded

Strategy/Activity 11

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

This goal pertains to all students including the following special population groups: English Learners, Migrant, Special Education, SED, Foster, Homeless, African-American, GATE.

English Learners

Strategy/Activity

Parents will be invited to give input for reclassification for students who qualify to be re-designated as fluent English proficient.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.
