

Pre-AP Spanish 3 Summer Activities

One of the best ways I stay up to date with my Spanish is by following social media accounts, blogs, watching Spanish tv shows, movies, listening to Spanish music, etc. If you take the time to add Spanish into your daily life, you will be surprised by how much you learn from just seeing it on a regular basis. Especially in formats you are already familiar with and understand. It's all about context.

Summer Activity BINGO will work as follows:

You must get "BINGO" on the card below. "BINGO" means you complete FIVE activities either horizontally, vertically, or diagonally.

BONUS "BLACK OUT!" if you do all of the activities on the card.

Documentation must take place of each activity. These activities are to be done **IN SPANISH (duh)**. Most activities can be documented with a screenshot/photo.

There are very few that actually require paper being used/turned in. However, I would prefer that ALL activities be submitted electronically. SAVE PAPER!

***These activities are all searchable online. Recipes, youtubers, movies, tv shows, etc. are all an easy google search away.**

All completed activities will be sent AT THE SAME TIME with the title "Spanish BINGO". Do NOT send me each activity separately, I will NOT grade them individually.

You cannot use the same image/activity for more than one BINGO spot. NO DOUBLING UP.

Be creative, this is supposed to be fun and a way for you to incorporate Spanish into your everyday life.

All COMPLETE BINGO submissions should be sent to lvillanueva@hicd.org no later than THE FIRST DAY OF SCHOOL!

Netflix/Hulu/Amazon/etc:

Movie/TV show streaming sites change very often, but you can do a search for “Spanish” on any of the sites listed, and you will be given lots of options. Movies and TV shows are also sometimes found on Youtube.

You may not watch a film we have already watched in class.

The film MUST be in SPANISH, with English subtitles if you'd prefer.
