**Thank You**

This document was created to set guidelines for communication between booster clubs and our high school programs. It is meant to be a tool used to better relationships, clarify procedures and rules, and set the stage for a successful season.

Parents, without your help we would not be able to provide quality activity programs for all TUSD students. *Thank you*

### Purpose and Function of Booster Clubs

A booster club is defined as "an organization that is formed to help support the efforts of a sports team or organization. Support is shown in many ways, including volunteering time, raising money, and contributing funds to better enhance the team or organization's performance."

A booster club provides enthusiastic support of a team or organization. This type of support is much like parental support, but is given in a collective manner.

Booster clubs play a key role in supporting TUSD activities in many ways and we are very thankful for the positive contributions booster clubs provide to our programs. Booster clubs may raise funds and donate those funds to the District or purchase items with their funds for donation or assistance to the District, but they are not legally considered a part of the District. As such, booster clubs must obtain their own tax identification number and liability insurance. Booster clubs may perform, meet, or organize in any way, in accordance with the above stated definition, that supports or 'boosts' the program they are formed to support.

It is the charge of the TUSD high schools to ensure that booster clubs operate within their defined parameters.

### Annually (required)

Requests for subsequent authorizations shall be presented to the Principal for approval by the Superintendent or designee annually, along with a financial statement showing all income and expenditures from fund-raisers. If the Superintendent or designee proposes to

deny the request for reauthorization, he shall present his recommendation to the Board for approval.

Upon consent of the Superintendent or designee, school-connected organizations may use the school's name, school team's name or any logo attributed to the school or district.

School-connected organizations are prohibited from hiring or directly paying district employees.

Organizations may make donations to the district to cover the costs of additional employees, but only if such positions are approved in advance by the Board. At their discretion, employees may volunteer to perform activities for school-connected organizations only during non-working hours.

Annual Renewal forms may be obtained from your school Activities Office or on TUSD's website.

### Finances

Booster clubs are responsible for ensuring that proper financial internal controls exist for all their financial activities.

They should adhere to sound business practices and maintain an adequate control system as outlined in FCMAT's *Associated Student Body Manual* available at <http://www.fcmat.org>.

Questions regarding financial requirements should be directed to the TUSD Fiscal Services department. Sandra Magana 667-0632 Ext 2403 [smagana@turlock.k12.ca.us](mailto:smagana@turlock.k12.ca.us)
