A Cemetery Deed is required for all plot sales. Fee is per deed, not per grave. All graves purchased in one transaction will be reflected on a single deed. Deeds will be mailed to the purchaser after processing (please allow up to six months), or upon receipt of final payment. Graves gifted by the city (i.e., single veteran graves, indigent graves) do not require a deed. If an indigent grave is being purchased (for purposes of marker installation or reservation), a deed is then required.
