2021-22 Phase Three: Executive Summary for Schools

Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Boyle County High School has about 853 students enrolled. The students come from a mixture of both rural and suburban areas. Our school is in Danville Kentucky a fairly large town for the area which is home to a few medical centers, including a hospital, and Centre College. Danville is home to a private high school, a city school, Kentucky School for the Deaf, and the county district. There is a rich culture composed of curricular school activities, athletics, and academics. Many people have reported moving to the area because of the school system.

School's Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.

Boyle County High School strives to inspire and equip all students to be successful citizens through the self-disciplined pursuit of their unique abilities. We strive to produce an outstanding graduate while allowing them to pursue their abilities in the educational process. We want all students involved in something school related (clubs, athletics, arts, performances, etc).

Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

Number 1 ranked county high school in Kentucky for ACT with an average composite of 19.9. 15th Highest ranked high school overall in the state of Kentucky for ACT. A 53% pass rate on AP Tests 148 tests passed out of 278. We will continue to try and surpass all of these honors while trying to increase the number of students taking either an AP course-load or a dual credit courseload.
