Mission and Vision Statements

HUSD Vision: Every student realizes their innate potential, becoming a lifelong learner and having a positive impact on their community.

HUSD Mission: We draw from our community's rich diversity in order to create an engaging and equitable educational experience, delivered in a safe and supportive environment.

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

The purpose of a SWP is to improve academic achievement throughout a school so that all students, particularly the lowest-achieving students, demonstrate proficiency on the State's academic standards (34 Code of Federal Regulations [CFR] 200.25[a][1]). The improved achievement is to result from improving the entire educational program of the school (34 CFR 200.25[a][2]).

School planning and LEA assistance for each school that meets the criteria for CSI will be incorporated into the Local Control and Accountability Plan (LCAP) and school planning processes. [Assembly Bill 716](#), signed by the Governor on September 18, 2018, and codified in the California Education Code sections 64001–65001, streamlines and aligns state and federal planning processes. Effective January 1, 2019, this law renames the Single Plan for Student Achievement to the School Plan for Student Achievement (SPSA). Additionally, the law contains the following key provision:

Allows the SPSA to meet ESSA requirements for comprehensive or targeted support and improvement planning

Upon notification by the LEA, **the school** is required to collaborate with educational partners to:

- Develop and implement a school-level plan to improve student outcomes

The school plan must:

- be based on indicators in the statewide accountability system and informed by all indicators, including student performance against long-term goals; and
- identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the school improvement plan.

For this section, all schools will select “Schoolwide Program.” In addition, if your school is in [CSI](#), [TSI](#), or [ATSI](#), you will need to also select those boxes as applicable.

Schoolwide Program

Additional Targeted Support and Improvement

Schoolwide Program

The purpose of a SWP is to improve academic achievement throughout a school so that all students, particularly the lowest-achieving students, demonstrate proficiency on the State's academic standards (34 Code of Federal Regulations [CFR] 200.25[a][1]). The improved achievement is to result from improving the entire educational program of the school (34 CFR 200.25[a][2]).

ATSI:

There are 22 schools in the district which have been identified for Additional Targeted Support and Improvement (ATSI). Per the CA Dashboard Technical Guide, “Schools are eligible for ATSI if one or more student groups meet one of the following criteria:

- All indicators at the lowest status level; or
- All indicators at the lowest status level but one indicator at another status level”

Our site is one of the sites that was identified as ATSI.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Southgate developed this plan in conjunction with HUSD's LCAP and Strategic Plans, which both center around the following 4 goals:

1. Deeper Learning -- HUSD will increase students' deeper learning experiences, particularly for our underserved students, by building staff capacity to teach and interact with students in culturally responsive ways.

2. Relationship-Centered Schools -- HUSD will work collaboratively with families, community partners, and staff to increase student access to the social emotional supports they need, particularly through positive relationships, trauma informed care, and a focus on equity.

3. Service Excellence -- HUSD will create a welcoming environment and positive experiences and outcomes for our diverse community by recruiting and retaining highly qualified staff and providing training and support on achieving service excellence.

4. Operational Sustainability -- HUSD will create and implement comprehensive facilities, safety, and technology plans that ensure equitable and sustainable upgrades.

These 4 goals align to the State's LCFF goals, which are: Basic Services, Implementation of State Standards, Parent Involvement, Pupil Achievement, Pupil Engagement, School Climate, Course Access, and Other Pupil Outcomes.

Therefore, all of the goals listed in this Plan are developed to meet State and ESSA requirements, as measured by both local and state metrics.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

NOTE: ELAC and SSC are required educational partner groups. Suggested groups include AASAI and other parent groups at your site, staff meetings, ILT, and/or possibly a needs assessment sent to parents.

Involvement Process for the SPSA and Annual Review and Update

The development of this Single Plan for Student Achievement is a collaborative effort. All major parent, staff and community groups were apart of the brainstorming process. School-wide data was presented to the Southgate Staff, English Language Advisory Committee (ELAC), School Site Council (SSC), Instructional Leadership Team(ILT), and Site Based Decision Making Team (SBDM). All of these decision-making bodies were able to provide data-based suggestions on how to best allocate funds to improve student achievement, school climate and to address State & Local Educational Agency (LEA) LCAP Priorities.

Once the review process was complete, Southgate's School Site Council (comprised of five parent members and five staff members) drafted a plan based upon multiple data points and from the ideas garnered from the educational partners listed above. Southgate's SSC used the feedback from the educational partners to make revisions, edits, and changes.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

After a thorough evaluation of quantitative and qualitative data from various academic/socio-emotional data points from students, parents and staff, we were able to identify resource inequities that exist on campus. These resource inequities are addressed throughout the Single Plan for Student Achievement. The remedies to these inequities will help to address making the curriculum more accessible to ALL students, especially our focus groups: Literacy in K-2 students, African American students, English Learners, and Students with Disabilities. Southgate's goal through this SPSA is to allocate funds that provide the above focus groups with:

- Appropriate, engaging opportunities to learn
- Access to effective, supplemental instructional materials to increase student learning in English Language Arts and Math
- Through our continual growth in our Anti-Bias/Anti-Racist equity work, Southgate will use Culturally-Responsive teaching practices and materials that increase student engagement and performance
- Targeted intervention plans that will meet the needs of our focus groups

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

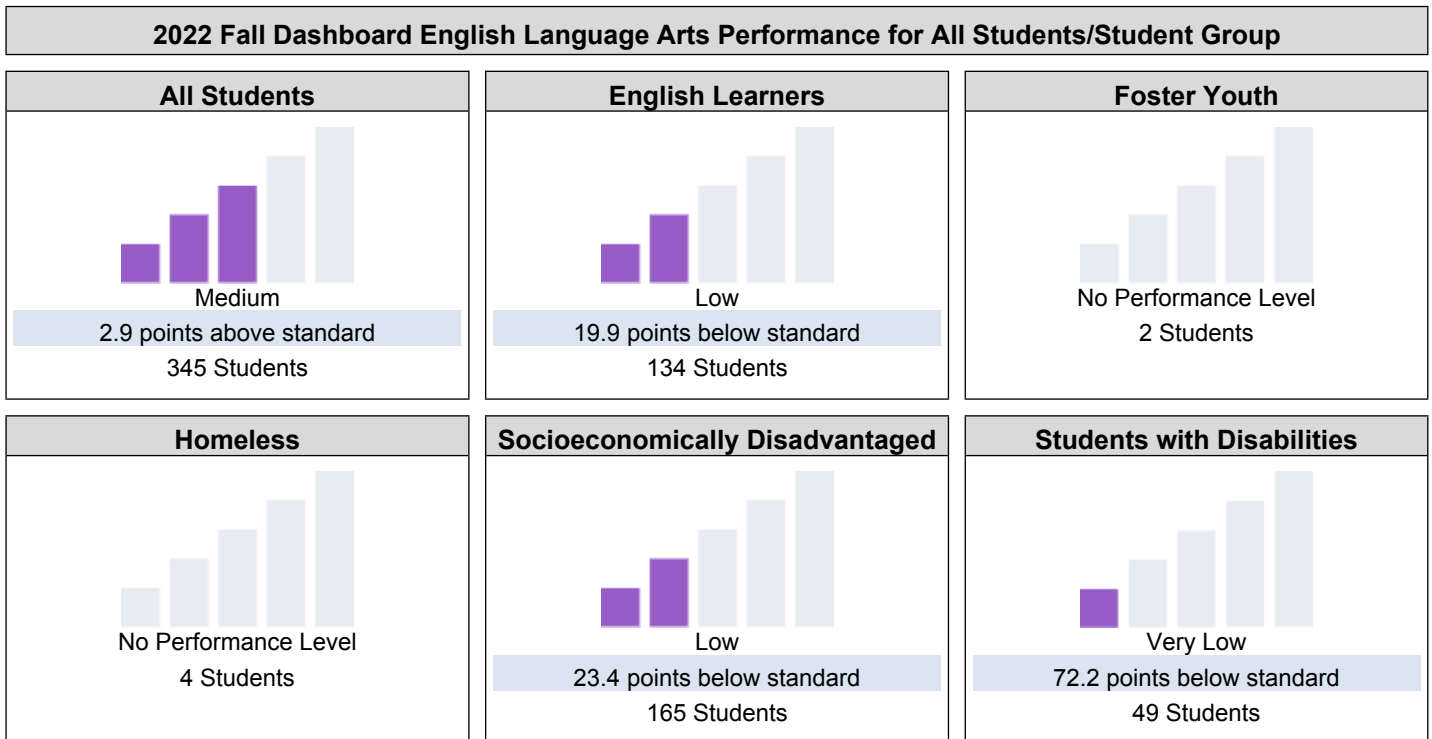

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

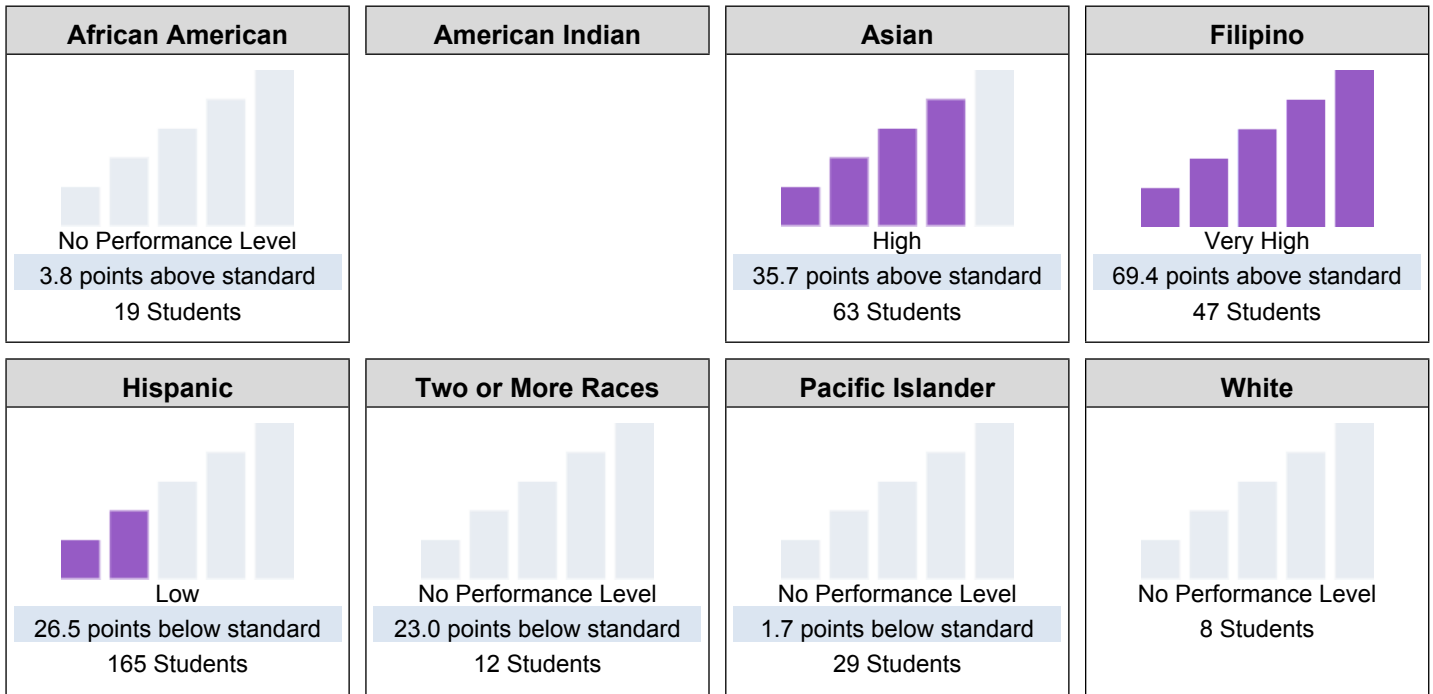

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

Goal Subject

Deeper Learning -- Language and Literacy

LEA/LCAP Goal

Hayward Unified School District believes that literacy is a civil right, and that literacy instruction takes place across all grade levels. Literacy and Anti-Bias/Anti-Racism are tightly interwoven, as students must feel safe and valued in order to learn and become proficient readers and writers. To this end, the district is emphasizing the importance of early literacy, promoting multilingualism through its dual language programs, and providing professional development for teachers supporting students in secondary grades.

Goal 1

Deeper Learning -- Language and Literacy: All students will receive literacy instruction that is tailored to their needs, through an equity lens, as measured on State CAASPP ELA and local assessments. All students who meet or exceed standard will increase performance on CAASPP ELA by 4.6%.

Identified Need

The following information describes Southgate's ELA achievement levels:
3rd - 6th Grade CAASPP results for all students from 2018/2019 and 2021/2022 School Years

ELA CAASPP Results:

Percent of students that Met or Exceeded Standard

ELA 2018/2019 - 62.23%

ELA 2021/2022 - 53.11%

Percent of students that did not Meet Standard

ELA 2018/2019 - 37.77%

ELA 2021/2022 - 46.89%

The number of overall students the Met or Exceeded ELA Standard decreased from the 2018/2019 School Year to the 2021/2022 School Year.

Annual Measurable Outcomes

Annual Review

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

To effectively address English-Language Arts acquisition and mastery, it must be looked at in a three-prong approach. At the foundational level students must possess the basic reading skills necessary to eventually move from "learning to read" to "reading to learn." This is why K-3 Literacy is a major focus area at Southgate. Southgate has invested time, money, and resources into the implementation of Guided Reading, Leveled Literacy Intervention and Daily Five Strategies. The goal is to provide small group targeted reading support for each student at their instructional level.

These strategies give teachers the opportunity to meet the students where they are academically and provide specific intentional strategies to improve their basic reading and reading comprehension.

We also have established Tier II Interventions for students in the form of pull-out groups that provide more intensive instruction using the Leveled Literacy Intervention Program. These small groups are lead by our Early Literacy Intervention Teachers, who are outlined in this SPSA. In some cases, additional instructional minutes may be harnessed before/after school for students who need it the most.

Another prong to increasing student achievement in ELA is increasing our students' abilities to analyze and make connections with grade level test. There are several strategies throughout this SPSA that were written to address this area, including the purchase of supplemental materials. These supplemental materials provide the proper rigorous, Common Core-aligned expository texts and literary works needed for students to begin to grapple with identifying main idea, theme and author's purpose - and most importantly developing their own opinions about what they read.

This springboards us into the third prong of the three-pronged plan, which is developing our students' abilities to take their ideas and opinions and putting them on paper. The ability to respond to literature, articulate opinions, summarize literary work and write narratives will be key foci in our classrooms.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

No major differences between the intended implementation and the budgeted expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

A change in this goal is to allocate more funding for substitute teachers to allow release time for teachers to meet as grade level team for students data review and analysis and planning. The strategies chosen are consistent with instructional best practices and align with State and LEA Priorities.

Deeper Learning -- Mathematics

LEA/LCAP Goal

Hayward Unified School District emphasizes the importance of comprehensible mathematics instruction across all grade levels. Mathematics and Anti-Bias/Anti-Racism are tightly interwoven, as students must feel safe and valued in order to learn and become proficient in numeracy, algebraic concepts and thinking, and higher level math including trigonometry and calculus.

Goal 2

Deeper Learning -- Mathematics: All students will receive mathematics instruction that is tailored to their needs, through an equity lens, as measured on State CAASPP Math and local assessments. All Students, who meet or exceed standard, will increase performance on CAASPP Math by 6.1%

Identified Need

Deeper Learning -- English Language Development

LEA/LCAP Goal

The Hayward Unified School District has provided all comprehensive school sites with an allocation for a credentialed site English Learner Specialist, along with two recently adopted core English Language Arts curricula, both of which have built-in support for English Learners. The district offered professional development to all ELA teachers as part of its rollout of these adoptions, and continues to offer follow-up support, including Constructing Meaning training for secondary teachers of ELs, and BE GLAD training for elementary teachers of ELs. Alongside these adoptions and professional development, the district is revising its EL Master Plan to more accurately reflect the needs of our EL students and community.

Goal 3

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members
- 0 Secondary Students

Name of Members	Role
Risa Kamimura	Classroom Teacher
Brad Ward	Classroom Teacher
Tony Dao	Classroom Teacher
Eduardo Picazo	Other School Staff
Brian McComb	Principal
Lisa Corrales	Parent or Community Member
Maria Espinoza - SSC/ELAC	Parent or Community Member
Latisha Dotson	Parent or Community Member
Stephanie Clark	Parent or Community Member
Erika Navarez	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 5/02/23.

Attested:

Principal, Brian McComb on 5/02/2023

SSC Chairperson, Stephanie Clark on 5/02/23

Title I School-Level Parent and Family Engagement Policy

Southgate Elementary School

2023/2024

With approval from the local governing board, Southgate Elementary School has developed a written Title I parent and family engagement policy with input from parents and family members of participating children. The school works with the School Site Council (SSC) and other parent committees (e.g. English Learners Advisory Committee) to review and update the policy. The school has distributed the policy to parents and family members of children served under Title I, Part A. The school distributes the policy through its Parent Handbook. *EC Section 11503; 20 United States Code [U.S.C.] Section [§] 6318[b][1-4]*

Involvement of Parents in the Title I Program

To involve parents and family members in the Title I program at Southgate Elementary School, the following practices have been established:

- a) Each year, Southgate presents its Title I status at its annual Back To School Night. The presentation is to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. Parents are informed of these requirements and rights at SSC, ELAC, and at an evening Title I Parent Meeting.
- b) The school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening. These meetings include, but may not be limited to, Coffee with the Principal, English Learner Advisory Committee (ELACs), School Site Council (SSC), Parent-Teacher Association (PTA), and African American Student Achievement Initiative (AASAI). Parents are informed of these meetings in our monthly school newsletter, flyers that are sent home, and through phone messages.
- c) Southgate has developed a written Title I parental involvement policy with input from Title I parents. Input is taken at SSC (School Site Council) and at ELAC (English Language Advisory Committee) meetings. In addition, there is an ELAC representative on the SSC. The school sends the policy home with students and is also included in the Southgate Student Handbook.
- d) The school provides parents of participating children with the following:
 1. The school provides parents of Title I students with timely information about Title I programs. Parents are informed of these programs in our monthly school newsletter, flyers that are sent home, and through phone messages.

2. The school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet. Parents are informed at Back to School Night, brochures, and at teacher-parent conferences of curriculum, assessment, and proficiency requirements. This information also includes English Language Proficiency Assessments for California (ELPAC) performance data, and benchmark English Language Arts and Mathematics. This information is also included in the Student Handbook, which is available on the website.
 3. If requested by parents of Title I students, the school provides opportunities for regular meetings that allow parents to participate in decisions relating to the education of their children. Parents can meet with school personnel at teacher-parent-conference, SSC and ELAC meetings, or at any given time when parents wish to meet to discuss their student's progress.
- e) The School Site Council (SSC) and an English Learner Advisory Committee (ELAC) Representative work together to conduct an Annual Review of the SPSA. Their comments are published in the SPSA under each section's Annual Review, and are made available to the Governing Board. In addition, the SSC and the ELAC representative collaborate to update the SPSA each year.

Building Capacity for Involvement (Parent and Family Engagement Policy Continued)

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and local educational agency assisted with Title I, Part A funds establishing the practices listed below. (20 U.S.C. § 6318[e])

- a) Our school provides families with the opportunity to learn about the standards, assessments, Title I, and how best to monitor and support their children through the annual Back to School Night event, monthly Coffee with the Principal meetings, and regular English Learner Advisory Committee (ELAC) meetings, African American Student Achievement Initiative (AASAI) meetings, Parent-Teacher Association (PTA) meetings, and School Site Council (SSC) meetings.
- b) Family Engagement Specialists provide support and meetings for parents around advocacy and academic standards to best support their students at home. Materials are also provided through Coffee with the Principal, ELACs, AASAI, PTA, and SSC meetings.
- c) Professional Development for staff occurs regularly through monthly staff meetings, site-level PD offered annually, and SSC training. In addition, ELAC provides information for teachers and the school for how to support their English Learner children.

- d) We have a Family Engagement Specialist, and whenever possible they are housed at the Parent Center, on site. The FES focuses on academics, advocacy, and social-emotional support and information. For English Learner parents, we provide information on the regulations to support English Learners, the implementation of programs at the district level through our DELAC, and we also offer district-wide Town Hall meetings for Special Education parents, and for all parents, around the needs of their students. Town Halls are always provided in both English and Spanish.
- e) Overall 15%+ of our population is Spanish speaking, and all information is sent home in both English and Spanish.
- f) The school will provide additional support as requested by parents.

Accessibility

Southgate Elementary School, to the extent practicable, provides opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children) including providing information and school reports required under section 1111 of the ESEA (20 U.S.C. § 6311), as amended by ESSA, in a format and, to the extent practicable, in a language such parents understand. (20 U.S.C. § 6318[f])

Communication with all groups goes through Coffee with the Principal, and all materials are shared in both English and Spanish. Our Family Engagement Specialist is on site and work directly with parents, typically the Parent Center. Webpage for the school site provides comprehensive information, in English and in Spanish, in its Student Handbook. EL Specialists and Principals have meetings with parents of ELs through ELACs. Principals convene with School Site Councils. Principals also attend AASAI meetings.
