

Education Protection Account (EPA)

The Education Protection Account (EPA) provides local educational agencies (LEAs) with general purpose state aid funding pursuant to Proposition 30, the Schools and Local Public Safety Protection Act of 2012, approved by the voters on November 6, 2012. Proposition 55 (2016), continues the use of EPA. The EPA funding is a component of an LEA's or Charter School's total Local Control Funding Formula (LCFF) revenue. Proposition 55 takes effect on January 1, 2018, and remains in effect through December 31, 2030.

The revenues generated from Propositions 30 and 55 are deposited into the EPA and a corresponding reduction is made to the district's or charter school's LCFF revenue. For 2022-23, the reduction is approximately 22% of the total LCFF funding. The district began receiving EPA payments quarterly in Fiscal Year 2013-14.

Funding Before Proposition 30

Funding After Proposition 30

Proposition 30 requires that each LEA shall have sole authority to determine how the moneys received from the Education Protection Account are spent in the school or schools within its jurisdiction, provided, however, that **the appropriate governing board or body shall make these spending determinations in open session of a public meeting of the governing board or body and shall not use any of the funds from the Education Protection Account for salaries or benefits of administrators or for any other administrative costs.** An LEA may allocate the EPA entitlement entirely to one program for expenditure.

Propositions 30 and 55 require all districts, counties, and charter schools to report on their Web sites an accounting of how much money was received from the EPA and how that money was spent. District EPA information for previous years can be found by selecting the Budget Info link on the District's website.

Listed on the next page is the Education Protection Account Expenditure plan listing how the moneys received from the Education Protection Account are proposed to be spent in 2022-23.
