Welcome to Haude Elementary!

Ms. Rachel Wall
Principal

I am excited every day to be the principal at Haude Elementary! I come from a family of educators who instilled in me the great satisfaction of helping a child discover the joy of learning. I graduated from Texas A&M University with a B.S. in Curriculum and Instruction and earned a Masters degree from the University of Houston in Counseling and Lamar University in School Administration. During my 35 years here in Klein ISD, I have served as a teacher, counselor, and administrator.

My husband, Keith, and I live here in Klein. Our daughters, Sarah and Kathleen, are both graduates of Klein Collins. I enjoy working with our Haude community and outstanding faculty to help our students have a wonderful learning experience during their elementary school years.

STUDENT

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.

PROGRAM HIGHLIGHT

Haude Elementary teachers focus on high-quality instruction through the use of personalized pathways, peer collaboration, and extension lessons when academic content has been mastered. We focus on knowing students by name, strength, and need and tailor learning opportunities to meet each individual student where they are in their learning journey.
