Enrollment

Students wishing to be considered for enrollment in the RAVE program must complete the application in full and return to Rowan County Middle School or Rowan County Senior High School **no later than August 15 of each year**. If accepted, enrollment is for one year only. Each year students must reapply for the RAVE program. If accepted, both the student and parent are required to meet with the RAVE Coordinator and Facilitator to complete the Enrollment Agreement and submit payment.

Fees

Since RAVE facilitates coursework through a new learning management system, Edgenuity, and content specific teachers will be available for tutoring, there is a non-refundable one time fee for the program of **\$250**. Payment plans are available; however, RAVE enrollment will not begin until payment is received in full. In the meantime, students are expected to attend school in person.

Coursework

Students enrolled in RAVE will complete 6 courses. These courses are to be completed in full to receive credit. Coursework enrollment is from the **Tuesday after Labor Day through the First Friday in May**. Students with incomplete coursework will be required to report in person the remainder of the school year.

Progress Monitoring

State Testing

Students enrolled in RAVE must complete all state mandated testing. Failure to do so will automatically result in non-renewal of RAVE Enrollment.
