## Google Chrome: Translate to Other Languages!

Using Google Chrome Browser, **any page**, including Family Access, can be translated into different languages, such as Spanish, and Vietnamese.

For use with **Google Chrome** Internet Browser.

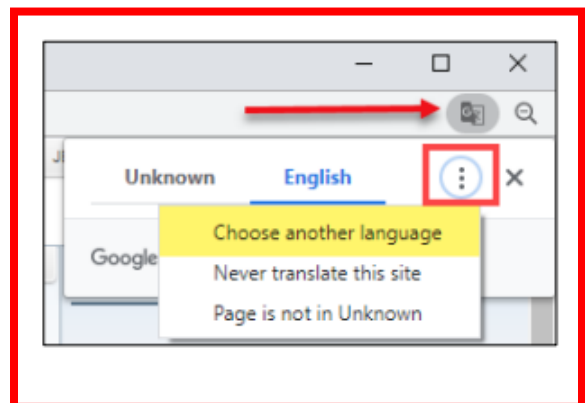

Works on a Chromebook too!

From any page that needs translating, use the mouse and **RIGHT-CLICK** and choose Translate to (Select the language you would prefer!)

The screenshot shows the Wharton Independent School District website's "Account Request" page. The page title is "Wharton Independent School District" and "NEW to Wharton ISD Enrollment". A blue banner states: "This form is the first step to enrolling your new student online. Complete it to request an account that you will use to log in to a secure system." Below this is a form with fields for "Guardian Legal First Name", "Guardian Legal Last Name", "Student Legal Middle Name", "Guardian Legal Home Phone", "Guardian Legal Home Fella", "Guardian Email Address", "No. Home Email Address", and "Guardian Primary Phone Number". A right-click context menu is open over the form, showing options like "Back", "Forward", "Reload", "View all...", "Print...", "Copy...", "Search images with Google", "Copy QR Code for this page", "Translate to English", and "View page source".

After the page is translated, to change languages click the icon in the upper right corner and select Choose Another Language if desired then select done!
