ST. MICHAEL-ALBERTVILLE SCHOOL DISTRICT CALENDAR & RESOURCE GUIDE

WELCOME | 2023-2024 SCHOOL YEAR

There is an abundance of excitement in the air as we begin a brand new school year! It is with great enthusiasm that I extend a warm welcome to students, staff, families, and the community! Thank you for supporting our schools and for partnering with us in the education of our children. We are ready for the new school year and excited about the possibilities and opportunities in front of us!

In partnership with our supportive families, generous community, and caring staff, we will continue our tradition of excellence by focusing our efforts on ensuring each student is a self-directed individual, effective communicator, and responsible and respectful citizen. Our vision statement reflects our commitment to educating the whole student and being the pride of our community with continued top rankings in academics, arts, activities, athletics, and resource management. In our quest to realize our vision, we are guided by our core values. They are an integral part of who we are and what we are all about.

An essential ingredient to our success is the district's strategic plan as it guides our work and focuses us on our most important core value of putting students first. Please visit our new website to familiarize yourself with the strategic plan as this living document is a collaborative effort among all stakeholders.

To live our mission and achieve our vision, we strive to cultivate family and community connections and engage stakeholders in the decision making process. Family and community engagement is essential to the success of our students and is a key component of our deep tradition of excellence.

We welcome and encourage parents and community members to be involved, informed, and exercise an active voice in the education of our students and the operations of the school district. We invite and encourage families and community members to engage in the decision making process by serving on our school and district advisory councils. To express interest in serving on any of our 19 councils, complete the STMA Interest Indicator by scanning the QR code.

Another way we put students first is by celebrating them and their creativity. Make sure to check out the student artwork featured in this year's calendar. We wish there were more pages in the calendar as we have very talented students. We are very proud of our students and believe the arts are an essential component of a balanced education.

Our team remains deeply committed to our strong tradition of excellence and are eager to serve our children and their families this school year. We are grateful for your trust and support and look forward to strengthening our partnership. Together, our collective wisdom and partnership creates a better tomorrow for our students, our families, our community, and all humankind.

Annual Notices:

Annual Notices & Safety Notifications for Lead-In-Water, Radon, Integrated Pest Management, Asbestos/AHERA and Indoor Air Quality can be found online at www.stma.k12.mn.us – Our District – About Us – Annual Notices or call 763-497-3187 x4526. Visit www.stma.k12.mn.us – Departments – Buildings & Grounds – Health & Safety to view the District management plans for Lead-in-Water and Radon.

St. Michael-Albertville Schools use a variety of digital tools to support student learning. Technology vendors and software are utilized to support work as we help all students develop the skills necessary to succeed in an ever-changing world.

We have an inventory of our curriculum, testing, and assessment tools posted at stma.k12.mn.us and include an outline of the student data elements within each tool. This list is maintained and communicated annually to all families at the start of the school year.

Please reach out to Dr. Wayne Hoistad at wayneh@mystma.org for additional questions regarding specific digital tools used in classrooms.

The mission of STMA Schools is to provide a safe educational environment where students develop lifelong learning skills that nurture positive attitudes and self-worth.
