A DIVISION OF THE COOK & BOARDMAN GROUP, LLC

Friday, June 16, 2023
Newport Mesa Unified School District
Attn: Jonathan Geiszler

Dear Mr. Geiszler,

After collaborating with school districts of Irvine USD, Fullerton, Paramount USD, Upland USD, Moreno Valley and Tustin to name a few, A3 Communications, Inc., dba Blue Violet Networks (hereinafter referred to as Blue Violet) is pleased to offer our response to the request for project titled "Estancia High School and Pomona Elementary School Access Control Modifications". Blue Violet recognizes Newport-Mesa USD is seeking proposals from qualified vendors to provide a bid to install new gates and we are grateful for the opportunity to help you achieve this goal.

With successful experience delivering security solutions across the education, government, municipal and distribution industries, Blue Violet can provide exceptional value to Newport Mesa Unified School District, through:

- **Strong partnership networks and highly-qualified staff** – Blue Violet is a long-standing partner/integrator and is fully prepared to manage a project of this size, scope and critical nature.
- **Local service on a national scale** – With an office location 5 miles from Costa Mesa CA, and access to our parent company's (The Cook & Boardman Group) more-than-70-satellite offices, we can offer you the attention and care you should expect from a local firm, while still possessing the resources of a national corporation.

Please accept this proposal as evidence of our desire to accomplish your security goals. We look forward to the opportunity to exceed your expectations. I will be your account manager for the duration of this contract, so please contact me directly if you have any questions.

Sincerely,

Melissa Orwig, *Enterprise Technical Sales Executive*

Newport-Mesa
Unified School District

Executive Summary

We understand that Newport Mesa Unified School District is searching for the most qualified and economical contractor to install new ornamental gates, with panic hardware and anti-vandal pulls for security enhancements.

Expertise and Experience

Blue Violet offers expertise in engineering, project management, installation and training, combined with discounting thru many partnerships, to provide Newport Mesa USD, with the most qualified bid available.
Keeping the doors updated, specifically against vandalism and trespassing, will allow students and staff to feel more secure, leading to safer practices.

A Partnership Designed to Meet Your Needs

Your primary point of contact, Enterprise Technical Sales Executive Melissa Orwig, and your assigned project manager, Jaime Briceno, will continuously provide clear communication with updates and remedies, while addressing any questions or concerns. Our customer experience approach combines quick action by your account team with 24/7/365 access to our local help desk and service center, if desired.

Blue Violet as Newport Mesa Unified School District's Premier Systems Integrator

The remainder of this proposal seeks to prove why Blue Violet is the best choice to provide Newport-Mesa Unified School District as requested security installer. Our industry-recognized certifications, customer references and decades of experience ensure that Blue Violet is well equipped to provide exceptional service, solutions, and support to Newport-Mesa Unified School District.

By collaborating with Blue Violet, we guarantee success through:

- A single point of contact throughout your contract (Melissa Orwig, *Enterprise Technical Sales Executive*).
- Consistent client communication through your certified, assigned project manager (Jaime Briceno).
- Swift service and support from our Fountain Valley office, located just 10 minutes from your city.
- Immediate access to our local help desk and service dispatch ready to help you 24 hours a day, 365 days a year.
- Access to advanced technology is procured through our distribution partners.
- Strict compliance to all local, state and federal regulations, including OSHA standards, proof of comprehensive background checks and random drug tests.

7. Proposed Method to Accomplish the Work

Technical Approach

A3 Communications, DBA Blue Violet Networks, has had thousands of customer experiences with ordering proper equipment, programming, implementing and training for a variety of projects. We intend to commit to the Newport Mesa USD's goals by completing a full overhaul of the ornamental gates and hardware at Estancia High School and Pomona Middle School.

Blue Violet intends to do so by demoing all entrance gates and fence with footings located at Estancia High and Pomona Elementary School. The contractor (herein as Blue Violet Networks) will be responsible for providing a complete turn-key installation of new gates ornamental fence with footings. Requested Locinox/Mammoth hinges, electric strikes, Schlage lock and Trimco anti vandal pulls will be installed by the chosen integrator, Blue Violet Networks. Powder coating will be applied to new gates as well as paint to affected areas, to match existing.

With intense product research, strategic partnerships and decades of on-site experience, our talented and manufacturer-certified team designs the most reliable and cost-effective solution, customized to suit your growth, budgets and schedules. Maintenance agreement can also be provided for providing NMUSD ongoing support.

Project Management Methodology

Blue Violet applies an individual approach to each project to determine the most productive project management methodology. Through flexible management of each project phase, Blue Violet applies "real world" knowledge gained from other contracts, clients and our continuing education to develop the most appropriate solution. This approach allows our team to adapt and modify parameters to deliver maximum results with strict consideration to your timeline and budget. *In this case, the project has been requested to be completed by August.
With experience spanning single-day implementations to multi-million-dollar undertakings for a range of clients, the project management methodology focuses on tailoring our process for the client's best interests.

The cost of avoiding a mistake is less than the cost of correcting one...
Blue Violet's project management policies are geared toward providing the knowledge, skills, tools and techniques to meet our clients' needs and exceed expectations.

Project Phases and Processes

Blue Violet's project management philosophy comprises four phases:

1. Project Definition and Planning;
2. Project Launch and Execution;
3. Project Performance and Control; and
4. Project Close-out.

These phases are adjusted as necessary during the project and are not whole and complete unto themselves. Defined below, each phase may be revisited several times and is interdependent.

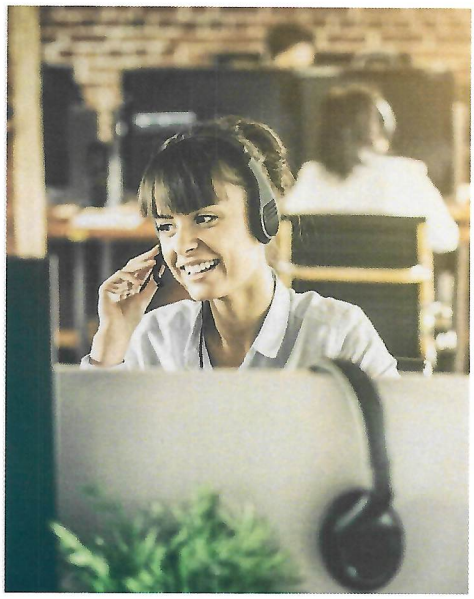

Warranty Information

These agreement terms proposed is fully guaranteed by Blue Violet from any defects for a period of three (1) year/12 months. ***If a problem occurs, we will promptly correct or reprogram any nonconforming work immediately.**

8. Client Support and Service and Response Times

For over four decades, A3 Communications DBA Blue Violet Networks has recognized the correlation between our customers' long-term success and the reliability of their services with us. Without the products and services to support this connectivity, our clients can't maximize the investments they've made on their technology. To ensure the stability of these critical systems, we work hard to guarantee quality and reliability of all of our products and services. With a guarantee for extended SLA and four-hour **emergency** response time, we are prepared to provide exceptional service and protection for Newport Mesa Unified School District.

In addition to our service board, we adhere to the following escalation procedure:

How to Contact Blue Violet Networks for Support

We're here to help with your voice and data needs!

During normal business hours: Monday – Friday 8:00am to 5:00 pm

In response to the Notice Inviting Bids dated May 19, 2023 and in accordance with the accompanying Instructions to Bidders, the undersigned hereby proposes to the District to furnish all labor, technical and professional services, supervision, materials and equipment, other than materials and equipment specified as furnished by the District, and to perform all operations necessary and required to construct the Project in accordance with the provisions of the Contract Documents, including all plans, specifications, and all addenda, and at the prices stated opposite the respective items set forth in the Bid Schedule.

This Bid constitutes a firm offer to the District which cannot be withdrawn for 90 days after the date set for opening of Bids, or until a Contract is executed by the District and a third party, whichever is earlier.

The undersigned certifies that it has examined and is fully familiar with all of the provisions of the Contract Documents and any addenda thereto; that it has carefully checked all of figures shown in its Bid Schedule; that it has carefully reviewed the accuracy of all statements in this Bid and attachments hereto; and that it understands and agrees that the District will not be responsible for any errors or omissions on the part of the undersigned in preparing this Bid.

If awarded a Contract, the undersigned agrees to execute and deliver to the District within ten (10) calendar days after date of receipt of Notice of Award, a signed Contract and the necessary Performance Bond, Payment Bond, and Certificates of Insurance and Endorsements.

The following Bid Forms, which have been completed and executed by the undersigned Bidder, are incorporated by this reference, and made a part of this Bid:

1. Completed Bid Schedule form.
2. Bid Guarantee in the amount of not less than 10% of the Total Bid Price.
3. Completed Designation of Subcontractors form.
4. Completed Bidder Information and Experience form.

5. Fully executed Noncollusion Declaration form.

6. Completed Public Works Contractor DIR Registration Certification form.

Bidder certifies that it is now licensed in accordance with the provisions of the Contractor's License Law of the State of California:

License number 1090056

Expiration date 04/30/2024

License classification C

If the Bidder is a joint venture, each member of the joint venture must include the above information.

The undersigned acknowledges receipt, understanding, and full consideration of the following addenda to the Contract Documents:

Addenda No. MO 2023-0008

Estimated Contract Price: $ 167,000.00
Bid Date: 6/16/2023
Surety: ASCOT INSURANCE COMPANY

Dear Sherry Lambeth:

Enclosed please find the above captioned bid bond, executed per your request.

The bid bond must be signed by an authorized representative of your company, notarized and sealed with the corporate seal if applicable. It is your responsibility to ensure the bid bond conforms with your needs and instructions to us, including but not limited to the correct coverages and parties, and with any laws applicable to your operations and/or the contract requiring the bid bond, and to advise us immediately, in writing, if the bid bond form so executed does not contain the proper information. Accordingly, it is incumbent upon you to carefully review the bond, and we will expect that you will, double-check all information, including signatures, dates, amounts and job descriptions for accuracy, and to verify that the bid bond form we executed is the form required by the specification. This will avoid the possibility of having a low bid rejected because of a clerical error. We will also expect you to verify that anything unusual that has been requested by the obligee is attached.

If, following your review of the bond, you do not advise us in writing of any problem or deficiency in its terms and information but submit the bond as is, your submission will constitute your verification, and we will justifiably assume, that the bond form as issued is correct and appropriate for the purpose for which it is being submitted. You further understand that we will have no liability for any deficiencies or discrepancies not brought to our attention in accordance with this letter.

The bid bond authorization is based upon your original estimate. **If the actual bid price exceeds this estimate by 10% or more, you must contact us for additional authority!**

Please call our office if you should have any questions or need any further assistance.

Good Luck on your Bid.

Sincerely,

Megan

DESIGNATION OF SUBCONTRACTORS

The subcontractor listed below will perform work or labor or render service to the successful Bidder in or about the construction of the work or improvement, or are subcontractors licensed by the State of California who will, under subcontract to the successful Bidder, specially fabricate and install a portion of the work or improvement according to detailed drawings contained in the Contract Documents, in an amount in excess of one-half of one percent (1/2 of 1%) of the Bidder's total bid. Notwithstanding the foregoing, if the work involves the construction of streets and highways, then the Bidder shall list each subcontractor who will perform work or labor or render service to the Bidder in or about the work in an amount in excess of one-half of one percent (0.5%) of the Bidder's Total Bid Price or $10,000, whichever is greater. No additional time shall be granted to provide the below requested information.

In compliance with the Subletting and Subcontracting Fair Practices Act Chapter 4 (commencing at Section 4100), Part 1, Division 2 of the California Public Contract Code, the Bidder shall set forth below:

(a) The portion of the work to be done by the subcontractor.

(b) The name and the location of the place of business.

(c) The California contractor license number; and

(d) The DIR public works contractor registration number.

If a Bidder fails to specify a subcontractor or if a Bidder specifies more than one subcontractor for the same portion of work, then the Bidder shall be deemed to have agreed that it is fully qualified to perform that portion of work and that it shall perform that portion itself.
